- Payment Standards/Deconcentration Efforts
Comments - Those in attendance were curious about the Program's policy of extending higher payment standards to those areas in the county that have a low concentration of poverty. The Program's Deconcentration Effort was discussed that by doing this it is the Program's intent to afford Participants a broader area in which they can search for an approvable unit.
During the discussion of deconcentration, the subject of Portability surfaced and everyone was very enthusiastic about the ability to move not only to neighboring counties but to have the opportunity to move to a different State

Comments – Attendees were in support of the Annual Inspections and appeared to clearly understand that the Inspections were conducted to ensure that units participating in the Program met the required standards.
- Family Obligations – Reviewed no Comments
- Denial & Termination Appeal Process
Comments – Attending Participants were aware of the process that takes place when a Participant is terminated or an Applicant is denied assistance. Everyone was in agreement that there must be guidelines to follow.

There were not many comments. Those in attendance appeared to be most interested in the ability to transfer their assistance to any State in the United States as long as they were in good standing. While they were familiar with the process, they took the meeting as an opportunity to ask more questions.

Those areas that were commented on were areas of interest to those in attendance and did not warrant any changes, inclusions, or exclusions to the Burlington County Board of Social Services PHA 2010 – 2014 Five Year and 2010 Annual Plan were suggested.
