This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

## **8. Capital Fund Program Five-Year Action Plan**

QWHRA of 1998 gives Small PHAs the full flexibility to allocate up to 100% of their annual Capital Funds for Operations of the Low Rent Program to use for any allowable low rent operating expenditure. Funds that can be used for operations may include repairs of capitalized assets that clearly are not part of the Agency’s routine maintenance plan; these repairs do not add to the value of the asset or materially extend the assets’ life, do **not** meet the definitions found within the Agency’s Capitalization Policy and are budgeted for within the Agency’s Annual Operating Budget. Each year, the Agency sets aside \$15,000 for the payoff of the deferred loan received from Minnesota Housing Finance Agency for the 2004 modernization of the public housing units. Based upon the terms of the loan, the principal sum is due on December 1, 2032; however, MHFA passed a resolution that the maturity date of the loan shall be co-terminus with the ACC, with payments deferred until maturity, and with annual renewals thereafter for so long as HUD allows renewals of the ACC. Additional funds will be set aside when similar MHFA modernization funding is awarded by MHFA and approved by HUD.
