### COMMUNITY SERVICE

As a condition of occupancy in the public housing owned by the HA, each non-exempt adult will have to contribute eight hours per month of community service or participate in an economic self-sufficiency program for eight hours per month.

Community service is the performance of voluntary work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, or/and increase the self-responsibility of the resident within the community in which the resident resides. Political activity is excluded.

Economic self-sufficiency program is any program designed to encourage, assist, train or facilitate the economic independence of residents and their families or provide work for participants.

An exempt individual is an adult who:

- (a) is 62 years of age or older, or
- (b) is a person with a vision impairment or other person with disabilities as defined under 216 (i)(1) or 1614 of the Social Security Act, and who certifies that because of this disability she or he is unable to comply with this requirement, or is a primary caretaker of such a person, or
- (c) is engaged in a work activity as defined under section 407 (d) of the Social Security Act as in effect on or after July 1, 1997, or

At the time of the regularly scheduled reexamination, the HA will review the extent of compliance with this requirement on the part of the family member(s) who is subject to the requirement. If the person is found not to be in compliance, the HA will so notify the person of the noncompliance and inform the person that this determination is subject to the grievance procedure. The person will also be notified that unless he/she enters into an agreement to cure the noncompliance during the next twelve-month period, the lease of the family of which the person is a member will not be renewed. A cure of the noncompliance involves completing as many additional hours as is necessary during the twelve-month term of the lease.
