# JEFFERSONVILLE HOUSING AUTHORITY

## JEFFERSONVILLE, INDIANA

### ORGANIZATIONAL CHART

2008

## **SECTION 8 HOMEOWNERSHIP CAPACITY STATEMENT**

In implementing a Section 8 voucher homeownership program, the Jeffersonville Housing Authority will in accordance with CFR 982.625(d)(2)(iii), require that financing for purchase of a home under its Section 8 homeownership program comply with generally accepted private sector underwriting standards.

The Jeffersonville Housing Authority, through its association with the Jeffersonville Housing Services Corporation, has extensive experience in homeownership programs for low-income first-time homebuyers. Under the leadership of staff of the Jeffersonville Housing Authority, the Jeffersonville Housing Services Corporation was created in 1997. The Corporation subsequently received HOME CHDO certification and successfully completed a homeownership program targeting public housing tenants as buyers of the homes.

## **IMPLEMENTATION OF PUBLIC HOUSING RESIDENT COMMUNITY SERVICE REQUIREMENTS**

The Jeffersonville Housing Authority will identify all adult family members who are apparently not exempt from the community service requirements, and will notify all such family members. Information will also be provided to the family members on how to claim an exempt status. The notification will advise the families that the community service obligation will begin upon the effective date of their first annual re-examination on or after October 1, 1999, and that failure to comply will result in ineligibility for continued occupancy at the time of any subsequent annual re-examination.

At the first annual re-examination on or after October 1, 2000 and each annual re-examination thereafter, the Jeffersonville Housing Authority will provide a list of volunteer community service opportunities to the family members, time sheets and their instructions, and will assign the family members to a volunteer coordinator. The coordinator will provide assistance and assure compliance by the family members with the community service requirement.

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community. Economic self-sufficiency programs facilitate the economic independence of participants or provide work. The Jeffersonville Housing Authority will coordinate with social service agencies, local schools, and the human resources offices in identifying community service positions, and/or economic self-sufficiency opportunities.

Any family members found to be in non-compliance will be assisted by the volunteer coordinator in identifying opportunities to achieve compliance. The Jeffersonville Housing Authority will enter into an agreement with the family member in which the family member will have the opportunity to achieve compliance. Should the family member not meet his/her obligation under the contract, the Jeffersonville Housing Authority will terminate the lease.

## **DESCRIPTION OF PET POLICY**

The Jeffersonville Housing Authority pet policy does not apply to animals that are used to assist persons with disabilities. The policy applies to common household pets, which include only domesticated animals such as dogs, cats, birds, rodents, fish in aquariums, or turtles. Common pets do not include mice, ferrets, or reptiles. The policy permits only one (1) pet per unit with exceptions for fish, caged birds, and caged rodents. No animal may exceed 25 pounds in weight at its projected full adult size. A potentially harmful animal such as an attack or fighting dog, is not permitted.

Residents must obtain written pre-approval by the Housing Authority before moving a pet into their unit. Pets must be certified as having been inoculated against rabies and other diseases or conditions.

A pet deposit, totaling \$200.00, is required to register a pet with the Housing Authority. The deposit is refundable upon vacation of the unit, less damages beyond normal wear and tear.

Pets must be kept in the owner's apartment or on a leash at all times when outside the unit. Pet owners must clean up after their pets and must immediately, dispose of all waste material produced inside or outside the dwelling unit. Pets are not allowed in the community rooms, community room kitchens, laundry rooms, beauty shops, lobbies, hallways, or offices.

A resident assumes fully responsibility for their pet and agrees to hold the Jeffersonville Housing Authority harmless from any claims caused by the pet. The Housing Authority staff is responsible for enforcing its pet policy and its determination shall be final.

Pet owners who violate the conditions of the pet policy may be required to remove the pet from the development within five days of receiving written notice from the Housing Authority. The Authority's grievance procedures will apply to disputes arising out of pet policy violations.

## **PROGRESS IN MEETING 5-YEAR PLAN MISSION AND GOALS**

During the first three years of its current 5-Year Plan, the Jeffersonville Housing Authority made significant progress in accomplishing its mission of promoting adequate and affordable housing, economic opportunity, and a suitable discrimination-free living environment for low- and moderate-income households in Jeffersonville and Clark County.

The Authority completed a comprehensive program of revitalization of Greenwood Apartments. Through a HOPE VI demolition grant five structures were demolished, thereby lowering dwelling unit density and increasing open space. This was followed by infrastructure improvements that included new off-street parking areas, pedestrian walkways, lighting and landscaping, all of which greatly improved aesthetics and the appearance of the development while also increasing security.

The Authority has improved the quality of the housing stock through a program of modernizing the individual units in the five housing developments.

The living environment for residents continues to be improved through the Authority's close working relationship with the Jeffersonville Police Department and its community policing in and around the housing developments.

By partnering with the Indiana workforce and employment agency and other community agencies, the Housing Authority has increased the self-sufficiency and asset development of a significant number of residents.

The Jeffersonville Housing Authority anticipates the continuation and acceleration during the coming year of these and other activities related to the accomplishment of its mission and goals.
