This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Note: other items originally in 5 year plan will need to be deferred because of reduction in funding since original plan was done. Some of these are refinishing ceilings, replacement of exterior doors and re-roofing and Landscaping. The planned work has been adjusted to reflect the reduced anticipated funding that we received in our most recent funding over the last several years. These additional backlog items needed show additional funding needed of approximately \$650,000.00 that cannot be addressed during the above time period unless additional funding is provided.
