7.0	<p>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i></p> <p>Homeownership The City of Santa Rosa Housing Authority identified six HCV families who left the HCV program and purchased a home within the last two years of the current year. One of these families was enrolled in the Family Self-Sufficiency (FSS) program. The City’s Department of Economic Development and Housing administers the American Downpayment Dream Initiative (ADDI) and those HCV families, both FSS and non-FSS, who are interested in Homeownership may qualify for that assistance.</p> <p>Project-Based Vouchers The City of Santa Rosa Housing Authority plans to project-base 77 units for special needs housing located at 306 Mendocino Avenue, Santa Rosa, CA. The project serves the elderly and disabled populations and provides supportive services on-site including food deliveries. The building is located in the heart of downtown Santa Rosa where residents have access to public transportation, employment, educational institutions, public services such as the library and social services.</p> <p>The project meets the PHA plan goals by increasing housing opportunities for seniors, people with disabilities and people who need supportive services. The goal of project-basing vouchers is to ensure long-term viability of affordable housing within the City of Santa Rosa, in particular for seniors and people with special needs.</p>

9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The City of Santa Rosa has 3,463 families on the Section 8 Housing Choice Voucher waiting list. Of those, it is estimated that 80 percent (80%) are extremely low income, 15 percent (15%) are very low and five percent (5%) are low-income families. It is estimated that approximately 60 percent (60%) of those on the waiting list are families with children, 35 percent (35%) are elderly families and 35 percent (35%) are families that include people with disabilities.</p> <p>As of the 2000 Census, over 11,580 households, approximately 21 percent (21%) of all households earned less than 50 percent (50%) of the Area Median Income (AMI).</p> <p>According to the 2009 to 2014 Consolidated Plan for the City of Santa Rosa, there is a shortage of rental units for the City’s lowest income renter households who are earning less than 50 percent (50%) of AMI, which results in these rental households overpaying for housing and, as such, being cost burdened.</p> <p>More than 50 percent (50%) of renter households in the City of Santa Rosa identify paying more than 30 percent (30%) of their gross income towards rent.</p> <p>Seventy percent (70%) of the City’s housing stock is comprised of two and three-bedroom units, which limits the number of housing units available to large households.</p> <p>The City’s special needs populations—including the elderly, persons who are homeless, persons with disabilities, persons with HIV/AIDS, persons with mental illness, persons with substance abuse problems, youth, victims of domestic violence and farmworkers—have limited housing choices in the City. Countywide there are over 200 permanent supportive housing units for various populations.</p>

Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>To address the Housing Needs in the City of Santa Rosa, the PHA will:</p> <ul style="list-style-type: none"> • Maintain Section 8 lease-up rates by establishing payment standards that enable families to rent throughout the jurisdiction • Encourage owner participation in the Section 8 program throughout the City, with an emphasis on those areas outside of minority and poverty concentration • Apply for additional Housing Choice Vouchers should they become available; including special-purpose vouchers targeted to the elderly and families with disabilities if they become available • Pursue housing resources other than public housing or Section 8 tenant-based assistance • Leverage affordable housing and public service resources in the community, including HOME and CDBG funds, through the creation of mixed-finance housing and services for those who are homeless or at risk of becoming homeless • Exceed minimum HUD targeting requirements for families at or below 30% of AMI in tenant-based Section 8 assistance • Open the Housing Choice Voucher Waiting List in May 2010, emphasizing outreach efforts to minority populations • Project-base 77 rental units targeted for persons with disabilities and the elderly • Conduct activities to affirmatively further fair housing, including encouraging Section 8 voucher holders to rent units outside of areas of poverty and minority concentration

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the X 5-Year and/or X Annual PHA Plan for the PHA fiscal year beginning 07/01/11, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

15. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
16. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
17. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
18. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
