### **Other Information Required by HUD**

Use this section to provide any additional information requested by HUD.

#### **D. Substantial Deviation from the 5-Year Plan**

Substantial deviation or significant modifications are defined as discretionary changes in the plan or policies of the Housing Authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners.

#### **E. Violence Against Women Act**

The Mishawaka Housing Authority has adopted a policy to implement applicable provisions of the Violence Against Women Act and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162) (VAWA). The Mishawaka Housing Authority's goals, objectives, and policies are designed to enable MHA to serve the needs of child and adult victims of domestic violence, dating violence, and stalking, as defined in the policy, a copy of which is attached to this Plan.

The Mishawaka Housing Authority is not in a position from a number of aspects to directly or in partnership with community organizations provide activities, services, or programs to child/adult victims of domestic violence, dating violence, sexual assault, or stalking. The Mishawaka Housing Authority does however, provide a variety of information through networking and knowledge of services and activities in the community to victims of domestic violence, dating violence, sexual assault, or stalking. There are a number of organizations in the community that specialize in providing significant services in the named areas. The Mishawaka Housing Authority is of the opinion that the "experts" in providing these services should be the providers and the Housing Authority's role is one of making that connection.

#### **F. Assisted Living Activities**

The Mishawaka Housing Authority is working with MIA Consulting and the Department of Housing and Urban Development in Washington, DC to utilize a

portion of the units at River View 500 to provide assisted living and to pay for that service through Medicaid waivers. The staff has watched many residents need to leave their long time home and move into nursing homes when they didn't want to leave and didn't medically need nursing home care but rather needed non-medical assistance in order to remain in their home. It is anticipated that the full implementation will occur during 2008/2009. It is the intent of the Mishawaka Housing Authority to utilize the Capital Fund Financing Program to make the improvements necessary to have the building licensed to provide assisted living services.
