1.  Yes  No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?
2. If yes, the comments are: (if comments were received, the PHA **MUST** select one)
- Attached at Attachment (File name)
  - Provided below:

The North Bend City Housing Authority has engaged in an extensive process of seeking resident and public comments on our Agency Plan. In the course of compiling the Plan we engaged in the following process.

Attached are copies of the advertisement we ran, sign-in sheets from the public hearing, minutes of our meetings with the Resident Advisory Board, and other relevant information. As a result of this effort, we received the following comments and responded to them in the following manner.

**On July 26, 1999, a letter was sent to all NBCHA residents soliciting their input on the Agency Plan and asking for volunteers to sit on the Resident Advisory Board. The following four residents responded to our request. The initial RAB meeting was held on October 18, 1999.**

- 1. Barbara Roberts**
- 2. Kim Stuart**
- 3. Kathryn Dingman**
- 4. Nancy Reid**

**The RAB made were in agreement with the following sections of the draft: 8-10, 15-22. The RAB also agreed to table discussion in these areas until HUD provided further clarification: 12 and 14.**

**On October 28, a meeting was held to discuss the Capital Improvements Plan. The RAB provided a priority list of capital items for consideration. They are:**

**Hamilton Court: New siding, health and safety improvements, and recreation room.  
Airport Heights: Carports, window screens and carpeting.**

*All of the Hamilton Court items were included in the Capital Improvement Plan (CIP). None of the Airport Heights items were included in the CIP.*

**Individually, Kim Stuart commented that she would like personal computers available to the residents of Hamilton Court.**

*This item was included in the CIP.*

**We received the following Capital Improvement comments from our resident solicitation letter:**

- **Build new housing for seniors**
- **Carpets for senior housing**

*These items were not included in the CIP. However, the development of affordable housing for seniors was listed as a goal of the NBCHA.*

**A copy of the draft Agency Plan was mailed to Jim Young at the Coos Bay Oregon Law Center. A copy was also provided to Eileen Seets from Senior and Disabled Services Department.**

*We did not receive any written comments from either agency. Mr. Young attended the public hearing meeting and did acknowledge that his agency would like to participate in continued dialogue regarding the Agency Plan.*

We received the following non-Capital Improvement Plan comments from the residents, public and the RAB before the public hearing.

- **An admissions preference for elderly and the disabled**
- **Use medical expenses in the determination of adjusted income for rent calculation purposes**
- **Minimum rent of \$1.00**

**HUD regulations prevent the use of elderly and disabled as a preference. However, Hamilton Court has been designated as an “Elderly Only”**

development and the scattered sites are all handicapped accessible. HUD does allow the use of medical expenses in the determination of adjusted income for rent calculation purposes for elderly and disabled households. The minimum rent was established at \$0 because the administrative burdens of creating the exemptions to the rule were onerous and the additional dollar would have little impact on the NBCHA bottom line.

**On November 18, 1999, the NBCHA Board of Commissioners held a public hearing on the Agency Plan (see the minutes attached).**

*The gazebo project was not included in the CIP because it was considered a volunteer project. No other comments were incorporated into the plan but the commissioners asked staff to follow up on the comments that were offered at the public hearing.*

RAB member Kim Stuart also reviewed the Agency Plan for grammatical and syntax errors.

*These changes were not incorporated in the Agency Plan. The Plan was based on the technical assistance manual that was provided by NAHRO and former HUD Assistant Secretary Joe Schiff. The board wanted as much consistency in format as was practical.*

3. In what manner did the PHA address those comments? (select all that apply)

- Considered comments, but determined that no changes to the PHA Plan were necessary.
- The PHA changed portions of the PHA Plan in response to comments  
List changes below: See previous page
