#### Strategies for addressing affordable housing needs

Shortage of affordable housing for certain areas of our jurisdiction available to public housing applicants

- Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:
  - A. Employ effective maintenance and management policies to minimize the number of public housing units off-line
  - B. Reduce turnover time for vacated public housing units
  - C. Reduce time to renovate public housing units
  - D. Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
  - E. Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

Families at or below 30% of median

- Strategy 1: Target available assistance to families at or below 30 % of AMI
  - A. Adopt rent policies to support and encourage work

Families at or below 50% of median

- Strategy 1: Target available assistance to families at or below 50% of AMI
  - A. Adopt rent policies to support and encourage work

Families with Disabilities

- Strategy 1: Target available assistance to Families with Disabilities:
  - A. Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing

Races or ethnicities with disproportionate housing needs

- Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:
  - A. Affirmatively market to races/ethnicities shown to have disproportionate housing needs

#### (2) Reasons for Selecting Strategies

- A. Funding constraints
- B. Staffing constraints
- C. Results of consultation with residents and the Resident Advisory Board
- D. Other: (list below)

#### A. Progress in meeting Mission & Goals

The Housing Authority (HA) has completed modernization programs on a portion of the housing units during 2009. During 2009 the Housing Authority maintained a vacancy rate for Public Housing of less than (3) percent. This would indicate that the Housing Authority is meeting or exceeding the HUD goal of increasing the availability of decent, safe, affordable housing in good repair. This Housing Authority is striving to improve the community quality of life and economic suitability by recruiting a tenant body composed of families with a broad range of incomes to avoid concentration of the most economically deprived families. The HA has used a local preference system to select from applicants on the waiting list who have family incomes within adopted income ranges. This HA will continue its efforts to improve security in our developments working with the City and County law enforcement agencies and enforce the Screening and Eviction Policy (Formerly "One Strike").

#### B. Significant amendment and Substantial Deviation

"Substantial Deviation" of the Annual Plan from the 5-Year Plan is defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners.

"Significant Amendment or Modification" of the Annual Plan or 5-Year Plan is:

- i. Changes to rent or admissions policies or organization of the waiting list; or
- ii. Additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund.

#### C. Other Information

Congress passed the Omnibus Appropriations Act of 2009 and said bill became Public Law 111-8 on March 11, 2009. Section 212 exempts the county of Los Angeles, California and the states of Alaska, Iowa, and Mississippi from the requirement to have a resident as a member of the governing board; provided that a minimum of six residents of public housing or Section 8 Assistance provide advice and comments to the PHA. The Advisory Board shall meet no less than quarterly.

# THE HOUSING AUTHORITY OF THE CITY OF LONG BEACH POLICY ON VIOLENCE AGAINST WOMEN AND JUSTICE DEPARTMENT REAUTHORIZATION ACT OF 2005

The Violence Against Women and Justice Department Reauthorization Act (VAWA) prohibits The Housing Authority of the City of Long Beach (HA) to evict or remove assistance from certain persons (including members of the victim's immediate family) living in the HA developments if the asserted grounds for such action is an instance of domestic violence, dating violence, sexual assault, or staking, as described in Section 3 of the U.S. Housing Act of 1937, and amended by the Violence Against Women and Justice Department Reauthorization Act of 2005.

The HA will accept certification from alleged victims in verifying this claim by a HA resident.

The VAWA provides "criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of the tenancy or occupancy rights, if the tenant or immediate family member of the tenant's family is the victim or threatened victim of that abuse." VAWA further provides that incidents of actual or threatened domestic violence, dating violence, or stalking may not be construed either as serious or repeated violations of the lease by the victim of such violence or as good cause for terminating the tenancy or occupancy rights of the victim of such violence.

VAWA does not limit the HA's authority to terminate the tenancy of any tenant if the HA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property.

When a tenant family is facing lease termination because of the actions of a tenant, household member, guest, or other person under the tenant's control and a tenant or immediate family member of the tenant's family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the HA will require the individual to submit documentation affirming that claim.

The documentation must include two elements:

A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking

One of the following:

A police or court record documenting the actual or threatened abuse

A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The required certification and supporting documentation must be submitted to the HA within 14 business days after the individual claiming victim status receives a request for such certification. The HA, owner or manager will be aware that the delivery of the certification form to the tenant in response to an incident via mail may place the victim at risk, e.g., the abuser may monitor the mail. The HA may require that the tenant come into the office to pick up the certification form and will work with tenants to make delivery arrangements that do not place the tenant at risk. This 14-day deadline may be extended at the HA's discretion. If the individual does not provide the required certification and supporting documentation within 14 business days, or the approved extension period, the HA may proceed with assistance termination.

The HA also reserves the right to waive these victim verification requirements and accept only a self-certification from the victim if the HA deems the victim's life to be in imminent danger.

In extreme circumstances when the HA can demonstrate an actual and imminent threat to other participants or those employed at or providing service to the property if the participant's (including the victim's) tenancy is not terminated, the HA will bypass the standard process and proceed with the immediate termination of the family's assistance.

The HA will request that a victim of the domestic violence described in this policy to provide evidence or certify to the HA that the incident or incidents of abuse are bona fide

All information provided to the HA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared data base nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

The HA's five-year and Annual Plan contains information regarding any goals, activities, objectives, policies, or programs of the HA that are intended to support assist victims of domestic violence described above.
