ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Decatur Housing Authority staff have examined the needs of families in the Decatur metropolitan area and those of both the Public Housing and Housing Choice Voucher Program (HCVP) waiting lists to develop this Agency Plan.

The housing needs of the community were derived by utilizing the Decatur Consolidated Plan, U.S. Census data, and American Housing Survey data, and the Public Housing and Housing Choice voucher applicant lists. There are over 400 families on the waiting lists for Public Housing and HCVP at the current time. The two barriers found most commonly in the community and among applicants were housing affordability and the supply of decent affordable housing in Decatur, Illinois. (See Annual Plan, Page 5-8). Staff met with city of Decatur community development members to assure compliance with the Consolidated Plan.

The Decatur Housing Authority has reviewed and revised all applicable policy and procedure manuals to bring them current with the Quality Housing and Work Responsibility Act of 1998. These changes include updating the Admissions and continued Occupancy Policy for public housing and the administrative plan for the Housing Choice Voucher Program.

The Operations and Management section beginning on Page 26 includes an Organizational Chart and review of the programs under Decatur Housing Authority Management, and a listing of policies available for review at the time of an independent audit.

The Capital Improvement needs are examined and presented in both Capital Fund Program Annual Statements and the Five-Year Action Plan. The Decatur Housing Authority received a HOPE VI grant and therefore, will continue activities planned under this program in the forthcoming year. These include construction of Phase III of Wabash Crossing (90 units) a total of 495 units are planned of which 228 will be public housing and up to 143 which will be homeownership. DHA will begin development of up to 163 units of replacement housing to replace units lost through Hope VI.

The Decatur Housing Authority has also included a section for the designation of public housing for occupancy by elderly or families with disabilities. In a review of our existing housing stock, it was deemed that at least two of our existing public housing facilities could be dedicated to the needs of elderly. In accordance with the VAWA the DHA will refer applicants/tenants/participants of the Public Housing and Housing Choice Voucher programs, who are victims of domestic violence, dating violence, sexual assault or stalking to the appropriate partner agency for assistance. Those agencies include: 1) Dove, a domestic violence service agency, 2) Growing Strong, a service agency that works with sexual assault victims, 3) Homeward Bound, a partner agency that provides housing to homeless families, 4) Land of Lincoln Legal Assistance and other local service agencies.

Under component 12 the Housing Authority examined its community service and self-sufficiency programs starting on Page 36. These include the array of services available to residents of public and assisted housing and the working relationship between Decatur Housing Authority and the Department of Human Services.

At the conclusion of the plan, on page 46, is a Public Housing Asset Management Table that reviews, on one chart, major activities that the Housing Authority will undertake in the forthcoming year.

The Decatur Housing Authority has also sought input into this Agency Plan from both public housing residents and Housing Choice Voucher Program residents, and the public comments will be included and taken into consideration before the final plan is submitted to the Department of Housing and Urban Development.

Resident Advisory Board Meeting
Attachment: ilo12c01
October 24, 2007
2:00 p.m.
Hartford Highrise

Diane Hackert, Modernization Coordinator for the Decatur Housing Authority, distributed the Annual Performance and Evaluation Reports for all open Capital Fund and Replacement Housing Factor Fund Programs. Ms. Hackert discussed the major work items completed in each year and obligation and expenditure deadlines.

Mr. Alpi, HOPE VI Coordinator for the Decatur Housing Authority, discussed the Replacement Housing Factor Fund and how these funds are used and the HUD requirements involved. The Housing authority will be doing a study to see where the demand is to determine what type of replacement units are needed. The Staff of the Housing Authority has developed an affiliate called Pilot Corp. of Decatur. This corporation will be able to leverage additional funding from private sources and through Tax Credits to be used for development.

Diana Morrow, Property Manager for the Decatur Housing Authority, discussed the conversion to asset management and what that means to the residents.

Mr. Alpi explained that the role of the Resident Advisory Board Members is to make recommendations in the development of the PHA Plan to ensure the needs of the residents are being addressed. This includes not only modernization, but also management and maintenance. At this time the meeting was open for suggestions. The following suggestions were received.

Garden Apartments

There are issues with the windows. The crank windows will not close.
Response: This may be just a maintenance issue and the DHA staff will check into it.

Kitchen Cabinets

Response: This work is included in the plan.

Patio Fences

Response: We are currently investigating what type of fence to install.

Hartford

Carpet and furniture in the lobby needs cleaned.

Response: We have hired a cleaning service and they are waiting until after some plumbing work is completed in the building so it doesn't get tracked up by contractors.

Need a sign for the front of the building.

Response: We will include this in the plan.

Residents would like money changers in the laundry rooms.

Response: The staff will investigate this possibility.

Need housekeeping more than once a week.

Response: The staff will assign more time at the building.

After receiving no further comments or suggestions the meeting turned to Jackie Richie, Consultant with TAG Inc. Ms. Richie has been assisting the Housing Authority with the technicalities involved with the administration of the HOPE VI Program. She explained that it is the Housing Authority's responsibility to inform the residents of any disposition and/or demolition. The Housing Authority will be demolishing a portion of the Longview Administration Office and completing a disposition application for the Daycare Center and remaining portion of the Administration Office as part of the development funded by the HOPE VI Program. With no comments or suggestions received regarding this issue, the meeting adjourned.

A draft plan will be presented to the resident for review and all comments will be taken into consideration in the preparation of this plan.

There were no comments received during the Public Hearing.

PET POLICY

Attachment: il012g01

Effective September 1, 2007

24 CFR 5.309

INTRODUCTION

PHAs have discretion to decide whether or not to develop policies pertaining to the keeping of pets in public housing units. This Chapter explains the PHA's policies on the keeping of pets and any criteria or standards pertaining to the policy. The rules adopted are reasonably related to the legitimate interest of this PHA to provide a decent, safe and sanitary living environment for all tenants, to protecting and preserving the physical condition of the property, and the financial interest of the PHA.

The purpose of this policy is to establish the PHA's policy and procedures for ownership of pets to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

Nothing in this policy or the dwelling lease limits or impairs the right of persons with disabilities to own animals that are used to assist them. While not subject to Section B., 1. Standards for Pets, Maximum adult weight: 25 pounds, and Section D. Additional Fees & Deposits for Pets, of this Chapter, persons with disabilities who own assistance animals are subject to all other parts of the Pet Policy. To be excluded from the aforementioned Sections, the resident/assistance animal owner must certify:

That there is a person with disabilities in the household;

That the animal has been trained to assist with the specified disability; and

That the animal actually assists the person with the disability.

A. MANAGEMENT APPROVAL OF PETS

All pets must be approved in advance by the PHA management.

The pet owner must submit and enter into a Pet Agreement with the PHA.

Registration of Pets

Pets must be registered with the PHA before they are brought onto the premises. Registration includes certificate signed by a licensed veterinarian or State/local authority that the pet has received all inoculations required by State or local law, and that the pet has no communicable disease(s) and is pest-free.

Registration must be renewed and will be coordinated with the annual recertification date and proof of license and inoculation will be submitted at least 30 days prior to annual reexamination.

Dogs and cats must be spayed or neutered.

Execution of a Pet Agreement with the PHA stating that the tenant acknowledges complete responsibility for the care and cleaning of the pet will be required.

Approval for the keeping of a pet shall not be extended pending the completion of these requirements.

Refusal To Register Pets

The PHA may not refuse to register a pet based on the determination that the pet owner is financially unable to care for the pet. If the PHA refuses to register a pet, a written notification will be sent to the pet owner stating the reason for denial and shall be served in accordance with HUD Notice requirements.

The PHA will refuse to register a pet if:

The pet is not a *common household pet* as defined in this policy;

Keeping the pet would violate any House Pet Rules;

The pet owner fails to provide complete pet registration information, or fails to update the registration annually;

The PHA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament and behavior may be considered as a factor in determining the pet owner's ability to comply with provisions of the lease.

The notice of refusal may be combined with a notice of a pet violation.

A resident who cares for another resident's pet must notify the PHA and agree to abide by all of the pet rules in writing.

N. NOTICE FOR PET REMOVAL

The pet owner has failed to remove the pet or correct a pet rule violation within the time period specified; and

The pet rule violation is sufficient to begin procedures to terminate tenancy under terms of the lease.

P. PET REMOVAL

If the responsible party is unwilling or unable to care for the pet, or if the PHA after reasonable efforts cannot contact the responsible party, the PHA may contact the appropriate State or local agency and request the removal of the pet.
