ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

EXECUTIVE SUMMARY

We are pleased to present our FY 2008 Agency Plan. The Jacksonville Housing Authority (JHA) has prepared this Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements. This plan was also developed under the consultation of the Resident Advisory Board and Local Legal Aide Representative. In arriving at this plan, we have held three meetings with our Resident Advisory Board, and a Public Hearing.

The mission of the Jacksonville Housing Authority is to serve low-income, very low-income, extremely low, and moderated-income families in the Jacksonville area by:

- 1) Providing safe, clean, and affordable housing
- 2) Providing effective social services.
- 3) Forming effective partnerships to maximize social and economic opportunities
- 4) Improve the quality of life for residents
- 5) Encourage employment and self-sufficiency
- 6) Help residents move out of assisted housing
- 7) Providing home ownership opportunities

We have also adopted the following goals and objectives for the next five years.

1. Implement Asset Management by establishing Project-Based management, accounting and budgeting as the infrastructure.

- 2. Improve efficiency and effectiveness in JHA operations by developing a private industry styled management approach.
- 3. Maximize and diversify income sources and product offerings in order to reduce the impact of federal budget cuts and to enable the agency to serve a larger number of its targeted population.
- 4. Improve the JHA's "Up and Out" (self-sufficiency) Program and achieve coordination of resident services between the Public Housing and Section 8 programs.
- 5. Improve the viability and desirability of current properties through the addition of amenities such as air conditioning and to improve landscaping.
- 6. Improve communication with our residents through customer service training, frequent community meeting and involving residents more in the planning process.
- 7. Diversify property locations by seeking or developing properties in non-minority neighborhoods and provide properties for persons of varying incomes.
- 8. Revise and enhance governance (board) operations in order to make maximum use of talents and abilities of board members while limiting the time demand on them, and to provide for an effective means of board recruitment and turnover.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- Implementation of asset management
- Homeownership Program
- Crime and Safety Program
- Hope VI Program

In summary, we are on course to improve the condition of affordable housing in Jacksonville.

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

Income Mix and De-concentration Provisions

Description: The JHA serves families whose income is at or below 80% of the areas median income. This policy is designed to ensure that very low and low-income households are not concentrated in certain developments or in buildings within a development. The JHA will make 40 percent of its public housing units available to families earning at or below, 30 percent of area median income (AMI). This requirement applies to new admissions on an annual basis.

- 1. Incentives- The JHA may offer incentives to encourage eligible higher income families to occupy dwelling units in developments predominantly occupied by very low-income (30% or less than AMI) families and vice versa. The Director of Operations must approve the implementation of these incentives, as necessary.
- 2. Mix-income/Site based waiting list The JHA will purchase existing apartment complexes to develop mix-income communities. These communities will have a mix income stratification that will ensure dispersion of very low-income families. Very low-income families will make up no more than 25% of the residents living in these communities.
- 3. Working Family Preference JHA will give a 2 to 1 selection preference to working families on the waiting list, unless the selection of new families earning more than 30% of AMI has exceeded 60% for the current year.

Agency Plan Public Hearing Comments and Input of Resident Advisory Board

On May 14, 2008, the Jacksonville Housing Authority (JHA) held a public hearing on its FY 2008 Agency Plans, pursuant to 24 CFR parts 903.5 and 903.7. Board member Josephine Brooks presided over the proceedings. Fred McKinnies discussed the Annual Plan process and advised the approval of the Annual Plan template and Admissions & Occupancy Plan. These documents will be presented at the June Board Meeting for approval before submission to U.S. Housing & Urban Development on July 30th.

Prior to the hearing, we held two (2) meetings with the Resident Advisory Board to revise the plan. The major revisions made to this year's plan are listed below and the Resident Advisory Board comments are also attached.

- Background check requirements for household members age 14 and up,
- Resident Charge List increases, and
- Inconsistent Income Reporting changes

These and other minor changed were presented with questions and answers as needed. Objections by the Resident Advisory Board representative and Jacksonville Legal Aid were noted and their comments and suggestions will be submitted for consideration before the final submission to U.S. Housing & Urban Development on July 30th. These written comments were received and are included with this package.

Jacksonville Housing Authority - DOMESTIC VIOLENCE POLICY

The Jacksonville Housing Authority is committed to ensuring that residents are safe in public housing communities. It is the intent of JHA to assist families who are victims of domestic violence to maintain their safety while residing in public housing.

Any resident who believes that he or she is a victim of victim of domestic violence, dating violence or stalking is seriously encouraged to report any incidents of such violence or stalking to his or her respective management office, and submit a confidential form describing such violence. In accordance with the Violence Against Women Act, JHA will not mail such forms in order to protect the privacy of the victim.

Pursuant to the Violence Against Women Act, recently made applicable to JHS housing, JHA agrees that the following policy's will guide its actions.

The JHA will not deny admission to a person, or terminate benefits to a participant, based solely upon a person's status as a victim of domestic violence, dating violence or stalking.

Victim's of domestic violence, dating violence or stalking are entitled to an exemption from the "one strike" criminal eviction rule in that an incident of actual or threatened victim of domestic violence, dating violence or stalking does not qualify as a "serious or repeated lease violation", or a "good cause" for terminating the housing rights of the victim and non-offending family members.

Additionally, JHA may bifurcate the lease and terminate the rights of the perpetrator, while allowing the victim and non-offending family members to remain in the unit. JHA will also continue to consider victim of domestic violence, dating violence or stalking as a basis of for seeking a transfer to another public housing community.

JHA in partnership with the City of Jacksonville and the Jacksonville Sheriff's office victim's rights handout will comply with VAWA by providing notice to tenants advising them that: Criminal activity directly relating to victim of domestic violence, dating violence or stalking engaged in by a member of a tenant's household or any guest or other person under the tenant's control shall not be cause for termination of the tenancy or occupancy rights, it the tenant or an immediate member of the tenant's family is the victim or threatened victim of that victim of domestic violence, dating violence or stalking; an incident or incidents of actual or threatened victim of domestic violence, dating violence or stalking will not be construed as a serious or repeated violation of this lease by the victim or threatened victim of that violence and shall not be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence; and that a new confidentiality rules govern the disclosure of information under the law.

If a resident raises the status of being a victim of victim of domestic violence, dating violence or stalking, or JHA has cause to believe that an incident in question may be a cause of domestic violence, JHA may request in writing that the individual certify via the Certification of Domestic Violence, Dating Violence, or Stalking Form that the incident or incidents are bona fide incidents which meet the requirements for VAWA protections. JHA staff may confer VAWA benefits without requiring the filling out of the Certification of Domestic Violence, Dating Violence, or Stalking Form.

JHA will also honor court orders that address the rights of, access to, or control the property.

CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE, OR STALKING

Information provided is to be used by PHAs and Section 8 owners or managers to request a tenant to certify that the individual is a victim of domestic violence, dating violence or stalking. The information is subject to the confidentiality requirements of the HUD Reform Legislation. This agency may not collect this information, and you are not required to complete this form unless it displays a currently valid OMB control number.

Purpose of Form: The Violence Against Women and Justice Department Reauthorization Act of 2005 protects qualified tenants and family members of tenants who are victim of domestic violence, dating violence or stalking from being evicted or terminated from housing assistance based on acts of such violence against them.

Use of Form: A family member must complete and submit this certification, or the information that may be provided in lieu of the certification, within 14 business days of receiving the written request for this certification by the PHA, owner or manager. The certification or alternate documentation must be returned to the person and address specified in the written request for the certification. If the family member has not provided the requested certification or information that may be provided in lieu of the certification by the 14th business day or any extension of the date provided by the PHA, manager and owner, none of the protections afforded to victim of domestic violence, dating violence or stalking (collectively "domestic violence") under the Section 8 or public housing programs apply.

Note that a family member may provide, in lieu of this certification (or in addition to it):
