<b>7.0</b>	<b>Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers.</b> Include statements related to these programs as applicable				<b>Not applicable</b>
<b>8.0</b>	<b>Capital Improvements.</b> Please complete Parts 8.1 through 8.3, as applicable.				<b>Not applicable</b>

8.1	<p><b>Capital Fund Program Annual Statement/Performance and Evaluation Report.</b> As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing.</p> <p style="text-align: right;"><b>Not applicable</b></p>
8.2	<p><b>Capital Fund Program Five-Year Action Plan.</b> As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.</p> <p style="text-align: right;"><b>Not applicable</b></p>
8.3	<p><b>Capital Fund Financing Program (CFFP).</b>  <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p> <p style="text-align: right;"><b>Not applicable</b></p>
9.0	<p><b>Housing Needs.</b> Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p><b>Orange County has experienced a dichotomy of feast and famine. At the height of the housing frenzy, housing prices and rents skyrocketed to the point that it was difficult for Section 8 tenants to find affordable rentals. In the past year, since the bottom has fallen out of the housing market, rents are decreasing and an increasing number of landlords are actively seeking Section 8 tenants. Currently, there is a ready supply of quality units in all sizes but affordability is still a problem since owner's mortgages are often higher than the rent they can reasonably expect to command in this market. Additionally, Orange County has seen an increase in the number of Hispanic residents in the past five years. This increase is reflected in both our tenant and landlord population.</b></p>
9.1	<p><b>Strategy for Addressing Housing Needs.</b> Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. <b>Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</b></p> <p><b>We will apply for Section 8 vouchers if any are offered in the upcoming NOFA. In the past several months, we have begun to bring in people from the waiting list, and plan to lease up 50 new tenants. Besides Section 8, we operate a HOME Tenant-Based Rental Assistance Program for the elderly or disabled, low-income population in Orange County. We also have a Shelter Plus Care Program to help meet the needs of the low-income disabled homeless population. We are planning to open our waiting list this year for the first time since 2002. We conduct bi-weekly landlord briefings to enlist and educate new landlords into the program. We allow landlords to list their properties on our website and provide tenants with copies of these listings.</b></p>

10.0	<p><b>Additional Information.</b> Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <p><b>(a) Goal 1: Increase availability of decent, safe, and affordable housing. We have not been able to apply for any new Section 8 vouchers in the past five years as none have been offered in the annual Notice of Funding Availability (NOFA).</b></p> <p><b>Goal 2: Improve the quality of assisted housing. Customer Service Satisfaction Surveys show an increase in customer satisfaction. All caseworkers have received customer service training. Our agency has been rated a high performer on SEMAP for five out of the last six years.</b></p> <p><b>Goal 3: Promote self-sufficiency and asset development of families and individuals. We operate a Family Self-Sufficiency Program for 50 participants. During the past five years, we have served sixty-seven (67) families. Twenty-four (24) of these participants have successfully completed the program and four (4) have moved into home ownership.</b></p> <p><b>Goal 4: Ensure equal opportunity in housing for all. Americans: All staff delivers housing services in a manner that meet fair housing standards. Outreach is conducted at landlord briefing to educate the landlords of fair housing requirements, inspectors provide apartment complex's with the fair housing logo-for display, and ensure program participants who believe they have received discriminatory treatment have the opportunity to address this by filing a formal complaint .</b></p> <p><b>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification" Significant Amendment is defined as any change in the annual plan which changes the Section 8 Homeownership or Project-Based Voucher Program. Substantial Deviation is defined as any significant amendment or modification to the Administrative Plan which changes a corresponding goal or objective in the 5-year plan.</b></p>
