This meeting is required to take place prior to all terminations that the PHA initiates. We have implemented a new collections policy for repayments. We have taken approximately 20 families to small claims court/civil court and received judgments on 100% of them. Our efforts to collect these debts have increased our repayments recovery by over \$20,000 annually. We have also implemented procedures to inform tenants and their families on emergency preparedness involving natural disasters; specifically, the potential dangers of living close to a major earthquake fault line and within the inundation areas of a potential tsunami. We have included evacuation maps and a packet of information and resources to refer to in case of a natural disaster. The Advisory Commission and the Resident Board had a meeting on 3/25/2010 and reviewed the above Plans, attachments and supporting documents.

The Board and the PHA Director worked together on creating the goals and objectives for the 5-Year Plan 2010-2014. We had a working meeting on March 25, 2010 that lasted approximately two hours. All members were involved and many complimentary comments were received by the members at the completion of the document. The Advisory Commissions examined the Certification of Compliance/Board Resolution and determined that is supported by both the Crescent City Housing Authority's Five Year (2010-2014) and Annual Plan (2010).
