ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Ashtabula Metropolitan Housing Authority is a large PHMAP High-Performer agency located in Ashtabula County, Ohio. The AMHA manages 585 units of public housing in seven developments.

The mission of the AMHA is:

To promote safe, decent and affordable housing, and a suitable living environment without discrimination for low-income, very low-income families, persons with disabilities or the elderly.

The AMHA will accomplish its mission ideals through its goals and objectives:

1. Providing decent, safe and affordable housing in our community.
2. Ensuring equal opportunity in housing for everyone
3. To continue to enforce our "One Strike" policies for resident and applicants.
4. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The AMHA's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The AMHA has assessed the housing needs of Ashtabula and surrounding Ashtabula County area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a very small agency. The AMHA has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The AMHA has determined that its housing strategy complies with the state of Ohio's Consolidated Plan

The AMHA has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The AMHA has established a minimum rent of \$50.00 and elected to recognize its flat and ceiling rents as synonymous and chosen to select the local Fair Market Rents (FMR) to determine its dollar value

The AMHA has conducted a physical needs assessment to determine its modernization requirements and

has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The AMHA has no plans to demolish or dispose of any of its properties. The AMHA has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents and has an ongoing Drug Prevention Grant from HUD.

The AMHA has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

The AMHA has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the AMHA has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of AMHA's Agency Plan to HUD on December 1, 1999

Because the AMHA is a PHMAP High-Performer, it was not required to respond to the following Annual Plan components.

1. Operations and Management
2. Grievances Procedures
3. Designation of Public Housing
4. Conversion of Public Housing
5. Homeownership
