Admission and Continued Occupancy Policy

- 2. The HA will first match the unit available to the highest ranking applicant for a unit of that size, type and special features (if any), taking into account any designated housing (if applicable). Preferences will then be used to determine the order of selection from the waiting list. If two applicants need the same type and size of unit and have the same preference status, the applicant with the earlier date and time of application will receive the offer.
- 3. In the selection of a family for a unit with accessible features, the HA will give preference to families that include a person with disabilities who can benefit from the unit features.
- 4. Vacant elderly or disabled designated units will be offered to the near elderly if there are no eligible elderly or disabled persons on the waiting list. Other families will be offered these units if no eligible near elderly are on the waiting list.
- 5. The applicant must accept the vacancy offered within seven working days of the date the offer is communicated by first class mail (or the method of communication designated by an applicant with disabilities) or be removed from the waiting list.
- 6. If more than one unit of the appropriate size and type is available, the first unit to be offered will be the unit that is anticipated to be ready for move-in first. If two units are anticipated to be ready for move-in on the same day, the first unit to be offered will be the unit that became vacant first.
- 7. The provisions of the deconcentration rule, contained within this policy, shall supersede the selection of applicants based on date and time and local preference points, if applicable, and allow the HA to skip families on the waiting list to accomplish this goal.
- ★ NOTE: For every fiscal year, each HA shall reserve a percentage of its new admissions for families whose incomes do not exceed 30% of the area median income. The goal for public housing shall be 40% of new admissions. In reaching the new admissions goals, the HA is required to avoid concentrating very low-income families in projects and must comply with the Deconcentration Policy.
 - **EXPLANATION:** The purpose of the Deconcentration Policy is to maintain a resident body in each development composed of families with a broad range of income and rent paying ability which is generally representative of the range of incomes of low income families in the HA's area of operation as defined by state law.

C. Removing Applicant Names from the Waiting List:

To ensure vacant units are filled in a timely manner, the HA needs a waiting list that is accurate. While each applicant must keep the HA apprized of changes in address, phone number, income or other circumstances, no applicant shall be removed from the waiting list except when one of the following situations occurs:

- 1. The applicant receives and accepts an offer of housing;
- 2. The applicant requests in writing that his/her name be removed from the waiting list;

is only applicable to Public Housing residents of the HA. Applicants are only entitled to an informal hearing, NOT THE GRIEVANCE POLICY, upon proper request.

XVII. SECURITY DEPOSITS

A security deposit shall be made pursuant to a schedule posted in the HA office. Security deposits may be refunded as provided in the Lease and in this procedure. Any balance of the security deposit shall be returned by mail to the former resident as defined in the lease and by state law. A detailed statement of all charges (rent, late fees, damages, etc.) made against the security deposit will be included and mailed within 35 days to the last known address of the resident. No security deposit shall be returned until keys to the unit have been returned to the HA. All security deposits for pets shall be made in accordance with the HA pet policy. There is no interest accrued or paid on any security deposit refunds, if any.

XVIII. PET RULE

A. Pets:

This HA has adopted a pet policy for use in all HA property. All Residents must comply with this pet policy. FAILURE TO COMPLY WITH THE PET POLICY WILL BE CONSIDERED A SERIOUS BREACH OF THE LEASE. Residents will comply with Section IV (P) of their dwelling lease that states, "Not to keep or allow dogs, cats, or any other animals or pets on the premises without prior written consent of Landlord."

B. Assistance Animals:

The Pet Policy does not apply to assistance animals that are used to assist persons with disabilities. (See assistance animal policy).

NOTE: Nothing in this policy limits or impairs the rights of persons with disabilities. Provided, however, the HA reserves the right to have a doctor or appropriate professional chosen by the HA to evaluate each case or conduct an examination of the person and/or records to assist the HA in determining whether the requested animal is an assistance animal or a pet.

XIX. DECONCENTRATION RULE

A. Objective:

The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the HA is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also the HA will take actions to insure that no individual

ACOP

development has a concentration of higher income families in one or more of the developments. The HA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the HA's computer system.

B. Exemptions:

The following are exempt from this rule.

- Public housing development with fewer than 100 public housing units. A covered development is defined as any single development or contiguous developments that total over 100 units.
- Public housing developments, which house only elderly persons or persons with disabilities, or both.
- Public housing developments, which consist of only one general occupancy family public housing development.
- Public housing developments approved for demolition or conversion to resident based assistance.
- Mixed financing developments.

C. Actions:

To accomplish the deconcentration goals, the HA will take the following actions:

- 1. At the beginning of each HA fiscal year, the HA will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous HA fiscal year.
- 2. To accomplish the goals of deconcentration:
 - a) Not less than 40% of the HA admissions on an annual basis shall be to families that have incomes at or below 30% of area median income (extremely low-income), and
 - b) The HA shall determine the average income of all families residing in all the HA's covered developments. The HA shall determine the average income of all families residing in each covered development. In determining average income for each development, this HA has adjusted its income analysis for unit size in accordance with procedures prescribed by HUD. The HA shall determine whether each of its covered developments falls above, within or below the established income range. The established income range is from 85 to 115 percent (inclusive) of the average family income, except that the upper limit (115 percent) shall never be less than the income at which a family would be defined an extremely low-income family.
- **NOTE:** To calculate the extremely low-income figure: Find the average family size (HA wide) of the covered developments and extrapolate the amount from the HUD published extremely low-income limits. For example, if the average family size is 2.6, the two person limit may be \$12,400 and the three person limit may be \$13,950. Therefore, the figure will be \$12,400 plus 60% of the difference between the two figures, which is \$13,330. This figure will be recalculated upon receipt of new HUD determined income limits.

ACOP

NOTE: Fair housing requirements. All admission and occupancy policies for public housing programs must comply with Fair Housing Act requirements and with regulations to affirmatively, further fair housing. The HA may not impose any specific income or racial quotas for any development or developments.

XX. COMMUNITY SERVICE POLICY

A. Each non-exempt adult public housing resident must:

- 1. Contribute eight hours of community service;
- 2. Participate in a self-sufficiency program for eight hours in each month; or

Community service does not include political activities.
- NOTE: For purposes of the community service requirement an adult is a person 18 years or older.

Documentation may include a letter from the agency on letterhead or other official document. Any such documentation shall be verifiable by the HA. Failure to comply with the Community Service Requirement and to provide appropriate verifiable documentation prior to the date required shall result in the lease not

51

being renewed by the HA. Provided, however, that the HA may allow the family member who is not in compliance to complete the requirements within the following year as follows: The head of household and the person not in compliance shall sign an agreement stating that the deficiency will be cured within the next twelve months. The head of household annually at reexamination shall make proof of compliance with the agreement. Failure to comply with the agreement shall result in the lease being terminated for such non-compliance, unless the person(s) other than the head of household no longer resides in the unit and has been removed from the lease.

NOTE: FAILURE TO COMPLY WITH THE COMMUNITY SERVICE REQUIREMENT AND TO PROVIDE APPROPRIATE VERIFIABLE DOCUMENTATION PRIOR TO THE DATE REQUIRED SHALL RESULT IN THE LEASE NOT BEING RENEWED BY THE HA.

 - A. Each Head of Household may own up to two pets. If one of the pets is a dog or cat, (or other four legged animal), the second pet must be contained in a cage or an aquarium for fish. Each bird or other animals, other than fish, shall be counted as one pet. The Head of Household must register the pet with the housing authority. Registration includes the certification from a licensed veterinarian that the pet has obtained all required pet inoculations, information to identify the pet, and the name and address of the pet owner and the name and address of a responsible party to care for the pet if the owner is unable to. This information shall be updated annually as part of the reexamination process.
 - B. If the pet is a dog or cat, it must be neutered/spayed by the age of six (6) months, and cats must be declawed by the age of three (3) months. The evidence can be provided by a statement/bill from a veterinarian and/or staff of the humane society. The evidence must be provided prior to the execution of this agreement and/or within 10 days of the pet becoming of the age to be neutered/spayed or declawed. Tenant must provide waterproof and leak proof litter boxes for cat waste, which must be kept inside the dwelling unit. Cardboard boxes are not acceptable and will not be approved. The Tenant shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary. Also, the weight of a cat cannot exceed 10 pounds (fully grown) and a dog may not exceed 20 pounds in weight (fully grown). All other four legged animals are limited to 10 pounds (fully grown).
 - C. If the pet is a bird, it shall be housed in a birdcage and cannot be let out of the cage at any time.

- F. All pets must be housed within the unit and no facilities can be constructed outside of the unit for any pet. No animal shall be permitted to be loose and if the pet is taken outside it must be taken outside on a leash and kept off other Tenant's lawns. Also, all pets must wear collars with identification at all times. Pets without a collar will be picked-up immediately and transported to the Humane Society or other appropriate facility.
- G. All authorized pet(s) must be under the control of an adult. An unleashed pet, or one tied to a fixed object, is not considered to be under the control of an adult. Pets which are unleashed, or leashed and unattended, on HA property may be impounded and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the HA staff has to take a pet to the Humane Society the Tenant will be charged \$50 to cover the expense of taking the pet(s) to the Humane Society.
- H. Pet(s) may not be left unattended for more than twenty-four consecutive hours. If it is reported to HA staff that a pet(s) has been left unattended for more than a twenty-four (24) consecutive hour period, HA staff may enter the unit and remove the pet and transfer the pet to the humane society. In the case of an emergency, the HA will work with the resident to allow more than 24 hours for the resident to make

Note:

- accommodations for the pet.
- I. Pet(s), as applicable, must be weighed by a veterinarian or staff of the humane society. A statement containing the weight of the pet must be provided to the HA prior to the execution of this agreement and upon request by the HA.
- 2. Responsible Pet Ownership: Each pet must be maintained responsibly and in accordance with this pet ownership lease addendum and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership. Any waste generated by a pet must be properly and promptly disposed of by the tenant to avoid any unpleasant and unsanitary odor from being in the unit.
- 3. Prohibited Animals: Animals or breeds of animals that are considered by the HA to be vicious and/or intimidating will not be allowed. Some examples of animals that have a reputation of a vicious nature are: reptiles, rottweiler, doberman pinscher, pit bulldog, and/or any animal that displays vicious behavior. This determination will be made by a HA representative prior to the execution of this lease addendum.
- 4. Pet(s) shall not disturb, interfere or diminish the peaceful enjoyment of other tenants. The terms, "disturb, interfere or diminish" shall include but not be limited to barking, howling, chirping, biting, scratching and other like activities. This includes any pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one-half hour or more and therefore disturbs any person at any time of the day or night. The Housing Manager will terminate this authorization if a pet disturbs other tenants under this section of the lease addendum. The Tenant will be given one week to make other arrangements for the care of the pet

or the dwelling lease will be terminated.

- 5. If the animal should become destructive, create a nuisance, represent a threat to the safety and security of other persons, or create a problem in the area of cleanliness and sanitation, the Housing Manager will notify the tenant, in writing, that the animal must be removed from the Public Housing Development, within 10 day of the date of the notice from the HA. The Tenant may request a hearing, which will be handled according to the HA's established grievance procedure. The pet may remain with the tenant during the hearing process unless the HA has determined that the pet may be a danger or threat to the safety and security of other persons. If this determination has been made by the HA, the pet must be immediately removed from the unit upon receipt of the notice from the HA.
- 6. The Tenant is solely responsible for cleaning up the waste of the pet within the dwelling and on the premises of the public housing development. If the pet is taken outside it must be on a leash at all times. If there is any visible waste by the pet it must be disposed of in a plastic bag, securely tied and placed in the garbage receptacle for their unit. If the HA staff is required to clean any waste left by a pet, the Tenant will be charged \$25 for the removal of the waste.
- 7. The Tenant shall have pets restrained so that maintenance can be performed in the apartment. The Tenant shall, whenever an inspection or maintenance is scheduled, either be at home or shall have all animals restrained or caged. If a maintenance person enters an apartment where an animal is not restrained, maintenance shall not be performed, and the Tenant shall be charged a fee of \$25.00. If this same situation again occurs, the pet shall be removed from the premises. Pets that are not caged or properly restrained may be impounded by animal control officers or by HA staff and taken to the local Humane Society. It shall be the responsibility of the Tenant to reclaim the pet at the expense of the Tenant. Also, if a member of the HA staff takes a pet to the Humane Society the Tenant will be charged an additional \$50 to cover the expense of taking the pet(s) to the Humane Society. The housing authority shall not be responsible if any animal escapes from the residence due to maintenance, inspections or other activities of the landlord.
- 8. Pets may not be bred or used for any commercial purposes.
