This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

## **Required Attachment A Violence against Women Act Report**

A goal of the Asheboro Housing Authority (AHA) is to fully comply with the Violence against Women Act (VAWA). It is our objective to work with others to prevent offenses covered by VAWA to the degree we can.

The AHA refers child or adult victims of domestic violence, dating violence, sexual assault, or stalking to appropriate service providers. AHA lacks the staff capacity to independently provide formal services or programs targeting victims of domestic violence.

The AHA cooperates with organizations and entities, both private and governmental, which provide shelter and/or services to victims of domestic violence. If AHA staff becomes aware that an assisted individual is a victim of domestic violence, dating violence or stalking, the victim will be referred to such providers of shelter. Some such agencies are: Family Crisis Center, Christians United Outreach Center, Department of Social Services' Adult and Child Protective Services.

The AHA provides or offers the following activities, services, or programs that help child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing:

If appropriate, in both Section 8 and Public Housing programs victims are allowed to apply for transfer, to remove the offending member from the household, and/or have the perpetrator barred from all housing authority property, regardless of whether the perpetrator was ever a member of the household. City of Asheboro police cooperate with AHA to enforce North Carolina trespassing statutes.

The AHA provides or offers the following activities, services, or programs to prevent domestic violence, dating violence, sexual assault, and stalking, or to enhance victim safety in assisted families:

Public housing victims of domestic violence may request the perpetrator be removed from the household and/or be placed on the off-limits list. A transfer will be granted when suitable alternative vacant units are available and if there is reason to believe this action would eliminate the recurrence of violence.

Section 8 assisted tenants will not be denied portability to a unit located in another jurisdiction (notwithstanding the term of the existing lease, or if the family has not occupied the unit for 12 months) so long as the family has complied with all other requirements of the program and desires to move from the unit in order to protect the health or safety of a family member who is a victim of domestic or dating violence or stalking.

The AHA has the following procedures in place to assure applicants and residents are aware of their rights under the Violence against Women Act:

In accordance with board-approved policy, AHA provides written notification to applicants, tenants, and Section 8 owners and managers, concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance, and termination of tenancy or assistance.
