MINIMUM RENT

The AHA has set the minimum rent at **\$50.00**. However if the family requests a hardship exemption, the AHA will immediately suspend the minimum rent for the family until the AHA can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

A. A hardship exists in the following circumstances:

1. When the family has lost eligibility for or is waiting for an eligibility determination for a Federal, State, or local assistance program;
2. When the family would be evicted as a result of the imposition of the minimum rent requirement;
3. When the income of the family has decreased because of changed circumstances, including loss of employment;
4. When the family has an increase in expenses because of changed circumstances, for medical costs, child care, transportation, education, or similar items;
5. When a death has occurred in the family.

B. There is no minimum rent hardship exception if the hardship is determined temporary. The AHA may request reasonable documentation of hardship circumstances. If the AHA determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.

C. Temporary hardship. If the AHA reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 days from the date of the family=s request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The AHA will offer a reasonable repayment agreement, however, the family cannot be evicted for non-payment of rent due to the minimum rent hardship.

D. Long-term hardship. If the AHA determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists. This is done retroactively to the date of the family=s request for an exception.

E. The new minimum rent policies are retroactive to the effective date of the Quality Housing and Work Responsibility Act of October 21, 1998. If a tenant in occupancy has

qualified for one of the mandatory hardship exceptions since October 21, 1998 and was charged a minimum rent, the AHA will make arrangement to reimburse the tenant the overpayment in an equitable manner.

F. Appeals. The family may use the grievance procedure to appeal the AHA's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

c. Rents set at less than 30% than adjusted income

1. Yes No: Does the PHA plan to charge rents at a fixed amount or percentage less than 30% of adjusted income?

- Other (list/describe below) **40TH percentile of the Fair Market Rent (FMR) for existing comparable housing in the geographic area.**

 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.

b. Yes No: Has the PHA adopted any discretionary minimum rent hardship exemption policies? (if yes, list below)

The AHA has set the minimum rent at **\$50.00**. However if the family requests a hardship exemption, the AHA will immediately suspend the minimum rent for the family until the AHA can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

A. A hardship exists in the following circumstances:

determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.

- C. Temporary hardship. If the AHA reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 days from the date of the family=s request. The AHA will offer a reasonable repayment agreement, however, the family cannot be evicted for non-payment of rent due to the minimum rent hardship.

D. Reserved for Community Service Requirement pursuant to section 12(c) of the U.S. Housing Act of 1937

14.0 CONTINUED OCCUPANCY AND COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities) within the community in which the public housing development is located, or (2) participate in an economic self-sufficiency program unless they are exempt from this requirement

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement.

- A. Family members who are 62 or older
- B. Family members who are blind or disabled
- C. Family members who are the primary care giver for someone who is blind or disabled
- D. Family members engaged in work activity as defined in Section 407(d) of the Social Security Act (42 U.S.C. 607(d) as in effect on and after July 1, 1997
- E. Family members who are exempt from work activity under Part A Title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program
- F. Family members receiving assistance under a State program funded under Part A Title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program

14.3 NOTIFICATION OF THE REQUIREMENT

The AHA shall identify all adult family members who are apparently not exempt from the community service requirement.

The AHA shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The AHA shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 10/1/99. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The AHA will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the AHA may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

At the first annual reexamination on or after October 1, 1999, and each annual reexamination thereafter, the AHA will do the following:

- A. Provide a list of volunteer opportunities to the family members (by phone, in person, etc.)
- B. Provide information about obtaining suitable volunteer positions.

- C. Provide a self certification form listing agencies and the dates and times of volunteering/working.
- D. At the time of the family's next lease anniversary date or recertification, the family will meet with their Property Manager, review each applicable family member's community service time sheet and determine if each applicable adult family member is in compliance with the community service requirements.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The AHA will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated.

14. RESERVED FOR PET POLICY

[24 CFR Part 903.7 9 (n)]

20.7 PET POLICY

DEFINITION

For the purpose of these rules, “pet” is defined as a domesticated small animal traditionally kept in the home for pleasure rather than for utility or commercial purposes. Pet is understood to be limited to: dogs, litter box-trained cats, birds (specifically parakeets, canaries, or finches), small caged rodents (i.e., hamsters, gerbils, and guinea pigs), fish and turtles. Exotic animals are not considered “pets”. These rules, in compliance with federal regulations, distinguish cats and dogs from other pets as “fur-bearing” animals. Except where otherwise indicated, these rules apply principally to dogs and cats.

PET RESTRICTIONS

No more than one fur-bearing pet is permitted in an apartment. There may be no more than two birds or small caged animals per apartment. No limit is placed on the number of fish; however, the size of fish tank may not exceed 10 gallons. Guests are not permitted to bring any type of pet onto the premises.

LOCATION OF PETS WITHIN THE BUILDING

Pets shall not be brought into public lobbies, laundry rooms, and storage areas, dining areas or other public gathering spaces. When dogs or cats are moved through the building, they must be moved from the resident’s apartment to the outside exit. One elevator will be specified for pet use; pets will be limited to that one elevator.

SIZES

Dogs shall weigh no more than 20 pounds at the time of maturity and stand no more than 20 inches at the shoulder. Pets acquired as puppies shall be understood to mature at the height and weight not to exceed these height and weight restrictions. American Kennel Club’s standards shall determine the height and weight after maturity of the breed. A non-documented animal will be assumed to mature to that size which has been determined by veterinarian evidence to the Management in a signed letter.

LICENSURE AND TAGS

Every dog and cat must wear the appropriate local animal license, a valid rabies tag and a tag bearing the owner’s name, address and telephone number. All licenses and tags must be current.

ADMISSION/REGISTRATION

Every dog and cat must be registered with management upon admission and, thereafter, annually on the resident lease expiration and recertification date. Registration of dogs and cats requires proof of current dog or cat licensure, including, but not limited to feline distemper shots. Dogs shall have certifications of appropriate inoculations for heartworm, parvo and rabies, unless otherwise specified by a veterinarian. A verification letter that a cat or dog has been spayed or neutered is required prior to admission. Proof of liability insurance, evidence of a flea control program and verification of alternate care-takers are also required as discussed below.

Prior to admittance of a pet into the facility, residents will be required to complete the pet registration form and sign the Lease Addendum pertaining to pets. All pets must be registered.

As part of the application the applicant shall acknowledge and agree that Management has the right to refer cases of pet abuse or abandonment to the appropriate Humane Society or other agency and the AHA and its representatives shall be held harmless for such referral made in good faith.

Applicants are encouraged to review and complete the appropriate form for estimating the costs of pet ownership prior to acquiring a pet.

Any change in pet will be treated as a new pet, and the permission procedure must be initiated and approval obtained once again before the new pet is allowed on the property.

ALTERING

All cats must be declawed prior to occupancy. Female dogs and cats over six months must be spayed, and males over eight months must be neutered. Dogs and cats cannot be admitted until they are old enough to be declawed, spayed or neutered.

LIABILITY

Residents owning pets shall be liable for the entire amount of all damages caused by their pet and all cleaning, defleaing and deodorizing required because of such pet. Pet owners shall be strictly liable for the entire amount of any injury to the person or property of other residents, staff or visitors of the Development caused by their pet. (Resident's will hold AHA, owners of the development and its employees harmless and indemnify them from any and all claims arising directly and indirectly from any injury or damage as a result of pet ownership.) Pet owners are encouraged to obtain liability insurance. Pet liability insurance can be obtained through most insurance agents and companies. It can also be included in renter's policies. At the discretion of the Executive Director or his designee, any owner with an aggressive breed or an animal perceived as such, may be required to obtain insurance.

PET DEPOSIT

Each dog and cat owner must provide a pet security deposit in the amount of \$200.00 in addition to the standard rental security deposit. This deposit shall be maintained in a separate account as provided for by state law and HUD regulations for the maintenance of security deposits. The amount of pet deposit is established to reflect the potential cost of replacing carpeting and other furnishings as a result of pet odors, stains and damage. This fee also reflects the average pet deposit required by apartment facilities in the market area that permit pet ownership.

SANITATION

Dogs and cats are required to be "house-broken". Cats must be litter-box trained. Dogs must be able to exercise outside the building. Management shall designate a space or spaces to be used exclusively for the purpose of exercising dogs. Pet owners shall be responsible for the immediate clean up of feces after the exercise of their dog. Resident dog owners must place the waste feces in a plastic bag, securely tie and deposit it in designated outdoor trash receptacles. Cat owners shall place "kitty litter" waste in a plastic bag, tie securely, and drop it in specified outdoor trash receptacles. "Kitty-litter" waste may not be disposed of down any garbage chute.

FLEA CONTROL

Upon admission of a pet, the pet owner shall file with Management, proof that a flea control program acceptable to Management will be maintained for a fur bearing pet. Thereafter, the owner of the fur-bearing pet shall file at intervals determined by Management proof that the pet and/or the apartment is being sprayed for fleas by an accredited exterminator or as recommended by an exterminator.

NOISE

No pet may make noise which disrupts other residents. Barking and/or whining dogs and crying or “caterwauling” cats will not be considered acceptable pets.

PET BEHAVIOR

No pet that bites, attacks, or demonstrates other aggressive behavior toward humans or other domesticated animals may be kept.

LEASHES

Dogs and cats shall be on hand-held leashes no longer than 5 feet in length under the control of a responsible individual at all times outside the confines of the pet owner’s apartment.

ALTERNATE CARETAKER

The pet owner must supply the name of a pet sponsor who will be willing to assume immediate responsibility for the pet in case of an emergency (i.e., when the pet owner is absent or unable to adequately maintain the pet). Written verification of the willingness of these persons to assume alternate caretaker responsibility is required. It is the responsibility of the pet owner to inform the management of any change in the name, address or telephone number of the person designated as alternate caretaker. Any expenses relating to alternate caretaker are the responsibility of the pet owner.

In cases of emergency, when management is unable to reach the alternate caretaker, the pet owner agrees to allow management to place the pet in an appropriate boarding facility with all fees and cost borne by the pet owner. Within five days of such an emergency, the resident, his agent, family or estate must make arrangements with the holder of said pet as to its disposition and shall be responsible for all obligations, financial and otherwise, in such disposition.

The resident pet owner absolves Management and/or its agents of any and all liability, financial or otherwise, for actions taken on behalf of the pet owner, or the well-being of the pet.

SICK OR INJURED ANIMALS

No sick or injured pet will be accepted for occupancy without consultation and written acknowledgment of a veterinarian as to the condition of the pet’s ability to live in an apartment situation. Acceptance, regardless of documentation and consultation, is the prerogative of the Management. Admitted pets which suffer illness or injury must be immediately taken for veterinarian care at the resident pet owner’s expense.

RULE ENFORCEMENT

Any tenant who receives three letters of violation of these pet rules and a letter of intent describing these violations from Management may be required, after private conference, to remove the pet from the premises and provide management with a signed affidavit stating that the pet is no longer on the premises and will not return in the future. Misrepresentation of this affidavit will be grounds for eviction of the resident.

Management exercises the right to act immediately in insisting that an offending pet be removed forthwith in situations deemed to be of an emergency nature. In such instances, Management will act as specified in the section on “Alternate Caretaker” in removing a sick, diseased, or injured and/or aggressive animal.

SPECIALLY-TRAINED ANIMALS

Specially-trained animals to assist the visually and/or hearing impaired and other handicapped persons will not be required to meet the limitations as to pet size, limitations on overall number within the complex, location of pets, or pet deposit, but will be required to meet all other aspects of these rules.

COURTESY

Pets can be therapeutic for those who enjoy, own and care for them. However, pets can be threatening to others who, for whatever reason, are fearful of or allergic to animals. Please exercise common courtesy to other residents and AHA staff in dealing with your pet.

COMPLAINT PROCESS

Management has established a system for handling complaints regarding pet ownership. Management will give the pet owner written notification of a pet rule violation or complaint and will give the owner an opportunity to correct the violation.

The pet owner has the opportunity to meet with management within ten days of written notice to discuss the violation. If the violation is not adequately resolved, management may initiate action to remove the pet or terminate tenancy. Any pet owner with a past history of not being a responsible pet owner for example; has not followed the pet policy rules, or has had a pet removed for violations of the pet policy, will not be allowed to obtain another pet.

VISITING ANIMALS

These rules pertain only to residents and resident pet owners. No visiting pets are allowed, with the exception of animals through an approved pet therapy program or a disabled visitor requiring a specially-trained animal.

MANAGEMENT'S DETERMINATION FORM

Management will be required to complete the management's determination form. This form will be used to determine whether the pet should be admitted into the building. Management reserves the right to prohibit the admission of any pet in cases where it determines the pet or pet owner will not be able to meet the requirements of these pet rules.

LEGAL OBLIGATIONS

The State of Illinois and the City of Aurora have many laws relating to dogs and cats. The following is a list of main requirements.

1. All dogs and cats must wear a license (available at the City/Village/County Buildings).
2. All dogs and cats must wear a valid rabies tag (available at your veterinarian's office).
3. All dogs and cats must wear a tag with the owner's name and address on it (available through a pet store).

7. You may not tie your dog or cat so that it can stand on a sidewalk. This means you cannot tie your dog or cat up in your yard so that the pet can reach the sidewalk. Nor can you leave your pet tied outside a store or other building while you go inside.
8. If your dog or cat should bite a person, it must be isolated at a veterinarian's office for ten days for rabies observation.

Carbon Monoxide Alarm Detector Act

IMPORTANT RESIDENT NOTICE

December 7, 2006

To: All Aurora Housing Authority (AHA) Residents

Subject: Carbon Monoxide Alarm Detector Act

Dear Residents,

On May 8, 2006, the Carbon Monoxide Alarm Detector Act was passed. This Act requires that every dwelling unit be equipped with at least one approved carbon monoxide alarm in an operating condition within 15 feet of every room used for sleeping purposes by January 1, 2007. This Act states that it is the responsibility of the owner of a structure to supply and install all required alarms. This Act states that it is the responsibility of a tenant to test and to provide general maintenance for the alarms within the tenant's dwelling unit or rooming unit, and to notify the owner or the authorized agent of the owner in writing of any deficiencies that the tenant cannot correct.

This Act states that tampering with, removing, destroying, disconnecting, or **removing the batteries** from any installed carbon monoxide alarm, except in the course of inspection, maintenance, or replacement of the alarm, is a Class A misdemeanor in the case of a first conviction, and a Class 4 felony in the case of a second or subsequent conviction. **As stated above, it is the responsibility of a tenant to test and to provide general maintenance for the alarms within the tenant's dwelling unit and to notify the AHA in writing of any deficiencies that the tenant cannot correct. If you or a family member remove, destroy or disconnect a carbon monoxide alarm provided and installed by the AHA, you may be convicted of a Class A misdemeanor in the case of a first conviction, and a Class 4 felony in the case of a second or subsequent conviction. Remember, you are responsible for replacing batteries in the carbon monoxide alarm as needed.**

This is your advance notice that AHA staff will be providing and installing carbon monoxide alarms within 15 feet of every room used for sleeping purposes in all units before January 1, 2007.

Make certain you do not remove any carbon monoxide alarm, remove any batteries and report in writing to the AHA any deficiencies that you cannot correct.

Sincerely,

David Kramer
Deputy Executive Director

Carbon Monoxide Alarm Detector Act

10.4 DECONCENTRATION POLICY

It is AHA's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, the AHA will skip families on the waiting list to reach other families with a lower or higher income. The AHA will accomplish this in a uniform and non-discriminatory manner.

The AHA will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, the AHA will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which the AHA developments are located, and the income levels of the families on the waiting list. Based on this analysis, the AHA will determine the level of marketing strategies and deconcentration incentives it will implement.

10.5 DECONCENTRATION INCENTIVES

The AHA may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

Component 3, (6) Deconcentration and Income Mixing

- a. Yes No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.
- b. Yes No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.

If yes, list these developments as follows:

Deconcentration Policy for Covered Developments			
Development Name:	Number of Units	Explanation (if any) [see step 4 at §903.2(c)(1)(iv)]	Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)]

AHA Basic criteria Used To Determine A Substantial Deviation/Or Significant Amendment

The AHA's basic criteria for the definition of a Significant Amendments and/or Substantial Deviations/ Modifications to the Plan is as follows:

- Any changes to rent or admissions policies or organization of the waiting list;
- Any additions of non-emergency work items (items not included in the current Annual Statement or Five-year Action Plan) or change in the use of replacement reserve funds under the Capital Fund;
- Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

The AHA may amend or modify its Annual or Five-Year Plan after submitting the plan to HUD. The AHA may modify, amend or change any policy, rule, regulation or other aspect of its plan. If the modification or change is considered a "significant amendment" or "substantial deviation/modification" as defined by the AHA, then the AHA will comply with a number of requirements similar to those required at initial development and submission of the AHA Plan.

Any significant amendment or substantial deviation/modification to a PHA Plan is subject to the same requirements as the original PHA Plan (including time frames). The following are the requirements:

- The PHA must consult with the Resident Advisory Board (RAB); and
- The PHA must ensure consistency with the Consolidated Plan of the jurisdiction(s) (as defined in 24 CFR 903.15); and

The AHA must provide for a review of the amendments/modifications by the public during a 45-day public review period.

Submission to HUD

Timing

The AHA may submit a significant amendment or substantial deviation/modification to HUD up until the last day prior to the date when the next year's PHA Plan is due. For example, if a PHA's next year plan is due on April 17, then the PHA may submit a significant amendment to the current plan to HUD until April 16.

Format

The PHA may submit its significant amendment or substantial deviation/modification in the same way the original PHA Plan is submitted to HUD. The PHA submits its Plan, with the changed portion included, as a new version. This plan is submitted electronically to HUD.
