If yes, list criteria below:

Participation in the Section 8 homeownership program is voluntary. Any Section 8 program participant or applicant who has been issued a Section 8 Housing Choice Voucher may utilize the subsidy to purchase rather than rent a home, subject to the following requirements:

- 1) A family must meet the general requirements for admission to or continued participation in the KHA Section 8 tenant-based program.
- 2) Current Section 8 program participants must be in full compliance with their lease and program requirements and must terminate their current lease arrangement in compliance with the lease.
- 3) A head of household or spouse that has previously defaulted on a mortgage obtained through the homeownership option is barred from participation.
- 4) Program participants and applicants must be "first-time homeowners," (except families with a disabled member), where a family member must not have owned title to a principal residence in the last three years. Residents of limited equity cooperatives are eligible for the homeownership option. However, a single parent or displaced homemaker who, while married, owned a home with a spouse (or resided in a home owned by a spouse) is considered a "first-time homeowner" for purposes of the Section 8 homeownership option.
- 5) Participants in the Section 8 homeownership option must enroll in the National Foundation for Credit Counseling's "Keys to Homeownership" or other KHA designee's pre- and post-purchase homeownership counseling program and be deemed to be "mortgage ready" before a homeownership voucher will be issued. At a minimum, the counseling will cover the following:

- Home maintenance;
- Budgeting and money management;
- Credit counseling;
- How to negotiate the purchase price;
- How to obtain homeownership financing;
- How to find a home; and

- Advantages of purchasing and how to locate a home in an area that does not have a high concentration of low-income families.
- 6) The head of household or spouse must be employed full-time (an average of 30 hours per week) and have been continuously so employed during the year before commencement of homeownership assistance. Families in which the head of household or spouse are disabled or elderly are exempted from this requirement. Families with a disabled household member may request an exemption as a reasonable accommodation.
 - 7) The family's income must be equal to or exceed the Federal minimum hourly wage multiplied by 2000 hours. Public assistance income may not be used for meeting this requirement, except for households in which the head or spouse is elderly or disabled and households that include a disabled person other than head or spouse. (Public Assistance includes federal housing assistance or the housing component of a welfare grant; TANF assistance; SSI that is subject to an income eligibility test; food stamps; general assistance or other assistance provided under a Federal, state or local program that provides assistance available to meet family living or housing expenses.)
 - 8) The program will give priority to participants in KHA's Section 8 Family Self-Sufficiency Program or other welfare-to-work programs. Other qualified Section 8 participants may be considered as the capacity of the program permits.
 - 9) At a minimum, the participant will be required to provide one percent of the home purchase price as a down payment.

PET POLICY STATEMENT

The Housing Authority of the City of Kinston (KHA) adopted a Pet Policy on August 3, 2000, which was effective September 1, 2000 as part of its Public Housing Admissions and Continued Occupancy Policy. The Pet Policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities without restriction subject to medical documentation verifying the requirement for an Assistive animal in the unit.

The KHA will allow only domesticated dogs, cats, birds, and fish in aquarium in units. Only one dog or cat and up to 2 birds and unlimited fish in aquariums per unit are allowed. At no time should any animal exceed twenty-five (25) pounds in weight.

All pets must be registered with the KHA and complete inoculation records must be on file. Residents must also provide a picture of the animal at the time of registration for filing.

A pet deposit of \$150.00 and a non-refundable pet fee of \$150.00 are required at the time of registering a cat or dog. The deposit of \$150.00 is refundable when the pet or the family vacate the unit, less any amounts owed due to damage beyond normal wear and tear.

Residents who own or keep pets in their dwellings will be required to pay for any damages caused by the pet including pet-related insect infestation, cleaning the unit and disposing of pet waste. Pet(s) must be kept in the owner's apartment or on a leash at all times when outside (no outdoor cages or fencing may be erected).

Pets that meet the size and type criteria outlined in the policy may visit the project/facility where pets are allowed for up to two weeks with KHA approval.

The KHA, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to surrounding occupants or of other persons in the community where the project is located.

**Kinston Housing Authority

An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. KHA will make the determination of whether to allow or disallow a deviation from the schedule.

3. Activities must be Performed within the community and not outside the jurisdictional area of the KHA.
4. Family obligations
 - At lease execution or re-examination after February 1, 2000, all adult members (18 or older) of a public housing resident family must
 - 1 provide documentation that they are exempt from Community Service requirement if they qualify for an exemption, and
 - 2 sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the Community Service requirement will result in nonrenewal of their lease.

This form will include places for signatures of supervisors, instructors or counselors certifying to the number of hours contributed.

 - If, during the twelve (12) month period, an exempt person becomes non-exempt, it is his/her responsibility to report this to KHA. KHA will provide the person with the Recording/Certification documentation form and a list of agencies in the community that provide volunteer and/or training opportunities.

KHA Responsibilities

1. To the greatest extent possible and practicable, the KHA will:
 - provide names and contacts at agencies that can provide opportunities for residents, including disabled, to fulfill their Community Service obligations. (According to the Quality Housing and Work Responsibility Act, a disabled person who is otherwise able to be gainfully employed is not necessarily exempt from the Community Service Requirement); and
 - provide in-house opportunities for volunteer work or self-sufficiency programs.
2. The Authority will provide the family with exemption verification forms and Recording/Certification documentation forms and a copy of this policy at initial application and at lease execution.
3. KHA will make the final determination as to whether or not a family member is exempt from the Community Service requirement. Residents may use the KHA's Grievance Procedure if they disagree with the KHA's determination.
4. Noncompliance of family member:
 - At least thirty (30) days prior annual re-examination and/or lease expiration, the Authority will begin reviewing the exempt or non-exempt status and compliance of family members;
 - If the KHA finds a family member to be noncompliant, KHA will enter into an agreement with the noncompliant member and the Head of Household to make up the deficient hours over the next twelve (12) month period:
 - If at the next annual re-examination, the family member still is not compliant, the lease will not be renewed and the entire family will have to vacate, unless the noncompliant member agrees to move out of the unit;

Progress Statement

The Housing Authority of the City of Kinston, North Carolina's Mission Statement has remained the same since the original 2005-2009 Five-year Plan was submitted.

Kinston Housing Authority's goal of reducing public housing vacancies has resulted in consistent leasing rates for the last four years of approximately 97%.

We continue to strive to meet our goal of improving the quality of assisted housing. The PHAS scores for 2005 and 2006 for KHA designates us as high performer with scores of 92 and 90 respectively. Our PHAS status for 2007 dropped to standard due to a significant decrease in our physical score. Our REAC Inspection score went from 26 in 2006 to 18 in 2007. This score is widely inconsistent compared to prior years. However, the Authority is taking steps to improve this score for 2008. Our SEMAP score for 2004 and 2007 was 100 and our overall performance rating was high. Our SEMAP overall performance for 2005 and 2006 was standard. We intend to continue improvement until high performance is met for both PHAS and SEMAP.

Kinston Housing Authority has and will continue to encourage assisted housing choice by providing voucher mobility counseling at briefings and on an individual basis. We have held a landlord meeting to include current landlords and potential landlords.

The Housing Authority's Deconcentration and Income Mixing Plan is included in the Public Housing Admissions and Continued Occupancy Policy, which establishes the procedures to ensure deconcentration and income mixing.

The Housing Authority's progress in promoting self-sufficiency includes the Section 8 Family Self-sufficiency Program and the ROSS – Public Housing Family Self sufficiency funding. Although our Section 8 FSS position was not funded for 2005, 2006, and 2007 we have applied for 2008 funding. We have in place an addendum to our Section 8 Administrative Plan that establishes our homeownership program. In the 1st few months of 2008, we had our first three successful homeowners. The Section 8 Family Self-sufficiency Program currently has 42 participants with 8 graduates and the Public Housing Family Self-Sufficiency Program currently has 50 participants.

Our goal of improving security for our residents includes the housing of the City's Special Response Team of the police department at our Mitchell Wooten PCAT site. This PCAT site was recently reactivated. Also, we have a unit at Jack Rountree for police officers. Police officers meet with the Director of Housing weekly to exchange information. A curfew has also been implemented.

To insure that KHA's physical assets are maintained efficiency, KHA did provide REAC training to 12 employees in 2006.

The Housing Authority ensures equal opportunity and affirmatively furthering fair housing by advertising the availability of Public Housing, Section 8 and elderly housing in area churches, including Hispanic churches, local public television station, and local newspaper and radio stations.

The demolition application for the 34 public housing units at Mitchell Wooten, that are prone to flooding, was approved. Currently, the demolition is in process and should be completed in August 2008.

STATEMENT OF VIOLENCE AGAINST WOMEN ACT

The Violence Against Women and Justice Department Reauthorization Act of 2005 protects tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them.

In general, the law provides in part that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse. The law also provides that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim of that violence and will not be "good cause" for termination of the assistance, tenancy, or occupancy rights of a victim of such violence.

CERTIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING: KHA staff responding to an incident or incidents of actual or threatened domestic violence, dating violence or stalking that may affect a tenant's participation in the housing program to request in writing that an individual complete, sign and submit within 14 business days of the request, a HUD-approved certification form. On the form, the individual certifies that he/she is a victim of domestic violence, dating violence, or stalking, and that the incident or incidences in question are bona fide incidences of such actual or threatened abuse. On the certification form, the individual shall provide the name of the perpetrator.

In lieu of a certification form, or in addition to the certification form, a tenant may provide to KHA, (1) a Federal, State, tribal, territorial, or local police record or court record; (2) documentation signed and attested to by an employee, agent or volunteer of a victim service provider, an attorney or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence or stalking, or the effects of abuse, in which the professional attests under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, or stalking has signed or attested to the documentation.

KHA is not required to demand that an individual produce official documentation or physical proof of an individual's status as a victim of domestic violence, dating violence, sexual assault, or staling in order to receive the protections of VAWA. KHA at its discretion, may provide assistance to an individual based solely upon the individual's statement or other corroborating evidence.

KHA will be mindful that the delivery of the certification form to the tenant in response to an incident via mail may place the victim at risk, e.g., the abuser may monitor the mail. Therefore, the KHA staff may require that the tenant come in the office to pick up the certification form and are encouraged to work with tenants to make delivery arrangements that do not place the tenant at risk.

If the individual does not provide the form HUD-50066 or the information that may be provided in lieu of the certification by the 14th business day or any extension of that date provided by the KHA, none of the protections afforded to the victim of domestic violence, dating violence or stalking by sections 606 or 607 of the Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA), Public Law 109-162 will apply. The KHA staff would therefore be free to evict, or to terminate assistance, in the circumstances authorized by otherwise applicable law and lease provisions, without regard to the amendments made by Sections 606 and 607.

In doing so, KHA may make the certification form available to all eligible families at the time of admission.
