ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

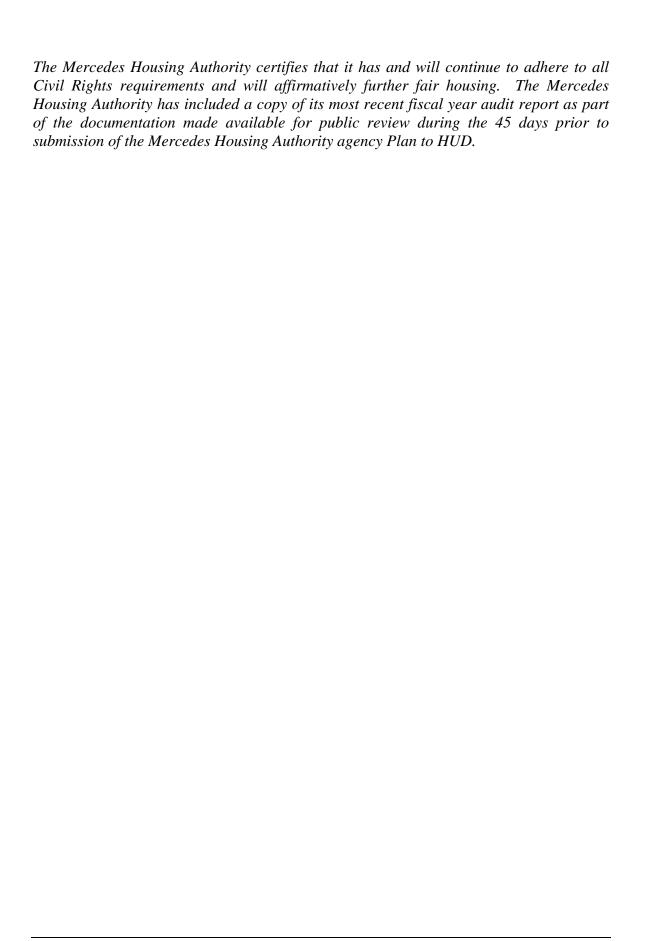

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The City of Mercedes is located in the East part of Hidalgo County, along the Texas-Mexico border. In 1970 the City had consistently grown in size and population. The City of Mercedes' 1990 population according to the U.S. Census Count was 12,694. This figure represents an increase of 7% from the 1980 population count, which was 11,851. The City of Mercedes minority population increased by 4% from 1980 to 1990. The minority population in 1980 was 80% (9,481) and in 1990 it was 84% (10,663). The Hispanic population represents 92% or 11,678 of the total community. The White population increased by 3% from 1980 to 1990, from 4% to 7%.

The long waiting list indicates that the area residents cannot afford housing in the local market.

The Board of Commissioners and staff selected seven (7) priority goals or results for the five (5) years, which are as follows:

- Retain high quality employees.
- Conduct evaluations and have scheduled training sessions on a continuous basis.
- Identification of management needs to enable PHA staff to prepare for major upcoming changes in the Operating Fund rule (i.e. Project-based accounting, asset management, cost allocation planning and software upgrades).
- Apply for vouchers as soon as NOFA is issued.
- *Apply for all grants that the Housing Authority can qualify for.*
- Apply for Tax Credits to build affordable housing to produce additional resources.
- Apply for bank loans when necessary to continue with our Homeownership Program.
