The Buffalo Housing Authority is comprised of a 30 unit multi-family public housing complex serving elderly, handicapped and disabled households. The Buffalo Housing Authority strongly encourages resident participation in the development of the Annual Plan, Capital Fund Plan and at each meeting of the Board of Commissioners. The BHA has achieved High Performer recognition under the PHAS system and intends to maintain that status. The primary public housing property is Clear Creek Apartments, which is a very nice property connected to the adjacent Senior Center by an enclosed walkway. This connecting walkway facilitates the participation of all BHA residents in the programs and activities of the Senior Center, thus enhancing the residents’ quality of life. The BHA is a public housing only agency. However, the BHA serves as a local intake agent for the Cheyenne Housing Authority voucher program, serving the town of Buffalo.

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2007 - 2011.)

The Buffalo Housing Authority has achieved and maintained High Performer PHAS recognition.

Additionally, the BHA has maintained a minimal vacancy rate and encouraged resident participation both by having a resident on the Board of Commissioners and encouraging resident attendance and participation at meetings of the Board of Commissioners. The BHA has utilized capital funds to modernize the property, including:

- modified three unit to be fully handicapped accessible,
- addressed security concerns raised by tenants,
- re-landscaped the property to incorporate more usable space for the residents,
- addressed other concerns raised by the residents.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. a. Substantial Deviation from the 5-Year Plan

b. Significant Amendment or Modification to the Annual Plan

The Buffalo Housing Authority will apply the following definition of substantial deviation and significant amendment from the agency plan that will require formal action by the Board of Commissioners:

Substantial deviations or significant amendments or modifications are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives or plans of the agency and which require formal approval of the Board of Commissioners.

C. Other Information

[24 CFR Part 903.13, 903.15]

**Buffalo Housing Authority
Minutes of the Public Hearing
For the 2008 Annual Plan and 5-year Plan
Held on 1/8/08 at 5:00 PM**

Attendance:

Connie Ramsey, tenant and Commissioner, Buffalo Housing Authority Board of Commissioners
Mike Stanfield, Executive Director
Mark Stotts, Special projects Coordinator
Richard Trembley, Clear Creek Apartments Manager

Tenants: Connie Ramsey

Mr. Wagner thanked everyone for attending and called the public hearing to order.

Mr. Stanfield explained that the public hearing was being held for two purposes:

- to accept public comment on the 2008 agency plan and 5-year plan; and
- to remind the tenants that HUD will be sending out the RASS fairly soon.

Mr. Stanfield provided copies and reviewed the plan, with emphasis on the flat rent schedule and the 2008 Capital Fund Program proposed budget and 5-year plan. He explained that the flat rent schedule reflects no change for the coming fiscal year, even though subsidy levels are anticipated to be substantially less than required. He then explained the capital fund program, reviewed the budget, explained what capital improvements have been made with CFP funds and solicited suggestions for capital improvement projects.

Tenants thanked the BHA for the improvements that have been made and stated that they feel lucky to have Richard as the Manager.

- Several tenants commented that the washer and dryers don't seem to be functioning properly. They indicated that the in-home care providers are having a hard time getting laundry done in the short time that they have assigned for their clients who are tenants and they feel that the washers aren't spinning the clothes dry and the dryers take several cycles to completely dry clothes. Mr. Stanfield explained that the expectation shouldn't be that an overloaded washer or dryer will function as efficiently or effectively. However he indicated that the age of the machines could be an indication that they need replacement.
- A tenant mentioned that he transferred to a unit upstairs and has noticed a dramatic reduction in the water pressure as compared to his unit on the first floor. Mr. Stanfield explained that the Board has visited this issue on several occasions and that a cost effective solution seems elusive. He also stated that he understood the water pressure problem to have improved during the last year. Several tenants confirmed.
- Mr. Stanfield explained that he and Mr. Stotts stopped at Desava Furniture to ask about catalogues for the residents to choose new furniture in the common area. Desava said they do not have catalogues and they are going out of business, but they would be happy to work with a small group of the residents to find new furniture that meets the needs of the residents. Mr. Stanfield indicated that he would ask the BHA Board of Commissioners to ask the resident council to appoint such a committee that could provide specifications upon which competitive bids could be solicited. The residents enthusiastically supported this suggestion.
- Mr. Stanfield and Mr. Stotts provided an update to the residents about the status of the replacement of the bathtubs and surrounds. The contract has been awarded and the contractor expects to start next week. He intends to do two tubs per day and he will ensure that the residents will be able to use the new tub that same day. Mr. Trembley will ensure that adequate notice is provided to the residents before the work commences.
- A tenant suggested that all of the stoves be replaced.
- A tenant voiced a concern about snow removal on weekends. Mr. Trembley explained that the new snow blower was just received last night and the new maintenance man will be expected to take care of the snow removal. Mr. Stanfield thanked Ed Shipp for his help in removing snow during the last six weeks while the BHA was without a maintenance person.
- Several tenants asked what the standard is for when units are repainted or the carpet is replaced. Mr. Stanfield explained that there is no time period of expected useful life of paint or carpeting. However the units are painted at turnaround and Mr. Trembley can assist in providing paint if a tenant is interested in painting their unit while in possession. Mr. Stanfield also explained that carpet is not typically replaced unless a tripping hazard exists or on unit turnaround. Mr. Trembley has flexibility to contract for the carpet replacement in units where potential hazards exist.

Mr. Stanfield reminded the tenants that HUD will be sending out the Resident Assessment Surveys in the coming months and he asked that they please fill them out and send them back to HUD.

There being no further comments, Mr. Wagner adjourned the public hearing.

b. In what manner did the PHA address those comments? (select all that apply)

- Considered comments, but determined that no changes to the PHA Plan were necessary.
- The PHA changed portions of the PHA Plan in response to comments
