The mission of Johnston County Housing Assistance Payments Program is to assist eligible families in securing housing offering good living conditions in safe, low poverty neighborhoods, at affordable costs and which adequately meets the needs of all family members including those with special needs.

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, **PHAS ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN REACHING THEIR OBJECTIVES OVER THE COURSE OF THE 5 YEARS.** (Quantifiable measures would include targets such as: numbers of families served or PHAS scores achieved.) PHAs should identify these measures in the spaces to the right of or below the stated objectives.

HUD Strategic Goal: Increase the availability of decent, safe, and affordable housing.

- PHA Goal: Expand the supply of assisted housing
Objectives:
 - Apply for additional rental vouchers: (Apply when available, asking for 50 – 100 units)
 - Reduce public housing vacancies:
 - Leverage private or other public funds to create additional housing opportunities:
 - Acquire or build units or developments
 - Other (list below)
 - (1) To insure that 20% of new tenants move to low poverty areas within 2 years. Focus advertising and landlord education in low poverty areas.

(2) Encourage builders to build three bedroom or larger units to ensure that within two years no large family will lose a Voucher because of unavailable three bedroom plus units

(3) HAPP Director is registered with County Government as available public speaker on housing.

PHA Goal: Improve the quality of assisted housing

Objectives:

Improve public housing management: (PHAS score)

Improve voucher management: (SEMAP score) strive for best first score

Increase customer satisfaction:

PHA Goal: Improve Quality of Assisted Housing

Objective: Increase Customer Satisfaction

HAPP staff will focus on educating tenants at Voucher issuance and at inspections on good housekeeping practices, referring to Cooperative Extension Services for counseling and workshops if they are interested. This will be an incentive for landlords to use Section 8 Program and within one year no tenant will have their lease terminated for unsanitary housekeeping. In some instances HAPP will use increased contract rents (within FMR) as motivation and incentive for owners to make improvements to units. Success will be reflected in decreased number of marginal units on HAPP at the beginning of each of the next five years.

HAPP will refer landlords to Weatherization Program at Community Action Agency and assist them when necessary in applying for that service. After two years, complaints from tenants about unreasonably high utility bills will decrease by 50%.

HAPP will be diligent in encouraging landlords to better check references of potential tenants to reduce damage to units by family members by 50% in one year. HAPP will provide landlords with information about applicants/tenants allowed by Administrative Plan.

Use Agency newsletter as a vehicle to communicate information to tenants to encourage proud home renters, prompt payment of rent and rights as renters to ensure there will be a minimum of five new first time HAPP landlords each year.

HAPP will begin issuing a newsletter semi-annually with plans to expand to a quarterly publication within five years. This will foster better communication,

positive feelings toward HAPP and less program abuse. At the end of 2001 Repayment Agreements for Program violations will decrease by 50%.

- Concentrate on efforts to improve specific management functions:
(list; e.g., public housing finance; voucher unit inspections)
- Renovate or modernize public housing units:
- Demolish or dispose of obsolete public housing:
- Provide replacement public housing:
- Provide replacement vouchers:
- Other: (list below)

PHA Goal: Increase assisted housing choices

Objectives:

- Provide voucher mobility counseling: (Emphasis at Voucher issuance)
- Conduct outreach efforts to potential voucher landlords (word of mouth, Civic meetings, other agencies so that by 2001 no Portability family will fail to find a unit within their time frame.)
- Increase voucher payment standards
- Implement voucher homeownership program:
- Implement public housing or other homeownership programs:
- Implement public housing site-based waiting lists:
- Convert public housing to vouchers:
- Other: (list below)

Refer tenants with higher income to Home Buyers Programs including purchasing the homes they are renting; Conduct outreach efforts to landlords in areas of the county where Section 8 is not prevalent. Refer to Habitat for Humanity.

Other PHA Goal/s and objectives:

PHA Goal: Offer appropriate housing for special needs families

Objectives: Refer HAPP applicants to Elderly Handicapped units as needed; Encourage owners to provide more amenities to attract special needs tenants; At briefings and other appropriate times, emphasize deductions for health care equipment and provisions for live-in-aid to live in units and provide care without income being counted so that at least four families can remain at home rather than move to long term care within a year.

HUD Strategic Goal: Improve community quality of life and economic vitality

PHA Goal: Provide an improved living environment

Objectives:

- Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments:
- Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:
- Implement public housing security improvements:
- Designate developments or buildings for particular resident groups (elderly, persons with disabilities)
- Other: (list below)
Work with Human Services Agencies to develop a program to promote good citizenship, community pride, neighborhood safety watch, etc. by the end of 2001.

Other PHA Goal/s and objectives:

Promote deconcentration poverty by encouraging tenants to move to low poverty areas. Refer them to Community Action and DSS for financial assistance with moving expense so that no family will fail to lease a unit because of lack of security or utility deposit by 2001.

Deconcentration Policy:

Johnston County HAPP counsels its tenants at Voucher Issuance and other appropriate times to choose housing in low poverty and minority areas. Lists of available units are kept in the HAPP office for distribution and are included in Voucher Packets. Landlords and Realtors are contacted and urged to accept Section 8 tenants in their rental properties located in low poverty and minority areas. Names of landlords with properties in low poverty and minority areas are given to tenants to assist in their finding suitable units. Tenants needing financial assistance with deposits are referred to local Human Services Agencies so they will not lose housing in low poverty areas because of lack of funds.

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Executive Summary of the Annual PHA Plan

Johnston County HAPP is committed to promoting HUD's strategic Goals and Objectives emphasized in recent legislation. Our mission to assist eligible families in securing housing offering better living conditions in safe, low poverty neighborhoods has become our creed and is framed and hanging in the office of every employee to be seen daily.

To promote self-sufficiency among our tenants, Cooperative Agreements with Johnston County Department of Social Services to provide Hispanic interpreters and to promote the Welfare to Work Program have already been negotiated. In 2000, HAPP will acquire computer capability to print all forms in the language required by applicants/tenants. Although we have not been funded by HUD for a Family Self-Sufficiency Program, we are currently administering a small program using some of our Vouchers. We have begun referring appropriate tenants to Home Buyers Assistance Programs and are always searching for funding to participate in a Home Buyers Assistance Program in cooperation with other agencies. We contact

N.C. Housing Finance Agency on a regular basis to be sure we are aware of funding for such a project. At Voucher Briefings, we have begun emphasizing mobility and portability to broaden the choices of our tenants. This year we are beginning to emphasize available assistance for lot rent only to assist tenants who might be able to purchase a mobile home of their own. By the end of 2000, HAPP will develop a Resource Guide with driving directions to service agencies in the county – phone numbers and transportation information. During 2000 more information will be provided to tenants and landlords encouraging Lease to Own Agreements.

To improve the living environment and quality of life of those on our long Waiting List and because of limited resources and the unavailability of additional housing vouchers, in 2000, our employees will begin referring applicants to Public Housing Agencies and other subsidized complexes while they are waiting for Section 8 assistance. To ensure that by the end of this year, no voucher holder loses his voucher for failing to secure a unit within his time frame, we have increased the availability of vacancy listings, and are focusing on securing new, first time HAPP landlords at the rate of five per year. So that by the end of 2000 no family will fail to lease a unit because they lack money for a security deposit or utility deposit, we are referring and assisting our tenants with applying at Community Action and DSS to secure financial assistance for that purpose. HAPP will seek authorization during 2000, from the Board of County Commissioners to use \$3,000 from its Administrative Reserve Fund to increase the Security Deposit Grant Fund at Community Action (as other housing purposes). HAPP staff will emphasize the allowance for health care equipment and services and the live in aid provision so that at least four families per year can remain in their homes longer before long term placement.

To improve the quality of assisted housing in our area, beginning in 2000, HAPP will focus on educating landlords to better check references before renting to Section 8 tenants. Thus, within one year, we should not see a HAPP tenant's lease terminated for unsanitary housekeeping. During 2000 HAPP will begin publishing a newsletter

twice a year with plans to increase to a quarterly publication within five years. That will be a vehicle to increase tenant-landlord-agency communication, to offer self-sufficiency tips, highlight tenant successes and achievements of landlords, to foster positive feelings and discourage program violations. Landlords are more inclined to make improvements at rental units when they feel the tenants are taking an interest themselves. In a few instances each year, increased rents (within FMR) will be offered to landlords who make improvements in their units to move them from marginal units. Referrals and assistance with filing applications with the Weatherization Program at Community Action will be emphasized this year and success can be measured if by 2001 the number of complaints about unreasonably high utility bills has decreased.

Johnston County HAPP plans to be as creative as possible during the year 2000 in assisting our tenants and carrying out our mission.

Participate in security deposit assistance program at Johnston-Lee Community Action to enable tenants to secure financial aid to rent better units.)
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration (Encourage Community Development Managers to refer apartments to Section 8 or allow Section 8 tenants to rent re-habed units in low poverty areas.)
