### **DECONCENTRATION POLICY**

It is Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

- **Deconcentration Incentives**

The Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner. Refer to Housing Authority's Administration and Continued Occupancy Policies regarding incentive transfers.

- **Selection From the Waiting List**

The Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list.

If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

- Incentive Transfers

Not applicable. The Housing Authority only has one family site.

### **RESIDENT COMMENTS**

The Tuckahoe Housing Authority developed this agency plan in full compliance with all applicable resident participation requirements.

The following comments were received:

- 1). Several residents were concerned about PHDEP cutbacks.

The Authority responded that it too is concerned about these cutbacks. Police patrols will continue, and the cameras that were installed should help. The Authority staff will refer those residents requiring anti-drug intervention to appropriate free clinics and services that are available.

- 2). Residents commented that they did not want visiting pets.

The Authority responded that no visiting pets were permitted under its policy.

- 3). Residents wanted to know when bathroom upgrade would occur at NY008-3.

The Authority responded that it is included in the first year of the annual plan and work should be completed by September, 2001.

Residents were quite pleased with the many improvements that are occurred at the Tuckahoe Housing Authority and appreciated participation in the management process.

### **INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME**

**(FROM ADMISSION AND CONTINUED OCCUPANCY POLICY, SECTION 11.0)**

#### **11.0 Income, Exclusions From Income, and Deductions From Income**

- 1.
2. To determine annual income, the Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

##### **11.1 Income**

1. Annual income means all amounts, monetary or not, that:
  - A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or

- 7. B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
  - C. Are not specifically excluded from annual income.
1. Annual income includes, but is not limited to:
- 7. A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
  - 8.
  - 9. B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
  - 10.
  - 11. C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
  - 12.
  - 13. D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
  - 14.

15. E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- 16.
17. F. Welfare assistance.
  1. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
    - a. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
    - b. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
  2. If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's failure to comply with requirements to participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.
  3. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount is the amount that shall be counted as income.
7. G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- 8.
9. H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is

excluded.)

10.

11.2 Annual income

1.

2. Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
  - 1. Amounts received under training programs funded by HUD;
  - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
  - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing,

transportation, child care, etc.) and that are made solely to allow participation in a specific program;

4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination. No resident may receive more than one such stipend during the same period of time;
5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
9. Adoption assistance payments in excess of \$480 per adopted child;
10. For family members who enrolled in certain training programs prior to 10/1/99, the earnings and benefits resulting from the participation if the program provides employment training and supportive services in accordance with the Family Support Act of 1988, Section 22 of the 1937 Act (42 U.S.C. 1437t), or any comparable Federal, State, or local law during the exclusion period. For purposes of this exclusion the following definitions apply:
  - a. Comparable Federal, State or local law means a program providing employment training and supportive services that:

- i. Is authorized by a Federal, State or local law;
    - ii. Is funded by the Federal, State or local government;
    - iii. Is operated or administered by a public agency; and
    - iv. Has as its objective to assist participants in acquiring employment skills.
  - b. Exclusion period means the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.
  - c. Earnings and benefits means the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job.
7. 11. The incremental earnings due to employment during the 12-month period following date of hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:
- 8.
- 9. a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
  - 10. 11. b. Families whose income increases during the participation of a family member in any family self-sufficiency program.
  - 12. 13. c. Families who are or were, within 6 months, assisted under a State TANF program.

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

12. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
13. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
7. 14. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

- 10.
- 11. C. For any family that is not an elderly or disabled family but has a member (other than the head or spouse) who is a person with a disability, disability assistance expenses in excess of 3% of annual income. ### **DESCRIPTION OF COMMUNITY SERVICE REQUIREMENT**

#### 1.1 General

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities) within the community in which the public housing development is located, or (2) participate in an economic self-sufficiency program unless they are exempt from this requirement

#### 1.2 Exemptions

7.

8. The following adult family members of tenant families are exempt from this requirement.
  1. A. Family members who are 62 or older
  1. B. Family members who are blind or disabled
  1. C. Family members who are the primary care giver for someone who is blind or disabled
  1. D. Family members engaged in work activity
  1. E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program
  1. F. Family members receiving assistance under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program

### 1.3 Notification of the Requirement

1. The Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.
1. The Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Housing Authority shall verify such claims.
1. The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 10/1/99. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

### 1.4 Volunteer Opportunities

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

- 1.
2. Together with the resident advisory councils, the Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

## 1.5 The Process

1. At the first annual reexamination on or after October 1, 1999, and each annual reexamination thereafter, the Housing Authority will do the following:
  - A. Provide a list of volunteer opportunities to the family members.
  - B. Provide information about obtaining suitable volunteer positions.
  - C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
  - D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
  - E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

## 1.6 Notification of Non-compliance with Community Service Requirement

1. The Housing Authority will notify any family found to be in noncompliance of the following:
2.
  - A. The family member(s) has been determined to be in noncompliance;
  - B. That the determination is subject to the grievance procedure; and
  - C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

## 1.7 Opportunity for cure

1. The Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.
1. The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.
1. If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the Housing Authority shall take action to terminate the lease.
