5.0	5-Year Plan. Complete items 5.1 and 5.2 only at 5-Year Plan update.				
5.1	Mission. State the PHA's Mission for serving the needs of low-income, very low-income, and extremely low income families in the PHA's jurisdiction for the next five years: The PHA's Mission is to be the area's affordable housing provider of choice. We provide and maintain safe, quality housing in a cost-effective manner. By partnering with others, we offer rental assistance and other related services to our community in a non-discriminatory manner.				
5.2	Goals and Objectives. Identify the PHA's quantifiable goals and objectives that will enable the PHA to serve the needs of low-income and very low-income, and extremely low-income families for the next five years. Include a report on the progress the PHA has made in meeting the goals and objectives described in the previous 5-Year Plan. Erie Metropolitan Housing Authority (EMHA) will attempt to expand the supply of assisted housing by continuing efforts to reduce vacancies in existing public housing and by reviewing funding opportunities to create additional housing including but not necessarily limited to Replacement Housing Factor funds. EMHA will attempt to improve the quality and choice of assisted housing and resident quality of life by: making efforts to keep and/or improve its management scores with the public housing and voucher programs; continuing efforts to complete the modernization of its high-rise development and scattered sites improving their desirability and marketability; continuing its stipend program for resident contractors to improve cleanliness, provide positive mentoring, and improve security; and continuing efforts within the voucher program for Family Self-Sufficiency and Homeownership. EMHA will continue efforts to ensure equal opportunity and affirmatively further fair housing by administering its programs to promote access to suitable assisted housing regardless of race, color, religion, national origin, sex, familial status, and/or disability. EMHA's progress on meeting previous 5-Year Plan goals includes the following: EMHA applied for additional rental vouchers, but HUD was not able to award them to our agency; EMHA was able to increase its vouchers size, though, by agreeing to administer enhanced conversion vouchers from a local multi-family property. EMHA significantly reduced its vacancy turn-around time following management, maintenance and software updates from a 2004 reported 28.69 days on average to 8.14 days on average in 2009. EMHA improved its program management and attained HUD's "High Performer" rating in public housing and maintained a "High" rating with the voucher program; EMHA also successfully implemented HUD's Asset Based Management/Project Based Budgeting model. EMHA has renovated eight (8) floors of the twelve (12) story high-rise converting efficiency-style units to one (1) and two (2) bedroom units using capital fund dollars and leveraging those dollars through the CFFP program in conjunction with other larger housing authorities in Ohio. EMHA conducted a Physical Needs Assessment and has improved the housing stock by addressing issues identified in that process; EMHA conducted an extensive energy performance contract review, as well. EMHA sold and demolished some obsolete housing and is now accumulating some RHF funding for future use; EMHA also partnered with the local hospital to replace and upgrade a public housing unit due to the hospital's expansion efforts. EMHA continued its efforts to ensure that voucher participants understand their choice in housing through applicant briefings and ongoing counseling as well as promote positive relationships with existing and potential voucher landlords through public relation efforts and periodic newsletters. EMHA continued to access local grants to improve security measures as well as using capital funds to upgrade security cameras and lighting; EMHA continued to house a police officer in a public housing unit to promote additional security. EMHA participated in awareness forums for fair housing and administered its programs to ensure equal opportunity.

EMHA plans to continue to promote, advise, and work with FSS and HCV Program participants interested in the homeownership program by continuing relationships with other local providers for additional counseling and the City of Sandusky and County of Erie for additional down payment assistance programs. EMHA has established: a minimum homeowner down payment requirement of at least 3 percent of purchase price and requires that at least 1 percent of the purchase price comes from the family's resources; that financing for purchase of a home under its Section 8 homeownership will be provided, insured or guaranteed by the state or Federal government, comply with secondary mortgage market underwriting requirements, or comply with generally accepted private sector underwriting standards. EMHA continues to explore the option of a Section 32 Homeownership program, but this has not been established.</p>
8.0	<p>Capital Improvements. Please complete Parts 8.1 through 8.3, as applicable.</p>
8.1	<p>Capital Fund Program Annual Statement/Performance and Evaluation Report. As part of the PHA 5-Year and Annual Plan, annually complete and submit the <i>Capital Fund Program Annual Statement/Performance and Evaluation Report</i>, form HUD-50075.1, for each current and open CFP grant and CFFP financing.</p>
8.2	<p>Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i>, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). 8.3	<p>Capital Fund Financing Program (CFFP). <input checked="" type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.</p>
9.0	<p>Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.</p> <p>The seasonal nature of the industry in the jurisdiction causes a greater cost burden for low, very low, and extremely low-income families during the off-season, on average. The supply and location of housing is adequate, but in many cases the quality of the units available is sub-standard with regard to maintenance, accessibility, and energy efficiency. The aging population exacerbates the need for accessible units, as well.</p> <p>The following represents the race and ethnicity of applicants for the Public Housing and Housing Choice Voucher programs.</p> <div data-bbox="236 1106 788 1308" style="border: 1px solid black; padding: 5px; margin: 10px 0;"> <p align="center"><u>Public Housing Waiting List (6/01/10)</u></p> <p>Primary Race Recap (Non Hispanic):</p> <p>White: 36 Black: 37 Indian: 0 Asian: 0 Hawaiian: 0 Total: 73</p> <p>Ethnicity Recap:</p> <p>Hispanic: 4 Non Hispanic: 75 Total: 79</p> </div> <div data-bbox="236 1352 788 1554" style="border: 1px solid black; padding: 5px; margin: 10px 0;"> <p align="center"><u>Section 8 - HCV Waiting List (6/01/10)</u></p> <p>Primary Race Recap (Non Hispanic):</p> <p>White: 51 Black: 67 Indian: 1 Asian: 0 Hawaiian: 0 Total: 119</p> <p>Ethnicity Recap:</p> <p>Hispanic: 0 Non Hispanic: 122 Total: 122</p> </div>
9.1	<p>Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</p> <p>In February 2010, Erie Metropolitan Housing Authority's waiting lists currently had 290 applicant families of which over 15% indicate a disability, and over 76% indicate households with children. The average wait time was 205 days for the public housing program and 649 days for the housing choice voucher program. Erie Metropolitan Housing Authority will continue to utilize its preference point system for individuals displaced by government action, victims of domestic violence/hate crimes, working and disabled families, and veterans. Erie Metropolitan Housing Authority will minimize off-line and turn-around time for public housing units, maintain high lease-up rates in the voucher program, maintain enforcement of program eligibility and program violation regulations, participate with local jurisdictions' plans to address housing needs, support homeownership programs in the jurisdiction, promote jurisdictional rental and owner occupied housing rehabilitation efforts, continue efforts to improve and market the public housing elderly/disabled housing, promote fair housing, and apply for additional housing funding as appropriate and available.</p>

VAWA Attachment

Erie Metropolitan Housing Authority has included waiting list preference points for victims of violence as detailed by VAWA in both the Public Housing and Housing Choice Voucher programs, has included the HUD-50066 form in its admissions and re-certification processes for both housing programs, and has adopted language in its Public Housing Admissions & Continued Occupancy Plan as well as its Housing Choice Voucher Administrative Plan that addresses VAWA. This language follows:

In accordance with VAWA 2005, Erie Metropolitan Housing Authority incorporates and provides to applicants the following at time of admission to the public housing program:

1. Admission, Occupancy, and Termination of Assistance Policies.
Sections 606 and 607 of the VAWA 2005 amendments provide that:
 - a. Being a victim of domestic violence, dating violence, or stalking, as these terms are defined in the law (hereafter collectively referred to as “abuse”), is not a basis for denial of assistance or admission to public or assisted housing if the applicant otherwise qualifies for assistance or admission;
 - b. Incidents or threats of abuse will not be construed as serious or repeated violations of the lease or other “good cause” for termination of the assistance, tenancy, or occupancy rights of a victim of abuse; and
 - c. Criminal activity directly relating to abuse, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant’s family is the victim or threatened victim of that abuse.
2. Rights and Responsibilities of PHAs, Owners, and Managers. The VAWA 2005 amendments, as recently amended by the technical corrections statute, and as applicable to public housing leases, provide that:
 - a. Notwithstanding the restrictions that VAWA 2005 places on admission, occupancy, and terminations of occupancy or assistance, as discussed in paragraph 1, or any federal, state, or local law to the contrary, a PHA, owner or manager may “bifurcate” a lease under this section, or remove a household member from a lease under this section, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also a tenant or lawful occupant, and such eviction, removal, termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by federal, state, and local law for the termination of leases or assistance under the relevant program of HUD-assisted housing. VAWA 2005 also provides that the restrictions the law places on admission, occupancy, and termination of occupancy or assistance:

- i. May not be construed to limit a PHA, owner, or manager from honoring various court orders issued to either protect the victim or address the distribution of property in case a family breaks up;
 - ii. Does not limit any otherwise available authority of a PHA, owner, or manager to terminate assistance or evict due to any lease violation not premised on the act of violence in question against the tenant or member of the tenant's household, provided that the owner or manager does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate assistance;
 - iii. May not be construed to limit the authority of a PHA, owner, or manager to terminate the assistance of, or evict, any occupant who can be demonstrated to pose an actual or imminent threat to other tenants or the property's employees; and
 - iv. Shall not be construed to supersede any provisions of federal, state, or local laws that provide greater protection for victims of abuse.
3. Certification of Abuse and Confidentiality. Sections 606 and 607 of VAWA 2005, and as recently amended by the technical corrections statute, add certification and confidentiality provisions that allow for a PHA, owner, or manager to request an individual to certify that the individual is a victim of abuse and that the incidences of abuse are bona fide. The certification must include the name of the perpetrator, and any other statutorily required information, and the victim must provide the certification within 14 business days after the individual receives a request for such certification from the PHA, owner, or manager. Without the certification, a PHA, owner, or manager may terminate assistance. All information provided to a PHA, owner, or manager is confidential. Notice of these rights must be given to tenants. The statute allows for the victim to self-certify and also allows for the certification requirement to be satisfied with documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking or the effects of the abuse in which the professional attests under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation. The statute also allows for the certification requirement to be satisfied by producing a federal, state, tribal, territorial, or local police or court record.
4. Definitions Added to U.S. Housing Act of 1937. Section 606(3) and section 607(5) of VAWA 2005, and as recently amended by the technical corrections statute, also amend section 8(f) and section 6(d) of the U.S. Housing Act of 1937 to provide important definitions of terms, most notably:

VAWA Attachment

- a. A definition of “domestic violence” (42 U.S.C. 1437f(f)(8) and 42 U.S.C. 1436d(u)(3)(A)), which is given the same meaning as this term is defined in section 40002 of the Violence Against Women Act of 1994 (VAWA 1994) as added by VAWA 2005. VAWA 2005 defines “domestic violence” to include “felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction”;
- b. A definition of “dating violence” (42 U.S.C. 1473f(f)(9) and 42 U.S.C. 1436d(u)(3)(B)), which is given the same meaning as this term as defined in section 40002 of VAWA 1994, as added by VAWA 2005. VAWA 2005 defines “dating violence” to mean “violence committed by a person (A) who is or has been in a social relationship of a romantic or intimate nature with the victim; and (B) where the existence of such a relationship shall be determined based on a consideration of the following factors: (i) The length of the relationship; (ii) the type of relationship; and (iii) the frequency of interaction between the persons involved in the relationship.”
- c. A definition of “stalking” (42 U.S.C. 1437f(f)(10) and 42 U.S.C. 14736d(u)(3)(C)), that differs from the meaning of this term as defined in section 40002 of VAWA 1994, as added by VAWA 2005. The definition that is applicable to HUD’s public housing and section 8 assisted programs is a more detailed definition than that provided in section 40002 of VAWA 1994, as amended by VAWA 2005. For HUD covered programs, the definition of “stalking” is defined as follows. “Stalking means (A)(i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person; or (ii) to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and (B) in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (i) that person; (ii) a member of the immediate family of that person; or (iii) the spouse or intimate partner of that person”; and
- d. A definition of “immediate family member” (42 U.S.C. 1437f(f)(11) and 1437d(u)(3)(D)). “Immediate family member” is defined to mean, “with respect to a person (A) a spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in loco parentis; or (B) any other person living in the household of that person and related to that person by blood or marriage.”
