- (1) Income Based Rent Policies NO CHANGE
  - a. Use of discretionary policies

The PHA will employ discretionary rent-setting policies for income based rent in public housing.

b. Minimum Rent

The PHA's minimum rent is \$50.00.

The PHA has adopted the following discretionary minimum rent hardship exemption policies.

- 1. The minimum rent requirement may be waived under certain circumstances. Financial hardship status is to be granted immediately for ninety (90) days in the event of the following:
  - a. The family has lost eligibility or is awaiting an eligibility determination to receive federal, state or local assistance, including a family having a non-citizen household member lawfully admitted for permanent residence and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996;
  - b. The family income has decreased due to changed circumstances such as separation, divorce, and abandonment;
  - c. One or more family members have lost employment;
  - d. The family would be evicted as a result of imposing the minimum rent requirement;
  - e. There has been a death in the family; or
  - f. There are other hardship situations determined by the PHA on a case-by-case basis, i.e. alimony, child support, etc.

Financial hardship exemption only applies to payment of minimum rent – not to rent based on the statutory formula for determining the Total Tenant Payment (TTP).

- 2. If tenant initiates a request for a hardship exemption that the PHA determines is temporary in nature:
  - a. If the hardship is determined to be temporary, rent may be suspended, during the ninety (90) day period beginning on the day the request is made. At the end of the ninety (90) day period, the minimum rent is reinstated retroactively to the date of suspension and the HAP is again adjusted.

- b. In the case of a temporary hardship, the PHA will allow the family a maximum of six (6) months to make payment of any delinquent minimum rent payments accrued during the suspension period. However, the family must execute a Repayment Agreement.
- c. The family may not be evicted for non-payment of rent during this ninety (90) day period.
- d. If the hardship is subsequently determined to be long-term, the PHA will retroactively exempt residents from the minimum rent requirement for the ninety (90) day period.

The PHA plans to employ the following discretionary (optional) deductions and/or exclusions policies:

- For the earned income of a previously unemployed household member
- For household heads
- e. Ceiling Rents

The PHA does not have ceiling rents.

f. Rent Re-determinations

Between annual income reexaminations, the tenant is required to report changes in income or family composition to the PHA such that the changes result in an adjustment to rent as follows:

- Any time the family experiences an income increase
- Within ten (10) business days of such occurrence

## g. Individual Savings accounts (ISAs)

The PHA does not plan to implement individual savings accounts for residents as an alternative to the required 12 month disallowance of earned income and phasing in of the rent increase in the next year.

#### (2) Flat Rents *NO CHANGE*

The PHA used the following sources of information in setting the market-based flat rents to establish comparability.

Use 110% over the Fair Market Rents (McAllen, Edinburg, Mission, TX MSA)

#### B. Section 8 Tenant-based Assistance

#### (1) Payment Standards NO CHANGE

The PHA's payment standard is:

At or above 90% but below 100% of FMR

The PHA selected this standard for the following reasons:

- FMRs are adequate to ensure success among assisted families in the PHA's segment of the FMR area
- Reflects market or submarket

The PHA monitors the payment standards for adequacy and changes when needed (due to FMR's in the area decreasing )and considers the following factors in its assessment of the adequacy:

Rent burdens of assisted families

#### (2) Minimum Rent NO CHANGE

The PHA's minimum rent is:\$50.00.

The PHA has adopted any discretionary minimum rent hardship exemption policies. (if yes, list below)

  - a. If the hardship is determined to be temporary, minimum rent may be suspended; during the ninety (90) day period beginning on the day the request is made. At the end of the ninety (90) day period, the minimum rent is reinstated retroactively to the date of suspension and the HAP is again adjusted.
  - b. In the case of a temporary hardship, the PHA will allow the family a maximum of six (6) months to make payment of any delinquent minimum rent payments accrued during the suspension period. However, the family must execute a Repayment Agreement.
  - c. If the hardship is subsequently determined to be long-term, the PHA will retroactively exempt residents from the minimum rent requirement for the ninety (90) day period.
  - d. Note that the PHA can only suspend the minimum rent contribution. If the family is residing in a unit whose Gross Rent exceeds the Payment Standard, the family will be responsible for the excess rent.

The PHA has examined its programs and proposed programs to identify any impediments to fair housing choices, has addressed those impediments in a reasonable fashion, and is working with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing. The PHA assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction.

The PHA has taken the following specific actions to Affirmative Further Fair Housing in its public housing and Section assistance programs:

The PHA will not, on the grounds of race, color, creed, sex religion, age, disability, national origin or familial status:

- Deny a person or family admission the housing or assistance;
- Provide housing which is different than that provided others, except for elderly and/or disabled where accessibility features may be required;
- Subject a person to segregation or disparate treatment;
- Restrict a person's access to any benefit enjoyed by others in connection with housing programs;
- Treat a person differently in determining eligibility or other requirements for admission or assistance;
- Deny any person access to the same level of services provided to others;
- Deny a person the opportunity to participate in a planning or advisory group that is an integral part of the housing programs.

The PHA will not intimidate, threaten or take any retaliatory action against any applicant, resident, or participant because of a person's participation in civil rights activities or assertions of civil rights.

HUD Fair Housing Posters are posted at the PHA main administrative office and at each development office.

The PHA will ensure accessibility to offices to afford persons with disabilities the opportunity to apply for admission or assistance to the public housing programs.

The PHA will make sure that all employees of the PHA are familiar with nondiscrimination requirements, especially those employees who are involved in the admissions process.

The PHA prominently displays a fair housing poster at each office where applications are taken and at each management office.

The PHA's policies and practices are designed to provide assurance that all persons with disabilities will be provided reasonable accommodations so that they can fully access and utilize the housing programs and related services.

The PHA will identify and eliminate situations and /or practices that create barriers to equal housing opportunity for all.

The PHA reviews its policies and procedures, at least annually, to assure compliance with all civil rights requirements.

# 903.7(11) Fiscal Year Audit

The PHA is required to have an audit conducted under section 5(h)(2) of the U.S. Housing Act of 1937 (42 U S.C. 1437c(h)).

The most recent fiscal audit was submitted to HUD.

There were no findings as the result of that audit.

# 903.7(12) Asset Management

The PHA will conduct a Physical Needs Assessment (PNA) of all AMP's within the next fiscal year. The needs of the projects will be prioritized, not only based upon the PNA, but also upon needs identified during inspections performed by PHA staff and HUD REAC and during Energy Audits. A combination of these methods will determine the agency's long-term operating goals and serve as a guide in handling the agency's capital investments. The needs, as determined, will serve as the agency's guide towards developing a plan of action with regards to rehabilitation, demolition/disposition. The current plans for modernization activities are included in the agency's Annual Statement and Five-Year Action Plan.

The PHA will proceed to allocate funds, based upon funds availability, to the projects identified as a result of those efforts previously described and also based upon other current available project information pertaining to occupancy, vacancies, expenses, prior improvements and other project data.

# 903.7(13) Violence Against Women Act (VAWA) NO CHANGE

The Mercedes Housing Authority (MHA) has incorporated in its PHA Plan goals and objectives, and policies and procedures the applicable provisions of the Violence Against Women and Reauthorization Act of 2005 (VAWA) to support or assist victims of domestic violence, dating violence, or stalking.

The PHA goal to provide an improved living environment is being met by the MHA by its effort to implement affirmative measures to assist victims of domestic violence in avoiding their abusers and continuing occupancy in public housing.

Towards its effort to meet the PHA goal to promote self-sufficiency and asset development of assisted households, the MHA has continued to seek avenues to partner with local agencies and/or support groups who assist families who are victims of domestic violence to move out of abusive situations and begin again.

The MHA is in the process of creating a partnership with Mujeres Unidas and the Salvation Army. The MHA would be involved as a partner who would refer tenants in their housing program who are experiencing domestic violence and want to get away from their abuser.

In addition, the MHA is currently assisting tenants who are victims of domestic violence by honoring their transfer requests and eliminating any transfer fees.

MHA shall train its staff on the required confidentiality issues imposed by VAWA.

#### **7.0** c. Conversion of Public Housing *NO CHANGE*

Assessments of Reasonable Revitalization Pursuant to section 202 of the HUD FY 1996 HUD Appropriations Act

The PHA does not have any developments or portions of developments identified by HUD or the PHA as covered under section 202 of the HUD FY 1996 HUD Appropriations Act.

#### d. Homeownership NO CHANGE

## 1. Public Housing

The PHA does not administer any homeownership programs for public housing.

#### 2. Section 8 Tenant Based Assistance

The PHA does plan to administer a homeownership program for section 8. Below is the program description.

# **Program Description:**

The Mercedes Housing Authority Homeownership Program requires at least six months of being on the Housing Choice Voucher (HCV) Program and maintaining a steady flow of income that falls within the minimum requirements. The Mercedes Housing Authority will evaluate families that fall under this criteria and make recommendations to the Community Development Corporation of South Texas (CDC of South Texas). CDC of South Texas then provides credit counseling for the family and processes the required applications and documents needed. Once the CDC of South Texas completes their process and they too qualify the family, then the Mercedes Housing Authority is notified that the tenant qualified and an inspection of the newly constructed home must be conducted and notifies the Mercedes Housing Authority of the client's mortgage payment and the date that the client will be allowed to move in.

The PHA will limit the number of families participating in the Section 8 homeownership option to 25 or fewer participants.

The PHA has established eligibility criteria for participation in its Section 8 Homeownership Option program in addition to HUD criteria as follows:

• Families must be in HCVP for six (6) months

**7.0** e. Project-based Vouchers *NO CHANGE* 

Agencies utilizing the Section 8 Project Based Voucher Program, including certificate programs that were converted to vouchers or intending to utilize the Section 8 Project Based Voucher Program during the upcoming fiscal year are required to provide the following information.

The PHA is not currently operating nor intends to operate a Section 8 Project Based Voucher Program.

- **8.2 Capital Fund Program Five-Year Action Plan.** As part of the submission of the Annual Plan, PHAs must complete and submit the *Capital Fund Program Five-Year Action Plan*, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.

Required report is included as following attachment:

• FY 2009 Capital Fund Program 5 Year Action Plan - attachment tx029d01

	Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement
	Housing Factor (RHF) to repay debt incurred to finance capital improvements.

**9.0 Housing Needs**. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

9.1 Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.

Strategies NO CHANGE

Need: Shortage of affordable housing for all eligible populations

PHA shall maximize the number of affordable units available to the PHA within its current resources by:

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

PHA shall increase the number of affordable housing units by:

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed-finance housing

Need: Specific Family Types: Families at or below 30% of median

PHA shall target available assistance to families at or below 30 % of AMI

Adopt rent policies to support and encourage work

Need: Specific Family Types: Families at or below 50% of median

PHA shall target available assistance to families at or below 50% of AMI- N/A

**Need: Specific Family Types: The Elderly** 

PHA shall target available assistance to the elderly:

 Apply for special-purpose vouchers targeted to the elderly, should they become available

# 9.1 Need: Specific Family Types: Families with Disabilities

PHA shall target available assistance to Families with Disabilities:

- Carry out the modifications needed in public housing based on the section 504
   Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available

# **Need: Specific Family Types: Races or ethnicities with disproportionate housing needs**

PHA shall increase awareness of PHA resources among families of races and ethnicities with disproportionate needs -N/A

PHA shall conduct activities to affirmatively further fair housing

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations

Reasons for Selecting Strategies:

- Funding constraints
- Staffing constraints
- Limited availability of sites for assisted housing
- Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA

# **10.0 Additional Information**. Describe the following, as well as any additional information HUD has requested.

## (a) Progress in Meeting Mission and Goals

The Mercedes Housing Authority has been successful in achieving its mission and 5 year plan goals during the fiscal year 2008. Goals are either completed or on target for completion as schedule.

Concerning modernization the PHA has done substantial renovation of all Public Housing units. Vinyl tile has been installed in vacant units and all twenty one units at Linda Vista have new roof shingles.

Concerning self-sufficiency and crime and safety, PHA efforts reduced crime in the communities through working together with Mercedes PD. Our goal is to reduce crime on Mercedes Housing Authority property.

Concerning improving the quality of life, the PHA has scheduled resident meetings and social events with Mercedes Housing Authority tenants. Mercedes ISD have hosted parental meetings on site.

To ensure compliance with the HUD's latest rules and regulations, every policy was reviewed and updated as needed. Most significant was the review of the Admissions and Continued Occupancy Policy and the Section 8 Administrative Plan.

Concerning ensuring equal opportunity, outreach efforts have been made by making renewed partnerships with community groups and medical facilities.

(b) Significant Amendment and Substantial Deviation/Modification

#### **Substantial Deviations from the 5-Year Plan**

- Additions or deletions of Strategic Goals
- Any deviation that requires reviews and input by the Resident Advisory Board as well as approval by the Board of Commissioners.

#### **Significant Amendments or Modification to the Annual Plan**

- Any change to rent or admissions policies or organization of the waiting list:
- Additions of non-emergency\* work items over \$25,000 (items not included in the latest approved PHA Plan Capital Fund Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds (if applicable) under the Capital Fund Program; and
- Any change with regard to demolition or disposition, designation of housing, homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements since such changes are not considered significant.

This criterion does not supersede the requirements of OMB Circular No. A-87 (Cost Principal for State, Local, and Indian Tribal Governments) and 25 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements), as well as federal, state, or local regulations or statues.

Any future issuance of HUD guidelines or additional regulations shall take precedence over the above criterion.

<sup>\*</sup> Emergency – means physical work items of an emergency nature, posing an immediate threat to the health and safety of residents or staff, which must be completed within one year of capital grant funding. Management improvements are not eligible as emergency work.

<sup>(</sup>c) PHA's must include or reference any applicable memorandum of agreement with HUD or any plan to improve performance. **N/A** 

- **Required Submission for HUD Field Office Review**. In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged. Items (h) through (i) must be attached electronically with the PHA Plan. **Note:** Faxed copies of these documents will not be accepted by the Field Office.
  - (a) Form HUD-50077, *PHA Certifications of Compliance with the PHA Plans and Related Regulations* (which includes all certifications relating to Civil Rights)
  - (b) Form HUD-50070, Certification for a Drug-Free Workplace (PHAs receiving CFP grants only)
  - (c) Form HUD-50071, Certification of Payments to Influence Federal Transactions (PHAs receiving CFP grants only)
  - (d) Form SF-LLL, *Disclosure of Lobbying Activities* (PHAs receiving CFP grants only)
  - (e) Form SF-LLL-A, *Disclosure of Lobbying Activities Continuation Sheet* (PHAs receiving CFP grants only)
  - (f) Resident Advisory Board (RAB) comments. Comments received from the RAB must be submitted by the PHA as an attachment to the PHA Plan. PHAs must also include a narrative describing their analysis of the recommendations and the decisions made on these recommendations.
