OMB No. 2577-0226 (exp. 08/31/2009)

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

**Privacy Act Notice.** The United States Department of Housing and Urban Development, Federal Housing Administration, is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Information in PHA plans is publicly available.

- D. Immediate Family Member means, with respect to a person -
  - (A) a spouse, parent, brother, sister, or child of that person, or an individual to whom that person stands in loco parentis; or

- (B) any other person living in the household of that person and related to that person by blood or marriage.
- F. *Perpetrator* means person who commits an act of domestic violence, dating violence or stalking against a victim.

#### V. Admissions and Screening

- A. *Non-Denial of Assistance*. BHA will not deny admission to public housing to any person because that person is or has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.
- B. Admissions Preference. Applicants for housing assistance from BHA will receive a preference in admissions by virtue of their status as victims of domestic violence [dating violence, stalking]. This preference is particularly described as follows:

\_\_\_\_\_

C. Mitigation of Disqualifying Information. When so requested in writing by an applicant for assistance whose history includes incidents in which the applicant was a victim of domestic violence, BHA, may but shall not be obligated to, take such information into account in mitigation of potentially disqualifying information, such

victim of domestic violence, BHA, may but shall not be obligated to, take such information into account in mitigation of potentially disqualifying information, such as poor credit history or previous damage to a dwelling. If requested by an applicant to take such mitigating information into account, BHA shall be entitled to conduct such inquiries as are reasonably necessary to verify the claimed history of domestic violence and its probable relevance to the potentially disqualifying information. BHA will not disregard or mitigate potentially disqualifying information if the applicant household includes a perpetrator of a previous incident or incidents of domestic violence.

#### VI. Termination of Tenancy or Assistance

- A. *VAWA Protections*. Under VAWA, public housing residents have the following specific protections, which will be observed by BHA:
  - 1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a "serious or repeated" violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of or assistance to the victim of that violence.
  - 2. In addition to the foregoing, tenancy or assistance will not be terminated by BHA as a result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant's control, and the tenant or an immediate family member is the victim or threatened

victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:

- (a) (a) Nothing contained in this paragraph shall limit any otherwise available authority of BHA to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant's household. However, in taking any such action, BHA may apply a more demanding standard to the victim of domestic violence dating violence or stalking than that applied to other tenants.
- (b) Nothing contained in this paragraph shall be construed to limit the authority of BHA to evict or terminate from assistance any tenant or lawful applicant if the manager or BHA, as the case may be, can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.
- B. Removal of Perpetrator. Further, notwithstanding anything in paragraph VI.A.2. or Federal, State or local law to the contrary, BHA as the case may be, may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by BHA. Leases used for all public housing operated by BHA shall contain provisions setting forth the substance of this paragraph.

#### VII. Verification of Domestic Violence, Dating Violence or Stalking

A. Requirement for Verification. The law allows, but does not require, BHA verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. Subject only to waiver as provided in paragraph VII. C., BHA shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by BHA.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

- 1. *HUD-approved form* by providing to BHA a written certification, on a form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.
- 2. Other documentation by providing to BHA documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
- 3. *Police or court record* by providing to BHA a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.
- B. *Time allowed to provide verification/ failure to provide*. An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by BHA, to provide verification, must provide such verification within 14 business days (*i.e.*, 14 calendar days, excluding Saturdays, Sundays, and federally-recognized holidays) after receipt of the request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.

Waiver of verification requirement. The Executive Director of BHA, may, with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver may be granted in the sole discretion of the Executive Director. Any such waiver must be in writing. Waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases, regardless of similarity in circumstances.

#### VIII. Confidentiality

A. *Right of confidentiality*. All information (including the fact that an individual is a victim of domestic violence, dating violence or stalking) provided to BHA in connection with a verification required under section VII of this policy or provided in lieu of such verification where a waiver of verification is granted, shall be retained by

the receiving party in confidence and shall neither be entered in any shared database nor provided to any related entity, except where disclosure is:

- 1. requested or consented to by the individual in writing, or
- 2. required for use in a public housing eviction proceeding as permitted in VAWA, or
- 3. otherwise required by applicable law.
- B. *Notification of rights*. All tenants of public housing administered by BHA shall be notified in writing concerning their right to confidentiality and the limits on such rights to confidentiality.

#### **VIII.** Transfer to New Residence

- A. Application for transfer. In situations that involve significant risk of violent harm to an individual as a result of previous incidents or threats of domestic violence, dating violence, or stalking, BHA will, if an approved unit size is available at a location that may reduce the risk of harm, approve transfer by a public housing or tenant to a different unit in order to reduce the level of risk to the individual. A tenant who requests transfer must attest in such application that the requested transfer is necessary to protect the health or safety of the tenant or another member of the household who is or was the victim of domestic violence dating violence or stalking and who reasonably believes that the tenant or other household member will be imminently threatened by harm from further violence if the individual remains in the present dwelling unit.
- B. *Action on applications*. BHA will act upon such an application within 30 days of receipt.
- C. No right to transfer. BHA will make every effort to accommodate requests for transfer when suitable alternative vacant units are available and the circumstances warrant such action. However, the decision to grant or refuse to grant a transfer shall lie within the sole discretion of BHA, and this policy does not create any right on the part of any applicant to be granted a transfer.
- D. Family rent obligations. If a family occupying BHA public housing moves before the expiration of the lease term in order to protect the health or safety of a household member, the family will remain liable for the rent during the remainder of the lease term unless released by BHA. In cases where BHA determines that the family's decision to move was reasonable under the circumstances, BHA may wholly or partially waive rent payments and any rent owed shall be reduced by the amounts of rent collected for the remaining lease term from a tenant subsequently occupying the unit.

#### X. Court Orders/Family Break-up

- A. *Court orders*. It is BHA's policy to honor orders entered by courts of competent jurisdiction affecting individuals assisted by BHA and their property. This includes cooperating with law enforcement authorities to enforce civil protection orders issued for the protection of victims and addressing the distribution of personal property among household members in cases where a family breaks up.
- B. *Family break-up*. Other BHA policies regarding family break-up are contained in BHA's Public Housing Admissions and Continuing Occupancy Plan (ACOP).

#### **XI.** Relationships with Service Providers

It is the policy of BHA to cooperate with organizations and entities, both private and governmental, that provide shelter and/or services to victims of domestic violence. If BHA staff become aware that an individual assisted by BHA is a victim of domestic violence, dating violence or stalking, BHA will refer the victim to such providers of shelter or services as appropriate. Notwithstanding the foregoing, this Policy does not create any legal obligation requiring BHA either to maintain a relationship with any particular provider of shelter or services to victims or domestic violence or to make a referral in any particular case. BHA's annual public housing agency plan shall describe providers of shelter or services to victims of domestic violence with which AHA has referral or other cooperative relationships.

#### XII. Notification

BHA shall provide written notification to applicants and tenants concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance and, termination of tenancy or assistance.

#### XIII. Relationship with Other Applicable Laws

Neither VAWA nor this Policy implementing it shall preempt or supersede any provision of Federal, State or local law that provides greater protection than that provided under VAWA for victims of domestic violence, dating violence or stalking.

#### XIV. Amendment

This policy may be amended from time to time by BHA as approved by the BHA Board of Commissioners.
