This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

9. Violence Against Women Act (VAWA) Information

The Scottsboro Housing Authority (SHA) will continue its practice of assisting those who are victims of domestic violence. In 2006 Congress passed the Violence Against Women Act of 2005 (VAWA). This new law protects the rights of applicants, residents and household members who are victims of domestic violence, dating violence, sexual assault or stalking from being evicted or denied housing assistance based on acts of violence committed against them. The SHA notifies all Housing Choice Voucher program landlords by letter of the requirements of the VAWA. The SHA notifies tenants of the Public Housing Program at the time of lease-up of their rights under VAWA. The SHA notifies participants of the Housing Choice Voucher program at the time of voucher issuance of their rights under VAWA.
