ATTACHMENT 1

IMPLEMENTATION OF THE VIOLENCE AGAINST WOMEN ACT OF 2005

The Westland Housing Commission remains committed to the implementation of the Violence Against Women Act (VAWA) of 2005 and will continue to undertake various actions in this regard. All program administrators have become familiar with the provisions and requirements of the Act and the measures instituted by the Westland Housing Commission in order to further the intent of VAWA.

The WHC implemented the following:

- The Housing Choice Voucher Administrative Plan was amended in November 2006 to add Appendix K, Violence Against Women Act. This establishes procedures compliant with VAWA to protect the rights of victims as they relate to assistance provided by the Westland Housing Commission.
- All landlords/owners participating in any programs of the Westland Housing Commission are notified of the rights of participants and their obligations under VAWA.
- All participants of programs administered by the Westland Housing Commission are notified of their rights under VAWA.
- The new HAP Contract (form HU-52641) reflecting provisions of VAWA is currently being used in programs administered by the Westland Housing Commission.

In addition to the actions listed above, the City of Westland's Community Development Block Grant Program has an annual contract for service with First Step, the area's social service agency dedicated to assisting victims of domestic violence and their children. This agency also offers temporary housing/shelter services to victims of domestic violence and their children. The programs of the Westland Housing Commission and the Community Development Block Grant Program are administered in the same physical location, which expedites the referral of victims of domestic abuse.

The WHC also works with the City of Westland Police Department on these matters.
