Housing Authority of the Town of Hamden Violence against Women Act

The Violence against Women Act protects tenants and family members of tenants who are victims of domestic violence, dating violence, or stalking from being evicted or terminated from housing assistance based on acts of such violence against them. Generally, the law provides that criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy right if the tenant or an immediate member of the tenant's family is the victim or threatened victim of that abuse. The law also provides that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease by the victim or threatened victim or that violence and will not be "good cause" for termination of the assistance, tenancy, or occupancy rights of a victim of such violence.

It is the Housing Authority's plan that future participants of the Housing Choice Voucher Program will be given a copy of PIH Notice 2006-42 at their briefing appointment. The contents therein will be explained to the family members that attend this meeting.

The requirement contained in the law that precludes eviction based on domestic violence, dating violence, or stalking will be explained to new landlords and those currently involved in the program at time of recertification. During the lease period, the landlords will be advised of the VAWA requirements should tenant-eviction because of actions become a reality.

Landlords of/and new participants to the Housing Choice Voucher Program or families relocating to a different unit will be required to complete the reissued Housing Assistance Payments Contract and Tenancy Addendum that incorporated the restrictions of the Act.

Families who have not submitted a Request of Tenancy Approval, will be notified of the safeguards against eviction/termination, as well as the requirement for certification and verification.

Any family who requests relief from eviction or termination because of domestic violence, dating violence, or stalking will be required to submit the Certification Form and provide restraining orders, police reports, letters from shelters, or other such documentation as necessary to verify the request. Additionally, the Housing Authority will obtain information from the local police department as to the nature and type of police calls made to the respective address as further verification.
