## Section 8 Homeownership Program

The Lynn Housing Authority & Neighborhood Development (LHAND) has established a Section 8 Homeownership Program which permits eligible participants in the Section 8 Housing Choice Voucher Program the option of purchasing a home with their Section 8 assistance rather than renting.

### Eligibility Requirements:

Each Section 8 Homeownership participant must meet HUD's general requirements for admission to the Section 8 Housing Choice Voucher Program and requirements as set forth in LHAND's Administrative Plan. Additional requirements in the Section 8 Homeownership Program include that the family must:

- (A) be a first-time homeowner or have a member who is a person with disabilities;
- (B) with the exception of elderly and disabled households, meet a minimum income requirement without counting income from "welfare assistance" sources;
- (C) with the exception of elderly and disabled households, meet the requisite employment criteria;
- (D) have completed an initial lease term in the Section 8 Housing Choice Voucher Program;
- (E) have fully repaid any outstanding debt owed to LHAND or any other PHA;
- (F) not defaulted on a mortgage securing debt to purchase a home under the Home Ownership option;
- (G) not have any member who has a present ownership interest in a residence at the commencement of Home Ownership assistance.

### Financing Requirements:

7.0

The proposed financing terms must be submitted to and reviewed by LHAND prior to close of escrow. Certain types of financing, including but not limited to balloon payment mortgages, unless convertible to a variable rate mortgage, are prohibited and will not be acceptable by LHAND. Seller-financing mortgages shall be considered by LHAND on a case-by-case basis. If a mortgage is not FHA-insured, LHAND will require the lender to comply with generally accepted mortgage underwriting standards consistent with those of HUD/FHA, Ginnie Mae, Fannie Mae, Freddie Mac, Massachusetts Housing Finance Agency (MHFA), State Soft Second Mortgage Program, or The Lynn Housing Authority & Neighborhood Development (LHAND) is committed to establishing and implementing a Section 8 Homeownership Program to help families who receive Section 8 housing assistance achieve economic independence by utilizing an array of public and private resources through the Family Self-Sufficiency (FSS) Program. By coordinating housing assistance with needed services such as child care, education and job training/development, LHAND will assist Section 8 participants and their families to reach their goals of independence and home ownership.

## *Statement Addressing Project Based Voucher Program*

The Lynn Housing Authority & Neighborhood Development will utilize the Project Based Rental Assistance Program in order to expand housing opportunities for low and moderate income families, individuals, homeless veterans, and homeless teens. LHAND's goal is to utilize the PBA Program in order to achieve and maintain a HUD acceptable utilization rate for the Housing Choice Voucher Program. LHAND will utilize the Project Based Rental Assistance Program to leverage funds for privately financed housing developments such as the Andrew Street Supportive Housing Project, the St. Jean's Neighborhood Revitalization, the YMCA SRO Expansion Project and the ADD Bridgewell Group Homes

**Capital Improvements.** Please complete Parts 8.1 through 8.3, as applicable.

8.1

**Capital Fund Program Annual Statement/Performance and Evaluation Report.** As part of the PHA 5-Year and Annual Plan, annually complete and submit the *Capital Fund Program Annual Statement/Performance and Evaluation Report*, form HUD-50075.1, for each current and open CFP grant and CFFP financing.

8.2

**Capital Fund Program Five-Year Action Plan.** As part of the submission of the Annual Plan, PHAs must complete and submit the *Capital Fund Program Five-Year Action Plan*, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.

8.3

**Capital Fund Financing Program (CFFP).**

☐ Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.

**Housing Needs.** Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

*Lynn is an older city with an aged housing stock reflective of its industrial heritage, which has become a bedroom community. Current conditions in Lynn's residential real estate market are at their best in the last twelve years. However, despite strong revitalization efforts and recent investment, LHAND and the City still have many challenges ahead of them. While Lynn remains the most populated community on the North Shore, its prominence as an economic center has diminished and the City ranks below regional, statewide and national indicators. For example, the City's tax base, on a comparative basis, increased by only 11% between 1990 and 2002 while statewide the increase was 50%. Lynn's home ownership rate also declined during the 1990s contrary to trends elsewhere.*

*One major issue facing Lynn, that also creates future opportunities, is that nearly two-thirds of its housing is contained in multi-unit structures. In addition, more than 20% of the City's housing is affordable, including Chapter 40B units (13%) or Section 8 certificates (7%). Lynn exceeds the statewide goal of Chapter 40B and appears to be a major supplier of low-income housing in the region. Lynn should continue initiatives to revitalize its neighborhoods including its under-performing urban core, and encourage more owner occupancy and market rate rentals, if the City wants to maintain a balance within all its market sectors.*

*Since the most recent Housing Market Study was completed in Lynn, the city, as well as the state of Massachusetts, has been hit hard by the increased number of home foreclosures. In fact, Essex County, which includes Lynn, ranks third in the state in total number of foreclosures with Lynn accounting for approximately 20% of the foreclosures included in the top 10 zip codes. What the total impact this issue will have on the city is still unknown. However, there is great cause for concern that many of Lynn's inner-city neighborhoods will destabilize as disinvestment in the housing stock takes place. The city, in conjunction with LHAND, needs to determine a course of action to prevent destabilization from occurring which may include facilitating housing counseling assistance and working with current and future property owners to ensure continued investment in Lynn's housing stock. LHAND will continue to work with neighborhood groups around quality of life issues and track the number of foreclosed properties by neighborhoods.*

### **Considerations for Improvement**

As part of the most recent Housing Market and Comparability Studies conducted for Lynn by RKG Associates, the firm offered a number of general recommendations for LHAND and the City to consider for the future. These updated statistics indicate continued work is required to improve the quality of the living and working environment in the city, as well as the tax base, and were considered in the city's most recent preparation of its 5-Year Consolidated Plan.

1. Lynn needs to focus on its residential tax base: Residential property values in Lynn are at historic high levels, and the City needs to maintain its focus on this asset since it is a very important source of municipal revenue. As identified in the updated Housing Study, Lynn still has quite a few neighborhoods in and around the urban core that are underperforming and likely negatively impacting overall values. LHAND and Lynn should continue with revitalization efforts in these areas by reducing density where appropriate, eliminate conflicting uses, improve residential amenities, and increase the rate of owner occupancy.
2. Lynn needs to strengthen and improve its non-residential tax base: While this is easy to say it is difficult to accomplish in a weak economic climate, especially in light of employment declines over the last decade. Lynn should continue to work with its leaders (municipal, business, college, etc.) to explore additional opportunities in the downtown such as new cultural and commercial activity to complement the recent investment in residential condominiums. Allowing additional market rate housing in the downtown will also help strengthen the downtown commercial core. A long-term economic development strategy should also be developed. Long term, if Lynn is able to secure an MBTA subway line this may play an important role in the transition of its economic base.
3. Lynn needs to review and update its zoning: Lynn's housing density per acre was among the highest of the comparative cities, especially if the acreage at Lynn Woods was taken into account. This creates challenges for some neighborhoods that may lack residential amenities, such as parking and green space. Other neighborhoods have conflicting land uses that may affect the quality of the living environment, and be detrimental to property values. Increased traffic may also be problematic for some neighborhoods, since more Lynn residents are commuting out of town for work. Incentive zoning can also create opportunities in other areas such as the downtown and its waterfront where high density is considered more appropriate. The recent zoning change in the

	<p>downtown was successful as it attracted new investment and market rate housing.</p> <ol style="list-style-type: none"> <li>4. <u>Lynn and LHAND should continue with its home ownership program:</u> While the statistics indicated a nominal increase in owner occupancy, continued efforts in this direction will help to improve neighborhoods. Median condominium values are within reach of households at the median income level, but the amount of the down payment may be difficult, placing ownership out of reach for some households.</li> <li>5. <u>Lynn and LHAND should continue to work and strengthen its Code Enforcement, Education and Public Safety departments for the benefit of all its residents:</u> Updated statistics indicate continual challenges in this regard, and future budget constraints will place additional burdens on these departments.</li> <li>6. Continue with strong code enforcement to ensure that minimum conditions and living standards are maintained.</li> <li>7. Continue to strengthen educational programs and workforce training opportunities for all students and residents.</li> <li>8. Continue with strong public safety in all of Lynn's neighborhoods.</li> <li>9. <u>Lynn and LHAND should continue to be strategic in regards to the amount of rental assisted housing in the City, while balancing the needs of all its residents and improving its tax base:</u> Statistics indicate that Lynn will always have a need for permanent affordable housing, but Lynn and LHAND may have already done its fair share in this regard. Balancing future needs with expiring-use contracts at Chapter 40B developments should be considered, while encouraging new investment to increase the overall owner occupancy rate in the city.</li> </ol>

P &amp; D staff still participate with management staff in looking for alternative funding sources for the revitalization of Curwin Circle, including the possible submission of a HOPE VI grant application and/or a Low Income Housing Tax Credit application (s). P &amp; D staff developed and implemented a citywide housing strategy included in the city's 5-Year Consolidated Plan and Annual Action Plan for Housing that focuses on Lynn's inner-city neighborhoods, public and assisted housing tenants and the homeless. The agency continued offering a number of housing grant and loan programs in the city's established Neighborhood Revitalization Strategy Area where the majority of LHAND's assisted housing tenants reside.</i></p> <p><i>As lead agency for the city's "continuum of care" partnership, LHAND completed the annual "one night census count" and Gaps Analysis that captures the specific needs of the Lynn's homeless. This information served as the basis for LHAND to apply for a number of successful Supportive Housing Program grants providing both housing and supportive services to Lynn's neediest citizens. Additionally, LHAND assisted the Mayor's office in completing a draft 10-Year Plan to End Chronic Homelessness and is awaiting final approval of the plan.</i></p> <p><i>Regarding homeownership activities, to date, 34 public housing families and 73 Section 8 participants, for a total of 107, have bought homes through the agency's FSS Program. *Although the LHAND has indeed maximized its available revenue, actual revenue from these sources continues to decline. The federal operating subsidy has been funded at 89% of what it should be and the 2005 Capital Fund has been cut a similar amount. Funding for the HCV program has also been decreased as HUD has basically redesigned the inner-workings of the program, changing from a voucher funded based system to a lumps sum cash based system. In addition state funding has re remained stagnant.*

*The LHAND has continued to increase its revenue sources from entrepreneurial accounts. These endeavors have enabled the authority to maintain local police patrols and youth activities at the family development as well as supplant the lost operating revenues for both federal developments.*

***B) Substantial Deviation from the 5-Year Plan and Significant Amendment to the Annual Plan Definitions***

*A “Substantial Deviation” shall reflect a change in the Lynn Housing Authority & Neighborhood Development’s 5-Year Plan. The following changes shall be considered a “substantial deviation”.*

### **Domestic Violence, Dating Violence, Sexual Assault, Stalking**

The LHAND has adopted all requirements to implement applicable provisions of the Violence Against Women and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162) (VAWA). LHAND's goals, objectives and policies are to enable LHAND to serve the needs of child and adult victims of domestic violence, dating violence and stalking, as defined in VAWA, and stated in the LHAND VAWA Brochure, a copy of which is attached to this Plan.

In addition:

A. The following activities, services, or programs are provided by LHAND, directly or in partnership with other service providers, to child and adult victims of domestic violence, dating violence, sexual assault or stalking.

The LHAND informed all applicable federal housing programs residents, tenants, and landlords of the VAWA provisions beginning in 2006 with a brochure. Currently all new applicable federal housing program participants are informed of VAWA and receive a VAWA brochure at the time of admission.

B The following activities, services, or programs are provided by LHAND to help child and adult victims of domestic violence, dating violence, sexual assault, or stalking maintain housing.

The LHAND will not terminate assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of abuse. The LHAND is allowed to request that victims attest to their victim status by completing, signing and submitting the Certification of Domestic Violence, Dating Violence or Stalking form HUD-50066.

C. The following activities, services, or programs are provided by LHAND to prevent domestic violence, dating violence, sexual assault and stalking, or to enhance victim safety in assisted families.

### ***RAB Meeting I***

#### ***Minutes***

***Tuesday, December 16, 2008  
5:30 p.m., 10 Church Street***

**RAB Attendance:** Gladys Nelson, Joyce Byrd, Brian Ahearn, Debbie Perez, Delores Walcott

*Absent:* Thomas Calef, Lauren Pelusi

*LHAND Staff:* Charles Mihos, Paul Gaudet, Brenda Womack

*Mr. Gaudet began the meeting by reintroducing the LHAND staff to the RAB members. He explained that the meeting would be to explain the process the Housing Authority goes through in preparing and submitting the PHA plan and Capital Fund. Copies of last years PHA plan were distributed and Mr. Gaudet took the RAB through it section by section giving the RAB a brief overview and informed them of any updates in the housing Authority's policies. The RAB asked questions about the Capital Fund and the allocation of funds to each site as well as what the distribution of funds would look like for years to come. Copies of the Capital fund 5 year plan were distributed to the RAB to review. Mr. Gaudet finished by explaining the public hearing process and the submission dates to the RAB.*

*The meeting adjourned at 6:15*

### ***RAB Meeting II***

#### ***Minutes***

***Tuesday, December 30, 2008  
5:30 p.m., 10 Church Street***

**RAB Attendance:** Gladys Nelson, Joyce Byrd, Brian Ahearn, Debbie Perez

*Absent:* Delores Walcott, Thomas Calef, Lauren Pelusi

*LHAND Staff:* Charles Mihos, Paul Gaudet, Brenda Womack

*Mr. Gaudet thanked the RAB for their attendance and gave them a brief review of the PHA Plan to refresh their memories. Joyce Byrd asked about the money being spent on sidewalk repairs noting how much better Curwin Circle looked now that walkways and sidewalks were fixed. Paul explained that approximately \$850 000.00 was used in the past year plus to repair the walkways and siding and replace all of the roofs. The only unfortunate thing is that the Housing Authority received poor scores from HUD on their site inspection because this and other work was either contracted to begin or in the process of being completed when inspectors visited Curwin. The RAB could not understand why the Housing Authority would be cited, despite documenting their work under way, and furthermore seemed confused as to how there was such a drastic drop in LHAND's score from the previous year.*

*Mr. Gaudet then informed the RAB of the new stoves Wall Plaza would be receiving which was funded through the Capital fund. Wall Plaza residents thanked the Lynn Housing Authority and were happy that Wall Plaza manager Brenda Womack continues to actively advocate on their behalf in order to improve their site.*

*The parking lot at Wall Plaza was discussed next at some length and questions were raised as to why the work hadn't begun yet. Mr. Gaudet explained that the contractor had previous contracts with the City of Lynn that he was obligated to fulfill before he could begin work for LHAND. Although preliminary dates were scheduled the contractor simply could not keep up with the timeline he had set for himself. Mr. Gaudet informed the RAB that they and the Wall Plaza Resident council would be the first to find out when LHAND hears from the contractor and any new dates he will propose.*

*The meeting closed with a discussion of the changes in the PHA plan with respect to the goals and objectives section. The RAB had no further questions and the meeting adjourned at approximately 6:50. p.m.*

**PHA Public Hearing**  
***Tuesday, January 6, 2009, 5:30 p.m.***  
***10 Church Street, LHAND Community Room***

***Sign in: Charles Mihos LHAND, Paul Gaudet LHAND, Joe Scanlon LHAND, Brenda Womack LHAND, Gladys Nelson RAB, Delores Walcott RAB, George King Wall Plaza Tenant.***

The hearing was opened at 5:30 p.m. Gladys Nelson began by requesting that sand be used at the Wall Plaza site and Delores Walcott agreed. Paul Gaudet explained to the tenants that he believes the problem with sand is that tenants seem to drag in mud causing hallway floors to be wet and dirty. He explained he will take their suggestions into consideration and meet with the maintenance department.

Delores Walcott asked about the parking lot and wanted to know whether any trees would be harmed in the making of the parking lot. Mr. Gaudet informed her that LHAND has consulted with a qualified landscape technician and assured the members in attendance that there would be little or no damage to any trees in the area.

No other comments were taken from the public, and there were no challenges to the plan. Aside from the aforementioned attendees no members of the public chose to attend.

The meeting closed at 5:45 p.m.

## **RESIDENT ASSESSMENT SUB SYSTEM (RASS) FOLLOW UP PLAN**

*The Lynn Housing Authority and Neighborhood Development (LHAND) continuously strives to improve the overall operations of its public housing developments. To do this, the LHAND responds to its residents needs in an appropriate manner.*

*The LHAND managers make it a point to offer the tenant a thorough explanation of the lease at the initial orientation. At this time, the tenant is provided a tenant handbook, which describes in detail the Development Rules that all tenants must adhere to. This ensures that tenants will be fully capable of complying with the LHAND's policies. In addition, the LHAND conducts a recertification with the tenant on an annual basis. This recertification is for the purpose of renewing their lease and to guarantee that management and tenants are in cooperation with each other. At this time, the tenants are provided with another copy of their lease for reference purposes.*

*The LHAND responds to all maintenance related problems. The management personnel will inform residents of any problems on the development as they occur. Unless it is an emergency, anytime repairs need to be made to water systems, boilers, etc., the manager is given notification of when this work will be performed by the maintenance staff. The managers, upon receiving notification from maintenance, will issue flyers to all tenants (usually 24-48 hours in advance) explaining what will be performed and how long the work will be in progress. The LHAND is committed to make this process as efficient and timely as possible.*

*In addition, the LHAND provides translation services to all of its tenants when requested. The LHAND is committed to translate information to tenants in flyers and at community meetings. The LHAND provides all of its tenants with as much information in the language of the tenants choice if available. However, the LHAND has found that information and forms that are available on HUD's website are not translated and this has created difficulty in disseminating important information to our tenants. It would be effective and beneficial if HUD could provide all of its forms in various languages so that public housing authorities could communicate more efficiently with its tenants.*

*Neighborhood appearance is important to the Lynn Housing Authority and Neighborhood Development (LHAND) as it is to its residents. LHAND has aggressively addressed all complaints regarding neighborhood appearances at the Curwin Circle Development (MA 23-1) and the M. Henry Wall Plaza Development (MA 23-2).*

*The LHAND completes over 2000 work orders on an annual basis at the Curwin Circle Family Development and the M. Henry Wall Plaza Development. The M. Henry Wall Plaza Development consists of one hundred and seventy-six (176) units of elderly and disabled residents consisting of two nine-story high rise buildings. Curwin Circle is a two hundred and eighty-three unit family development with row house style housing with tenants having exclusive use of the front and rear entrances. The residents are responsible for the upkeep of their front and rear yards. The LHAND staff continuously informs residents of their responsibility to keep these areas clean. Tenants who fail to maintain these areas are constantly reminded of their responsibility to do so by both the LHAND staff, as well as, members of the Curwin Resident Council, Inc. (CRC). In the past, the CRC with the cooperation of the LHAND has conducted numerous meetings to ensure all residents were aware of their responsibility to maintain the cleanliness of the development. In addition to the LHAND notices, which are routinely sent out regarding trash, the CRC has also sent out reminders of their own to the residents.*

*The LHAND is addressing resident concerns regarding the trash disposal of other residents in the development. The Lynn Housing Authority and Neighborhood Development has and will continue to implement resident programs to address trash and litter issues and annually conducts neighborhood "clean-up days" in conjunction with the Curwin Resident Council (CRC), Inc. The most recent LHAND/CRC clean-up day was held May 6, 2006. Volunteers for the day included members of the CRC, as well as, ten (10) LHAND employees. The event was well publicized and held in good weather. The adult residents sparsely attended it, though the LHAND and CRC with the help of over twenty-five (25) youth volunteers removed numerous truckloads of trash from the development and surrounding areas. The LHAND will implement another clean-up day this fall to generate resident awareness of the litter problems and their responsibilities.*

*The LHAND also serves as a community service site through the Lynn District Court. Participants work once a week to help maintain an acceptable appearance of the LHAND's properties. All of the LHAND developments are cleaned weekly by these participants. The Lynn District Court and the LHAND supervises the participants to ensure that the program runs smoothly and the LHAND developments preserve a clean appearance during the summer months.*

*In addition to the efforts of the LHAND staff and CRC members, the LHAND has solicited assistance from various agencies and contractors to improve the appearance of its neighborhood. All of these activities were negotiated with the local laborers union to allow the LHAND to perform work, which has been previously collectively bargained through the union. The Lynn Housing Authority and Neighborhood Development sponsors a summer/fall Landscaping program to improve upon its appearances by planting flowers, mulching, trimming trees and bushes. The majority of participants are subsidized housing residents. The summer youth maintenance staff assists in keeping the grounds clean among other duties such as repainting speed bumps, fences, and bollards throughout the development.*

*The Department of Public Works (DPW) also donates flowers annually to the LHAND and individually to the residents of the M. Henry Wall Plaza Development and the Curwin Circle Development. LHAND contracts with the city of Lynn for trash removal services on a weekly basis and street sweeping services on a weekly basis in the spring, summer, and fall months. The LHAND will continue to work with the City of Lynn DPW to have the streets swept on a regular basis.*

*The LHAND has revitalized the Tot Lots at Curwin Circle. The LHAND has repaired the slides, painted, and replaced all of the tiles of the Tot Lots. The LHAND has implemented a graffiti removal product and process to remove graffiti from the plastic tot lot material and graffiti removal from the playground equipment. This has enhanced the appearance of the Curwin Circle Development.*

*The LHAND is also committed to informing residents of any occupancy or maintenance related issues. The LHAND will make all possible efforts to inform residents of these issues by letter, telephone, or even by knocking on a resident's door. The Management staff has an open door policy for all tenants. Managers are available to communicate with these tenants when an issue may arise.*
