This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

***FLAT RENT POLICY
CORRY HOUSING AUTHORITY***

DETERMINATION OF POLICY

In an effort to allow prompt leasing of rental units, encourage self-sufficiency and to avoid creating disincentives for continued residency by families who are attempting to become self-sufficient, the Corry Housing Authority has established Flat Rents for each of its rental units. The Housing Authority explored several alternatives for calculating the Flat Rents including the Fair Market Rents for Erie County, Metropolitan area and Flat Rents of Housing Authorities in nearby communities. The Housing Authority concluded that the Erie County FMR's are too high for our community, but found the Non-metropolitan FMR's for neighboring Warren County are comparable to non-subsidized rents in the Corry area.

FLAT RENT POLICY

The Flat Rents are calculated using the 2007 FMR's for the Warren County, non-metropolitan area and reflect consideration of amenities, maintenance provided and utility allowance for each project and unit size.

The current Flat Rents will become effective January 1, 2008, following a 30-day comment period to begin October 1, 2007 and a 30-day notice to all residents beginning November 1, 2007.

Each new admission and Recertification will be offered the option of paying the flat rent in lieu of any other rent paying options available at the time.

Once the flat rent option is selected, a tenant will have the option of switching back to the "percentage of income" system if their economic circumstances change significantly **through no fault of their own**. The option to switch from "percentage of income" to flat rent is also available. Tenant may change rent options (flat rent or percentage of income) only once during each 12-month Lease period unless tenant claims and can verify a hardship.

For those families selecting the flat rent option, recertifications (Lease renewal) will be conducted annually.

Addition to Public Housing Admissions and Occupancy Policy and Residential Dwelling Lease:

PROTECTION OF VICTIMS OF DOMESTIC VIOLENCE

Criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse. *If the perpetrator of the domestic violence is a member of the household, the Housing Authority may require their removal from the household as a condition of continued occupancy by the family.*

Tenants or family members of tenants who are victims of domestic violence, dating violence, or stalking will not be evicted or terminated from housing assistance based on acts of domestic violence against them unless the Housing Authority can demonstrate that their tenancy is an actual and imminent threat to other residents or employees. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of that violence and will not be "good cause" for termination of the assistance, tenancy or occupancy rights of a victim of such violence.

The Housing Authority retains the authority to evict a tenant for violations of the lease not pertaining to an act or acts of violence against the tenant or a member of the tenant's household, provided the victim is not subject to a more demanding standard than other tenants.

In cases where a family breaks up, the Housing Authority may deny the right of a perpetrator of domestic violence access to the family's unit for distribution of property unless otherwise notified by court order.

The Housing Authority may require tenants seeking protection under the above provisions to verify or certify their status as a victim of domestic violence, dating violence or stalking.

PLEASANT MANOR RESIDENT ADVISORY BOARD
COMMENTS FOR 2008 AGENCY PLAN

The Board Members:

Sandra Braswell

Mildred Bailey

Jean Byerly

Beverly Deal

Comment # 1:

Would like change machine and have residents responsible for maintaining.

*HA Response:

This is under consideration.

Comment # 2 & 3:

Would like additional washer and dryer and a deeper capacity washer.

*HA Response:

This has been considered and investigated. After contacting MacGray I was informed that the usage with the current machines is not high enough to warrant additional machines. Due to limited usage, the installation of a deeper capacity washer is not warranted.

Adding additional machines would also increase cost of upkeep and decreased revenue to the Housing Authority. The Housing Authority makes every effort to keep costs low so that we may provide the best possible living conditions for the residents.

Under the circumstances, the Housing Authority has concluded that installing additional machines is not warranted. If there is problem with availability, the Housing Authority may find it necessary to implement a schedule by apartment for using the laundry facilities.

Comment # 4:

Would like steel post (railing) installed at Pleasant Street entrance at the curb to assist tenants entering the building.

*HA Response:

This is being considered and will be installed if construction is possible.

Comment # 5:

Would like a handicap ramp on the northwest side of the building.

*HA Response:

This is still planned as soon as funding is available.
