	Strategies:
	<ol> <li>Maintain/Increase Section 8 lease-up by maintaining/increasing payment standards to a level that will enable families to rent throughout the County of Maui's jurisdiction</li> </ol>
	2. Undertake measures to ensure families assisted by the County of Maui have access to affordable housing, regardless of unit size required
	3. Maintain/Increase Section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
	4. Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
	<ol> <li>Implementing the Homeownership Option and Project-Basing Section 8 Housing Choice Voucher Programs</li> </ol>
	6. Apply for additional Section 8 units should they become available
	7. Leverage affordable housing resources in the community through the creation of mixed- finance housing
	<ol> <li>Pursue housing resources other than Section 8 tenant-based assistance</li> <li>Target available assistance to families at or below 30% of AMI and try to exceed HUD federal terreting requirements</li> </ol>
	targeting requirements
	<ul> <li>10. Adopt rent policies to support and encourage work</li> <li>11. Apply for special-purpose vouchers targeted to the elderly, families with disabilities, and families with special needs should they become available</li> </ul>
	12. Affirmatively market to local non-profit agencies that assist families with disabilities
9.1	<ul> <li>13. Increase awareness of the County of Maui's resources among families of races and ethnicities with disproportionate needs</li> </ul>
	14. Conduct activities to affirmatively further fair housing by counseling Section 8 families as to the location of units outside areas of poverty or minority concentration and assist them to locate those units and marketing the Section 8 Program to owners outside areas of poverty or minority concentration
	Reasons for Selecting Strategies:
	Factors that influenced the County of Maui's selection of the strategies it will pursue:
	1. Funding constraints
	2. Staffing constraints
	3. Limited availability of sites for assisted housing
	4. Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the County of Maui
	5. Influence of the housing market on the County of Maui programs
	6. Community priorities regarding housing assistance
	7. Results of consultation with local or state government, residents, the Resident Advisory Board, and advocacy groups

Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

1. Fair share vouchers were not available during fiscal year 2009. However, the County of Maui (COM) did apply for Family Unification Program (FUP) vouchers in January, 2009 under HUD's FY2008 NOFA. The COM has continuously pursued developing partnerships with the private sector to develop affordable ownership and rental housing units within the County. At the present time, more than 3,200 affordable housing units have been completed, are in the process of being created, and are expected to be completed by 2009/2010. In addition to the projects listed in the County's 2008 Annual Plan, the County has a 100-unit Waiehu Mauka project by Lokahi Pacific with 40 rental units and 60 for sale units and a 40-unit 901 Lower Main project by Habitat for Humanity.

2 The COM performs quality control inspections of its assisted units to ensure its units meet HUD's housing quality standards. The COM is currently in the process of implementing a system that would allow landlords to advertise their available units (at no cost) on the internet. The information would be available to anyone who has access to the internet. The system will simplify searching and expand the opportunities to locate suitable units for participant families.

3. The COM's Payment Standards are set at 100% of HUD's FMRs so that families in the HCV Program can be competitive with non-assisted families in the open market. The COM is in the process of implementing a Homeownership Option Program to increase housing options for participant families.

4. The COM is continuing its efforts to develop long-term affordable rental housing units through partnerships with the private sector. Homeownership opportunities within the COM has dramatically increased over the past few years and the COM is continuing its efforts in developing special needs housing with appropriate support services.

5. The COM currently has 27 families participating in the Family Self-Sufficiency (FSS) Program. Six families are scheduled to graduate in FY2009 and 17 of the 27 participant families (63%) have an FSS escrow account balance.

6. The COM continues to improve the distribution of information to Maui County residents who request fair housing information. The COM has a fair housing officer who has coordinated several workshops on fair housing and accessibility standards. The COM incorporates fair housing and equal opportunity training on a regular basis into its annual training. The COM distributes fair housing brochures to all of its HCV program participant families and to all others who request them, to assist renters and voucher holders in knowing what their rights are.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

The basic criteria the County of Maui will use for determining a "Substantial Deviation" from its 5-Year Plan and for determining a "Significant Amendment or Modification" to its Annual Plan will be as follows:

- 1. Any changes to the County's admission policies for the Department of Housing and Urban Development's (HUD's) Section 8 Program;
- 2. Any changes to the County's organization of the Section 8 Program's waiting list; and
- 3. Any additions of new programs within the Section 8 Program, such as Project-basing and Homeownership programs.

An exception to the above definitions will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements.

(c) Any applicable memorandum of agreement with HUD or any plan to improve performance.

The COM has taken steps in improving its voucher management under the HCV Program. The COM conducts regularly scheduled in-house training and has a designated Compliance Specialist who reviews staff work for compliance with HUD requirements and agency policies and also monitors the agency's compliance with SEMAP requirements.
