#### **Action Plan**

The Consolidated Plan also includes an action plan constituting an application for funds under three different HUD formula programs. Community Development Block program (CDBG), the Emergency Shelter Grants program (ESG), and the HOME investments Partnership Program.

### Violence Against Women Act (VAWA)

Congress reauthorized the Violence Against Women Act (VAWA) in January 2006. The law is directed at reducing domestic abuse and creating new protections for victims of domestic violence, dating violence and stalking. The law requires that tenants of the Housing Choice Voucher Program be notified of their rights under VAWA.

The law prohibits the eviction of, and removal of assistance from, certain persons living in Section 8-assisted housing if the grounds for such action is an instance of domestic violence, dating violence, sexual assault, or stalking, as those terms are defined in the law as amended.

The law provides that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a "serious or repeated" violation of the lease by the victim or threatened victim of that violence and shall not be "good cause" for terminating the assistance, tenancy or occupancy rights of a victim of abuse.

Additionally, tenancy assistance or occupancy rights will not be terminated as a result of criminal activity, if that criminal activity is directly related to abuse engaged in by a member of the household, a guest or another person under the tenant's control if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse.

The law contains a provision that allows the owner/landlord to terminate the tenancy of and evict a tenant, and the City of Marietta Housing Choice Voucher Program to terminate assistance to a Section 8 program participant who engages in criminal acts of violence against family members or others. This action may be taken against the individual alone without evicting or terminating the tenancy of the victim of such violence and other household members. However, the victim may be subject to termination of tenancy and/or assistance if there is an actual and immediate threat of harm to others or for other lease violations not based on domestic abuse.

Tenants (male or female) who report to the City of Marietta Housing Choice Voucher Program or to their owner/landlord that they are a victim of domestic abuse must certify within 14 business days they are a victim of abuse and the incidences of abuse are bona fide by completing HUD form 50066 (available upon request) or by providing other acceptable documentation. Without the certification, the assistance may be terminated. All information provided to the City of Marietta Housing Choice Voucher Program or the owner/landlord is confidential, and the information will not be disclosed except as the law permits.

### **Operation and Management - PHA Management Structure**

- The City strives to provide decent, safe and sanitary housing for very low income and families at affordable rent levels; promote freedom of housing choice and spatial Deconcentration of very low income families; and provide an incentive to private property owners to rent to very low income families by offering timely housing assistance payments.
- The City will comply with Federal, State, and local nondiscrimination laws; Title II of the Americans With Disabilities Act; the Fair Housing Act; Title VI of the Civil Rights Act of 1964; the Age Discrimination Act of 1975; Executive Order 1103, Equal Opportunity in Housing; Section 504 of the Rehabilitation Act of 1973; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity
- No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Section 8 Housing Programs.
- To further its commitment to full compliance with applicable Civil Rights laws, the City will provide information to applicants for and participants in the Section 8 HCV Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination.
- Such information will be made available with the application and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Section 8 Programs office. In addition, all appropriate written information and advertisements will contain the appropriate Equal Opportunity language and logo.
- The City will assist any family that believes they have suffered illegal discrimination by providing copies of the housing discrimination form. If necessary, the City will assist them in completing the form and will provide them with the address of the local HUD Office of Fair Housing and Equal Opportunity.
- The general approach is to inform the community of the services provided by the Section 8 Programs and to administer the program according to HUD rules and regulations and in a manner consistent with state law.
