#### **(1) Capital Fund Program Annual Statement**

Using parts I, II, and III of the Annual Statement for the Capital Fund Program (CFP), identify capital activities the PHA is proposing for the upcoming year to ensure long-term physical and social viability of its public housing developments. This statement can be completed by using the CFP Annual Statement tables provided in the table library at the end of the PHA Plan template **OR**, at the PHA's option, by completing and attaching a properly updated HUD-52837.

Select one:

- The Capital Fund Program Annual Statement is provided as an attachment to the PHA Plan at Attachment (state name)

-or-

- The Capital Fund Program Annual Statement is provided below: (if selected, copy the CFP Annual Statement from the Table Library and insert here)

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in their Annual Plan a Capital Improvement Plan. The needs we currently have exceed the resources we have to meet these needs. The prioritization decisions we have made were extremely difficult to make, but are in the best interest of our residents and community.

This Capital Fund Program Annual Statement is based on the best information that was available to the Housing Authority of the City of York at the time we prepared the Annual Statement.

We have prepared our Capital Fund Program Annual Statement based on our award of \$102,673.

At the time this plan was being written, our planned capital improvements and estimated costs were:

<u>Work to be Performed</u>	<u>Estimated Cost</u>
New Hall Lighting	4,000
A/C Replace or Repair	10,000
Office Equipment	400
Door openers	1,600
Riding Mower	4,000
Cement work in Courtyard	4,000
Landscaping	10,000
Shelters over benches	12,000
Combining units (2 1BR to 1 large 1BR)	56,673
<u>Total</u>	<u>102,673</u>

We have budgeted funds to complete these items with our FFY 2000 Capital Fund. The listed items have not all been formally bid and the estimated amounts are based upon our experience in managing the authority. When the bidding is completed for these projects, we may be able to allocate funding among these projects differently. If our next REAC Inspection indicates any work to be performed, we will prioritize that work in our current capital fund budget. In addition, we anticipate that during the course of the ensuing fiscal year we will be in a better position to know the amount of Capital Funds we can expect to be allocated over the next five years.

NOTE: The Housing Authority of the City of York specifically reserves the right to make changes to this annual statement as better information becomes available.
