The Agency Plan is a comprehensive guide to the Housing Authority of the City of Gainesville's policies, programs, operations and strategies for meeting local housing needs and goals. There are two parts to the Plan: the Five-Year Plan, which the Authority submits to the Department of Housing and Urban Development (HUD) once every fifth fiscal year, and the Annual Plan, which is submitted to HUD every year. This document represents the Authority's FY2008 Agency Plan Annual Update. Since the Agency Plan serves as the annual application for the Capital Fund Program (CFP), the Authority has submitted an Annual Statement and Five-Year Plan for the FY2008 CFP based on FY2007 funding. The Annual Statement and Five-Year Plan can be found in this binder under Tab 2 (ga059a01).

Highlights

Deconcentration Analysis

Deconcentration Policy

The Housing Authority will strive to create mixed-income communities and lessen the concentration of very-low income families within the Housing Authority's public housing developments through admissions policies designed to bring in higher income tenants into lower income developments and lower income tenants into higher income developments. This policy shall not be construed to impose or require any specific income or racial quotas for any public housing development owned by the Housing Authority.

Deconcentration Analysis

The Housing Authority of the City of Gainesville performed a review of all covered developments to determine if there are any that would be covered by the Deconcentration Rule.

Development	Average Income	Authority-Wide Average Income	Percentage
GA 59-1	\$14,175	\$12,752	111.2%
GA 59-2	\$12,600	\$12,752	98.8%
GA 59-3	\$13,383	\$12,752	105.0%
GA 59-4	\$12,539	\$12,752	98.4%
GA 59-5	\$11,496	\$12,752	90.2%
GA 59-6	\$12,348	\$12,752	96.9%

The Deconcentration Rule states that all covered developments average income should fall between 85% and 115% of the Authority-wide average income. The analysis indicates that none of the developments fall outside this range.

Violence Against Women Act Information

The Housing Authority of the City of Gainesville is striving to fully comply with all requirements of the Violence Against Women Act (VAWA).

First, the Authority will not deny admission to an applicant who has been a victim of domestic violence, dating violence, or stalking. The applicant must comply with all other admission requirements.

Also, the Authority will not terminate the assistance to a victim of domestic violence, dating violence, or stalking based solely on an incident or threat of such activity. The Authority still retains the right to terminate assistance for other criminal activity or good cause.

All information provided by an applicant or tenant regarding VAWA will be held in strict confidence and will not be shared with any other parties, unless required by law.

At this time, the Housing Authority does not intend to put a victim of domestic violence admissions preference in place. The Executive Director will periodically review the need for such preference and may add an admissions preference for victim of domestic violence if a need is determined.

Comments from the Resident Advisory Board

A Resident Meeting was held at 750 Pearl Nix Parkway, Gainesville GA 30501, on May 28, 2008, to discuss Agency Plan Progress and to gain input from residents. Residents were excited about the improved look to the grounds and the buildings.

Residents at Summit Street and Harrison Square expressed their gratitude for the new mailboxes. The Executive Director reported that new boxes were also planned for Melrose and Atlanta Street also.

Residents mentioned that they had been attending the credit classes at Melrose and Atlanta Street and felt they were helpful and provided useful information.

Some residents expressed concerns about changes with Asset Management and how it would affect them. Residents were told that we felt it would provide an improvement for their family's case management by having a Point of Contact for their issues relating to Maintenance and Management.

Residents felt curb appeal was still an issue that needed more attention. Residents requested more trees and flowers to enhance the area and to provide more pride for their neighborhood. They agreed to assist in the watering and weeding of the new planted beds. Residents like the new paint colors being used to update the look of the units.

A suggestion was made to change the roof color at some of the sites to avoid the "mildew" stains evidenced near trees. We responded that we would investigate to see how practical and affordable this could be done.

New range hoods are being installed at unit turnaround. New appliances are planned for 59-2 Atlanta Street. 59-4 received new appliances last Fall. Mill Street, Tower Heights and Rainey Street received new appliances in the Spring. Plans are in place to begin installing air conditioning and supplemental heat for all elderly units and handicapped units. Work is to begin in July.

Roofs are being installed at Harrison Square (59-6) and at Jesse Jewell. New roofs are also being installed at Athens Road (59-5), along with shutters, and gutters and downspouts.

Unit Turnaround standards remain at around 20 days. Staff continues to work to reduce this to 15 days to reduce loss of subsidy and rents. This will also help us to assist more people each year.

Residents were encouraged to submit their ideas in writing to our office at any time throughout the year. We use these ideas when we are planning work or projects for the future. Residents were thanked for their participation and the meeting ended.
