CITY OF WICHITA HOUSING AUTHORITY
PUBLIC HOUSING

ADMISSIONS & CONTINUED OCCUPANCY POLICY
(ACOP)

The purpose of the ACOP is to establish guidelines for the Public Housing staff to follow in determining eligibility for admission and continued occupancy. These guidelines are governed by the requirements set forth by the United States Department of Housing and Urban Development with latitude for local policies and procedures. These policies and procedures for admissions and continued occupancy are binding upon applicants, residents and the Public Housing Program. The City of Wichita Housing Authority Board has approved these policies and amendments.

I. NONDISCRIMINATION

The City of Wichita Public Housing Program shall not discriminate because of race, color, sex, age, disability, religion, familial status, marital status or national origin in the leasing, rental, or other disposition of housing or related facilities (including land) included in any project development or project under its jurisdiction covered by a contract for annual contributions under the United States Housing Act of 1937, as amended or in the use or occupancy thereof. Public Housing will comply with all laws relating to Civil Rights, including the Housing and Community Development Act Amendments (HCDA) of 1981, and Housing and Urban-Rural Recovery Act (HURRA) of 1983, Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988), Executive Order 11063, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern) and any applicable State laws or local ordinances or any legislation protecting individual rights of resident, applicants or staff that may subsequently be enacted.

II. ELIGIBILITY FOR ADMISSION

Public Housing records with respect to applications for admission to any public housing assisted under the United States Housing Act of 1937, as amended, shall indicate as to each application the date and time of receipt; the determination of the local authority as to eligibility or ineligibility of the applicant; where eligible, the unit size for which the applicant is eligible; and the date, location, identification, and circumstances of each vacancy offered and accepted or rejected.

To be eligible for admission an applicant must meet the following conditions:

- A. The applicant must qualify as a family. A family consists of:
1. Two or more persons residing together in a stable family-type relationship, including single pregnant women with no other children (regardless of delivery date) or a single person in the process of securing legal custody and/or adoption of any individual, who has not obtained the age of 18 years, who meets all other requirements;
 2. A head of household, spouse, or sole family member who is at least 62 years of age, or a disabled person, and may include two or more elderly, disabled or handicapped persons, living with another person who is determined to be essential to their care and well being (see Glossary for definition of “Live-in-Aide”);
 3. The remaining member of a tenant family (for continued occupancy purposes only), who is at least 18 years of age, or the age of majority as designated by state law;
 4. A single person or near elderly at least 50 years old, but under the age of 62 years person living alone or intending to live alone, and who does not qualify as an elderly family, or a displaced person, or as the remaining member of a tenant family; or
 5. A displaced person who is displaced by governmental action, or a person whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to federal disaster relief laws, as well as the conversion, sale or closing of an applicant’s building.
- B. The applicant must be income eligible. The applicant’s total family annual income as defined in Section XI, shall not at the time of admission, exceed the HUD approved amounts posted on the Wichita Housing Authority official bulletin board(s). An applicant must head a household where at least one member of the household is either a citizen or eligible non-citizen (24 CFR Part 5, Subpart E) and must provide a Social Security number for all family members age 6 and older. An applicant must not have any outstanding debts to the Wichita Housing Authority or any other public housing authority.
- C. The applicant may be denied admission to the project, if such admission would prove detrimental to the project or its residents. The criteria for tenant selection shall be reasonably related to individual attributes and behavior of an applicant over the most recent five year period and shall not be related to those which may be imputed to a particular group or category of persons of which an applicant may be a member. However, before such determination is made, consideration shall be given to favorable changes in the family’s pattern of behavior, such as a lapse of two years since an offense and to other extenuating circumstances, which offer reasonable assurance that the family meets the Public Housing admission standards.
- D. Applicants for assistance and participants must submit their complete and accurate social security numbers and cards. In addition, all family members must disclose

their social security number and cards. This includes subsequent declaration in instances where a household adds a new member.

E. An authorized representative of Public Housing shall document pertinent information and deny applicants relative to, but not limited to the below.

1. History of recent criminal activity – includes cases in which a member of the family who is expected to reside in the household was or is engaged in prostitution, sale or use of illegal drugs, or other serious criminal activity.

In a decision about criminal activity, Public Housing has the discretion to consider all of the circumstances of the case. In appropriate cases, Public Housing may permit admission and continued occupancy of family members not involved in criminal activity and may impose a condition that the person who engaged in the illegal activity will not reside in the unit. Public Housing also may require a family member who has engaged in illegal use of drugs to present evidence of successful completion of a treatment program as a condition of admission or being allowed to remain in the unit.

2. Pattern of behavior – includes evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy by neighbors.

3. Confirmed drug addiction – includes standards pursuant to Section 576 of the *Quality Housing and Work Responsibility Act of 1998* that prohibit admission to the low-income public housing for any household with a member who Public Housing determines is illegally using a controlled substance. Households with a member with respect to whom Public Housing determines that it has reasonable cause to believe that such household member's illegal use (or pattern of abuse) of alcohol, may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents shall also be denied admission.

In determining whether to deny admission to Public Housing to any household based on a pattern of illegal use of a controlled substance or a pattern of abuse of alcohol by a household member, Public Housing may consider whether such household member has done the following:

- a. Successfully completed a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
 - b. Been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
 - c. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.
4. Rape or sexual deviation – includes individuals who have been involved as offenders in rape, indecent exposure, sodomy, carnal abuse, and impairing the morals of a minor. Exception may be permitted in the case of an individual

under 16 years when he/she was involved in such offense and evidence from a reliable source shows that the individual may be considered rehabilitated.

5. Initiating threats – behavior in a manner of indicating intent to assault persons, employees or tenants of previous housing.
 6. Abandonment of a previous housing unit – abandonment of the unit without advising the housing agency officials so that staff may secure the unit and protect its property from vandalism.
 7. Non-payment of rightful obligations – excluding legal bankruptcy and cases where such nonpayment is a direct result of illness or injury as documented by medical records.
 8. Intentionally falsifying an application for housing – including giving false information regarding family income, size, or utilization of an alias on the application for housing.
 9. Record of serious disturbance of neighbors, destruction of property or other disruptive or dangerous behavior – behavior which consists of patterns which endanger the life, safety, morals or welfare, or right to peaceful enjoyment of other persons by physical violence, gross negligence or irresponsibility; which damage the equipment or premises in which the applicant resides or which are seriously disturbing to neighbors or disrupt sound family and community life, indicating the applicant's inability to adapt to living in a family setting. Includes neglect of children, which endangers their health, safety, or welfare; judicial termination of tenancy in previous housing on the grounds of nuisance or objectionable conduct, alcoholism or frequent loud parties, which have resulted in serious disturbances to neighbors.
 10. Grossly unsanitary or hazardous housekeeping – includes the creation of a fire hazard through acts such as hoarding rags and papers, damage to premises and equipment, if it is established that the family is responsible for the condition; infestation, foul odors (including pet odors), depositing garbage, or pet waste in areas other than those specifically designated, or neglect of the premises. This category does not include families, whose housekeeping is found to be disorderly, where such conditions do not create a problem from neighbors.
 11. Destruction of property.
 12. Public Housing is not required nor obligated to assist applicants who were former Public Housing residents and who owe the Wichita Housing Authority or any other federally subsidized housing program money.
- F. Elderly or handicapped applicants or tenant may not be denied admission or continued occupancy in rental housing built exclusively for occupancy by the elderly or handicapped by reason of ownership of a common household pet which is eligible under the terms of the Public Housing Pet Policy.

III. PROCESSING APPLICATIONS FOR ADMISSION

- A. Upon the opening of the application process, each family seeking admission to the low-income public housing program must complete a preliminary application signed by the head of the family, spouse, or other responsible party. This application will be reviewed by staff to determine the applicant's eligibility based on income guidelines and family by definition. Each applicant will be advised in writing, at the earliest date possible, as to his or her eligibility for the Public Housing Program. Each applicant determined to be eligible will then be placed on a waiting list (if they cannot be housed immediately) and advised in writing of their status on the waiting list.

The applicant will be later notified as to the scheduled time of a Preoccupancy Meeting at which time a formal application will be completed. Such notification shall indicate that the attendance at the Preoccupancy Meeting is mandatory and is a condition of placement. In the event that no other applicants exist on the waiting list for a particular bedroom size, the requirement to attend a Preoccupancy Meeting may be waived by staff. Otherwise, failure to attend the scheduled Preoccupancy Meeting will result in a determination of ineligibility and the applicant's name will be purged from the waiting list.

- B. The formal application will request all information relative to previous housing, total family income, total income from assets, value of assets, medical expenses (elderly, disabled or handicapped only), handicapped assistance expense, full-time student status, child care expense, family requesting larger units then applicable, and family type composition.
 - 1. The above information will require verification of third parties. Third party oral verification must be properly documented as to time, date, source, and signed by the Public Housing staff member who made the contact. When written or oral third party verifications are impossible to obtain, applicable documents may be photocopied except when prohibited by law (i.e., government checks). Sources of information may include, but not limited to, the applicant, (by means of interviews or home visits), landlords, employers, family social workers, parole officers, court records, drug treatment centers, clinics, physicians or police departments where warranted by the particular circumstances. All verifications shall be maintained in the applicant's file. All applicants must produce the name, address, and phone number of their current/previous landlord or they will be considered ineligible.
 - 2. Verified information will be analyzed and a determination will be made with respect to the following:
 - a. Eligibility of applicant with respect to back monies owed to the Wichita Housing Authority or previous non-compliance with a federally subsidized rental assistance program;
 - b. Eligibility of applicant as a family;
 - c. Eligibility of applicant with respect to income limits for admission;

- d. Eligibility of applicant with respect to standards for admission as described in Section II;
- e. Size of unit required for family; and
- f. Rent, which the family should pay.

Failure to provide a landlord reference, or failure of a landlord to respond with verification within 15 days will automatically be an ineligible determination excluding cases wherein the landlord refuses to cooperate as verified by Public Housing staff. In such instances, attempts will be made to contact a previous landlord. Where no landlord exists, a home visit will be conducted by staff to insure compliance with the screening criteria of this policy.

- 3. Each applicant determined to be ineligible shall be promptly notified of such determination in writing stating the reason for ineligibility and a record of such determination will be maintained in the applicant's folder. Such notice shall state that the applicant has the right to a Private Conference with the Public Housing Property Management Supervisor or his/her designated representative, if requested within ten days from the date of the notice. Public Housing shall, within ten working days of the receipt of a request for an ineligible applicant for a private conference, notify the ineligible applicant of the time and date of the Private Conference. Whatever evidence is to be presented shall be heard on that date.

After the conclusion of the Private Conference, a decision will be made upon the merits of the evidence presented. Any individual who was a party to the original eligibility decision will not make the decision. Within fifteen days, the written decision shall be forwarded to the applicant, and a copy retained in the applicant's file.

- C. Total family income will be determined in accordance with the definition in Section VI. of this policy and adjusted income and Total Tenant Payment (TTP) will be computed in accordance with Section VI.
- D. When the applicant has been offered one unit and the offer has been refused the application will be dated and placed at the bottom of the waiting list. In the event the applicant refuses the third unit offered, the applicant will be purged from the waiting list.
- E. If more than 90 days elapse between the date of the determination of the family's eligibility and the date the family is scheduled for admission, all eligibility factors will be rechecked by telephone or other means for changes.
- F. If an applicant has not responded to a unit offer mailed to the last know address within three business days from the date of the notice was mailed, the application will be placed in the inactive file and the waiting list documented accordingly.

IV. LEASING

- A. Lease Agreement – prior to admission, a lease agreement shall be signed by the family head and spouse or other responsible member, and executed by Public Housing. The head of a family is the responsible person who is legally and morally responsible for the group and who is actually looked to and held accountable for the families need. The household head and spouse also are required to sign an Applicant/Tenant Certification, Federal Privacy Act Statement and Disposal Assets Certification. The Form HUD-9886, Authorization for the Release of Information must be signed and dated by each head spouse and any other adult family members. The Public Housing will retain the certification for at least three years.

Public Housing shall amend the lease with an addendum under the following circumstances:

- 1. At a regularly scheduled or interim reexamination of income (the Notice of Rent Adjustment issued to amend the dwelling lease need only be signed by the Public Housing with the original sent to the tenant retaining a copy in the tenant file);
- 2. A change in family composition, unit size, or transfer;
- 3. At the time of transfer for any tenant moving from one dwelling unit in a project to any other dwelling unit in a project to any other dwelling unit in a project; and
- 4. Any appropriate rider prepared to amend any provision of the lease.

All addenda shall be made a part of the lease agreement. Conditions and requirements of the lease become a part of this Admissions and Continued Occupancy Policy by reference.

- B. Utility Deposits – prospective tenants responsible for furnishing the utilities must assure Public Housing that the necessary utility service(s) for the anticipated unit will be obtained in order to comply with the requirement of a safe, sanitary and healthful living environment.
- C. Security Deposit – prospective tenants must deposit with Public Housing an amount established by Board adopted resolutions concerning Security Deposits and the Pet Policy. These deposit amounts will be posted on the project bulletin board.

V. UNIT SIZE AND TYPE REQUIRED

The following suggested standards are used to determine the number of bedrooms required accommodating a family of a given size, except that such standards may be waived when a vacancy problem exists, and it is necessary to achieve or maintain full occupancy.

A. NUMBER OF BEDROOMS	NUMBER OF PERSONS	
	MINIMUM	MAXIMUM
1	1	2
2	2	4
3	3	6
4	4	8

5	5	10
6	6	12

- B. An unborn child will be considered a person for occupancy purposes.
- C. Dwelling units will be assigned so that:
 - 1. Adults and children will not be required to share a bedroom;
 - 2. For reasons of health (old age, physical disability, etc.) separated bedrooms may be provided for an individual family member if verified as to need by a licensed physician;
 - 3. The living room or a basement will not regularly be used as a bedroom;
 - 4. Social factors such as differences in age or in siblings shall be taken into account in determining unit size. Two children of the same sex will share a bedroom. Children of the opposite sex, both under the age of 5, will share a bedroom;
 - 5. Children or grandchildren who are away at school, but who live with the family during school recess will be included in determining unit size; and
 - 6. Foster children will be included in determining unit size.
- D. Exceptions to Occupancy Standards
 - 1. Person with Disability – Public Housing may grant an exception upon request as a reasonable accommodation for persons with disabilities if the need is appropriately verified.
 - 2. Circumstances may dictate a larger size than the occupancy standards permit when persons cannot share a bedroom because of a need for medical equipment due to its size and/or function. Verification from a doctor must accompany requests for a larger bedroom to accommodate medical equipment.
 - 3. In order to provide an increased sense of security for public housing residents the WHA may allow Public Housing units to be occupied by police officers. Police officers will not be required to be income eligible to qualify for admission to the WHA’s Public Housing Program.
 - 4. Public Housing may offer a family a unit that is larger than required by Public Housing’s occupancy standards in the event of a deficiency of qualified applicants on the waiting list for the applicable bedroom size.
- E. Offering Handicap Units to Handicap Applicants or Tenants – when an accessible unit becomes vacant, Public Housing before offering such unit to a non-handicapped applicant shall offer such unit, first, to a current occupant of another unit of the same project or comparable project under common control, having handicaps requiring accessibility features of the vacant unit and occupying a unit not having such features. If no such occupant exists, the unit will be offered to an eligible qualified

applicant on the waiting list having a handicap requiring the accessibility features of the vacant unit. (F.R. dated June 2, 1988, 24 CFR, Part 8, Section 8.27)

VI. Determination of Rent

Part I – Determination of Total Tenant Payment

- A. Minimum Rent - The minimum rent for Public Housing is \$0. The minimum rent refers to a minimum total tenant payment and not a minimum tenant rent. The Total Tenant Payment is the greater of:

30% of the adjusted monthly income
10% of the monthly gross income
The minimum rent as established by the HA

The minimum rent hardship exception under the law is not applicable, since the minimum rent for Public Housing is \$0. Notification requirements to households regarding hardship exceptions are not applicable as the minimum rent for Public Housing is \$0.

B. Income and Allowances

The HA shall define income and allowances as the following:

“Income”: The types of money that are to be used as income for the purposes of calculating the TTP are defined by HUD in federal regulations. In accordance with this definition, income from all sources of each member of the household is documented.

“Annual income” is defined as the gross amount of income anticipated to be received by the family during the 12 months after certification or recertification. “Gross income” is the amount of income prior to any HUD allowable expenses or deductions, and does not include income that has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits. (24 CFR 5.607)

“Adjusted income” is defined as the annual income minus any HUD allowable deductions.

HUD has five allowable deductions from Annual Income:

1. Dependent allowance: \$480 each for family members (other than the head or spouse), who are minors, and for family members who are 18 and older who are full-time students or who are disabled.
2. “Elderly” allowance: \$400 per household for families whose head or spouse is 62 or over or disabled.
3. Allowable medical expenses for all family members are deducted for elderly and disabled families.

4. Childcare expenses for children under 13 are deducted when child-care is necessary to allow an adult member to work or attend school (including vocational training). This amount cannot exceed the income a family receives from working. It also cannot exceed the market rate for a day care provider in the area.
5. Expenses for attendant care or auxiliary apparatus for persons with disabilities if needed to enable the individual or an adult family member to work.

C. Disallowance of earned income from rent determinations

The rent for qualified families may not be increased as a result of the increased income due to such employment during the 12-month period beginning on the date on which the employment begins. A family qualified for the earned income exclusion is a family that occupies a dwelling unit in a public housing development, is paying income-based rent; and

1. Whose income increases as a result of employment of a member of the family who was previously unemployed for one or more years previous to employment. The HUD definition of “previously unemployed” includes a person who has earned in the previous 12 months no more than the equivalent earnings for working 10 hours per week for 50 weeks at the minimum wage. Minimum wage is the prevailing minimum wage in the State or locality.
2. Whose earned income increases as a result of increased earnings by a family member during participation in any family self-sufficiency or other job training program; or

The HUD definition of economic self-sufficiency program is: any program designed to encourage, assist, train or facilitate economic independence of assisted families or to provide work for such families. Such programs may include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).

Amounts to be excluded are any earned income increases of a family member during the self-sufficiency or job training program and not increases that occur after participation, unless the training provides assistance, training or mentoring after employment. The amount of TANF received in the six-month period includes monthly income and such benefits and services as one-time payments, wage subsidies and transportation assistance.

3. Who is or was, within six months, assisted under any State program for TANF and whose earned income increases, if the amount received under TANF was at least \$500 for the six-month period. The amount that is subject to the disallowance is the amount of incremental increase in income. The incremental increase in income is calculated by comparing the amount of the family member’s income before the beginning of qualifying employment to the amount of such income after the beginning of employment.

Initial Twelve-Month Exclusion:

During the cumulative 12-month period beginning on the date a member of a qualified family is first employed or the family first experiences an increase in annual income attributable to employment, the HA will exclude from annual income any increase in income of the family member as a result of employment over the prior income of that family member.

Second Twelve-Month Exclusion:

Upon the expiration of the 12-month period referred to above, the rent payable by a family may be increased due to the continued employment of the family member above, except that during the 12-month period beginning upon such expiration the amount of the increase may not be greater than 50 percent of the amount of the total rent increase that would be applicable except for this exclusion.

Maximum Four-Year Disallowance:

The earned income disallowance is limited to a lifetime 48-month period for each family member. For each family member, the disallowance only applies for a maximum of 12 months total exclusion of incremental increase, and a maximum of 12-month phase in exclusion during the 48-month period starting from the date of the initial exclusion.

If the period of increased income does not last for 12 consecutive months, the disallowance period may be resumed at any time within the 48-month period, and continued until the disallowance has been applied for a total of 12 months of each disallowance (the initial 12-month total exclusion and the second 12-month Housing phase in exclusion).

No earned income disallowance will be applied after the 48-month period following the initial date the exclusion was applied.

Tracking the Earned Income Exclusion:

The earned income exclusion will be reported on the HUD 50058 form. Documentation will be included in the family's file to show the reason for the reduced increase in rent. Such documentation will include:

- Date the increase in earned income was reported by the family;
- Name of the family member whose earned income increased;
- Reason (new employment, participation in job training program, within 6 months after receiving TANF) for the increase in earned income;
- Amount of the increase in earned income (amount to be excluded);
- Date the increase in income is first excluded from annual income;
- Date(s) earned income ended and resumed during the initial cumulative 12-month period of exclusion (if any);
- Date the family member has received a total of 12 months of the initial exclusion;
- Date the 12-month Housing phase in period began;

Date(s) earned income ended and resumed during the second cumulative 12-month period phase in exclusion;
Date the family member has received a total of 12 months of the phase in exclusion;
and
ending date of the maximum 48-month (four year) disallowance period (48 months from the date of the initial earned income disallowance).

Public Housing will maintain a tracking system to ensure correct application of the earned income disallowance. Public Housing's policy is not to raise rent between annual recertifications, except in the case of a change in family composition. Residents must report all changes in the household composition. Public Housing's policy is not to raise rent between annual recertifications, except in the case of a change in family composition. However, if the family has an increase in earned income and wishes to benefit from the earned income exclusion, the family must report the increase in income within 10 calendar days of the date of the increase. If Public Housing determines that the family is a qualified family, the 12-month exclusion will begin on the first day of the month after the family reports the increase in income. At annual recertification, the remainder of the 12-month full exclusion will be applied. After the 12-month full exclusion ends, the 12-month phase-in exclusion will begin. The family will be required to report any change in income or family composition during this period (while full or housing phase in exclusion is applied).

The earned income disallowance is only applied to determine the annual income of families residing in Public Housing, and is not used in determining the annual income of applicants for purposes of eligibility or income targeting for admission.

D. Training programs funded by HUD

All training income from a HUD sponsored or funded training program, whether incremental or not, is excluded from the resident's annual income while the resident is in training. Income from a Resident Services training program, which is funded by HUD, is excluded. Upon employment Public Housing, the full amount of employment income received by the person is counted. There is no 18-month exclusion of income for wages funded under the 1937 Housing Act Programs, which includes public housing and Section 8.

E. Averaging income

Income from the previous year may be analyzed to determine the amount to anticipate when third party or check-stub verification is not available. When Annual Income cannot be anticipated for a full twelve months, Public Housing will average known sources of income that vary to compute an annual income. If there are bonuses or overtime, which the employer cannot anticipate for the next twelve months, bonuses and overtime received the previous year, will be used. If by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so that the housing payment will not change from month to month. The method used depends on the regularity, source and type of income.

F. Income of person permanently confined to nursing home

If a family member is permanently confined to a hospital or nursing home and there is a family member left in the household, Public Housing will calculate the Total Tenant Payment by excluding the income of the person permanently confined to the nursing home and not giving the family deductions for medical expenses of the confined family member.

G. Regular contributions and gifts [24 CFR 5.609(a)(7)]

Regular contributions and gifts received from persons outside the household are counted as income for calculation of the Total Tenant Payment. Any contribution or gift received on a regular basis regardless of frequency will be considered a “regular” contribution or gift. This includes rent and utility payments made on behalf of the family and other cash or non-cash contributions provided on a regular basis. This information will be requested from the family and will be averaged over a twelve-month period and included in the calculation of Total Tenant Payment. It does not include casual contributions or sporadic gifts.

H. Alimony and child support [24 CFR 5.609(a)(7)]

Regular alimony and child support payments are counted as income for calculation of Total Tenant Payment. If the amount of child support or alimony received is less than the amount awarded by the court, Public Housing must use the amount awarded by the court unless the family can verify that they are not receiving the full amount.

Public Housing will accept as verification that the family is receiving an amount less than the award if Public Housing receives verification from the agency responsible for enforcement or collection. It is the family’s responsibility to supply a copy of the divorce decree.

I. Lump-sum receipts [24 CFR 5.609(b)(5), (c)]

Lump-sum additions to Family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker’s compensation), capital gains, and settlement for personal or property losses, are not included in income but may be included in assets.

Lump-sum payments caused by delays in processing periodic payments (unemployment or welfare assistance) are counted as income. Lump sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments, which have accumulated due to a dispute, will be treated the same as periodic payments, which are deferred due to delays in processing.

In order to determine amount of retroactive resident rent that the family owes as a result of the lump sum receipt Public Housing will always calculate retroactively to date of receipt.

Public Housing will go back to the date the lump-sum payment was received, or to the date of admission, whichever is closer. Public Housing will determine the amount of income for each certification period, including the lump sum, and recalculate the resident rent for each certification period to determine the amount due Public Housing.

At the Public Housing's option, Public may enter into a Repayment Agreement with the family. Public Housing will only enter into a Repayment Agreement with the family if they are in good standing (no unpaid rent or other charges, no disturbance complaints). The family will be required to pay fifty percent (50%) of the retroactive amount due at the time of calculation and the balance of the amount over a six-month period. The amount owed by the family is a collectible debt even if the family becomes unassisted.

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

J. Contributions to retirement funds - assets

Contributions to company retirement/pension funds are handled as follows:

While an individual is employed, count as assets only amounts the family can withdraw without retiring or terminating employment. After retirement or termination of employment, count any amount the employee elects to receive as a lump sum.

K. Assets disposed of for less than fair market value

Public Housing must count assets disposed of for less than fair market value during the two years preceding certification or recertification. Public Housing will count the difference between the market value and the actual payment received in calculating total assets. Assets disposed of as a result of foreclosure or bankruptcy are not considered to be assets disposed of for less than fair market value. Assets disposed of as a result of a divorce or separation are not considered to be assets disposed of for less than fair market value.

L. Child care expenses

Un-reimbursable child care expenses for children under 13 may be deducted from annual income if they enable an adult to work, attend school full time, or attend full-time vocational training. In the case of a child attending private school, only before or after-hours care can be counted as child care expenses.

Child care expenses cannot be allowed as a deduction if there is an adult household member capable of caring for the child who can provide the child care. Examples of those adult members who would be considered *unable* to care for the child include:

The abuser in a documented child abuse situation, or

A person with disabilities or an older person unable to take care of a small child, as verified by a reliable knowledgeable source.

Child care expenses must be reasonable. Reasonable is determined by what the typical childcare rates are in Public Housing's jurisdiction. Allowability of deductions for child care expenses is based on the following guidelines:

Child care for work: The maximum childcare expense allowed must be less than the amount earned by the person enabled to work. The “person enabled to work” will be the adult member of the household who earns the least amount of income from working.

Child care for school: The number of hours claimed for childcare may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).

M. Medical expenses [24 CFR 5.603]

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide. Acupressure, acupuncture, physical therapy including exercise and chiropractic services may be considered allowable medical expenses if these services are recommended as a specific treatment by the family’s primary physician. The cost of transportation to and from medical appointments and treatments will be an allowable medical expense and will be calculated at the current IRS rate.

N. Proration of assistance for “mixed” families [24 CFR 5.520]

Proration of assistance must be offered to any “mixed” applicant or participant family. A “mixed” family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members. “Mixed” families that were participants on June 19, 1995, and that do not qualify for continued assistance must be offered prorated assistance. Applicant mixed families are entitled to prorated assistance. Families that become mixed after June 19, 1995, by addition of an ineligible member are entitled to prorated assistance.

Prorated assistance will be calculated by subtracting the Total Tenant Payment from the applicable Maximum Rent for the unit the family occupies to determine the Family Maximum Subsidy. The family’s TTP will be calculated by:

Dividing the Family Maximum Subsidy by the number of persons in the family to determine Member Maximum Subsidy.

Multiplying the Member Maximum Subsidy by the number of eligible family members to determine Eligible Subsidy.

Subtracting the amount of Eligible Subsidy from the applicable Maximum Rent for the unit the family occupies to get the family’s Revised Total Tenant Payment.

O. Income changes resulting from welfare program requirements

Public Housing will not reduce the public housing rent for families whose welfare assistance is reduced specifically because of:

1. Fraud;
2. Failure to participate in an economic self-sufficiency program; or

3. Noncompliance with a work activities requirement.

However, Public Housing will reduce the rent if the welfare assistance reduction is a result of:

1. The expiration of a lifetime time limit on receiving benefits; or
2. A situation where the family has complied with welfare program requirements but cannot or has not obtained employment, such as the family has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

A family's request for rent reduction shall be denied upon the Public Housing obtaining written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance.

Public Housing has taken a proactive approach to culminating an effective working relationship between the Wichita Housing Authority and the local welfare agency for the purpose of targeting economic self-sufficiency programs throughout the community that are available to public housing residents.

P. Utility allowance and utility reimbursement payments

If the cost of utilities (excluding telephone) is not included in the Resident Rent, a utility allowance will be deducted from the total tenant payment. The Utility allowance is intended to help defray the cost of utilities not included in the rent. The allowances are based on the monthly cost of reasonable consumption utilities in an energy conservative household, *not* on a family's actual consumption. When the Utility Allowance exceeds the family's Total Tenant Payment, Public Housing will provide a Utility Reimbursement Payment to the family each month. Paying the utility bill is the resident's obligation under the lease. Failure to pay utilities is grounds for eviction.

Q. Acceptable forms of verification

Acceptable forms of verification are listed in Appendix 1.

PART 2 - Family Rent Choice

Public Housing shall provide information to enable each family residing in a public housing unit to elect annually whether the rent paid by such family shall be 1) determined based on family income; or 2) the flat rent. Public Housing may not at any time fail to provide both such rent options for any public housing unit owned, assisted or operated by Public Housing.

A. Flat rents

Public Housing has established, for each dwelling unit in public housing, a flat rental amount for the dwelling unit, which is based on the rental value of the unit, as

determined by the Public Housing, designed so that the rent structures do not create a disincentive for continued residency in public housing by families who are attempting to become economically self-sufficient through employment or who have attained a level of self-sufficiency through their own efforts. Public Housing shall review the income of families paying flat rent annually. The family will be provided a form from Public Housing, on which the family will indicate whether they choose flat rent or income-based rent. The form will state what the flat rent would be, and an estimate, based on current information, what the family's income-based rent would be. This form will be retained in the resident's file.

B. Income-based rents

The monthly Total Tenant Payment amount for a family shall be an amount, as verified by Public Housing that does not exceed the greatest of the following amounts:

30 percent of the family's monthly adjusted income; or
10 percent of the family's monthly gross income; or
Public Housing's Minimum TTP of \$0.

C. Switching rent determination methods because of hardship circumstances

In the case of a family that has elected to pay Public Housing's flat rent, Public Housing shall, no later than the first of the month following the month the family reported the hardship, provide for the family to pay rent in the amount determined under income-based rent, during the period for which such choice was made for the following hardship circumstances:

Situations in which the income of the family has decreased because of changed circumstances, loss of or reduction of employment through no fault of the individual, death in the family, and reduction in or loss of income or other assistance;

An increase, because of changed circumstances, in the family's expenses for medical costs, child care, transportation, education, or similar items; and

Such other situations as may be determined by Public Housing.

All hardship situations must be verified. If a family has switched from flat rent to income-based rent because of hardship, the family shall remain on income-based rent until the next scheduled annual recertification, at which time Public Housing shall allow the family to elect whether to pay flat rent or income-based rent.

D. Public Housing's flat rent methodology

Public Housing staff has set a flat rent for each public housing unit, based on the reasonable market value of the unit. Public Housing staff obtains three rent comparables for each bedroom size from unsubsidized units in the surrounding area. The rent comparable information includes factors such as age of the building, location, physical condition, amenities and design. Once three rent comparables are obtained, an average of the three rents is calculated to obtain the flat rent. Rent comparables shall be reviewed not less than once each year and adjust the flat rents in the event a 10% variance has occurred from the base year.

E. Annual recertification

During the annual recertification process, the family will be provided a form from Public Housing, on which the family will indicate whether they choose flat rent or income-based rent. The form will state what the flat rent would be, and an estimate, based on current information, what the family's income-based rent would be. This form will be retained in the resident's file.

VII. TENANT SELECTION POLICIES

A. Public Housing will place applicants based on a broad range of income for the following purposes:

1. To avoid concentration of the most economically and socially deprived families in any one or all the Public Housing projects and
2. To attain a tenant body in each project composed of families with a broad range of income and rent-paying ability, which is generally representative of the range of incomes of lower and very low-income families in Public Housing, as set forth in Section II. B. of this policy. However, not less than 40 percent shall be occupied by families whose incomes at the time of commencement of occupancy do not exceed 30 percent of the area median income in accordance with HUD Regulations.

B. Public Housing will select applicants for low to moderate-income Public Housing in the order of Preliminary Application date, time, and preference.

C. Preferences in the Selection of Tenants – Applicants on the waiting list, who have been granted a preference, will be housed first in the appropriate bedroom size. When all preferenced applicants have been housed in the appropriate bedroom size, the application date and time shall be used for remaining applicants on the waiting list. Public Housing will grant a preference to an applicant for any of the following circumstances:

1. Displaced households by governmental action, or a household whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to federal disaster relief laws, as well as the conversion, sale or closing of an applicant's building
2. Households with at least one adult member who is consistently employed a minimum of 30 hours per week and those unable to work because of age (62 and older) or a determination of disability. Employed means working and earning wages.

Public Housing staff will verify all preferences at the Preoccupancy Meeting. In the event staff is unable to verify the applicant's eligibility for the preference, the applicant will be placed back on the waiting list without a preference with the original date and time of application.

- D. In the event that it is determined that Public Housing, through the normal tenant selection process, is unable to achieve an acceptable income mixture in its developments, the offering process may include skipping families on the waiting list specifically to target families with lower or higher incomes. This policy of skipping, if implemented, will be uniformly applied. For the purposes of this income targeting policy, income levels will be determined by methods pursuant to the Final Rule to Deconcentrate Poverty and Promote Integration in Public published in the *Federal Register/Vol. 65, No. 247/December 22, 2000* and updates.
- E. Public Housing may allow a police officer who is not otherwise eligible for residency in public housing to reside in a public housing dwelling unit. The number of police officers admitted shall not exceed more than one officer for each public housing concentration. The admission of a police officer shall only be permitted for the purpose of increasing security for the residents of a public housing project.

A police officer is defined as a person who is a full-time Federal, Kansas, Sedgwick County or City of Wichita licensed professional law enforcement officer. Police officers who occupy a Public Housing dwelling shall pay monthly rent in the amount not to exceed one half (1/2) of the appropriate flat rent scheduled for the relative bedroom size.

VIII. REEXAMINATION AND ELIGIBILITY FOR CONTINUED OCCUPANCY

- A. Reexaminations – The income of all families in occupancy shall be reexamined at least annually and upon determination of anticipated annual income as defined in this policy for the ensuing year, the Total Tenant Payment (TTP) shall be adjusted accordingly.
- B. Interim Reexamination – When it is not possible to determine the anticipated annual income with any reasonable degree of accuracy at the time of admission (initial certification) or regular reexamination (regularly scheduled certification), due consideration should be given to tenants past income and interim reexamination scheduled in 60 days.

An interim reexamination will be conducted if the tenant has misrepresented the facts upon which rent is based (in such cases, any increase in rent may be made retroactive).

- C. Initial Certification and Reexamination Procedures

At least annually, the Public Housing resident is required to provide accurate and current information relating to the household. The resident will be interviewed by Public Housing Property Managers and the head of household shall complete and sign an application for continued occupancy and other forms required by HUD.

- 1. Approximately 60 to 90 days before the annual recertification, the Authorization for Release of Information (Form HUD-9886) must be signed by all adult (18 years and older) family members.

2. At the time of reexamination the head of household and spouse will be required to sign the Application/Tenant Certification, Disposal of Assets, and Federal Privacy Act Statement. (See Section IV of this policy)
3. Employment and income data, assets, full-time student status, medical expenses (elderly families only), child care expense, family type (elderly, handicapped or disabled status (unless receiving income from an agency where such status is required)), a larger unit that occupancy standards and eligible student – alien status (when applicable) handicapped assistance expenses must be verified, documented and placed in the tenant’s folder. Acceptable forms of verification are detailed in Appendix 1.
4. In accordance with Section 512 of the *Quality Housing and Work Responsibility Act of 1998*, HUD regulations, HUD notices and HUD directives, non-exempt households will be required to provide to the Public Housing written third party documentation that each adult resident of Public Housing contributed 8 hours per month of community service or participated in an economic self-sufficiency program for 8-hours per month or eight (8) hours per month of combined activities of community service and participation in a self-sufficiency program. Public Housing staff members shall verify participation in community service and self-sufficiency programs. Community service and self-sufficiency programs shall be approved by Public Housing prior to the resident's participation. For the purposes of the community service requirement, work activities are defined in Section 407(d) of the Social Security Act [42 U.S.C. 607(d)]. An exempt work activity shall not include employment less than an average of fifteen hours (15) per week for each monthly period.

Public Housing is not permitted to renew the lease or continue assistance if non-exempt residents fail to comply with the service requirement or *Agreement to Cure Community Service Noncompliance*. All Public Housing residents are responsible to notify Public Housing in writing and provide documentation that they qualify for an exemption, if they claim to be exempt from the Community Service requirement, and sign an exemption certification. A licensed physician must certify disability exemptions or the need for a care taker and the date of exemption will be effective on the date the certification is signed by the physician. Retroactive certifications or exemptions will not be permitted.

It is the responsibility of non-exempt residents to complete the 8 hour per month requirement. The community service and self-sufficiency requirement shall not be interpreted by Public Housing as a 96 hour per year requirement and a resident should complete the requirement at a rate of 8 hours per month to avoid a potential noncompliance should a total disability occur.

In the event a member of a household executes an *Agreement to Cure Community Service Noncompliance* with Public Housing granting the household a one-year lease renewal and another member of the household, due to an exemption status change, fails to complete the 8-hour per month requirement, the ending date of the executed *Agreement to Cure Community Service Noncompliance* will be final with no further extensions. It shall be the responsibility of any non-exempt resident to complete the required service hours without any additional

agreements and the original terms of the *Agreement to Cure Community Service Noncompliance* shall be binding upon the entire household.

In the event a noncompliant resident vacates a Public Housing unit to avoid the non-renewal of lease agreement and termination of assistance for the remaining household, the noncompliant resident will not be able to reoccupy any Public Housing unit for a period of at least 3 years subsequent to his/her vacate date.

5. Third party verification is preferred. Oral third party verifications are acceptable, if properly documented, and photocopying the verification documents when not prohibited by law (i.e., government checks) is acceptable. Public Housing may document that the verification documents were viewed by recording the document source, date, time, amount, etc. The documented information must be signed by Public Housing staff and all verifications maintained in the tenant's folder
6. When families report zero income, and have no income excluded for rent computation, Public Housing staff will examine the family's circumstances every 180 days until they have a stable income. Staff will request zero income families to complete a zero income form. The form asks residents to estimate how much they spend on: telephone, cable TV, food, clothing, transportation, health care, child care debts, and other household items and whether any of these costs are being paid by an individual outside the family. If any such payments are received they are to be considered income.
7. Verified information will be analyzed and the family will be recertified for eligibility. Each family will be reexamined least annually on the anniversary date of their lease. The process should start 60 to 90 days before the effective date of the regularly scheduled reexamination date.
8. Tenants will be provided with at least 30 days written notice of any rent increase. Rent decreases are effective the first of the next month.

D. Eligibility for Continued Occupancy

Families (as defined in Section II of this policy) are eligible for continued occupancy, and renewal of a lease will not be refused, or eviction proceedings commenced based on the income of the family unless Public Housing has identified for possible rental by the family, a unit of decent, safe and sanitary housing of suitable size available at a rent not exceeding 30 percent of their income.

E. Action Following Reexamination

1. A new certification/recertification of tenant eligibility form will be prepared and a new lease addendum will be prepared. (See Section IV of this policy).
2. If any change "in the size of unit occupied" is indicated, the tenant may be transferred to a unit of an appropriate size and a new lease will be executed. If an appropriate unit is not available, the tenant will be placed on a transfer list and may be moved to such unit when it does become available.

3. If the reexamination and redetermination of income resulted in a determination that an increase in the tenant's rent is required; the rent shall be increased on the first of the month following on the first of the month following at least 30 days notice.

- F. As a part of the record of each family reexamined, the Property Management Supervisor or designee will certify that the determinations on the application for continued occupancy and recertification of tenant eligibility form.

IX. ESTABLISHING RENTS BETWEEN REGULARLY SCHEDULED REEXAMINATIONS

- A. Interim Rent System. Rent and other charges as fixed in Section VII C above will remain in effect for the period between regularly scheduled reexamination unless:

1. There is a substantial increase or decrease in total family income (wages, entitlements, etc.) that would result in a change in the tenant's rent. Significant increase or decrease is defined as 10%. Decreases in rent will be effective on the first day of the month following that in which the change is reported. An increase in the tenant's rent will be effective the first day of the month following 30 days written notice.
2. There is a change in family composition:
 - a. Loss of lease through death, divorce, or other circumstances, or the addition of a family member;
 - b. Loss or addition of principal income recipient through divorce, death, marriage or other continuing circumstances; or
 - c. Loss or addition of a family member with an income.
3. Tenants are required to report all such changes as they occur.
4. Addition of family members must be authorized by Public Housing prior to move in and should not create an overcrowded situation.

- B. Interim reexaminations DO NOT affect regularly scheduled reexamination dates.

X. MISREPRESENTATION

The tenant is to be notified in writing of any misrepresentations or lease violations revealed through the annual reexamination, rent reviews, or other occurrences and any other corrective action required by Public Housing.

XI. DEFINITION OF INCOME

Total Family Income – Total family income means income from all sources of the head of the household and spouse, and each additional member of the family residing in the household who is at least eighteen years of age, anticipated to be received during the twelve months following admission or reexamination of the family income, exclusive of

the income of full-time students (other than the head or spouse) and income which is temporary, non-recurring, or sporadic, as defined in this Section. Total family income shall include the portion of the income of the head of the household or spouse temporarily absent, which, in the determination of Public Housing, is (or should be) available to meet the family's needs.

A. Annual Income Inclusion

Total family income includes, but is not limited to, the following:

1. The full amount, before any payroll deduction, of wages and salaries, including compensation for personal services (such as commissions, fees, tips and bonuses);
2. Net income from operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be deducted to determine net income from a business;
3. Interest, dividends, and net income of any kind from real estate or personal property where the family has net income assets in excess of \$5,000. Annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate as determined by HUD;
4. The full amount received from periodic payments from annuities, social security, periodic payment from insurance policies, retirement income, pensions, periodic benefits for disability or death, and other similar types of periodic receipts;
5. Payments in lieu of earnings such as unemployment and disability compensation, social security benefits workers compensation and dismissal wages;
6. Welfare assistance including an amount specifically designated for shelter and utilities that is subject of adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:
 - a. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - b. The maximum amounts that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph A 6 (b) shall be the amount resulting from one application of the percentage;
7. Periodic and determinable allowances such as alimony and regular contributions or gifts, including amount received from any persons not residing in the dwelling;

8. All regular pay, special payments and allowances (such as longevity, overseas duty, rental allowances, allowances for dependents, etc.) received by a member of the United States Armed Forces; and
9. Payments to the head of household for support of a minor or payments nominally to a dependent for his support but controlled for his benefit by the head of the household or a resident family member, other than the head of household, responsible for his support;

Note: A dependent is defined as a member of the family household other than the family head or spouse who is under 18 years of age, or is a disabled person, handicapped person, or a full-time student. Payments received for support of a dependent is not considered the dependent's income and are to be included in the annual income.

A full-time student is defined as a person, other than the head of household or spouse, who:

- a. Is attending a recognized high school on a full-time basis;

XIII. WRITE OFF OF UNCOLLECTABLE ACCOUNTS

It shall be the Policy of the Wichita Housing Authority (WHA) Public Housing Program to write off any account balances of former tenants subsequent to the move-out date of the tenant. The Property Management Supervisor shall submit, with the written approval of the Director of the WHA, a list of tenant accounts receivable to the WHA Systems Administrator to make the appropriate data adjustments relative to writing off tenant accounts receivable from the WHA operating computer system. Subsequent to the completion of the write off procedure, the appointed WHA accountant will be responsible to make adjusting entries to the City of Wichita's financial computer_system's tenant accounts receivable balance to agree with the WHA operating computer system's tenant accounts receivable total balance.

Written off tenant's account receivables will then be turned over to a collections agency for possible future repayments and recoveries.

XIV. UNIT TRANSFER POLICY

It is the policy of Public Housing to permit residents to transfer within or between housing developments when it is necessary to comply with occupancy standards or when it will help accomplish the affirmative housing goals of the Public Housing. Public Housing will always consider transfer requests as a reasonable accommodation for a person with a disability. The transfer policy will be carried out in a manner that does not violate fair housing.

A. Transfers at the request of Public Housing – Public Housing may require that a family transfer to another unit at the same housing development or to another housing development site when their present housing unit is no longer suitable as determined by Public Housing. These transfers may be made at the discretion of Public Housing for the following reasons:

1. A family will be required to transfer to another unit if its composition no longer conforms to Public Housing’s occupancy standards (i.e. the unit is too large or too small for the family size over one bedroom size). A family will be allowed to remain in a Public Housing unit as long as the family is only over or under-housed by one bedroom unit size to allow for temporary family size fluctuations, subject to occupancy standards found at V.A. Public Housing will offer the family the first available vacancy of appropriate size at the same housing development site. However, if circumstances, such as severe overcrowding exist, Public Housing may offer the family appropriate housing at another housing development.
2. Transfer due to accessible unit requirement - When a non-disabled family has been housed in a unit with adaptations for a person with disabilities, Public Housing may require the family to transfer to another unit if the accessible unit is needed for an eligible disabled family. Before placing a non-disabled family in a modified unit, the Public Housing must first offer the unit to disabled residents requiring a transfer to an accessible unit. Next, Public Housing will offer the modified unit to an eligible disabled applicant.
3. Special circumstances – Public Housing may require transfers under special circumstances due to modernization and/or remodeling of a unit. In such cases, a family may be required to temporarily transfer to another unit at the same housing development or to another housing development site or to temporarily relocate to a location agreed upon by the family and Public Housing.
4. Transfers due to uninhabitable conditions – Public Housing will require that a family transfer to another unit if their unit is determined to be uninhabitable and the condition was not the result of the resident’s neglect or actions. Families residing in units where severe threats to health or safety exist will be transferred as soon as possible. If a unit becomes uninhabitable due to conditions caused by the resident, household members, pets, or guests, the situation will be addressed through the lease violation process and the resident shall not have the rights set forth above.

B. Transfers at the request of the resident

A resident shall have resided at their housing development site for a minimum of 24 months before being eligible to transfer. Each resident may not request more than one transfer every four years. (Exceptions to this standard will be made for medical situations.) Furthermore, Public Housing will consider, in approving transfer requests other than those for health and safety reasons, whether the resident is in good standing with Public Housing. Good standing means the resident has demonstrated prompt rent paying habits; the resident has demonstrated and maintained adequate housekeeping standards; the resident has a good overall record since living in Public Housing.

C. Transfer Request Procedure

Residents requesting to transfer to another unit or development are required to submit a Resident Request to Transfer Form to the Housing Services office. The form will include the reason for the transfer and must include documentation verifying the reason for the transfer request. Within ten calendar days, the Property Management Supervisor will review the request for transfer and determine if additional documentation is needed to support the request. The Property Management Supervisor will determine if the resident is in good standing with Public Housing, has resided at the housing development for a minimum of 24 months and has not transferred from another site within the last four years. Once the resident has been determined to be “in good standing” Public Housing will notify the resident that their name has been placed on the transfer list for the location and/or bedroom size desired; however, Public Housing will be mindful that a primary concern is to maintain a 97% occupancy rate. In the event of a vacancy problem, transfers will not be made with the exception of ADA requests. In all cases as outlined above there needs to be written assurances from the appropriate professional groups or government agencies that the conditions in which the client is requesting to be transferred does actually exist. If the request is denied, the family will be sent a letter stating the reason for denial, and offering the family an opportunity for an informal conference.

D Security deposits

Public Housing will charge the families for any damages to the previous unit that exceed that unit’s security deposit. If there is a balance left on the original security deposit, it will be applied to the new unit security deposit and the family must pay the balance due on the new unit security deposit at move in date. Any charges due prior to move out will be collected by Public Housing; move out charges will be posted to the new unit and will be collected. The balance of a security deposit paid on the old unit will be transferred from the first residence minus any damage or cleaning charges applicable to the old unit. The resident will be required to pay the balance due on the security deposit on the new unit at the time of move in so that the security deposit paid is in accordance Public Housing policy. The resident will be billed for any additional charges that exceed the security deposit at first residence, which occur as a result of the resident moving out of the unit.

E. Resident’s responsibility

Residents are responsible for all moving costs related to their transfer, except in cases where the transfer is at the request of Public Housing for the modernization or demolition of a unit. Upon approval of the transfer, residents must complete their move within three calendar days. The resident will be charged rent on both units until the keys from the old unit are turned in to Public Housing.

XV. PUBLIC HOUSING/SECTION 8 PROGRAM TRANSFER POLICY

A. Purpose and Scope

This Policy is to address the requirements, standards and criteria to assure a harmonious transition when a Wichita Housing Authority (WHA) client is afforded an opportunity to transfer between the Section 8 Program and the Public Housing

Program. This Policy will be binding upon staff members of both Section 8 and Public Housing when housing offers are being made to applicants who are already housed in another WHA program.

B. Transfer eligibility

Clients currently housed in either the Section 8 or Public Housing programs for less than one year will not be eligible to transfer from one program to another. In the event that a housed client comes to the top of the list, their status will be held at the top of the relative waiting list until such time that the applicant formally requests a transfer with the management of the program in which the client is housed with at that time. Housed clients will not be automatically invited to a Briefing Session or Preoccupancy Meeting after the one-year period prior to a transfer request initiated by the housed client. Applicants will be informed of this Policy at each respective Briefing Session or Preoccupancy Meeting prior to being housed in either program and will be given the opportunity to make an informed decision of which program to pursue.

C. Procedures prior to making an offer

Prior to inviting an applicant who is currently housed in a WHA program, to attend a formal application session or Preoccupancy Meeting, the individual responsible for mailing the invitations will give at least seven (7) days notice to the Leasing Specialist or Property Manager whose client is being solicited by another program. This will allow the Leasing Specialist or Property Manager adequate time to inform the offering program staff of any appropriate background information that the Leasing Specialist or Property Manager may have to offer. The notice will also provide time for the Leasing Specialist or Property Manager to counsel with their client. The notice shall be made to the Leasing Specialist or Property Manager directly via e-mail. The name of the Leasing Specialist or Property Manager shall be obtained from the ECS housing eligibility module.

D. Uncollected balances owed

If a current or former tenant of either Public Housing or Section 8 has an outstanding repayment agreement and is current on payments under the agreement, the outstanding debt will not prevent that family from receiving assistance under the other program. However, if after the lease agreement has been executed, the tenant fails to make payments as scheduled, the tenant assistance will be terminated. It will be the responsibility of the Public Housing Property Manager or Section 8 Leasing Specialist who initiated the repayment agreement to monitor repayments and notify the current Property Manager or Leasing Specialist should the payments fall behind. Any applicant who is a former Public Housing or Section 8 tenant and who owes funds except under a repayment agreement with payments current to either the Public Housing or Section 8 program will be denied assistance. Repayment agreements and monthly rental payments must have a history of timely payments during the most recent 6 months at payment levels specified in the agreements. In the event that there is an outstanding debt, and/or repayment agreement has less than 6 months history, the household will be removed from Section 8 Waitlist and may re-apply during future openings. Section 8 vouchers may be withdrawn at anytime prior to HAP signing if

tenant violates Public Housing lease or notification requirements during transition to Section 8.

E. Thirty-day notice

All Public Housing clients are required to give notice in accordance with the Kansas Residential Landlord and Tenant Act prior to vacating a Public Housing unit. Rent will be charged against the client's security deposit if proper notice has not been given and damages in excess of normal wear will have to be paid prior to the actual transfer.

F. Client move out

The Housing Leasing Specialist or Property Manager doing the new lease-up will notify the Housing Leasing Specialist or Property Manager of the alternate program at least 7 days prior to the lease-up date in order to coordinate the move and to verify the latest status of the client with regard to background and any outstanding account balances. Staff members will follow the appropriate procedures for moving a client out of the ECS system. Staff members will notify the person responsible for the PIC submission that the move out is completed in the ECS system. Personnel responsible for the PIC submission shall notify the appropriate Housing Leasing Specialist or Property Manager when the PIC submission is complete. The Housing Leasing Specialist or Property Manager will notify the Housing Leasing Specialist or Property Manager of the alternate program that the move out process is complete by providing a copy of the end of participation 50058 form, and the move in process will then be completed in the new program.

XVI. UP-FRONT INCOME VERIFICATION POLICY

Public Housing will utilize up-front income (UIV) verification methods, including TASS and the Work Number, whenever possible as well as any other UIV that might become available. When HUD announces the availability of the UIV system or any future systems, additional UIV tools will be used, including a centralized computer matching system. Third party verification may continue to be used to complement up-front income verification.

UIV may be used in lieu of third party verifications when there is not a substantial difference between UIV and tenant reported income. HUD defines substantial difference as \$200 or more per month.

If the income reflected on the UIV verification is less than that reflected on the tenant provided documentation, Public Housing will use tenant provided documents to calculate anticipated annual income as long as the difference is within the aforementioned \$200 threshold. The income reflected on the UIV verification must not be more than 90 days old.

If the income reflected on the UIV verification is greater than current tenant provided documentation, Public Housing will use UIV income data to calculate anticipated annual income as long as the difference is within the above mentioned \$200 threshold, unless the tenant provides documentation of a change in circumstances. The tenant supplied documents must not be more than 90 days old.

In cases where UIV data is substantially different than tenant reported income, Public Housing will utilize written third party verification to verify the information. When Public Housing cannot readily anticipate income, such as in cases of seasonal employment, unstable working hours and suspected fraud, Public Housing will review historical income data for patterns of employment, paid benefits and receipt of other income to anticipate income. Public Housing will analyze all data and attempt to resolve any income discrepancy. The most current verified income data would be used to calculate anticipated annual income.

If Public Housing is unable to anticipate annual income using current information due to historical fluctuations in income, Public Housing may average amounts received/earned to anticipate annual income. If the tenant disputes UIV SS/SSI benefit data, Public Housing will request the tenant to provide a current original SSA notice or benefit letter within 10 business days of being notified of the dispute.

XVII. COMMUNITY SERVICE POLICY

In accordance with Section 512 of the *Quality Housing and Work Responsibility Act of 1998* and HUD regulations, non-exempt adults (age 18 and over) will be required to provide to the Public Housing Division written third party documentation that each adult resident of Public Housing contributed eight (8) hours per month of community service, participated in an economic self-sufficiency program for eight (8) hours per month or eight (8) hours per month of combined activities of community service and participation in a self-sufficiency program. This is also a requirement of the Public Housing Lease Agreement.

- Community service programs;
- Vocational educational training;

Public Housing staff shall verify participation in community service and self-sufficiency programs as a part of the annual recertification process. Noncompliant households will be notified of any noncompliance with the Community Service Requirement and the household's lease will terminate due to the nonrenewal of the annual lease term.

A summary of such decision shall be prepared within two working days. One copy shall be given to the resident and one copy shall be retained in the Wichita Housing Authority resident file. The summary shall specify the names of the participants, dates of meeting, the nature of the proposed disposition of the complaint and the specific reasons therefore, and shall specify the procedures by which a hearing, under this procedure, may be obtained if the complainant is not satisfied.

V. PROCEDURES TO OBTAIN A FORMAL HEARING

The complainant shall submit a written request for a formal hearing to the Property Management Supervisor at the office of the Wichita Housing Authority within five (5) days after receipt of the summary of the Private Conference. The written request shall specify the reasons for the grievance and the action or relief sought.

IV. SELECTION OF HEARING OFFICER

A hearing officer shall be an impartial, disinterested person selected by the Wichita Housing Authority, other than the person who made or approved the Wichita Housing Authority action under review or subordinate of such person.

VII. FAILURE TO REQUEST A HEARING

If the complainant does not request a hearing in accordance with the procedures contained herein, the disposition made of the grievance by the Wichita Housing Authority is final; except, that failure to request a hearing does not constitute a waiver by the complainant of the right to contest such action in an appropriate judicial proceeding.

VIII. HEARING PREREQUISITE

All grievances shall be personally presented either orally or in writing pursuant to the informal procedure prescribed in **SECTION IV** above; except, that if complainant shows good cause for failure to comply with said **SECTION IV** the provisions of this section may be waived by the hearing officer.

IX. ESCROW DEPOSIT

Before a hearing is scheduled in any grievance involving the amount of rent as defined in the lease which the Wichita Housing Authority claims is due, the complainant shall pay to the management office an amount equal to the amount of the rent claimed due and payable as of the first of the month proceeding the month in which the act or failure to act took place. Complainant thereafter shall deposit the same amount of the monthly rent in an escrow account monthly until the complaint is resolved by decision of the hearing officer.

Provision for payment of rent, as above, may be waived by the Wichita Housing Authority in extenuating circumstances. Unless so waived, failure to make such payments shall result in termination of procedures; except, that such failure of termination of procedures shall not constitute a waiver of any right of the complainant to contest the Wichita Housing Authority's disposition of the grievance in any appropriate judicial proceeding.

X. SCHEDULING OF HEARINGS

Upon complainant's compliance with all the grievance procedures, or upon formal waiver by the Wichita Housing Authority of any of the requirements hereof, which as stated herein may be waived, a hearing shall be scheduled by the hearing officer for a time and place reasonably convenient to both the complainant and the Wichita Housing Authority.

A written notification specifying the time, place, and the proceedings governing the hearing shall be delivered by first class mail or the appropriate Wichita Housing Authority official.

XI. EXCLUSIONS FROM GRIEVANCE PROCEDURE

The Wichita Housing Authority does exclude from this grievance procedure any grievance concerning a termination of tenancy or eviction that involves:

- (a) Any criminal activity that threatens the health, safety or right to peaceful enjoyment of the Wichita Housing Authority's premises for other residents or employees of the Wichita Housing Authority.
- (b) Any drug-related criminal activity on or near such premises.

XII. PROCEDURES GOVERNING THE HEARING

The hearing shall be held before the hearing officer. The complainant shall be afforded a fair hearing providing the basic safeguards of due process including:

- (a) The opportunity before the hearing, to examine, and at the expense of the complainants, to copy all documents, records, and regulations, that are directly relevant to the hearing. Any document not made available after request therefore by the complainant may not be relied upon by the Wichita Housing Authority at grievance hearing;
- (b) The right to be represented by counsel or other person chosen as the resident's representative, and to have such person make statements on the resident's behalf;
- (c) The right to a private hearing unless the complainant request a public hearing;
- (d) The right to present evidence and arguments in support of his/her complaint, to controvert evidence relied upon by the Wichita Housing Authority or project

management, and to confront and cross-examine all witnesses on whose testimony or information the Wichita Housing Authority or project management relies; and

- (e) A decision based solely and exclusively upon the facts presented at the grievance hearing.

The hearing officer may render a decision without proceeding with the hearing if the hearing officer determines that the issue has been previously decided in another hearing or proceeding.

If the complainant or the Wichita Housing Authority fails to appear at a scheduled hearing, the hearing officer may make a determination to postpone the hearing for not to exceed five (5) working days or to make a determination that the party waived his/her right to a hearing. Both the complainant and the Wichita Housing Authority shall not be notified of the determination by the hearing officer provided, that a determination that the complainant has waived his/her right to a hearing shall not constitute a waiver of any right the complainant may have to contest the Wichita Housing Authority disposition of the grievance in an appropriate judicial proceeding.

At the hearing, the complainant must first make a showing of an entitlement to the relief sought and thereafter the Wichita Housing Authority must sustain the burden of justifying the Housing Authority action or failure to act against which the complainant is directed.

The hearing shall be conducted informally by the hearing officer and oral or documentary evidence pertinent to the facts and issues raised by the complainant may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings. The hearing officer shall require the Wichita Housing Authority, complainant, counsel and other participant to conduct themselves in an orderly fashion. Failure to comply with the directions of hearing officer to obtain order may result in exclusion from the proceedings or a decision adverse to the interests of the disorderly party granting or denial of relief sought, as appropriate.

The complainant or the Wichita Housing Authority may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of such transcript.

The Wichita Housing Authority shall provide reasonable accommodations for persons with disabilities to participate in the hearing. Reasonable accommodations may include, but are not limited to: qualified sign language interpreters, readers, accessible locations, or attendants.

If the tenant is visually impaired, any notice to the resident which is required under these procedures shall be in an accessible format, designed to give actual notice.

XIII. DECISION OF THE HEARING OFFICER

The hearing officer shall prepare a written decision, together with the reasons therefore, within ten days after the hearing. A copy of the decision shall be sent to the complainant and the Wichita Housing Authority. The Wichita Housing Authority shall retain a copy of the decision in the resident's folder. A copy of such decision with all names and identifying references deleted, shall be maintained on file by the Wichita Housing Authority and made available for

inspection by a prospective complainant, his/her representative, or hearing officer.

The decision of the hearing officer shall be binding on the Wichita Housing Authority which shall take all actions, or refrain from any actions, necessary to carry out the decision unless the Wichita Board of Housing Commission determines within a reasonable time, and promptly notifies the complainant of its determination that:

- (a) The grievance does not concern Wichita Housing Authority action or failure to act in accordance with or involving the complainant's lease or Wichita Housing Authority regulations, which adversely affect the complainant's rights, duties, welfare or status; or
- (b) The decision of the hearing officer is contrary to applicable federal, state or local law, HUD regulations or requirements of the Annual Contribution Contract between HUD and the Wichita Housing Authority.

A decision of the hearing officer or the Wichita Board of Housing Commissioners in favor of the Wichita Housing Authority or which denies the relief requested by the complainant in whole or part, shall not constitute a waiver of, nor affect in any manner whatever, any rights the complainant may have to a trial de novo or judicial review in any judicial proceedings, which may thereafter be brought in this matter.

Section 8 Housing Choice Voucher Homeownership Program

Since 2002, thirty-seven Section 8 families have become homeowners through the Housing and Community Services Department, Section 8 Housing Choice Voucher Homeownership Program. This program enables Section 8 clients to become homeowners by utilizing their vouchers as monthly mortgage assistance.

Applicants will be required to have an annual income of at least \$10,300, and unless elderly or disabled, must have been employed continuously for one year prior to purchasing a home. All applicants for the Section 8 Housing Choice Voucher Homeownership Program are required to participate in the Family Self Sufficiency Program.

Homes purchased under this program must meet Housing Quality Standards, and must be inspected by an independent inspector. Financing will have to be arranged through regular lending channels. Assistance with downpayment and closing costs may be available through other City of Wichita programs, however buyers must invest a minimum of \$500 or 1% of the purchase price, whichever is greater, from their own funds. The voucher assistance may be available to the Section 8 voucher holder for up to 15 years, subject to an annual recertification of income.

SECTION 8 HOMEOWNERSHIP CAPACITY STATEMENT

The City of Wichita Housing Authority will demonstrate its capacity in the implementation of the Section 8 Homeownership Plan by requiring that financing for purchase of a home under its Section 8 Homeownership Program will: be provided, insured or guaranteed by the Kansas or Federal government; comply with secondary mortgage market underwriting requirements; or comply with generally accepted private sector underwriting standard.

IMPLEMENTATION OF COMMUNITY SERVICE REQUIREMENTS

In accordance with Section 512 of the *Quality Housing and Work Responsibility Act of 1998* and HUD regulations, non-exempt households will be required to provide to the Wichita Housing Authority written third party documentation that each adult resident of Public Housing contributed eight (8) hours per month of community service, participated in an economic self-sufficiency program for eight (8) hours per month or eight (8) hours per month of combined activities of community service and participation in a self-sufficiency program.

Wichita Housing Authority staff members shall verify participation in community service and self-sufficiency programs. The Wichita Housing Authority prior to the resident's participation shall approve community service and self-sufficiency programs. For the purposes of the community service requirement, work activities are defined in Section 407(d) of the Social Security Act [42 U.S.C. 607(d)]. An exempt work activity shall not include employment less than an average of fifteen hours (15) per week for each monthly period.

Written notification of the Community Service Requirement was given to all residents who were not elderly or disabled on July 1, 2000. The Community Service Program was implemented in January of 2001. The Wichita Housing Authority contracted with the United Way Volunteer Center to administer the Program. Actions under the Program were suspended on December 19, 2001, due to the 2002 appropriations act, which did not allow for the funding of the program.

June 20, 2003, the Public and Indian Housing Notice 2003-17 was issued and reinstated the program mandate once again. The Wichita Housing Authority has implemented the Program once again with the United Way Volunteer Center coordinating the community service assignments and tracking with over 60 non-profit agencies in Wichita.

5-YEAR PLAN PROGRESS

The City of Wichita Housing Authority has made major improvements to meet its Mission and 5-Year Goals in the past year including being designated as a High-Performer for 2007 by the U. S. Department of HUD. Public Housing has continued to promote self-sufficiency with the Resident Opportunity and Self-Sufficiency Program, which continues to provide supportive services to increase independence for the elderly and the disabled at Greenway and McLean Manor, Rosa Gragg and Bernice Hutcherson. A 2006 Resident Opportunity and Self Sufficiency Grant was awarded in the amount of \$240,000 to Public Housing. Of the total Public Housing Program family member population (1573) 10.6% are age 62 and older and 19% are disabled.

Public Housing is enforcing the Community Service and Self-Sufficiency requirement. In 2007, residents contributed 5,425 community service hours at many of the 60 non-profit organizations in Wichita that Public Housing has partnered with through the United Way of the Plains. Along with the exempt elderly and disabled clients, exempt employed adults represent 12.2% of the Public Housing population.

With the use of Public Housing's Capital Fund Grant, 8 single-family dwellings have been completely rehabilitated in the last year. Other completed projects include roof, fencing and sidewalk replacements. A new high-efficiency boiler system was installed in February of 2008. Public Housing continues to reduce many 5 and 6-bedroom homes to 3 and 4-bedroom homes to keep pace with the apparent decline of larger family size applicants in the low-income population in Wichita.

The Wichita Housing Authority, Section 8 office received 35 additional Housing Choice Voucher this year for the Veterans Affairs Supportive Housing (VASH) program to assist homeless veterans and their families with rental assistance. The Veterans Administration is the referral agency for the VASH program and has referred eleven families to the program during the inception month of July, 2008.

The Wichita Housing Authority, Section 8 office was selected as one of twenty Family Self Sufficiency Programs to participate in a five-year nation-wide study of FSS participants. This is the third year of the study and 75% of the participants are actively pursuing, or have now met, their established goals. The FSS program continues to meet the mandatory slots of 126 participants involved with the program and 65% are earning escrow. This year the Section 8 program has expanded the FSS program to include voluntary program to expand the program to 150 participants and to maintain this number as mandatory slots decreases.

The Homeownership Coordinator position has assisted fifteen new families in becoming first time homeowners. The Section 8 homeownership program is rapidly growing with thirty-seven Housing Choice Voucher clients becoming homeowners. Of this number, twenty clients are no longer receiving mortgage subsidy. The Section 8 office received honorable mentioning at the Kansas State NAHRO Conference by Macie Houston, Regional Director as the number one Section 8 Homeownership Program in Region VII (Kansas, Iowa, Missouri & Nebraska). The FSS Homeownership Alumni program continues to assist new homeowners with financial counseling, home maintenance, and providing referrals for other services.

The Family Self Sufficiency program completed a Public Service segment for the city of Wichita municipal government cable Channel 7 that markets the program to the public and private sectors, as well as informs the community of the success of program participants. The Section 8 office has been contacted by nine non-profit organizations interested with participating with the program with four Executive Directors becoming members of the Program Coordinating Committee.

The Section 8 Office is partnering with Consumer Credit Counseling Services, Urban League of Kansas, Community Housing Services and local banks to promote homeownership readiness and credit responsibility through the following workshops to assist families: From a Lender's Perspective; Planning Your Spending; Credit & Debt Awareness; Path to Homeownership; Banking Services; Foreclosure Prevention.

All Section 8 Housing Specialists, Neighborhood Inspectors as well as Section 8 management staff are certified as Housing Quality Standard Inspectors or Section 8 Managers through the National Association of Housing and Redevelopment Officials organization. These certifications serve to enhance the organization's capacity to identify deviations from housing quality standards and better insure safe and sanitary living conditions.

RESIDENT MEMBER OF THE GOVERNING BOARD

The City of Wichita, by a charter ordinance first published on August 25, 2001, establishes the Wichita City Council as the Wichita Housing Authority's governing board. The ordinance addresses a resident member appointment to the Wichita Housing Authority Board. The Wichita Mayor has appointed Allan Murdock as the resident member to the Housing Authority Board with the approval of the Wichita City Council.

CUSTOMER SATISFACTION SURVEY FOLLOW UP PLAN

PUBLIC HOUSING

Public Housing received a 9.0 point score out of 10.0 possible in the Customer Satisfaction component, which was a part of the 2007 Public Housing Assessment System score. A Follow-Up Plan for the safety section of the Survey is required due to a score of 70.4% on the safety section. A Plan is required on all scores that are below 75%.

A portion of the lower safety score resulted from the opinions of Greenway Manor and McLean Manor elderly complex residents. Overall, there was a general feeling of not being safe in their units and common areas. An action plan has been initiated to double the number of video surveillance cameras in Greenway Manor and McLean Manor. Capital Funds for this improvement will be used to better monitor all hallways and elevator landings.

The single-family development residents also expressed concerns relative to safety in surveys. Public Housing will continue to work with the Wichita Police Department and strengthen that relationship to reduce crime in and around Public Housing dwellings. Public Housing will also continue to house law enforcement officers in the single-family concentrations.
