Marianna Housing Authority
Operating Procedure
Supplement #2
Board Approval Date:
Established: June 1, 2003
Revision Date:

PET POLICY

In accordance with Section 526 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA), Marianna Housing Authority (MHA) hereby sets forth rules and regulations concerning pet ownership in its public housing units. Only "common household pets" as defined herein will be permitted in MHA owned properties.

A common household pet, for the purposes of MHA's conventional housing program: *A domesticated animal, such as a dog, cat, bird, or fish* that is traditionally kept in the home for pleasure rather than for commercial or breeding purposes. Common household pet does not include reptiles. This definition shall not include animals that are used to assist persons with disabilities.

Residents may own and keep fish or birds in accordance with the dwelling lease.

Residents may own up to two pets. If one of the pets is a dog or cat, (or other four-legged animal), the second pet must be contained in a cage or an aquarium for fish. Each bird or other animal, other than fish, shall be counted as one pet.

EXCLUSION FOR ANIMALS THAT ASSIST PERSONS WITH DISABILITIES

MHA's Pet Policy shall neither apply to animals that are used to assist persons with disabilities and their assistance animals, who visit MHA's developments and dwelling units. 24 CFR 5; 24 CFR 960.705. The exclusion applies to animals that reside in developments for the elderly or persons with disabilities. MHA must grant this exclusion if the following is provided:

- The resident or prospective resident verifies that they are persons with disabilities by completing MHA's reasonable accommodation process.
- The animal has been trained to assist persons with the specific disability (example, seeing eye dog); and
- The animal actually assists the person with a disability.

COMPANION/SERVICE ANIMALS

Distinction is hereby given to "companion animals" and "service animals." If the animal does not have specific disability related training but is necessary in coping with the disability (for instance, if the animal provides emotional support to a person with a panic disorder), the animal is a "companion animal" not a "service animal."

A "service animal" means any guide dog, signal dog, or other animal individually trained to provide assistance to an individual with a disability. Service animals are equivalent to other "auxiliary aids" such as wheelchairs and eyeglasses, and as such must be permitted. 24 CFR 5.303; 28 CFR 36.104.

When an applicant or resident with a disability asserts and can verify that an animal is a companion or service animal for his/her disability, the applicant should make a request for a reasonable accommodation; specifically, to be allowed to keep the animal by completing MHA's reasonable accommodation process.

MHA will require verification that the applicant is a "qualified individual with handicaps" as defined by 24 CFR 8.3, and that the animal is necessary in coping or assisting with the disability. (Exhibit #3)

Upon receipt of verifications, MHA will approve the animal.

Residents requiring more than one pet as either a "companion animal" or "service animal" must request the animal by completing MHA's reasonable accommodation process. (MHA Form, Exhibit "1").

MANDATORY RULES FOR RESIDENTS WITH PETS

In accordance with 24 CFR 960.707, MHA hereby sets forth the following rules for pet ownership in its conventional housing units:

REGISTRATION

1. The Resident must request and receive written formal approval from the MHA prior to bringing the common household pet, (hereinafter referred to as "pet") on the premises. The pet request shall be made on the standard form "Pet Occupancy Request/Registration Form" (MHA PM Form, Exhibit "5").
2. Residents registering cats, dogs, or other four-legged animal, after receiving written approval for pet ownership, will be issued a sticker, a red "P," to be displayed on the front door or window of the dwelling unit. Said sticker will identify the unit to MHA staff or law enforcement officials as having Pet Addendum with the housing authority. (Exhibit "4")
3. Registration of the pet shall include a photograph being taken by the MHA and retained on file with MHA PM Form #78 on the left hand side of the resident's

4. Residents registering pets that are not fully-grown at the execution of the initial Pet Addendum, will be required to report back to the development office at the first year anniversary of the agreement in order that the pet may be re-photographed for identification purposes.
5. At the time of registration, Resident must provide information sufficient to identify the pet and to demonstrate that it is a common household pet. See MHA PM Form #78.
6. The name, address, and phone number of one or more responsible parties who will care for the pet if the pet owner dies, is incapacitated, or is otherwise unable to care for the pet must be provided at the time of registration.

2. The resident must provide waterproof and leak proof litter boxes for cat waste, which must be kept inside the dwelling unit. Litter boxes must be changed twice per week at a minimum. Cardboard boxes are not acceptable and will not be approved. The resident shall not permit refuse from litter boxes to accumulate, become odorous, to become unsightly, or unsanitary.

- Each time a pet owner fails to remove pet waste in accordance with this rule, a \$25.00 charge will be levied to the resident's account.
- Conditions outlined in Cats #2, above, pertaining to cat waste shall also prevail.

GENERAL PROVISIONS

1. All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet.
2. Costs incurred by MHA for **extermination of fleas, ticks, and other animal related pests**, will be deducted from the pet security deposit after either the pet is removed or the resident vacates. Residents are encouraged to use flea bombs to get rid of fleas and other animal-related pests on an "as needed" basis.
3. Pet(s) shall not disturb, interfere or diminish the peaceful enjoyment of other residents. The terms, "disturb, interfere or diminish" shall include but is not limited to: barking, meowing, crying, howling, chirping, biting, scratching and other like activities. This includes any pets that make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one-half hour or more and therefore disturbs any person at any time of the day or night. The MHA will terminate this authorization if a pet disturbs other residents under this section of the lease addendum. The resident will be given one week to make other arrangements for the care of the pet or the dwelling lease will be terminated.
4. Each pet must be maintained responsibly and in accordance with this pet ownership lease addendum and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership.
5. The weight of all four-legged animals, other than dogs, cannot exceed 10 pounds with height not to exceed 15 inches from the front shoulder of the animal.
6. Pets may not be bred or used for any commercial purposes on MHA property.

CONTROL OF THE ANIMAL

1. No animal shall be permitted to be loose and if the pet is taken outside it must be taken outside on a chain leash **no longer than five (5') feet** and kept off lawns designated to other residents. Retractable leashes are prohibited.
2. All authorized pet(s) must be under the control of an adult leaseholder. An unleashed pet, or one tied to a fixed object, is not under the control of an adult. MHA staff will contact the local Humane Society or dog warden in the event pets are found to be unleashed, or leashed and unattended, on MHA property. It shall be the responsibility of the resident to reclaim the pet and at the expense of the resident.
3. The resident pet owner shall have canine pets restrained so that maintenance can be performed in the dwelling unit. The resident shall whenever an inspection or maintenance is scheduled, either be at home or shall have all animals restrained or caged. If a maintenance person enters an apartment where an animal is not restrained, maintenance shall not be performed, and the resident pet owner shall be charged a fee of \$25.00. If the situation again occurs, the pet shall be removed from the premises. Pets that are not caged or properly restrained will be impounded and reported to the local Humane Society for removal. It shall be the responsibility of the resident pet owner to reclaim the pet at the expense of the resident. The Housing Authority shall not be responsible if any animal escapes from the residence due to its maintenance, inspections, or other activities.

UNATTENDED PETS

Pet(s) may not be left unattended for more than ten (10) consecutive hours. If it is reported to MHA staff that a pet has been left unattended for more than a ten- (10) hour period, MHA staff may enter the unit and remove the pet and transfer the pet to the humane society. Any expense to remove and reclaim the pet from any facility will be the responsibility of the resident.

PROHIBITED PETS

1. MHA will forbid the following kinds of animals from being kept as pets on any of its properties: Pitbull, Rottweiler, German Shepherd, Chow, Doberman Pinscher or any species considered vicious, intimidating, or kept for the purpose of training for fighting or wagering of bets (i.e. roosters for "cockfighting", etc.). MHA forbids the keeping of animals that have had their vocal cords cut, by a process commonly known as "debarking."
2. Exotic pets or barnyard animals are prohibited. Exception may be certain species of pigs utilized as bonafide "service animals". (Snakes and reptiles are considered exotic pets.)

Pet Policy Violation Procedures

MHA reserves the right to require residents to remove any pet from the premises whose conduct (noise, biting, breeding, etc.) or condition is duly determined to constitute a nuisance or a threat to the health or safety of the other occupants or pets of the development, neighbors, staff, or visitors. MHA reserves the right to remove such a pet in the event that the pet owner does not or cannot remove the pet.

Notice of Pet Policy Violation

If MHA determines on the basis of objective facts, supported by written statements, that a pet owner has violated a rule governing the owning or keeping of pets:

- MHA may serve a written notice of Pet Policy violation on the pet owner in accordance with the dwelling lease. The notice of pet rule violation must:
 1. Contain a brief statement of the factual basis for the determination and the pet rule or rules alleged to be violated;
 2. State that the pet owner has five (5) days from the effective date of service of the notice to correct the violation (including, in appropriate circumstances, removal of the pet) or to make a written request for a meeting to discuss the violation;
 3. State that the pet owner is entitled to be accompanied by another person of his or her choice at the meeting; and
 4. State that the pet owner's failure to correct the violation, to request a meeting, or to appear at a requested meeting may result in initiation of procedures to terminate the pet owner's tenancy.
-

Pet Policy Violation Private Conference

If the pet owner makes a timely request for a private conference to discuss an alleged Pet Policy violation, MHA shall establish a mutually agreeable time and place for the private conference but no later than three (3) days from the effective date of service of the notice of Pet Policy violation.

At the pet rule violation private conference, the pet owner and MHA representative shall discuss any alleged Pet Policy violation and attempt to correct it. MHA may, as a result of the meeting, give the pet owner additional time to correct the violation.

Notice for Pet Removal

If the pet owner and MHA are unable to resolve the Pet Policy violation at the pet rule violation private conference, or if a representative of MHA staff determines that the pet owner has failed to correct the Pet Policy violation within any additional time provided herein, the MHA may serve a written notice on the pet owner in accordance with Section of the Dwelling Lease or at the private conference, if appropriate, requiring the pet owner to remove the pet. The notice must:

1. Contain a brief statement of the factual basis for the determination and the Pet Policy or rules that have been violated;
2. State that the pet owner must remove the pet within five (5) days of the effective date of service of the notice of pet removal (or the private conference, if notice is served at the private conference); and
3. State that failure to remove the pet may result in initiation of procedures to terminate the pet owner's tenancy.

Initiation of Procedures to Remove a Pet or Terminate the Pet Owner's Tenancy

MHA may not initiate procedures to terminate a pet owner's tenancy based on a Pet Policy violation, unless:

1. The pet owner has failed to remove the pet or correct a pet rule violation within the applicable time period specified in this section (including any additional time permitted by the owner); and
2. The Pet Policy violation is sufficient to begin procedures to terminate the pet owner's tenancy under the terms of the lease and applicable regulations.

MHA may initiate procedures to remove a pet under 24 CFR 5.327 (threat to health and safety) at any time, in accordance with the provisions of applicable State or local law.

This Addendum is being executed in Accordance with the terms of the Dwelling Lease.

Section I. Pet Ownership

A resident may own one or more common household pets or have one or more common household pets present in the dwelling unit of such resident, subject to the following conditions:

1. Each head of household may own up to two pets. If one of the pets is a dog or cat, (or other four-legged animal), the second pet must be contained in a cage or an aquarium for fish. Each bird or other animals, other than fish, shall be counted as one pet.
2. If the pet is a dog or cat, it must be neutered/spayed by the age of six (6) months, and cats must be declawed at the front paws by the age of three (3) months. The evidence can be provided by a statement/bill from a veterinarian, certified on MHA Form #78, and/or staff of the local humane society. Evidence must be provided prior to the execution of this agreement and/or within 10 days of the pet becoming of the age to be neutered/spayed or declawed. Resident must provide waterproof and leak proof litter boxes for cat waste, which must be kept inside the dwelling unit. Cardboard boxes are not acceptable and will not be approved. The Resident shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. Also, the weight of a cat cannot exceed ten (10) pounds (fully grown) and a dog may not exceed 25 pounds in weight (fully-grown). All other four legged animals are limited to ten (10) pounds (fully-grown). The height of all four-legged animals cannot exceed 15 inches from the front shoulder of the animal.
3. If the pet is a bird, it shall be housed in a birdcage and cannot be let out of the cage at any time.
4. If the pet is a fish, the aquarium must be twenty (20) gallons or less, and the container must be placed in a safe location in the unit. The Resident is limited to one container for the fish; however, there is no limit on the number of fish that can be maintained in the container as long as the container is maintained in a safe and non-hazardous manner.
5. If the pet is a cat or dog, it must have received rabies and distemper inoculations or boosters, as applicable. Evidence of inoculations can be provided by a statement/bill from veterinarian, certified on MHA Form #78, or by staff of the Humane Society and must be provided before the execution of the Pet Policy Addendum.

6. All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose and if the pet is taken outside it must be taken outside on a leash and kept off other Resident's lawns. Also, all pets must wear collars with identification and license at all times. Pets without a collar will be picked-up immediately by the Humane Society, county dog warden, or other appropriate agency.
 7. All pet(s) must be under the control of an adult leaseholder. An unleashed pet, or one tied to a fixed object, is not considered to be under the control of an adult leaseholder. Pets, which are unleashed, or leashed and unattended, on housing authority property, may be impounded and reported to the local Humane Society, dog warden or other appropriate agency for pick-up. It shall be the responsibility of the Resident to reclaim the pet at the expense of the Resident.
 8. Pet(s) may not be left unattended for more than ten (10) consecutive hours. If it is reported to MHA staff that a pet(s) has been left unattended for more than an eight (10) consecutive hour period, MHA staff may enter the unit with the humane society, dog warden or other appropriate agency to pick-up the animal. Any expense to remove and reclaim the pet from any facility will be the responsibility of the Resident. In the case of an emergency, MHA will work with the resident to allow no more than 24 hours for the resident to make accommodations for the pet.
 9. Pet(s), as applicable, must be weighed by a veterinarian or staff of the Humane Society. A statement containing the weight of the pet must be provided to MHA prior to the execution of this agreement and upon request by the MHA at any time following the inception of the Pet Policy Addendum.
-
10. Responsible Pet Ownership: Each pet must be maintained responsibly and in accordance with this pet ownership lease addendum and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership. Any waste generated by a pet must be properly and promptly disposed of by the tenant to avoid any unpleasant and unsanitary odor from being in the unit in accordance with the provisions of MHA's Pet Policy.
 11. Prohibited Animals: Animals or breeds of animals that are considered by MHA to be vicious and/or intimidating will not be allowed. Some examples of animals that have a reputation of a vicious nature are: reptiles, Rottweiler, Doberman Pinscher, Pit Bulldog, German Shepherd, Chow, and/or any animal that displays vicious behavior. This determination will be made by an MHA representative prior to the execution of this lease addendum.

12. Pet(s) shall not disturb, interfere or diminish the peaceful enjoyment of other residents. The terms, "disturb, interfere or diminish" shall include but not be limited to barking, meowing, crying, howling, chirping, biting, scratching and other like activities. This includes any pets that make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one-half hour or more and therefore disturbs any person at any time of the day or night. The MHA will terminate this authorization if a pet disturbs other residents under this section of the lease addendum. The resident will be given one week to make other arrangements for the care of the pet or the dwelling lease will be terminated.
13. If the animal should become destructive, create a nuisance, represent a threat to the safety and security of other persons, or create a problem in the area of cleanliness and sanitation, the MHA will notify the tenant, in writing, that the animal must be removed from the development, within five (5) days of the date of the notice from MHA. The Resident may request a hearing, which will be handled according to MHA's established grievance procedure. The pet may remain with the resident during the hearing process unless MHA has determined that the pet may be a danger or threat to the safety and security of other persons. If this determination has been made by MHA, the pet must be immediately removed from the unit upon receipt of the notice from MHA.
14. The Resident is solely responsible for cleaning up the waste of the pet within the dwelling and on the premises of the public housing development. If the pet is taken outside, it must be on a leash at all times. If there is any visible waste by the pet, it must be disposed of in a plastic bag, securely tied and placed in the garbage receptacle for their unit. If the Housing Authority staff is required to clean any waste left by a pet, the Resident will be charged \$10 for the removal of the waste.
15. The Resident shall have pets restrained so that maintenance can be performed in the apartment. The Resident shall, whenever an inspection or maintenance is scheduled, either be at home or shall have all animals restrained or caged. If a maintenance person enters an apartment where an animal is not restrained, maintenance shall not be performed, and the Resident shall be charged a fee of \$25.00. If this same situation again occurs, the pet shall be removed from the premises. Pets that are not caged or properly restrained may be impounded by animal control officers and taken to the local Humane Society or dog warden. It shall be the responsibility of the Resident to reclaim the pet at the expense of the Resident. The Housing Authority shall not be responsible if any animal escapes from the residence due to maintenance, inspections, or other activities of the landlord.
16. Pets may not be bred or used for any commercial purposes on MHA property.

I agree to pay a non-refundable fee of \$_____ to cover some of the additional operating cost incurred by the MHA. I also understand that this fee is due and payable prior to the execution of this lease addendum.

I agree to pay a refundable pet deposit of \$_____ to MHA. The Fee and initial Deposit must be paid prior to the execution of this lease addendum. The pet deposit may be used by MHA at the termination of the lease toward payment of any rent or toward payment of any other costs made necessary because of my occupancy of the premises. Otherwise, the pet deposit, or any balance remaining after final inspection, will be returned to me after the premises are vacated and all keys have been returned.

I AGREE AND UNDERSTAND THAT ALL INFORMATION CONCERNING MY PET (S) MUST BE UPDATED ANNUALLY AND PROVIDED TO THE MHA AT THE ANNUAL REEXAMINATION.

I AGREE AND UNDERSTAND THAT VIOLATING THIS LEASE ADDENDUM MAY RESULT IN THE REMOVAL OF THE PET (S) FROM THE PROPERTY OF THE MHA AND/OR EVICTION. I, ALSO UNDERSTAND THAT I MAY NOT BE ALLOWED TO OWN ANY TYPE OF PET IN THE FUTURE WHILE BEING AN OCCUPANT OF THE MHA.
