Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. **A. Housing Needs of Families in the Jurisdiction/s Served by the PHA**

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

Strategy 2: Increase the number of affordable housing units by:

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities

(2) Reasons for Selecting Strategies

Of the factors listed below, select all that influenced the PHA's selection of the strategies it will pursue:

- Community priorities regarding housing assistance

9.1

Additional Information. Describe the following, as well as any additional information HUD has requested.

(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.

Our Mission: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. The Fayetteville Housing Authority has and will continue to undertake activities and adopt policies that support our mission. The following describes our goals, objectives, and achievements:

Goal One: Increasing the availability of decent, safe, and affordable housing.

Objectives: Several years ago, the Fayetteville Housing Authority adopted a Capital Improvements Program to renovate and modernize the public housing units we manage. We continue to implement projects to upgrade these units and to provide stabilization of the supply of assisted housing units.

Achievements: In 2009, we received two stimulus grants in addition to our Capital Fund Program. The ARRA allowed us to completely renovate the kitchens in Lewis Plaza, Willow Heights and Morgan Manor. The Fayetteville Housing Authority was one of four in Arkansas to receive the competitive stimulus Grant (CFRC). That is being used to add metal roofing and new HVAC at Morgan Manor. The 2008 Capital Grant Program was recently awarded to insulate the pipes in Hillcrest Tower to allow the use of a chiller in the summer. We used Community Center Funding for a new kitchen in Hillcrest Tower's Senior Citizen's Center.

In collaboration with Ozark Guidance Center, a regional mental health provider, we were awarded 10 units for the Shelter Plus Care Program, Tenant Rental Assistance. We applied for and were awarded 5 more vouchers giving us a total of 15 for this program.

In collaboration with Sources, a local provider of services for the disabled, we were awarded 6 vouchers for the Shelter Plus Care Program.

In 2009 the Fayetteville Housing Authority adopted the DHAP (DisasterHousing Assistance Program) to assist Ike Hurricane Disaster victims with rental assistance and case management for transitional purposes.

In May, 2008 the Fayetteville Housing Authority was awarded 50 TBRA (Tenant Based Rental Assistance) vouchers through the State of Arkansas HOME program.

In May, 2008 the Fayetteville Housing Authority was awarded 35 HUD-VASH (Veterans Assistance Support Housing) vouchers to work in conjunction with the Veterans Administration's Homeless case management program.

Goal Two: Improving the quality of life and economic vitality for all assisted housing communities.

Objectives: To implement measures to enhance the daily lives of assisted housing residents

Achievements:

- Operation of the Lewis Plaza Community Center and computer lab. The Community Center is staffed solely by residents who adhere to a regular weekly schedule.
- Implementation of a Neighborhood Watch Program at the 3 family complexes, in cooperation with the Fayetteville Police Department.
- Resident Councils are active in all complexes and meet on a regular basis.
- A Hillcrest Towers Computer lab equipped with 6 computers and internet accessibility.
- A Section 8 Homeownership program.
- Added a food pantry in 2009, and the Corvette Club assists with donations of goods.

(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification"

The Housing Authority will consider the following to be changes in its Agency Plan necessary and sufficient to require a full review by the Resident Advisory Board before a corresponding change in the Agency Plan can be adopted:

- 1 Any alteration of the PHA's Mission Statement.
- 2 Any change or amendment to a stated Strategic Goal.
- 3 Any change or amendment to a stated Strategic Objective except in a case where the change results from the objective having been met.
- 4 Any introduction of a new Strategic Goal or a new Strategic Objective.
- 5 Any alteration in the Capital Fund Program that affects an expenditure greater than twenty percent of the CFP Annual Budget for that year.

In defining the above, the Housing Authority intends by "Strategic Goal" and "Strategic Objective" specifically those items in its Five Year Plan and any change in the above items will be considered a "substantial deviation" from the plan. Furthermore, the PHA considers the following changes to require a public process before amending said changes and that these items are a "significant amendments or modification" to the Agency Plan:

- 6 Changes to rent or admissions policies or organization of the waiting list.
- 7 Additions on non-emergency work-items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.
- 8 Additions of new activities not included in any PHDEP Plan.
- 9 Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements, such changes will not be considered significant amendments by HUD.
