This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. HOHENWALD HOUSING AUTHORITY

Violence Against Women Act (VAWA)

PHA Policy

BACKGROUND

The Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA) provides protection for residents and family members of residents who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on such acts of violence against them.

In general, the law provides, in part, that criminal activity directly relating to domestic violence, dating violence or stalking, engaged in by a member of a resident's household, or any guest or other persons under the resident's control, shall not be cause for termination of assistance, tenancy or occupancy rights of the resident or immediate family member if the resident's family is the victim or threatened victim of the abuse.

The law provides that an incident or incidents of actual or threatened domestic violence, dating violence or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of that violence, and will not be "good cause" for termination of assistance, tenancy, or occupancy rights of a victim of such violence.

Furthermore, the law allows a PHA to "bifurcate" a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a resident or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a resident or lawful occupant.

The VAWA also allows PHAs to request an individual to certify that the individual is a victim of abuse and that the incidences of abuse are bona fide. The certification must include the name of the perpetrator, and any other statutorily required information. The victim must provide the certification within 14 business days after the individual receives a request for such a certification from the PHA.

DEFINITIONS

The following definitions were incorporated into the United States Housing Act and apply to this policy:

Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with, or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

Dating Violence: Violence committed by a person:

☐ who is or has been in a social relationship of a romantic or intimate nature with the victim; and

☐ where the existence of such a relationship shall be determined based on a consideration of the following factors: 1) the length of the relationship; 2) the type of relationship, and 3) the frequency of interaction between the persons involved in the relationship.

Stalking: To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to 1) that person; 2) a member of the immediate family of that person, or 3) the spouse or intimate partner of that person.

Immediate Family Member: A spouse, parent, brother or sister, or child of the person, or an individual to whom that person stands in loco parentis (in place of a parent); or any other person living in the household of that person and related to that person by blood or marriage.

POLICY

The following policy amends the *Admissions and Occupancy Policy (ACOP)* and the Dwelling Lease by reference. Appropriate language will be added to the ACOP and Dwelling Lease at the next revision dates of each.

A copy of this policy is available at the main office of the housing authority. A copy will be made available on request.

Admissions and Occupancy and Termination of Assistance

Being a victim of domestic violence, dating violence, or stalking, will not be considered by the Hohenwald Housing Authority (HHA) to be a basis for denial of assistance, or admission to public housing if the applicant otherwise qualifies for assistance or admission.

Incidents or threats of abuse will not be construed by the HHA as serious or repeated violations of the lease or other “good cause” for termination of the assistance, tenancy, or occupancy rights of a victim of abuse.

Criminal activity directly relating to abuse, engaged in by a member of a resident’s household or any guest or other person under the resident’s control, shall not be cause for termination of assistance, tenancy or occupancy rights if the resident or an immediate family member of the resident’s family is the victim or threatened victim of the abuse.

Rights of the Hohenwald Housing Authority

The HHA may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights or terminate assistance to any individual who is a resident or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a resident or lawful occupant, and such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by federal, state and local law for the termination of leases, or assistance under HUD’s Public Housing Program.

Certification of Abuse and Confidentiality

The HHA will require that an individual certify that he/she is a victim of abuse and that the incidences of abuse are bonafide. The certification must include the name of the perpetrator, and any other statutorily required information. The victim must provide the certification to the HHA within 14 business days after the individual receives a request from the FCCHA. The individual may utilize the attached *Form HUD 50066, Certification of Domestic Violence, Dating Violence, or Stalking* to certify the abuse to the HHA.

In lieu of Form HUD 50066, the individual may provide the HHA with documentation signed by an employee, agent, volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking, or the affects of the abuse, in which the professional attests (under penalty of perjury (28 U.S.C. 1746) to the professionals belief that the incident or incidents in question are bonafide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation. In cases where the individual does not submit the required certification, the HHA may terminate assistance.

Notification to Residents

The HHA will provide notice to all residents and applicants of their rights under Section 6 of the United States Housing Act of 1937 as amended by the Violence Against Women Act of 2005. These rights include the residents' right to confidentiality and the limits thereof, the availability of Form HUD 50066, and that the resident may not be evicted solely on the basis that they are a victim of domestic violence. A sample notice is included with this policy.

Confidentiality

All information provided to the HHA relating to the incident(s) of domestic violence, including the fact that the individual is a victim of domestic violence, dating violence, or stalking will be retained in confidence by the HHA and will not be entered into any shared database nor provided to a related entity, except to the extent that the disclosure is (a) requested or consented by the individual in writing; (b) required for use in an eviction proceeding or termination of assistance; or, (c) otherwise required by applicable law.
