5-YEAR PLAN PHA FISCAL YEARS 2000 - 2004

[24 CFR Part 903.5]

A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

- The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.
- The PHA's mission is:

The Housing Authority of the City of Garfield will provide clean, safe, affordable well maintained housing for the residents of our community free from discrimination, and help them improve the quality of their lives by creating and supporting opportunities for their economic independence, educational growth and personal fulfillment.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS**. (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- PHA Goal: Expand the supply of assisted housing
 Objectives:

 Apply for additional rental vouchers:
 Reduce public housing vacancies:
 Leverage private or other public funds to create additional housing opportunities:
 A again on build units or davalarments
 - Acquire or build units or developments
 - Other (list below)

\boxtimes	PHA	Go
	01.1	

PHA Goal: Improve the quality of assisted housing Objectives:

- Improve public housing management: (PHMAP/PHAS score) 93.67 achieve and maintain a high performer standing under the Public Housing management Assessment Program.
 - Improve voucher management: (SEMAP score)
- Increase customer satisfaction: achieve and maintain a passing score on the PHAS resident survey.
- Concentrate on efforts to improve specific management functions: improve response times to emergency work order requests (i.e. improve current PHAS score of D on this indicator to an A within one year, then maintain that grade over the five year plan period).
- Renovate or modernize public housing units: in our modernization plan under the new Capital Fund, concentrate on revitalizing the 100 units at our Golden Towers development (34-4).
 - Demolish or dispose of obsolete public housing:
- Provide replacement public housing:
- Provide replacement vouchers:
- Other: (list below)
- PHA Goal: Increase assisted housing choices

Objectives:

- Provide voucher mobility counseling:
- Conduct outreach efforts to potential voucher landlords
- Increase voucher payment standards
- Implement voucher homeownership program:
- Implement public housing or other homeownership programs: (see "other" below)
 - Implement public housing site-based waiting lists:
 - Convert public housing to vouchers:
- Other:

 \mathbf{X}

In cooperation with Bergen County, NJ, expand our current joint Family Self sufficiency program by increasing the number of program participants by 10% and by increasing the number of participants achieving homeownership by 10%.

HUD Strategic Goal: Improve community quality of life and economic vitality

PHA Goal: Provide an improved living environment

Objectives:

\boxtimes	Implement measures to deconcentrate poverty by bringing higher income public
	housing households into lower income developments:
	Our required analysis of family incomes at our family developments showed
	that there is not now a concentration of poverty at either of our family
	developments; should we in the future discover such a concentration, we will
	deal remedy it. We currently plan to prevent such a concentration. (see
	Deconcentration Policy)
\boxtimes	Implement measures to promote income mixing in public housing by assuring
	access for lower income families into higher income developments: (see
	Deconcentration Policy)
\boxtimes	Implement public housing security improvements: (see PHDEP Plan)
\boxtimes	Designate developments or buildings for particular resident groups (elderly,
	persons with disabilities): the Authority plans to designate its Golden Towers
	(34-4) and Belmont Gardens (34-6) developments as "elderly or elderly
	disabled only."
	Other: (list below)

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

\boxtimes	PHA Goal:	Promote self-sufficiency and asset development of assisted households
	Objectives:	

Increase the number and percentage of employed persons in assisted families: decrease the number of TANF families in our developments by 10% through their moving from dependence to employment

Provide or attract supportive services to improve assistance recipients' employability: continue the current computer education program for residents, and supportive services for our elderly; increase additional services if funding becomes available.

- Provide or attract supportive services to increase independence for the elderly or families with disabilities: specifically begin an elderly housekeeping support program.
- Other: (list below)

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Object	tives:
\boxtimes	Undertake affirmative measures to ensure access to assisted housing regardless
	of race, color, religion national origin, sex, familial status, and disability:
\boxtimes	Undertake affirmative measures to provide a suitable living environment for
	families living in assisted housing, regardless of race, color, religion national
	origin, sex, familial status, and disability:
\boxtimes	Undertake affirmative measures to ensure accessible housing to persons with all
	varieties of disabilities regardless of unit size required:

<u>1. Statement of Housing Needs</u>

[24 CFR Part 903.7 9 (a)]

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

The Housing Authority of the City of Garfield is in Bergen County, New Jersey. Because there is no Consolidated Plan for Garfield proper, this PHA relied on the analysis of jurisdictional needs in the *Consolidated Plan for Bergen County* in preparing the chart below and on the *CHAS Dataset*.

The number of households in Bergen County as indicated in the *CHAS Dataset* was 308,795 in 1990. Our most recent estimate of the population of Garfield is 27,054 people. Since no hard data is available for all the indicated categories as they apply to Garfield separately, this PHA has based its responses on a calculation and interpolation to arrive at estimates for the data categories below. It has estimated the population of Bergen County as 2.3 times the number of households. It has taken the percent of Garfield's population as a percentage of the estimated population of Bergen County to create a "reduction ratio" by which it can estimate needs in Garfield itself. Garfield has four(4) percent of the county's population; therefore, we have used numbers based on that percentage to reduce the county figures by that ratio amount to establish an estimated need for Garfield proper.

In order to further estimate the numbers below, we used the percentages of each population on our waiting list to estimate the numbers of such populations in our city. We assume that our lists reflect the needs of our low-income residents, since so many of them rely on us. We have also adjusted our estimates based on our experience in our community. Our result is clearly not exact, but when combined with the analysis of the PHA's waiting lists, it gives a reasonable estimate of housing needs upon which this plan may be based.

Further, this PHA has also reviewed the *Consolidated Plan Executive Summary* for comparison with our own experience in Garfield. In formulating our responses to the rating characteristics below, we have made our responses based on our experience in Garfield combined with the data clearly stated in the county *Consolidated Plan*. We believe,

therefore, that we have been able to arrive at a reasonable assessment of housing needs in our jurisdiction, although not an exact one.

Lastly, based on our review of the county *Consolidated Plan* we have adjusted our its housing needs strategy under Part C. of this item to accommodate those observations in the *Consolidated Plan* for the county.

<u>NOTE</u>: The *Consolidated Plan for Bergen County* gives its data in "numbers of households" and in "percentages of households" rather than in numbers of people. The numbers offered below follow that convention, modified as we indicated above. Thus, where the *Consolidated Plan* indicates 79,735 low-income households in Bergen County, we indicate below 4% of that number or 3,189 households.

B. Housing Needs of Families on the Public Housing and Section 8 Tenant- Based Assistance Waiting Lists

State the housing needs of the families on the PHA's waiting list/s. Complete one table for each type of **PHA-wide waiting list administered by the PHA.** PHAs may provide separate tables for site-based or sub-jurisdictional public housing waiting lists at their option.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units: we are already at a minimum unit turnaround time we will maintain.
- Reduce time to renovate public housing units: we are already at a minimum unit turnaround time we will maintain.
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources

	Maintain or increase section 8 lease-up rates by establishing payment standards that
	will enable families to rent throughout the jurisdiction
	Undertake measures to ensure access to affordable housing among families assisted
	by the PHA, regardless of unit size required
	Maintain or increase section 8 lease-up rates by marketing the program to owners,
	particularly those outside of areas of minority and poverty concentration
	Maintain or increase section 8 lease-up rates by effectively screening Section 8
	applicants to increase owner acceptance of program
\boxtimes	Participate in the Consolidated Plan development process to ensure coordination
	with broader community strategies
	Other (list below)
C4	

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

	Apply for additional section 8 units should they become available	
	Leverage affordable housing resources in the community through the creation	of
mixed -	- finance housing	
	Pursue housing resources other than public housing or Section 8 tenant-based	
	assistance.	

Other: (list below)

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
 Exceed HUD federal targeting requirements for families at or below 30% of AMI in
 - Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
 - Employ admissions preferences aimed at families with economic hardships
 - Adopt rent policies to support and encourage work
 - Other: (list below)

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI Select all that apply

\boxtimes	
\boxtimes	

 \boxtimes

 \ge

Employ admissions preferences aimed at families who are working

Adopt rent policies to support and encourage work

Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply	

	Seek designation of public housing for the elderly
	Apply for special-purpose vouchers targeted to the elderly, should they become
	available
\boxtimes	Other: (list below)
	Address identified needs for elderly residents who require supportive services as
	they age in place; specifically, pursue funding to establish an assisted care facility at
	one of our current sites by converting existing elderly units.

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Seek designation of public housing for families with disabilities
 Carry out the modifications needed in public housing based on the section 504
 Needs Assessment for Public Housing
 Apply for special-purpose vouchers targeted to families with disabilities, should they become available
 Affirmatively market to local non-profit agencies that assist families with disabilities
 Other: (list below)

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

Affirmatively market to races/ethnicities shown to have disproportionate housing needs

Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units

Market the section 8 program to owners outside of areas of poverty /minority concentrations

Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

(2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

\boxtimes	Funding constraints
\boxtimes	Staffing constraints
\boxtimes	Limited availability of sites for assisted housing
	Extent to which particular housing needs are met by other organizations in the community
	Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA
	Influence of the housing market on PHA programs
	Community priorities regarding housing assistance
	Results of consultation with local or state government
	Results of consultation with residents and the Resident Advisory Board
	Results of consultation with advocacy groups
\boxtimes	Other: (list below)

Our authority has observed a need among its elderly residents for supplemental services we believe could best be met by an assisted living facility at one of our developments. We would consider converting all or part of a floor in our building to achieve this. The need for such a facility is not adequately met for low-income elderly in Garfield

2. Statement of Financial Resources

[24 CFR Part 903.7 9 (b)]

List the financial resources that are anticipated to be available to the PHA for the support of Federal public housing and tenant-based Section 8 assistance programs administered by the PHA during the Plan year. Note: the table assumes that Federal public housing or tenant based Section 8 assistance grant funds are expended on eligible purposes; therefore, uses of these funds need not be stated. For other funds, indicate the use for those funds as one of the following categories: public housing operations, public housing capital improvements, public housing safety/security, public housing supportive services, Section 8 tenant-based assistance, Section 8 supportive services or other.

Provided below:

Meeting with the Resident Advisory Board

The Garfield Housing Authority (GHA) met with is Resident Advisory Board on December17, 1999, to discuss the GHA 5-Year and Annual Agency Plans. Eight members of the resident Advisory Board attended the meeting.

After a discussion of the Agency Plan, **there were no comments** by members of the Resident Advisory Board regarding significant desired changes to the Agency Plan. This may be in part because the GHA regularly receives input from its residents on Authority matters, much of which was already included in its Agency Plan.

The Required Public Hearing

The Garfield Housing Authority held its required agency plan public hearing on December 29, 1999. It received several comments from the public on the Agency Plan. The GHA includes those comments below.

- 1. A resident: the GHA should overhaul the elevators at Belmont Gardens.
- 2. A resident: the GHA should upgrade the emergency pull cords that are located in the bedrooms and bathroom of its rental units or look into getting a new emergency system.

- 3. A resident: the GHA should keeps a list of resident emergency contact numbers in the security office.
- 4. A resident: needs more "Vials of Life" for new residents.
- 5. A commissioner: the GHA should repair or replace the windows and doors at Pulaski Court which are old and drafty, and provide more washing machines and dryers in the laundry room.
- 6. A resident: the GHA should provide apartments with new stoves, sinks and faucets.
- 7. A resident: the GHA Pet Policy should specifically excluded pit bulls from GHA property as not acceptable pets.
- 8. A resident: needs a new stove.
- 9. A resident: the GHA should clean the filthy hallways at its Midland Avenue development.
- 10. A commissioner: the GHA should give an admissions preference to members of the merchant marine.

Housing Authority Response to Comments

The GHA has no response to comments by its resident Advisory Board, since that board made no comments on the Agency Plan.

Although the *Quality Housing and Work Responsibility Act* (QHWRA) does not require hat the GHA respond to comments received at its public hearing in this agency plan, the GHA told its public that would incorporate such comments in its plan.

After reviewing the public comments, the GHA determined that several could be addressed in its regular ongoing maintenance schedule, and that others were already addressed in its 5-Year Capital Fund Program Plan. The remaining comments the GHA will address as new work items when the current plan is revised, provided the suggested need is verified as substantial and sufficient funds are available.

- 3. In what manner did the PHA address those comments? (select all that apply)
- Considered comments, but determined that no changes to the PHA Plan were necessary.
- The PHA changed portions of the PHA Plan in response to comments List changes below:
- Other: (list below)

The Garfield Housing Authority considered comments from the public and determined that they were either already anticipated in the GHA 5-Year Plan for modernization or that they did not require alteration of the Agency Plan. The GHA

will consider these comments as possible work items in future amendments to its 5-Year Plan for modernization under the Capital Fund Program.

C. Statement of Consistency with the Consolidated Plan

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

1. Consolidated Plan jurisdiction: Bergen County , New Jersey

- 2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)
- The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

In its *Citizen Summary* to its *Consolidated Plan*, Bergen County makes the following observations.

- 1. Thirty seven percent (37%) of all renters in the county have a cost burden of more than 30 percent of their income.
- 2. About 56 percent of elderly renters share this cost burden.
- 3. About 48 percent of minority renters are cost burdened, with an even higher percentage for larger minority families.

There is a clear lack of an adequate supply of affordable housing at a bearable price.

- 4. The number of renter-occupied housing units declined considerably over the past decade.
- 5. Extremely low-income renters have very limited housing choices in the Bergen County market.
- 6. There is a lack of transitional housing for the homeless.

Bergen County identified the following Housing Priorities:

- 7. A need for new construction of rental housing.
- 8. A need for rental assistance for the elderly, families, and other households.
- 9. A need for financial assistance for potential first-time homebuyers.

The Housing Authority of the City of Garfield has made what adaptations to its Agency Plan it can, consistent with its small size and limited budgets, to address these needs in its ongoing programs, especially in its Plan for additional supportive services for the elderly.

Other: (list below)

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

D. Other Information Required by HUD

Criterion for identifying a "substantial deviation" from the PHA Plan

The Housing Authority of the City of Garfield will consider the following to be changes in its *Agency Plan* necessary and sufficient to require a full review by the Resident Advisory Board and by the Public Hearing process before a corresponding change in the Agency Plan can be adopted.

- 1. Any alteration of the Authority's *Mission Statement*;
- 2. Any change or amendment to a stated Strategic Goal;
- 3. Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met;
- 4. Any introduction of a new Strategic Goal or a new Strategic Objective;
- 5. Any alteration in the Capital Fund Program Annual Plan that affects an expenditure greater than ten percent (10%) of the CFP Annual Budget for that year.

In setting the above criteria, the Garfield Housing Authority intends by "Strategic Goal" and "Strategic Objective" specifically those items under those headings in its *5-Year Plan.*, (pp. 1-4.)

Because the Annual Plan already requires annual review by the Resident Advisory Board and by Public Hearing, the Authority believes this annual process sufficient to meet the spirit of the *Quality Housing and Work Responsibility Act of 1998*. It expects that changes to the Annual Plan will be primarily administrative in nature. It believes, however, as shown in item #5 above, that significant changes in its planned modernization expenditures should be subject to a resident/public process.

The Garfield Housing Authority has also reviewed the requirements set out in HUD Notice PIH 99-51. It here incorporates the several additional criteria established by HUD for "substantial deviation" and "significant amendment or modification" to its Agency Plan. The GHA will also consider the following events to require a public process before amending such changes to its Agency Plan.

□ changes to rent or admissions policies or organization of the waiting list;

- additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Plan) or change in use of replacement reserve funds under the Capital Fund;
- **_** additions of new activities not included in the current PHDEP Plan and
- □ any change with regard to demolition or disposition , designation, homeownership programs or conversion activities.

The Housing Authority of the City of Garfield acknowledges that an exception will be made by HUD to compliance with the above criteria for any of the above changes that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

Housing Authority of the City of Garfield Policy for the Deconcentration of Poverty

NJ034a01. POLICY for the DECONCENTRATION of POVERTY

The Housing Authority of the City of Garfield will not concentrate very low-income families in any public housing development or in any single building within a development. For this purpose, very low-income families also include other families with extremely low incomes.

This Authority will annually review its waiting lists and the census tracts in which it has public housing units in order to determine if they reveal an unacceptable concentration of impoverished families. If such a concentration is determined, the authority will take steps consistent with the policy stated below to remedy that inequity.

Where an inequity has been discovered in the distribution of impoverished families within its jurisdiction or on its waiting list, this PHA will take steps to remove that concentration of poverty by bringing higher income families into its lower income developments and lower income families into its higher income developments.

Among the strategies this authority may consider in attempting to remedy any discovered inequity are the following:

1). It may skip certain income families on its waiting list to reach other families with a lower or higher income, as may be required to achieve better income distribution balance in its developments. This authority will apply such skipping uniformly and fairly.

2). It may make concerted efforts to aid lower-income families to increase their income through offering incentives. These incentives may include but are not required to be or limited to the following:

- a) Providing self sufficiency activities to improve resident employability;
- b) Providing permissive deductions from annual income and other permissive deductions to public housing resident as allowed by law. If offered, these options will be spelled out in detail as an amendment to this policy;
- c) Providing individual savings accounts to families who select incomebased rents;
- d) Establishing a rent structure that encourages deconcentration of poverty;
- e) Providing certain admissions preferences, such as those for working families;
- f) Providing additional applicant consultation and information;
- g) And providing additional supportive services or amenities.

Housing Authority of the City of Garfield Policy for the Deconcentration of Poverty

In pursuing this policy of deconcentration of poverty where a family receiving TANF assistance is concerned, this authority will pursue every reasonable recourse to coordinate its efforts to provide incentives to families that are consistent with programs administered by the office administering TANF responsibilities in its jurisdiction.

This PHA will pursue this policy of deconcentration of poverty in a way that affirmatively furthers fair housing, and that ensures for both our applicants and our residents an equitable treatment devoid of discrimination.

NJ034c01. 5-Year Action Plan for the Capital Fund Program

The following plan follows instructions in HUD Notice PIH 99-51, especially section III E., defining "large capital items" as those that account for ten percent (10%) of a PHA's annual grant or that are over \$1 million. That notice adds that PHA are not required to report items less than \$25,000 in their 5-Year Action Plans regardless of the amount of their annual grant.

The Housing Authority of the City of Garfield has followed these guidelines. Its annual grant estimated amount is \$825,740. We here identify work items that meet the ten percent threshold, or that are above \$82,574. In stating the total estimated cost over the next five years for each development, however, we give the cost for the total work planned at each development, including items that are not listed because they do not meet the PIH 99-51 clarified threshold. A more complete detailed plan showing all work items in our 5-Year Modernization Plan is available for public review at the Garfield Housing Authority.

D. Executive Summary of Annual PHDEP Plan

In the space below, provide a brief overview of the PHDEP Plan, including highlights of major initiatives or activities undertaken. It may include a description of the expected outcomes. The summary must not be more than five (5) sentences long

The Housing Authority of the City of Garfield uses a comprehensive approach to drug prevention. A few of the activities include: a police substation on-site; increased police presence on an as needed basis; physical improvements; contracting with each of the 5 Resident Councils to provide resident monitoring of security camera systems, monitoring access to elderly highrise buildings, and administration of Voluntary Tenant Patrols; and prevention activities for youth such as, the intergenerational gardening program, after school programs, and youth sports.

E. Target Areas

Complete the following table by indicating each PHDEP Target Area (development or site where activities will be conducted), the total number of units in each PHDEP Target Area, and the total number of individuals expected to participate in PHDEP sponsored activities in each Target Area.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The Garfield Housing Authority will continue to provide funding to their successful program that includes additional Police Patrols and an on-site Police Substation, a contract with the Pulaski Court Resident Association to manage the Voluntary Tenant Patrol, Physical Improvements using CEPTD principles, two contracts with Resident Associations for Monitoring Services, an After-school tutoring Program, the Intergenerational 4H Program, and overall Program Administration. The broad goal is to provide stable, crime free housing to low-income elderly and families working towards self-sufficiency.

The program objectives includes a 15% reduction in the number of calls for services to GHA property, Increase the number of volunteers and hours spent patrolling by the volunteers by 15%, use CEPTD principles to help increase the security of residents while beautifying the environment, increase by 15% the participation rate of residents in various programs, and effectively manage the PHDEP programs. The Garfield Police is one of our key partners since they have established the substation as the offices for the DARE Officer and the Community Policing Department. One of our other important partners is Rutgers University's Cooperative Extension Service that manages the 4H Clubs, provides volunteers to work with our program including a Master Gardener who is working on our two 4H Greenhouse Projects.

Besides tracking the city's crime data and daily incident reports from the Police Department and Tenant Volunteer Patrol, we will also track the number and type of residents participating in each program, and the contracts with the Resident Associations will provide monthly reports on their programs.
