5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.																										
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: The primary mission of the Derry Housing and Redevelopment Authority (DHRA) is to provide rental assistance to low and moderate income families as funds become available from the United States Department of Housing and Urban Development. The rental assistance assures that low and moderate income families can obtain decent, safe and sanitary housing. As a redevelopment authority, the secondary mission of the DHRA is to improve not only housing (through the purchase and/or rehabilitation of property) within its defined redevelopment area but also the quality of life for all citizens of Derry.																										
5.2	<p>Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. Apply for additional rental vouchers (if available); Leverage private or other public funds to create additional housing opportunities; Acquire or build units or developments; Conduct outreach to prospective landlords; Increase the voucher payment standard; Attract supportive services to improve assistance recipients' employability; Continue to function as a High Performing PHA; Apply for funding to upgrade locally-owned housing stock.</p> <p>The DHRA has attempted on more than one occasion to acquire property or apply for other funding in order to provide additional housing opportunities. The Agency applied for but was denied Neighborhood Stabilization Program (NSP) funding with which 15 units of low income housing for seniors was to be built. The DHRA intended on purchasing and rehabbing a vacant school building in Derry with the anticipated NSP funds. No new vouchers have been made available to the DHRA. The Agency makes a concerted effort to be 100 percent leased. Through the first 10 months of 2009, the DHRA lease-up rate is 98%. The DHRA did apply for and received a CDBG grant in the amount of \$100,000 to rehabilitate its Vintage Grace facility. Vintage Grace is a 15 unit semi-assisted living facility owned by the DHRA that houses low-income, frail elderly and disabled residents. It also operates an Adult Day Care Program on site. The CDBG funds were used to install new exterior siding, a new fire alarm panel, a new HVAC system, new exterior doors, automatic, handicapped-accessible doors, and the conversion of all bathrooms to handicapped accessible bathrooms.</p>																										
6.0	<p>PHA Plan Update</p> <p>(a) Identify all PHA Plan elements that have been revised by the PHA since its last Annual Plan submission: Section 10 regarding leasing and inspection of PHA-owned units; Section 13 B regarding the prohibition of participants' moving more than once in a 12-month period, except when granting a reasonable accommodation or when related to a Violence Against Women Act issue.</p> <p>(b) Identify the specific location(s) where the public may obtain copies of the 5-Year and Annual PHA Plan. For a complete list of PHA Plan elements, see Section 6.0 of the instructions. DHRA office – 29 West Broadway, Derry, NH 03038</p>																										
7.0	Hope VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing, Homeownership Programs, and Project-based Vouchers. <i>Include statements related to these programs as applicable.</i> N/A																										
8.0	Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable. N/A																										
8.1	Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i> , form HUD-50075.1, for each current and open CFP grant and CFFP financing. N/A																										

8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan. N/A</p>
8.3	<p>Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements. N/A</p>
9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. Based upon the analysis of affordable housing in Derry, as contained in the Derry Master Plan update of 2006, Derry is already working towards providing reasonable and realistic opportunities for workforce housing. According to the regional housing needs assessment, Derry is meeting and far exceeds its fair share of affordable housing now and will continue to do so in the reasonable foreseeable future. The need however is greater than the capacity of the Town and the DHRA to meet; the main obstacle being the availability of resources. The DHRA's own statistics indicate that through 10 months of 2009, has taken 143 applications while turning over 16 units. At this rate, a person applying for assistance can expect to wait over three years for a voucher. Attachment B shows the breakdown of needs by income level, family composition, ethnicity and bedroom size needs. There is a good supply of available rental units in Derry, but there is also a severe shortage of housing choice vouchers in comparison to other communities of a much smaller population than Derry. Derry is the 4th largest community in NH and yet only administers 100 vouchers.</p>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan. 1). Maximize the number of affordable units available to the DHRA within its current resources; 2). Increase the number of affordable housing units; 3). Target available assistance to families at or below 30 percent AMI; 4). Target available assistance to the elderly; 5). Target available assistance to families with disabilities; 6). Conduct activities to affirmatively further fair housing</p>
10.0	<p>Additional Information. Describe the following, as well as any additional information HUD has requested.</p> <p>(a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan. The DHRA has attempted on more than one occasion to acquire property or apply for other funding in order to provide additional housing opportunities. The Agency applied for but was denied Neighborhood Stabilization Program (NSP) funding with which 15 units of low income housing for seniors was to be built. The DHRA intended on purchasing and rehabbing a vacant school building in Derry with the anticipated NSP funds. No new vouchers have been made available to the DHRA. The Agency makes a concerted effort to be 100 percent leased. Through the first 10 months of 2009, the DHRA lease-up rate is 98%. The DHRA did apply for and received a CDBG grant in the amount of \$100,000 to rehabilitate its Vintage Grace facility. The CDBG funds were used to install new exterior siding, a new fire alarm panel, a new HVAC system, new exterior doors, automatic, handicapped-accessible doors, and the conversion of all bathrooms to handicapped accessible bathrooms.</p> <p>(b) Significant Amendment and Substantial Deviation/Modification. Provide the PHA's definition of "significant amendment" and "substantial deviation/modification" "Substantial deviations" or "significant amendments" are defined as discretionary changes in the plans or policies of the DHRA that fundamentally change the mission, goals, objectives or plans of the DHRA, and which require formal approval of the DHRA Board of Commissioners.</p>

FIVE YEAR PLAN 2010 - 2014

ANNUAL PLAN 01/01/2010 – 12/31/2010

VIOLENCE AGAINST WOMEN ACT

The Derry Housing and Redevelopment Authority (DHRA) has taken proactive and positive steps toward complying with the Violence Against Women Act (VAWA). The DHRA updated its Section 8 Administrative Plan by incorporating all the VAWA provisions therein. The Board of Commissioners voted to add victims of domestic violence as a waiting list preference. The Agency works collaboratively with the Town of Derry Human Resource Administration to assist victims of domestic violence, dating violence, sexual assault and stalking. The DHRA will terminate the assistance of any household member arrested for domestic violence.

Pursuant to the incorporation of the VAWA provisions in the DHRA Section 8 Administrative Plan, the Agency sends notices to all Section 8 participants and landlords, informing them of their rights and obligations under the VAWA. The Agency also includes the appropriate VAWA documentation in all Section 8 briefing packets that are provided to prospective clients.
