Annual PHA Plan PHA Fiscal Year 2009

Executive Summary of the Annual PHA Plan

The Mission of Marion County Housing Authority is to provide safe, decent, and affordable housing to those individuals or families that reside within Marion County.

The goal of Marion County Housing Authority is to ensure that the supply of affordable housing stock is available for those low-income individuals or families, whose housing needs are not being met.

The Marion County Housing Authority is submitting an updated 5-year plan, which incorporates the Annual Plan and considers the housing needs for low-income individuals and families residing in Marion County. The updated Annual Plan includes the following strategies to expand the supply of assisted housing, acquire, or build new housing units and improve the quality of housing in Marion County:

- Marion County Housing Authority will apply for additional rental vouchers as available
- Leverage private or other public funds to create additional housing opportunities
- Provide Voucher Mobility
- Provide Project Base Vouchers to support the housing for foster children in Marion County
- Provide or attract supportive services to improve employability for clients
- Undertake affirmative measures to provide access to assisted housing regardless of race, color, religion, national origin, or familial status
- Provide Section 8 Vouchers as rent subsidy for homeownership by low-income families

Other major elements of the updated Annual Plan which constitutes the substance of the 5-year plan and the related goals toward achieving our objectives, include:

- Use all resources available to conduct outreach efforts to match families with potential voucher landlords
- Renovate or modernize public housing units as needed, prior to sale for homeownership by low-income families
- Provide replacement housing
- Work with local and state housing agencies to utilize all available resources for the development or rehabilitation of new or existing affordable housing
- Work with public and private organizations to provide home rent subsidy for foster care children that are displaced from their family, friends and neighbors in the Marion County community
- Work with a Purchase and Resale Entity to provide homeownership for low-income families that qualify under the Section 32 Homeownership program
- Maximize funding capacity and cost-effectiveness by voluntarily converting a low-rent public housing project to tenant-based or project-based assistance through the Section 8 Housing Choice Voucher program

Marion County Housing Authority will carry on all such activities that promote the availability of affordable housing stock, and support the independent living for all low-income residents, residing in Marion County.

EXHIBIT C

Prohibition Against Denial of Assistance to Victims of Domestic Violence, Dating Violence, and Stalking

Notification and Victim Documentation

Marion County Housing Authority acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history that would warrant denial under MCHA's policies. Therefore, if Marion County Housing Authority makes a determination to deny admission to an applicant family, MCHA will include in its notice of denial a statement of the protection against denial provided by VAWA and will offer the applicant the opportunity to provide a documentation affirming that the cause of the unfavorable history is that a member of the applicant family is or has been a victim of domestic violence, dating violence, or stalking.

The documentation must include the following:

Form HUD-50066 or a signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking.

Marion County Housing Authority may require one or both of the following:

A police or court record documenting the actual or threatened abuse, or

A statement signed by an employee, agent, or volunteer of a victim service provider; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The applicant must submit the required documentation with her or his request for an informal review or must request an extension in writing at that time. If the applicant so requests, MCHA will grant an extension of 10 business days, and will postpone scheduling the applicant's informal review until after it has received the documentation or the extension period has elapsed. If after reviewing the documentation provided by the applicant MCHA determines the family is eligible for assistance, no informal review will be scheduled and MCHA will proceed with admission of the applicant.

Perpetrator Removal or Documentation of Rehabilitation

In cases where an applicant family includes the perpetrator as well as the victim of domestic violence, dating violence, or stalking, MCHA will proceed as above but will

require, in addition, either (a) that the perpetrator be removed from the applicant household and not reside in the assisted housing unit or (b) that the family provide documentation that the perpetrator has successfully completed, or is successfully participating in a MCHA-approved rehabilitation or treatment program.

If the family elects the second option, the documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation. This additional documentation must be submitted within the same time frame as the documentation required above from the victim.

Terminating the assistance of domestic violence, dating violence, or stalking victims and perpetrators

Victim Documentation

When a participant family is facing assistance termination because of the actions of a participant, household member, guest, or other person under the participant's control and a participant or immediate family member of the participant's family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, MCHA will require the individual to submit documentation affirming that claim.

The documentation must include the following:

Form HUD-50066 or a signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking.

Marion County Housing Authority may require one or both of the following:

A police or court record documenting the actual or threatened abuse, or

A statement signed by an employee, agent, or volunteer of a victim service provider; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The required certification and supporting documentation must be submitted to MCHA within 10 business days after the Housing Authority issues their written request. The 10-day deadline may be extended at MCHA's discretion. If the individual does not provide the required certification and supporting documentation within 10 business days, or the approved extension period, the Housing Authority may proceed with assistance termination.

If MCHA can demonstrate an actual and imminent threat to other participants or those employed at or providing service to the property if the participant's tenancy is not terminated, MCHA will bypass the standard process and proceed with the immediate termination of the family's assistance.

Terminating the Assistance of a Domestic Violence Perpetrator

When the actions of a participant or other family member result in a determination by MCHA to terminate the family's assistance and another family member claims that the actions involve criminal acts of physical violence against family members or others, MCHA will request that the victim submit the above required certification and supporting documentation in accordance with the stated time frame. If the certification and supporting documentation are submitted within the required time frame or any approved extension period, the Housing Authority will either (a) proceed with terminating the individual perpetrator's assistance or (b) require that the family provide documentation that the perpetrator is successfully participating in a MCHA-approved rehabilitation or treatment program.

If the family elects the second option, MCHA will require the perpetrator to submit evidence of his or her current participation in counseling or other treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator is receiving assistance in addressing the abuse. The signer must attest under penalty of perjury to his or her belief that the rehabilitation is progressing successfully. The victim and perpetrator must also sign or attest to the documentation. The documentation must be submitted within 10 business days of the Housing Authority's request.

If MCHA can demonstrate an actual and imminent threat to other participants or those employed at or providing service to the property if the participant's tenancy is not terminated, MCHA will bypass the standard process and proceed with the immediate termination of the family's assistance.
