5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: <u>To promote adequate and affordable housing, economic opportunity, and a suitable living environment free from discrimination.</u>					

5.2

Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan.

Goal: Provided funding exists, increase the current level of affordable housing for as many very low, low, and moderate income families as possible by maximizing voucher usage.

Objective: Provided adequate funding is made available, increase the current level of affordable housing stock and maximize voucher use through voucher lease up efforts and payment standard management.

Objective: Work to collect HAP overpayments due to landlord foreclosures

Goal: Continue to provide an improved living environment.

Objective: Complete HQS on all Section 8 and public housing units annually.

Objective: Continue to partner with city Public Safety to provide ongoing police support and presence, to continue to lower crime rates in the rental communities. Complete the Annual safety and security analysis via City's Homeland Security Plan and PD's Crime Prevention Team.

Objective: Continue to modernize Public Housing kitchens and bathrooms as funding becomes available.

Goal: Partner with and educate landlords to maximize effectiveness of the Section 8 program.

Objective: Work with landlords to educate them on successful landlord practices.

Goal: Work toward making public housing properties as energy efficient as possible.

Objective: Educate tenants on appropriate water savings and energy savings.

Objective: Continue to replace aging HVAC units, windows and doors with more efficient products as funding becomes available.

Goal: Do not over lease the Section 8 program.

Objective: Given the unpredictable changes in the economy and tenant income, balance the number of vouchers with the HAP payments within the confines of available funding.

Goal: Ensure equal opportunity and affirmatively further fair housing.

Objective: Continue to use preferences for application/wait list process for elderly and disabled applicants.

Objective: Refer Section 8 families to Community Legal Services for issues brought to our attention.

GOALS AND OBJECTIVES FROM PREVIOUS FIVE-YEAR PLAN

Goal: Expand the supply of assisted housing

Objective 1: Leverage private or other public funds to create additional housing opportunities

Outcome-: Given the downturn in the economic condition and the availability of funding, all funds were used to sustain the number of families currently on the Section 8 program. Through LITHC, refer local non-program families to local complexes.

Objective 2: Through landlord marketing, encourage rental property participation in the Section 8 program and work to maintain current relationships despite lower published FMR and funding cuts.

Outcome -: This goal was met with success. Landlord marketing has increased rental property participation in the Section 8 program. The economy and local housing market has brought in influx of rental units available for Section 8 families in all areas of the city, which has improved deconcentration efforts.

Goal: Improve the quality of assisted housing.

Objective: Increase customer satisfaction (maintenance):

Outcome: Successful. Based on conversations with tenants and the results of an ongoing resident-satisfaction survey, customer satisfaction continues to remain high.

Objective: Renovate or modernize public housing units.

Outcome: Every year during this 5 year cycle, CHD applied for and received CDBG funds, which in addition to CFP funds were used to modernize and beautify the public housing communities. In addition, \$319,325 of ARRA Capital Funds were received in FY 09-10 which were used to modernize 51 public housing kitchens with American made cabinets, countertops, low water usage faucets. Additional capital funds were used to include energy star appliances.

Other objectives: Continue to offer Section 8 homeownership as an option to renting, offer homeownership counseling and access to public housing residents, maintain a 100% inspection rate for all public housing and voucher rental units, and enforce housing quality inspection standards for 100% of units rented under the administration of the Section 8 program.

Outcomes: Tenants are offered homeownership counseling, and CHD partners with local homeownership counseling and down payment assistance agencies to provides information on resources that may prepare residents for homeownership. The 100% inspection rate has been maintained and 100% of the HQS standards have been met.

Goal: Increase Assisted Housing Choices

Objective: Conduct outreach efforts to potential voucher landlords

Outcome: Conducted outreach efforts to potential landlords outside of the 85301 zip code to educate them about the Section 8 program, which resulted in contacts with 24 new landlords.

Objective: Implement voucher homeownership program:

Outcome: Ongoing while home prices have fallen dramatically, credit is tight and lending is difficult at best. Families are encouraged to seek credit counseling preparedness.

Goal: Provide an improved living environment.

Objective: Enhance security, privacy, modernization and site beautification and improve the "curb appeal" of the public housing communities.

Outcome: Upgraded lighting in public housing complexes. Police officer assigned to community public housing has resulted in low crime statistics. Completed exterior beautification and interior modernization projects

Goal: Promote self-sufficiency and asset development of assisted households

Objective: Increase the number and percentage of employed persons in assisted families by continuing to offer ROSS onsite self-sufficiency program.

Outcome: CHD's ROSS grant 2007 application was rejected by HUD for HUD auto-fill forms that were out of CHD control. CHD continually provides links to local agencies and services providing programs that include classes such as managing money, apply for jobs, interview workshops,

Goal: Ensure Equal Opportunity and affirmatively further fair housing.

Objective: Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, national origin, sex, family status, and disability.

Outcome: Successful. CHD continues to use preference points for application/wait list process for elderly and disabled applicants. CHD also continues the long standing policy of equal opportunity application process by consistently administering policies for all applicants.

Other PHA Goals and Objectives

Goal: Provide assistance to as many very low, low, and moderate income families through voucher utilization as federal funding levels will allow.

Outcome: Due to the fact that our HAP payments continually increase, we have had a reduction in the number of vouchers being utilized, we have been unable to increase the number of families assisted. This will continue to be the case if funding remains consistently insufficient.

6.0	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: Eligibility, Selection and Admissions Policies, including Deconcentration and Wait List Procedures – allow applicant one time return to the waiting list if request is made in writing within 60 days of purge/drop or eligibility appointment; enhance definition of homeless person preference; working preference to include at least six months of consecutive employment immediately prior to eligibility. Operation and Management – procedures for termination of Section 8 contracts for insufficient funding; for Section 8 families who transfer, may be terminated if they leave the unit damaged and do not resolve with the landlord. Glendale will not continue to assist a family who does not respect the property of a Glendale landlord; EIV changes to verification of citizenship, per EIV training, Protecting Tenants at Foreclosure Act; definition of extreme failed housekeeping that is an emergency HQS fail for health and safety.</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. City of Glendale website, www.glendaleaz.com, Glendale Community Housing Administrative Offices, 6142 N. 61st Ave., Glendale, AZ.</p>
7.0	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p>
8.0	<p>Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.</p>
8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing.</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.</p>
8.3	<p>Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p>
9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. Currently there are 729 families on the waiting list for Section 8, and 798 families on the waiting list for Public Housing. CHD owns and operates 155 public housing units, and there are 1054 baseline vouchers allocated for the Section 8 HCV program. Within the jurisdiction of the City of Glendale, according to the American Community Survey for 2006-2008, there are 28,029 renter-occupied units, which is 37% of the total occupied housing units in the City. The majority, 31%, of these occupancies are a 1-person household, which is in line with those on the public housing 1BR waiting list at 34%. Those 2 household members in Glendale account for 25% of the occupied units and the residents on the waiting list for a 2 bedroom unit is 29% of the list. 27.2% of Glendale renters are 4 or more person households and 12% of those on the public housing waiting list are awaiting a 4 bedroom unit. It is difficult to compare housing size of Glendale renters and those on the waiting list, because the census data does not provide information on how many renters occupy each bedroom, and CHD requires that bedrooms be shared, i.e. a 4 member household may be required to occupy a 2 bedroom unit. Further, we do not track bedroom size for those on the S8 waiting list. Approximately 18% of Glendale residents are age 55 or older. On the waiting list, 9% and 8% of those on the waiting list for S8 and PH respectively are elderly. 11% of those on the waiting list for S8 and 6% on the list for PH are disabled. CHD is not challenged with housing units for elderly or disabled. 36% of the Glendale's population is Hispanic or Latino, while 4.9% are Black or African American, and 53.2% are white. The waiting list for S8 consists of 36% black, and 26% for public housing. Hispanic background is 30% of the waiting list for S8 and 36% for public housing. White is 60% of the waiting list for S8 and 67% for public housing. Compared to the general populous, black are 5%, Hispanic are 36%, and white are 53% of Glendale's total population. As such, it appears that the needs of each group are being met. Of the 173,666, Glendale residents who are 16 or older and eligible to work, 63% are employed, and 32% are not in the labor force. Of the 76,262 families whom are employed, 6.4% make less than \$10K, while 26% make \$10K-\$35K. Although we don't know what the income is of those on the waiting list until eligibility, we do utilize the income limits set forth by HUD based on the various family sizes.</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. Given the current local housing market, there is an excess of rental units available in all areas of the city, which benefit our clients deconcentration. those on the waiting list mirror the general population. CHD will continue the commitment to improve and enhance the physical condition, curb appeal, and site beautification of the current Public Housing properties. We will also continue to provide self-sufficiency and skills enhancement incentives for rental housing or homeownership. Section 8 families will continue to be encouraged to move toward employment and independence from housing assistance into market rate rental housing or homeownership. Assisting families to achieve independence will help stabilize the community and increase the availability of assisted housing to other families on the waiting list. CHD has adopted rental policies to support and encourage work.</p>

10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA’s progress in meeting the mission and goals described in the 5-Year Plan. Glendale Housing’s program management continues with its accomplishments within both programs, Conventional Public Housing and Section 8 Housing Choice Vouchers. The goals and objectives that were established in the fiscal year 2005-2009 Five Year Agency Plan continue to be met and exceeded, although changes in funding levels have recently placed limitations on program growth.</p> <ul style="list-style-type: none"> – Added several local apartment complexes and private landlords to our list of existing Section 8 rental stock, which increased the housing choices available to our participants. – Received CDBG grant funds in all fiscal years of the previous 5-year plan totaling over \$500,000, which supplemented the Public Housing Capital Fund Program – Received \$319,325 in ARRA formula CFP funding which was obligated and expended within 3 months of receipt of award. The modernization of kitchens through this fund source was toured and publicly lauded by HUD Deputy Secretary Ron Sims during a local visit. – Received High-Performer rating in PHAS score for each of the five years covered by the 2005-2009 Five-Year Plan. – Received High-Performer rating in SEMAP score for three of the five years covered by the 2005-2009 Five-Year Plan. <p>Budget issues continue to be of concern not only with HUD-based funding, but with City funding as well. However, the need for assisted housing continues to grow, as a sluggish economy and higher than normal unemployment figures first hits those families who live paycheck to paycheck. We are committed to and look forward to continuing the success that this HA has achieved in the past. We also look forward to expanding and continuing partnerships that will ensure the quality of life for the participants of our programs.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA’s definition of “significant amendment” and “substantial deviation/modification”</p> <p>a. Substantial Deviation from the 5-Year Plan Shall be defined as a collective change in the Glendale Community Housing Division’s 5-Year Plan including Capital Fund use that would impact the Division’s ability to meet the goals and objectives outlined in the 5-Year Plan or its ability to provide decent, safe and sanitary housing.</p> <p>b. Significant Amendment or Modification to the Annual Plan Shall be defined as a change of a significant nature to the rent, admissions policy, or waiting list, not set forth by federal regulatory requirements, which would result in a change to the Annual Plan.</p>

Violence Against Women Act Addendum to FY 2010 PHA Plan

The Glendale Community Housing Division (CHD) has adopted a policy to implement applicable provisions of the Violence Against Women and Department of Justice Reauthorization Act of 2005 (Pub. L. 109-162) (VAWA). Goals, objectives and policies enable CHD to serve the needs of child and adult victims of domestic violence, dating violence and stalking, as defined in VAWA, are stated below.

Glendale Community Housing is a City of Glendale department and shares this status with the Glendale Police Department. Glendale Community Housing is located within the city limits of the City of Glendale Arizona. All services provided by the Glendale Police Department are available to all residents of the City of Glendale Public Housing communities, just as they are to all City of Glendale residents.

- A. Any activities, services, or programs provided by CHD, directly or in partnership with other service providers, to child and adult victims of domestic violence, dating violence, sexual assault or stalking.

Glendale Police Department (Glendale PD), as the policing authority for the City of Glendale, provides victim advocate services for victims of domestic violence, dating violence, or stalking who report the crime to the Police. Glendale PD offers services, which include:

- 9-1-1 response (City-wide system)
- Gas money
- Money for immediate hotel shelter
- Assistance with relocation
- Crisis counseling
- 24/7 assistance from a victim's advocate
- Domestic violence compensation assistance
- Programs such as RADKIDS (Resist Aggression Defensively), a program specifically for children.
- RAD (Rape, Aggression, Defense System, program of realistic self-defense tactics and techniques for women.
- Glendale PD sponsors outreach programs and fund raising programs for local shelters, such as the "DV Walk" and "DV Awareness Month".

Through Glendale PD, victims have access to the West Valley Advocacy Center (Glendale Victim Assistance Program), which offers counseling, emotional support, safety planning, assistance with victim rights, guiding a victim through the criminal justice system and with orders of protection or injunction, 9-1-1 cell phone loaners, and victim compensation claims.

The Glendale Victim Assistance Program acts as a liaison between the victim and various agencies, not only to keep the victim informed, but to allow the victim to be heard, assisting with all aspects including safe-house location and court assistance.

A New Leaf (formerly PREHAB of Arizona) is a shelter located in Glendale for all victims of abuse and violence. Glendale Victim Assistance and the Police Department work closely with A New Leaf to ensure smooth transition for victims.

- B. Any activities, services, or programs provided or offered that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking to obtain or maintain housing.

Glendale Community Housing has revised its Section 8 Housing Choice Voucher Administrative Plan and its Conventional Public Housing Admissions and Continued Occupancy Policy to comply with and support the Violence Against Women Act (VAWA) by establishing policies to support and assist victims of domestic violence and to protect tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance programs based on acts of such violence against them.

CHD has implemented and is utilizing the form HUD 50066, *Certification of Domestic Violence, Dating Violence, or Stalking* for use in its Public Housing Program and Housing Choice Voucher Program. For the Section 8 Housing Choice Voucher program.

CHD has implemented the use of the revised form HUD 52641, *Housing Assistance Payments (HAP) Contract* and form HUD 52641(A), *Tenancy Addendum*.

For both programs administered by CHD (Public Housing and Section 8 Housing Choice Voucher), an applicant who has been a victim of domestic violence, dating violence, or stalking shall not be denied admission into the program if they are otherwise qualified.

For both programs administered by CHD (Public Housing and Section 8 Housing Choice Voucher), CHD will not terminate assistance for a victim of domestic violence, dating violence, or stalking based on activity associated with the act of domestic violence, dating violence or stalking as long as the victim submits the completed form HUD-50066 within 14 business days.

Incidents or threats of abuse directly relating to abuse will not be construed as serious or repeated violations of the lease or other “good cause” for termination of the assistance, tenancy or occupancy rights of a victim.

Criminal activity directly relating to abuse, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy right the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse.

The public housing lease has been amended to include residents' VAWA rights and responsibilities.

Section 8 HCV landlords/owners/managers have been notified of their rights and responsibilities under VAWA.

Section 8 HCV participants and Public Housing residents have been notified of their rights and responsibilities under VAWA.

Definitions of domestic violence, dating violence, and stalking have been included in the Section 8 Housing Choice Voucher Administrative Plan and the Conventional Public Housing Admissions and Continued Occupancy Policy.

CHD will contact Glendale Police Department to assist the victim with determination of the best action and for referral to community services.

CHD has in place a preference for victims of domestic violence, dating violence, sexual assault and stalking.

If damages to public housing property occur and is directly related to an act of domestic violence, dating violence, sexual assault and stalking, CHD will not charge the victim resident with costs to repair if the tenant takes the steps necessary to protect against the perpetrator (police, court, counseling, etc.) and provides CHD with documentation. If the victim takes the necessary steps and CHD waives any maintenance charges associated with damage due to domestic violence, dating violence, or stalking and the victim allows the perpetrator back into the unit, CHD will charge the tenant with the full cost of the repair/replacement.

CHD provides an exception to the prohibition against a family moving under portability in violation of the lease in the Section 8 program. Within public housing, CHD will consider allowing a family to move if it is to protect a member of the family who is a victim under VAWA and the only basis for the denial is that the family is violating the lease agreement.

- C. Any activities, services, or programs are provided by CHD to prevent domestic violence, dating violence, sexual assault and stalking, or to enhance victim safety in assisted families.

Lobby notice explaining VAWA and the protections available to victims who are either applicants or participants to housing assistance through Glendale Community Housing.

CHD will also consider transfer between units or programs to offer additional safety for the victim.

Section 8 voucher portability for a victim will be considered a priority action by CHD in order to remove the family as soon as possible from an imminent threat of harm. In such instances, CHD will work with the landlord/owner/manager for a mutual rescission of the lease.

CHD works directly with the Glendale Police Department to enforce policy on reported instances of domestic violence, dating violence, and stalking on the public housing rental community properties. If the form HUD 50066 is completed and submitted, Glendale Community Housing will review for termination of assistance for the abuser, and Glendale PD will review for the possibility of trespassing the abuser from the public housing property, along with all other protections offered to the residents of the City of Glendale, such as orders of protection, etc.

For the Section 8 HCV program, CHD works directly with the Glendale Police Department and landlords/owners/managers on reported instances of domestic violence, dating violence, and stalking. If the form HUD 50066 is completed and submitted, Glendale Community Housing will review for termination of assistance for the abuser without terminating assistance or otherwise penalizing the victim.

Glendale Community Housing does not have in-house counseling staff and does not provide activities, services or programs directly. Glendale Community Housing works closely with the Glendale Police Department. If the Police Department was not called at the time of the incident, Glendale Community Housing will offer the victim assistance with contacting Glendale Police Department who, together with the West Valley Advocacy Center, form the Glendale Victim Assistance Program.

Glendale Police Department is called to counsel victims of domestic violence, dating violence, or stalking to inform them of all services available.

All of these programs and policies form a network of services that provide or offer activities, services, or programs that help child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing, or to enhance victim safety in assisted families.
