Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Housing Authority does recognize the need for public notification for items contained within the 5-Year and Annual Plans. This authority shall make proper notification for any Substantial Deviations from these plans as required under law. The exception to this definition is if the change has been made to meet regulatory compliance with The U.S. Department of Housing and Urban Development requirements. These issues, if required, shall be raised with proper public notification. The Housing Authority acknowledges that an exception will be made by HUD to comply with the above changes that are adopted to reflect changes in HUD regulatory requirements: such changes will not be considered significant amendments by HUD.

WAYNESBORO HOUSING AUTHORITY POLICY ON VIOLENCE AGAINST WOMEN (VAWA) AND JUSTICE DEPARTMENT REAUTHORIZATION ACT OF 2005

The VAWA prohibits the Waynesboro Housing Authority (WHA) to evict or remove assistance from certain persons (including members of the victim's immediate family) living in the WHA developments if the asserted grounds for such action is an instance of domestic violence, dating violence, sexual assault, or staking, as described in Section 3 of the U.S. Housing Act of 1937, and amended by the Violence Against Women Reauthorization Act (VAWA) of 2005.

The WHA will accept certification from alleged victims in verifying this claim by a WHA resident.

The VAWA provides "criminal activity directly relating to domestic violence, dating violence, or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of the tenancy or occupancy rights, if the tenant or immediate family member of the tenant's family is the victim or threatened victim of that abuse." VAWA further provides that incidents of actual or threatened domestic violence, dating violence, or stalking may not be construed either as serious or repeated violations of the lease by the victim of such violence or as good cause for terminating the tenancy or occupancy rights of the victim of such violence.

VAWA does not limit the WHA's authority to terminate the tenancy of any tenant if the WHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property.

When a tenant family is facing lease termination because of the actions of a tenant, household member, guest, or other person under the tenant's control and a tenant or immediate family member of the tenant's family claims that she or he is the victim of such actions and that the actions are related to domestic violence, dating violence, or stalking, the WHA will require the individual to submit documentation affirming that claim.

The documentation must include two elements:

A signed statement by the victim that provides the name of the perpetrator and certifies that the incidents in question are bona fide incidents of actual or threatened domestic violence, dating violence, or stalking

One of the following:

A police or court record documenting the actual or threatened abuse

A statement signed by an employee, agent, or volunteer of a victim service provider; an attorney; a medical professional; or another knowledgeable professional from whom the victim has sought assistance in addressing the actual or threatened abuse. The professional must attest under penalty of perjury that the incidents in question are bona fide incidents of abuse, and the victim must sign or attest to the statement.

The required certification and supporting documentation must be submitted to the WHA within 14 business days after the individual claiming victim status receives a request for such certification. The WHA, owner or manager will be aware that the delivery of the certification form to the tenant in response to an incident via mail may place the victim at risk, e.g., the abuser may monitor the mail. The WHA may require that the tenant come into the office to pick up the certification form and will work with tenants to make delivery arrangements that do not place the tenant at risk. This 14-day deadline may be extended at the WHA's discretion. If the individual does not provide the required certification and supporting documentation within 14 business days, or the approved extension period, the WHA may proceed with assistance termination.

The WHA also reserves the right to waive these victim verification requirements and accept only a self-certification from the victim if the WHA deems the victim's life to be in imminent danger.

In extreme circumstances when the WHA can demonstrate an actual and imminent threat

to other participants or those employed at or providing service to the property if the

participant's (including the victim's) tenancy is not terminated, the WHA will bypass the

standard process and proceed with the immediate termination of the family's assistance.

The WHA will request that a victim of the domestic violence described in this policy to provide evidence or certify to the WHA that the incident or incidents of abuse are bona fide

All information provided to the WHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence and may neither be entered into any shared data base nor provided to any related entity, except to the extent that the disclosure (a) is requested or consented to by the individual in writing, (b) is required for use in an eviction proceeding, or (c) is otherwise required by applicable law.

The WHA's five-year and Annual Plan contains information regarding any goals, activities, objectives, policies, or programs of the WHA that are intended to support assist victims of domestic violence described above.
