5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.				
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: To provide access to decent, safe and affordable housing to low-income families in a suitable living environment free from discrimination.				
5.2	Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. 1. The agency strives to ensure all units meet or exceed the HQS standards. 2. We require program participants to report income changes within 10 days of the change, and we do interim re-exams in order to maintain correct rent calculations. 3. We strongly encourage Landlords to build or retro-fit existing units for handicap accessibility. 4. We refuse to work with Landlords who have a history of not making needed repairs. 5. The agency plans to implement a FSS program (if still available) within this 5 year period. After we implement this, we feel we could be more successful in implementing a Home Ownership Program also. <u>PROGRESS REPORT</u> In the previous 5-year plan we were planning to initiate a Home Ownership program within the agency. Due to local economic conditions, we have shelved this goal for now. We feel that we could have more success with this program, if we first implement the FSS program. We have been successful in achieving and maintaining a SEMAP score of 100%. We did not obtain any additional vouchers during the previous 5-year period. There is a wide range of rental properties in our county, including apartments, mobile homes, and houses. With the availability of Tax Credit units, and a very good Landlord base, there is no shortage of decent, safe, affordable dwelling units for our voucher holders.				
6.0	PHA Plan Update (a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: Home Ownership has been shelved for the present. (b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. Administrative office of the PHA located at: 194 County Extension Road, London, KY 40741				
7.0	Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. Include statements related to these programs as applicable.				
8.0	Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.				

8.1	Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> , form HUD-50075.1, for each current and open CFP grant and CFFP financing.
8.2	Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i> , form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.
8.3	Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.
9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>With the economic downturn, our waiting list is growing, while our turnover rate is declining. Seemingly more families are staying on the program for longer periods of time than historically in this area. The decrease in available jobs and working hours decreases for employed participants have caused our per-unit cost to increase dramatically over the last few years. The plight of the low-income, very low-income, and extremely low-income families is becoming more desperate. There is no shortage of quality one, two, three and four bedroom units available for rent (within the FMR's of this agency), but the rents and utilities are not affordable for most of the families on our waiting list without subsidization. Approximately 44% of our Waiting Lists consists of elderly, disabled, handicapped families.</p> <p>This agency covers a mostly rural county, with several small communities and one mid-sized town. There is no public transit system, and the cost of transportation to work a minimum-wage, part time job is prohibitive for most of these families.</p>

9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>This agency plans to assist as many families as possible within the constraints of our baseline and our funding. With our per-unit costs increasing and funding uncertain, we foresee the possibility of being unable to lease up to our baseline numbers. We plan to continue our current policies of doing interim re-exams and investigating all reports of possible fraud in order to keep costs down as much as possible. In the current rental market, we do not think it feasible to decrease our payment standards, because such an act would prohibit voucher holders from being able to rent from private landlords. We do not want to concentrate tenants into low-income neighborhoods, but provide them access to a wide range of neighborhoods.</p>
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.</p> <p>This agency consistently maintains a SEMAP score as High Performer. We have a stable and cooperative Landlord base, consisting of several Tax Credit properties, as well as private sector landlords. We monitor the reports in EIV and PIH to make sure we have correct data submitted.</p> <p>We had to postpone the plan to implement a Home Ownership Program, because we did not think the current economic conditions were appropriate for our families at this time. We feel we should first implement a FSS program, moving on from there to a Home Ownership Program.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification".</p> <p>All changes that would materially affect our administration of the Housing Choice Voucher program. Any change in HUD regulations that would override the contents of the current Plan. In the event that this agency applies for and receives funding to administer a FSS program, we would consider this a significant modification.</p>

11.0	<p>Required Submission for HUD Field Office Review. In addition to the PHA Plan template (HUD-50075), PHAs must submit the following documents. Items (a) through (g) may be submitted with signature by mail or electronically with scanned signatures, but electronic submission is encouraged. Items (h) through (i) must be attached electronically with the PHA Plan. Note: Faxed copies of these documents will not be accepted by the Field Office.</p> <ul style="list-style-type: none"> (a) Form HUD-50077, <i>PHA Certifications of Compliance with the PHA Plans and Related Regulations</i> (which includes all certifications relating to Civil Rights) (b) Form HUD-50070, <i>Certification for a Drug-Free Workplace</i> (PHAs receiving CFP grants only) (c) Form HUD-50071, <i>Certification of Payments to Influence Federal Transactions</i> (PHAs receiving CFP grants only) (d) Form SF-LLL, <i>Disclosure of Lobbying Activities</i> (PHAs receiving CFP grants only) (e) Form SF-LLL-A, <i>Disclosure of Lobbying Activities Continuation Sheet</i> (PHAs receiving CFP grants only) (f) Resident Advisory Board (RAB) comments.
