The State of Georgia Consolidated Plan supports the Housing Authority of the City of Calhoun's Agency Plan with the following Strategic Plan Priority:

To increase the number of Georgia’s low and moderate-income households who have obtained affordable, rental housing free of overcrowded and structurally substandard conditions.

The use of the term “low and moderate income households” in the referenced Strategic Plan Priority includes all households at or below 80 percent of median income. This category includes low-income, very low-income, and extremely low-income households. These are the households that the Housing Authority of the City of Calhoun targets and serves for housing assistance.

Our agency is part of the entire effort undertaken by the City of Calhoun and the State of Georgia to address our jurisdiction’s affordable housing needs. While not specifically targeting funds in the Consolidated Plan for public housing programs, the State of Georgia believes it has a vested interest in the federal government’s commitment to continue to provide resources for the operations, maintenance and preservation of public housing.

In summary, the State of Georgia’s Consolidated Plan strategies are consistent with and support the goals and objectives of the Housing Authority of the City of Calhoun.

A goal of the Housing Authority of the City of Calhoun is to fully comply with the Violence Against Women Act (VAWA). It is our objective to work with others to prevent offenses covered by VAWA to the degree we can.

The Housing Authority of the City of Calhoun provides or offers the following activities, services, or programs, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault, or stalking.

Through cooperation with the local domestic violence agency and City of Calhoun Police Department, any cases of violence as described are referred for assistance. The local domestic violence agency is Domestic Violence Outreach.

The Housing Authority of the City of Calhoun provides or offers the following activities, services, or programs that help child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing.

The Housing Authority has a local preference for victims of domestic violence. Domestic Violence Outreach program staff is aware of our housing program and makes client referrals to our office. Apparently eligible clients are placed on our waiting list.

For persons already living in a Housing Authority unit who become victims as described, these are referred to police and Domestic Violence Outreach program for assistance. If the management becomes aware of any violator who may be restricted through an order of protection, that person is prohibited from the premises and is considered a trespasser subject to arrest and removal. The Police Department is cooperative and supportive in cases such as this, and willingly responds and enforces the protective orders.

The Housing Authority of the City of Calhoun provides or offers the following activities, services, or programs to prevent domestic violence, dating violence, sexual assault, and stalking, or to enhance victim safety in assisted families.

The same methods as described herein, making referrals to Domestic Violence Outreach for counseling and support services and attempting to enforce orders of protection with the cooperation of Police Department personnel, are used.

The Housing Authority of the City of Calhoun has the following procedure in place to assure applicants and residents are aware of their rights under the Violence Against Women Act:

All residents have been notified of their rights and responsibilities under the Violence Against Women Act.

The orientation for new residents includes information on their rights and responsibilities under the Violence Against Women Act.

The Admissions & Continued Occupancy Policy (ACOP) and the Public Housing Dwelling Lease have been revised to include screening and termination language related to the Violence Against Women Act

Housing Authority of the City of Calhoun

Annual Plan

Fiscal Year 04/01/2008 – 03/31/2009

Executive Summary

The Housing Authority of the City of Calhoun offers affordable housing, economic opportunity, and a safe living environment for the families that we serve, without discrimination.

Our major initiative is to continue the systematic assessment and renovation of our housing stock. We must continue to provide housing that is decent, safe, sanitary and in good repair but is also responsive to needs of the jurisdiction. Along these same lines, we need to be competitive with housing demands in the local market.

Over the course of the upcoming fiscal year, the Housing Authority will process the appropriate paperwork for a designated housing plan for elderly only at developments GA 119-003A, Hillhouse Homes, GA 119-004A, James Keene Homes, and GA 119-5 – Site 2, T. L. Shanahan Homes. This will continue to make our units marketable, competitive with, and responsive to local housing needs.

Following are a few additional components of our Annual Plan that are either not mentioned elsewhere in the Plan Template or that warrant further reference:
