## Section 2: PHDEP Plan Goals and Budget

### A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

It is the intent of ZMHA’s Drug Elimination Program to reduce and eliminate drugs and criminal related activity in and around our public housing sites. Utilizing a comprehensive approach of enforcement, drug education, drug prevention and intervention, and pre-screening of applicants, to insure that ZMHA residents have safe and sanitary housing. We will continue to coordinate services for maximum effect with other community resources such as, Zanesville Recreation Dept., Family and Children First, Ohio State University Extension Office, Coalition of Community Centers, Boy Scouts, and Girl Scouts. All of which play a role in developing after school activities and providing additional funding for our youth programs.

ZMHA will continually monitor the effect and progress of meeting our goals. This is done through reviewing crime statistics, youth academic progress, resident surveys, and number of youth participating in our programs.

Programs will be revised when evaluation results dictate change is required and when such change is within PHDEP guidelines.
