The PHA continues to modernize its public housing units using Capital Funds to keep units competitive with private market units, to improve the quality of assisted housing and to increase customer satisfaction. In 2010, LMHA will convert 22 public housing units into 12 wheelchair accessible units (four 1-br; six 2-br; two 4-br) to progress towards meeting the goals of LMHA's Section 504 Transition Plan. LMHA has consistently been designated a high performer under PHAS. LMHA continues to also be a high performer under SEMAP with the last score being 100. LMHA has a very successful homeownership program through the HCV program. LMHA has provided 102 HCV participants with homeownership and has a goal of six (6) new homeowners in 2010... Only 2 of LMHA's homeowner participants have lost homes to foreclosure. LMHA's goal is to maintain an occupancy rate of 97% which we consistently maintain. LMHA advertises through various publications to ensure residents of Lorain County are aware of affordable housing without discrimination. We advertise on Lorain County transit buses running throughout the County, in publications, and on prescription bags distributed by a local Pharmacy. LMHA plans to redevelop (i.e. demolish and reconstruct) Southside Gardens and Wilkes Villa within the next ten (10) years. In 2010, LMHA will employ a full-time Redevelopment Administrator to pursue its redevelopment goals, with Southside Gardens being the first priority. A feasibility study of each property will be conducted to narrow down the types of replacement housing to be constructed. LMHA will solicit professional services to create conceptual drawing of Southside Gardens. The Authority's objective is to deconcentrate the properties through redevelopment. LMHA will submit demolition applications for both properties in 2010. LMHA will meet with the Mayor and Officials of the City of Elyria to discuss redevelopment opportunities at Wilkes Villa.</b>

9.0	<p><b>Housing Needs.</b> Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. <b>Currently there are 185 individuals</b> awaiting public housing. 31 are disabled individuals, 87 are families in need of 2, 3, 5, or 6 bedroom units. 67 are single individuals who are not elderly or disabled. 70% of the individuals are from Lorain, 15 % from Elyria, and 15% from the rest of Lorain County. 99% of the applicants income is 30% or below with 1% between 30and 50%. 28% are White Hispanic, 38% are White Non Hispanic, 2% are Black Hispanic and 32% are Black Non-Hispanic. <b>Residents in Public Housing</b> pay 30% of their monthly income toward rent making housing affordable. Public Housing units are located in Lorain, Elyria, Oberlin and Amherst. Unit sizes range from 0 bedroom units to 6 bedroom units. We have accessible units located in our scattered sites. All public housing units meet UPCS. <b>There are 457 applicants</b> on the Housing Choice Voucher waiting list. The waiting list is comprised of 209 families, 18 elderly applicants, and 230 disabled applicants. 71% of the Voucher applicants have income below 30% with 29% having income between 30 and 50%. 58% of the applicants are from Lorain, 25% from Elyria, and 17% are from the rest of Lorain County. 21% are White Hispanic; 42% are White Non-Hispanic; 4% are Black Hispanic; 28% are Black Non-Hispanic; 2% are American Indian Hispanic; 1% are American Indian Non-Hispanic; and 2% are Pacific Hispanic. LMHA's uses a payment standard of 110% of the Fair Market Rent in order to make housing affordable for voucher holders. 63% of the EVO participants live in the city of Lorain, 21% live in the city of Elyria, 4% live in Avon, 10% live in 23 cities throughout Lorain County and 2% of the voucher participants live out of Lorain County. Participants have leased units ranging in size from 0 bedroom units to six bedroom units with 30% of the participants housed in 1 bedroom units; 31% of the participants housed in 2 bedroom units; 31% in 3 bedroom units; 7% in 4 bedroom units and the remaining 1% in 0, 5 or 6 bedroom units. All Housing Choice Voucher units must pass HQS prior to HAP Contract being signed with the owner.</p>																				

9.1	<p><b>Strategy for Addressing Housing Needs.</b> Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. <b>Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.</b> In order to expedite the preparation of vacant units, LMHA contracts units with private individuals if LMHA employees are working on other vacant units. We do this do minimize down time and offer safe, affordable housing to those individuals on the PHA waiting list. <b>LMHA averages</b> approximately 39-43 vacant units a month so 39-43 individuals/families are assisted from the Public Housing Waiting List each month. <b>LMHA uses Capital Fund dollars</b> to update units to compete with units in the private market; to improve the quality of assisted housing and to increase customer satisfaction. LMHA will continue to utilize its Capital Fund grant toward reaching its goal of 73 accessible units in its Section 504 Transition Plan. When LMHA has an accessible unit and does not have a tenant or applicant who needs the accessible unit, LMHA contacts agencies who deal with the population that would need an accessible unit and advise them of the availability of the unit. LMHA utilizes a payment standard of 110% of the FMR to enable Voucher Participants or Voucher Applicants to locate units throughout the jurisdiction. <b>We encourage applicants</b> to locate units outside of poverty concentration. Vouchers are issued to applicants when HAP funds are available due to turnover. LMHA offers admissions preferences aimed at families with economic hardships. We also employ admissions preferences aimed at families/individuals who are working.</p>

Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan.  <b>LMHA updates</b> its five year plan annually as it submits the annual plan. **LORAIN METROPOLITAN HOUSING AUTHORITY (LMHA)  
ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

Revised 4-2010

**I. ELIGIBILITY.** An applicant must meet all of the eligibility requirements of the housing assistance for which an application is made in order to obtain the housing assistance. At a minimum, the applicant must be a family, and must be income eligible.

**A. FAMILY.** A family includes but is not limited to:

- (1) A family with or without children in which any of the household members are related by blood or marriage or adult members who provide assurance to LMHA, either by affidavit or other documentation, they consider themselves to be in a permanent stable family relationship (the temporary absence of a child from the home due to placement in foster care shall not be considered in determining family composition and family size);
- (2) An elderly family;
- (3) A near elderly family;
- (4) A disabled family;
- (5) A displaced family;
- (6) The remaining member of a tenant family; and
- (7) A single person who is not an elderly or disabled person; or a displaced person, or the remaining member of a tenant family; or a pregnant woman without children.

**B. INCOME.** Annual income means all monetary amount which:

- (1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
- (2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- (3) Which are not specifically excluded in Annual Income as provided by 24 CFR 5.609...paragraph © of appendix VIII, which is an appendix of the A&O Policy.
- (4) Annual income also means the amounts derived (during the 12 month period) from assets to which any member of the family has access.

**See Appendix VII for listing** of income to be included in rent computations as provided by 24 CFR 5.609 (b) Annual Income.

**See Appendix VIII for listing** of income to be excluded in rent computations as provided by 24 CFR 5.609 (c) Annual Income.

**Income for admission shall not exceed** income limits as set forth by the Department of Housing & Urban Development (HUD). See Appendix II for current income limits.

**II. APPLICATIONS.** Applicants must complete a written application for admissions and placement on the waiting list. Applications shall be signed by the head of household, who must be of legal age (18 years of age or an emancipated adult) as defined by the State of Ohio Law.

**A. ACCEPTANCE.** Application must be time and date stamped upon receipt from the applicant. Bedroom size shall be determined at this time based upon family composition and LMHA occupancy standards.

All applicants shall be fingerprinted at the time of application submission and execute a release form for local police/background checks to determine if the applicant's admittance would have a detrimental effect on other tenants or on the development environment. For good cause, the Executive Director or his designee may waive the fingerprinting of an applicant (medical; hospitalization, etc.)

The Executive Director or his designee may authorize the acceptance of an application through the mail when due to extenuating circumstances; the applicant is unable to return the application in person. The applicant will not be placed on the waiting list until all required documentation is received by LMHA.

**B. INFORMATION REQUIREMENTS.** In order to determine an applicant's eligibility, the following information must be provided:

- (1) Names of all family members to reside in the LMHA unit;
- (2) Sex of family members;
- (3) Relationship of family members;
- (4) Birth dates of family members;
- (5) Income/Asset information of family members;
- (6) Social Security number verification of each member of the applicant's household who is at least six (6) years of age or a certification that no SSN's have been assigned to the applicant and/or member of the applicant's family;
- (7) Evidence of citizenship or eligible immigration status;
- (8) Documentation for local preference claims; and
- (9) Other documentation as required by PHA policy.

Housing Authority personnel shall photo-copy original documents, i.e. birth certificates, marriage licenses, social security numbers, etc. for the applicant file. All information shall be subject to verification.

**When an LMHA household separates** and both co-heads desire to remain in LMHA housing, one may retain the present LMHA unit and the other must apply through the LMHA Admissions Office and pass the screening criteria.

**C. CHANGES.** Applicants are required to notify the Admissions Office in writing, within fourteen (14) business days of any change in address, telephone number, family composition, income/assets, or local preference claims.

**D. WAITING LIST.** A county-wide waiting list shall be maintained for admission to LMHA public housing. The waiting list shall be maintained by bedroom size. The waiting list remains open.

**E. TENANT SELECTION AND ASSIGNMENT PLAN.** Applicants shall be selected in sequence by eligibility date and local preference priority for appropriate size units.

**F. FAMILY COMPOSITION CRITERIA.** The Admissions Department shall utilize the following guideline when housing applicants:

- (1) No more than two (2) persons shall be required to occupy a bedroom
- (2) Persons of different generations and unrelated adults shall have separate bedrooms (a different generation is defined as a difference of ten (10) years) (2-11-03)
- (3) Children of the same gender may share a bedroom (other than those falling in the different generation category). Adults of the same gender may choose to share a bedroom regardless of age to facilitate the need for family support.
- (4) Children of the opposite gender shall share a bedroom until the older child reaches the age of five (5) unless documentation is provided by a physician, health professional or agency that it is beneficial for the children to be in separate bedrooms.
- (5) Families needing a unit that is larger than the size recommended by LMHA occupancy standards due to a physical or mental handicap of a household member, shall be allowed to apply for the larger unit upon documentation of the need.
- (6) Upon request by the applicant, the applicant may be placed on the waiting list for a smaller size unit than that which the PHA would be required to assign based on the suggested occupancy guidelines provided the request would not result in overcrowding.

**The Housing Authority shall use the following table as the guideline in assignment of units in addition to the preceding criteria.**

Number of bedrooms	Number of persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	4	6
4	6	8
5	8	10
6	10	12

**The Housing Authority reserves the right to permit a lower level of occupancy for units for which no applicants exist on the waiting list for a particular size. Additionally, the Housing Authority may, at its discretion waive the policy of “children of the opposite sex shall share a bedroom until the older child reaches the age of five (5)”, when due to vacancies it will be advantageous to offer the applicant family a unit wherein the children shall have separate bedroom prior to the older child reaching the age of five (5). Additionally, the Housing Authority will approve an additional bedroom for an applicant who cares for foster children.**

**At no time, may a single person be offered a two (2) bedroom unit. (24 CFR 5.405 [c] [1]).**

**Occupancy by police officers to provide security for public housing residents.** For the purpose of increasing security for residents of a public housing development, the PHA may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. When warranted, to increase security in the Development, LMHA will permit one unit per Development to be occupied by an officer who would otherwise be ineligible for occupancy (this is in addition to the police substation located within the Developments at Leavitt Homes, Westview Terrace, and Wilkes Villa). The officer will pay the LMHA flat rent amount for the size unit occupied. The officer will sign the lease utilized by all LMHA residents.

**G. PRE-VACANCY REPORT.** When necessary, the Housing Authority may utilize a pre-vacancy report whenever possible in the assignment of units. AMP Managers notify the Admissions Department of the anticipated date of the vacancy. This report is maintained in the same format as the vacancy report, i.e. by AMP, address, bedroom size, etc. Applicants are offered available units by employing the pre-vacancy report whenever possible.

In some instances, a tenant may vacate without prior notice and the unit must be placed directly on the vacancy report, therefore by-passing the pre-vacancy report. The pre-vacancy report cannot be utilized when there are few applicants waiting for certain bedroom sizes and they are offered units directly from the vacancy report.

**H. ASSIGNMENT.** At the time of selection, the applicant shall be referred for placement in accordance with the following plan:

**LMHA shall offer the applicant** first in sequence on the waiting list one (1) unit of the appropriate size and type appropriate to the applicant's needs. The unit offered shall be appropriate size and type with the earliest vacate date. If the applicant refuses the unit "without good cause", the applicant shall be dropped to the bottom of the appropriate size waiting list. "With good cause" is defined by the following:

- (1) **Inaccessibility or lack of transportation to source** of employment, education or job training, children's day care, education program for children with disabilities, or a change in school districts. Additionally, "good cause" would also be given if acceptance of the unit offer would require a household member to quit a job, drop out of an educational institution, take a child out of daycare, remove a child from an educational program for children with disabilities or cause a child to change school districts.
- (2) **The family demonstrates** to LMHA's satisfaction that the acceptance of the offer will place a family member's life, health, or safety in jeopardy. The family must offer specific and compelling documentation such as restraining orders, other court orders or documents from a law enforcement agency. Reasons must be specific to the family.
- (3) **A health professional verifies** temporary hospitalization or recovery from illness of the principal household member, other household members (must be listed on final application) or live-in aide necessary to the care of the principal household member.
- (4) **The unit is inappropriate** for the applicant's or a household member's disabilities.

**Refusals due to location alone do not qualify for the good cause exemption.**

**The applicant must document** to LMHA's satisfaction that the hardship claimed is good cause for refusing the offer of housing. **If good cause is verified**, the refusal of the offer shall not require the applicant to be dropped to the bottom of the waiting list or otherwise affect the family's position on the waiting list.

**LMHA shall maintain in writing** the location, date, and circumstances of each offer and each acceptance or refusal in the applicant's file which is subject to audit.

**LMHA approved transfers**, based on the LMHA transfer policy, shall take precedence over new admissions.

**I. REMOVAL FROM THE WAITING LIST. The Housing Authority will document** in each applicant's file the date and reason the applicant's name was removed from the waiting list. Other than ineligibility, the PHA may remove an applicant from the waiting list for the following reasons:

- (1) At the request of the applicant
- (2) The applicant no longer meets the eligibility requirements for the property or program.
- (3) Non-compliance with supplying required documents.
- (4) Failure to attend the required orientation (applicants are given two opportunities to attend; additional consideration given with medical documentation).
- (5) The applicant is unable to obtain utility service (gas or electric) to enable the applicant to lease the unit offered
- (6) Mail sent to the applicant's address is returned as undeliverable and LMHA is unable to reach the applicant by phone or a forwarding address was not provided by the Post Office
- (7) The applicant fails to lease the unit accepted.
- (8) The applicant has been offered a unit in every Development and has refused all units. LMHA is unable to assist the applicant with housing.

**J. UNIT ACCESSIBILITY. The Housing Authority will adhere** to the following assignment of units with special accessibility features for individuals with handicaps. Accessible units must be offered in this order to:

- (1) A current occupant living in a non-accessible unit who requires the accessibility features of a handicap accessible unit;
- (2) An eligible applicant on the waiting list having a handicap requiring the accessibility features of the vacant unit;
- (3) An applicant who does not have handicaps requiring accessibility, with the PHA requiring the applicant to agree to move to a non-accessible unit if an applicant/tenant requires the accessible unit. In addition, when an accessible unit is available and there are no applicants/current tenants requiring the unit, LMHA will approach organizations i.e. Easter Seals, LEAP/CIL, advising a unit is available to enable the organization to recommend an income eligible qualifying family to apply.

**III VERIFICATION.** All factors affecting eligibility at initial application, initial lease, interim recertification and annual recertifications shall be verified. All verifications will be documented in the applicant's file to enable HUD to audit the file.

**A. RESPONSIBILITY FOR INITIAL DETERMINATION, ANNUAL AND INTERIM RECERTIFICATION**

**(1) RECERTIFICATION.** The PHA is responsible for determination of eligibility for admission; for determination of annual income, adjusted income, and total tenant payment; and for recertification of family income and family composition at least annually. As used in this part, the "effective date" of a certification or recertification refers to:

- (a)** in the case of an examination for admission, the effective date of initial occupancy; and
- (b)** in the case of a recertification of an existing tenant, the effective date of the new rent amount as determined in accordance with HUD regulations.

**(2) INTERIM RECERTIFICATION PROCEDURE.** The tenant rent will remain in effect for the period between the regularly scheduled certifications barring any changes which must be reported in writing by the tenant within fourteen (14) business days of the change to LMHA (either at the Development office or through direct mailing to LMHA). The changes which must be reported are:

**(a)** a change in family composition. The tenant must report all changes in household composition.

**(1)** If a new dependent is added to the household, the head of household has 60 days to provide the new dependent's birth certificate and social security card. If the social security card can be provided, a crib card or birth letter may be used until the birth certificate is received. If the required documents are not received, the head of household shall have an additional 30 days to provide the required documents. If the documents are not received within 90 days, a termination of lease may be initiated. No dependent deduction can be given without the required documents.

**(2)** If the head of household leaves the leased unit and an adult remains in the household, the remaining family member may assume the head of household and enter into new leases provided utilities can be placed in their name. If the head of household is deceased and there are no adults remaining in the household, only minors, a family member or guardian may request to assume the leased unit to care for the minors. The family member must go through the screening process (income eligibility; criminal history, etc) in order to become the head of household. The family member or guardian may temporarily reside in the unit until the screening process is complete. The family member or guardian must be able to place the utilities in their name.

- (b) a report of the following changes which would result in a decrease in the tenant's rent amount:

.....a decrease in income that lasts in excess of 30 days, except that...if the decrease is a result of the tenant's TANF assistance being reduced specifically because of fraud or failure to participate in an economic self-sufficiency program or comply with a work activities requirement, such families must not have the public housing rent reduced based on the benefit reduction. The prohibition on reduction of public housing rent is applicable only if the welfare reduction is neither the result of the expiration of a lifetime time limit on receiving benefits, nor a situation where the family has complied with welfare program requirements but cannot obtain employment. After receiving a request for income recertification and rent reduction predicated on a reduction in tenant income from welfare, the PHA may deny the rent reduction request only after obtaining written verification from the welfare agency that the family's benefits have been reduced because of non-compliance with the economic self-sufficiency program or a work activities requirement or because of fraud. If a rent reduction based on the above circumstances is denied, the tenant has a right to an administrative review through the PHA's grievance procedure.

- (c) an increase in allowances or deductions

**Decreases in rent will be effective** the first day of the month following the change in circumstances, provided the change was reported in a timely manner (within 14 business days of the change).

**The tenant must report the following** factors which could result in an increase in the tenant rent:

- (1) **All increases in household** income except that:
- (a) LMHA will only increase a tenant's rent if the gross monthly household income increases by a minimum of \$200.00, unless the increase is a result of a new income source. A tenant living in Harr Plaza or International Plaza will only see their rent increase if the gross monthly income increases by \$200.00.
  - (b) The PHA cannot increase a public housing tenant's rent for a period of 12 months when the annual income increases as a result of new employment or increased earnings if the increase in income results from:

- ▶ earnings from a previously unemployed family member (must have been unemployed at least 12 months) or the family member has earned, in the twelve months previous to employment, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.
- ▶ earnings of a family member during participation in a self-sufficiency or job training program.
- ▶ earnings of a family member that currently receives or within six months after receiving assistance, benefits, or services under any state program for Temporary Assistance to Needy Families funded under Part A of title IV of the Social Security Act. The TANF program is not limited to monthly income maintenance, but also includes such benefits and services as one-time payments, wage subsidies and transportation assistance—provided that the total amount over a six-month period is at least \$500.

**After the 12-month disallowance**, a family's rent must be phased in. The phased-in rent cannot increase as a result of the earned income by more than fifty percent (50%) for an additional 12 months.

**(2) Change in family** (which could either provide additional income to the household or reduce the deductions and allowances for which the family qualifies to the extent the increase in income exceeds \$200.00 and is a new source).

**(3) Receipt of a deferred payment** in a lump sum which represents the delayed start of a periodic payment, i.e. unemployment, TANF, workman's compensation, etc. (SS and SSI amount are excluded per federal regulations).

**Increases in rent will** be effective the first day of the second month following the change, provided the change was reported in a timely manner (within 14 business days of the change.)

**3. UNREPORTED INCOME POLICY. Tenants are required to report** income changes in writing within fourteen business (14) days of the change. Wherein the tenant fails to report an income change that results in an increase in rent, the rent shall be effective the first day of the month following the month in which the change occurred. The tenant will be responsible for the retro-active rent amount, which is the difference between what the rent would have been had the change in income/family composition been reported as required, and the amount the tenant was charged for monthly rent.

**At the discretion of the AMP Manager**, a repayment plan may be offered to the tenant for the retroactive rent amount. Should the AMP Manager determine that deliberate and willful misrepresentation has occurred; the AMP Manager may proceed with a lease termination rather than offer the repayment agreement. If a repayment agreement is offered, the agreement shall adhere to the following schedule of payment.

\$1.00	to	\$300.00	up to 4 months
\$301.00	to	\$500.00	up to 6 months
\$501.00	to	\$800.00	up to 9 months
\$801.00	to	\$1000.00	up to 12 months
\$1001.00	to	\$1500.00	up to 15 months
\$1501.00	to	\$2000.00	up to 18 months
\$2001.00	to	\$2500.00	up to 24 months

Any deviation from the above schedule must be approved by the AMP Manager along with securing the approval of the Operations Manager, Assistant Director, or the Executive Director. **Please note: “up to” does not mean that the maximum number of months must be given.**

**The above repayment policy for unreported income shall also** be used when a repayment agreement is approved for maintenance and/or other charges.

## **B. INTERVIEW FORMS**

### **1. AUTHORIZATION FOR RELEASE OF**

**INFORMATION/PRIVACY ACT NOTICE (HUD9886) All public housing or applicant adult (18 years of age and older) family member, and spouse (regardless of age), are required to sign** a HUD form 9886, Authorization for Release of Information/Privacy Act Notice. The release will be used by the PHA to obtain asset/income information to determine the applicant’s income eligibility. The release may also be used between regularly scheduled recertifications in the event unreported income is suspected. Each consent form expires fifteen (15) months after signature. LMHA will review with applicants and tenants the Release/Notice HUD 9886 which explains:

- ▶ how the information provided by the applicant will be used by HUD/PHA
- ▶ HUD’s restriction on disclosure of information
- ▶ that additional information requested by the PHA pertains to HUD eligibility requirements.

**2. PERSONAL DECLARATION FORM.** The head of household will be required to complete a Personal Declaration Form in order to complete the application process, or to complete an interim/annual certification. The Personal Declaration Form is a statement in the tenant's own handwriting providing income/asset information, family composition information. The use of this form is recommended by HUD's Inspector General.

**C. VERIFICATION PROCEDURES.** Verification in applicant files may not be more than 90 days old. Time limits do not apply to information that does not need to be recertified, i.e. age, birth certificates, etc. Five (5) methods of verification are acceptable to HUD. They are in order of acceptability:

**1. UP-FRONT VERIFICATION (EIV).** The PHA will utilize up-front income verification tools, including TASS and the Work Number, whenever possible. The EIV Policy is an addendum to the Admissions and Continued Occupancy Policy. The EIV information, which LMHA can secure through HUD REAC, provides income information from employers, unemployment, and the Social Security Administration. At a minimum, EIV or Third Party employment verifications must contain the following information:

- a. regular and overtime hours anticipated
- b. overtime hours for the past 12 months
- c. current rate of pay
- d. anticipated date of salary increases and the amount
- e. date of hire, date of lay-off, or termination date

**2. THIRD PARTY WRITTEN.** Third-party written verification is used to verify information directly with the source. Third-party written verification forms will be sent and returned via first-class mail and/or fax. The family will be required to sign an authorization form allowing the information source to release the information to the PHA. Two (2) attempts to obtain third-party written verification will be made before relying on another method. Verifications received electronically directly from the source are considered third-party written verifications. A total of three (3) weeks will be allowed for the return of the two (2) attempts to verify third-party written verifications. If third-party written verification is not used, the PHA will document the reasons in the file. Verifications are valid for 90 days from date of receipt. Verifications may be extended for an additional 30 days with a telephone update (a record of the update, included the name and title of the individual contacted must be placed in the applicant/tenant file). Verifications not subject to change (date of birth, place of birth) need not be re-verified.

**3. THIRD-PARTY ORAL VERIFICATION.** Oral third-party verification will be used when written third-party verification is delayed or impossible to obtain. When third-party oral verification is used, PHA staff will be required to document with whom they spoke, the date of the conversation, and the facts provided. If oral third-party is provided by telephone, the PHA must originate the call. If third-party verification is not available, the PHA will compare the specified information to any documents supplied by the applicant/tenant.

**4. REVIEW OF DOCUMENTS.** In the event that third-party written or oral verification is unavailable or the information has not been verified by a third-party within three (3) weeks, the PHA will annotate the file accordingly and utilize documents provided by the family as the primary source if the documents provided contain complete information.

All such documents will be photocopied and retained in the applicant/tenant file. When documents cannot be photocopied, PHA staff viewing the documents will attest to the validity of the document. The PHA will accept the following documents from families providing that tampering with such documents can be easily noted:

- ▶ printed wage stubs with the individual's social security number printed on the wage stub
- ▶ computer print-outs from employers
- ▶ signed letters (provided the information is confirmed by telephone)
- ▶ other documents identified by the PHA as acceptable verification (i.e. W-2 forms; 1099 forms, etc.)

**The PHA will accept** faxed documents. The PHA will not accept photocopies provided by the individual without the ability to check for accuracy. If third-party verification is received after documents have been accepted as provisional verification and there is a discrepancy, the PHA will contact third-party sources and the family to resolve the differences.

**The PHA will allow up to** fourteen (14) business days for families to provide documents when third-party verification is impossible to obtain.

**5. SELF-CERTIFICATION/SELF-DECLARATION.** When information cannot be verified by a third-party verification or a review of documents, families will be required to submit a self-certification. Self-certification is defined as a notarized statement signed under penalty of perjury in the presence of a witness. The PHA will allow up to fourteen (14) business days for a family to provide a self-certification or self-declaration if other forms of verification are impossible to obtain. The PHA will document in the file the ability to obtain EIV, third-party written, third-party oral, or review of documents. Self-certification will only be used as a last resort to complete a applicant/tenant certification.

**IV. RENTS.** As indicated by HUD's Notice of Initial Guidance, published February 18, 1999, the rent provisions are effective for families as they are admitted, re-examined or re-certified, on or after October 1, 1999. The 1998 Act requires PHA's to give families a choice among options for rents. The options provided must include at least a flat rent amount and an income-based rent amount. This choice must be given to each family annually. PHA's must provide residents with enough information to make an informed choice. For example, the PHA could provide the family with both the income-based rent amount and the flat rent amount for the unit. LMHA shall provide each applicant/tenant the choice of the following:

► **Income Based Rent:** The monthly rental amount, including any applicable utility allowance, calculated under this method must not exceed the highest of the following:

- 30% of the family's monthly adjusted income
- 10% of the family's monthly gross income

► **Minimum Rent:** The monthly rental amount cannot be less than the minimum rent set forth by the PHA. LMHA's minimum rent for public housing units is zero (-0-).

The QWHRA established certain exceptions to the minimum rent requirements for hardship circumstances. Since the PHA's minimum rent is zero (-0-), the exceptions to the minimum rent are not applicable.

► **FLAT RENTS.** Flat rents are intended as an incentive for residents to remain in public housing after than have attained a level of self-sufficiency. The Act requires flat rents be set at "rental value", which HUD interprets to be reasonable market value. LMHA shall review flat rents annually. A flat rent is the amount the family pays directly to LMHA for a specific bedroom size. LMHA arrived at the flat rent amounts by establishing the cost per bedroom as reflected by the current year budget operating expenditures. Flat rents are not applicable to Harr Plaza or International Plaza. The family is responsible for the gas and electric.

**The following flat rent amounts are effective 7-01-10.**

Bedroom size	Flat rent amount
0	350.00
1	410.00
2	470.00
3	630.00
4	750.00
5	820.00
6	890.00

The 1998 Act requires a PHA to immediately switch a family from a flat rent to an income based rent if the PHA determines that the family has a financial hardship circumstance. When the family requests a change, LMHA will conduct an examination of the family's income in order to switch the family to an income-based rent amount. The rent will change to an income-based rent amount the first of the month following the month the family reported the hardship. Once the family switches to an income-based rent, the family may not return to the flat rent until the next scheduled annual recertification. LMHA will consider the following circumstances a hardship:

- loss or reduction of employment
- death in the family
- increase in the family's expenses for medical costs

- ▶ increase in child care costs
- ▶ transportation or education costs

**V MISREPRESENTATION. Warning:** Title 18, Section 1001 of the United States Code, states that a person is guilty of a felony for knowingly and willingly making false or fraudulent statements to any Department Agency of the United States.

**VI PET OWNERSHIP. Pet owners interested** in residing in LMHA owned units, may request a pet policy from the Admissions Office or from the AMP Manager. The complete Pet Policy is found in Appendix X of the ACOP. LMHA, as an owner and manager for projects for the elderly, disabled, or handicapped, will not:

- A. As a condition of tenancy or otherwise, prohibit or prevent any tenant in LMHA housing from owning common household pets or having such pets living in the tenant's dwelling unit; or
- B. Restrict or discriminate against any person in connection with admission to, or continued occupancy of, LMHA housing by reason of the person's ownership of common household pets or the presence of such pets in that person's dwelling unit.

**VII EXCLUSION FOR SERVICE ANIMAL. The LMHA Pet Policy shall not apply** to service animals who meet the descriptions set forth in this Policy. "Service animals" are defined by Civil Rights Division of the U.S. Department of Justice as "any guide dog, signal dog, or other animal individually trained to provide assistance to an individual with a disability". Service animals are permitted in the developments to assist residents and/or visitors and guests of residents. LMHA will make a "reasonable accommodation" with regard to service animals. The animal, considered to be a service animal, may not necessarily perform physical assistance for the disabled individual but may be required to be an emotional support or medical support service animal. A physician/psychiatrist must provide documentation stating the necessity for the service animal. Service animals are not required to meet the weight restriction listed in the pet policy. Certain breeds, which may be restricted by the pet policy, may be permitted as a service animal when required by the physician, provided an undue financial burden is not placed on the Housing Authority. For instance, a resident requiring a service animal which is of a restricted breed, may be required to purchase liability insurance naming LMHA as an additionally insured on the policy. Service animals must be muzzled when they are outside the leased unit. The resident is required to remove waste deposited by the service animal. Any resident interfering with or injuring a service animal may be subject to lease termination.

**VIII GRIEVANCE PROCEDURE. The purpose of the grievance procedure** is to assure a PHA tenant is afforded an opportunity for a hearing if the tenant disputes any PHA action or failure to act, involving the tenant's lease with the PHA or PHA regulation which adversely affects the individual tenant's rights, duties, welfare or status. The tenant must notify the PHA within five (5) business days of the occurrence which they wish to grieve.

**The PHA may bypass** the grievance procedure and move to judicial evictions in cases involving any activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other tenants or employees of the PHA, or any drug-related criminal activity on or off such premises.

**IX SCATTERED SITE HOUSING.** Scattered site housing shall be available to current LMHA residents meeting the scattered site transfer criteria (see Appendix VI for complete criteria).

**X NON-DISCRIMINATION.** LMHA will not discriminate against any applicant based on the following:

- ▶ Race, color or national origin
- ▶ Religion
- ▶ Sex
- ▶ Disability
- ▶ Age
- ▶ Marital status
- ▶ Family composition

**LMHA will comply with all** Civil Rights laws, including but not limited to:

- Title VI of the Civil Rights Act of 1968, which forbids discrimination on the basis of race, color, religion, national origin or sex.
- Title VIII of the Civil Rights Act of 1968 (as amended by the 1974 HCDA and the Fair Housing Amendments Act of 1988), which extends protection against discrimination based on disability and familial status, and other forms of prohibited discrimination.
- Executive Order 11063.
- Section 504 of the Rehabilitation Act of 1973, which describes housing rights of persons with disabilities.
- The Age Discrimination Act of 1975 which establishes certain rights of the elderly.
- Title II of the Americans with Disabilities Act, otherwise Section 504 and the Fair Housing Amendments govern.
- Any applicable State laws or local ordinances, and
- Any legislation protecting the individual rights of tenants, applicants, or staff that may subsequently be enacted.

**XI ETHICAL STANDARDS.** The Lorain Metropolitan Housing Authority (LMHA) shall prohibit the solicitation or acceptance of gifts, in excess of a nominal value by and officer or employee of the PHA, or any contractor, subcontractor, or agent of the PHA. Employees violating the LMHA "Ethical Standards Code" shall be subject to disciplinary action up to and including termination. The disciplinary action shall be commensurate with the violation.

**XII GENERAL PROVISIONS. Amendment Clause.** LMHA reserves the right to interpret, amend, cancel, or waive any provision of this policy under special circumstances, provided such action is consistent with Federal and State laws and the general purpose of Public Housing.

- The sum of the following, to the extent the sum exceeds 3% of annual income: Un-reimbursed medical expenses of any elderly family or disabled family;  
Un-reimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with a disability, to the extent necessary to enable any member of the family (including the member with a disability) to be employed.

#### LOCAL PREFERENCES

HUD has repealed the federal housing preferences. Housing Authorities may apply local preferences in assigning housing units. LMHA has chosen to use the following local preferences:

- Veterans/serviceman or family of veteran and/or serviceman
- Applicants who have been employed for a minimum of 90 days (without regard to the amount earned)
- Applicants who live or work in Lorain County
- Applicants who are paying more than 50% of the family's monthly gross income toward rent and utilities for a minimum of 90 days (lease for unit must be in applicant's name)
- Applicants who are leaving the Shelter + Care Program due to budgeting constraints
- Displacement by government action (Documentation will be accepted from local, state or federal government agencies)
- Homeless (An applicant must provide documentation certifying they are homeless. Documentation will be accepted from the Haven Center, Lorain; Catholic Charities Family Center, Lorain; the Urban League, Elyria; the Oberlin Community Services, Oberlin; or other agencies as deemed appropriate by the PHA)
- Displacement by natural disaster. LMHA will give a first and foremost preference to families who are victims of natural disasters. For the purpose of this preference, natural disasters include but are not limited to victims of floods, tornadoes, hurricanes and tsunamis. Proper documentation includes, but is not limited to, written statements from disaster relief agencies, such as Federal, State, or local Emergency Management Agencies, the Red Cross and other Federal, State or local agencies either within or outside the jurisdiction where the natural disaster has been declared. This preference will be afforded up to one (1) year after the declaration of the natural disaster.
- Applicants whose household includes a child receiving social security benefits for a disability

Elderly/disabled applicants are afforded the same preference as an applicant employed a minimum of 90 days.

Preferences will be aggregated except for the Displacement by natural disaster.

SCHEDULE, WATER SURCHARGE

SCHEDULE AND UTILITY  
ALLOWANCE SCHEDULE**

## LORAIN METROPOLITAN HOUSING AUTHORITY AIR CONDITIONING POLICY

24CFR Section 965.505(e): "If a PHA installs air conditioning, it shall provide, to the maximum extent economically feasible, systems that give residents the option of choosing to use the air conditioning in their units. The design of systems that offer each resident the option to choose air conditioning shall include retail meters or checkmeters and residents shall pay for the energy used in its operation. For systems that offer residents the option to choose air conditioning, the PHA shall not include air conditioning in the utility allowance. For systems that offer residents the option to choose air conditioning but cannot be checkmetered, residents are to be surcharged in accordance with 965.506."

Because HUD is enforcing this requirement in the federal regulations, Lorain Metropolitan Housing Authority (LMHA) has developed this policy regarding the installation and monitoring of air conditioners (a/c) and the surcharges for the use of air conditioners.

LMHA provides a/c units for each apartment in the high rises. These residents pay no utilities (except at the Westgate building 2310 W 20<sup>th</sup> Street, Lorain, where the tenant pays for electricity only). LMHA has calculated the cost of operating an air conditioner for a typical cooling season and divided it by 12 to determine the monthly surcharge to be assessed to the resident. The surcharges will be spread out over 12 months so that the residents are not burdened with higher costs during the cooling season. (See attachment entitled "Calculation of the Cost to Operate an Air Conditioner in Northern Ohio".)

High rise tenants who do not want to use their LMHA-provided a/c may request *in writing* that their a/c unit be disabled. Written requests must be submitted to the Public Housing Manager, who will generate a work order for this service. In such cases, the tenant will not be surcharged for the use of the air conditioner nor will they be charged for the a/c to be disabled. These requests **MUST** be made in writing.

Tenants who desire air conditioning in the family developments (i.e., Leavitt Homes, Westview Terrace, Wilkes Villa, Southside Gardens, Oberlin Homes pagodas, and the Scattered Sites) must provide their own window a/c. LMHA restricts the size of these a/c units to 6000 BTU and will permit a maximum of two (2) air conditioners per floor. It is necessary for LMHA maintenance staff to install the tenant-provided air conditioner to ensure that the a/c units are safely and properly installed. The tenant pays for this installation.

Tenants in the family developments must generate a request via the work order system for their air conditioner to be installed. If there is only one window in the room in which the tenant requests the a/c to be installed, then LMHA will utilize a device called EZ-OUT. This device permits the occupants to exit the room via the window in case of emergency. Tenants will be surcharged for *each* a/c unit installed in their apartment. Tenants who install an a/c without permission will be issued a 24-hour notice to either remove it or to generate a request for LMHA to install the air conditioner. If the tenant fails to comply within 24 hours, then LMHA will enter the unit and remove the a/c for a fee. (See attachment entitled "List of fees for Air Conditioning" for current a/c surcharges and installation fees.)

### **Implementation of the surcharge**

Surcharges for the operation of an air conditioner will be on the rent statement every month of the year in addition to the tenant's rent (plus any other charges for maintenance, late fees, etc. for which the tenant may be responsible).

Tenants who move in during the cooling season (June, July, August and early September) and who use their air conditioning will be surcharged at the same rate as any other resident who moved in prior to June. It is assumed that the air conditioner will be used again next year and therefore a 12-month surcharge period is appropriate.

#### **Exemptions from surcharges for air condition usage**

Residents who have no income and hence pay no rent may qualify for a hardship exemption from the monthly surcharge for the use of their air conditioner. Residents with disabilities are encouraged to contact other agencies, such Medicaid/Medicare, Lorain County Jobs and Family Services, Lorain County Community Action Agency, United Way, etc., that may be able to assist in the payment of surcharges for air conditioning.

Residents must submit their written request for an exemption to their Public Housing Manager along with any documentation that they feel will support their request for exemption. The manager will submit the request to the Executive Director for review. Request for exemption from payment of the surcharges will be considered on a case- by- case basis.

#### **List of installment charges for air conditioners**

- \$100.00.....Install a/c in room with only one window (using EZ OUT device)
- \$ 45.00.....Install a/c in room with more than one window
- \$ 30.00.....Reinstall a/c with the EZ OUT next year (Tenant must store their EZ OUT device)
- \$ 30.00.....Remove an illegally installed a/c unit

## Annual Surcharges for Air Conditioning

Annual surcharges are calculated based on the cost to operate an air conditioner during the cooling months (Jun 1-Sep 14). Annual surcharges are assessed June 1 every year. Surcharges in family sites are for tenant-provided window air conditioners at a maximum size of 6000 BTU.

## LMHA Water Surcharges

The LMHA dwelling units that have water meters that can be used as check meters shall be subject to water surcharges. The surcharges are developed by using the national average consumption data for specific bedroom sizes in the Section 8 Handbook and applying the current water and sewer rates for the community in which the unit is located. Based on current national average consumption for water, any unit that uses above the amount of water listed in the following table shall be subject to surcharges.

1 Br	7 CCF
2 Br	10 CCF
3 Br	12 CCF
4 Br	15 CCF
5 Br	17 CCF
6 Br	19 CCF

The cost for each CCF used above the amount in the chart shall be \$5.41 for units located in Lorain; \$6.24 for units located in Elyria; and \$11.79 for units located in Oberlin. For example, if you are living in a 3 bedroom unit in Lorain and you use 14 CCF, your surcharge will be \$10.82 ( $\$5.41 \times 2$  CCF above the average of 12 CCF). If you are living in a 2 bedroom unit in Elyria and you use 14 CCF, your surcharge will be \$24.96 ( $\$6.24 \times 4$  CCF above the average of 10 CCF)

Annually the Authority will review the basis on which utility allowances have been established in order to continue adherence to the standards in 24 CFR 965.505.

Request for an exemption from the surcharge for excess water consumption may be granted by the Authority on reasonable grounds such as special needs of elderly, ill or disabled residents, or special factors affecting utility usage not within the control of the resident.

Requests for exemption of the surcharge should be presented in writing along with documentation justifying the request for the exemption to the Manager's Office. The Manager will forward the request to the Executive Director for consideration.

**APPENDIX VIII**

**DECONCENTRATION POLICY**

**IMPLEMENTATION OF DECONCENTRATION POLICY  
AS REQUIRED BY THE QUALITY HOUSING AND  
WORK RESPONSIBILITY ACT OF 1998 (QHWRA)**

In order to achieve a greater income mix, LMHA offers a local preference to individuals who have been employed a minimum of 90 days. These residents have a greater preference than an applicant who may only live in Lorain County. When LMHA instituted this preference, federal regulations prohibited giving the preference on the amount earned, therefore, the preference was given to an applicant family employed a minimum of 90 days, regardless of amount earned.

The Quality Housing and Work Responsibility Act of 1998 (QHWRA) permits the PHA to consider a number of approaches to achieve the goals of deconcentration and income mixing, such as skipping over certain families on the waiting lists based on income; the establishment of certain preferences, such as working preferences; additional applicant consultation and information; and rent incentives authorized by QHWRA. Since it was prohibited to grant a local preference based on the amount earned, LMHA does not plan to skip over certain families based on income. Families will continue to be housed based on the number of preferences for which they qualify.

At this time, LMHA would continue to use the current local preferences, which include the aforementioned working preference. Additionally, as an enticement to employed individuals, LMHA will grant a permissive deduction to working families for medical insurance premiums withheld from the employed applicant's/resident's gross pay.

LMHA has established flat rent amounts for units based on bedroom size. By offering an applicant the choice of paying 30% of adjusted income or a flat rate based upon the size unit needed, LMHA hopes to attract the working families in need of affordable housing.

**LORAIN METROPOLITAN HOUSING AUTHORITY

EIV POLICY**

**LMHA will use** the Enterprise Income Verification (EIV) provided by HUD to determine if residents/participants are disclosing all household income.

**LMHA will advise** applicants, Section 8 participants, and Public Housing residents of the PHA's ability to compare the income they are disclosing to the income reported through State Wage Income Collection Agencies, Social Security benefits, and Unemployment benefits.

**LMHA will review** the EIV system 90 days after admission of an applicant to assisted housing to determine if the applicant disclosed all income at the time of admission to assisted housing.

**When the income information supplied** by EIV reveals an employer or other income source that the resident/participant did not disclose, LMHA will request the undisclosed employer or other income source to furnish any information necessary to establish the correct level of assistance in a covered program.

**Resident/participants who fail to disclose** all income will be required to repay the Housing Authority the overpayment amount resulting from the non-disclosure. In addition the resident/participant being required to repay money owed from failure to disclose all income, it is also possible LMHA will initiate an eviction action or terminate the participant from the Section 8 program.

**LMHA will not suspend or terminate** any resident/participant until the resident/participant has received a notice advising of the findings and informing the resident/participant they have 30 days to contest the findings.

**Factors used to determine** the appropriate action to be taken will be the length of time the income was unreported, the amount of money the resident/participant must repay, the number of times the resident/participant completed the Personal Declaration form and failed to disclose the income, and the number of times the resident/participant met with an LMHA employee and failed to disclose the income.

**If LMHA determines** it is in the best interest to offer the resident/participant a repayment agreement and permit the resident/participant to remain in subsidized housing, the following time frames shall apply to the repayment agreement:

\$1.00	to	\$300.00	up to 4 months
\$301.00	to	\$500.00	up to 6 months
\$501.00	to	\$800.00	up to 9 months
\$801.00	to	\$1000.00	up to 12 months
\$1001.00	to	\$1500.00	up to 15 months
\$1501.00	to	\$2000.00	up to 18 months
\$2001.00	to	\$2500.00	up to 24 months

**Any deviation from** the above schedule must be approved by the Section 8 Manager or the Public Housing Manager, along with securing the approval of the Director, Assistant Director, or the Operations Manager. The above reference payment schedule will be used for all overpayments resulting from non-disclosed income, whether is disclosed to LMHA under the EIV system or LMHA is able to detect unreported income through other means.

**For amounts in excess** of \$2500.00, the Director and Operations Manager will review the circumstances surrounding the overpayment with the Section 8 Manager/Public Housing Manager to determine a course of action.

**In instances where** the non-disclosure of income results in overpayments that exceed \$5000.00, the resident/participant's case will be referred to LMHA Legal Counsel for appropriate action. Any amounts exceeding \$2500.00 will also be reported to the Credit Bureau.

**HUD defines a substantial difference** as one that is \$200.00 or more per month. LMHA's interim policy does not require an interim rent change be processed unless the gross monthly income increases by more than \$200.00 per month unless it is an additional source of income, i.e. a resident/participant reporting zero income begins to receive income in the household (regardless of amount). The \$200.00 threshold for interim rent changes is applicable to LMHA's Public Housing, Section 8 New Construction, and the Enhanced Voucher Rental Assistance Program (Section 8).

**All LMHA Staff working with** the EIV will attend training to heighten their awareness of the safeguards which must be undertaken when using the EIV information. At least annually, employees will be reminded of the security and required safeguards required for EIV. LMHA employees will be advised of the penalties associated with the provisions of the Privacy Act of 1974.

**Employees will not** file a copy of the report in one person's file with another person's information included on the same report. If more than one person's information is on a page, the employee shall either:

- a. cut out the section applicable to the household;
- b. black out the other household's information; or
- c. not file the report in a tenant file folder and document the tenant file that staff reviewed HUD EIV wage information and note the information that was reviewed.

**LMHA staff shall properly** dispose of the EIV data as soon as it has met the audit requirements of the Housing Authority and the U.S. Department of Housing and Urban Development. All information contained in a resident/participant's file will be in a secure area.

**The proper disposal** of EIV originals and any documents created is shredding. The LMHA employee shall maintain a register of any EIV documents shredded.

**LMHA will keep** tenant files in a secure area. Access to the secure area will be limited to LMHA Staff or visitors escorted by LMHA Staff. Restricted areas will be marked clearly with appropriate signs.

**LMHA will restrict** access to EIV data only to those employees whose duties and responsibilities require access in order to determine the appropriate level of rental assistance.

**LMHA Staff using** the EIV system must sign a User Agreement.

**LMHA will conduct** a quarterly review of all User ID's issued to determine if the Users still have a valid need to access the EIV data.

**COMMUNITY SERVICE  
ADMINISTRATION POLICY**

# **LORAIN METROPOLITAN HOUSING AUTHORITY**

## **ADMISSIONS AND CONTINUED OCCUPANCY POLICY**

### **COMMUNITY SERVICE ADMINISTRATION POLICY**

The Quality Housing and Work Responsibility Act of 1998 (960.603) requires that each adult resident of public housing must:

- a. Contribute eight (8) hours per month of community service (not including political activities); or
- b. participate in an economic self-sufficiency program for eight (8) hours per month; or
- c. perform eight (8) hours per month of combined activities as described in (a) and (b) of this section.

### **ELIGIBILITY FOR THE COMMUNITY SERVICE PROGRAM**

**To comply with the LMHA lease** (Page 13, Section A. item 13) all non-exempt residents 18 years and older will be required to perform eight (8) hours monthly of volunteer work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community in which the resident resides. Political activity is excluded.

**The public housing tenants exempt from the community service and self-sufficiency requirement are those:**

- 62 years of age or older
- A person with a vision impairment or a person with disabilities (as defined under 216 (i)(1) or 1614 of the Social Security Act (42 U.S.C. 416 (i)(1); 1382c) and who is unable to comply with this section; or the primary caretakers of such individuals.
- Meeting the requirements for being exempt from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act (42 U.S.C.601 et seq.) or under any other welfare program of the State in which the PHA is located, including a State-administered welfare-to-work program.

- Is a member of a family receiving TANF assistance, benefits, or service under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.); or under any other welfare program of the State in which the PHA is located, including a State administered welfare-to-work program and has been found by the State or other administering entity to be in non-compliance with such program.
- Engaged in work activities as defined under section 407 (d) of the Social Security Act (42 U.S.C. 607 (d)), specified below:
  - a. unsubsidized employment;
  - b. subsidized private-sector employment;
  - c. subsidized public-sector employment;
  - d. work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available;
  - e. on-the-job training
  - f. job-search and job-readiness assistance;
  - g. community service programs;
  - h. vocational educational training (not to exceed 12 months with respect to any individual);
  - i. job-skills training directly related to employment;
  - j. educations directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
  - k. satisfactory attendance at a secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and
  - l. the provision of childcare services to an individual who is participating in a community service program.

**Public Housing Agencies (PHAs) are encouraged** to consider 30 hours per week as the minimum number of hours for a work activity exemption as described in Section 407(d) of the Social Security Act (due to the lack of full-time jobs available within Lorain County, LMHA policy utilizes a minimum of ten (10) hours per week of gainful employment at the State of Ohio minimum wage of \$7.30 per hour or the equivalent [i.e. waitress hourly rate plus tips] for exemption), and implementation regulations 45 CFR Section 261.31 (a)(1). PHAs can use reasonable guidelines in clarifying this statutory list of work activities in coordination with the Temporary Assistance to Needy Families, (TANF) agency, as appropriate.

**Lorain Metropolitan Housing Authority has** also determined to include those residents who are considered to be exempt as an adult who is:

Employed in a position which has scheduled lay off periods annually due to the nature of the employment and/or seasonal calendar (i.e. lawn care employees, construction, teacher's aide, etc.)

## **COMMUNITY SERVICE PROGRAM ASSIGNMENT**

**At the annual review each household** will be reviewed. At that time an assessment will be made to establish the eligibility of the adult members for the Community Service Program. The PHA will notify the tenant(s) through U.S. Mail of their status in the Community Service Program. Each resident will be given an opportunity to provide documentation that establishes their compliance or exemption to this HUD mandated program.

**If the resident is not** participating in voluntary work duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility, the PHA will refer the tenant to a collaborating agency so that the required service can be performed and documented. The collaborating agency will verify to the PHA that the tenant has been assigned to a community service project at their site. The tenant will be responsible to comply with the rules and regulations set forth by that agency in order to establish and fulfill their service requirement. The Agency will verify to the PHA on a monthly basis the attendance of the participant, the number of hours completed and other pertinent data as deemed necessary by the PHA.

## **RESULTS OF NON-COMPLIANCE TO COMMUNITY SERVICE PROGRAM**

**Because the Department of Housing and Urban Development has authorized the** Community Service Program is mandatory, each adult member who is not exempt from the Community Service requirement, must provide verification of the compliance to this regulation. The PHA will conduct a determination 30 days prior to the end of the lease period to ascertain whether the tenant or family member has fully complied with the total number of hours required by the Community Service Program. If the tenant or family member has not complied, the PHA must not renew the tenant's lease unless the PHA enters into an agreement with the tenant before the expiration of the lease period. The tenant is then permitted to achieve compliance with the delinquent hours by participating in an economic self-sufficiency program or by contributing community service for the additional hours needed to comply in the aggregate over the following 12 month lease term.

**If the tenant does not comply** with this requirement, the PHA will notify the tenant of their non-compliance. The PHA will issue a notice of lease termination to the tenant stating the specific grounds for termination and advise the tenant that they may request a grievance hearing on the PHA's determination of noncompliance in accordance with Part 966, subpart B and that the tenant may exercise any available judicial remedy to seek redress from the PHA's non-renewal of the lease because of such determination. The notice shall also inform the tenant of the right to examine the PHA's documents directly relevant to the termination of lease.

**The PHA will retain** reasonable documentation of service requirement performance or exemption in participant files.

**The PHA will comply** with nondiscrimination listed in 24 CFR 5.105 (a).

**VAWA POLICY**

**Lorain Metropolitan Housing Authority (LMHA)  
Violence Against Women Act (VAWA) Policy**

**I. Purpose and Applicability**

The purpose of this policy (herein called "Policy") is to implement the applicable provisions of the Violence Against Women And Department of Justice Reauthorization Act of 2005 and more generally to set forth LMHA's policies and procedures regarding domestic violence, dating violence, and stalking, as hereinafter defined.

This Policy shall be applicable to the administration by LMHA of all federally subsidized public housing and Section 8 rental assistance under the United States Housing Act of 1937. Notwithstanding its title, this policy is gender-neutral and its protections are available to males who are victims of domestic violence, dating violence or stalking as well as female victims of such violence.

**II. Goals and Objectives**

This Policy has the following principal goals and objectives:

- A. Maintaining compliance with all applicable legal requirements imposed by VAWA;
- B. Providing and maintaining housing opportunities for victims of domestic violence, dating violence, or stalking;
- C. Creating and/or maintaining collaborative arrangements between LMHA, law enforcement authorities, victim service providers and others to promote the well-being of victims of actual and threatened domestic violence, dating violence and stalking, who are assisted by LMHA; and
- D. Taking appropriate action in response to a reported incident or incidents of domestic violence, dating violence, or stalking, affecting individuals assisted by LMHA.

**III. Other LMHA Policies and Procedures**

This Policy shall be referenced in and attached to LMHA's Five-Year Public Housing Agency Plan and shall be incorporated in and made a part of LMHA's Admissions and Continued Occupancy Policy and LMHA's Section 8 Administration Plan. LMHA's annual public housing agency plan shall also contain information concerning LMHA's activities, services or programs relating to domestic violence, dating violence, and stalking, if any.

#### IV. Definitions

As used in this Policy:

- A. **Domestic Violence** – The term “domestic violence” includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabiting with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.
- B. **Dating Violence** – means violence committed by a person:
- (a) who is or has been in a social relationship of a romantic or intimate nature with the victim; and
  - (b) where the existence of such a relationship shall be determined based on a consideration of the following factors:
    - (i) the length of the relationship.
    - (ii) the type of relationship.
    - (iii) the frequency of interaction between the persons involved in the relationship.
- C. **Stalking** – means
- (a) (i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person; and
  - (ii) to place under surveillance with the intent to kill, injure, harass or intimidate another person; and
  - (b) in the course of, or as a result of, such following, pursuit, surveillance or repeatedly commit acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or cause substantial emotional harm to -
    - (i) that person;
    - (ii) a member of the immediate family of that person; or
    - (iii) the spouse or intimate partner of that person;
- D. **Immediate Family Member** – means, with respect to a person –
- (a) a spouse, parent, brother, sister, or child of that person, or an individual to whom that person stands in loco parentis; or
  - (b) any other person living in the household of that person and related to that person by blood or marriage.
- E. **Perpetrator** – means a person who commits an act of domestic violence, dating violence or stalking against a victim.

## V. Admissions and Screening

***Non-Denial of Assistance.*** LMHA will not deny admission to public housing or to the Section 8 rental assistance program to any person because that person has been a victim of domestic violence, dating violence, or stalking, provided that such person is otherwise qualified for such admission.

## VI. Termination of Tenancy or Assistance

A. ***VAWA Protections.*** Under VAWA, public housing residents and persons assisted under the Section 8 rental assistance program have the following specific protections, which will be observed by LMHA:

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a “serious or repeated” violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of assistance to the victim of that violence.
2. In addition to the foregoing, tenancy or assistance will not be terminated by LMHA as a result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant’s control, and the tenant or an immediate family member is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:
  - (a) Nothing contained in this paragraph shall limit any otherwise available authority of LMHA or a Section 8 owner or manager to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act or acts of domestic violence, dating violence, or stalking in question against the tenant or a member of the tenant’s household. However, in taking any such action neither LMHA nor a Section 8 manager or owner may apply a more demanding standard to the victim of domestic violence, dating violence, or stalking than applied to other tenants.

- (b) Nothing contained in this paragraph shall be construed to limit the authority of LMHA or a Section 8 owner or manager to evict or terminate from assistance any tenant or lawful applicant in the owner, manager, or LMHA, as the case may be, can demonstrate an actual an imminent threat to other tenant or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.

- B. ***Removal of Perpetrator.*** Further, notwithstanding anything in paragraph {VI. A. 2} or Federal, State or local law to the contrary, LMHA or a Section 8 owner or manager, as the case may be, may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such eviction, removal, termination of occupancy rights or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by LMHA. Leases used for all public housing operated by LMHA and, at the option of Section 8 owners or managers, leases for dwelling units occupied by families assisted with Section 8 rental assistance administered by LMHA, shall contain provisions setting forth the substance of this paragraph.

## VII. **Verification of Domestic Violence, Dating Violence or Stalking**

- A. ***Requirement for Verification.*** The law allows LMHA or a section 8 owner or manager to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. Subject only to a waiver as provided in paragraph VII. C., LMHA shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by LMHA. Section 8 owners or managers receiving rental assistance administered by LMHA may or may not elect to require verification as permitted under applicable law.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. **HUD-approved form** – by providing LMHA or the requesting Section 8 owner or manager HUD form #50066 which is available at LMHA, 1600 Kansas Ave., Lorain and all Development Offices of LMHA.. The incident or incidents in question must be described in reasonable detail on the prescribed HUD 50066 and the certification must include the name of the perpetrator.
  2. **Other documentation** – by providing LMHA or the requesting Section 8 owner or manager documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident must also sign and attest to the documentation under penalty of perjury.
  3. **Police or court record** – by providing to LMHA or to the requesting Section 8 owner or manager a Federal, State, tribal, territorial, or local police report describing the incident or incidents in question.
- B. **Time allowed to provide verification/failure to provide.** An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking and who is requested by LMHA, or a Section 8 owner or manager to provide verification, must provide such verification within 14 business days (excludes, Saturdays, Sundays, and federal holidays) after receipt of the request for verification. Failure to provide verification in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.
- C. **Waiver of verification requirement.** The Executive Director of LMHA, or his designee, or a Section 8 owner or manager, may, with respect to any specific case, waive the above-stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waiver must be in writing. A waiver in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases, regardless of similarity in circumstances.

## VIII. Confidentiality

- A. ***Right of confidentiality.*** All information (including the fact that an individual is a victim of domestic violence, dating violence or stalking) provided to LMHA or to a Section 8 owner or manager in connection with a verification required under section VII of this policy shall be retained by the receiving party in confidence and shall neither be entered in any shared database nor provided to any related entity, except where disclosure is:
1. requested or consented to by the individual in writing, or
  2. required for use in public housing eviction proceeding or in connection with termination of Section 8 assistance, as permitted by VAWA, or
  3. otherwise required by applicable law.
- B. ***Notification of rights.*** All tenants of public housing and tenants participating in the Section 8 rental assistance program administered by LMHA shall be notified in writing concerning their right to confidentiality and the limits on such rights to confidentiality.

## IX. Transfer to New Residence

***Application for transfer.*** In situations that involve significant risk of violent harm to an individual as a result of previous incidents or threats of domestic violence, dating violence, or stalking, LMHA may, if an approved unit size is available at a location that may reduce the risk of harm, approve a transfer by a public housing resident to a different unit in order to reduce the level of risk to the individual. The request to transfer must be accompanied by documentation of the incident as set forth in this policy.

A Section 8 assisted tenant will not be denied portability to a unit located in another jurisdiction (notwithstanding the term of the tenant's existing lease has not expired, or the family has not occupied the unit for 12 months) so long as the tenant has complied with all other requirements of the Section 8 program and has moved from the unit in order to protect the health and safety of an individual member of the household who is or has been the victim of domestic violence, dating violence, or stalking and who reasonably believes that the tenant or other household member will be imminently threatened or harmed if the individual remains in the present dwelling unit.

## **X. Relationships with Service Providers**

It is the policy of LMHA to cooperate with organizations and entities, both private and governmental that provide shelter and/or services to victims of domestic violence. At their discretions, if LMHA staff become aware that an individual assisted by LMHA is a victim of domestic violence, dating violence or stalking, LMHA may make the victim aware of such providers of shelter or services as appropriate. This policy does not create a legal obligation requiring LMHA either to maintain a relationship with any particular provider of shelter or services to victims of domestic violence or to make a referral in any particular case. LMHA's annual public housing agency plan shall describe providers of shelter or services to victims of domestic violence with which LMHA has referral or other cooperative relationships and/or agreements.

## **XI. Notification**

LMHA provides written notification to applicants, tenants, and Section 8 owners and managers, concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance, and termination of tenancy or assistance.

**APPLICANT SCREENING POLICY**

# LORAIN METROPOLITAN HOUSING AUTHORITY

## ADMISSIONS AND CONTINUED OCCUPANCY POLICY

### APPLICANT SCREENING POLICY

A. **NOTIFICATION TO APPLICANTS.** After verification of all pertinent data required to determine eligibility, applicants shall be notified of their eligibility/ineligibility.

**The basis for such ineligibility determination may include but is not limited to:**

- (1) **Over-income.** The applicant's family income exceeds the HUD published income limits for Lorain County as stated in Appendix II.
- (2) **Misrepresentation.** The applicant has committed fraud in connection with any federally assisted housing program.
- (3) **Financial Obligation.** The applicant has failed to meet financial obligations, especially rent; and/or currently owes rent or other amounts to LMHA in connection with a previous tenancy or Section 8 participation. The applicant currently owes Westway Gardens money in connection with a previous tenancy. The applicant is unable to secure utility service (gas and/or electric). Solely at LMHA's discretion, an individual may be placed on the waiting list and lease a unit owing money to LMHA if LMHA determines the applicant merits another change in LMHA housing. An applicant owing money to LMHA must provide documentation to the Housing Authority which the PHA shall use to determine if the applicant merits housing prior to payment in full of the balance owing LMHA. The applicant shall be required to sign a repayment agreement indicating the payment schedule for the balance due LMHA. Failure to comply with the agreement shall result in removal from the waiting list or termination of the lease if the applicant has been housed.
- (4) **A history of disturbing neighbors.**
- (5) **Incidents of property destruction.**
- (6) **Living or housekeeping habits** which could adversely affect the health, safety or welfare of other tenants.

11. Serious or repeated violation of any of the rules or regulations applicable to the Tenant's Unit or the Development as posted and in effect.
12. Failure to comply with the HUD mandated requirement for resident performance of 8 hours monthly of community service or participation in an economic self-sufficiency program (unless otherwise exempt as defined in the Community Service Policy available at LMHA Offices). (8-01-00).
13. A breach of any prior lease between Tenant and LMHA that would constitute grounds for termination provided that such breach was unknown to LMHA as of the effective date of this lease.

B. The LMHA shall give written notice of termination of this Lease:

1. For non-payment of rent, LMHA shall first issue a 14-day Notice of Termination of Lease sent via USPS first class mail, with three (3) days added to the 14-day period to allow for mail delivery.

Upon expiration of the Eviction Notice, Management may send the appropriate documents to the LMHA attorney's office to file of an eviction hearing before the appropriate Local Municipal Court.

Prior to the actual eviction hearing before the local magistrate, LMHA at its discretion, may decide to accept payment in full (including filing and reasonable attorney fee's) to dismiss the eviction.

Once the magistrate has rendered his decision in favor of LMHA, LMHA's practice is not to reverse the decision.

- C. When the LMHA is required to afford the Tenant the opportunity for hearing under the LMHA's grievance procedure for a grievance concerning the Lease termination, the tenancy shall not terminate (even if any notice to vacate under State or local law has expired) until the time for the Tenant to request a grievance hearing has expired, and (if a hearing was timely requested by the Tenant) the grievance process has been completed. .
- D. When the LMHA is not required to afford the Tenant the opportunity for a hearing under the administrative grievance procedure for a grievance concerning the Lease termination, and the LMHA has decided. to exclude such grievance from the grievance procedure, the notice of Lease termination shall;
  - 1. State that the Tenant is not entitled to a grievance hearing on the termination.

LMHA may evict a tenant by judicial action for criminal activity if it determines that a covered person has engaged in criminal activity, regardless of whether the covered person has been convicted for such activity and without satisfying the standard of proof used for a criminal conviction. In appropriate cases, the LMHA may impose a condition that Household Members who engaged in the proscribed activity will not reside in the Unit. The LMHA may require a

Household Member who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to being allowed to reside in the Unit.

- G. Notice to Post Office: When the LMHA evicts an individual or family from a dwelling Unit for engaging in criminal activity, including a drug-related criminal activity, the LMHA shall notify the local Post Office serving that dwelling Unit that such individual or family is no longer residing in the dwelling Unit. (This action will be taken so that the Post Office will terminate delivery of mail for such persons at the Unit, and such persons will not return to the Development for pickup of the mail.)
- H. The LMHA shall provide the Tenant a reasonable opportunity to examine, at the Tenant's request, before an LMHA grievance hearing or court trial concerning a termination of tenancy or eviction, any documents, records and regulations which are in the possession of LMHA, and which are directly relevant to the termination of tenancy or eviction. The Tenant shall be allowed to copy any such documents, records and regulations at the Tenant's expense. A notice of Lease termination shall inform the Tenant of the Tenant's right to examine LMHA's documents, records and regulations concerning such termination of tenancy or eviction. If LMHA does not make documents available for examination upon request by the Tenant in accordance with this paragraph, LMHA may not proceed with the eviction.

### **13. GRIEVANCE PROCEDURE:**

All disputes concerning the obligations of the Tenant or the LMHA under this Lease other than those involving the Tenant's creation or maintenance of a threat to the health, safety or right to peaceful enjoyment of other residents or the LMHA's employees or any drug-related criminal activity in or near the Unit or Development shall be processed and resolved pursuant to the Grievance Procedure of the LMHA which is in effect at the time such grievance or appeal arises, and which procedure is posted in the LMHA's office and incorporated herein by reference.

To minimize vacancies/transfers, new born infants [up to the age of two (2)] may share a bedroom with the parent before a transfer is required by the PHA, provided this does not create an over occupancy condition.
- B.** The Executive Director may approve a transfer based on medical need, provided the doctor's statement submitted by the resident substantiates the need for, and demonstrates the medical benefits which may be obtained by transferring to another unit.
- C.** The Executive Director may require and/or approve a transfer which has been determined to be in the best interest of the Authority.
- D.** The Executive Director may approve a transfer for economic purposes, such as employment, school, etc. Documentation must be provided showing a minimum of six (6) weeks of employment and a minimum of six (6) weeks of school attendance in order for a transfer to be considered.

**APPENDIX XV**

**LMHA PET POLICY**

# **LORAIN METROPOLITAN HOUSING AUTHORITY PET POLICY**

When an LMHA resident applies to keep a household pet, the LMHA "Pet Policy" becomes an addendum to the resident's LMHA lease. Any violation of the Pet Policy becomes a material violation of the lease and the resident may be subject to eviction proceedings. The LMHA resident will be supplied with a copy of the Pet Policy for the resident's records and the resident's signature on the LMHA Pet Application will acknowledge his/her awareness that the Pet Policy is an addendum to the lease and any material violation of the Pet Policy may result in eviction from LMHA housing.

The Department of Housing and Urban Development requires that common household pets be permitted in public housing units. The following policy sets forth reasonable procedures and requirements enabling select pets to reside in public housing units. This policy is applicable to common household "pets" and does not apply to assistance animals for disabled individuals.

## **STATE AND LOCAL LAWS AND ORDINANCES**

Notwithstanding any provision set forth in these Rules to the contrary, the LMHA Resident shall first comply with all State Laws and Local Ordinances governing pet(s) within their respective jurisdiction.

## **APPLICATION FOR PET REGISTRATION**

**Prior to obtaining a pet, the resident must complete and submit to LMHA, the Application for Pet Registration (Attachment I).**

The following documentation must accompany the Application for Pet Registration: Documentation from a Veterinarian regarding inoculation for rabies, parvo, distemper, heartworm and other inoculations as required by State Law or Local Ordinance.

The dog must be licensed by the State of Ohio annually with a copy of the current license provided to LMHA.

Two (2) pet sponsors (named on the LMHA Pet Application) must be designated by the resident. These individuals agree to remove the pet from the premises should the resident become incapable of caring for the pet.

## PROHIBITED PET DEVELOPMENTS

LMHA will prohibit dogs and cats, with the exception of service animals, at the following LMHA owned properties (aquariums, birds and caged rodents are permitted):

**Leavitt Homes  
Westview Terrace  
Wilkes Villa  
Southside Gardens**

A resident residing in any of the above listed Developments who is found to have an unauthorized pet(s) will be considered in violation of their LMHA lease agreement and subject to lease termination if, after notification by LMHA, the pet is not removed within 48 hours..

## DEPOSITS/FEEES

A pet deposit of **\$300.00 in elderly/disabled** buildings and a pet deposit of **\$400.00 in family units** is required. Payment of this pet deposit may be handled in one (1) of the following options:

1. Payment in full
2. \$50.00 initial amount and \$25.00 a month thereafter until payment is made in full

A default on the pet deposit shall be considered a material violation of the pet policy which is an addendum to the lease; therefore, an eviction action could result from failure to adhere to the pet deposit payment agreement.

Service animals are not subject to the required Pet Deposit or Annual Fee.

In addition to the pet deposit, an annual fee will be imposed by LMHA. The annual fee is non-refundable. The annual fee will be billed on the tenant's annual recertification month. The non-refundable annual fee will not be pro-rated in the event the tenant vacates prior to the annual recertification date.

Type of Pet	Annual Fee
Dog	\$50.00

Upon move-out, the unit will be inspected for pet caused damage. The pet deposit will be returned minus any charges for damage caused by the pet. If the pet no longer resides in the unit but the resident remains in the unit, the unit will be inspected for damage and the pet deposit returned minus any charges for damage caused by the pet. If the amount of damages caused by the pet exceeds the deposit, the resident is liable for the remainder.

After initial approval of the pet, the resident must provide updated pet shot records and verify current information on the pet sponsors at Annual Review.

All pet agreements signed by residents prior to the adoption/approval of this policy are not subject to the annual fee requirements.

## DEFINITIONS

**For the purpose of the LMHA Pet Policy, “common household pet”** is defined as a domesticated animal traditionally kept in the home for pleasure. “Pet” is limited to cats, dogs, birds (parakeets, canaries, parrots, & cockatiels), caged rodents (hamsters, gerbils, & guinea pigs), turtles and fish.

**Ferrets, iguanas, snakes, komodo dragons, exotic birds, rabbits, rats, mice, farm animals, or wild animals are not permitted.** ONE pet is permitted per household, with the exception of birds, hamsters, gerbils and guinea pigs where no more than **two** of the aforementioned pets are permitted.

**Service or Assistance Animal** is defined as an animal trained to provide services to an individual with a disability.

## PROHIBITED BREEDS

LMHA will prohibit the following breeds of dogs from residing on LMHA property: Pit-bull, Rottweiler, German Shepherd, Chow, Doberman Pinscher, and any other breed determined to pose a threat to the health and safety of LMHA residents.

## PET RULES

### A. Pet Size Limitation

An adult dog at maturity may weigh no more than 20 pounds and the height at the shoulder shall be no more than 15 inches. An adult cat may weigh no more than 15 pounds and must have their front paws de-clawed by the age of 6 months. Verifications of de-clawing must be provided to LMHA. A trained “service animal” is not subject to the weight and height limitation.

Aquariums shall not exceed a 20 gallon capacity.

## **B. Sanitation**

Dogs are required to be “house-broken”.

Cats must be litter-box trained. Litter boxes must be maintained to the extent that odors are not emitting from the unit. Cardboard boxes are not permitted to be used as litter boxes. Kitty litter shall be bagged, secured properly, and disposed of into trash receptacles. The resident shall not permit refuse from litter boxes to accumulate, become odorous, unsightly, or unsanitary.

Dogs must be able to relieve themselves outside the leased unit. Management may designate a space or spaces to be used exclusively for the purpose of exercising pets. Pet owners shall be responsible for the immediate clean up of pet feces (dog or cat) after the exercise of their pet. Failure to clean up pet feces is determined to be a material violation of the pet policy, which is an addendum to the lease; therefore an eviction action may be initiated against a pet owner failing to clean up after their pet. Pet owners are responsible to ensure the unit is flea free. If LMHA determines fleas are present as a result of their pet, the resident shall bear the expense to have the unit sprayed for fleas by an accredited exterminator.

## **C. Noise**

Disruptive animal noises shall not be tolerated. A pet shall not be permitted to make noise which disrupts the peaceful enjoyment of other residents. . Management will encourage any resident being disturbed by pets that are barking or engaging in other noise making (whining, howling, caterwauling) to contact the local police department to file a complaint in addition to submitting a written complaint to LMHA Management. Should the noise complaints continue, Management will request the pet be removed from the leased unit. Failure to remove the pet within 48 hours of LMHA notification, may result in a termination of lease for failure to adhere to the LMHA Pet Policy.

## **D. Unattended Pets**

A pet may not be left unattended for more than twelve (12) consecutive hours. If it is reported to LMHA staff that a pet has been left unattended for more than a twelve (12) hour period, LMHA may request the proper Authorities remove the animal. Any expense incurred for removal of the pet shall be the responsibility of the resident.

## **E. Use of Pets**

Pets are for companionship. The breeding of pets is prohibited. Pets may not be trained as fighting animals. As soon as age permits, pets must be spayed or neutered. Documentation must be provided to LMHA indicating the procedure has taken place.

#### **F. Identification**

All dogs must wear collars with identifying tags (license & rabies). All pets will be photographed with the photo being placed in the resident's folder.

#### **G. Pets in LMHA Common Areas**

Common areas are areas outside of the resident's individual leased premises. Pets in high rise buildings must be transported in pet carriers or muzzled while in common areas, i.e. elevators, hallways, etc. Dogs in family units (other than scattered site units with fenced in yards) must be leashed and muzzled at all times while outside the leased unit. Pets are not permitted to loiter in common areas. Pets may not be tied outdoors. Outdoor dog houses are prohibited. Pets must be on a leash, muzzled and accompanied by a resident at all times. Children ten (10) years of age or older may exercise the pet.

#### **H. Pet Removal**

Management reserves the right to require immediate removal of an animal deemed by the Authorities to be a vicious and/or a nuisance animal. Management will also contact the necessary Authorities and request removal of a pet when it is observed the pet is not receiving proper care and/or feeding. Additionally, LMHA will request the removal of a pet when it is determined the pet is causing damage to the leased unit.

#### **I. Pet Disposal**

In the event of the death of the pet, the resident shall properly dispose of the pet. Under no circumstances, shall a pet be buried on LMHA property or disposed of on the premises or in trash containers or dumpsters.

#### **J. Visiting Animals**

The pet policy pertains to LMHA resident's pets. Visiting animals are not permitted. "Pet Sitting" on LMHA property is prohibited.

#### **K. Stray Animals**

LMHA discourages the feeding and watering of stray/wild animals.

## **LIABILITY**

Residents owning pets shall be liable for the entire amount of all damages caused by their pet which shall include but shall not be limited to, necessary repairs, cleaning, defleaing and deodorizing as a result of their pet ownership. Pet owners may also be liable for injuries occurring to another individual or pet as a result of their pet's aggressive behavior.

## **ENTRY OF UNIT LMHA PERSONNEL**

LMHA Personnel will not enter a unit inhabited by a pet without a member of the household being present to restrain the pet. If a repair is required and the resident is unable to be home, the pet must be restrained in a cage in order for LMHA personnel to perform the necessary work. Each LMHA leased unit housing a pet, will be issued a sticker which must be placed on the door or window of the unit, indicating a pet is present in the unit.

## Chapter 1

# STATEMENT OF POLICIES AND OBJECTIVES

## INTRODUCTION

The Section 8 Program was enacted as part of the Housing and Community Development Act of 1974, which recodified the U.S. Housing Act of 1937. The Act has been amended from time to time, and its requirements, as they apply to the Section 8 Tenant-Based Assistance Program, are described in and implemented through this Administrative Plan. The Section 8 rental assistance program is federally funded and administered for Lorain County by the Lorain Metropolitan Housing Authority.

Administration of the Section 8 Program and the functions and responsibilities of the Housing Authority (PHA) staff will be in compliance with the PHA's Personnel Policy and the Department of Housing and Urban Development's (HUD) Section 8 Regulations as well as all Federal, State and local Fair Housing Laws and Regulations.

### Jurisdiction

Lorain Metropolitan Housing Authority's jurisdiction is the County of Lorain in the state of Ohio. **HUD may approve vouchers for us to operate in other jurisdictions due to opt-outs.**

Our mission is to serve our community's housing needs using available resources

## A. LOCAL OBJECTIVES

The Section 8 Program is designed to achieve three major objectives:

1. To provide decent, safe, and sanitary housing for very low income families while maintaining their rent payments at an affordable level.
2. To promote freedom of housing choice and spatial deconcentration of very low income families of all races and ethnic backgrounds.
3. To provide an incentive to private property owners to rent to very low income families by offering timely assistance payments.

In addition, the PHA has the following goals for the program:

1. To assist the local economy by increasing the occupancy rate and the amount of money flowing to the community.
2. To encourage self sufficiency of participant families.

## **B. PURPOSE OF THE PLAN**

The purpose of the Administrative Plan is to establish policies for carrying out the program in a manner consistent with HUD requirements and local goals and objectives contained in the Agency Plan. The Housing Choice Voucher Program was implemented as of 10/1/99.

The PHA is responsible for complying with all changes in HUD regulations pertaining to these programs. If such changes conflict with this Plan, HUD regulations will have precedence. The original Plan and any changes must be approved by the Board of Commissioners of the agency, pertinent sections included in the Agency Plan, and a copy provided to HUD.

## **C. FAIR HOUSING POLICY**

It is the policy of the PHA to comply fully with all Federal, State, and local nondiscrimination laws and with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment. The PHA will not deny any family or individual the opportunity for assistance under the Section 8 Program on the basis of race, color, sex, religion, creed, national or ethnic origin, age, family status, handicap or disability.

To further its commitment to full compliance with applicable Civil Rights laws, the PHA will provide Federal/State/local information to Voucher holders regarding unlawful discrimination and any recourse available to them. Such information will be made available during the family briefing session, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made a part of the Voucher holder's briefing packet and available upon request.

Except as otherwise provided in 24 CFR, no individual with disabilities will be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination because the PHA's facilities are inaccessible to or unusable by persons with disabilities. Posters and housing information are displayed in locations throughout the PHA's office in such a manner as to be easily readable from a wheelchair.

Lorain Metropolitan Housing Authority, 1600 Kansas Avenue, Lorain, Ohio, is accessible to persons with disabilities. Accessibility for the hearing impaired is provided by the TDY telephone service provider.

*Please see the Fair Housing Addendum for the FSS in Addendum 2.*

**D. REASONABLE ACCOMMODATIONS POLICY**

It is the policy of this PHA to be service-directed in the administration of our housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to the families within our jurisdiction.

A participant with a disability must first ask for a specific change to a policy or practice as an accommodation of their disability before the PHA will treat a person differently than anyone else. The PHA's policies and practices will be designed to provide assurances that persons with disabilities will be provided reasonable accommodation, upon request, so that they may fully access and utilize the housing program and related services. The availability of requesting an accommodation will be made known to applicants and participants. This policy is intended to afford persons with disabilities an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as those who do not have disabilities and is applicable to all situations described in this Administrative Plan including when a family initiates contact with the PHA, when the PHA initiates contact with a family including when a family applies, and when the PHA schedules or reschedules appointments of any kind.

To be eligible to request a reasonable accommodation, the requester must first certify (if apparent) or verify (if not apparent) that they are a person with a disability under the following ADA definition:

- A physical, mental or emotional impairment that substantially limits one or more of the major life activities of an individual;**
- A record of such impairment; or**
- Being regarded as having such an impairment**

**Major life activities include, but are not limited to:**

- |                           |                 |                  |
|---------------------------|-----------------|------------------|
| <b>Caring for oneself</b> | <b>Hearing</b>  | <b>Breathing</b> |
| <b>Performing tasks</b>   | <b>Learning</b> | <b>Working</b>   |
| <b>Walking</b>            | <b>Seeing</b>   |                  |

Rehabilitated former drug users and alcoholics are covered under the ADA. However, a current drug user is not covered. In accordance with 5.403(a), individuals are not considered disabled for eligibility purposes solely on the basis of any drug or alcohol dependence. Individuals whose drug or alcohol addiction is a material factor to their disability are excluded from the definition. Individuals are considered disabled if disabling mental and physical limitations would persist if drug or alcohol abuse discontinued.

Once the person's status as a qualified person with a disability is confirmed, the PHA will require that a professional third party competent to make the assessment, provides written verification that the person needs the specific accommodation due to their disability and the change is required for them to have equal access to the housing program.

All PHA mailings will be made available in an accessible format upon request, as a reasonable accommodation.

If the PHA finds that the requested accommodation creates an undue administrative or financial burden, the PHA will either deny the request and/or present an alternate accommodation that will still meet the need of the person. An undue administrative burden is one that requires a fundamental alteration of the essential functions of the PHA (i.e., waiving a family obligation). An undue financial burden is one that when considering the available resources of the agency as a whole, the requested accommodation would pose a severe financial hardship on the PHA.

The PHA will provide a written decision to the person requesting the accommodation within 10 - 20 working days. If a person is denied the accommodation or feels that the alternative suggestions are inadequate, they may request an informal hearing to review the PHA's decision.

### **Verification of a Request for Accommodation**

All requests for accommodation or modification will be verified with a reliable knowledgeable, professional. The PHA will verify disabilities under definitions in the Fair Housing Amendments Act of 1988, Section 504 of the 1973 Rehabilitation Act, and Americans with Disabilities Act. The Housing Authority utilizes organizations which provide assistance for hearing- and sight-impaired persons when needed.

## **E. TRANSLATIONS OF DOCUMENTS**

The Housing Authority has bilingual staff to assist Spanish-speaking families and has some documents available that are translated into Spanish.

In determining whether it is feasible to translate documents into other languages, the PHA will consider the following factors:

Number of applicants and participants who do not speak English and speak the other language.

Cost of translation into the other language per client who speaks the language.

Evaluation of the need for translation by the bilingual staff and by agencies that work with the non-English speaking clients.

The availability of organizations to translate documents, letters and forms for non English speaking families.

Availability of bilingual staff to explain untranslated documents to clients.

## **F. FAMILY OUTREACH**

The PHA will publicize and disseminate information to make known the availability of housing assistance and related services for very low income families on a regular basis. When the PHA's waiting list is open, the PHA will publicize the availability and nature of housing assistance for very low income families in a newspaper of general circulation, minority media, and by other suitable means.

The PHA will also utilize public service announcements.

The PHA will communicate the status of housing availability to other service providers in the community, advise them of housing eligibility factors and guidelines in order that they can make proper referrals for housing assistance.

## **G. OWNER OUTREACH**

The PHA encourages owners of decent, safe and sanitary housing units to lease to Housing Choice Voucher families. The PHA maintains a list of units available, compiled by bedroom size, for the program and updates this list about every two weeks.

**The Housing Authority employs various methods to aid in the recruit of suburban property owners. Some of those methods are as follows:**

The staff of the PHA initiates personal contact with private property owners and managers by conducting formal and informal discussions and meetings, and speaking at local organization meetings.

Printed material is offered to acquaint owners and managers with the opportunities available under the program.

The PHA has active participation with community based organizations, some comprised of private property and apartment owners and managers.

The PHA periodically evaluates the distribution of assisted families to identify areas within the jurisdiction where owner outreach should be targeted.

The PHA conducts informal meetings with participating owners to improve owner relations and to recruit new owners.

## **H. PRIVACY RIGHTS**

Applicants and participants, including all adults in their households, are required to sign the HUD 9886 Authorization for Release of Information. This document incorporates the Federal Privacy Act Statement and describes the conditions under which HUD /PHA will release family information.

The PHA's policy regarding release of information is in accordance with State and local laws which may restrict the release of family information.

In accordance with HUD requirements, the PHA will furnish prospective owners with the family's current address as shown in the PHA's records and, if known to the PHA, the name and address of the landlord at the family's current and prior address.

The PHA will furnish prospective owners with information about the family's rental history (i.e., inspection records, evictions, etc.), or any history of drug trafficking.

A statement of the PHA's policy on release of information to prospective landlords will be included in the briefing packet which is provided to the family.

The PHA's practices and procedures are designed to safeguard the privacy of applicants and program participants. All applicant and participant files will be stored in a secure location which is only accessible by authorized staff.

PHA staff will not discuss family information contained in files unless there is a business reason to do so. Inappropriate discussion of family information, or improper disclosure of family information by staff will result in disciplinary action.

## **I. EQUAL EMPLOYMENT OPPORTUNITY**

The PHA practices affirmative action in hiring, promotion and conditions of employment. Position vacancies are advertised in the **Journal, Chronicle and Plain Dealer**. The PHA's recruitment practices will apply aggressive outreach to community-based racial and ethnic groups so that the composition and culture of the staff reflect the composition and culture of the community, to the extent possible. All PHA job postings will display the affirmative action/equal employment opportunity logo and slogan prominently.

## **J. RULES AND REGULATIONS**

This Administrative Plan is set forth to define the PHA's local policies for operation of the housing programs in the context of Federal laws and Regulations. All issues related to Section 8 not addressed in this document are governed by such Federal regulations, HUD Memos, Notices and guidelines, or other applicable law.

## **K. MANAGEMENT ASSESSMENT OBJECTIVES**

The PHA operates its housing assistance program with efficiency and can demonstrate to HUD auditors that the PHA is using its resources in a manner that reflects its commitment to quality and service. The PHA policies and practices are consistent with the areas of measurement for the following HUD SEMAP indicators:

- Selection from the Waiting List
- Reasonable Rent
- Determination of Adjusted Income
- Utility Allowance Schedule
- HQS Inspections and Enforcement
- Expanding Housing Opportunities
- FMR/exception rent & Payment Standards
- Annual Reexaminations
- Correct Tenant Rent Calculations
- Pre-Contract HQS Inspections
- Annual HQS Inspections
- Lease-up
- Family Self-Sufficiency Enrollment and Escrow Account Balances
- Bonus Indicator Deconcentration

Supervisory quality control reviews will be performed by a PHA Supervisor or other qualified person other than the person who performed the work, as required by HUD, on the following SEMAP indicators:

- Selection from the waiting list
- Rent Reasonableness
- Determination of adjusted income
- HQS Enforcement
- HQS Quality Control

The annual sample of files and records will be drawn in an unbiased manner, leaving a clear audit trail. The minimum sample size to be reviewed will relate directly to each factor.

### **Records for monitoring PHA performance:**

In order to demonstrate compliance with HUD and other pertinent regulations, the PHA will maintain records, reports and other documentation for a time that is in accordance with HUD requirements and in a manner that will allow an auditor, housing professional or other interested party to follow, monitor, and/or assess the PHA's operation procedures objectively and with accuracy and in accordance with SEMAP requirements with internal supervisory audits.

## Chapter 2

# ELIGIBILITY FOR ADMISSION

## INTRODUCTION

The policy of this PHA is to strive for objectivity and consistency in applying these criteria to evaluate the eligibility of families who apply. The PHA staff will review all information provided by the family carefully. Families will be provided the opportunity to explain their circumstances, to furnish additional information, if needed, and to receive an explanation for the basis of any decision made by the PHA pertaining to their eligibility.

## A. ELIGIBILITY FACTORS

The PHA accepts applications only from families whose head or spouse is at least 18 years of age or emancipated minors under State Law.

To be eligible for participation, an applicant must meet HUD's criteria, as well as any permissible additional criteria established by the PHA.

The HUD eligibility criteria are:

An applicant must be a "family"

An applicant must be within the appropriate Income Limits

An applicant must furnish Social Security Numbers if one has been assigned or a certification indicating a SSN has not been assigned

An applicant must furnish declaration of Citizenship/Eligible Immigrant Status and verification where required

At least one member of the applicant family must be either a US Citizen or have eligible immigration status before the PHA may provide any financial assistance.

No assistance shall be provided under Section 8 of the 1937 Act to an individual who:

Is under 24 years of age;

Is not a veteran of the United States military;

Is unmarried;

Does not have a dependent child, AND

Is not otherwise individually eligible, or has parents who, individually or jointly, are not eligible on the basis of income to receive assistance under Section 8 of the 1937 Act. (FED REG 4/10/06)

Reasons for denial of admission are addressed in the "Denial or Termination of Assistance" chapter.

These reasons for denial constitute additional admission criteria.

The Family's initial eligibility for placement on the waiting list will be made in accordance with the eligibility factors. Eligibility factors will be verified before the family is placed on the waiting list.

## **B. FAMILY COMPOSITION**

The applicant must qualify as a Family. A family may be a single person or a group of persons.

A "family" includes a family with a child or children. A group of persons consisting of two or more elderly persons or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides is a family. The PHA determines if any other group of persons qualifies as a "family."

A single person family may be:

- An elderly person

- A displaced person

- A person with a disability

  - Individuals may not be considered disabled for eligibility purposes solely on the basis of any drug or alcohol dependence.

- Any other single person

A child who is temporarily away from home because of placement in foster care is considered a member of the family. This provision only pertains to the foster child's temporary absence from the home, and is not intended to artificially enlarge the space available for other family members.

### **A family also includes:**

Two or more persons who intend to share residency, whose income and resources are available to meet the family's needs, and who have a history as a family unit or show evidence of a stable family relationship.

### **Head of Household**

The head of household is the **adult** member of the household, who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law. Emancipated 17 year old minors who qualify under State law will be recognized as head of household.

A family may designate an elderly or disabled family member as head of household solely to qualify the family as an Elderly Household, provided that the person is at least partially responsible for paying the rent.

### **Spouse of Head**

Spouse means the husband or wife of the head.

For proper application of the Non-citizens Rule, the definition of spouse is: the marriage partner who, in order to dissolve the relationship, would have to be divorced. It includes the partner in a common law marriage. The term "spouse" does not apply to boyfriends, girlfriends, significant others, or co-heads.

### **Co-Head**

An individual in the household who is equally responsible for the lease with the Head of Household. A family may have a spouse or co-head, but not both. A co-head never qualifies as a dependent.

### **Live-In Attendants**

A Family may include a live-in aide provided that such live-in aide:

Is determined by the PHA to be essential to the care and well being of an elderly person, a near-elderly person, or a person with disabilities,

Is not obligated for the support of the person(s), and

Would not be living in the unit except to provide care for the person(s).

A live-in aide is treated differently than family members:

Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.

Live-in aides are not subject to Non-Citizen Rule requirements.

Live-in aides may not be considered as a remaining member of the tenant's family.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

Family members of a live-in attendant may also reside in the unit providing doing so does not increase the subsidy by the cost of an additional bedroom and that the presence of the live-in's family members does not overcrowd the unit.

A Live-in Aide may only reside in the unit with the approval of the PHA. Written verification will be required from a reliable, knowledgeable professional, such as a doctor, social worker, or case worker. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, or disabled.

Verification must include the hours the care will be provided.

At any time, the PHA will refuse to approve a particular person as a live-in aide or may withdraw such approval if:

The person commits fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program;

The person commits drug-related criminal activity or violent criminal activity; or

The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act

### **Split Households Prior to Voucher Issuance**

When a family on the waiting list splits into two otherwise eligible families due to divorce or legal separation, and the new families both claim the same placement on the waiting list, and there is no court determination, the PHA will make the decision taking into consideration the following factors:

Which family member applied as head of household.

Which family member retains the children or any disabled or elderly members.

Restrictions that were in place at the time the family applied.

Role of domestic violence in the split.

Recommendations of social service agencies or qualified professionals such as children's protective services.

Documentation of these factors is the responsibility of the applicant families. If either or both of the families do not provide the documentation, they may be denied placement on the waiting list for failure to supply information requested by the PHA.

### **Multiple Families in the Same Household**

When families apply which consist of two immediate families living together, (such as a mother and father, and a daughter with her own husband or children), if they apply as a family unit, they will be treated as a family unit.

### **Joint Custody of Children**

Children who are subject to a joint custody agreement, but live with one parent at least 51% of the time, will be considered members of the household. "51% of the time" is defined as 183 days of the year, which do not have to run consecutively.

Legal court documentation, school records, or other third-party verification will be requested to prove custody.

When both parents are on the Waiting List and both are trying to claim the child, the parents will be required to provide legal documentation, school records, or other 3<sup>rd</sup> party verification of custody.

## **C. INCOME LIMITATIONS**

To be eligible for assistance, an applicant must:

Have an Annual Income at the time of admission that does not exceed the very low income limits for occupancy established by HUD.

To be income eligible the applicant must be a family in the very low income category, which is a family whose income does not exceed 50% of the area median income. The PHA will not admit families whose income exceeds 50 percent of the area median income except those families included in 24 CFR 982.201 (b).

**To be income eligible the family may be under the low-income limit in any of the following categories:**

A very low income family.

A low-income family that is continuously assisted under the 1937 Housing Act. An applicant is continuously assisted if the family has received assistance under any 1937 Housing Act program within [30] days of voucher issuance. Programs include any housing federally assisted under the 1937 Housing Act.

A low-income family physically displaced by rental rehabilitation activity under 24 CFR part 511.

A low-income non-purchasing family residing in a HOPE 1 or HOPE 2 project.

A low-income non-purchasing family residing in a project subject to a home ownership program under 24 CFR 248.173.

A low-income family displaced as a result of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract under 24 CFR 248.165.

A low-income family that qualifies for Voucher assistance as a non-purchasing family residing in a project subject to a resident home ownership program.

To determine if the family is income-eligible, the PHA compares the Annual Income of the family to the applicable income limit for the family's size.

Families whose Annual Income exceeds the income limit will be denied admission and offered an informal review.

Portability: For initial lease-up, families who exercise portability must be within the applicable income limit for the jurisdiction of the receiving PHA in which they want to live.

#### **D. MANDATORY SOCIAL SECURITY NUMBERS**

The PHA requires all family members to supply social security numbers, regardless of age. Time is given for Social Security Application and the issuance of a number. Persons who have a Social Security number, but cannot locate verification, will be given time to obtain verification from the Social Security Office.

Failure to furnish verification of social security numbers is grounds for denial or termination of assistance.

#### **E. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS**

In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Individuals who are neither, may elect not to contend their status. Eligible immigrants are persons who are in one of the immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

Mixed Families. A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed." Such applicant families will be given notice that their assistance will be pro-rated and that they may request a hearing if they contest this determination.

No eligible members. Applicant families that include no eligible members will be ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

Non-citizen students defined by HUD in the non-citizen regulations are not eligible for assistance.

Appeals. For this eligibility requirement only, the applicant is entitled to a hearing exactly like those provided for participants.

#### **Verification of Status Before Admission**

The PHA will provide assistance to families prior to the verification of eligibility for the individual or at least one member of the family pursuant to this section.

## **F. OTHER CRITERIA FOR ADMISSION**

**The PHA will apply the following criteria, in addition to the HUD eligibility criteria, as grounds for denial of admission to the program.**

The family must not have violated any family obligations during a previous participation in the Section 8 program or while on the Section 8 waiting list for 3 years prior to final eligibility determination.

The PHA may make an exception, if the family member who violated the family obligation is not a current member of the household on the application.

The family must pay any outstanding debt owed the PHA or another PHA as a result of prior participation in any federal housing program within 30 days of PHA notice to repay or be approved for a repayment agreement.

The family must be in good standing regarding any current payment agreement made with another PHA for a previous debt incurred, before this PHA will allow participation in its Section 8 program.

If any applicant deliberately misrepresents the information on which eligibility or tenant rent is established, the PHA may deny assistance and may refer the family file/record to the proper authorities for appropriate disposition.

The family must be cleared of all charges or sentences relating to violent criminal activity or drug related criminal activity for 3 years prior to final eligibility determination.

The family will be required to show completion of a drug rehabilitation program for prior substance abuse circumstances.

The family committed fraud or was evicted from a HUD subsidized property.

The PHA will check criminal history for all adult applicants when cause is indicated and for addition of all adult members to the existing household.

## **G. TENANT SCREENING**

The PHA will take into consideration any of the criteria for admission described in the "Denial or Termination of Assistance" chapter.

The PHA may screen family behavior or suitability for tenancy. The PHA will not be liable or responsible to the owner or other persons for the family's behavior or the family's conduct in tenancy. The PHA will check against the County Sheriff's list of sexual offenders. The PHA will check all disclosed criminal records.

The owner is responsible for screening and selection of the family to occupy the owner's unit. At or before PHA approval of the tenancy, the PHA will inform the owner that screening and selection for tenancy is the responsibility of the owner.

The owner is responsible for screening families based on their tenancy histories, including such factors as:

- Payment of rent and utility bills
- Caring for a unit and premises
- Respecting rights of other residents to the peaceful enjoyment of their housing
- Drug-related criminal activity or other criminal activity that is a threat to the health, safety or property of others; and
- Compliance with other essential conditions of tenancy.

The PHA will advise families how to file a complaint if they have been discriminated against by an owner. The PHA will advise the family to make a Fair Housing complaint. The PHA may also report the owner to HUD Fair Housing/Equal Opportunity or the local Fair Housing Organization.

## **H. CHANGES IN ELIGIBILITY PRIOR TO EFFECTIVE DATE OF THE CONTRACT**

Changes that occur during the period between issuance of a voucher and lease up may affect the family's eligibility or share of the rental payment.

## **I. INELIGIBLE FAMILIES**

Families who are determined to be ineligible will be notified in writing of the reason for denial and given an opportunity to request an informal review, or an informal hearing if they were denied due to non-citizen status. See "Complaints and Appeals" for additional information about reviews and hearings.

## **J. PROHIBITED ADMISSIONS CRITERIA**

Admission to the program may not be based on where the family lives before admission to the program.

Admission to the program may not be based on:

Discrimination because members of the family are unwed parents, recipients of public assistance, or children born out of wedlock.

Discrimination because a family includes children.

Whether a family decides to participate in a family self-sufficiency program; or

Other reasons as listed in the “Statement of Policies and Objectives” chapter under the Fair Housing and Reasonable Accommodations sections.

## Chapter 3

# APPLYING FOR ADMISSION

## INTRODUCTION

The policy of the PHA is to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply, and are treated in a fair and consistent manner. This Chapter describes the policies and procedures for completing an initial application for assistance, placement and denial of placement on the waiting list, and limitations on who may apply. The primary purpose of the intake function is to gather information about the family, but the PHA will also utilize this process to provide information will be placed on the waiting list in accordance with this Plan.

## A. OVERVIEW OF APPLICATION TAKING PROCESS

Families who wish to apply for the PHA's Voucher program must **complete a written application form when application-taking is open in order to be placed on the waiting list.** Applications will be made available in an accessible format upon request from a person with a disability. **When the waiting list is open, any family asking to be placed on the Section 8 waiting list will be given the opportunity to complete an application.**

The PHA may limit application taking to an established number of preferences.

Victims of government declared natural disasters will be given a preference.

Determination of eligibility to be placed on the waiting list occurs when an application form is completed, an interview is conducted, and the PHA ensures that verification of all HUD and PHA eligibility factors is current in order to determine the family's eligibility and placement on the waiting list.

The final determination of eligibility occurs when the PHA conducts the orientation and final interview prior to voucher issuance to ensure verification of all HUD/PHA eligibility factors.

## **B. OPENING/CLOSING OF APPLICATION TAKING**

When the PHA opens the waiting list, the PHA will advertise through public notice in the following newspapers, minority publications and media entities the location(s) and program(s) for which applications are being accepted:

Chronicle Telegram, Lorain Journal, Plain Dealer (Lorain County Edition), local radio, community service spots

Service organizations including, but not limited to, Utility Companies, Lorain County Human Services, Urban League, El Centro, City Halls throughout Lorain County

The notice will contain:

Dates, times and the locations where families may apply.

Program(s) for which applications will be taken.

A brief description of the program.

Limitations, if any, on who may apply.

The notices will be made in an accessible format if requested. They will provide potential applicants with information that includes the PHA address and telephone number, how to submit an application, information on eligibility requirements, and the availability of Local Preferences.

If the waiting list is open, the PHA will accept applications from eligible families unless there is good cause for not accepting the application, such as denial of assistance because of action or inaction by members of the family for grounds stated in the "Denial or Termination of Assistance" chapter of this Plan.

### **Closing the Waiting List**

The PHA may stop taking applications if there are enough Local Preference applicants to fill anticipated openings for the next **12 to 24** months. The waiting list may not be closed if it would have a discriminatory effect inconsistent with applicable civil rights laws.

Any time that there are not enough applicants who claim a **Local Preference**, the PHA may reopen the list only to applicants who claim a **Local Preference**.

Closing the waiting list is announced in the same way as opening the waiting list.

The open period will be long enough to achieve a waiting list adequate to cover projected turnover and new allocations over the next **12 to 24** months. The PHA will give at least **5 days** notice prior to closing the list.

## **Limits on Who May Apply**

When the waiting list is open:

Any family asking to be placed on the waiting list for Section 8 rental assistance will be given the opportunity to complete an application.

Depending upon the composition of the waiting list with regard to family types and preferences and to better serve the needs of the community, at times the PHA may only accept applications from:

Any family claiming a set number of Local Preferences

If there are sufficient applications from elderly families, disabled families, and displaced singles, applications may not be accepted from Other Singles.

When the application is submitted to the PHA:

It establishes the family's current date and time of application for placement order on the waiting list.

## **C. APPLICATION PROCEDURES**

The PHA will utilize an application form to be filled out by the applicant whenever possible. To provide specific accommodation to persons with disabilities, the information may be mailed to the applicant, if requested. The purpose of the application is to permit the PHA to preliminarily assess family eligibility or ineligibility and to determine placement on the waiting list. The application will contain questions designed to obtain the following information:

Names and birth dates of all family members

Sex and relationship of all members

Street Address of current residence and phone numbers

Mailing Address (If PO Box or other permanent address)

Amount(s) and source(s) of income received by household members

Information regarding Disabilities relating to program requirements (i.e., deductions)

Information related to qualification for preferences

Social Security Numbers

Race/ethnicity

Citizenship/eligible immigration status

**Arrests and/or Convictions** for Drug Related or Violent Criminal Activity

Request for Specific Accommodation needed to fully utilize the program and services

Program integrity questions regarding previous participation in HUD programs

Duplicate applications, including applications from a segment of an applicant household, will not be accepted. Ineligible families **will not** be placed on the waiting list.

Applications **will** require an interview. *The information on the application will be verified. The applicant is then placed on the waiting list.* Final eligibility will be determined when the full application process is completed and all information is verified.

Failure to provide information or to respond to mailings will result in the applicant being denied placement on the waiting list. See "Denial and Terminations" Chapter.

#### **D. APPLICANT STATUS WHILE ON WAITING LIST**

Applicants are required to inform the PHA **in writing within 14 business days** of changes in family composition, income, and address, as well as any changes in their Local Preference status to have their position on the waiting list changed. The PHA will affect changes in a person's file only after the PHA has been notified and verification has been received. Failure to provide information or to respond to mailings will result in the applicant being removed from the waiting list.

If the family is determined to be ineligible based on the information provided in the application, the PHA will notify the family in writing (in an accessible format upon request as a reasonable accommodation), state the reason(s), and inform them of their right to an informal review. Persons with disabilities may request to have an advocate attend the informal review as an accommodation. See Chapter 19, "Complaints and Appeals."

## **E. TIME OF SELECTION**

When funding is available, families will be selected from the waiting list in their preference-determined sequence, regardless of family size.

When there is insufficient funding available for the family at the top of the list, the PHA will not admit any other applicant until funding is available for the first applicant.

Based on the PHA's turnover and the availability of funding, groups of families will be selected from the waiting list to form a final eligibility "pool." Selection from the pool will be based on waiting list sequence/completion of verification.

## **F. COMPLETION OF A FULL APPLICATION**

All Local Preferences claimed on the application or while the family is on the waiting list will be verified:

Upon receipt of the application and prior to placement on the waiting list

After the family is selected from the waiting list, and prior to voucher issuance

Whenever the family reports a change that would affect the preference

The qualification for preference must exist at the time the preference is verified.

All applicants will be required to:

Complete a Personal Declaration Form prior to the full application interview.

Complete a full application in their own handwriting, unless assistance is needed, or a request for accommodation is made by a person with a disability.

Participate in a full application interview with a PHA representative during which the applicant will be required to furnish complete and accurate information as requested by the interviewer. The applicant will sign and certify that all information is complete and accurate.

The full application will be communicated as requested as an accommodation to a person with a disability.

## **Requirement to Attend Interview**

The PHA utilizes the full application interview to discuss the family's circumstances in greater detail, to clarify information which has been provided by the family, and to ensure that the information is complete. The interview is also used as a vehicle to meet the informational needs of the family by providing information about the application and verification process, as well as to advise the family of other PHA services or programs which may be available.

### **The head of household is required to attend the interview.**

If the head of household cannot attend the interview, the spouse may attend to complete the application and certify for the family. *The head of household, however, will be required to attend one face to face meeting per year and certify by signature that all of the information is complete and accurate.*

If an applicant fails to appear for a prescheduled appointment, the PHA will automatically schedule a second appointment. If the applicant misses the second appointment without prior approval, the application is denied, unless there is documentation of an emergency that prevented their attendance.

Reasonable accommodation will be made for persons with a disability who requires an advocate or accessible offices. A designee will be allowed to participate in the interview process, but only with permission of the person with a disability.

If an application is denied due to failure to attend the full application interview, the applicant will be notified in writing and offered an opportunity to request an informal review. See "Complaints and Appeals" chapter.

All adult members must sign the HUD Form 9886, Release of Information, **all supplemental forms required by the PHA**, the declarations and consents related to citizenship/immigration status and any other documents required by the PHA. Applicants will be required to sign specific verification forms for information which is not covered by the HUD form 9886. Failure to do so will be cause for denial of the application for failure to provide necessary certifications and release as required by the PHA.

If the PHA determines at or after the interview that additional information or document(s) are needed, the PHA will request the document(s) or information in writing. The family will be given **14 business** days to supply the information. If the information is not supplied in this time period, the PHA will provide the family a notification of denial for assistance. See "Complaints and Appeals" chapter.

## **G. VERIFICATION**

Information provided by the applicant will be verified, using the verification procedures in the “Verification Procedures” chapter. Family composition, income, allowances and deductions, assets, full-time student status, eligibility and rent calculation factors, and other pertinent information will be verified. Verifications may not be more than 60 days old at the time of issuance of the Voucher.

## **H. FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY**

Before issuance of a Voucher, the PHA will make a final determination of eligibility. This decision is based upon information provided by the family, the verification completed by the PHA, and the current eligibility criteria in effect. An appointment for a briefing and final interview will be scheduled to determine the qualifications before a voucher is issued. No voucher will be issued without complete verifications.

## Chapter 4

# ESTABLISHING PREFERENCES AND MAINTAINING THE WAITING LIST

## INTRODUCTION

It is the PHA's objective to ensure that the families are placed in the proper order on the waiting list and selected from the waiting list for admissions in accordance with the policies in the Administrative Plan.

This chapter explains the local preferences that the PHA has adopted to meet local housing needs, defines the eligibility criteria for the preferences and explains the PHA's system of applying them.

By maintaining an accurate waiting list, the PHA will be able to perform the activities which ensure that an adequate pool of a qualified applicant will be available so that program funds are used in a timely manner.

## A. WAITING LIST

The PHA uses a single waiting list for admission to its Section 8 tenant-based assistance program.

Except for Special Admissions, applicants will be selected from the PHA waiting list in accordance with policies and preferences defined in the Administrative Plan.

The PHA will maintain information that permits proper selection from the waiting list.

The waiting list contains the following information for each applicant listed:

- An applicant name
- Family unit size (# of bedrooms family qualifies for under subsidy standards)
- Family type (Family, disabled, elderly, single)
- Date and time of application
- Qualification for any local preference
- Racial or ethnic designation of the head of household
- Singles preference status

## **B. SPECIAL ADMISSIONS**

If HUD awards a PHA program funding that is targeted for specifically names families, the PHA will admit these families under a Special Admission procedure. Special admission's families will be admitted outside of the regular waiting list process. They do not have to qualify for any preferences, nor are they required to be on the program waiting list. The PHA maintains separate records of these admissions.

The following are examples of types of program funding that may be designated by HUD for families living in a specified unit:

A family displaced because of demolition or disposition of a public or Indian housing project;

A family residing in a multifamily rental housing project when HUD sells, forecloses, or demolishes the project;

For housing covered by the Low Income Housing Preservation and Resident Home ownership Act of 1990;

A family residing in a project covered by a project-based Section 8 HAP Contract at or near the end of the HAP Contract term; and

A non-purchasing family residing in a HOPE 1 or HOPE 2 project.

Applicants admitted under targeted funding, who are not identified as a Special Admission, are identified by codes in the automated system.

## **C. WAITING LIST PREFERENCES**

The PHA will apply a system of local preferences.

Applications will be ordered by Local preferences and date and time of application.

If an applicant makes a false statement in order to qualify for a preference, the PHA will deny the Local Preference and may choose to deny admission to the program for the family depending on the deliberate action to commit fraud.

## **D. LOCAL PREFERENCES**

The PHA must inform all applicants about available preferences and must give applicants an opportunity to show that they qualify for available preferences. **The PHA uses the following Local Preference system:**

### **#1: Are you a VETERAN, current Spouse OR Widow (Surviving Spouse) of a Veteran with an Honorable Discharge?**

A person who has served in the military in the *active military* or naval service of the United States and who was discharged or released there from under conditions other than dishonorable as proven by a DD214; or

A person who served as a member of the United States merchant marine and to whom either of the following applies:

The person has an honorable report of separation from *active duty* military service form DD214 or DD215; or

the person served in the US merchant marine between 12/7/41 and 12/31/46, and died on active duty while serving in a war zone during that service period.

US Code defines “active military” and “active duty” as:

(recommended for use with Section 8 programs by local HUD representative)

Full time duty in the armed forces other than active duty for training, after completing the basic training period (most often a minimum of 90 days)

This status may be given to a person who sustains a disability or death occurred while serving during the basic training period.

### **Verification of Preference:**

#### **CAN ACCEPT:**

- Honorable Discharge (DD214)
- General Discharge “Under Honorable Conditions” (on certificates)

#### **CANNOT ACCEPT:**

- Dishonorable
- Other than Honorable (see page 193)
- Less than Honorable
- Uncharacterized\*

### **Notes for Veteran preference:**

\*If Uncharacterized discharge, it will be left to the applicant to prove it is “Honorable” and will not get the veteran preference in the meantime.

If a woman remarries after she was WIDOWED from a veteran, she cannot receive **the** vet preference as long as she *remains married*.

If a woman remarries after she was WIDOWED from a veteran, she later becomes a “widow” for a second time; she can reclaim the vet preference from the first spouse. She can also reclaim it if she “divorces” from her spouse.

If a Veteran has TWO different discharges from two different terms served, the MOST CURRENT overrides the prior discharge *regardless* of character of service terms. (Ex: 1<sup>st</sup> term was *Honorable*, 2<sup>nd</sup> term was *Dishonorable*—the *Dishonorable* overrides the *Honorable* discharge) per the Veterans Admin.

If any discharge is unclear, refer them to the Veterans Administration to clarify the discharge status. If the Veterans Administration considers them a Veteran with an acceptable discharge, we will consider them a vet and give them the preference.

Anyone who does not finish basic training should not get the Veteran preference unless discharged for medical reasons.

## **#2: Do you live OR work in LORAIN COUNTY?**

Applicants who live or work within Lorain County (10-96) at the time of application (3/10).

### **Verification of Preference:**

Addresses are verified through the Lorain County Auditor's website.

Use MapQuest website for verification of actual Lorain County location of addresses in Vermilion City.

If NOT a county resident, must currently work in Lorain County & have worked the last 90 days elsewhere. (Ex: Employee transfers to Lorain County & resides in Cleveland.)

### **CAN ACCEPT:**

- Must reside within LORAIN COUNTY with the exception of Vermilion City—allowed up to east of the Vermilion River.

### **CANNOT ACCEPT:**

- Outside county of Lorain for LOCAL living preference.  
Must provide proof of current address: paystubs, I.D., lease, Welfare printouts, utility bills or misc correspondence.

## **#3: Are YOU (or your LEGAL spouse) CURRENTLY EMPLOYED, and been steadily EMPLOYED for the PAST 90 DAYS? (Must have reportable income from an established business source) If you are DISABLED or ELDERLY (62 or over), AND collecting Social Security, SSI, or SS disability for YOURSELF OR your SPOUSE, answer "YES" to this question.**

Applicants (head or spouse) who *are employed* and have been for the past 90 days (10/96).

"Employed" means working a regular weekly work schedule set by an established business source.

**Verification of Preference:**

**CAN ACCEPT:**

**FOR ELDERLY:**

- Must be 62 years old & have proof of age. Must provide birth certificate; picture I.D., any legal document with date of birth.

**CANNOT ACCEPT:**

**FOR EMPLOYMENT:**

- Handwritten notes from employers, less than 90-days of employment at one place and/or combined with previous.
- Work that is paid for on a voluntary basis—inconsistent.
- Babysitting that is done occasionally.
- Work that cannot be verified through third-party.

**FOR DISABILITY:**

- Social Security benefits received through a disabled family member. The individual must be disabled and be the Head of House and/or legal Spouse.
- Social security benefits that are pending or on appeal.

**FOR ELDERLY:**

- Under age 62. Must have proof of age.

**Employment Office Procedure:**

90-day drawer: If applicant reports they just started working, we jot down the 90-days of employment= date on the cover of the file and file them in this drawer under the month they will achieve their 90 days. Once the applicant submits proof of employment with all their paystubs or 90-day payroll printout, we will pull their file from this drawer and add

the WKG preference. A letter is sent to the applicant informing them of the addition of a preference. Their file is then placed in the main filing drawers.

**#4: Do you CURRENTLY live in a unit where the lease and utilities are in YOUR name, AND your RENT and UTILITIES *have averaged more than 50% of your GROSS monthly income for the last 90 days?* (You cannot live with the Landlord).**

- Only use monthly base rent amount in calculation (no late fees)
- Pinebrook Towers is the only apartment complex that INCLUDES satellite service fees with their rent. Tenants do not have a choice about this service. We will accept the full amount as rent.

**FOR UTILITIES:**

- Utilities include GAS, ELECTRIC, WATER & TRASH for the current unit and must be in the applicants name, legal spouse or significant other. Printout must show name & current address of unit.
- MINIMUM 3 months printout for all utilities at current unit
- MAXIMUM 12 months printout for all utilities at current unit
- If utilities are in the landlord's name and the lease states tenant is responsible to pay them, they can provide a printout for the utility. Verify landlord owns unit through Lorain County Auditors website.

**CANNOT ACCEPT:**

**FOR RENT:**

- Cannot include security deposit, late fees, pet fees in rent preference calculation

**FOR UTILITIES:**

- Actual bills for utilities
- Less than 3 months of utilities
- Must be in applicants name or legal spouse (must show on printout)

**Important information for 50% Rent Burden Calculation:**

If two adults are on lease and only one person is applicant, can only give credit for 50% of rent amount on lease & utilities unless landlord can provide a statement of when the other adult left the unit.

If applicant has monthly rent receipts and it is not for the full amount per month, it could be acceptable as long as the average payment is equal to or more than 50% of her total monthly gross income for the past 90 days. Rent alone can be sufficient. Utilities are not required. (Applicant's income must be enough to pay the full monthly rent)

**If applicant has a Live-in Aide:** the 50% rent burden pref. must apply only to the applicant and his/her income. Any utilities must be in applicant's name only. Cannot have anything in both names—applicant & live-in aide (ex. lease must be in applicant's name)—because it would be considered sharing and/or contributing to the household.

Leases and/or agreements must be read completely through. Many new leases have stipulations that if rent is paid on the 1<sup>st</sup> it is \$500 but if paid after the 5<sup>th</sup> it is \$525 and if paid the 10<sup>th</sup> it is \$575. In this case the base rent is \$500. If they choose to pay any other day, it includes a late fee. No matter what the terminology, the lowest, base amount would be considered as BASE RENT.

If tenant is given a month FREE RENT, then, it is considered as ZERO PAYMENT for calculation. Tenant must PAY 3 months' rent.

**To calculate utilities on printouts:** check date of move-in on lease first. Some printouts display 12 months of information and they resided there only 4 months. Only give credit for the timeframe at the current unit.

If negative amounts are listed on the utility printouts, do not subtract those amounts. If a printout gives a total amount at the bottom of the column for Total Billing Amount, check for any negative amounts in listing before using that amount listed. If negative amounts are listed, cross them off and add the remaining amounts manually.

**#5: Involuntarily DISPLACED by a Government Action.  
(If yes, you must provide documentation directly from the Source.)**

Applicant will be given this preference for as long as the preference applies. *Documentation will be accepted from local, state or federal government agencies to establish preference.*

A person or family displaced by governmental action, or a person whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized under federal disaster relief laws.

Applicant will be given this preference for as long as the preference applies.

**Verification of Preference:**

Documentation will be accepted from local, state and federal government agencies to establish preference. The PHA will require documentation from the source and documentation must verify displacement.

This preference does not pertain to “foreclosure” by taxes or non-payment.

**#6: Victims of NATURAL DISASTER—A family who resides in a DECLARED natural disaster area. (If yes, you must provide documentation directly from the Source.)**

A family who resides in a declared natural disaster area.

With proper documentation LMHA will expedite requests for incoming portability vouchers to families who are victims of natural disasters.

LMHA will also give a first and foremost preference to victims of natural disasters who are not currently voucher holders in the disaster area up to 1 year of the occurrence.

For the purpose of this policy, documentation includes written verification from Federal, State and local Emergency Management Agencies, the Red Cross or other agencies outside the jurisdiction of Lorain Metropolitan Housing Authority (9/05/7/06)

With proper documentation, LMHA will expedite requests for incoming portability vouchers to families who are victims of natural disasters.

LMHA will also give a first & foremost preference to victims of natural disasters who are not currently voucher holders in the disaster area *up to 1 year of the occurrence.*

**Verification of Preference:**

Documentation includes written verification from Federal, State & local Emergency Management Agencies, the Red Cross or other agencies outside the jurisdiction of LMHA.

**#7: Current LMHA Public Housing resident needing HCV (Sec 8) assistance (ACCOMMODATION). Must have APPROVAL documentation from Public Housing Management—Harr Plaza & International Plaza residents are NOT eligible for this preference.\* These sites are not Public Housing, they are S8N\* (New Construction).**

An additional local preference will be afforded a LMHA public housing resident who applies for Section 8 voucher program in the following circumstances:

- (1) The individual needs a reasonable accommodation and the accommodation cannot be completed by the PHA due to structure limitations or lack of an accessible unit; or
- (2) The individual needs to relocate due to a safety issue related to criminal activity, i.e., the Police request the resident be relocated to an area other than Public Housing Developments.

To obtain this preference: Applicant must have applied and proven one of the above to their development manager. The manager then reviews the situation with the Executive Staff of LMHA who either approve or disapprove the request. If the request is approved, and the public housing division does not have any available unit, the Executive Director will issue the Section 8 Admissions Department a letter with documentation to issue the preference to the Section 8 voucher applicant.

**Verification of Preference:**

The PHA will require a written letter from the PHA Executive Director or his designee stating the qualifications that would afford this preference to the applicant.

Can Accept:

Only HCV (Sec 8) Preference #7 Determination Form completed by the PHA Executive Director or his designee stating approval or disapproval of preference.

Cannot Accept:

Without the Executive Director or designee LMHA letter/form of approval.

**#8: Applicant (head or spouse) with a CHILD in the household receiving social security benefits for a DISABILITY. (Must have CURRENT social security print out of benefits showing TYPE of income and claim #).**

*Applicant (head or spouse) has a child who is disabled and receiving Social Security benefits for a disability. Child is defined as the offspring of the head or spouse.*

Applicant (Head or Spouse) has a minor CHILD who is DISABLED and receiving Social Security benefits for a disability. Child is defined as the offspring of the head or spouse.

**Verification of Preference:**

The PHA will require written documentation verifying the relationship of the child to the head or spouse and the disability.

Can Accept:

- Adult children of applicant (head or spouse)

- Current benefits letter or printout from Social Security office which provides gross monthly benefit amount for the child and type of income. Must verify the social security number on printout matches their social security card number.
- Outdated Social security letters, temporarily, if it shows the child is disabled. Must request them to bring, within two or three weeks, a current printout showing child's disability income.
- If benefit amounts received are for social security and supplemental security income, *verify that the income for SSI is for the disabled child first*, and then the social security income can be additional for a deceased parent.

**Cannot Accept:**

- Bank statements only showing deposits for social security (may be for net amounts & does not prove it is for them)
- Social security statements that indicate they are receiving benefits through a disabled or deceased parent only (Watch for "C"1, 2, 3... after their social security numbers or if benefits are under someone else's social security number). Must ask them when you see this on their benefits statement, who are they receiving from?
- Social security benefits that are pending or on appeal.

**Treatment of Single Applicants**

Applicants who are elderly, disabled, or displaced families of no more than two person families will be given a priority over all "Other Single" applicants regardless of preference status. "Other Singles" denotes a one-person household in which the individual member is not elderly, disabled, or displaced by government action.

**E. INCOME TARGETING**

In accordance with the Quality Housing and Work Responsibility Act of 1998, each fiscal year the PHA will reserve a minimum of 75 percent of its Section 8 new admissions for families whose income does not exceed 30 percent of the area median income. HUD refers to these families as "extremely low-income families." The PHA will admit families who qualify under the Extremely Low Income limit to meet the income targeting requirement regardless of preference.

The PHA's income targeting requirement does not apply to low income families continuously assisted as provided for under the 1937 Housing Act.

The PHA is also exempted from this requirement where the PHA is providing assistance to low income or moderate income families entitled to preservation assistance under the tenant-based program as a result of a mortgage prepayment or opt-out.

## **F. INITIAL DETERMINATION OF LOCAL PREFERENCE QUALIFICATION**

At the time of application, an applicant's entitlement to a Local Preference may be made on the following basis:

The PHA will verify all preference claims at the time of initial application, selection from the waiting list, and when changes are reported by the applicant.

If the preference verification indicates that an applicant does not qualify for the preference, the applicant will be returned to the waiting list without the Local Preference and given an opportunity for a meeting.

## **G. TARGETED FUNDING**

When HUD awards special funding for certain family types, families who qualify are placed on the regular waiting list. When a specific type of funding becomes available, the waiting list is searched for the first available family meeting the targeted funding criteria. Applicants, admitted under targeted funding, who are not identified as a Special Admissions are **identified by codes in the automated system.**

The PHA has the following "Targeted" Programs:

- Mainstream for persons with disabilities
- Shelter Plus Care

## **H. PREFERENCE AND INCOME TARGETING ELIGIBILITY**

### **Change in Circumstances**

Changes in an applicant's circumstances while on the waiting list may affect the family's entitlement to a preference. Applicants are required to notify the PHA in writing when their circumstances change.

When an applicant claims an additional preference, the family will be placed on the waiting list in the appropriate order determined by the verification of the newly-claimed preference.

The exception to this is, if at the time the family applied, the waiting list was only open to families who claimed that preference. In such case, the applicant must verify that they were eligible for the first preference before they are returned to the waiting list with the new preference.

If the family's verified annual income, at final eligibility determination, does not fall under the Extremely Low Income limit, and the family was selected for income targeting purposes before families with a higher preference, the family will be returned to the waiting list.

### **Other Housing Assistance**

Other housing assistance means a federal, state, or local housing subsidy as determined by HUD, including public housing. The PHA may not take any of the following actions because an applicant has applied for, received, or refused other housing:

Refuse to list the applicant on the PHA waiting list for tenant-based assistance;

Deny any admission preference for which the applicant is currently qualified;

Change the applicant's place on the waiting list based on preference, date and time of application, or other factors affecting selection under the PHA policy; or

Remove the applicant from the waiting list.

However, the PHA may remove the applicant from the waiting list for tenant-based assistance if the PHA has offered the applicant assistance under the voucher program.

### **Cross-Listing of Public Housing and Section 8**

The PHA will not merge the waiting lists for public housing and Section 8. However, if the Section 8 waiting list is open when the applicant is placed on the public housing list, the PHA must offer to place the family on both lists.

## **I. ORDER OF SELECTION**

The PHA's method for selecting applicants from a preference category leaves a clear audit trail that can be used to verify that each applicant has been selected in accordance with the method specified in the administrative plan.

### **Local Preferences**

Local preferences will be used to select families from the waiting list.

Victims of natural disasters will be given a preference

All other preferences will be equal to one (1) point. The more preferences an applicant has, the higher the applicant's place on the waiting list.

### **Among Applicants with Equal Preference Status**

Among applicants with equal preference status, the waiting list will be organized by **date and time of application**.

## **J. FINAL VERIFICATION OF PREFERENCE**

Preference information on applications will be updated as applicants are selected from the waiting list. At that time the PHA will:

Obtain necessary verifications of preference at the interview and by third party verification

## **K. PREFERENCE DENIAL**

If the PHA denies a preference, the PHA will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for **a review with the Section 8 manager or Assistant Manager**. If the preference denial is upheld as a result of the meeting, or the applicant does not request, a meeting, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against.

If the applicant falsifies documents or makes false statements in order to qualify for any preference, they will be denied that preference and the PHA may choose to remove them from the Waiting List based on the act of fraud.

## **L. REMOVAL FROM WAITING LIST AND PURGING**

The waiting list will be purged no more than **annually** by a mailing to all applicants to ensure that the waiting list is current and accurate. The mailing will ask for current information and confirmation of continued interest.

If an applicant fails to respond to a mailing from the PHA, the applicant will be sent a second written notification and given **14 business** days to contact the PHA. If they still fail to respond, they will be removed from the waiting list. An extension will be considered an accommodation if requested by a person with a disability.

Any second/final mailings to the applicant which require a response will state that failure to respond within a specified time frame will result in the applicant's name being dropped from the waiting list.

If a letter is returned by the Post Office without a forwarding address, the applicant will be removed without further notice, and the envelope and letter will be maintained in the file. If a letter is returned with a forwarding address, it will be re-mailed to the address indicated.

If an applicant is removed from the waiting list for failure to respond, they will not be entitled to reinstatement unless they can provide documentation proving circumstances were beyond the person's control (i.e., a medical emergency).

## **M. LMHA VIOLENCE AGAINST WOMEN ACT POLICY**

Recipients of Section 8 benefits have certain rights under the Violence Against Women Act (VAWA), 42 U.S.C. 1437 *et seq.*

Being a victim of VAWA would not keep the applicant from receiving assistance if they are other wise eligible. The victim does have to comply with submission of required documents and forms.

See full Lorain Metropolitan Housing Authority Policy in the Appendix Section of this Administration Plan.

## Chapter 5

# SUBSIDY STANDARDS

## INTRODUCTION

HUD guidelines require that PHAs establish subsidy standards for the determination of family unit size, and that such standards provide for a minimum commitment of subsidy while avoiding overcrowding. The standards used for the unit size selected by the family must be within the minimum unit size requirements of HUD's Housing Quality Standards.

### A. DETERMINING FAMILY UNIT (VOUCHER) SIZE

The PHA does not determine who shares a bedroom/sleeping room, but there must be at least one person per bedroom on the Voucher. The PHA's subsidy standards for determining voucher size will be applied in a manner consistent with Fair Housing guidelines.

**For subsidy standards, an adult is a person 18 years or older.**

All standards in this section relate to the number of bedrooms on the Voucher, not the family's actual living arrangements.

The unit size on the Voucher remains the same as long as the family composition remains the same, regardless of the actual unit size rented.

Generally, the PHA assigns one bedroom to two people with the following exceptions and guidelines:

**Persons of different generations will be given separate bedrooms.**

***Generation is defined as children of the same sex where there is a difference in age by 10 years.***

Persons of the opposite sex (other than adults who have a spousal relationship, and children under the age of 5).

Foster children will be included in determining unit size only if they will be in the unit for more than 12 months.

Live-in attendants will generally be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.

Space may be provided for a child who is away at school but who lives with the family during school recesses.

Space will not be provided for a family member who will be absent most of the time, such as a member who is away in the military.

Single person families will be allocated a one bedroom.

GUIDELINES FOR DETERMINING VOUCHER SIZE

<b>Voucher Size</b>	<b>Persons in Household (Minimum #)</b>
<b>0 Bedroom</b>	<b>1</b>
<b>1 Bedroom</b>	<b>1</b>
<b>2 Bedrooms</b>	<b>1</b>
<b>3 Bedrooms</b>	<b>3</b>
<b>4 Bedrooms</b>	<b>5</b>
<b>5 Bedrooms</b>	<b>7</b>
<b>6 Bedrooms</b>	<b>9</b>

**B. EXCEPTIONS TO SUBSIDY STANDARDS**

The PHA will grant exceptions from the subsidy standards if the family requests and the PHA determines the exceptions are justified by the relationship, age, sex, health or disability of family members, or other individual circumstances.

The PHA will grant an exception upon request as an accommodation for persons with disabilities. Circumstances may dictate a larger size than the subsidy standards permit when persons cannot share a bedroom because of a need, such as a:

Verified medical or health reason; or

Elderly persons or persons with disabilities who may require a live-in attendant

**Request for Exception to Subsidy Standards**

The family may request a larger sized voucher than indicated by the PHA's subsidy standards. Such request must be made in writing within 14 business days of the PHA's determination of bedroom size. The request must explain the need or justification for a larger bedroom size. Documentation verifying the need or justification will be required as appropriate.

The PHA will not issue a larger voucher due to additions of family members other than by birth, adoption, marriage, or court-awarded custody.

Requests based on health related reasons must be verified by a doctor, medical professional, or social service professional.

## **PHA Error**

If the PHA errs in the bedroom size designation, the family will be issued a Voucher of the appropriate size.

## **Changes for Applicants**

The voucher size is determined prior to the briefing by comparing the family composition to the PHA subsidy standards. If an applicant requires a change in the voucher size, based on the requirements of the PHA subsidy standards, the above referenced guidelines will apply. It is the discretion of the PHA to approve or deny revision of the voucher size if adding additional household members.

## **Changes for Participants**

The members of the family residing in the unit must be approved by the PHA. The family must obtain approval of any additional family member before the person occupies the unit except for additions by birth, adoption, or court-awarded custody, in which case the family must inform the PHA within **14 business** days.

## **Underhoused and Overhoused Families**

If a unit does not meet HQS space standards due to an increase in family size (unit too small), the PHA will issue a new voucher and assist the family in locating a suitable unit.

The PHA will also notify the family of the circumstances under which an exception will be granted, such as:

If a family with a disability is under-housed in an accessible unit.

If a family requires the additional bedroom because of a health problem which has been verified by the PHA.

**C. UNIT SIZE SELECTED**

The family may select a different size dwelling unit than that listed on the Voucher. There are three criteria to consider:

Subsidy Limitation: The family unit size as determined for a family under the PHA subsidy standard for a family assisted in the voucher program is based on the PHA's adopted payment standards. The payment standard for a family will be the *lower of*:

The payment standard amount for the family voucher size; or

The payment standard amount for the unit size rented by the family.

Utility Allowance: The utility allowance used to calculate the gross rent is based on the actual size of the unit the family selects, regardless of the size authorized on the family's Voucher.

Housing Quality Standards: The standards allow two persons per living/sleeping room and permit maximum occupancy levels (assuming a living room is used as a living/sleeping area) as shown in the table below. The levels may be exceeded if a room in addition to bedrooms and living room is used for sleeping.

HQS GUIDELINES FOR UNIT SIZE SELECTED

<b>Unit Size</b>	<b>Maximum # In Household</b>
0 Bedroom	1
1 Bedroom	4
2 Bedrooms	6
3 Bedrooms	8
4 Bedrooms	10
5 Bedrooms	12
6 Bedrooms	14

## Chapter 6

# FACTORS RELATED TO TOTAL TENANT PAYMENT AND FAMILY SHARE DETERMINATION

## INTRODUCTION

The PHA will use the methods as set forth in the Administrative Plan to verify and determine that family income at admission and at annual reexamination is correct. The accurate calculation of Annual Income and Adjusted Income will ensure that families are not paying more or less money for rent than their obligation under the Regulations.

This Chapter defines the allowable expenses and deductions to be subtracted from Annual Income and how the presence or absence of household members may affect the Total Tenant Payment (TTP). Income and TTP are calculated in accordance with 24 CFR Part 5, Subparts E and F, and further instructions set forth in HUD Notices and Memoranda. The formula for the calculation of TTP is specific and not subject to interpretation. The PHA's policies in this Chapter address those areas which allow the PHA discretion to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

## A. INCOME AND ALLOWANCES

**Income:** All amounts, monetary or not, that go to or are on behalf of, the family head or spouse (even if temporarily absent) or to any other family member, or all amounts anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date. In accordance with this definition, all income which is not specifically excluded in the regulations s counted.

Annual Income is defined as the gross amount of income anticipated being received by the family during the 12 months after certification or recertification. Gross income is the amount of income prior to any HUD allowable expenses or deductions, and does not include income which has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits.

Adjusted Income is defined as the Annual income minus any HUD allowable expenses and deductions.

HUD has five allowable deductions from Annual Income:

1. Dependent Allowance: \$480 each for family members (other than the head or spouse), who are minors, and for family members who are 18 or older and full-time students or who are disabled.
2. Elderly/Disabled allowance: \$400 per family whose head or spouse is 62 or over or disabled.
3. Allowable Medical Expenses: Deducted for all family members of an eligible elderly/disabled family.
4. Child Care Expenses: Deducted for the care of children under 13 when child care is necessary to **allow** an **adult** member to work, attend school, or actively seek employment.
5. Allowable Disability Assistance Expenses: Deducted for attendant care or auxiliary apparatus for persons with disabilities if needed to enable the individual or an **adult** family member to work.

### **Minimum Rent**

The LMHA Board approved (8/20/03) changing **the minimum** rent from \$25.00 **to zero**. The Section 8 department will effect this change immediately.

**The PHA will use the following as a guide for included and excluded income:**

#### ***Income Inclusions***

***(Housing Choice Voucher Program Guidebook pg 5-14)***

- (1) The full amount, before any payroll deductions, of wages and salaries (including seasonal employment), overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
- (2) The net income from operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family;
- (3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as a deduction in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income shall include the greater of the actual income derived from net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;
- (4) The full amount of periodic payments received from social security, annuities, insurance policies, retirement funds, pensions, lotteries, disability or death benefits, and other similar types of periodic receipts, including a lump-sum payment for the delayed start of a periodic payment (but see No. 13 under Income Exclusions);

  - c. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustments by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare income to be included as income shall consist of:
    - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
    - ii. The maximum amount that the welfare agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage;
- (7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from persons not residing in the dwelling; and

  - (d) A resident service stipend. This is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the owner, on a part-time basis, that enhances the quality of life in the development. This may include, but is not limited to fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time; or

- (e) Incremental earnings and benefits resulting to any family member from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. - (15) Amounts specifically excluded by any other federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under the 1937 Act. A notice will be published in the Federal Register and distributed to PHAs identifying the benefits that qualify for this exclusion. Updates will be distributed when necessary. The following is a list of income sources that qualify for that exclusion:

## **B. DISALLOWANCE OF EARNED INCOME FROM RENT DETERMINATIONS FOR PERSONS WITH DISABILITIES**

Between 4/20/01 and 3/15/02, the disallowance was available only to disabled members of disabled families. Technical amendments published 2/13/02 extended the disallowance to all qualifying family members with disabilities effective 3/15/02. Exclusion of income during participation in training programs under 24 CFR 5.609 is still applicable.

The annual income for *qualified* families may not be increased as a result of increases in earned income of a family member who is a person with disabilities beginning on the date on which the increase in earned income begins and continuing for a cumulative 12-month period. After the qualified family receives 12 cumulative months of the full exclusion, annual income will include a phase-in of half the earned income excluded from annual income.

A family qualified for the earned income exclusion is a family that is receiving tenant-based rental assistance under the Housing Choice Voucher program, and

Whose annual income increases as a result of employment of a family member who is a person with disabilities and who was previously unemployed for one or more years prior to employment;

Whose annual income increases as a result of increased earnings by a family member who is a person with disabilities during participation in any economic self-sufficiency or other job training program;

Whose annual income increases, as a result of new employment or increased earnings of a family member who is a person with disabilities, during or within six months after receiving assistance, benefits or services under any State program for TANF provided that the total amount over a six-month period is at least \$500. The qualifying TANF assistance may consist of any amount of monthly income maintenance, and/or at least \$500 in such TANF benefits and services as one-time payments, wage subsidies and transportation assistance.

**The HUD definition of “previously unemployed”** includes a person with disabilities who has earned in the previous 12 months no more than the equivalent earnings for working 10 hours per week for 50 weeks at the minimum wage. Minimum wage is the prevailing minimum wage in the State or locality.

**The HUD definition of economic self-sufficiency program** is any program designed to encourage, assist, train or facilitate economic independence of assisted families or to provide work for such families. Such programs may include job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, or any other program necessary to ready a participant to work (such as substance abuse or mental health treatment).

Qualifying increases are any earned income increases of a family member who is a person with disabilities during participation in an economic self-sufficiency or job-training program and not increases that occur after participation, unless the training provides assistance, training or mentoring after employment.

The amount that is subject to the disallowance is the amount of incremental increase in income of a family member who is a person with disabilities. The incremental increase in income is calculated by comparing the amount of the disabled family member's income before the beginning of qualifying employment or increase in earned income to the amount of such income after the beginning of employment or increase in earned income.

### **Initial Twelve-Month Exclusion**

During the cumulative 12-month period beginning on the date a member who is a person with disabilities of a qualified family is first employed or the family first experiences an increase in income of the family member who is a person with disabilities as a result of employment over the prior income of that family member.

### **Tracking the Earned Income Exclusion**

The earned income exclusion will be reported on the HUD 50058 form. The following documentation will be included in the family's file:

Name of the family member whose earned income increased

Reason (new employment, participation in job training program, within 6 months after receiving TANF) for the increase in earned income

Amount of the increase in earned income (amount to be excluded)

Date the increase in earned income was reported by the family

Date the increase in income is first excluded from annual income

Date(s) earned income ended and resumed during the initial cumulative 12-month period of exclusion (if any)

Date the family member has received a total of 12 months of the initial exclusion

Date the 12-month phase-in period began

Date(s) earned income ended and resumed during the second cumulative 12-month period (phase-in) of exclusion (if any)

Date the family member has received a total of 12 months of the phase-in exclusion

Ending date of the maximum 48-month (four year) disallowance period (48 months from the date of the initial earned income disallowance)

### **C. DEFINITION OF TEMPORARILY/PERMANENTLY ABSENT**

The PHA must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, the PHA must count the income of the spouse or the head of the household if that person is temporarily absent, even if that person is not on the lease.

“Temporarily absent” is defined as away from the unit for more than 90 days. Incarceration is not considered temporarily absent.

If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the head of household to report changes in family composition. The PHA will evaluate absences from the unit using this policy.

#### **Absence of Entire Family**

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the PHA will terminate assistance in accordance with appropriate termination procedures contained in this Plan.

Families are required both to notify the PHA before they move out of a unit and to give the PHA information about any family absence from the unit.

Families must notify the PHA prior to leaving the unit if they are going to be absent from the unit for more than 14 consecutive days.

If the entire family is absent from the assisted unit for **30** consecutive days (**without prior notice to the PHA**), the unit will be considered to be vacated and the assistance will be terminated.

If it is determined that the family is absent from the unit longer than the time specified in this Plan, the PHA will not continue assistance payments.

**Family households with one adult member will be terminated from the program if they are incarcerated for a period of more than 30 days, not to exceed 180 days without prior notice to the PHA for charges other than alcohol/drug related activity and/or violent criminal activity. Such charges are an automatic termination.**

In order to determine if the family is absent from the unit, the PHA may:

- Write letters to the family at the unit
- Telephone the family at the unit
- Interview neighbors
- Verify if utilities are in service
- Contact the landlord
- Check with the Post Office

A person with a disability may request an extension of time as an accommodation, provided that the extension does not go beyond the HUD-allowed 180 consecutive calendar days limit.

### **Absence of Any Member**

Any member of the household will be considered permanently absent if s/he is away from the unit for **90 consecutive days** except as otherwise provided in this Chapter. **Incarceration of more than 30 days is cause for termination; not to exceed 180 days without prior notice to the PHA for charges other than alcohol/drug related activity and/or violent criminal activity. Such charges are an automatic termination.**

The family will be required to notify the PHA in writing within 14 business days when a family member moves out. The notice must contain a certification by the family as to whether the member is permanently or temporarily absent.

### **Absence due to Medical Reasons**

If any family member leaves the household to enter a facility such as a hospital, nursing home, or rehabilitation center, the PHA will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than **90** consecutive days, the family member will not be considered permanently absent.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the PHA's "Absence of Entire Family" policy.

If the person with medical reasons (not drug-related) is absent for more than 90 days and terminated from the program, they may submit a written request to be reinstated to the program within one year of the date they became absent from their unit, should they be able to participate in the program again. An informal review will be held, and if it is established they would qualify for assistance, the person will be placed at the top of the waiting list and receive a Voucher when funding is available.

### **Absence due to Incarceration**

The PHA will determine if the reason for incarceration is for drug-related or violent criminal activity. This would constitute termination of assistance.

If the sole member is incarcerated for more than 30 consecutive days, s/he will be considered permanently absent. Any member of the household, other than the sole member, will be considered permanently absent if s/he is incarcerated for 30 consecutive days.

### **Absence of Children Due to Placement in Foster Care**

If the family includes a child or children temporarily absent from the home due to placement in foster care, the PHA will determine from the appropriate agency when the child/children will be returned to the home.

If the time period is to be greater than **6** months from the date of removal of the child/children, the Voucher size will be reduced. If all children are removed from the home permanently, the voucher size will be reduced in accordance with the PHA's subsidy standards.

The PHA will work with Children's Services Professionals if an exception is requested.

### **Care Taker For Children**

If neither parent remains in the household and the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the PHA will treat that adult as a visitor for the first **60** days.

If by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, the Voucher will be transferred to the caretaker.

If the appropriate agency cannot confirm the guardianship status of the caretaker, the PHA will review the status at **30 day** intervals.

If custody or legal guardianship has not been awarded by the court, but the action is in process, the PHA will secure verification from social services staff or the attorney as to the status.

The caretaker may be allowed to remain in the unit, as a visitor, until a determination of custody is made.

The PHA may transfer the voucher to the caretaker, in the absence of a court order, if the caretaker has been in the unit for more than 120 days and it is reasonable to expect that custody will be granted.

When the PHA approves a person to reside in the unit as caretaker for the child/children, the income should be counted pending a final disposition. The PHA will work with the appropriate service agencies and the landlord to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than **3** months, the person will be considered permanently absent.

The family will be required to notify the PHA in writing within 14 business days when an adult family member moves out. The notice must contain a certification by the family as to whether the adult is temporarily or permanently absent.

### **Absence Due to Full-Time Student Status**

Full time students who attend school away from the home will be treated in the following manner:

A student (other than head of household or spouse) who attends school away from home but lives with the family during school recesses may, at the family's choice, be considered either temporarily or permanently absent. If the family decides that the member is permanently absent, income of that member will not be included in total household income, the member will not be included on the lease, and the member will not be included for determination of Voucher size.

### **Visitors**

Any adult not included on the HUD 50058, who has been in the unit more than **14** consecutive days or a total of **90** days in a 12-month period, will be considered to be living in the unit as **an unauthorized** household member.

Absence of evidence of any other residency address will be considered verification that the visitor is a family member.

Statements from neighbors and/or the landlord will be considered in making the determination.

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary will be construed as permanent residence.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the family and the PHA will terminate assistance since prior approval was not requested for the addition.

Minors and college students who were part of the family but who now live away from home during the school year and are not considered members of the household may visit for up to **120** days per year without being considered a member of the household.

In a joint custody arrangement, if the minor is in the household less than **183** days per year, the minor will be considered to be an eligible visitor and not a family member.

### **Reporting Additions to Owner and PHA**

Reporting changes in household composition to the PHA is both a HUD and a PHA requirement.

The family obligations require the family to request PHA approval to add any other family member as an occupant of the unit and to inform the PHA of the birth, adoption or court-awarded custody of a child. The family must request prior approval of additional household members in writing.

If the family does not obtain prior written approval from the PHA, any person the family has permitted to move in will be considered an unauthorized household member.

In the event that a visitor continues to reside in the unit after the maximum allowable time, the family must report it to the PHA in writing within **14 business days** of the maximum allowable time.

Families are required to report any additions to the household in writing to the PHA within 14 business days of the move-in date.

An interim reexamination will be conducted for any additions to the household.

In addition, the lease may require the family to obtain prior written approval from the owner when there are changes in family composition.

**Per LMHA HCV Program policy, the family is obligated to:**

**24 CFR 982.551(h)(2) - Promptly inform the PHA of the birth, adoption or court-awarded custody of a child**

**24 CFR 982.551(h)(2) - Request PHA approval to add any other family member as an occupant of the unit**

**The members of the family residing in the unit must be approved by the PHA. The family must obtain approval of any additional family member before the person occupies the unit except for additions by birth, adoption, or court-awarded custody, in which case the family must inform the PHA within 14 business days.**

**The PHA will not issue a larger voucher due to additions of family members other than by birth, adoption, marriage, or court-awarded custody.**

**Requests based on health related reasons must be verified by a doctor, medical professional, or social service professional.**

**We should consider the family composition as the people who are directly related to the head of household:**

**An adult man or woman as head of household**

**Spouse (marriage certificate required)**

**Boyfriend/Girlfriend (spousal relationship self-certification required)**

**His/Her born children (must have legal custody)**

**Minors of relatives (must have legal custody or placement through an agency)**

**Adopted or Foster Children (documentation showing such)**

**Other scenarios that could be approved:**

**Adult head wishes to add Mother or Father or Grandparent**

**Mother, Father or Grandparent wishes to add adult daughter/son with or without children**

**Brother/Sister wishes to add terminally ill adult brother/sister**

**Head wishes to add elderly person who is dependent upon them for daily needs**

Please note that extended family (aunt, uncle, cousins) are not included above.

Also, boyfriend/girlfriend of minor or non-minor is not included. If additional family members are two separate families, the PHA will not allow the addition. For example, head of household with two children adding adult daughter, husband and two children. This causes two families. The PHA will deny this request.

*The only exception that can be made for this is under the health or disability area which would require documentation to prove the need.*

**Reporting Absences to the PHA**

Reporting changes in household composition is both a HUD and a PHA requirement.

If a family member leaves the household, the family must report this change to the PHA, in writing, within **14 business** days of the change and certify as to whether the member is temporarily absent or permanently absent.

The PHA will conduct an interim evaluation for changes which affect the TTP in accordance with the interim policy.

**D. AVERAGING INCOME**

When Annual Income cannot be anticipated for a full twelve months, the PHA may:

Average known sources of income that vary to compute an annual income, or

Annualize current income and conduct an interim reexamination if income changes.

If there are bonuses or overtime which the employer cannot anticipate for the next twelve months, bonuses and overtime received the previous year will be used.

Income from the previous year may be analyzed to determine the amount to anticipate when third-party or check-stub verification is not available.

If, by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used so as to reduce the number of interim adjustments.

The method used depends on the regularity, source and type of income.

### **E. MINIMUM INCOME**

There is no minimum income requirement. Families who report zero income are required to complete a written certification **once a quarter**.

Families that report zero income and families with expenses exceeding their known income will be required to provide written information regarding their accessible resources and means of basic subsistence (food, daily personal items, utilities, phone, transportation, cable, etc.) on a quarterly basis.

### **F. REGULAR CONTRIBUTIONS AND GIFTS**

Regular contributions and gifts received from persons outside the household are counted as income for calculation of the Total Tenant Payment. Any contribution or gift received every **3** months or more frequently will be considered a "regular" contribution or gift, unless the amount is less than **\$480** per year. This includes rent and utility payments made on behalf of the family and other cash or non-cash contributions provided on a regular basis. It does not include casual contributions or sporadic gifts. (See "Verification Procedures" chapter)

If the family's expenses exceed its known income, the PHA will require the family to provide written information regarding their accessible resources and means of basic subsistence (food, daily personal items, utilities, phone, transportation, cable, etc.) on a quarterly basis.

### **G. INCOME OF PERSON PERMANENTLY CONFINED TO NURSING HOME**

If a family member is permanently confined to a hospital or nursing home, and there is a family member left in the household, the PHA will calculate the income by using the following methodology and use the income figure which would result in a lower payment by the family:

Exclude the income and deductions of the member if his/her income goes directly to the facility.

Include the income and deductions of the member if his/her income goes to a family member. Payments by the family member to the facility may be considered medical deductions, if documented and verified.

## **H. ALIMONY AND CHILD SUPPORT**

Regular alimony and child support payments are counted as income for calculation of Total Tenant Payment.

**If the amount of child support or alimony received is less than the amount awarded by the court, the PHA must use the amount awarded by the court unless the family can provide documentation that they are not receiving the full amount.**

**It is the family's responsibility to supply a certified copy of the divorce decree.**

## **I. LUMP-SUM RECEIPTS**

Lump-sum additions to Family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses, are not included in income but may be included in assets.

Lump-sum payments from Social Security or SSI are excluded from income, but any amount remaining will be considered an asset. Deferred periodic payments, which have accumulated due to a dispute, will be treated the same as periodic payments which are deferred due to delays in processing.

Lump-sum payments caused by delays in processing periodic payments such as unemployment, child support or welfare assistance are counted as income.

The PHA will determine the likelihood of the family receiving another similar payment(s) within the next twelve months before deciding whether or not this amount should be included in the calculation of annual income. To make this determination, the PHA will need more information from the family and the third party making the payment(s). If the PHA determines and can appropriately verify that the tenant in all likelihood will not receive a similar payment the following year, then the amount should not be considered when calculating annual income. On the other hand, if the PHA determines that it is likely that the tenant will receive a similar payment and can appropriately verify it, the amount should be included in annual income at the family's annual reexamine.

The income will not be added during an interim.

### **Retroactive Calculation Methodology**

If the payment is not reported on a timely basis, the PHA will go back to the date the lump-sum payment was received, or to the date of admission, whichever is closer.

The PHA will determine the amount of income for each certification period, including the lump sum, and recalculate the tenant rent for each certification period to determine the amount due the PHA.

The family will be offered a choice of paying this "retroactive" amount to the PHA in a lump sum, or at the PHA's option, the PHA may enter into a Repayment Agreement with the family. The amount owed by the family is a collectible debt even if the family becomes unassisted.

## **Attorney Fees**

The family's attorney fees may be deducted from lump-sum payments when computing annual income if the attorney's efforts have recovered a lump-sum compensation, and the recovery paid to the family does not include an additional amount in full satisfaction of the attorney fees.

## **J. CONTRIBUTIONS TO RETIREMENT FUNDS - ASSETS**

Contributions to company retirement/pension funds are handled as follows:

While an individual is employed, count as assets only amounts the family can withdraw without retiring or terminating employment.

After retirement or termination of employment, count any amount the employee elects to receive as a lump sum.

## **K. ASSETS DISPOSED OF FOR LESS THAN FAIR MARKET VALUE**

The PHA must count assets disposed of for less than fair market value during the two years preceding certification or reexamination. The PHA will count the difference between the market value and the actual payment received in calculating total assets.

Assets disposed of as a result of foreclosure or bankruptcy are not considered to be assets disposed of for less than fair market value. Assets disposed of as a result of a divorce or separation are not considered to be assets disposed of for less than fair market value.

The PHA's minimum threshold for counting assets disposed of for less than Fair Market value is \$1,000.00. If the total value of assets disposed of within a one-year period is less than \$1,000.00, they will not be considered an asset.

## **L. CHILD CARE EXPENSES**

Child care expenses for children age 12 and under may be deducted from annual income if they enable an adult to work, attend school, or actively seek employment (schedules may be requested by the PHA).

In the case of a child attending school, only pre-hours or after-hours care can be counted as child care expenses.

*In cases where an adult family member is available to provide child care: Child care expenses may not be allowed as a deduction unless there is a documented reason that the family member should not care for the child(ren) OR child care is provided by an established day care/child care facility or provider.*

Examples of those adult members who would be considered *unable* to care for the child include:

The abuser in a documented child abuse situation, or

A person with disabilities or older person unable to take care of a small child, as verified by a reliable knowledgeable source.

Allowability of deductions for child care expenses is based on the following guidelines:

Child care to work: The maximum child care expense allowed must be less than the amount earned by the person enabled to work.

The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.

The amount paid for child care is affordable to the family based on their monthly expenses as shown on the Personal Declaration

Child care for school: The number of hours claimed for child care may not exceed the number of hours the family member is attending school (including one hour travel time to and from school).

**Amount of Expense: The expenses incurred to enable a family member to work may not exceed the amount earned.**

**M. MEDICAL EXPENSES**

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

Nonprescription medicines must be doctor-recommended in order to be considered a medical expense and will be counted if the family furnishes legible receipts.

**N. PRORATION OF ASSISTANCE FOR "MIXED" FAMILIES**

**Applicability**

Proration of assistance must be offered to any "mixed" applicant or participant family. A "mixed" family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

**Prorated Assistance Calculation**

Prorated assistance is calculated by determining the amount of assistance payable if all family members were eligible and multiplying by the percent of the family members who actually are eligible. Calculations for the housing program are performed on the HUD 50058.

**CALCULATING PRORATED ASSISTANCE**

Assistance for mixed families is calculated based on the percentage of eligible individuals in the household. There are five steps in the calculation.

***Steps***

***Example***

1. Determine the gross rent for the unit (rent to owner plus the utility allowance).

1. Rent to owner	\$500
Utility allowance	<u>+ \$50</u>
Gross rent	\$550

2. Determine the HAP, taking into consideration the income of all family members, regardless of their eligibility status.

2. HAP = \$300

3. Divide the number of eligible family members (citizens and those with eligible immigration status) by the total number of members in the household.

3.	3 eligible family members
	<u>÷ 4 total family members</u>
	.75 proration factor

4. Multiply the HAP calculated in Step 2 by the number calculated in Step 3 to determine the family's eligible subsidy portion.

4. Prorated HAP = \$300 x .75 = \$225

5. The amount of rent the family will pay will be the gross rent for the unit (step 1) less the prorated HAP calculated in Step 4.

5. Prorated Family Share
\$550 Gross rent
<u>- \$225 Prorated HAP</u>
\$325 Prorated Family Share

## **O. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS**

The PHA will not reduce the rental contribution for families whose welfare assistance is reduced specifically because of:

Fraud by a family member in connection with the welfare program; or

Failure to participate in an economic self-sufficiency program; or

Noncompliance with a work activities requirement

However, the PHA will reduce the rental contribution if the welfare assistance reduction is a result of:

The expiration of a lifetime limit on receiving benefits; or

A situation where a family member has not complied with other welfare agency requirements;  
or

A situation where a family member has complied with welfare agency economic self-sufficiency or work activities requirements but cannot or has not obtained employment, such as the family member has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

Imputed welfare income is the amount of annual income not actually received by a family as a result of a specified welfare benefit reduction that is included in the family's income for rental contribution.

Imputed welfare income is not included in annual income if the family was not an assisted resident at the time of the sanction.

The amount of imputed welfare income is offset by the amount of additional income a family receives that begins after the sanction was imposed.

When additional income is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

### **Verification before denying a request to reduce rent**

The PHA will obtain written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance with economic self-sufficiency or work activities requirements *before* denying the family's request for rent reduction.

At the request of the PHA, the Welfare Agency will be asked to provide: the amount and term of the specified welfare benefit reduction for the family, reason for the reduction, and subsequent changes in term or amount of reduction.

The PHA has taken a proactive approach to creating an effective working relationship with the local welfare agency.

## **P. UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS**

The same Utility Allowance Schedule is used for all tenant-based programs. The Utility allowance is intended to help defray the cost of utilities not included in the rent. The allowance is based on the typical cost of utilities and services paid by energy-conservative household that occupy housing of similar size and type in the same locality. Allowances are not based on an individual family's actual consumption.

The PHA's utility allowance schedule, and the utility allowance for an individual family, must include the utilities and services that are necessary in the locality to provide housing that complies with the housing quality standard.

The PHA may not provide any allowance for nonessential utility costs, such as cable, satellite television, or phone.

The PHA must classify utilities in the utility allowance schedule according to the following general categories: space heating, cooking, water heating, water/sewer, trash collection, other electric, refrigerator (for tenant-supplied refrigerator), range (for tenant-supplied range), and other special services as designated by the PHA.

The PHA will review the utility allowance schedule annually. If the review finds a utility rate has changed by 10 percent or more since the last revision of the utility allowance schedule, the schedule will be revised to reflect the new rate. Revised utility allowances will be applied in a participant family's rent calculation at their next reexamination.

The approved utility allowance schedule is given to families at the briefing. The utility allowance is based on the actual unit size selected.

Where families provide their own range and refrigerator, the PHA will establish an allowance adequate for the family to purchase or rent a range or refrigerator, even if the family already owns either appliance. Allowances for ranges and refrigerators will be based on the lesser of the cost of leasing or purchasing the appropriate appliance over a **36**-month period.

Where the calculation on the HUD 50058 results in a utility reimbursement payment due the family, the PHA will provide a Utility Reimbursement Payment for the family each month. The check will be made out **directly to the tenant**.

## Chapter 7

# VERIFICATION PROCEDURES

### INTRODUCTION

HUD Regulations require that the factors of eligibility and Total Tenant Payment/Family Share be verified by the PHA. PHA staff will obtain written verification from independent sources whenever possible and will document tenant files whenever third party verifications are not possible as to why third party verification was impossible to obtain.

Applicants and program participants must provide true and complete information to the PHA whenever information is requested. The PHA's verification requirements are designed to maintain program integrity. This Chapter explains the PHA's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and changes in family composition. The PHA will obtain proper authorization from the family before requesting information from independent sources.

### A. METHODS OF VERIFICATION AND TIME ALLOWED

**The PHA will verify information through the five methods of verification acceptable to HUD in the following order:**

- UIV system (see policy in appendix section of this document)
- Third-Party Written
- Third-Party Oral
- Review of Documents
- Certification/Self-Declaration

The PHA will allow **2 weeks** for return of third-party verifications and **14 business days** to obtain other types of verifications before going to the next method. The PHA will document the file as to why third party written verification was not used.

For applicants, verifications may not be more than 60 days old at the time of Voucher issuance. **For participants, they are valid for up to 120 days from date of receipt.**

### Third-Party Written Verification

Third-party verification is used to verify information directly with the source. Third-party written verification forms will be sent and returned via first class mail or **fax/email**. The family will be required to sign an authorization for the information source to release the specified information. Verifications received electronically directly from the source **are** considered third party written verifications.

*In-house third party written verification forms will not be hand carried by the family under any circumstances.*

**The PHA will accept original computerized printout verifications delivered by the family from the following agencies:**

Social Security Administration  
Veterans Administration  
Welfare Assistance  
Unemployment Compensation Board  
City or County Courts  
Child Support Bureau

### **Third-Party Oral Verification**

Oral third-party verification will be used when written third-party verification is delayed or not possible. When third-party oral verification is used, staff will be required to note with whom they spoke, the date of the conversation, and the facts provided. If oral third party verification is not available, the PHA will compare the information to any documents provided by the Family. If provided by telephone, the PHA must originate the call.

### **Review of Documents**

In the event that third-party written or oral verification is unavailable, or the information has not been verified by the third party within **two (2)** weeks, the PHA will notate the file accordingly and utilize documents provided by the family as the primary source if the documents provide complete information.

All such documents will be photocopied, dated and signed by the person who does the copying and retained in the applicant file. In cases where documents are viewed which cannot be photocopied, staff viewing the document(s) will provide a written certification they viewed the originals with date and signature.

The PHA will accept the following documents from the family provided that the document is such that tampering would be easily noted:

Printed wage stubs  
Computer printouts from the employer  
Signed letters (provided that the information is confirmed by phone) *on company letterhead*  
Other documents noted in this Chapter as acceptable verification

### **The PHA will accept faxed documents**

If third-party verification is received after documents have been accepted as provisional verification, and there is a discrepancy, the PHA will utilize the third party verification.

The PHA will not delay the processing of a **file** beyond 30 days because a third party information provider does not return the verification in a timely manner if the family supplies necessary information.

### **Self-Certification/Self-Declaration**

ONLY when verification cannot be made by third-party verification or review of documents, families will be required to submit a self-certification.

Self-certification means a notarized statement or affidavit or statement under penalty of perjury.

## **B. RELEASE OF INFORMATION**

Adult family members will be required to sign the HUD 9886 Release of Information/Privacy Act form. In addition, adults will be required to sign specific authorization forms when information is needed that is not covered by the HUD form 9886, Authorization for Release of Information.

Each member requested to consent to the release of information will be provided with a copy of the appropriate forms for their review and signature.

Family refusal to cooperate with the HUD prescribed verification system will result in denial of admission or termination of assistance because it is a family obligation to supply any information and sign consent forms requested by the PHA or HUD.

## **C. COMPUTER MATCHING (see UIV Policy in appendix section)**

*The 1988 McKinney Act legislation authorized State wage record keepers to release to both HUD and PHA's information pertaining to wages and unemployment compensation. **Effective January 31, 2010, HUD mandated mandatory use of the EIV system.***

Where allowed by HUD and/or other State or local agencies, computer matching will be done. The PHA will utilize the Up-Front Income Verification (UIV) provided by HUD to receive state income and Social Security income verification. Both of these tools are used to determine if residents/participants are disclosing all household income.

If computer matching results in a discrepancy with information in the PHA records, the PHA will follow up with the family and verification sources to resolve this discrepancy. When the family has unreported or under reported income, the PHA will follow the procedures in the Program Integrity Addendum of the Administrative Plan.

## **D. ITEMS TO BE VERIFIED**

All income not specifically excluded by the regulations.

Zero-income status of household.

Full-time student status including High School students who are 18 or over.

Current assets including assets disposed of for less than fair market value in preceding two years.

Child care expense where it allows an **adult** family member to be employed or to further his/her education.

Total medical expenses of all family members in households whose head, spouse or co-head is elderly or disabled.

Disability assistance expenses to include only those costs associated with attendant care or auxiliary apparatus which allow an **adult** family member to be employed.

### **Identity**

U.S. citizenship/eligible immigrant status.

Social Security Numbers **for all family members.**

"Preference" status.

**Familial/Marital** status when needed for head or spouse definition.

### **Verification of Reduction in Benefits for Noncompliance:**

The PHA will obtain written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance *before* denying the family's request for rent reduction.

## **E. VERIFICATION OF INCOME**

This section defines the methods the PHA will use to verify various types of income.

### **Employment Income**

**Verification forms request the employer to specify the:**

Dates of employment

Amount and frequency of pay

Date of the last pay increase

Likelihood of change of employment status and effective date of any known salary increase during the next 12 months

Year-to-date earnings

Estimated income from overtime, tips, bonus expected during next 12 months

**Acceptable methods of verification include, in this order:**

Employment verification form completed by the employer.

Check stubs or earning statements which indicate the employee's gross pay, frequency of pay or year to date earnings.

W-2 forms plus income tax return forms.

Ledgers or income tax returns signed by the family may be used for verifying self-employment income, or income from tips and other gratuities.

Applicants and program participants may be requested to sign an authorization for release of information from the I. R. S. for further verification of income.

In cases where there are questions about the validity of information provided by the family, the PHA will require the most recent federal income tax statements.

Where doubt regarding income exists, a referral to IRS for confirmation will be made on a case-by-case basis.

**Social Security, Pensions, Supplementary Security Income (SSI), Disability Income**

**Acceptable methods of verification include, in this order:**

Computer report, electronically obtained or in hard copy (UIV)

Benefit verification form completed by agency providing the benefits.

**Unemployment Compensation**

**Acceptable methods of verification include, in this order:**

Verification form completed by the unemployment compensation agency

Computer printouts from unemployment office stating payment dates and amounts

**Payment stubs.**

**Welfare Payments or General Assistance**

**Acceptable methods of verification include, in this order:**

Computer-generated statement from payment provider indicating the amount of grant/payment, family members, start date of payments, and anticipated changes in payment in the next 12 months.

Computer-generated Notice of Action.

PHA verification form completed by payment provider.

Computer-generated list of recipients from Welfare Department.

**Alimony or Child Support Payments**

**Acceptable methods of verification include, in this order:**

Copy of a separation or settlement agreement or a divorce decree stating amount and type of support and payment schedules.

A (notarized) letter from the person paying the support (when payment does not go through Bureau or Court).

Copy of latest check and/or payment stubs from Court Trustee. PHA must record the date, amount, and number of the check.

Family's self-certification of amount received and of the likelihood of support payments being received in the future, or that support payments are not being received.

If payments are irregular, the family must provide:

A copy of the separation or settlement agreement, or a divorce decree stating the amount and type of support and payment schedules.

A statement from the agency responsible for enforcing payments to show that the family has filed for enforcement.

A notarized affidavit from the family indicating the amount(s) received.

A welfare notice of action showing amounts received by the welfare agency for child support.

A written statement from an attorney certifying that a collection or enforcement action has been filed.

**Net Income from a Business (see Self-employment Policy in appendix section)**

In order to verify the net income from a business, the PHA will view IRS and financial documents from prior years and use this information to anticipate the income for the next 12 months. Acceptable methods of verification include:

IRS Form 1040, including:  
    Schedule C (Small Business)  
    Schedule E (Rental Property Income)  
    Schedule F (Farm Income)

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

Audited or unaudited financial statement(s) of the business.

Documents such as manifests, appointment books, cash books, bank statements, and receipts will be used as a guide for the prior six months (or lesser period if not in business for six months) to project income for the next 12 months. The family will be advised to maintain these documents in the future if they are not available.

Family's self-certification as to net income realized from the business during previous years.

Credit report or loan application.

**Child Care Business**

If an applicant/participant is operating a licensed day care business, income will be verified as with any other business. Tax return may be requested.

If the applicant/participant is operating a "cash and carry" operation (which may or may not be licensed), the PHA may require that the applicant/participant complete a form for each customer which indicates: name of person(s) whose child (children) is/are being cared for, phone number, number of hours child is being cared for, method of payment (check/cash), amount paid, and signature of person. Tax return may be requested.

If child care services were terminated, a third-party verification may be sent to the parent whose child was cared for.

### **Recurring Gifts**

The family must furnish a self-certification which contains the following information:

- The **name and address of the person** who provides the gifts
- The value of the gifts
- The regularity (dates) of the gifts
- The purpose of the gifts

### **Zero Income Status**

Families claiming to have no income will be required to execute verification forms to determine that income, such as unemployment benefits, TANF, SSI, etc., is not being received by the household.

The PHA may request information from the State Employment Development Department, IRS, or check records of other departments in the PHA jurisdiction that have information about income sources of customers.

The PHA may run a credit report if information is received that indicates the family has an unreported income source. The PHA may question neighbors if complaints are received accusing fraud.

The family will be required to complete a notarized no-income affidavit/letter of certification quarterly. The family may be required to provide written information regarding their accessible resources and means of basic subsistence (food, utilities, transportation, phone, cable, etc.) no more than quarterly to the PHA.

### **Full-Time Student Status**

Only the first \$480 of the earned income of full time students, other than head, spouse, or co-head will be counted toward family income.

Financial aid, scholarships and grants received by full time students are not counted toward family income when the student is living with the parents **(FR 4/10/06)**.

Financial assistance, in excess of amounts received for tuition shall be considered income to the individual (single student under the age of 24 who is not a veteran, is unmarried, does not have a dependent child). It is not considered annual income for persons over the age of 23 with dependent children. **(CFR 5.612 and 5.609)**

Verification of full time student status includes:

Written verification from the registrar's office or other school official.

School records indicating enrollment for sufficient number of credits to be considered a full-time student by the educational institution.

## **F. INCOME FROM ASSETS**

Acceptable methods of verification include, in this order:

### **Savings Account Interest Income and Dividends**

**Account statements, passbooks, certificates of deposit, or PHA verification forms completed by the financial institution. When the asset to be verified is not a significant amount and will have minimum impact on the TTP, the PHA will verify the asset through review of original documentations provided by the tenant. *For the purpose of this policy, LMHA defines a significant amount as any amount in excess of \$1,000.***

Broker's statements showing value of stocks or bonds and the earnings credited the family. Earnings can be obtained from current newspaper quotations or oral broker's verification.

IRS Form 1099 from the financial institution, provided that the PHA must adjust the information to project earnings expected for the next 12 months.

### **Interest Income from Mortgages or Similar Arrangements**

A letter from an accountant, attorney, real estate broker, the buyer, or a financial institution stating interest due for next 12 months. (A copy of the check paid by the buyer to the family is not sufficient unless a breakdown of interest and principal is shown.)

Amortization schedule showing interest for the 12 months following the effective date of the certification or recertification.

### **Net Rental Income from Property Owned by Family**

IRS Form 1040 with Schedule E (Rental Income).

Copies of latest rent receipts, leases, or other documentation of rent amounts.

Documentation of allowable operating expenses of the property: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.

Lessee's written statement verifying rent payments to the family and family's self-certification as to net income realized.

## **G. VERIFICATION OF ASSETS**

### **Family Assets**

The PHA will require the necessary information to determine the current cash value of the family's assets (the net amount the family would receive if the asset were converted to cash).

Verification forms, letters, or documents from a financial institution or broker.

Passbooks, checking account statements, certificates of deposit, bonds, or financial statements completed by a financial institution or broker.

Quotes from a stock broker or realty agent as to net amount family would receive if they liquidated securities or real estate.

Real estate tax statements if the approximate current market value can be deduced from assessment.

Financial statements for business assets.

Copies of closing documents showing the selling price and the distribution of the sales proceeds.

Appraisals of personal property held as an investment.

**Family's self-certification describing assets or cash held at the family's home or in safe deposit boxes.**

### **Assets Disposed of for Less than Fair Market Value (FMV) During Two Years Preceding Effective Date of Certification or Recertification**

For all Certifications and Recertifications, the PHA will obtain the Family's certification as to whether any member has disposed of assets for less than fair market value during the two years preceding the effective date of the certification or recertification.

If the family certifies that they have disposed of assets for less than fair market value, verification/certification is required that shows: (a) all assets disposed of for less than FMV, (b) the date they were disposed of, (c) the amount the family received, and (d) the market value of the assets at the time of disposition. Third party verification will be obtained wherever possible.

## **H. VERIFICATION OF ALLOWABLE DEDUCTIONS FROM INCOME**

### **Child Care Expenses**

Written verification from the person who receives the payments is required. If the child care provider is an individual, s/he must provide a statement of the amount they are charging the family for their services.

Verifications must specify the child care provider's name, address, telephone number, the names of the children cared for, the number of hours the child care occurs, the rate of pay, and the typical yearly amount paid, including school and vacation periods.

Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.

### **Medical Expenses**

Families who claim medical expenses will be required to submit a certification as to whether or not any expense payments have been, or will be, reimbursed by an outside source. All expense claims will be verified by any/all of the methods listed below:

Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist, of (a) the anticipated medical costs to be incurred by the family and regular payments due on medical bills; and (b) extent to which those expenses will be reimbursed by insurance or a government agency.

- **HUD requires 3<sup>rd</sup> party verification when granting a deduction for medication expenses. The Housing Authority is prohibited from allowing any identifying information related to the types of medications that a client is prescribed to remain in the client's file. As a result, a form has been developed for the file with the following language:**
  - **"We, the undersigned, testify that we have reviewed the 3<sup>rd</sup> party pharmacy verification that was provided to the Lorain Metropolitan Housing Authority on (date) from the above pharmacy and we have determined that the allowable medication deduction for the above client is \$ (amount of expense). This amount may or may not match the total amount that was reflected on the original 3<sup>rd</sup> party verification. The Lorain Metropolitan Housing Authority deducts any amount(s) the client paid during the months in which the client met their spenddown obligation, if applicable."**

Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.

Written confirmation from the Social Security Administration's of Medicare premiums to be paid by the family over the next 12 months. A computer printout will be accepted.

For attendant care:

A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes.

Attendant's written confirmation of hours of care provided and amount and frequency that payments are received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.

Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.

Copies of payment agreements or most recent invoices that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.

Receipts or other records of medical expenses, incurred during the past 12 months, that can be used to anticipate future medical expenses. PHA may use this approach for "general medical expenses" such as non-prescription drugs and regular visits to doctors or dentists, but not for one-time, nonrecurring expenses from the previous year.

The PHA will use mileage at the **IRS** rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

### **Assistance to Persons with Disabilities**

In All Cases:

Written certification from a reliable, knowledgeable professional, that the person with disabilities requires the services of an attendant and/or the use of auxiliary apparatus to permit him/her to be employed or to function sufficiently independently to enable another family member to be employed.

Family's certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.

Attendant Care:

Attendant's written certification of amount received from the family, frequency of receipt, and hours of care provided.

Certification of family and attendant and/or copies of canceled checks family used to make payments.

Auxiliary Apparatus:

Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.

In the case where the person with disabilities is employed, a statement from the employer that the auxiliary apparatus is necessary for employment.

## **I. VERIFYING NON-FINANCIAL FACTORS**

### **Verification of Legal Identity**

In order to prevent program abuse, the PHA will require applicants to furnish verification of legal identity for all family members. The documents listed below will be considered acceptable verification of legal identity for adults. If a document submitted by a family is illegible or otherwise questionable, more than one of these documents may be required.

- \* Certificates of Birth, naturalization papers
- \* Church issued baptismal certificates
- \* Current, valid Driver's license
- \* State Picture I.D.
- \* U.S. military discharge (DD 214)
- \* U.S. passports
- \* Voter's registration
- \* Company/agency Identification Card
- \* Department of Motor Vehicles Identification Card
- \* Hospital records

Documents considered acceptable for the verification of legal identity for minors may be one or more of the following:

- \* Certificates of Birth
- \* Adoption papers
- \* Custody agreement
- \* Health and Human Services ID
- \* School records

If Certificate of Birth cannot be obtained (non exists), a notarized certification must be provided.

**Verification of Marital Status**     *Will be used to determine spouse for income, deduction and non-citizen purposes.*

Verification of divorce status will be a certified copy of the divorce decree, signed by a Court Officer.

Verification of a separation may be a copy of court-ordered maintenance, other records, or notarized affidavit.

Verification of marriage status is a marriage certificate.

## **Familial Relationships**

In-house familial relationship certification will normally be considered sufficient verification of family relationships. In cases where reasonable doubt exists, the family may be asked to provide verification.

The following verifications will always be required if applicable:

Verification of relationship:

- Official identification showing names
- Birth Certificates
- Baptismal certificates

Verification of guardianship is:

- Court-ordered assignment
- Affidavit of parent
- Verification from social services agency
- School records

Evidence of a stable family relationship:

- Joint bank accounts or other shared financial transactions
- Leases or other evidence of prior cohabitation
- Credit reports showing relationship

## **Verification of Permanent Absence of Adult Member**

An adult member who was formerly in the household and is reported permanently absent by the family, the PHA will consider any of the following as verification:

Husband or wife institutes divorce action. Husband or wife institutes legal separation. An order of protection/restraining order exists against the other.

Proof of another home address, such as utility bills, canceled checks for rent, drivers license, or lease or rental agreement, if available.

Statements from other agencies such as social services or a written statement from the landlord or manager that the adult family member is no longer living at that location.

If the adult family member is incarcerated, a document from the Court or correction facility should be obtained stating how long they will be incarcerated.

If no other proof can be provided, the PHA may accept a self-certification from the family.

### **Verification of Change in Family Composition**

The PHA may verify changes in family composition (either reported or unreported) through letters, telephone calls, utility records, inspections, landlords, neighbors, credit data, school or DMV records, and other sources.

**If an addition to the family is reported, the HA will request (in this order):**

**Court documentation showing legal custody or guardianship;  
Records showing proof of residency (from school or doctor records); and  
Statements from social services or other agencies verifying household composition; or  
Documentation from court or correction facility if parent is incarcerated with length of  
time in jail with a notarized statement from the parent granting guardianship; or  
Notarized statement from absent parent , if not incarcerated**

### **Verification of Disability**

Verification of disability must be receipt of SSI or SSA disability payments under Section 223 of the Social Security Act or 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act 42 U.S.C. 6001(7) or verified by appropriate diagnostician such as physician, psychiatrist, psychologist, therapist, rehab specialist, or licensed social worker, using the HUD language as the verification format.

**Verification of Citizenship/Eligible Immigrant Status**

To be eligible for assistance, individuals must be U.S. citizens or eligible immigrants. Individuals who are neither may elect not to contend their status. Eligible immigrants must fall into one of the categories specified by the regulations and must have their status verified by Immigration and Naturalization Service (INS). Each family member must declare their status once. Assistance cannot be delayed, denied, or terminated while verification of status is pending except that assistance to applicants may be delayed while the PHA hearing is pending.

Citizens or Nationals of the United States are required to sign a declaration under penalty of perjury.

The PHA will require citizens to provide documentation of citizenship with at least one of the following original documents:

- United States birth certificate
- United States passport
- Resident alien/registration card
- Social Security card
- or other appropriate documentation

Eligible Immigrants who were Participants and 62 or over on June 19, 1995, are required to sign a declaration of eligible immigration status and provide proof of age.

Non-citizens with eligible immigration status must sign a declaration of status and verification consent form and provide their original immigration documents which are copied front and back and returned to the family. The PHA verifies the status through the INS SAVE system. If this primary verification fails to verify status, the PHA must request within ten days that the INS conduct a manual search.

Ineligible family members who do not claim to be citizens or eligible immigrants must be listed on a statement of ineligible family members signed by the head of household or spouse.

Non-citizen students on student visas are ineligible members even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of ineligible members.

Failure to Provide. If an applicant or participant family member fails to sign required declarations and consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information.

### **Time of Verification**

For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the time of initial application.

The PHA will not provide assistance to any family prior to the affirmative establishment and verification of the eligibility of the individual or at least one member of the family.

The PHA will verify the U.S. citizenship/eligible immigration status of all participants no later than the date of the family's first annual reexamination following the enactment of the Quality Housing and Work Responsibility Act of 1998.

For family members added after other members have been verified, the verification occurs with the interim adding that member to the household.

Once verification has been completed for any covered program, it need not be repeated except that, in the case of port-in families, if the initial PHA does not supply the documents, the PHA must conduct the determination.

### **Extensions of Time to Provide Documents**

The PHA **will** grant an extension of up to **30 days** for families to submit evidence of eligible immigrant status.

### Acceptable Documents of Eligible Immigration

The regulations stipulate that only the following documents are acceptable unless changes are published in the Federal Register.

Resident Alien Card (I-551)

Alien Registration Receipt Card (I-151)

Arrival-Departure Record (I-94)

Temporary Resident Card (I-688)

Employment Authorization Card (I-688B)

Receipt issued by the INS for issuance of replacement of any of the above documents that shows individual's entitlement has been verified

A birth certificate is not acceptable verification of status. All documents in connection with U.S. citizenship/eligible immigrant status must be kept five years.

The PHA will verify the eligibility of a family member at any time such eligibility is in question, without regard to the position of the family on the waiting list.

If the PHA determines that a family member has knowingly permitted another individual who is not eligible for assistance to reside permanently in the family's unit, the family's assistance will be terminated for **not less than 24 months**, unless the ineligible individual has already been considered in prorating the family's assistance.

### Verification of Social Security Numbers

Social security numbers must be provided as a condition of eligibility **for all family members** if they have been issued a number. Verification of Social Security numbers will be done through a Social Security Card issued by the Social Security Administration. If a family member cannot produce a Social Security Card, only the documents listed below showing his or her SS Number may be used for **temporary** verification:

Printout from Social Security Office showing person's SS number

A driver's license

Identification card issued by a Federal, State or local agency

Identification card issued by a medical insurance company or provider (including Medicare and Medicaid)

An identification card issued by an employer or trade union

An identification card issued by a medical insurance company

Earnings statements or payroll stubs

IRS Form 1099

Benefit award letters from government agencies

Retirement benefit letter

Life insurance policies

Court records such as real estate, tax notices, marriage and divorce, judgment or bankruptcy records  
Verification of benefits or SS Number from Social Security Administration

New family members will be required to produce their Social Security Card or provide the substitute documentation described above together with their certification that the substitute information provided is complete and accurate. This information is to be provided at the time the change in family composition is reported to the PHA.

If an applicant or participant is able to disclose the Social Security Number but cannot meet the documentation requirements, the applicant or participant must sign a certification to that effect provided by the PHA. The applicant/participant or family member will have an additional **60** days to provide proof of the Social Security Number. If they fail to provide this documentation, the family's assistance will be terminated.

In the case of an individual at least 62 years of age, the PHA may grant an extension for up to a total of 120 days. If, at the end of this time, the elderly individual has not provided documentation, the family's assistance will be terminated.

If the family member states they have not been issued a number, the family member will be required to sign a certification with reason to this effect.

### **Medical Need for Larger Unit**

A written certification that a larger unit is necessary must be obtained from a reliable, knowledgeable medical professional.

## Chapter 8

# VOUCHER ISSUANCE AND BRIEFINGS

## INTRODUCTION

The PHA's goals and objectives are designed to assure that families selected to participate are equipped with the tools necessary to locate an acceptable housing unit. When families have been determined to be eligible, the PHA will conduct a mandatory briefing to ensure that families know how the program works. The briefing will provide a broad description of owner and family responsibilities, PHA procedures, and how to lease a unit. The family will also receive a briefing packet which provides more detailed information about the program including the benefits of moving outside areas of poverty and minority concentration.

### A. ISSUANCE OF VOUCHERS

When funding is available, the PHA will issue Vouchers to applicants whose eligibility has been determined. The number of Vouchers issued must ensure that the PHA stays as close as possible to 100% lease-up. The PHA performs a **monthly assessment** to determine whether applications can be processed, the number of Vouchers that can be issued, and to what extent the PHA can over issue (issue more Vouchers than the budget allows to achieve lease-up).

The PHA may over issue Vouchers only to the extent necessary to meet leasing goals. All Vouchers which are over issued must be honored. If the PHA finds it is over leased, it must adjust future issuance of Vouchers in order not to exceed the ACC. budget limitations over the fiscal year.

### B. BRIEFING TYPES AND REQUIRED ATTENDANCE

#### Initial Applicant Briefing

A full HUD-required briefing will be conducted for applicant families who are determined to be eligible for assistance. The briefings will be conducted in group meetings. Families who attend group briefings and still have the need for individual assistance will be referred to a member of the Section 8 Staff.

Briefings will be conducted in English.

The purpose of the briefing is to explain how the program works and the documents in the Voucher holder's packet to families so that they are fully informed about the program. This will enable them to utilize the program to their advantage, and it will prepare them to discuss it with potential owners and property managers.

The PHA will not issue a Voucher to a family unless the household representative has attended a briefing and signed the Voucher. Applicants who provide prior notice of inability to attend a briefing will automatically be scheduled for the next briefing. Applicants who fail to attend **two (2)** scheduled briefings, without prior notification and approval of the PHA, may be denied admission based on failure to supply information needed for certification. The PHA will conduct individual briefings for

families with disabilities at their home (when they are the only adult family member capable of attending the briefing), upon request by the family and, if required medical verification is submitted to prove this is a reasonable accommodation request.

### **Briefing Packet**

The documents and information provided in the briefing packet for the Voucher program will comply with all HUD requirements. The family is provided with the following information and materials:

The term of the voucher, and the PHA policy for requesting extensions or suspensions (referred to as tolling) to the term of the voucher.

A description of the method used to calculate the housing assistance payment for family, including how the PHA determines the payment standard for a family; how the PHA determines total tenant payment for a family and information on the payment standard and utility allowance schedule. How the PHA determines the maximum allowable rent for an assisted unit including rent reasonableness.

Where the family may lease a unit.

For family that qualifies to lease a unit outside the PHA jurisdiction under portability procedures, the information must include an explanation of how portability works including a list of neighboring housing agencies, addresses & phone numbers.

The HUD required tenancy addendum, which must be included in the lease

The Request for Approval of Tenancy form and a description of the procedure for requesting approval of a unit.

A statement of the PHA policy on providing information about families to prospective owners.

The PHA subsidy standards including when and how exceptions are made and how the voucher size relates to the unit size selected.

The HUD brochure, "A Good Place to Live" on how to select a unit that complies with HQS.

The HUD brochure on lead-based paint entitled "Protect Your Family from Lead in Your Home"

Information on Federal, State, and Local equal opportunity laws and a copy of the housing discrimination complaint form. The PHA will also include the pamphlet "Fair Housing: It's Your Right."

A list of landlords **and known units available** for the voucher issued. The list includes landlords and units available throughout Lorain County as LMHA is advised of availability and updated every 2 to 3 weeks.

If the family includes a person with disabilities, notice that the PHA will help in referring the family to agencies and landlords who may assist in locating accessible units.

The Family Obligations under the program.

The grounds on which the PHA may terminate assistance for a participant because of family action or failure to act.

PHA informal hearing procedures, when the PHA is required to offer the opportunity for informal hearing to participants, and how to request such.

Owner's responsibilities.

Procedures for notifying the PHA of program abuses such as side payments, extra charges, violations of tenant rights, and owner failure to repair.

Requirements for reporting changes between certifications.

Information regarding security deposits and legal referral services.

Information regarding the PHA's outreach program to assist families who are interested in or experiencing difficulty in obtaining available units in areas outside of minority concentrated locations

### **Information to be Provided at the Briefing**

The person conducting the briefing will describe how the program works and emphasize the following:

Relationships between the family and the owner, the family and the PHA, and the PHA and the owner.

Family responsibilities as a program participant

Where a family may lease a unit inside and outside its jurisdiction  
How portability works for families eligible to exercise portability

Advantages to moving to area with low concentration of poor families if family is living in a high poverty census tract in the PHA's jurisdiction

Exercising choice in residency

Choosing a unit carefully and only after due consideration.

The Family Self Sufficiency program and its advantages.

If the family includes a person with disabilities, the PHA will ensure compliance with CFR 8.6 to ensure effective communication.

### **Mover Briefing**

For a participant who wishes to be reissued a Voucher to move, the family will be required to complete the moving process. This process includes giving the proper notice (30-day or Intent to Vacate), signing recertification forms and completing the interview. After completing the moving process, the Occupancy Specialist assigned to the family's part of the alphabet will schedule the family for a moving orientation. Once the family has attended the moving orientation, they will receive the Request For Tenancy Approval. **Families porting in and out of Lorain County will be required to attend a moving orientation.**

### **Owner Briefing**

To assure successful owner participation in the program, landlords (including out-of-state and/or agents) participating in the Housing Choice Voucher Program must attend a landlord briefing every two years (eff 1/10).

**New Landlords** – must attend ONE landlord briefing BEFORE LMHA will release HAP (Housing Assistance Payment); must sign leases and contracts and receive a certificate of completion within 60 days of the lease effective date in order to participate in the Housing Choice Voucher Program. Failure to do so will result in non-payment!

**Current Landlords** – must attend ONE landlord briefing within 12 months of this notice. LMHA will hold HAP on the 13<sup>th</sup> month if landlord has registered for a briefing; must receive a certificate of completion to avoid any interruption in Housing Assistance Payment.

The Section 8 Manager speaks annually at the local landlords' association meeting with open invitation to new, existing, and prospective landlords. Section 8 staff is versed on how to give prospective and new landlords information to create interest and participation in the program.

Owners are encouraged to come to the Section 8 office to sign documents so information may be discussed. When owners insist on contracts being mailed, they are informed to contact us with any questions or concerns before returning the signed contract.

Interested owners who request to sit in on scheduled family briefings to obtain information about the Voucher program will be allowed to do so.

## **C. ENCOURAGING PARTICIPATION IN AREAS WITHOUT LOW INCOME OR MINORITY CONCENTRATION**

At the briefing, families are encouraged to search for housing in non-impacted areas and the PHA will provide assistance to families who wish to do so.

The assistance provided to such families may include:

- Counseling with the family on "how-to"
- Direct contact with known landlords
- Search record form to gather and record information

Providing information about services in various non-impacted areas  
Outreach to city and town hall personnel to promote understanding  
Informal discussions with landlord groups  
Informal discussions with social service agencies  
Meeting with rental referral companies or agencies  
Meeting with fair housing groups or agencies

## **D. ASSISTANCE TO FAMILIES WHO CLAIM DISCRIMINATION**

### **Fair Housing Laws**

The PHA provides the family with the HUD discrimination complaint form. The family will also be directed to the Lorain County Urban League to file complaints.

## **E. SECURITY DEPOSIT REQUIREMENTS**

The owner is not required to but may collect a security deposit from the tenant. Security deposits charged to families may be any amount the owner wishes to charge, **subject to the following conditions:**

Security deposits charged by owners may not exceed those charged to unassisted tenants (nor the maximum prescribed by State or local law.)

The majority of Lorain County homeowners require 1 month's rent or less

Responsibility for first and last month's rent is not considered a security deposit issue.

## **F. TERM OF VOUCHER**

During the briefing session, each household will be issued a voucher which represents a contractual agreement between the PHA and the Family specifying the rights and responsibilities of each party. It does not constitute admission to the program which occurs when the lease and contract become effective.

### **Expirations**

The Voucher is valid for a period of sixty calendar days from the date of issuance. The family must submit a Request for Tenancy Approval within the sixty-day period unless an extension has been granted by the PHA.

If the Voucher has expired, and has not been extended by the PHA or expires after an extension, the family will be denied assistance. The family will not be entitled to a review or hearing. If the family is currently assisted, they may remain as a participant in their unit if there is an assisted lease/contract in effect.

The PHA has the discretion to issue a voucher for a specified time as deemed necessary, not to exceed 120 days.

### **Extensions**

A family may request an extension of the Voucher time period up to a maximum of 120 days. All requests for extensions must be received prior to the expiration date of the Voucher. Extensions are permissible at the discretion of the PHA primarily for these reasons:

Extenuating circumstances such as hospitalization or a family emergency, for an extended period of time, which has affected the family's ability to find a unit within the initial sixty-day period. Verification is required.

The PHA is satisfied that the family has made a reasonable effort to locate a unit, including seeking the assistance of the PHA, throughout the initial sixty-day period. A completed search record may be required.

The family was prevented from finding a unit due to disability accessibility requirements or large size (4-5 bedrooms) unit requirement. The search record may be part of the required verification.

### **Portability**

**The PHA will issue a voucher for 120 days and extend the term of the voucher for extenuating circumstances. This exception will be addressed on a case-by-case basis.**

### **Suspensions (tolling)**

When the PHA has granted the maximum 120-day term to a Voucher holder, and the last received Request for Tenancy Approval has failed to produce a HAP Contract:

due to the OWNER'S noncompliance with:  
requirements by the PHA  
refusal to bring the unit up to HQS standards, or  
the owner's decision to not rent to the holder,

the PHA may deduct the number of days required to process the request from the 120-day term.

This does not apply to situations caused because the tenant changes their mind.

### **Assistance to Voucher Holders**

Families who require additional assistance during their search may call the PHA Office to request assistance. Voucher holders will be notified at their briefing session that the PHA periodically updates the listing of available units and how the updated list may be obtained.

The PHA will assist families with negotiations with owners and provide other assistance related to the families' search for housing.

After the first 60 days of the search, the family may be required to maintain a search record and report to the PHA every 15 to 30 days.

## **G. VOUCHER ISSUANCE DETERMINATION FOR SPLIT HOUSEHOLDS**

In those instances when a family assisted under the Section 8 program becomes divided into two otherwise eligible families due to divorce, legal separation, or the division of the family, and the new families cannot agree as to which new family unit should continue to receive the assistance, and there is no determination by a court, the PHA will consider the following factors to determine which of the families will continue to be assisted:

Which of the two new family units has custody of dependent children.

Which of the two new family units has elderly or disabled members.

Whether domestic violence was involved in the breakup.

Which family members remain in the unit.

Recommendations of social service professionals.

Head of household when the Voucher was initially issued.

Documentation of these factors will be the responsibility of the requesting parties. If documentation is not provided, the PHA will terminate assistance on the basis of failure to provide information necessary for a final application or recertification.

A reduction in family size may require a reduction in the voucher family unit size.

## **H. REMAINING MEMBER OF FAMILY TO RETAIN VOUCHER**

To be considered the remaining member of the tenant family, the person must have been previously approved by the PHA to be living in the unit.

A live-in attendant, by definition, is not a member of the family and will not be considered a remaining member of the Family.

In order for a minor child to continue to receive assistance as a remaining family member:

The court has to have awarded emancipated minor status to the minor, OR

The PHA has to have verified that social services and/or the Juvenile Court has arranged for another adult to be brought into the assisted unit to care for the child(ren) for an indefinite period.

A reduction in family size may require a reduction in the voucher family size.

## Chapter 9

# REQUEST FOR TENANCY APPROVAL AND CONTRACT EXECUTION

## INTRODUCTION

The PHA's program operations are designed to utilize available resources in a manner that is efficient and provides eligible families timely assistance based on the number of units that have been budgeted. The PHA's objectives include maximizing HUD funds by providing assistance to as many eligible families and for as many eligible units as the budget will allow.

After families are issued a Voucher, they may search for a unit anywhere within the jurisdiction of the PHA, or outside of the PHA's jurisdiction if they qualify for portability. The family must find an eligible unit under the program rules, with an owner/landlord who is willing to enter into a Housing Assistance Payments Contract with the PHA. This Chapter defines the types of eligible housing, the PHA's policies which pertain to initial inspections, lease requirements, owner disapproval, and the processing of Requests For Tenancy Approval (RFTA), previously known as RFLA.

## A. REQUEST FOR APPROVAL OF TENANCY

The Request for Tenancy Approval (RFTA) *and a copy of the proposed Lease* must be submitted by the family during the term of the voucher. The family must submit the Request for Tenancy Approval in the form and manner required by the PHA. In addition, the owner must provide the "LMHA OCCUPANCY CERTIFICATION BY OWNER" form to LMHA verifying he/she has obtained the required occupancy permit (if applicable). (7/05)

**Currently, cities that require an occupancy permit are Lorain, Oberlin and Sheffield Lake.**

The Request for Tenancy Approval must be signed by both the owner and Voucher holder.

**The PHA will not permit the family to submit more than one RFTA at a time.** The PHA will review the document(s) to determine whether or not they are approvable. The Request will be approved if:

- The unit is an eligible type of housing.
- The unit meets HUD's Housing Quality Standards (and any additional criteria as identified in this Administrative Plan).
- The rent is reasonable.
- The security deposit is approvable in accordance with this plan.
- The proposed lease complies with HUD and PHA requirements.
- The owner is approvable, and there are no conflicts of interest.

In addition to the above, at the time a family initially receives assistance in a unit (new admissions and moves), the family share of the rent may not exceed 40 percent of the family monthly adjusted income. (See "Owner Rents, Rent Reasonableness and Payment Standards" chapter of this Plan)

### **Disapproval of the RFTA**

If the PHA determines that the Request cannot be approved for any reason, the PHA will contact the landlord/family to advise of the steps that are necessary for approval (by phone or in writing) so as to proceed with the process.

When, for any reason, an RFTA is not approved, the PHA will send a written notice of disapproval to the owner and family. If time remains on the family's Voucher, the family will be issued another RFTA form to continue their search for eligible housing.

### **Expiration of the RFTA**

**When the RFTA is submitted with complete information, the PHA will make every reasonable effort to conduct the initial inspection within 15 days. The "date unit available for inspection" on the RFTA will be used to determine if the PHA will be able to meet the 15-day standard.**

**If the unit is not scheduled within 30 days of the submission date of the RFTA, the RFTA will be voided. The owner or agent and family will be notified that the RFTA has expired. The family will be issued another RFTA, depending on the term of their voucher.**

## **B. ELIGIBLE TYPES OF HOUSING**

The PHA will approve any of the following types of housing in the Voucher program:

All structure types can be utilized.

Manufactured homes where the tenant leases the mobile home and the pad.

Manufactured homes where the tenant owns the home and leases the pad.

Independent Group Residences.

Units owned (but not subsidized) by the PHA (following HUD-prescribed requirements).

A family can own a rental unit but cannot reside in it while being assisted, except in the case when the tenant owns the mobile home and leases the pad. A family may lease in and have an interest in a cooperative housing development.

The PHA may not permit a Voucher holder to lease a unit which is receiving Project-Based Section 8 assistance or any duplicative rental subsidies.

## **C. LEASE REVIEW**

The PHA offers a standard lease, attached tenancy addendum, and the Lead Warning Statement form. The PHA will review any other submitted lease, particularly noting the approvability of optional charges and compliance with regulations and state and local law. Responsibility for utilities, appliances and optional services must correspond to those provided on the Request for Tenancy Approval.

The family and owner must submit a blank standard form of lease used in the locality by the owner and that is generally used for other unassisted tenants in the premises. The terms and conditions of the lease must be consistent with state and local law. This lease must be submitted with the RFTA.

The lease must have areas to specify:

The names of the owner and tenant

The address of the unit rented (including apartment number, if any)

The amount of the **monthly contract rent to owner**

The utilities to be paid for by the owner

The appliances to be supplied by the owner

The utilities to be paid for by the tenant

The appliances to be supplied by the tenant

The HUD prescribed tenancy addendum must be included in the lease, word-for-word, before the lease is executed.

Effective September 15, 2000, the owner's lease must include the Lead Warning Statement and disclosure information required by the Code of Federal Regulations.

The lease must provide that drug-related criminal activity engaged in by the tenant, any household member, or any guest on or near the premises, or any person under the tenant's control on the premises is grounds to terminate the tenancy.

The lease must also provide that the owner may evict the family when the owner determines that:

Any household member is illegally using a drug; or

A pattern of illegal use of drugs by any household member interferes with the health, safety or right to peaceful enjoyment of the premises by other residents.

The lease must provide that the following types of criminal activity by a “covered person” are grounds to terminate tenancy when there is any:

Criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents; or

Criminal activity that threatens the health, safety or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises; or

Violent criminal activity on/near the premises by a tenant, family member, or guest; or

Violent criminal activity by any other person under the tenant’s control.

The lease must provide that the owner may terminate tenancy if a tenant is:

Fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime that is a felony under the laws of the place from which the individual flees; or

Violating a condition of probation or parole imposed under Federal or State law.

House Rules of the owner may be attached to the lease as an addendum, provided they are approved, IN ADVANCE, by the PHA to ensure they do not violate any fair housing provisions and do not conflict with the tenancy addendum.

### **Actions Before Lease Term**

All of the following must always be completed before the beginning of the initial term of the lease for a unit:

The PHA has inspected the unit and has determined that the unit meets HQS;

The PHA has determined that the rent charged by the owner is reasonable;

The landlord and the tenant execute the lease including the HUD-prescribed tenancy addendum;

The PHA has approved leasing of the unit in accordance with program requirements;

When the gross rent exceeds the applicable payment standard for the family, the PHA must determine that the family share (total family contribution) will not be more than 40% of the family’s monthly adjusted income;

The owner and tenant agree they may not and will not make any additional side agreements without the prior consent of the PHA.

## **D. SEPARATE AGREEMENTS**

Separate agreements are not necessarily illegal side agreements. Families and owners will be advised of the prohibition of illegal side payments for additional rent, or for items normally included in the rent of unassisted families, or for items not shown on the approved lease.

The family is not liable under the lease for unpaid charges for items covered by separate agreements, and nonpayment of these agreements cannot be cause for eviction.

Owners and families may execute separate agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease if the agreement is in writing and approved by the PHA.

Any appliances, services or other items which are routinely provided to unassisted families as part of the lease (such as air conditioning, dishwasher or garage) or are permanently installed in the unit, cannot be put under separate agreement and must be included in the lease. For there to be a separate agreement, the family must have the option of not utilizing the service, appliance or other item.

If the family and owner have come to a written agreement on the amount of allowable charges for a specific item, so long as those charges are reasonable, and not a substitute for higher rent, they will be allowed.

All agreements for special items or services must be attached to the lease approved by the PHA. If agreements are entered into at a later date, they must be approved by the PHA and attached to the lease.

The PHA will not approve separate agreements for modifications to the unit for persons with disabilities. The modifications are usually with the dwelling and are critical to the use of the dwelling.

## **E. INITIAL INSPECTIONS**

See "Housing Quality Standards and Inspections" Chapter 10.

## **F. RENT LIMITATIONS**

The PHA will make a determination as to the reasonableness of the proposed rent in relation to comparable units available for lease on the private unassisted market, and the rent charged by the owner for a comparable unassisted unit in the building or premises.

By accepting each monthly housing assistance payment from the PHA, the owner certifies that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises or elsewhere. The owner is required to provide the PHA with information requested on rents charged by the owner on the premises or elsewhere.

At all times during the tenancy, the rent to owner may not be more than the most current reasonable rent as determined by the PHA.

## **G. DISAPPROVAL OF PROPOSED RENT**

If the proposed Gross Rent is not reasonable, at the family's request, the PHA will negotiate with the owner to reduce the rent to a reasonable rent.

If the rent is not affordable because the family share would be more than 40% of the family's monthly adjusted income, the PHA will negotiate with the owner to reduce the rent to an affordable rent for the family.

At the family's request, the PHA will negotiate with the owner to reduce the rent or include some or all of the utilities in the rent to the owner.

If the rent can be approved after negotiations with the owner, the PHA will continue processing the Request for Tenancy Approval and Lease. If the revised rent involves a change in the provision of utilities, a new Request for Tenancy Approval must be submitted by the owner and tenant.

If the owner does not agree on the Rent to Owner after the PHA has tried and failed to negotiate a revised rent, the PHA will inform the family and owner that the lease is disapproved.

## **H. INFORMATION TO OWNERS**

In accordance with HUD requirements, the PHA will furnish prospective owners with the family's current address as shown in the PHA's records, and if known to the PHA, the name and address of the landlord at the family's current and prior address.

The PHA will make an exception to this requirement if the family's whereabouts must be protected due to domestic abuse or witness protection.

The PHA will inform owners that it is the responsibility of the landlord to determine the suitability of prospective tenants. Owners **will be** encouraged to screen applicants for rent payment history, payment of utility bills, eviction history, damage to units, respecting the rights of other residents, drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others, and compliance with other essential conditions of tenancy.

A statement of the PHA's policy on release of information to prospective landlords will be included in the briefing packet which is provided to the family.

The PHA will provide prospective owners the following information based on documentation in its possession IF THE OWNER SUBMITS A SIGNED CONSENT FORM FROM THE TENANT:

- Eviction history
- HQS violations by family
- Drug Trafficking by family members

The information will be provided for the last three (3) years, if available. The information will be provided orally. Only the Section 8 Occupancy Specialists, Assistant Managers, Section 8 Manager, or Executive Staff may provide this information.

## **I. OWNER DISAPPROVAL**

See Chapter on "Owner Disapproval and Restriction."

## **J. CHANGE IN TOTAL TENANT PAYMENT (TTP) PRIOR TO HAP EFFECTIVE DATE**

When the family reports any changes in factors that will affect the Total Family Share prior to the effective date of the HAP contract at admission, the information will be verified and the Total Family Share will be recalculated. If the family does not report any change, the PHA need not obtain new verifications before signing the HAP Contract, even if verifications are more than 60 days old.

## **K. CONTRACT EXECUTION PROCESS**

The PHA prepares the Housing Assistance Contract and lease for execution. The family and the owner will execute the Lease agreement, and the owner and the PHA will execute the HAP Contract. **The Section 8 Manager or Assistant Manager will execute the contract on behalf of the PHA.** Copies of the documents will be furnished to the parties who signed the respective documents. The PHA will retain a copy of all signed documents.

The HAP Contract **may not** be executed more than 60 days after commencement of the lease term and no payments will be made until the contract is executed.

Owners must provide the current address of their residence. (Post Office Box, for mailing purposes only, is in addition to the residence address). The owner must provide a business, **home or cell phone number**.

Owners must provide an Employer Identification Number or Social Security Number.

Owners must also submit proof of ownership of the property, such as a Grant Deed or Tax Bill, and a copy of the Management Agreement if the property is managed by a management agent, upon request by the PHA.

Unless the lease was effective prior to June 17, 1998, a family may not lease properties owned by a parent, child, grandparent, grandchild, sister or brother **of any family member**. This includes "step" and "in-law". The PHA will waive this restriction as a reasonable accommodation for a family member who is a person with a disability, providing the home is such that it would best meet the needs for the disability requirements over other private market units. Under no circumstances may the owner reside in the unit.

## **Allowances by the Quality Housing and Work Responsibility Act (QHWRA)**

The QHWRA made permanent the 90-day owner termination and endless lease requirements. PHAs are no longer limited to the use of the endless lease, exclusively. Owners can now choose from the following options, **but the initial term must still be at least 12 months:**

Elect to have an indefinite extension of the initial term (the endless lease). This option allows that the owner can only terminate tenancy during the term of the lease by instituting a court action; or

They can elect fixed, definite extensions of the initial term, such as month-to-month or year-to-year. This option allows that the owner can terminate tenancy without cause at the end of the initial term or any subsequent term.

HOWEVER, this legislation permits the PHA to approve a shorter initial lease term, if the PHA determines that:

Such shorter term would improve housing opportunities for the tenant, AND

Such shorter term is the prevailing local market practice.

## **L. CHANGE IN OWNERSHIP**

See "Owner Disapproval and Restriction" chapter.

## Chapter 10

# HOUSING QUALITY STANDARDS AND INSPECTIONS

## **INTRODUCTION**

Housing Quality Standards (HQS) are the HUD minimum quality standards for tenant-based programs. HQS standards are required both at initial occupancy and during the term of the lease. HQS standards apply to the building and premises, as well as to the unit. Newly leased units must pass the HQS inspection before the beginning date of the assisted lease and HAP contract.

The PHA will inspect each unit under contract at least annually. The PHA will also have an inspection supervisor perform quality control inspections on the number of files required for file sampling by SEMAP annually to maintain the PHA's required standards and to assure consistency in the PHA's program. This Chapter describes the PHA's procedures for performing HQS and other types of inspections, and standards for the timeliness of repairs. It also explains the responsibilities of the owner and family, and the consequences of noncompliance with HQS requirements for both families and owners. The use of the term HQS in this Administrative Plan refers to the combination of both HUD and PHA requirements. (See additions to the HQS under "Acceptability Criteria and Exceptions to HQS" later in this chapter.)

## **A. GUIDELINES/TYPES OF INSPECTIONS**

The PHA has adopted local requirements of acceptability in addition to those mandated by the HUD Regulations.

Efforts will be made at all times to encourage owners to provide housing above HQS minimum standards. The PHA will not promote any additional acceptability criterion which is likely to adversely affect the health or safety of participant families, or severely restrict housing choice.

All utilities must be in service prior to the inspection. If the utilities are not in service at the time of inspection, the owner/tenant will be notified to have utilities turned on and that the unit cannot pass inspection until service is connected and the unit re-inspected.

If the tenant is responsible for supplying the stove and/or refrigerator, the PHA will not consider the unit as meeting Housing Quality Standards. The family will be mailed a “Stove and Refrigerator Certification”. The family must sign and submit after the stove and/or refrigerator have been installed and properly working. Failure to supply the appliances is a violation of the family obligations and could result in termination. *Extensions may be given to work with social service agencies giving assistance to obtain the appliance(s).* **No Housing Assistance Payment will be made if the certification has not been submitted by the family.**

There are four types of inspections the PHA will perform:

1. Initial/Move-in: Conducted upon receipt of Request For Tenancy Approval
2. Annual: Must be conducted within 12 months of the **of last annual inspection**
3. Special/Complaint: At request of family, owner, an agency, or third-party
4. Quality Control

## **B. INITIAL HQS INSPECTION**

### **Timely Initial HQS Inspection**

The PHA will inspect the unit, determine whether the unit satisfies the HQS and notify the family and owner of the determination within **15 days** after the family and the owner have submitted a request for tenancy approval. The same **15-day** clock will be suspended during any period when the unit is not available for inspection.

The PHA will **contact the owner or tenant to obtain an inspection date when the RFTA is received and note the “date unit available for inspection” on the inspection book.** This date will determine whether the PHA will be able to meet the 15-day standard, or whether a suspension is required.

The PHA will make every reasonable effort to conduct initial HQS inspections for the family and owner in a manner that is time efficient and indicative of good customer service. The PHA will periodically review the average time required for a family and owner to have a unit inspected from the time the RFTA is submitted by the family and owner to the PHA. If the PHA determines that the average time is longer than 15 days, the PHA will review staffing needs relevant to HQS inspections.

The Initial Inspection will be conducted to:

Determine if the unit and property meet the HQS defined in this Plan.

Document the current condition of the unit as to assist in future evaluations whether the condition of the unit exceeds normal wear and tear.

Document the information to be used for determination of rent reasonableness.

If the unit fails the initial Housing Quality Standards inspection, the owner and family will be advised to notify the PHA once repairs are completed.

On an initial inspection, the owner will be given up to 14 days to correct the items noted as Fail. Depending on the amount and complexity of the work to be done, the owner will be allowed up to 30 days for repair work to be completed if an extension is requested.

If the time period given to correct the repairs has elapsed, a void letter will be sent to the owner and family. The family will be issued another RFTA.

### **C. ANNUAL HQS INSPECTIONS**

The PHA conducts an inspection in accordance with Housing Quality Standards at least annually. **The PHA schedules annual inspections at least 60 - 90 days prior to the annual review date**, so that the inspections are conducted at least annually as required by SEMAP. **The tenant's annual review date is the initial date of the HAP contract.**

HQS deficiencies which cause a unit to fail must be corrected by the landlord unless it is a fail for which the tenant is responsible.

The family must allow the PHA to inspect the unit at reasonable times with reasonable notice. [24 CFR 982.51]

Inspections will be conducted on business days only. Reasonable hours to conduct an inspection are between 8:00 a.m. to 4:00 p.m.

The PHA will notify the family in writing 10 days prior to the inspection. If the family is unable to be present, they must reschedule the appointment so that the inspection is completed within 14 business days.

If the family does not contact the PHA to reschedule the inspection, or if the family misses two inspection appointments, the PHA will consider the family to have violated family obligations and their assistance will be terminated in accordance with the termination procedures of this Plan.

Re-inspection: When the PHA is notified repairs are completed, the family is provided a re-inspection appointment either by phone or mail. If the family is not at home for the re-inspection appointment, a card will be left at the unit to contact the PHA for another appointment. Two missed appointments is cause for termination of participation. A final notice letter will be sent to the owner and tenant advising of abatement (owner repairs) or termination (tenant repairs).

### **Time Standards for Repairs**

Emergency items which endanger the family's health or safety must be corrected within 24 hours of notification. (See Emergency Repair Items section in this chapter.)

For non-emergency items, repairs must be made within 30 days.

For major repairs, the Section 8 Manager or Assistant Manager must approve an extension beyond 30 days.

### **Rent Increases**

Rent to owner increases may not be approved if the unit is in a failed condition.

## **D. SPECIAL/COMPLAINT INSPECTIONS**

If at any time the family or owner notifies the PHA that the unit does not meet Housing Quality Standards, the PHA will conduct an inspection. The PHA may also conduct a special inspection based on information from third parties such as neighbors or public officials.

**The family is advised to specify in writing any HQS deficiencies they feel exist in the unit. They must give the statement to the landlord with a copy to the HA. If the landlord has not made any attempt to correct the deficiency within a reasonable amount of time (two weeks), the HA will schedule a special inspection.**

The PHA will inspect only the items which were reported, but if the Inspector notices additional deficiencies that would cause the unit to fail HQS, the responsible party will be required to make the necessary repairs.

## **E. QUALITY CONTROL INSPECTIONS**

Quality Control inspections will be performed by the Section 8 manager or other supervisory personnel on the number of files required by SEMAP. The purpose of Quality Control inspections is to ascertain that each inspector is conducting accurate and complete inspections, and to ensure that there is consistency among inspectors in application of the HQS.

The sampling of files will include recently completed inspections (within the prior 3 months), a cross-section of neighborhoods, and a cross-section of inspectors.

**SEMAP RATE:** published in the Federal Register 1/26/99

<u>Universe</u>	<u>Minimum number of sampled files</u>
50 or less	5
51 - 600	5 + 1 for each 50 or part of 50 over 50
601-2000	16 plus 1 for each 100 or part of 100 over 600
over 2000	30 plus 1 for each 200 or part of 200 over 2000

**F. ACCEPTABILITY CRITERIA AND EXCEPTIONS TO HQS**

The PHA adheres to the acceptability criteria in the program regulations, **local codes and the additions described below.**

Housing Quality Standards with corresponding location codes per HUD form 52580-A:

**Living Room**

If the unit is an efficiency apartment, consider the living room present.

**1.2 Electricity**

There must be at least two working outlets or one working outlet and one working light fixture.

All hanging light fixtures designed to have a globe, must have a globe. Missing or broken globes will be considered an HQS deficiency.

In order to qualify, the outlets must be present and properly installed in the baseboard, wall or floor of the room. Do not count a single duplex receptacle as two outlets, ie., there must be two of these in the room, or one of these plus a permanently installed ceiling or wall light fixture.

Both the outlets and/or the light must be working. Usually, a room will have sufficient lights or electrical appliances plugged into outlets to determine workability. Be sure light fixture does not fail just because the bulb is burned out.

**1.3 Electrical Hazards**

The room must be free of electrical hazards.

Examples of what this means: broken wiring; non-insulated wiring; frayed wiring; improper types of wiring, connections or insulation; wires lying in or located near standing water or other unsafe places; light fixture hanging from electric wiring without other firm support or fixture; missing cover plates on switches or outlets; badly cracked outlets; exposed fuse box connections; overloaded circuits evidenced by frequently “blown” fuses (ask the tenant).

Check “Inconclusive” if you are uncertain about severity of the problem and seek expert advice.

#### 1.4 Security

All windows and doors that are accessible from the outside must be lockable.

All exterior doors must be weather tight to avoid any air or water infiltration, have no holes, have all trim intact and have a threshold.

All interior doors must have no large holes, have all trim intact and operable door knobs and assembly. The striker plate is not required because the door knob will operate without it.

If window security bars or security screens are present on an emergency exit window, they must be equipped with a quick release system. The owner is responsible for ensuring that the family is instructed on the use of the quick release system.

“Accessible to outside” means: doors open to the outside or to a common public hall; windows accessible from the outside (e.g. basement and first floor); windows or doors leading onto a fire escape, porch or other outside place that can be reached from the ground.

“Lockable” means: the window or door has a properly working lock, or is nailed shut, or the window is not designed to be opened. A storm window lock that is working properly is acceptable. Windows that are nailed shut are acceptable only if these windows are not needed for ventilation or as an alternate exit in case of fire.

#### 1.5 Window Condition

There must be at least one window and all windows must be free of signs of severe deterioration or missing/broken panes.

All window sashes must be in good condition, solid and intact, and fit properly in the window frame.

There must be at least one properly fitted screen in good condition per habitable room with openable window(s) (HUD approved 9/9/83). Holes or tears in metal screens pose a cutting hazard and constitutes a failed HQS (3/08).

“Severe deterioration” means that the window no longer has the capacity to keep out the wind and the rain or is a cutting hazard. Examples are: missing or broken-out panes; dangerously loose cracked panes; windows that will not close; windows that, when closed, do not form a reasonably tight seal.

If there is only “moderate deterioration” of the windows, the item should “Pass”. “Moderate deterioration” means windows which are reasonably weather-tight, but show evidence of some aging, abuse, or lack of repair. Signs of deterioration are: minor crack in window pane; splintered sill; signs of some minor rotting in the window frame or the window itself; window panes loose because of missing window putty.

#### 1.6 Ceiling Condition

The ceiling must be sound and free from hazardous defects.

“Unsound or hazardous” means the presence of such serious defects that either a potential exists for structural collapse or that large cracks or holes allow significant drafts to enter the unit. The condition

includes: severe bulging or buckling; large holes; missing parts; falling or in danger of falling loose surface materials (other than paper or paint). Pass ceilings that are basically sound but have some nonhazardous defects, including: small holes or cracks; missing or broken ceiling tiles; water stains; soiled surfaces; unpainted surfaces; peeling paint.

### 1.7 Wall Condition

The walls must be sound and free from hazardous defects.

“Unsound or hazardous” includes: serious defects such that the structural safety of the building is threatened, such as severe buckling, bulging or leaning; damaged or loose structural members; large holes; air infiltration. Pass walls that are basically sound but have some nonhazardous defects, including: small or shallow holes; cracks; loose or missing parts; unpainted surfaces; peeling paint **(in units built prior to 1978 with children 6 & under)**.

### 1.8 Floor Condition

The floor must be sound and free from hazardous defects. All floors must be in a finished state (no plywood).

“Unsound or hazardous” means the presence of such serious defects that a potential exists for structural collapse or other threats to safety (e.g., tripping) or large cracks or holes allow substantial drafts from below the floor. The condition includes: severe buckling or major movements under walking stress; damaged or missing parts. Pass floors that are basically sound but have some nonhazardous defects, including: heavily worn or damaged floor surface (for example, scratches or gouges in surface, missing portions of tile or linoleum, previous water damage). If there is a floor covering, also note the condition, especially if badly worn or soiled. If there is a floor covering, including paint or sealant, also note the conditions, specially if badly worn, soiled or peeling.

## **Kitchen**

### 2.1 Kitchen Area Present

Note: A kitchen is an area used for preparation of meals. It may be either a separate room or an area of a larger room (for example, a kitchen area in an efficiency apartment).

*2.2 - 2.9 Explanation for these items is the same as that provided for “Living Room” with the following modifications:*

### 2.2 Electricity

Note: The requirement is that at least one outlet and one permanent light fixture are present and working.

### 2.5 Window Condition

Note: The absence of a window does not fail this item in the kitchen. If there is no window, check “Pass.”

### 2.10 Stove or Range with Oven

There must be a working oven, and a stove with top burners that work. If no oven and stove are present, there may be a microwave.

Both an oven and a stove (or range) with top burners must be present and working. If either is missing and you know that the owner is responsible for supplying these appliances, check “Fail.” Put

check in “Inconclusive” column if the tenant is responsible for supplying the appliances and he or she has not yet moved in. Contact tenant or prospective tenant to gain verification that facility will be supplied and is in working condition (***family must sign and return certification***). Hot plates are not acceptable substitutes for these facilities.

An oven is not working if it will not heat up. To be working a stove or range must have all burners working and knobs to turn them off and on. Under “working condition,” also look for hazardous gas hook-ups evidenced by strong gas smells; these should fail. (Be sure that this condition is not confused with an unlit pilot light -a condition that should be noted, but does not fail.)

If both an oven and a stove or range are present, but the gas or electricity are turned off, the HA will not pass the unit until the utility service is on. If both an oven and a stove or range are present and working, but defects exist, check "Pass" and note these to the right of the form. Possible defects are marked, dented, or scratched surfaces; cracked burner ring; limited size relative to family needs.

A microwave oven may be substituted for a tenant-supplied oven and stove (or range). A microwave oven may be substituted for an owner-supplied oven and stove (or range) if the tenant agrees and microwave ovens are furnished instead of ovens and stoves (or ranges) to both subsidized and unsubsidized tenants in the building or premises.

### 2.11 Refrigerator

There must be a working refrigerator that maintains a temperature low enough so that food does not spoil over a reasonable period of time.

If no refrigerator is present, use the same criteria for marking either “Fail” or “Inconclusive” as were used for the oven and stove or range. A refrigerator is not working if it will not maintain a temperature low enough to keep food from spoiling over a reasonable period of time. If the refrigerator is present and working but defects exist, note these to the right of the form. Possible minor defects include: broken or missing interior shelving; dented or scratched interior or exterior surfaces; minor deterioration of door seal; loose door handle.

### 2.12 Sink

There must be a kitchen sink that works with hot and cold running water.

If a permanently attached kitchen sink is not present in the kitchen or kitchen area, mark “Fail.” A sink in a bathroom or a portable basin will not satisfy this requirement. A sink is not working unless it has running hot and cold water from the faucets and a properly connected and properly working drain (with a “gas trap”).

**Broken drain stoppers must be repaired or replaced. If in the unit, it must be working.**

If a working sink has defects, note this as a “Pass with Comment”. Possible minor defects include: dripping faucet; marked, dented, or scratched surface; slow drain; missing drain stopper.

### 2.13 Space for Storage, Preparation, and Serving of Food

There must be space to store, prepare and serve food.

Some space must be available for the storage, preparation, and serving of food. If there is no built-in space for food storage and preparation, a table used for food preparation and a portable storage

cabinet will satisfy the requirement. If there is no built-in space, and no room for a table and portable cabinet, check "Inconclusive" and discuss with the tenant. The tenant makes the final determination as to whether or not this space is acceptable.

If there are some minor defects, check "Pass with Comment". Possible defects include: marked, dented, or scratched surfaces; limited size relative to family needs.

**Broken shelving or cabinet doors, broken drawers or cabinet hardware must be repaired or replaced.**

## **Bathroom**

### **3.1 Bathroom Present**

There must be a bathroom.

Most units have easily identifiable bathrooms (i.e., a separate room with toilet, washbasin and tub or shower). In some cases, however, you will encounter units with scattered bathroom facilities (i.e., toilet, washbasin and tub or shower located in separate parts of the unit). At a minimum, there must be an enclosure around the toilet. In this case, count the enclosure around the toilet as the bathroom and proceed with 3.2-3.9 below, with respect to this enclosure.

*3.2 - 3.9 Explanation for these items is the same as that provided for "Living Room" with the following modifications:*

### **3.2 Electricity**

Note: The requirement is that at least one permanent light fixture is present and working

### **3.3 Electrical Hazards**

Note: In addition to the previously mentioned hazards, outlets that are located where water might splash or collect are considered an electrical hazard.

### **3.5 Window Condition**

Note: The absence of a window does not fail this item in the bathroom (see item 3.13, Ventilation, for relevance of window with respect to ventilation). If there is no window, but a working vent system is present, check "Pass."

### **3.7 Wall Condition**

Note: Include under nonhazardous defects (that would pass, but should be noted) the following: broken or loose tile; deteriorated grouting at tub/wall and tub/floor joints, or tiled surfaces; water stains. All walls in a tub or shower area must be covered with ceramic tile or other material that is impervious to water to prevent water damage.

### **3.8 Floor Condition**

Note: Include under nonhazardous defects (that would pass, but should be noted) the following: missing floor tiles; water stains.

### **3.10 Flush Toilet in Enclosed Room in Unit**

There must be a working toilet in the unit for the exclusive private use of the tenant.

All cracked toilet seats must be replaced and fit properly.

The toilet must be contained within the unit, be in proper operating condition, and be available for the exclusive use of the occupants of the unit (i.e., outhouses or facilities shared by occupants of other units are not acceptable). It must allow for privacy. Not working means: the toilet is not connected to a water supply; it is not connected to a sewer drain; it is clogged; it does not have a trap; the connections, vents or traps are faulty to the extent that severe leakage of water or escape of gases occurs; the flushing mechanism does not function properly.

Comment if the toilet is “present, exclusive, and working,” but has the following types of defects: constant running; chipped or broken porcelain; slow draining.

### 3.11 Fixed Wash Basin or Lavatory in Unit

There must be a working, permanently installed wash basin with hot and cold running water in the unit.

All sinks must have proper p traps, functioning stoppers and faucets.

The wash basin must be permanently installed (i.e., a portable wash basin does not satisfy the requirement). Also, a kitchen sink cannot also serve as the bathroom wash basin. The wash basin may be located separate from the other bathroom facilities (e.g., in a hallway).

Not working means: the wash basin is not connected to a system that will deliver hot and cold running water; it is not connected to a properly operating drain; the connectors (or vents or traps) are faulty to the extent that severe leakage of water or escape of sewer gases occurs.

Comment if the wash basin is “present and working,” but has the following types of minor defects: insufficient water pressure; dripping faucets; minor leaks; cracked or chipped porcelain; slow drain (see discussion above under 3.10).

### 3.12 Tub or Shower in Unit

There must be a working tub or shower with hot and cold running water in the unit.

Not present means that neither a tub nor shower is present in the unit. Again, these facilities need not be in the same room with the rest of the bathroom facilities. They must, however, be private.

Not working covers the same requirements detailed above for wash basin (3.11).

Comment if the tub or shower is present and working, but has the following types of defects: dripping faucet; minor leaks; cracked porcelain; slow drain (see discussion under 3.10); absent or broken support rod for shower curtain.

### 3.13 Ventilation

There must be an openable window or a working vent system.

Working vent systems include: ventilation shafts (non-mechanical vents) and electric fans. Electric vent fans must function when switch is turned on. (Make sure that any malfunctions are not due to the fan not being plugged in.) Note: exhaust vents must be vented to the outside, attic, or crawlspace.

### **Other Rooms Used for Living and Halls**

Definition of “used for living” Rooms “used for living” are areas of the unit that are walked through or lived in on a regular basis. Do not include rooms or other areas that have been permanently, or near

permanently, closed off or areas that are infrequently entered. For example, do not include a utility room, attached shed, attached closed-in porch, basement, or garage if they are closed off from the main living area or are infrequently entered. Do include any of these areas if they are frequently used (e.g., a finished basement/playroom, a closed-in porch that is used as a bedroom during summer months). Occasional use of a washer or dryer in an otherwise unused room does not constitute regular use.

If the unit is vacant and you do not know the eventual use of a particular room, complete an "Other Room" checklist if there is any chance that the room will be used on a regular basis. If there is no chance that the room will be used on a regular basis, do not include it (e.g., an unfinished basement) since it will be checked under "All Secondary Rooms (Rooms not used for living)".

#### 4.1 Room Code and Room Location

Enter the appropriate room code given below:

Room Codes:

- 1 = Bedroom or any other room used for sleeping (regardless of type of room)
- 2 = Dining Room or Dining Area
- 3 = Second Living Room, Family Room, Den, Playroom, TV Room
- 4 = Entrance Halls, Corridors, Halls, Staircases
- 5 = Additional Bathroom (also check presence of sink trap and clogged toilet)
- 6 = Other

Room Location: Indicate the location of the room based on the door of entry to the unit:

right/left/center: record whether the room is situated to the right, left, or center of the unit.

front/rear/center: record whether the room is situated to the back, front or center of the unit.

floor level: identify the floor level on which the room is located.

If the unit is vacant, you may have some difficulty predicting the eventual use of a room. Before giving any room a code of 1 (bedroom), the room must meet all of the requirements for a "room used for sleeping" (see items 4. 2 and 4.5).

*4.2 - 4.9 Explanations of these items are the same as those provided for "Living Room" with the following modifications:*

#### 4.2 Electricity/Illumination

There must be at least two working outlets or one working outlet and one working permanently installed light fixture.

If the room code is not a "1," the room must have a means of natural or artificial illumination such as a permanent light fixture, wall outlet present, or light from a window in the room or near the room. If any required item is missing, check "Fail."

#### 4.5 Window Condition

Any room used for sleeping must have at least one window. If the windows in sleeping rooms are designed to be opened, at least one window must be openable. The minimum standards do not require a window in "other rooms." Therefore, if there is no window in another room not used for sleeping, check "Pass," and note "no window" in the area for comments.

#### 4.6 Smoke Detectors

At least one battery-operated or hard-wired smoke detector must be present and working on each level of the unit, including the basement, but not the crawl spaces and unfinished attic.

Owners are responsible for providing, replacing, and maintaining smoke detectors. Tenants are responsible for replacing batteries within the smoke detectors and are instructed not to remove batteries. Tenants are also responsible for replacing smoke detectors when damage has occurred by tampering.

If the PHA determines that the family has purposely disconnected the smoke detector (by removing batteries or other means), the PHA will hold the tenant responsible for the HQS violation. Future violations will constitute termination from the program.

If there are working detectors throughout the unit, the inspectors will make a note for documenting purposes.

Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards).

If the dwelling unit is occupied by any hearing-impaired person, smoke detectors must have an alarm system designed for hearing-impaired persons as specified in NFPA 74 (or successor standards).

If the unit was under HAP contract prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992 (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e. the owner would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit). In this case, check "Pass" and note under comments.

### **Bedrooms**

A bedroom must have a floor area of not less than 70 square feet, and every room occupied for sleeping purposes by more than one person will contain at least 50 square feet of floor area for each additional occupant thereof.

In cases where a sloped ceiling exists over all or part of the room, with a clear ceiling height of at least 7 feet over not less than one-third of the required minimum floor area. In calculating the floor area of such rooms, only those portions of the floor area with a clear ceiling height of 5 feet or more will be included.

Bedrooms in basements or lower levels:

The ceilings of such rooms will be in every part at least 3'6" above the surface of the street or ground outside of or adjoining the same.

There will be appurtenant to such room the use of a toilet compartment, which is properly vented to outside air.

Such room will have one or more window openings of not less than 10% of floor area, exclusive of sash frames, and will open readily to the street or yard for purposes of

ventilation. (ex: a 10 x 12 room = 120 sq. ft. and requires window glass to measure at least 12 sq. ft.)

The floors and walls will be waterproof and damp-proof in accordance with an approved method if in contact with earth. Such waterproofing will be between the floor and wall finish and the ground.

No dwelling or dwelling unit containing two or more bedrooms - sleeping rooms will have such rooms arranged that access to a bathroom or toilet compartment, intended for use by occupants of more than one sleeping room, can be had only by going through another sleeping room.

Nor will room arrangements be such that access to a sleeping room can be had only by going through another sleeping room, bathroom or toilet compartment.

## **Building Exterior**

### **6.1 Condition of Foundation**

The foundation must be sound and free from hazard.

"Unsound or hazardous" means foundations with severe structural defects indicating the potential for structural collapse; or foundations that allow significant entry of ground water (for example, evidenced by flooding of basement).

### **6.2 Condition of Stairs, Rails, and Porches**

All exterior stairs, rails and porches must be sound and free from hazards.

"Unsound or hazardous" means: stairs, porches, balconies, or decks with severe structural defects; broken, rotting, or missing steps; absence of a handrail when there are extended lengths of steps (generally four or more consecutive steps); absence of or insecure railings around a porch or balcony which is approximately 30 inches or more above the ground.

### **6.3 Condition of Roof and Gutters**

The roof, gutters and downspouts must be sound and free from hazards.

"Unsound and hazardous" means: The roof has serious defects such as serious buckling or sagging, indicating the potential of structural collapse; large holes or other defects that would result in significant air or water infiltration (in most cases severe exterior defects will be reflected in equally serious surface defects within the unit, e.g., buckling, water damage). The gutters, downspouts and soffits (area under the eaves) show serious decay and have allowed the entry of significant air or water into the interior of the structure. Gutters and downspouts are, however, not required to pass. If the roof is not observable and there is no sign of interior water damage, check "Pass."

### **6.5 Condition of Chimney**

The chimney must be sound and free from hazards.

The chimney should not be seriously leaning or showing evidence of significant disintegration (i.e., many missing bricks).

### **6.6 Lead-Based Paint: Exterior Surfaces**

All painted surfaces must be free of deteriorated paint.

Housing Choice Voucher Unit: If the unit was built January 1, 1978 or after, no child under age six will occupy or currently occupies, is a 0-BR, elderly or handicapped unit with no children under age six on the lease or expected, has been certified lead-based paint free by a certified lead-based paint inspector (no lead-based paint present or no lead-based paint present after removal of lead), check NA and do not inspect painted surfaces .

Visual assessment for deteriorated paint applies to all exterior painted surfaces (building components) associated with the assisted unit including windows, window sills, exterior walls, floors, porches, railings, doors, decks, stairs, play areas, garages, fences or other areas if frequented by children under age six. All deteriorated paint surfaces more than 20 sq. ft. on exterior surfaces must be stabilized (corrected) in accordance with all safe work practice requirements. If the painted surface is less than 20 sq. ft., only stabilization is required. **Clearance testing is not required.** Stabilization means removal of deteriorated paint, repair of the substrate, and application of a new protective coating or paint. Lead-Based Paint Owner Certification is required following stabilization activities except for de minimis level repairs.

#### 6.7 Manufactured Homes: Tie Downs

If the unit is a manufactured home, it must be properly placed and tied down.

Manufactured homes must be placed on a site in a stable manner and be free from hazards such as sliding and wind damage. Manufactured homes must be securely anchored by a tiedown device which distributes and transfers the loads imposed by the unit to appropriate ground anchors so as to resist wind overturning and sliding, unless a variation has been approved by the HUD Field Office.

### Heating and Plumbing

#### 7.1 Adequacy of Heating Equipment

There must be heating equipment capable of providing adequate heat (either directly or indirectly) to all rooms used for living.

**“Adequate heat” means that the heating system is capable of delivering enough heat to assure a healthy environment in the unit (appropriate to the climate). The HA defines adequate heat as a temperature of at least 65-68 degrees F in all rooms used for living during the period of September 1<sup>st</sup> to May 1<sup>st</sup>.**

Portable electric room heaters or kitchen stoves or ranges with a built-in heat unit are not acceptable as a primary source of heat for units located in areas where climate conditions require regular heating.

“Directly or indirectly to all rooms used for living” means:

“directly” means that each room used for living has a heat source (e.g., working radiator; working hot air register; baseboard heat)

“indirectly” means that, if there is no heat source present in the room, heat can enter the room easily from a heated adjacent room (e.g a dining room may not have a radiator, but would receive heat from the heated living room through a large open archway).

If the heating system in the unit works, but there is some question whether a room without a heat source would receive adequate indirect heat, check “Inconclusive” and verify adequacy from

tenant or owner (e.g., unheated bedroom at the end of a long hallway).

How to determine the capability of the heating system: If the unit is occupied, usually the quickest way to determine the capability of the heating system over time is to question the tenant. If the unit is not occupied, or the tenant has not lived in the unit during the months when heat would be needed, check "Inclusive." It will be necessary to question the owner on this point after the inspection has been completed and, if possible, to question other tenants (if it is a multi-unit structure) about the adequacy of heat provided. Under some circumstances, the adequacy of heat can be determined by a simple comparison of the size of the heating system to the area to be heated. For example, a small permanently installed space heater in a living room is probably inadequate for heating anything larger than a relatively small apartment.

### 7.2 Safety of Heating Equipment

The unit must be free from unvented fuel burning space heaters or any other types of unsafe heating conditions.

Examples of "unvented fuel burning space heaters" are: portable kerosene units; unvented open flame portable units.

"Other unsafe conditions" include: breakage or damage to heating system such that there is a potential for fire or other threats to safety; improper connection of flues allowing exhaust gases to enter the living area; improper installation of equipment (e.g., proximity of fuel tank to heat source, absence of safety devices); indications of improper use of equipment (e.g., evidence of heavy build-up of soot, creosote, or other substance in the chimney); disintegrating equipment; combustible materials near heat source or flue.

If you are unable to gain access to the primary heating system in the unit check "Inconclusive." Contact the owner or manager for verification of safety of the system. If the system has passed a recent local inspection, check "Pass." This applies especially to units in which heat is provided by a large scale, complex central heating system that serves multiple units (e.g., a boiler in the basement of a large apartment building). In most cases, a large scale heating system for a multi-unit building will be subject to periodic safety inspections by a local public agency. Check with the owner or manager to determine the date and outcome of the last such inspection, or look for an inspection certificate posted on the heating system.

### 7.3 Ventilation and Adequacy of Cooling

The unit must have adequate ventilation and cooling by means of openable windows or a working cooling system.

If the tenant is present and has occupied the unit during the summer months, inquire about the adequacy of air flow. If the tenant is not present or has not occupied the unit during the summer months, test a sample of windows to see that they open.

"Working cooling equipment" includes: central (fan) ventilation system; evaporative cooling system; room or central air conditioning. Check "Inconclusive" if there are no openable windows and it is impossible, or inappropriate, to test whether a cooling system works. Check with other tenants in the building (in a multi-unit structure) and with the owner or manager for verification of the adequacy of ventilation and cooling.

#### 7.4 Water Heater

The water heater must be located, equipped and installed in a safe manner.

The pressure relief valve should be at least six to twelve inches from the ground.

"Location presents hazard" means that the gas or oil water heater is located in living areas or closets where safety hazards may exist (e.g., water heater located in very cluttered closet with cloth and paper items stacked against it). Gas water heaters in bedrooms or other living areas must have safety dividers or shields.

Water heaters must have a temperature-pressure relief valve and discharge line (directed toward the floor or outside of the living area) as a safeguard against build up of steam if the water heater malfunctions. If not, they are not properly equipped and shall fail.

To pass, gas or oil fired water heaters must be vented into a properly installed chimney or flue leading outside. Electric water heaters do not require venting.

If it is impossible to view the water heater, check "Inconclusive." Obtain verification of safety of system from owner or manager. Check "Pass" if the water heater has passed a local inspection. This applies primarily to hot water that is supplied by a large scale complex water heating system that serves multiple units (e.g., water heating system in large apartment building). Check in the same manner described for heating system safety, item 7.2, above.

#### 7.5 Water Supply

The unit must be served by an approvable public or private sanitary water supply.

If the structure is connected to a city or town water system, check "Pass." If the structure has a private water supply (usually in rural areas) inquire into the nature of the supply (probably from the owner) and whether it is approvable by an appropriate public agency.

#### 7.6 Plumbing

The plumbing must be free from major leaks or corrosion that causes serious and persistent levels of rust or contamination of the drinking water.

"Major leaks" means that main water drain and feed pipes (often located in the basement) are seriously leaking. (Leaks present at specific facilities have already been evaluated under the checklist items for "Bathroom" and "Kitchen.")

"Corrosion" (causing serious and persistent levels of rust or contamination in the drinking water) can be determined by observing the color of the drinking water at several taps. Badly corroded pipes will produce noticeably brownish water. If the tenant is currently occupying the unit, he or she should be able to provide information about the persistence of this condition. (Make sure that the "rusty water" is not a temporary condition caused by city or town maintenance of main water lines.) See general note under 7.5.

#### 7.7 Sewer Connection

The plumbing must be connected to an approvable public or private disposal system and free from sewer back-up.

If the structure is connected to the city or town sewer system, check "Pass." If the structure has its own private disposal system (e.g., septic field), inquire into the nature of the system and determine whether this type of system can meet appropriate health and safety regulations. The following conditions constitute "evidence of sewer back up": strong sewer gas smell in the basement or outside of unit; numerous clogged or very slow drains; marshy areas outside of unit above septic field. See general note under 7.5.

## **General Health and Safety**

### **8.1 Access to Unit**

The unit must be accessible without having to go through another unit.

"Through another unit" means that access to the unit is only possible by means of passage through another dwelling unit.

### **8.2 Exits**

There must be an acceptable fire exit from this building that is not blocked.

"Acceptable fire exit" means that the building must have an alternative means of exit that meets local or State regulations in case of fire; this could include:

An openable window if the unit is on the first floor or second floor or easily accessible to the ground.

A back door opening on to a porch with a stairway leading to the ground.

Fire escape, fire ladder, or fire stairs.

"Blocked" means that the exit is not useable due to conditions such as debris, storage, door or window nailed shut, broken lock. Important note: The HA has the final responsibility for deciding whether the type of emergency exit is acceptable, although the tenant should assist in making the decision.

### **8.3 Evidence of Infestation**

The unit must be free from rats or severe infestation by mice or vermin. .

"Presence of rats, or severe infestation by mice or vermin" (such as roaches) is evidenced by: rat holes; droppings; rat runs; numerous settings of rat poison. If the unit is occupied, ask the tenant.

### **8.4 Garbage and Debris**

The unit must be free from heavy accumulation of garbage or debris inside and outside.

"Heavy accumulation" means large piles of trash and garbage, discarded furniture, and other debris (not temporarily stored awaiting removal) that might harbor rodents. This may occur inside the unit, in common areas, or outside. It usually means a level of accumulation beyond the capacity of an individual to pick up within an hour or two.

### **8.5 Refuse Disposal**

There must be adequate covered facilities for temporary storage and disposal of food wastes.

"Adequate covered facilities" includes: trash cans with covers, garbage chutes, "dumpsters" (i.e., large scale refuse boxes with lids); trash bags.

### **8.6 Interior Stairs and Common Halls**

Must be free from hazards to the occupant.

“Loose, broken, or missing steps” should fail if they present a serious risk of tripping or falling. A handrail is required on extended sections of stairs (generally four or more consecutive steps). A railing is required on unprotected heights such as around stairwells. “Other hazards” would be conditions such as bare electrical wires and tripping hazards.

**Additions to HQS:** (additional criteria established to strengthen the HQS requirements)

Modifications for a person with a disability

Modifications or adaptations to a unit due to a disability must meet all applicable HQS and building codes.

Extension for repair items not required by HQS will be granted for modifications/adaptations to the unit if agreed to by the tenant and landlord. The PHA will allow execution of the HAP contract if unit meets all requirements and the modifications do not affect the livability of the unit.

## **G. EMERGENCY REPAIR**

### **LMHA Procedure for 24 Hour Emergency Inspections**

1. Inspectors will be contacted via phone of emergency inspections or identify emergency inspections during the course of a regular inspection.
2. The Inspections Coordinator will create the inspection in SIMS.
3. If a call is received during the day, i.e. before 4:00pm, the Inspections Coordinator will determine (by consulting an inspector) if the repair is considered “life-threatening”. If the repair is deemed to be “life-threatening”, then an available inspector will be asked to go to the unit and complete the emergency inspection. If a call is received late in the day (i.e. after 4:00pm), and the repair is deemed 24-hour emergency repair, but not “life-threatening”, the emergency inspection will be conducted in the morning of the next business day.
4. Inspectors will download the emergency inspection from the field.
5. Only items listed below should be considered a 24-hour emergency. If after the inspection, the item is deemed an HQS violation but does not meet the criteria for a 24-hour emergency, the inspector should write up a special inspection.

#### **Emergency Repair Items**

Lack of security for the unit  
Waterlogged ceiling in imminent danger of falling  
Major plumbing leaks or flooding  
Natural gas leak or fumes  
Electrical problem which could result in shock or fire

No heat (when outside temperature is below 50 degrees Fahrenheit and the temperature inside the unit is below 60 degrees Fahrenheit)

Utilities not in service

No running hot water

Broken glass where someone could be injured

Obstacle which prevents tenant's entrance or exit

Lack of functioning toilet

Inadequate air conditioning serving a special population

6. The "24-Hour Notice of Intent to Terminate Housing Assistance Payments" must be completed upon determination of a 24-hour emergency item present.
7. The responsible party for the emergency repair item must be notified by phone, mail and/or in person. The notification may be dropped off at the responsible party's residence, if within a reasonable distance. We may also fax or email the notification. Method of notification, time and date should be documented on the 24 hour notice paperwork.
8. The emergency deficiencies will be inspected the next business day to ensure repairs have been made unless the next business day is a weekend or holiday.
  - a. If the next business day is a weekend or holiday, the "24-Hour Notice of Intent to Terminate Housing Assistance Payments" must be received by fax to the LMHA office by the due date with signatures of both landlord and tenant indicating repairs have been completed.
  - b. If the form is not received by the due date of the re-inspection, the Inspections Coordinator will cancel the re-inspection and begin the abatement process.
9. Upon completion of the emergency inspection, the overall result of the inspection will be indicated in the handheld and uploaded to SIMS for processing by the Inspections Coordinator.
10. 24-hour emergency inspections which are not completed and/or documentation received in the time allocated or which fail to pass the re-inspection will be abated **and** terminated effective the first of the month following the re-inspection.
11. Failed 24-hour inspections will not be eligible for further inspections without written approval by LMHA.

**LMHA Action(s) If Responsible Party is Non-Compliant**

**Owner Responsibility:** If repairs are not complete by the due date and/or this form is not received signed and dated by both owner and tenant by the due date (if weekend or holiday re-inspection date) LMHA HAP will be abated effective the first day of the month following the due date and the HAP contract will be terminated at the end of the second month.

**Tenant Responsibility:** If repairs are not complete and/or this form is not received signed and dated by both owner and tenant by the due date (if weekend or holiday re-inspection date) LMHA will propose the cancellation of your subsidy which means you may be terminated from the program. Termination means your housing will no longer be subsidized by Lorain Metropolitan Housing Authority.

*By signing below, I certify that the abovementioned repairs have been completed. Both signatures are required.*

## **H. CONSEQUENCES IF OWNER IS RESPONSIBLE (NON-EMERGENCY ITEMS)**

When it has been determined that a unit on the program fails to meet Housing Quality Standards, and the owner is responsible for completing the necessary repair(s) in the time period specified by the PHA, the assistance payment to the owner will be **abated**.

### **Abatement**

A Notice of Abatement will be sent to the owner, and the abatement will be effective on the first day of the next month following the month the repairs were to be completed. The notice is generally for **30** days, depending on the nature of the repair(s) needed.

The PHA will make an effort to re-inspect abated units within **7 business** days of the owner's or tenant's notification that the work has been completed.

If the owner makes repairs after the abatement effective date, but during the abatement period (30 days), payment will resume on the day the unit passes inspection.

The family will be notified of the re-inspection date. The participant may be terminated from the program for failure to allow the repairs to be made by the owner or the owner's representative(s) or failure to allow the re-inspection of the unit in a timely manner.

No retroactive payments will be made to the owner for the period of time the rent was abated and the unit did not comply with HQS. The notice of abatement states that the tenant is not responsible for the PHA's portion of rent that is abated.

### **Extensions in lieu of abatement**

**The PHA may grant an extension in lieu of abatement in the following cases:**

The owner has submitted a written request for an extension.

The owner has a good history of HQS compliance.

The failed items are minor in nature.

There is an unavoidable delay in completing repairs due to difficulties in obtaining parts or contracting for services.

The owner makes a good faith effort to make the repairs.

The repairs are expensive (such as exterior painting or roof repair) and the owner needs time to obtain the funds.

The repairs must be delayed due to climate conditions.

The owner provides receipts from business or contractor showing the work is to be completed with an anticipated date of completion.

The extension may be made for a period of time considered reasonable for completion, usually 30 days beyond the original 30 days given. At the end of that time, at the PHA's discretion, if the work is not completed or substantially completed, the PHA will begin the abatement.

The PHA may grant an extension for exterior scraping and painting during winter months or to work with contractors schedules providing there is no hazard existing for family.

#### **The request for extension:**

**Must be in writing**

**Must be submitted prior to the due date**

**Must include the item(s) in need of an extension**

**Must specify reason for extension and the amount of time needed to make repair**

### **Termination of Contract**

If the owner is responsible for repairs, and fails to correct all the deficiencies cited prior to the end of the abatement period, the owner will be sent a notice of impending HAP Contract termination. Prior to the effective date of the termination, the abatement will remain in effect.

If repairs are completed before the effective termination date, the termination **will** be rescinded by the PHA if the tenant chooses to remain in the unit. Only **one** Housing Quality Standards inspection will be conducted after the termination notice is issued.

## **I. DETERMINATION OF RESPONSIBILITY**

Certain HQS deficiencies are considered the responsibility of the family:

Tenant-paid utilities not in service.

Failure to provide or maintain family-supplied appliances.

Damage to the unit or premises caused by a household member or guest beyond normal wear and tear.

“Normal wear and tear” is defined as items which could be charged against the tenant’s security deposit under state law or court practice.

The owner is responsible for all other HQS violations.

The owner is responsible for vermin infestation even if caused by the family's living habits. However, if such infestation is serious and repeated, it may be considered a lease violation and the owner may evict for serious or repeated violation of the lease. The PHA may terminate the family's assistance on that basis.

The inspector will make a determination of owner or family responsibility during the inspection. The owner or tenant may appeal this determination to the PHA within 14 business days of the inspection.

If the family is responsible but the owner carries out the repairs, the owner will be encouraged to bill the family for the cost of the repairs and submit a copy to the PHA for the family's file.

## **J. CONSEQUENCES IF FAMILY IS RESPONSIBLE**

If emergency or non-emergency violations of HQS are determined to be the responsibility of the family, the PHA will require the family make any repair(s) or corrections within **24 hours for emergency and 30 days** for non-emergency violations (same as for owners). If the repair(s) or correction(s) is/are not made in this time period, the PHA will terminate assistance to the family. Extensions in these cases must be approved by **PHA** prior to the deadline for completion of repairs. The owner's rent will not be abated for items which are the family's responsibility.

If the tenant is responsible and corrections are not made, the HAP Contract will terminate when assistance is terminated.

## Chapter 11

# OWNER RENTS, RENT REASONABLENESS, AND PAYMENT STANDARDS

## INTRODUCTION

The PHA will determine rent reasonableness in accordance with the 24 CFR and HUD notices. It is the PHA's responsibility to ensure that the rents charged by owners are reasonable based upon unassisted comparables in the rental market.

This Chapter explains the PHA's procedures for determination of rent reasonableness, payments to owners, adjustments to the Payment Standards, and rent adjustments.

## A. RENT TO OWNER IN THE HOUSING CHOICE VOUCHER PROGRAM

The rent to owner is limited *primarily* by rent reasonableness. The PHA must demonstrate that the rent to owner is reasonable in comparison to rent for other comparable unassisted units.

The only other limitation on rent to owner is the maximum rent standard at initial occupancy. At the time a family initially receives tenant-based assistance for occupancy of a dwelling unit, whether it is a new admission or a move to a different unit, the family share may not exceed 40 percent of the family's monthly adjusted income.

**During the initial term of the lease, the owner may not raise the contract rent.**

## B. MAKING PAYMENTS TO OWNERS

Once the HAP Contract is executed, the PHA begins processing payments to the landlord. The effective date and the amount of the PHA payment are **entered into the computer HAP processing**. A HAP Register will be used as a basis for monitoring the accuracy and timeliness of payments. Changes are made **automatically** to the HAP Register for the following month. Checks are disbursed by the **Accounting Department** to the owner each month. Checks that are not received will not be replaced until a written request has been received from the payee and a stop payment has been put on the check.

### **Excess Payments**

The total of rent paid by the tenant plus the PHA housing assistance payment to the owner may not be more than the rent to owner. The owner must immediately return any excess payment to the PHA. Owners who do not return excess payments will be subject to penalties as outlined in the "Owner or Family Debts to the PHA" chapter of this Plan.

### **Late Payments to Owners**

It is a local business practice in Lorain County for property managers and owners to charge tenants a reasonable late fee for rents not received by the owner or property manager by the due date, not withstanding any grace period which is typically 7 - 10 days past the first of the month.

Therefore, in keeping with generally accepted practices in the local housing market, the PHA must make housing assistance payments to the owner promptly and in accordance with the HAP contract.

The PHA's practice is to mail checks on the 1<sup>st</sup> of the month, or the 1<sup>st</sup> business day of a month in which the 1<sup>st</sup> falls on a weekend or holiday providing the monies have been transferred from the United States Treasury.

The owner may submit a request for payment of a late fee to the PHA. The amount charged must be equivalent to that charged and collected from tenants. Proof of collections may be required. Late fees will not be made for initial contracts where HAP payments were delayed due to owner/tenant timeliness resulting in the PHA to not be able to complete processes prior to the month's cut off for HAP payments. Proof of "Mailed to" date will be (a) the payment listed on the HAP Register, and (b) date the checks were posted. PHA will not be held responsible for delays caused by the Post Office.

The PHA will not be obligated to pay any late payment penalty if HUD determines that late payment is due to factors beyond the PHA's control, such as a delay in the receipt of program funds from HUD. The PHA will use administrative fee income or the administrative fee reserve as its only source for a late payment penalty. The PHA will not use any program funds for the payment of late fee penalties to the owner.

## **C. RENT REASONABLENESS DETERMINATIONS**

Program: GOsection8.com...Nan McKay

### Collecting Market Data:

The PHA will collect and maintain data on unit information and market rents in the PHA's jurisdiction. Information sources may include newspapers, realtors, appraisers, market surveys, landlords, and other available sources. Unit data will include the location, quality, size, type and age of the unit, as well as amenities, housing services, maintenance and utilities to be provided by the owner. Data will be updated on an ongoing basis and rent information that is more than 12 months old will not be used to determine rent reasonableness. GoSection8.com allows landlords to enter property information for non-subsidized units that the PHA may use for comparables.

### Determining Rents:

The PHA uses a unit-to-unit comparison, by which the rent for a unit proposed for HCV assistance is directly compared to the rents for one or more unassisted units selected as comparables within the same market area. Geocoded maps will be used to identify the unsubsidized units in closest proximity to the subject unit, and unit data information will be used to select the most similar units.

In comparing rents, GoSection8.com will take into account critical market factors that impact rent, including the location, quality, size, unit type, and age of the contract unit, as well as any amenities, housing services, maintenance and utilities to be provided by the owner in accordance with the lease.

Where comparable units differ from the unit proposed for HCV assistance, GoSection8.com will determine whether those differences impact rent. Where they do, they will adjust the rental value of the comparable units, up or down, based on the market value of these factors. The rent for the unit proposed for HCV assistance will be compared to the *adjusted* rents for the comparable units, enabling a fair, accurate, market-based determination of rent reasonableness.

The PHA will notify the owner of the rent the PHA can approve based upon its analysis of rents for comparable units. If the owner disagrees with this analysis, the owner may submit additional information in support of their requested rent. The PHA will consider this information when making rent determinations. The owner must submit any additional information within 5 business days of the PHA's notification.

## **D. PAYMENT STANDARDS FOR THE VOUCHER PROGRAM**

The Payment Standard is used to calculate the housing assistance payment for a family. In accordance with HUD regulation, and at the PHA discretion, the Voucher Payment Standard amount is set by the PHA between 90 - 110 percent of the HUD published FMR. This is considered the basic range. The PHA reviews the appropriateness of the Payment Standard annually when the FMR is published. In determining whether a change is needed, the PHA will ensure that the Payment Standard is always within the range of 90 - 110 percent of the new FMR, unless an exception payment standard has been approved by HUD.

The PHA may approve a higher payment standard within the basic range, if required as a reasonable accommodation for a family that includes a person with disabilities.

### **When the Payment Standard Increases**

The Payment Standard in place on the effective date of the HAP contract remains in place for the duration of the contract term unless the PHA increases or decreases its payment standard. If a payment standard is increased, the higher payment standard is first used in calculating the HAP at the time of the family's regular (annual) reexamination. Families requiring or requesting interim reexaminations will not have their HAP payments calculated using the higher payment standard until their next annual reexamination.

### **When the Payment Standard Decreases**

If the PHA lowers its Payment Standards, the payment standard in effect on the effective date of the HAP contract will remain in effect until the family moves to another unit, has a change in its family size or composition, or until the second annual reexamination after the PHA decreases its payment standard.

## **E. ADJUSTMENTS TO PAYMENT STANDARDS**

Payment Standards may be adjusted, within HUD regulatory limitations, to increase Housing Assistance Payments in order to keep families' rents affordable. The PHA will not raise the Payment Standards solely to make "high end" units available to Voucher holders. The PHA may use some or all of the measures below in making its determination whether an adjustment should be made to the Payment Standard.

### **Assisted Families' Rent Burdens**

The payment standard may be adjusted annually, implementing the payment standard effective date to be the first of the month following the 60 days after the published effective date of the FMR.

If it is determined that particular unit sizes in the PHA's jurisdiction have payment standard amounts that are creating rent burdens for families, the PHA will modify its payment standards for those particular unit sizes.

The PHA may establish a separate voucher payment standard, within the basic range, for designated parts of its jurisdiction if it determines that a higher payment standard is needed in these designated areas to provide families with quality housing choices and to give families an opportunity to move outside areas of high poverty and low income.

### **Quality of Units Selected**

The PHA will review the quality of units selected, by participant families, when making a determination of the percent of income the families are paying for housing. This will help ensure that Payment Standard increases are only made when needed to reach the mid-range of the market.

### **PHA Decision Point**

The PHA will review the average percent of income that families on the program are paying for rent. If **more than 40%** of families are **paying more than 30%** of their monthly adjusted income for a particular unit size, the PHA will determine whether families are renting units larger than their voucher size, and whether families are renting units which exceed HUD's HQS and any additional standards added by the PHA in this Administrative Plan.

If families are paying more than 30% of their income for rent due to the selection of larger bedroom size units or luxury units, the PHA may decline to increase the payment standard. **If these are not the primary factors for families paying higher rents, the PHA will continue increasing the payment standard.**

### **Rent to Owner Increases**

The PHA may review a sample of the units to determine how often owners are increasing rents and the average percent of increase by bedroom size.

The landlord may not raise the contract rent during the initial term of the lease. However, if the landlord would like to increase the rent after the initial term, he/she may do so by submitting the annual Request For Tenancy Approval (RFTA) sixty days prior to the increase effective date. The RFTA must be complete and signed by the family acknowledging the contract rent increase. The rent must be considered reasonable before the increase is approved.

### **Time to Locate Housing**

The PHA may consider the average time period for families to lease up under the Voucher program. If Voucher holders are unable to locate suitable housing within the term of the voucher, and the PHA determines that this is due to rents in the jurisdiction being unaffordable for families even with the presence of a voucher, the Payment Standard may be adjusted.

### **Lowering of the Payment Standard**

Lowering of the FMR may require an adjustment of the Payment Standard. Additionally, the statistical analysis may reveal that the Payment Standard should be lowered. In any case, the Payment Standard will not be set below 90 percent of the FMR without authorization from HUD.

### **Financial Feasibility**

Before increasing the Payment Standard, the PHA may review the budget to determine the impact projected subsidy increases would have on funding available for the program and number of families served.

For this purpose, the PHA will compare the number of families who could be served under a higher Payment Standard with the number assisted under current Payment Standards.

### **File Documentation**

A file will be retained by the PHA for at least three years to document the analysis and findings to justify whether or not the Payment Standard was changed.

## **F. EXCEPTION PAYMENT STANDARDS**

**LMHA has not requested an exception from HUD.**

## Chapter 12

# RECERTIFICATIONS

## INTRODUCTION

HUD requires that the PHA reexamine the income and household composition of all families at least annually. Families will be provided accurate annual and interim rent adjustments. Recertifications and interim examinations will be processed in a manner that ensures families are given reasonable notice of rent increases. All annual activities will be coordinated in accordance with HUD regulation. It is a HUD requirement that families report all changes in household composition. This Chapter defines the PHA's policy for conducting annual recertifications and coordinating annual activities. It also explains the interim reporting requirements for families, and the standards for timely reporting.

## A. ANNUAL ACTIVITIES

There are two activities the PHA must conduct on an annual basis. These activities will be coordinated whenever possible:

1. Recertification of Income and Family Composition
2. HQS Inspection

The PHA produces a monthly listing of units under contract to ensure that timely reviews of rent to owner, housing quality, and factors related to Total Tenant Payment can be made. Requests for rent adjustments and other monetary changes will be **completed by the Section 8 Occupancy Specialists**.

Reexamination of the family's income and composition must be conducted at least annually.

Annual inspections: See Chapter 10, "Housing Quality Standards and Inspections"

Rent Adjustments: See Chapter 11, "Owner Rents, Rent Reasonableness and Payment Standards"

## **B. ANNUAL RECERTIFICATION/REEXAMINATION**

Families are required to be recertified at least annually. At the first interim or annual certification on or after June 19, 1995, family members must report and verify their U.S. citizenship/eligible immigrant status.

### **Moves Between Reexamination**

When families move to another dwelling unit:

**An annual recertification will be scheduled (unless a recertification has occurred in the last 60 days) and the anniversary date will be changed.**

Income limits are not used as a test for continued eligibility at recertification.

### **Reexamination Notice to the Family**

The PHA will maintain a reexamination tracking system and the household will be notified by mail of the date and time for their interview at least **90** days in advance of the anniversary date. If requested as an accommodation by a person with a disability, the PHA will provide the notice in an accessible format. The PHA will also mail the notice to a third party, if requested as reasonable accommodation for a person with disabilities. These accommodations will be granted upon verification that they meet the need presented by the disability.

#### Procedure

The PHA's procedure for conducting annual recertifications will be:

Schedule the date and time of appointments and mail a notification to the family.

#### Persons with Disabilities

Persons with disabilities, who are unable to come to the PHA's office will be granted an accommodation of conducting the interview **by mail** upon verification that the accommodation requested meets the need presented by the disability. A member of the PHA staff may conduct an interview at the participant's unit, hospital or nursing facility.

### **Completion of Annual Recertification**

The PHA will have all recertifications for families completed before the anniversary date. This includes **making every reasonable effort** to notify the family of any changes in rent at least 10 days before the scheduled date of the change in family rent.

### **Collection of Information**

The PHA has established appropriate recertification procedures necessary to ensure that the income data provided by families is complete and accurate.

The PHA will require the family to complete a Personal Declaration Form prior to all recertification interviews.

The PHA representative will interview the family and enter the information provided by the family on the recertification form, review the information with the family, and have them sign the form.

### **Requirements to Attend**

The following family members will be required to attend the recertification interview:

All adult members

If the head of household is unable to attend the interview:

If requested, the appointment will be rescheduled

The spouse, co-head, or other adult may recertify for the family with a provision that other adult member(s) must come to the office within **14 business days** to be interviewed and sign forms

### **Failure to Respond to Notification to Recertify**

The written notification must state which family members are required to attend the interview. The family may call to request another appointment prior to the interview.

If the family does not appear for the recertification interview, and has not rescheduled or made prior arrangements with the PHA, the PHA **will** reschedule a second appointment.

If the family fails to appear for the second appointment, and has not rescheduled or made prior arrangements, the PHA will:

Send family notice of termination and offer them an informal hearing.

Exceptions to these policies may be made by the Section 8 Staff if the family is able to document an emergency situation that prevented them from canceling or attending the appointment.

## **Documents Required From the Family**

In the notification letter to the family, the PHA will include instructions for the family to bring the following:

- Documentation of income for all family members
- Documentation of assets
- Documentation of any deductions/allowances
- Personal Declaration Form completed by head of household and signed by all adult members

## **Verification of Information**

The PHA will follow the verification procedures and guidelines described in this Plan. Verifications for reexaminations must be less than 120 days old.

## **C. REPORTING INTERIM CHANGES**

Program participants must report all changes in household composition to the PHA between annual reexaminations. This includes additions due to birth, adoption and court-awarded custody. The family must obtain PHA approval prior to all other additions to the household.

If any new family member is added, family income must include any income of the new family member. The PHA will conduct a reexamination to determine such additional income and will make the appropriate adjustments in the housing assistance payment and family unit size.

The U.S. citizenship/eligible immigrant status of additional family members must be declared and verified as required at the first interim or regular recertification after moving into the unit.

### **Increases in Income**

Families will be required to report all increases in income/assets of all household members to the HA in writing within 14 business days. The Section 8 staff will make the determination if an interim change will be completed.

Quarterly reviews may be required for persons with unstable income (frequent increase and decrease reports)

**The PHA will review and certify the reported information. Interim reviews shall be done for:**

- Changes in source of income and/or adding other sources of income
- Reduction in income

**Income increases within the same source in excess of \$200 gross income per month (10/04). *When deciding whether or not to add the increase, determine (1) is this increase due to an additional source of income; (2) if within the same source, does the increase exceed \$200.***

- Any change in family composition
- Quarterly agreements

## **Decreases in Income**

Participants may report a decrease in income and other changes which would reduce the amount of tenant rent, such as an increase in allowances or deductions. The PHA must calculate the change if a decrease in income is reported **and the decrease in income lasts in excess of 30 days or more.**

## **HA Errors**

If the PHA makes a calculation error at admission to the program or at an annual reexamination, an interim reexamination will be conducted to correct the error, but the family will not be charged retroactively. Families will be given decreases, when applicable, retroactive to when the decrease for the change would have been effective if calculated correctly.

## **D. OTHER INTERIM REPORTING ISSUES**

An interim reexamination does not affect the date of the annual recertification.

An interim reexamination will be scheduled for families with unstable income every **90 days (quarterly)**.

Zero (0) income families will be required to report quarterly.

In the following circumstances, the PHA may conduct the interim recertification by mail:

Changes that will not result in a change in tenant rent or voucher size.

Changes in income that are normal for the family, such as seasonal employment.

As a reasonable accommodation when requested.

## **E. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS**

*The QHWRA establishes new requirements for the treatment of income changes resulting from welfare program requirements. These requirements are effective immediately. However, before implementation of the new requirements, the PHA must revise operating procedure to effectuate these provisions.*

The PHA will not reduce the family share of rent for families whose welfare assistance is reduced specifically because of:

- Fraud in connection with the welfare program;
- Failure to participate in an economic self-sufficiency program; or
- Noncompliance with a work activities requirement by the welfare agency.

However, the PHA will reduce the rent if the welfare assistance reduction is a result of:

- The expiration of a lifetime time limit on receiving benefits, or
- A situation where the family has complied with welfare program requirements but cannot or has not obtained employment

The PHA will notify affected families that they have the right to an informal hearing regarding these requirements. (See "Verification Procedures" chapter.)

### **Definition of "Imputed Welfare Income"**

The amount of annual income, not actually received by a family, as a result of a specified welfare benefit reduction, that is included in the family's income for purposes of determining rent.

The amount of imputed welfare income is determined by the PHA, based on written information supplied to the PHA by the welfare agency, including:

- The amount of the benefit reduction
- The term of the benefit reduction
- The reason for the reduction
- Subsequent changes in the term or amount of the benefit reduction

The family's annual income will include the imputed welfare income, as determined at the family's annual or interim reexamination, during the term of the welfare benefits reduction (as specified by the welfare agency).

The amount of imputed welfare income will be offset by the amount of additional income the family receives that commences after the sanction was imposed. When additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income will be reduced to zero.

If the family was not an assisted resident when the welfare sanction began, imputed welfare income will not be included in annual income.

If the family claims the amount of imputed welfare income has been calculated incorrectly, the Occupancy Specialist and Assistant Manager will review the calculation for accuracy. If the imputed welfare income amount is correct, the PHA will provide a written notice to the family that includes:

A brief explanation of how the amount of imputed welfare income was determined;

A statement that the family may request an informal hearing if they do not agree with the PHA determination.

### **Verification Before Denying a Request to Reduce Rent**

The PHA will obtain written verification from the welfare agency stating that the family's benefits have been reduced due to fraud or noncompliance with welfare agency economic self-sufficiency or work activities requirements *before* denying the family's request for rent reduction.

### **Cooperation Agreements**

The PHA has taken a proactive approach to culminating an effective working relationship between the PHA and the local welfare agency for the purpose of targeting economic self-sufficiency programs through the community that are available to Section 8 tenant-based assistance families.

The PHA and the local welfare agency have mutually agreed to exchange information regarding any programs or services that would benefit Housing Choice Voucher holders.

### **Family Dispute of Amount of Imputed Welfare Income**

If the family disputes the amount of imputed income, and the PHA denies the family's request to modify the amount, the PHA will provide the tenant with a notice of denial, which will include:

An explanation for the PHA's determination of the amount of imputed welfare income

A statement that the tenant may request an informal hearing

The informal hearing is only to dispute the PHA's determination of the amount of imputed welfare income – not the welfare agency's determination to sanction the welfare benefits.

## **F. NOTIFICATION OF RESULTS OF RECERTIFICATIONS**

The HUD form 50058 will be completed and transmitted as required by HUD.

The Notice of Rent Change is mailed to the owner and the tenant. Tenant signatures **are** required by the PHA. If the family disagrees with the rent adjustment they may request an informal hearing.

## **G. TIMELY REPORTING OF CHANGES IN INCOME (AND ASSETS)**

### **Standard for Timely Reporting of Changes**

The PHA requires that families report interim changes to the PHA within **14 business** days of when the change occurs. Any information, document or signature needed from the family which is needed to verify the change must be provided within **14 business** days of the change.

If the change is not reported within the required time period, or if the family fails to provide documentation or signatures, it will be considered untimely reporting.

### **Procedures when the Change is Reported in a Timely Manner**

The PHA will notify the family and the owner of any change in the Housing Assistance Payment due to **any change in income and/or family composition to be effective according to the following guidelines:**

Increases in the Tenant Rent are effective on the first day of the second month in which the increase occurred provided the family complied with PHA requirements in reporting on a timely basis.

Decreases in the Tenant Rent are effective the first of the month following that in which the change has occurred. However, no rent reductions will be processed until all the facts have been verified, even if a retroactive adjustment results.

The change may be implemented based on documentation provided by the family, pending third-party written verification.

### **Procedures When the Change is Not Reported in a Timely Manner**

If the family does not report the change as described under Timely Reporting, the family will have caused an unreasonable delay in the interim reexamination processing and the following guidelines will apply:

Increase in Tenant Rent will be effective retroactive to the first of the month following that in which the change occurred. The family will be liable for any overpaid housing assistance and **will** be required to **sign a Repayment Agreement or make a lump sum payment**. Failure to enter into a repayment agreement will result in termination.

Decrease in Tenant Rent will be effective on the first of the month following the month the change was reported to the PHA.

### **Procedures When the Change is Unreported**

**If the family does not report any change in income or household composition, the family will be responsible for the Housing Assistance Payment that was overpaid if the change caused an increase in tenant rent. If the change was a decrease, the PHA will not make the effective date retroactive.**

**If there was an overpayment in Housing Assistance Payment, the HA may terminate the family for failure of family obligations or may allow the family to enter into a repayment agreement after completing the necessary manuals and/or amendments.**

### **Procedures when the Change is Not Processed by the PHA in a Timely Manner**

"Processed in a timely manner" means that the change goes into effect on the date it should when the family reports the change in a timely manner. If the change cannot be made effective on that date, the PHA did not process in a timely manner.

In this case, an increase will be effective the first of the month after completion of processing by the PHA. If the change resulted in a decrease, the overpayment by the family will be calculated retroactively to the date it should have been effective, and the family will be credited for the amount.

## **H. REPORTING OF CHANGES IN FAMILY COMPOSITION**

All changes in family composition must be reported within **14 business** days of the occurrence. Increases other than by birth, adoption or court-awarded custody must have the prior approval of the PHA and the owner. *The PHA may grant exceptions from this if the family requests and the PHA determines the exceptions are justified by the relationship, age, sex, health or disability of family members or other individual circumstances.*

**Refer to the definition of a family in Chapter 6, Section C – Reporting Additions to Owner & PHA.**

### **Increases in Family Size**

If an addition would result in overcrowding according to HQS maximum occupancy standards (see chapter 5):

**The PHA will issue a larger Voucher for the family to locate a suitable unit.**

### **I. CONTINUANCE OF ASSISTANCE FOR "MIXED" FAMILIES**

Under the Non-citizens Rule, "Mixed" families are families that include at least one citizen or eligible immigrant and any number of ineligible members.

**The Non-citizens Rule was implemented prior to November 29, 1996**, and "mixed" families who were participants as of June 19, 1995, shall continue receiving full assistance if they meet all the following criteria:

1. The head of household or spouse is a U.S. citizen or has eligible immigrant status; AND
2. All members of the family other than the head, the spouse, parents of the head, parents of the spouse, and children of the head or spouse are citizens or eligible immigrants. The family may change the head of household to qualify under this provision.

### **J. MISREPRESENTATION OF FAMILY CIRCUMSTANCES**

If any participant deliberately misrepresents the information on which eligibility or tenant rent is established, the PHA may terminate assistance and may refer the family file/record to the proper authorities for appropriate disposition. (See Program Integrity Addendum.)

## Chapter 13

# MOVES WITH CONTINUED ASSISTANCE/PORTABILITY

## INTRODUCTION

HUD regulations permit families to move with continued assistance to another unit within the PHA's jurisdiction, or to a unit outside of the PHA's jurisdiction under Portability procedures. The regulations also allow the PHA the discretion to develop policies which define any limitations or restrictions on moves.

## A. ALLOWABLE MOVES

A family may move to a new unit with continued assistance if:

1. The assisted lease for the old unit has terminated because the PHA has terminated the HAP contract for owner breach, or the lease was terminated by mutual agreement of the owner and the family.
2. The owner has given the family a notice to vacate, or has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the family (unless assistance to the family will be terminated).
3. The family has given proper notice of lease termination (if the family has a right to terminate the lease on notice to owner).

## B. RESTRICTIONS ON MOVES

Families **may not** be permitted to move within the PHA's jurisdiction during the initial year of assisted occupancy unless the owner has cause or willfully wishes to terminate the lease.

Families **may not** be permitted to move outside the PHA's jurisdiction under portability procedures during the initial year of assisted occupancy.

Families **may not** be permitted to move more than once in a 12-month period.

The PHA will deny permission to move if there is insufficient funding for continued assistance.

The PHA will deny permission to move to if:

The family has violated a Family Obligation.

The family owes the PHA money.

The family has moved or been issued a Voucher within the last 12 months.

The PHA may make exceptions to these restrictions if there is an emergency reason for the move over which the participant has no control.

## **C. PROCEDURE FOR MOVES**

### **Issuance of Voucher**

Subject to the restrictions on moves, if the family has not been recertified within the last 120 days, the PHA will issue the voucher to move **after conducting the recertification** interview. *The family MUST attend a moving orientation in order to receive the RFTA.*

If the family does not locate a new unit, they may remain in the current unit so long as the owner permits.

The annual recertification date will be changed to coincide with the new lease-up date.

### **Notice Requirements**

Briefing sessions emphasize the family's responsibility to give the owner and the PHA proper written notice of any intent to move.

The family must give the owner the required number of days written notice of intent to vacate specified in the lease and must give a copy to the PHA simultaneously.

### **Time of Contract Change**

A move within the same building or development, or between buildings owned by the same owner, will be processed like any other move except that there will be no overlapping assistance.

In a move, assistance stops at the old unit at the end of the month in which the tenant ceased to occupy, unless proper notice was given to end a lease midmonth. Assistance will start on the new unit on the effective date of the lease and contract. Assistance payments may overlap for the month in which the family moves.

## **D. PORTABILITY**

Portability applies to families moving out of or into the PHA's jurisdiction within the United States and its territories.

## **E. OUTGOING PORTABILITY**

Within the limitations of the regulations and this policy, a participant family has the right to receive tenant-based voucher assistance to lease a unit outside the PHA's jurisdiction, anywhere in the United States, in the jurisdiction of a PHA with a tenant-based program. When a family requests to move outside of the PHA's jurisdiction, the request must specify the area to which the family wants to move.

If there is more than one PHA in the area in which the family has selected a unit, the **family must provide the name and address of the receiving PHA as well as the phone and fax number. If the name of the Portability Officer is available, they must provide that as well.**

### **Restrictions on Portability**

#### **Applicants**

If neither the head nor spouse had a domicile (legal residence) in the PHA's jurisdiction at the date of their initial application for assistance, the family **will not** be permitted to exercise portability upon initial issuance of a voucher, unless the PHA approves such move. (NOTE: Legal domicile is defined by local government.)

Upon initial issuance of a voucher the family must be income eligible under the receiving PHA income limits during the initial 12-month period after admission to the program.

#### **Participants**

After an applicant has leased up in the jurisdiction of the initial housing agency, they cannot exercise portability during the first year of assisted occupancy, except in the following circumstances:

- The receiving and initial PHA agree to allow the move
- The lease is terminated between the tenant and owner

The PHA may deny families the right to exercise portability if:

- The family is in violation of a family obligation
- The family owes money to the PHA
- The family has moved out of its assisted unit in violation of the lease

## **F. INCOMING PORTABILITY**

### **Absorption or Administration**

The PHA will accept a family with a valid Voucher from another jurisdiction and administer or absorb the Voucher. If administering, the family will be issued a “Portable” Voucher by the PHA. The term of the voucher will not expire before the expiration date of any initial PHA voucher. The family must submit a request for approval of tenancy for an eligible unit to the receiving PHA during the term of the receiving PHA Voucher. The receiving PHA may grant extensions in accordance with this Administrative Plan. However, if the Family decides not to lease up in the PHA’s jurisdiction, they must contact the initial PHA to request an extension.

The PHA may absorb Vouchers if such absorption does not exceed **10 percent** of households assisted.

The PHA will absorb all incoming portable families provided that there is funding available.

When the PHA does not absorb the incoming Voucher, it will administer the Initial PHA’s Voucher and the receiving PHA’s policies will prevail.

For admission to the program a family must be income eligible in the area where the family initially leases a unit with assistance under the program.

The receiving PHA does not redetermine eligibility for a portable family that was already receiving assistance in the initial PHA Section 8 tenant-based program.

The PHA will issue a “Portability Voucher” according to its own Subsidy Standards. If the Family has a change in family composition which would change the Voucher size, the PHA will change to the proper size based on its own Subsidy Standards.

### **Income and TTP of Incoming Portables**

As Receiving PHA, the PHA will conduct a recertification interview but only verify the information provided if the documents are missing or are over 120 days old, whichever is applicable, or there has been a change in the family's circumstances.

If the family's income exceeds the income limit of the PHA, the family will not be denied assistance unless the family is an applicant (and over the Very-Low Income Limit).

If the family's income is such that a \$0 subsidy amount is determined prior to lease-up in the PHA's jurisdiction, the PHA will refuse to enter into a contract on behalf of the family at \$0 assistance.

## **Requests for Approval of Tenancy**

### **Families must attend the mandatory moving orientation when the Voucher is issued.**

When the Family submits a Request for Tenancy Approval, it will be processed using the PHA's policies. If the Family does not submit a Request for Tenancy Approval or does not execute a lease, the Initial PHA will be notified within **10 business days** by the PHA.

If the Family leases up successfully, the PHA will notify the Initial PHA within **10 business days**, and the billing process will commence.

The PHA will notify the initial PHA if the family fails to submit a request for approval of tenancy for an eligible unit within the term of the Voucher.

If the PHA denies assistance to the family, the PHA will notify the Initial PHA within **10 business days** and the family will be offered a review or hearing.

The PHA will notify the Family of its responsibility to contact the Initial PHA if the Family wishes to move outside the PHA's jurisdiction under continued portability.

## **Regular Program Functions**

The PHA will perform all program functions applicable to the tenant-based program such as:

- Annual re-exam of family income and composition
- Annual inspection of the unit
- Interim Examinations when requested or deemed necessary

## **Terminations**

The PHA will notify the Initial PHA in writing of any termination of assistance within **10 business days** of the termination. If an Informal Hearing is required and requested by the Family, the hearing will be conducted by the PHA, using the regular hearing procedures included in this Plan. A copy of the hearing decision will be furnished to the Initial PHA.

The Initial PHA will be responsible for collecting amounts owed by the Family for claims paid and for monitoring repayment. If the Initial PHA notifies the PHA that the Family is in arrears or the Family has refused to sign a Repayment Agreement, the PHA will terminate assistance to the family.

## **Required Documents**

As Receiving PHA, the PHA will require the following documents from the Initial PHA:

A copy of the family's Voucher, with issue and expiration dates, formally acknowledging the family's ability to move under portability.

The most recent HUD 50058 form and verifications.

The Portability Form-52665, with Part 1 completed.

## **Billing Procedures**

As Receiving PHA, the PHA will bill the Initial PHA **monthly** for Housing Assistance Payments. The billing cycle for other amounts, including Administrative Fees and Special Claims will be **monthly** unless requested otherwise by the Initial PHA.

The PHA will bill 100% of the Housing Assistance Payment, 100% of Special Claims and 80% of the Administrative Fee (at the Initial PHA's rate) and any other HUD-approved fees, for each "Portability" Voucher leased as of the first day of the month.

The PHA will notify the Initial PHA of changes in subsidy amounts and will expect the Initial PHA to notify the PHA of changes in the Administrative Fee amount to be billed.

## Chapter 14

# CONTRACT TERMINATIONS

### INTRODUCTION

The Housing Assistance Payments (HAP) Contract is the contract between the owner and the PHA which defines the responsibilities of both parties. This Chapter describes the circumstances under which the contract can be terminated by the PHA and the owner, and the policies and procedures for such terminations.

### A. CONTRACT TERMINATION

The term of the HAP Contract is the same as the term of the lease. The Contract between the owner and the PHA may be terminated by the PHA, or by the owner or tenant terminating the lease.

No future subsidy payments on behalf of the family will be made by the PHA to the owner after the month in which the Contract is terminated. The owner must reimburse the PHA for any subsidies paid by the PHA for any period after the contract termination date.

If the family continues to occupy the unit after the Section 8 contract is terminated, the family is responsible for the total amount of rent due to the owner. The owner will have no right to claim compensation from the PHA for vacancy loss under the provisions of Certificate contracts effective on or after October 2, 1995.

After a contract termination, if the family meets the criteria for a move with continued assistance, the family may be lease-up in another unit. The contract for the new unit may begin during the month in which the family moved from the old unit.

### B. TERMINATION BY THE FAMILY MOVES

Family termination of the lease must be in accordance with the terms of the lease.

## **C. TERMINATION BY THE OWNER: EVICTIONS**

If the owner wishes to terminate the lease, the owner is required under the lease, to provide proper notice as stated in the lease. During the term of the lease, the owner may not terminate the tenancy except for the grounds stated in the HUD regulations.

During the term of the lease the owner may only evict for:

Serious or repeated violation of the lease, including but not limited to failure to pay rent or other amounts due under the lease, or repeated violation of the terms and conditions of the lease

Violation of Federal, State, or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises; or Criminal activity by the tenant, any member of the household, a guest or another person under the tenant's control that threatens the health, safety, or right to peaceful enjoyment of the premises by the other residents, or persons residing in immediate vicinity of the premises or any drug related criminal activity on or near the premises

Other good cause

### **Evidence of Criminal Activity**

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person if the owner determines they have engaged in the criminal activity:

Regardless of arrest or conviction

Without satisfying the standard of proof used for criminal conviction

### **Termination of Tenancy Decisions**

If the law and regulation permit the owner to take an action but do not require action to be taken, the owner can decide whether to take action. Relevant circumstances include:

The seriousness of the offense

The effect on the community

The extent of participation by household members

The effect on uninvolved household members

The demand for assisted housing by families who will adhere to responsibilities

The effect on the integrity of the program

The extent to which leaseholder has shown personal responsibility and taken all reasonable steps to prevent

### **Exclusion of culpable household member**

The owner may require a tenant to exclude a household member in order to continue to reside in the assisted unit.

### **Consideration of Rehabilitation**

When determining whether to terminate the tenancy for illegal drug use or alcohol abuse, the owner may consider whether the member:

- Is no longer participating
- Has successfully completed a supervised drug or alcohol rehab program
- Has otherwise been successfully rehabilitated

The owner may require the tenant to submit evidence of any of the above three.

Actions of termination by the owner must be consistent with the fair housing and equal opportunities as stated in 24 CFR.

The owner must provide the tenant and the PHA a written notice specifying the grounds for termination of tenancy, at or before the commencement of the eviction action. The notice may be included in, or may be combined with, any owner eviction notice to the tenant.

The owner eviction notice means a notice to vacate, or a complaint, or other initial pleading used under State or Local law to commence an eviction action.

Housing Assistance Payments are paid to the owner under the terms of the HAP Contract. If the owner has begun eviction and the family continues to reside in the unit, the PHA must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

If the action is finalized in court, the owner must provide the PHA with the documentation, including notice of the lock-out date.

The PHA must continue making housing assistance payments to the owner in accordance with the contract as long as the tenant continues to occupy the unit and the contract is not violated.

By endorsing the monthly check from the PHA, the owner certifies that the tenant is still in the unit, the rent is reasonable, and the family is in compliance with the contract.

If the eviction is not due to a serious or repeated violation of the lease, and if the PHA has no other grounds for termination of assistance, the PHA may issue a new voucher so that the family can move with continued assistance.

## **D. TERMINATION OF THE CONTRACT BY PHA**

The term of the HAP contract terminates when the lease terminates, when the PHA terminates program assistance for the family, and when the owner has breached the HAP contract. (See “Owner Disapproval and Restriction” chapter).

The PHA may also terminate the contract if:

The PHA terminates assistance to the family.

The family is required to move from a unit when the unit does not meet the HQ space standards because of an increase in family size (overcrowded unit).

Funding is no longer available under the ACC.

The contract will terminate automatically if 180 days have passed since the last housing assistance payment to the owner.

### **Notice of Termination**

When the PHA terminates the HAP contract under the violation of HQ space standards, the PHA will provide the owner and family written notice of termination of the contract, and the HAP contract terminates at the end of the calendar month that follows the calendar month in which the PHA gives such notice to the owner.

## **E. LMHA VIOLENCE AGAINST WOMEN ACT (VAWA) POLICY**

Recipients of Section 8 benefits have certain rights under the Violence Against Women Act (VAWA), 42 U.S.C. 1437 *et seq.*

Being a victim of VAWA would not keep the applicant from receiving assistance if they are other wise eligible. The victim does have to comply with submission of required documents and forms.

See full Lorain Metropolitan Housing Authority Policy in the Appendix Section of this Administration Plan.

## Chapter 15

# DENIAL OR TERMINATION OF ASSISTANCE

## INTRODUCTION

The PHA may deny or terminate assistance for a family because of the family's action or failure to act. The PHA will provide families with a written description of the Family Obligations under the program, the grounds under which the PHA can deny or terminate assistance, and the PHA's informal hearing procedures. This Chapter describes when the PHA is required to deny or terminate assistance, and the PHA's policies for the denial of a new commitment of assistance and the grounds for termination of assistance under an outstanding HAP contract.

## A. GROUNDS FOR DENIAL/TERMINATION

**If denial or termination is based upon behavior resulting from a disability, the PHA will delay the denial or termination in order to determine if there is an accommodation which would negate the behavior resulting from the disability.**

### Form of Denial/Termination

Denial of assistance for an applicant may include any or all of the following:

- Denial for placement on the PHA waiting list
- Denying a voucher or withdrawing a voucher
- Refusing to enter into a HAP contract or approve a lease
- Refusing to process or provide assistance under portability procedures

Termination of assistance for a participant may include any or all of the following:

- Refusing to enter into a HAP contract or approve a lease
- Terminating housing assistance payments under an outstanding HAP contract
- Refusing to process or provide assistance under portability procedures

## **Mandatory Denial and Termination**

The PHA must deny assistance to applicants, and terminate assistance for participants:

If any member of the household fails to sign and submit HUD or PHA required consent forms for obtaining information.

If no member of the household is a U.S. citizen or eligible immigrant (Section D).

If the family is under contract and 180 days have elapsed since the PHA's last housing assistance payment was made (see "Contract Terminations" chapter).

The PHA must permanently deny assistance to applicants and terminate the assistance of persons convicted of manufacturing or producing methamphetamine in violation of any Federal or State law.

If any member of the household has been evicted from federally assisted housing for a serious violation of the lease, the PHA must deny admission for three (3) years after the eviction occurred.

The PHA must terminate program assistance for a family evicted from housing assisted under the program for serious violation of the lease.

The PHA must deny admission or terminate assistance when required under the regulations to establish citizenship or eligible immigration status.

## **Grounds for Denial or Termination of Assistance**

The PHA will deny program assistance for an applicant, or terminate program assistance for a participant, for any of the following reasons:

The family violates any family obligation under the program as listed in 24 CFR 982.551.

Any **member of the household** has ever been evicted from public housing.

If any **member of the household** commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.

If any **member of the household** is a convicted sexual offender under the state sex offender registration program.

The Housing Authority may prohibit readmission to the program for a minimum period of three years for a person that has committed fraud in connection with the Section 8 program or waiting list.

The family currently owes rent or other amounts to the PHA, to another PHA, or to Westway Gardens in connection with Section 8 or public housing assistance under the 1937 Housing Act. ***A voucher may be issued at the HA's discretion.***

*Solely at LMHA's discretion*, an individual may enter the Section 8 program owing LMHA money if LMHA determines the applicant merits another chance to participate in the Section 8 Program. An applicant owing money must provide documentation to the Housing Authority which the Housing Authority shall use to determine if the applicant merits receiving rental assistance prior to payment of the balance to LMHA. The applicant shall be required to sign a repayment agreement indicating payment on the balance will begin the month following admission into the Section 8 rental assistance program. Failure to comply with the agreement shall result in immediate termination of Section 8 rental assistance. (1/03)

The family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent or other amounts owed by the family under the lease.

The family breaches an agreement with a PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA.

The family has engaged in or threatened abusive or violent behavior toward PHA personnel.

"Abusive or violent behavior toward PHA personnel" includes verbal as well as physical abuse or violence. Use of expletives that are generally considered insulting, racial epithets, or other language, written or oral, that is customarily used to insult or intimidate, may be cause for termination or denial.

"Threatening" refers to oral or written threats or physical gestures that communicate an intent to abuse or commit violence.

Actual physical abuse or violence will always be cause for termination.

If any member of the family engages in or permits drug-related criminal activity or violent criminal activity, or whose drug or alcohol abuse interferes with the health, safety, or peaceful enjoyment of other residents.

## **B. SCREENING AND TERMINATION FOR DRUG ABUSE AND OTHER CRIMINAL ACTIVITY**

### **Purpose**

All federally assisted housing is intended to provide a place to live and raise families, not a place to commit crime, to use or sell drugs or terrorize neighbors. It is the intention of LMHA to fully endorse and implement a policy designed to:

Help create and maintain a safe and drug-free community

Keep our program participants free from threats to their personal and family safety

Support parental efforts to instill values of personal responsibility and hard work

Help maintain an environment where children can live safely, learn and grow up to be productive citizens

Assist families in their vocation/education goals in the pursuit of self-sufficiency

### **Administration**

All screening and termination of assistance procedures will be administered fairly and in such a way as not to violate rights to privacy or discriminate on the basis of race, color, nationality, religion, familial status, disability, or other legally protected groups.

To the maximum extent possible, the PHA will involve other community and governmental entities in the promotion and enforcement of this policy.

### **Screening of Applicants**

In an effort to prevent future drug-related and other criminal activity, as well as other patterns of behavior that pose a threat to the health, safety or right to peaceful enjoyment of the premises by other residents, and as required by the Regulation, the PHA will endeavor to screen applicants as thoroughly and fairly as possible for drug-related and violent criminal behavior/activity.

## **Definitions**

*Covered person* means a tenant, any member of the tenant's household, a guest or another person under the tenant's control.

*Drug* means a controlled substance as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)

*Drug-related criminal activity* means: (a) the illegal manufacture, sale, distribution of an illegal drug, (b) or use of an illegal drug, (c) or possession of an illegal drug/drug paraphernalia, (d) or possession of a drug with intent to manufacture, sell, distribute or use a drug. Drug related criminal activity by a family member **means on or off** the premises not just *on or near*. *Police records, court documents will be used to constitute preponderance of evidence.*

*Guest* means a person temporarily staying in the unit with the consent of a tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant. The requirements of part 982 apply to a guest as so defined.

*Household* means the family including foster-care members and PHA-approved live-in aide.

*Other person under the tenant's control* for the purposes of "covered person" means that person, although not staying as a guest in the unit, is, or was at the time of the activity in question, on the premises because of an invitation from the tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant. Absent evidence to the contrary, a person temporarily and infrequently on the premises solely for legitimate commercial purposes is not under the tenant's control.

*Violent criminal activity* includes any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force against a person or property, and the activity is being engaged in by any family member on or off the premises not just on or near.

## **Standard for Violation**

The PHA will deny participation in the program to applicants and terminate assistance to participants in cases where the PHA determines there is reasonable cause to believe that the person is illegally using a controlled substance or if the person abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents, including cases where the PHA determines that there is a pattern of illegal use of a controlled substance or pattern of alcohol abuse.

The PHA will consider the use of a controlled substance or alcohol to be a pattern if there is more than one incident during the previous three months.

“Engaged in or engaging in” violent criminal activity means any act within the past three years by applicants or participants, household members or guests which involved criminal activity that has as one of its elements: the use, attempted use, or threatened use of physical force against the person of another, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

The activity is being engaged in by any family member.

The existence of the above-referenced behavior by any household member or guest, regardless of the applicant or participant’s knowledge of the behavior, will be grounds for denial or termination of assistance.

In evaluating evidence of negative past behavior, the PHA will give fair consideration to the seriousness of the activity with respect to how it would affect other residents, and/or likelihood of favorable conduct in the future which could be supported by evidence of rehabilitation.

### **Drug Related and Violent Criminal Activity**

#### **Ineligibility for admission if evicted for drug-related activity**

Persons evicted from federally assisted housing because of drug-related criminal activity are ineligible for admission to the Section 8 program for a **minimum three-year** period beginning on the date of such eviction.

Applicants will be denied assistance if they have been:

Arrested, convicted, evicted from a unit assisted under the Housing Act of 1937 due to violent criminal activity within the last three years prior to the date of the application interview.

#### **Termination of Assistance for Participants for Drug-related or violent criminal activity**

Participants will be terminated who have been:

Arrested, convicted, evicted from a unit assisted under any Federally assisted housing program for drug-related or violent criminal activity during participation in the program, and within the last three years prior to the date of the notice to terminate assistance. **Participants terminated for drug-related activity may not reapply to the program for three years from the moment they are cleared of all charges and their rights have been restored to them.**

If any member of the household violates the family obligations by engaging in drug-related or violent criminal activity, the PHA will terminate assistance.

In appropriate cases, the PHA may permit the family to continue receiving assistance provided that family members determined to have engaged in the proscribed activities will not reside in the unit. If the violating member is a minor, the PHA may consider individual circumstances with the advice of Juvenile Court officials.

The PHA may also waive the requirement regarding drug-related criminal activity if the person demonstrates successful completion of a credible rehabilitation program approved by the PHA since the most recent occurrence.

### **Denial of Assistance for Sex Offenders**

The PHA will deny admission/participation if any member of the household is a reported sexual offender under a State sex offender registration program. The PHA will compare names to the most current offender list available.

### **Terminating Assistance for Alcohol Abuse by Household Members**

Under the family obligations listed at 24 CFR 982.551, the members of the household must not abuse alcohol in a way that threatens the health, safety, or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. Assistance will be terminated due to violation of a family obligation if the PHA determines that a member of the household has demonstrated a pattern of alcohol abuse that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

In appropriate cases, the PHA may permit the family to continue assistance if the household members determined to have engaged in the proscribed activities will not reside in the unit. If the violating member is a minor, the PHA may consider individual circumstances with the advice of Juvenile Court officials.

### **Notice of Termination of Assistance**

In any case where the PHA decides to terminate assistance to the family, the PHA must give family written notice which states:

The reason(s) for the proposed termination,

The effective date of the proposed termination,

The family's right to request an Informal Hearing,

The date by which a request for an informal hearing must be received.

The PHA will simultaneously provide written notice of the contract termination to the owner so that it will coincide with the Termination of Assistance. The Notice to the owner will not include any details regarding the reason for termination of assistance.

## **Required Evidence**

*Preponderance of evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

*Credible evidence* may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants.

The PHA will pursue fact-finding efforts as needed to obtain credible evidence.

The PHA will terminate assistance for criminal activity by a household member under this section if the PHA has determined that the household member has engaged in the criminal activity, regardless of whether the household member has been arrested or convicted for such activity.

## **Confidentiality of Criminal Records**

**The PHA will ensure that any criminal record received from a law enforcement agency is:**

**Maintained confidentially;**

**Not misused or improperly disseminated; and**

**Destroyed once the purpose (for which the record was requested) has been accomplished, including expiration of the period for filing a challenge to the LMHA action without institution of a challenge or the final disposition of any such challenge or legal litigation. Once LMHA has determined the records are of no further use, LMHA shall note on the "Criminal Record Disposition Form" the date of disposal (shredding), the LMHA employee disposing of the record and the name of the State or Local Agency from which the records were obtained.**

**Criminal records are to be managed in accordance with the requirements in 24 CFR 5.903(g). Consent forms obtained from applicants expire automatically immediately following the PHAs final decision to either approve or deny admission. If a person is denied admission, the record must be destroyed in a timely manner following the expiration period of the statute of limitations for civil action challenging a denial.**

**In addition, PHAs must handle any information obtained from other records in accordance with applicable State and Federal privacy laws and with the provision of the consent forms signed by the applicant/family. (01/08)**

**See Appendix 5 – Policy For Use, Retention and Disposal of Criminal History Information.**

### **C. FAMILY OBLIGATIONS**

The family must supply any information that the PHA or HUD determines is necessary in the administration of the program, including submission of required evidence of citizenship or eligible immigration status. "Information" includes any requested certification, release or other documentation.

The family must supply any information requested by the PHA or HUD for use in a regularly scheduled reexamination or interim reexamination of family income and composition in accordance with HUD requirements.

The family must disclose and verify Social Security Numbers and must sign and submit consent forms for obtaining information in accordance with 24 CFR 5.230.

All information supplied by the family must be true and complete.

The family is responsible for an HQS breach caused by the family.

The family must allow the PHA to inspect the unit at reasonable times and after reasonable notice.

The family may not commit any serious or repeated violation of the lease.

The family must notify the owner and, at the same time, notify the PHA before the family moves out of the unit or terminates the lease on notice to the owner.

The family must promptly give the PHA a copy of any owner eviction notice.

The family must use the assisted unit for residence by the PHA approved family. The unit must be the family's only residence.

The composition of the assisted family residing in the unit must be approved by the PHA. The family must promptly inform the PHA of the birth, adoption or court-awarded custody of a child. The family must request PHA approval to add any other family member as an occupant of the unit.

The family must promptly notify the PHA if any family member no longer resides in the unit.

If the PHA has given approval, a foster child or a live-in aide may reside in the unit. If the family does not request approval or PHA approval is denied, the family may not allow a foster child or live-in aide to reside with the assisted family.

Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit as a residence by members of the family.

The family must not sublease or let the unit.

The family must not assign the lease or transfer the unit.

The family must supply any information or certification requested by the PHA to verify that the family is living in the unit, or relating to family absence from the unit, including any PHA-requested information or certification on the purposes of family absences. The family must cooperate with the PHA for this purpose. The family must promptly notify the PHA of absence from the unit.

The family must not own or have any interest in the unit.

The members of the family must not commit fraud, bribery or any other corrupt or criminal act in connection with the programs.

The members of the family may not engage in drug-related criminal activity or violent criminal activity or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

The members of the household must not abuse alcohol in a way that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises.

An assisted family, or members of the family, may not receive Section 8 tenant-based assistance while receiving another housing subsidy, for the same unit or for a different unit, under any duplicative (as determined by HUD or in accordance with HUD requirements) Federal, State, or local housing assistance program.

### **Housing Authority Discretion**

In deciding whether to deny or terminate assistance because of action or failure to act by members of the family, the PHA has discretion to consider all of the circumstances in each case, including the seriousness of the case. The PHA will use its discretion in reviewing the extent of participation or culpability of individual family members and the length of time since the violation occurred. The PHA may also review the family's history and records of compliance, and the effects that denial or termination of assistance may have on other family members who were not involved in the action or failure to act.

The PHA may impose, as a condition of continued assistance for other family members, a requirement those family members who participated in, or were culpable for the action or failure to act, will not reside in the unit. The PHA may permit the other members of a family to continue in the program.

### **Enforcing Family Obligations**

#### **Explanations and Terms**

The term "Promptly" when used with the Family Obligations always means "within 14 business days." Denial or termination of assistance is always optional except where this Plan or the regulations state otherwise.

#### **HQS Breach:**

The **inspector** will determine if a HQS breach as identified in 24 CFR 982.404 (b) is the responsibility of the family. Families may request and may be approved for an extension to cure HQS breaches by

the Section 8 Manager or Assistant Manager. Requests must be made prior to the date repairs are due.

**Lease Violations:**

The following criteria will be used to decide if a serious or repeated violation of the lease will result in termination of assistance:

If the owner terminates tenancy through court action for serious or repeated violation of the lease.

If the owner notifies the family of termination of assistance for serious or repeated lease violations, and the family moves from the unit prior to the completion of court action, and the PHA determines that the cause is a serious or repeated violation of the lease based on available evidence.

If the owner notifies the family of termination of assistance for serious or repeated lease violations, and the family moves from the unit prior to the completion of court action.

If there are police reports, neighborhood complaints or other third-party information, and the PHA has verified the information.

Nonpayment of rent is considered a serious lease violation when the owner has submitted on a regular basis evidence of his attempt to collect the rent and notification to the tenant for their failure to pay.

**Notification of Eviction:**

If the family requests assistance to move and they did not notify the PHA of an eviction within 14 business days of receiving the Notice of Lease Termination, the move may be denied.

**Proposed Additions to the Family:**

The PHA will deny a family's request to add additional family members who are:

Persons who have been evicted from public housing.

Persons who have previously violated a family obligation listed in 24 CFR 982.551 of the HUD regulations.

Persons who have been part of a family whose assistance has been terminated under the Certificate or Voucher program.

Persons who commit drug-related criminal activity or violent criminal activity.

Persons who do not meet the PHA's definition of family.

Persons who commit fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.

Persons who currently owe rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

Persons who have engaged in or threatened abusive or violent behavior toward PHA personnel.

**Family Member Moves Out:**

Families are required to notify the PHA if any family member leaves the assisted household. When the family notifies the PHA, they must complete an “out-of-household” affidavit certifying:

The date the family member moved out,

The new address of the family member,

A statement as to whether the member is temporarily or permanently absent.

**Limitation on Profit-making Activity in Unit:**

If the business activity area results in the inability of the family to use any of the critical living areas, such as a bedroom utilized for a business which is not available for sleeping, it will be considered a violation.

If the PHA determines that the use of the unit as a business is not incidental to its use as a dwelling unit, it will be considered a program violation.

If the PHA determines that the business is not legal, it will be considered a program violation.

**Interest in Unit:**

The owner may not reside in the assisted unit regardless of whether (s)he is a member of the assisted family, unless the family owns the mobile home and rents the pad.

**Fraud:**

In each case, the PHA will consider which family members were involved, the circumstances, and any hardship that might be caused to innocent members.

In the event of false citizenship claims, see Section below.

## **D. PROCEDURES FOR NON-CITIZENS**

### **Denial or Termination Due to Ineligible Immigrant Status**

Applicant or participant families in which all members are neither U. S. citizens nor eligible immigrants are not eligible for assistance and must have their assistance terminated. The PHA must offer the family an opportunity for a hearing. (See “Eligibility for Admission” chapter, section on Citizenship/Eligible Immigration Status.)

Assistance may not be terminated while verification of the participant family’s eligible immigration status is pending.

### **False or Incomplete Information**

When the PHA has clear, concrete, or substantial documentation (such as a permanent resident card or information from another agency) that contradicts the declaration of citizenship made by an applicant or participant, an investigation will be conducted and the individual will be given an opportunity to present relevant information.

If the individual is unable to verify their citizenship, the PHA will give him/her an opportunity to provide a new declaration as an eligible immigrant or an opportunity to elect not to contend their status.

The PHA will then verify eligible status, deny, terminate, or prorate as applicable.

The PHA will deny or terminate assistance based on the submission of false information or misrepresentation.

### **Procedure for Denial or Termination**

If the family (or any member) claimed eligible immigrant status and the INS primary and secondary verifications failed to document the status, the family may make an appeal to the INS and request a hearing with the PHA either after the INS appeal or in lieu of the INS appeal.

After the PHA has made a determination of ineligibility, the family will be notified of the determination and the reasons and informed of the option for prorated assistance (if applicable).

## **E. ZERO (\$-0-) ASSISTANCE TENANCIES**

The family may remain in the unit at \$0 assistance for up to 180 days after the last HAP payment. If the family is still in the unit after 180 days, the assistance will be terminated. If, within the 180 day timeframe, an owner rent increase or a decrease in the Total Tenant Payment causes the family to be eligible for a housing assistance payment, the PHA will resume assistance payments for the family.

## **F. OPTION NOT TO TERMINATE FOR MISREPRESENTATION**

If the family has misrepresented any facts that caused the PHA to overpay assistance, the PHA may choose not to terminate and may offer to continue assistance provided that the family **executes a Repayment Agreement and makes payments in accordance with the agreement, or reimburses the PHA in full.**

## **G. MISREPRESENTATION IN COLLUSION WITH OWNER**

If the family intentionally, willingly, and/or knowingly commits fraud or is involved in any other illegal scheme with the owner, the PHA will deny or terminate assistance.

In making this determination, the PHA will carefully consider the possibility of overt or implied intimidation of the family by the owner and the family's understanding of the events.

## **H. MISSED APPOINTMENTS AND DEADLINES**

It is a Family Obligation to supply information, documentation, and certification as needed for the PHA to fulfill its responsibilities. The PHA schedules appointments and sets deadlines in order to obtain the required information. The Obligations also require that the family allow the PHA to inspect the unit and appointments are made for this purpose.

An applicant or participant who fails to keep an appointment or to supply information required by a deadline, without notifying the PHA, may be sent a Notice of Denial or Termination of Assistance for failure to provide required information, or for failure to allow the PHA to inspect the unit.

The family will be given information about the requirement to keep appointments, and the number of times appointments will be rescheduled as specified in this Plan.

Appointments will be scheduled and time requirements will be imposed for the following events and circumstances:

Eligibility for Admissions

Verification Procedures

Certificate/Voucher Issuance and Briefings

Housing Quality Standards and Inspections

Recertifications

Appeals

Acceptable reasons for missing appointments or failing to provide information by deadlines are:

Medical emergency

Family emergency

**Procedure when Appointments are Missed or Information is not Provided**

For most purposes in this Plan, the family will be given two opportunities before being issued a notice of termination or denial for breach of a family obligation.

After issuance of the termination notice, if the family offers to correct the breach within the time allowed to request a hearing:

The termination may be rescinded after the family cures the breach.

The notice may be rescinded if the family offers to cure and the family does not have a history of noncompliance.

## Chapter 16

# OWNER DISAPPROVAL AND RESTRICTION

## INTRODUCTION

It is the policy of the PHA to recruit owners to participate in the voucher program. The PHA will provide owners with prompt and professional service in order to maintain an adequate supply of available housing throughout the jurisdiction of the PHA. The regulations define when the PHA must disallow an owner participation in the program, and they provide the PHA discretion to disapprove or otherwise restrict the participation of owners in certain categories. This Chapter describes the criteria for owner disapproval, and the various penalties for owner violations.

## A. DISAPPROVAL OF OWNER

The owner does not have a right to participate in the program. For purposes of this section, "owner" includes a principal or other interested party.

The PHA will disapprove the owner for the following reasons:

HUD or **other agency directly related** has informed the PHA that the owner has been disbarred, suspended, or subject to a limited denial of participation under 24 CFR part 24.

HUD has informed the PHA that the federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending.

HUD has informed the PHA that a court or administrative agency has determined that the owner has violated the Fair Housing Act or other federal equal opportunity requirements.

Unless their lease was effective prior to June 17, 1998, the owner may not be a parent, child, grandparent, grandchild, sister or brother of any family member. The PHA may waive this restriction if proven the arrangement is necessary as a reasonable accommodation for a family member who is a person with a disability.

In cases where the owner and tenant bear the same last name, the PHA may, at its discretion, require the family and/or owner to certify whether they are related to each other in any way.

The owner has violated obligations under a housing assistance payment's contract under Section 8 of the 1937 Act (42 U.S.C. 1437f).

The owner has committed fraud, bribery or any other corrupt act in connection with any federal housing program.

The owner has engaged in drug-related criminal activity or violent criminal activity.

The owner has a history or practice of noncompliance with the HQS for units leased under the tenant-based programs or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program.

The owner has a history or practice of renting units that fail to meet State or local housing codes.

The owner has a history or practice of failing to terminate tenancy of tenants of units assisted under Section 8 or any other federally assisted housing program for activity by the tenant, any member of the household, a guest or another person under the control of any member of the household that:

Threatens the right to peaceful enjoyment of the premises by other residents;

Threatens the health or safety of other residents, of employees of the PHA, or of owner employees or other persons engaged in management of the housing;

Threatens the health or safety of, or the right to peaceful enjoyment of their residences, by persons residing in the immediate vicinity of the premises; or

Is drug-related criminal activity or violent criminal activity.

The owner has failed to comply with regulations, the mortgage or note, or the regulatory agreement for projects with mortgages insured by HUD or loans made by HUD.

## **B. OWNER RESTRICTIONS AND PENALTIES**

If an owner commits fraud or abuse or is guilty of frequent or serious contract violations, the PHA will restrict the owner from future participation in the program for a period of time commensurate with the seriousness of the offense. The PHA may also terminate some or all contracts with the owner.

Before imposing any penalty against an owner the PHA will review all relevant factors pertaining to the case, and will consider such factors as the owner's record of compliance and the number of violations.

See Program Integrity Addendum for guidance as to how owner fraud will be handled.

## **C. CHANGE IN OWNERSHIP**

The current owner (seller) must notify the PHA advising the anticipated sale of a property.

When there is a purchase agreement, and settlement looks promising, the seller must contact PHA and advise the new owner to contact the PHA also.

The PHA will process a change of ownership only upon the request of the new owner and only if accompanied by a copy of the document showing the purchase agreement, transfer of title, or recorded deed. The new owner must also provide Social Security number or Federal ID for tax reporting.

Upon approval of the documents, the PHA will prepare a contract assignment for the balance of the existing term of the HAP Contract. When the Contract term is due to expire, the new owner will be given opportunity to enter into a new lease and contract. The family may elect to enter into the new lease, or move to another unit.

## Chapter 17

# OWNER OR FAMILY DEBTS TO THE PHA

### **INTRODUCTION**

This Chapter describes the PHA's policies for the recovery of monies which have been overpaid for families, and to owners. It describes the methods that will be utilized for collection of monies and the guidelines for different types of debts. It is the PHA's policy to meet the informational needs of owners and families, and to communicate the program rules in order to avoid owner and family debts. Before a debt is assessed against a family or owner, the file must contain documentation to support the PHA's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the owner, the family or other interested parties.

When families or owners owe money to the PHA, the PHA will make every effort to collect it. The PHA will use a variety of collection tools to recover debts including, but not limited to:

- Requests for lump sum payments

- Civil suits

- Repayment agreements

- Abatements

- Reductions in HAP to owners

- Collection agencies

- Credit bureaus

- Income Tax set-off programs

## **A. REPAYMENT AGREEMENT FOR FAMILIES**

A Repayment Agreement as used in this Plan is a document entered into between the PHA and a person who owes a debt to the PHA. It is similar to a promissory note, but contains more details regarding the nature of the debt, the terms of repayment, any special provisions of the agreement, and the remedies available to the PHA upon default of the agreement.

The PHA will prescribe the terms of the payment agreement, including determining whether to enter into a payment agreement with the family based on the circumstances surrounding the debt to the PHA.

A family who has been terminated from a program of the PHA may enter into a repayment agreement, but will not be eligible for application of future assistance until the debt is paid in full unless:

### **The debt has had no activity regardless of amount in the last 7 years**

Per Legal Counsel 9/21/99 (re bankruptcy write-offs): Merely because the Section 8 debt has been written off, the person is not cleared to participate in a Section 8 program in the future. Obviously, they have violated the terms and conditions of the Section 8 program, and LMHA has the right to deny Section 8 participation of that person. The participant may very well sign a reaffirmation agreement which would reaffirm the debt and set up some type of payment obligations.

### **Repayment Schedule for Monies Owed to the PHA (6/16/04)**

If a repayment agreement is offered, the agreement shall adhere to the following schedule of payment:

\$ 1.00	to	\$ 300.00	up to 4 months
\$ 301.00	to	\$ 500.00	up to 6 months
\$ 501.00	to	\$ 800.00	up to 9 months
\$ 801.00	to	\$1000.00	up to 12 months
\$1001.00	to	\$1500.00	up to 15 months
\$1501.00	to	\$2000.00	up to 18 months
\$2001.00	to	\$2500.00	up to 24 months

Any deviation from the above schedule must be approved by the Section 8 Manager, along with securing the approval of either the Director, Assistant Director, or the Operations Manager. Please note: "up to" does not mean that the maximum number of months must be given. The above referenced repayment schedule will be used for all overpayments resulting from non-disclosed income, whether it is disclosed to LMHA under the UIV system or LMHA is able to detect unreported income.

Circumstances in which the PHA would terminate assistance and not enter into an agreement are:

The family has caused 3 previous agreements by failure to report.

The PHA determines that the family committed program fraud.

The PHA determines that the debt amount is larger than can be paid back within the required timeframe.

## **B. DEBTS DUE TO MISREPRESENTATIONS (FRAUD) OR NON-REPORTING OF INFORMATION**

HUD's definition of program fraud and abuse is a single act or pattern of actions that:

Constitutes false statement, omission, or concealment of a substantive fact, made with intent to deceive or mislead, and that results in payment of Section 8 program funds in violation of Section 8 program requirements.

### **Family Error/Late Reporting**

Families who owe money to the PHA due to the family's failure to report increases in income will be required to repay in accordance with the guidelines in the Repayment Agreement Section of this Chapter.

More than three occurrences will be considered repetitive violation and cause for termination.

### **Program Fraud**

Families who owe money to the PHA, due to program fraud, will be required to repay in accordance with the guidelines in the Repayment Section of this Chapter. Termination may occur depending on circumstances such as length of time, amount owed, willful intent.

When a person who owes the PHA money is terminated from the Housing Choice Voucher Program the following steps will be taken:

If the debt is between \$1 to \$4000, monthly statements will be sent as long as the PHA has a current address and regular payments have been made.

If the debt is between \$5000 and \$9999, statements will be sent as long as the PHA has a current address and regular payments have been made.

All debts over \$2500.00 will be reported to a Credit Bureau.

Debts over \$5000.00 will be sent to LMHA Legal Counsel to determine means of pursuing collection.

Debts over \$10,000 will be sent to the HUD Inspector General's Office.

Also see LMHA EIV policy under Program Integrity Chapter.

When a debt is referred to LMHA Legal Counsel or the HUD IG Office:

A memo will be put in the file showing to whom and the date the pertinent information was sent, as well as the LMHA personnel who completed the process

The file will be maintained in a special drawer marked "Legal"

After 12 months, a reminder letter will be sent to Legal or HUD IG to ascertain their status, if the PHA has not received any prior information

### **C. DEBTS DUE TO MINIMUM RENT TEMPORARY HARDSHIP**

The PHA does not have an established minimum rent

### **D. GUIDELINES FOR REPAYMENT AGREEMENTS**

Repayment Agreements will be executed between the PHA and the head of household, spouse and co-head. Other adults may also be held responsible if they were part of the cause of the repayment agreement.

LMHA will send monthly statements showing the amount due and payable at the LMHA-DESIGNATED bank (currently Lorain National Bank). All payments must be received no later than the 8<sup>th</sup> of the month for accounts to be considered current.

Monthly payments may be decreased in cases of family hardship and if requested with reasonable notice by the family. The family must provide verification of the hardship and receive approval of the Section 8 Manager or LMHA executive.

No move will be approved until the debt is paid in full unless the move is the result of the following causes, and the Repayment Agreement is current:

Family size exceeds the HQS maximum occupancy standards.

The HAP contract is terminated due to owner noncompliance.

A natural disaster.

## **Additional Monies Owed**

If the family has a Repayment Agreement in place and incurs an additional debt to the PHA:

The PHA will not enter into more than three Repayment Agreements with the same family. A fourth occurrence will be cause for termination from the program for repeated violation of family obligations.

Additional amounts owed by the family will be added to the existing repayment agreement and the family will be required to sign a new repayment agreement in accordance with the Repayment Agreement Section of this Chapter.

If a Repayment Agreement is in arrears more than sixty (60) days, any new debts must be paid in full.

## **Late Payments**

A payment will be considered to be in arrears if:

The payment is not received by the close of the business day seven (7) days after the due date. If the due date is on a weekend or holiday, the due date will be at the close of the next business day.

If the family's repayment agreement is in arrears, and the family has not contacted or made arrangements with the PHA, the PHA will:

Require the family to pay the balance in full;

Pursue civil collection of the balance due;

Terminate the housing assistance;

Grant an extension of no more than thirty (30) days.

If the family requests a move to another unit and has a repayment agreement in place:

The family will be required to pay the balance in full prior to the issuance of a voucher.

If the family must move through no fault of their own (owner is forcing move), a voucher may be offered to locate another unit if all payments are current.

## **E. OWNER DEBTS TO THE PHA**

If the PHA determines that the owner has retained Housing Assistance or Claim Payments the owner is not entitled to, the PHA may reclaim the amounts from future Housing Assistance or Claim Payments owed the owner for any units under contract.

If future Housing Assistance or Claim Payments are insufficient to reclaim the amounts owed, the PHA will:

Require the owner to pay the amount in full within 30 days.

Pursue collections through the local court system.

Restrict the owner from future participation.

Offer a repayment agreement to the owner for the amount owed.

## **F. WRITING OFF DEBTS**

Debts will be written off if:

The debtor is deceased.

The amount is less than \$25.00 and the debtor cannot be located.

A determination is made that the debtor is judgment proof.

The debtor is no longer a participant in a LMHA program and the debt is more than 60 days in arrears.

**Files in which the family owes money will be put in a seven (7) year holding pattern. If a participant attempts to re-enter the program during the seven years, they will have to pay the debt. After seven years, they do not have to repay the debt and the file will be shredded.**

## Chapter 18

# COMPLAINTS AND APPEALS

## INTRODUCTION

The Informal Hearing requirements defined in HUD regulation are applicable to participating families who disagree with an action, decision, or inaction of the PHA. This Chapter describes the policies, procedures and standards to be used when families disagree with a PHA decision. The procedures and requirements are explained for preference denial meetings, Informal Reviews and Hearings. It is the policy of the PHA to ensure that all families have the benefit of all protections due to them under the law.

## A. COMPLAINTS TO THE PHA

The PHA will respond promptly to complaints from families, owners, employees, and members of the public. All complaints will be documented. The PHA **may** require that complaints other than HQS violations be put in writing. HQS complaints may be reported by telephone. All complaints will be referred to the Section 8 department to arrange meetings, informal hearings, informal reviews, special inspections, investigations.

### Categories of Complaints

**Complaints from families:** If a family disagrees with an action or inaction of the PHA or owner

**Complaints from owners:** If an owner disagrees with an action or inaction of the PHA or a family

**Complaints from staff:** If a staff person reports an owner or family either violating or not complying with program rules

**Complaints from the general public:** Complaints or referrals from persons in the community in regard to the PHA, a family or an owner

## B. PREFERENCE DENIALS

When the PHA denies a preference to an applicant, the family will be notified in writing of the specific reason for the denial and offered the opportunity for a meeting (not an Informal Review or Hearing) with PHA staff (person who made the decision or any other PHA representative may conduct the meeting) to discuss the reasons for the denial and to dispute the PHA's decision.

## **C. INFORMAL REVIEW PROCEDURES FOR APPLICANTS**

Reviews are provided for applicants who are denied assistance before the effective date of the HAP Contract. The exception is that when an applicant is denied assistance for citizen or eligible immigrant status, the applicant is entitled to an Informal Hearing.

When the PHA determines that an applicant is ineligible for the program, the family must be notified of their ineligibility in writing. The notice must contain:

The reason(s) they are ineligible,

The procedure for requesting a review, and

The time limit for requesting a review.

The PHA must provide applicants with the opportunity for an Informal Review of decisions denying:

Listing on the PHA's waiting list

Issuance of a Voucher

Participation in the program

Informal Reviews are not required for established policies and procedures and PHA determinations such as:

Discretionary administrative determinations by the PHA

General policy issues or class grievances

A determination of the family unit size under the PHA subsidy standards

Refusal to extend or suspend a Voucher

PHA determination not to grant approval of tenancy

Determination that unit is not in compliance with HQS

Determination that unit is not in accordance with HQS due to family size or composition

### **Procedure for Review**

A request for an Informal Review must be received **in writing** by the close of the business day, no later than **10 business** days from the date of the PHA's notification of denial of assistance. The informal review will be scheduled within **10 business** days from the date the request is received.

The Informal Review may not be conducted by the person who made or approved the decision under review, nor a subordinate of such person.

### **The Review may be conducted by:**

Any person or persons designated by the PHA Executive Director, other than a person who made or approved the decision under review or a subordinate of this person.

The applicant will be given the option of presenting oral or written objections to the decision. Both the PHA and the family may present evidence and witnesses. The family may use an attorney or other representative to assist them at their own expense.

When denying admission for criminal activity as shown by a criminal record, the PHA will provide the subject of the record and the applicant may be given a copy of the criminal record upon which the decision to deny was based.

A Notice of the Review findings will be provided in writing to the applicant within **ten** to fifteen days after the review. It will include the decision of the review officer, and an explanation of the reasons for the decision.

All requests for a review, supporting documentation, and a copy of the final decision will be retained in the family's file.

## **D. INFORMAL HEARING PROCEDURES**

The PHA will provide a copy of the hearing procedures in the family briefing packet.

When the PHA makes a decision regarding the eligibility and/or the amount of assistance, applicants and participants must be notified in writing. The PHA will give the family prompt notice of such determinations which will include:

The proposed action or decision of the PHA;

The date the proposed action or decision will take place;

The family's right to an explanation of the basis for the PHA's decision;

The procedures for requesting a hearing if the family disputes the action or decision; and

The time limit for requesting the hearing.

The PHA must provide participants with the opportunity for an Informal Hearing for decisions related to any of the following PHA determinations:

Determination of the family's annual or adjusted income and the computation of the housing assistance payment

Appropriate utility allowance used from schedule

Family unit size determination under PHA subsidy standards

Family breach of HQS that is a family obligation determination

Determination that family is under occupied in their current unit and a request for exception is denied

Determination to terminate assistance for any reason

Determination to terminate a family's FSS Contract, withhold supportive services, or propose forfeiture of the family's escrow account

Determination to terminate based on a criminal activity as shown by a criminal record

The PHA must always provide the opportunity for an Informal Hearing before termination of assistance.

Informal Hearings **are not required** for established policies and procedures and PHA determinations such as:

Discretionary administrative determinations by the PHA

General policy issues or class grievances

Establishment of the PHA schedule of utility allowances for families in the program

A PHA determination not to approve an extension or suspension of a voucher term

A PHA determination not to approve a unit or lease

A PHA determination that an assisted unit is not in compliance with HQS (PHA must provide hearing for family breach of HQS because that is a family obligation determination)

A PHA determination that the unit is not in accordance with HQS because of the family size

A PHA determination to exercise or not exercise any right or remedy against the owner under a HAP contract

## **Notification of Hearing**

It is the PHA's objective to resolve disputes at the lowest level possible, and to make every effort to avoid the most severe remedies. However, if this is not possible, the PHA will ensure that applicants and participants will receive all of the protections and rights afforded by the law and the regulations.

When the PHA receives a request for an informal hearing, a hearing will be scheduled within **10 business days**. The notification of hearing will contain:

The date, time, and location of the hearing.

The family's right to bring evidence, witnesses, legal or other representation at the family's expense.

The right to view any documents or evidence in the possession of the PHA upon which the PHA based the proposed action and, at the family's expense, to obtain a copy of such documents prior to the hearing.

The right to have a copy of any criminal record used in the determination

## **The PHA's Hearing Procedures**

After a hearing date is scheduled, the family may request to reschedule only upon showing "good cause," which is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

If a family does not appear at a scheduled hearing and has not rescheduled the hearing in advance, the family will not be rescheduled unless the family can show "good cause."

Families have the right to:

Present written or oral objections to the PHA's determination;

Examine the documents in the file which are the basis for the PHA's action, and all documents submitted to the Hearing Officer;

Request copies of any relevant documents at their expense;

Present any information or witnesses pertinent to the issue of the hearing;

Request that PHA staff be available or present at the hearing to answer questions pertinent to the case; and

Be represented by legal counsel, advocate, or other designated representative at their own expense.

If the family requests copies of documents relevant to the hearing, the PHA will make the copies for the family. The family has the right to have these documents prior to the informal hearing should they request such. The PHA has the right to assess the family a per copy charge. In no case will the family be allowed to remove the file from the PHA's office.

If family/landlord is more than 15 minutes late for the scheduled appointment, the hearing will be ruled in favor of the PHA. No further hearing will be granted.

In addition to other rights contained in this Chapter, the PHA has a right to:

- Present evidence and any information pertinent to the issue of the hearing;

- Be notified if the family intends to be represented by legal counsel, advocate, or another party;

- Examine and copy any documents to be used by the family prior to the hearing;

- Have its attorney present; and

- Have staff persons and other witnesses familiar with the case present.

The Informal Hearing will be conducted by the Hearing Officer appointed by the PHA who is neither the person who made nor approved the decision, nor a subordinate of that person. The PHA Executive Director appoints a LMHA employee from a department other than Section 8 as the hearing officer.

The hearing will concern only the issues for which the family has received the opportunity for hearing. Evidence presented at the hearing may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

No documents may be presented which have not been provided to the other party before the hearing, if requested by the other party. "Documents" includes records and regulations.

The hearing officer will tape the proceedings and swear in all persons testifying or submitting information at the hearing. The tape is used for assistance in preparing the final decision and would be used for further legal proceedings.

The Hearing Officer may ask the family for additional information and/or might adjourn the Hearing in order to reconvene at a later date, before reaching a decision.

If the family misses an appointment or deadline ordered by the Hearing Officer, the action of the PHA will take effect and another hearing will not be granted.

The Hearing Officer will determine whether the action, inaction or decision of the PHA is legal in accordance with HUD regulations and this Administrative Plan based upon the evidence and testimony provided at the hearing. Factual determinations relating to the individual circumstances of the family will be based on a preponderance of the evidence presented at the hearing.

A notice of the Hearing Findings will be provided in writing to the Section 8 Manager and the family within 15 – 20 **business** days and will include:

- A clear summary of the decision and reasons for the decision;

- If the decision involves money owed, the amount owed; and

The date the decision goes into effect.

The PHA is not bound by hearing decisions:

Which concern matters in which the PHA is not required to provide an opportunity for a hearing;

Which conflict with or contradict HUD regulations or requirements;

Which conflict with or contradict Federal, State or local laws; or

Which exceed the authority of the person conducting the hearing.

The PHA will send a letter to the participant if it determines the PHA is not bound by the Hearing Officer's determination within **ten business** days. The letter will include the PHA's reasons for the decision.

All requests for a hearing, supporting documentation, and a copy of the final decision will be retained in the family's file.

## **E. HEARING AND APPEAL PROVISIONS FOR "RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS"**

Assistance to the family may not be delayed, denied or terminated on the basis of immigration status at any time prior to the receipt of the decision on the INS appeal.

Assistance to a family may not be terminated or denied while the PHA hearing is pending, but assistance to an applicant may be delayed pending the PHA hearing.

### **INS Determination of Ineligibility**

If a family member claims to be an eligible immigrant and the INS SAVE system and manual search do not verify the claim, the PHA notifies the applicant or participant within ten days of their right to appeal to the INS within thirty days or to request an informal hearing with the PHA, either in lieu of or subsequent to the INS appeal.

If the family appeals to the INS, they must give the PHA a copy of the appeal and proof of mailing or the PHA may proceed to deny or terminate. The time period to request an appeal may be extended by the PHA for good cause.

The request for a PHA hearing must be made within fourteen days of receipt of the notice offering the hearing or, if an appeal was made to the INS, within fourteen days of receipt of that notice.

After receipt of a request for an informal hearing, the hearing is conducted as described in this chapter for both applicants and participants. If the hearing officer decides that the individual is not eligible, and there are no other eligible family members the PHA will:

Deny the applicant family,

Defer termination if the family is a participant and qualifies for deferral, or

Terminate the participant if the family does not qualify for deferral.

If there are eligible members in the family, the PHA will offer to prorate assistance or give the family the option to remove the ineligible members.

All other complaints related to eligible citizen/immigrant status:

If any family member fails to provide documentation or certification as required by the regulation, that member is treated as ineligible. If all family members fail to provide, the family will be denied or terminated for failure to provide.

Participants whose termination is carried out after temporary deferral may not request a hearing since they had an opportunity for a hearing prior to the termination.

Participants whose assistance is prorated (either based on their statement that some members are ineligible or due to failure to verify eligible immigration status for some members after exercising their appeal and hearing rights described above) are entitled to a hearing based on the right to a hearing regarding determinations of Tenant Rent and Total Tenant Payment.

Families denied or terminated for fraud in connection with the non-citizens rule are entitled to a review or hearing in the same way as terminations for any other type of fraud.

## **F. MITIGATING CIRCUMSTANCES FOR APPLICANTS/ PARTICIPANTS WITH DISABILITIES**

When applicants are denied placement on the waiting list, or the PHA is terminating assistance, the family will be informed that presence of a disability may be considered as a mitigating circumstance during the informal review process.

*Examples of mitigating circumstances are:*

- a) A person with a cognitive disorder may not have understood the requirement to report increases in income,*
- b) A person may not understand the need to make regular repayments on a promissory note,*
- c) Minor criminal records for public drunkenness may be due to medication,*
- d) Prior incarcerations for being disorderly may be emotional disorder.*

## Chapter 19

# SPECIAL HOUSING TYPES

## INTRODUCTION

The PHA permits the use of Manufactured Home Space in its program. Other special housing will only be permitted when requested and needed as a reasonable accommodation for persons with disabilities. The PHA will not set aside any program funding for special housing types.

The PHA has not found a demand for Single Room Occupancy, Congregate Housing, Group Home, Shared Housing or Cooperative Housing in the PHA jurisdiction.

## Verification of Need for Reasonable Accommodation

Acceptable documentation as verification of the need for reasonable accommodation would be a written letter to the PHA describing how the special housing type requested provides the accommodation of which the person is in need from one or more knowledgeable professionals who are familiar with the applicant/participant and/or the type of special housing requested. The request and documentation will be reviewed and a written response stating approval or disapproval will be sent to the applicant/participant within 10 days of receipt of the request.

A copy of the PHA's response with supporting documentation will be maintained in the applicant/participant's file. The requested housing type must be approvable by all other HUD standards and HQS requirements in accordance with 24 CFR 982 Section M - Special Housing Types.

## A. MANUFACTURED HOMES

The PHA will permit a family to lease a manufactured home and space with assistance under the program. The PHA will provide assistance for a family that owns the manufactured home and leases only the space if it meets the regulations.

The PHA may approve a live-in aide to reside with a family to care for a person with disabilities if needed as a reasonable accommodation so that the program is accessible to and usable by persons with disabilities. If the PHA approves a live-in aide, the live-in aide must be counted when determining the family unit size.

A manufactured home must meet all the HQS requirements outlined in the "Housing Quality Standards and Inspections" chapter and regulated by 24 CFR 982.401. In addition the manufactured home also must meet the following requirements:

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage.

A manufactured home must be securely anchored by a tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist wind overturning and sliding.

Rent to owner for a manufactured home space will include payment for maintenance services that the owner must provide to the tenant under the lease.

Rent to owner does not include the cost of utilities and trash collection for the manufactured home. However, the owner may charge the family a separate fee for the cost of utilities or trash collection provided by the owner.

During the assisted tenancy, the rent to owner for the manufactured home space may not exceed a reasonable rent as determined by the PHA. The PHA will not approve a lease until the PHA has determined that the initial rent to owner for the space is reasonable rent. The PHA will redetermine that the rent is reasonable annually.

The PHA will determine whether the rent to owner for a manufactured home space is a reasonable rent in comparison to rents for other comparable manufactured home spaces. The PHA will consider the size and location of the space and any services and maintenance provided by the owner in accordance with the lease.

By accepting each monthly housing assistance payment from the PHA, the owner of the manufactured home space certifies that the rent to owner for the space is not more than rent charged by the owner for unassisted rental of comparable spaces in the same manufactured home park or elsewhere. If requested by the PHA, the owner must provide the PHA information on rents for other manufactured home space.

The Payment Standard used for a manufactured home space is established by using the % of the 2 BR FMR published by HUD. (Currently 40%)

There is a separate FMR for a family renting a manufactured home space. The payment standard is used to calculate the monthly housing assistance payment for a family. The FMR for rental of a manufactured home space is 40 percent (effective 10/1/99) of the published FMR for a two-bedroom unit.

During the term of a Voucher tenancy, the amount of the monthly housing assistance payment for a family will equal the lesser of:

The payment standard minus the TTP, or the space rent paid minus the TTP.

The space rent is the sum of the following as determined by the PHA:

- Rent to owner for the manufactured home space
- Owner maintenance and management charges for the space
- The utility allowance for tenant paid utilities

The PHA uses its standard utility allowance schedule for manufactured home space rental. Allowances for hook-up charges do not apply to a family that leases a manufacture home.

## **B. SINGLE ROOM OCCUPANCY**

It has not been determined that there is a demand for SROs in the PHA's jurisdiction, therefore, a single person may not reside in an SRO housing unit.

A separate lease and HAP contract for each assisted person residing in a SRO is required. The SRO payment standard is 75 percent of the zero bedroom payment standard schedule. For a person residing in an exception area, the payment standard is 75 percent of the HUD approved zero bedroom exception payment standard amount. While an assisted person resides in SRO housing, the SRO payment standard must be used to calculate the housing assistance payment.

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero bedroom utility allowance.

The PHA must ensure that all SRO units approved for the program are in compliance with all of the Housing Quality Standards for SROs as regulated in 24 CFR.

## **C. CONGREGATE HOUSING**

A demand for Congregate Housing has not been proven in the PHA jurisdiction. An elderly person or a person with disabilities may reside in a congregate housing unit. The PHA may approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

For congregate housing there will be a separate lease and HAP contract for each assisted family. Unless there is a live-in aide, the payment standard for a family that resides in a congregate housing unit is the zero-bedroom payment standard on the PHA payment standard schedule. However, if there are two or more rooms in the unit (not including kitchen or sanitary facilities), the payment standard for a family that resides in a congregate housing unit is the one-bedroom payment standard amount.

A live-in aide will be counted in determining the family unit size.

The PHA will ensure that all congregate housing units approved for the program are in compliance with all of the HQS for congregate housing as regulated in 24 CFR.

#### **D. GROUP HOMES**

A group home must be licensed, certified, or otherwise approved in writing by the State or the State's licensing department. An elderly person or a person with disabilities may reside in a State-approved group home. A live-in aide may be approved to reside with a person with disabilities as a reasonable accommodation.

The PHA will not approve assistance for a person to live in a group home if file documentation indicates that the person is in need of continual medical or nursing care.

No more than twelve (12) persons may reside in a group home. This limit covers all persons who reside in the unit, including assisted and unassisted residents and any live-in aide. Except for a live-in aide, all residents of a group home must be elderly persons or persons with disabilities.

There will be a separate HAP Contract and lease for each assisted person living in a group home. For a group home, the term "pro-rata portion" means that which is derived by dividing the number of persons in the assisted household by the total number of residents (assisted and unassisted) residing in the group home. The number of persons in the assisted household equals one assisted person plus any PHA-approved live-in aide.

The rent to owner for an assisted person may not exceed the pro-rata portion of the reasonable rent for the group home. Reasonable rent is determined in accordance with 24 CFR. In determining reasonable rent, the PHA will consider whether sanitary facilities and facilities for food preparation and service are common facilities or private.

Unless there is a live-in aide, the family unit size is zero bedroom. If there is a live-in aide, s/he will be counted in determining the family unit size. The payment standard for a person who resides in a group home is the lower of the payment standard for the family unit size or the pro-rata portion of the payment standard amount on the PHA payment standard schedule for the group home size.

The utility allowance for each assisted person residing in a group home is the pro-rata portion of the utility allowance for the group home unit size.

The PHA will ensure compliance with HQS as regulated in 24 CFR.

## **E. SHARED HOUSING**

A demand for Shared Housing has not been proven in the PHA jurisdiction, therefore a family may not reside in shared housing.

An assisted family may reside in shared housing. In shared housing, an assisted family may share a unit with another resident or residents of a unit. The unit may be a house or an apartment. The PHA may approve a live-in aide to reside with a family in order to care for a person with a disability as a reasonable accommodation.

Other persons who are assisted or not assisted under the tenant-based program may reside in a shared housing unit. The owner of a shared housing unit may reside in the unit. A resident owner may enter into a HAP contract with the PHA. However, housing assistance may not be paid on behalf of the owner. The PHA will not approve assistance for a person or family that is related by blood or marriage to a resident owner.

There will be a separate housing assistance payment contract and lease for each assisted family residing in a shared housing unit.

For shared housing, the term “pro-rata portion” means the ratio derived by dividing the number of bedrooms in the private space available for occupancy by a family by the total number of bedrooms in the unit. For example, for a family entitled to occupy three bedrooms in a five-bedroom unit, the ratio would be  $\frac{3}{5}$ . The rent to the owner for the family may not exceed the pro rata portion of the reasonable rent for the shared housing dwelling. The reasonable rent must be in accordance with the guidelines set in the “Owner Rents, Rent Reasonableness, and Payment Standards” chapter.

For a family that resides in a shared housing unit, the payment standard is the lower of the payment standard amount on the PHA payment standard schedule for the family unit size or the pro-rata portion of the payment standard amount on the PHA payment standard for the shared housing unit size. If the PHA approves a live-in aide, the live-in aide will be counted in determining the family unit size.

The utility allowance for an assisted family living in shared housing is the pro-rata portion of the utility allowance for the shared housing unit.

The PHA will ensure that all shared housing units approved for the program are in compliance with all of the Housing Quality Standards for shared housing as regulated in 24 CFR.

## **F. COOPERATIVE HOUSING**

A demand for cooperative housing has not been proven in the PHA jurisdiction. The PHA will approve a family living in cooperative housing if it is determined that assistance under the program will help maintain affordability of the cooperative unit for low-income families. The PHA will not approve assistance for a family in cooperative housing until the PHA has also determined that the cooperative has adopted requirements to maintain continued affordability for low-income families after transfer of a cooperative member's interest in a cooperative unit (such as a sale of the resident's share in a cooperative corporation).

The reasonable rent in cooperative housing is determined in accordance with "Owner Rents, Rent Reasonableness and Payment Standards" chapter. For cooperative housing, the rent to owner is the monthly carrying charge under the occupancy agreement/lease between the member and the cooperative.

The carrying charge consists of the amount assessed to the member by the cooperative for occupancy of the housing. It includes the member's share of the cooperative's debt service, operating expenses, and necessary payments to cooperative reserve funds. However, the carrying charge does not include down-payments or other payments to purchase the cooperative unit, or to amortize a loan to the family for this purpose. Gross rent is the carrying charge plus utilities.

For a cooperative, rent adjustments are applied to the carrying charge as determined in "Owner Rents, Rent Reasonableness, and Payment Standards" chapter.

The lease and other appropriate documents will stipulate that the monthly carrying charge is subject to Section 8 limitations on rent to owner. The housing assistance payment will be determined in accordance with the guidelines in "Owner Rents, Rent Reasonableness and Payment Standards" chapter. The PHA will ensure that all cooperative housing units are in compliance with HQS regulated by 24 CFR.

The PHA may approve a live-in aide to reside with the family to care for a person with disabilities. The PHA will approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by a person with disabilities. If the PHA approves a live-in aide, the live-in aide will be counted when determining the family unit size.

## **FRAUD/PROGRAM INTEGRITY ADDENDUM**

### **INTRODUCTION:**

The U.S. Department of HUD conservatively estimates that 200 million dollars is paid annually to program participants who falsify or omit material facts in order to gain more rental assistance than they are entitled to under the law. HUD further estimates that 12% of all HUD-assisted families are either totally ineligible, or are receiving benefits which exceed their legal entitlement.

### **Lorain Metropolitan Housing Authority Fraud Policy:**

**Lorain Metropolitan Housing Authority (LMHA) is committed to protecting the integrity of its housing and subsidy programs and ensuring that benefits are received only by eligible families and participating owners in accordance with all applicable state and federal laws. As such, LMHA is dedicated to the strict enforcement of program requirements, and will take appropriate action in response to fraudulent activity and/or abuse of LMHA programs by participants, tenants, and/or owners.**

**Fraud and/or abuse refers to false statements, omissions, concealments of substantive fact, or other actions made with the intent to deceive, which results in the conferment of a benefit for which the perpetrator, absent the fraud or abuse, would not otherwise be eligible. Examples of fraud include but are not limited to the following: intentional misrepresentation of income, assets, or family composition by a tenant or participant or the collection of housing assistance payments by an owner for units not occupied by program participants.**

**Upon LMHA learning of an alleged fraud and/or abuse by a participant, tenant, and/or owner, the Executive Director or his designee will investigate and take appropriate action depending upon the particular circumstances involved and the nature and extent of the fraud or abuse. Such action includes, without limitation, terminating program assistance or subsidy, instituting eviction proceedings, informing the appropriate authorities of the fraud and/or program abuse and pursuing criminal charges related thereto, and/or instituting civil litigation for an award of damages suffered by LMHA as a result of the fraud or abuse. The advice of legal counsel may be sought in investigating and/or responding to an allegation of fraud or abuse.**

***(Adopted by LMHA Board of Commissioners, 12/13/06, Resolution #9572)***

## **A. CRITERIA FOR INVESTIGATION OF SUSPECTED ABUSE AND FRAUD**

Under no circumstances will the PHA undertake an inquiry or an audit of a participating family arbitrarily. The PHA's expectation is that participating families will comply with HUD requirements, provisions of the voucher, and other program rules. The PHA staff will make every effort (formally and informally) to orient and educate all families in order to avoid unintentional violations. However, the PHA has a responsibility to HUD, to the Community, and to eligible families in need of housing assistance to monitor participants and owners for compliance and, when indicators of possible abuse come to the PHA's attention, to investigate such claims.

The PHA will initiate an investigation of a participating family only in the event of one or more of the following circumstances:

### **Referrals, Complaints, or Tips:**

The PHA will follow up on referrals received by mail, by telephone, or in person from other agencies, companies, or persons alleging that a family is in noncompliance with or otherwise violating the family obligations or any other program rules. Such follow-up will be made providing that the referral contains at least one item of information that is independently verifiable. A copy of the allegation will be retained in the family's file.

### **Internal File Review:**

A follow-up will be made if the PHA staff discovers (as a function of a certification or recertification, an interim determination, or a quality control review) information or facts that conflict with previous file data, the PHA's knowledge of the family, or statements made by the family.

### **Verification of Documentation:**

A follow-up will be made if the PHA receives independent verification or documentation that conflicts with representations in the family's file (such as public record information or reports from credit bureaus or other agencies).

## **B. STEPS THE PHA WILL TAKE TO PREVENT PROGRAM ABUSE AND FRAUD**

The PHA management and staff will utilize various methods and practices (listed below) to prevent program abuse, non-compliance, and willful violations of program rules by applicants and participating families. This policy objective is to establish confidence and trust in the management by emphasizing education as the primary means to obtain compliance by families.

*Things You Should Know.* This program integrity bulletin (created by HUD's Inspector General) **will be furnished and explained to all applicants** to promote an understanding of program rules, and to clarify the PHA's expectations for cooperation and compliance.

Program Orientation Session. **Mandatory orientation sessions will be conducted by the PHA staff for all prospective program participants, either prior to or upon issuance of a voucher. At the end of the briefing session, each family is interviewed by LMHA staff to personalize the questions and needs of that family.**

Resident Counseling. **The PHA will routinely provide participant counseling as a part of every recertification interview in order to clarify any confusion pertaining to program rules and requirements.**

Review and Explanation of Forms. **Staff will explain all required forms and review the contents of all certification and recertification documents prior to signature.**

Use of Instructive Signs and Warnings. **Instructive signs will be conspicuously posted in common areas and interview areas to reinforce compliance with program rules and to warn about penalties for fraud and abuse.**

Participant Certification. **All adult family members will be required to sign the appropriate forms at each decertification, along with one that reads: "I must report in writing within 7 days any changes in my household income or family composition."**

## **C. STEPS THE PHAS WILL TAKE TO DETECT PROGRAM ABUSE AND FRAUD**

The PHA Staff will maintain a high level of awareness to indicators of possible abuse and fraud by assisted families.

Quality Control File Reviews. Prior to initial certification, and at the completion of all subsequent recertifications, at least 3% of the participants' files will be reviewed. Such reviews shall include, but are not limited to:

**Assurance that verification of all income and deductions is present**

**Changes in reported Social Security Numbers or dates of birth**

**Authenticity of file documents**

**Ratio between reported income and expenditures**

**Review of signatures for consistency with previously signed file documents**

**All forms are correctly dated and signed**

Observation. The PHA Management and Occupancy Staff (to include inspection personnel) will maintain high awareness of circumstances which may indicate program abuse or fraud, such as unauthorized persons residing in the household and unreported income.

**Observations will be documented in the family's file and a meeting scheduled to discuss the possible abuse or fraud.**

Public Record Bulletins may be reviewed by Management and Staff.

State Wage Data Record Keepers. Inquiries to State Wage and Employment record keeping agencies as authorized under Public Law 100-628, the Stewart B. McKinley Homeless Assistance Amendments Act of 1988, may be made in order to detect unreported wages or unemployment compensation benefits.

Credit Bureau Inquiries. Credit Bureau inquiries may be made (with proper authorization by the participant) in the following circumstances:

**When an allegation is received by the PHA wherein unreported income sources are disclosed;**

**When a participant's expenditures exceed his/her reported income, and no plausible explanation is given.**

## **D. THE PHA'S HANDLING OF ALLEGATIONS OF POSSIBLE ABUSE AND FRAUD**

The PHA Staff will encourage all participating families to report suspected abuse to the Section 8 office or any other LMHA employee. All such referrals, as well as referrals from community members and other agencies, will be thoroughly documented and placed in the participant's file. All allegations, complaints, and tips will be carefully evaluated in order to determine if they warrant follow-up. The PHA will not follow up on allegations which are vague or otherwise non-specific. They will only review allegations which contain one or more independently verifiable facts.

**File Review. An internal file review will be conducted to determine:**

**If the subject of the allegation is a client of the PHA and, if so, to determine whether or not the information reported has been previously disclosed by the family.**

**It will then be determined if the PHA is the most appropriate authority to do a follow-up (more so than police or social services). Any file documentation of past behavior as well as corroborating complaints will be evaluated.**

**Conclusion of Preliminary Review. If at the conclusion of the preliminary file review there is/are fact(s) contained in the allegation which conflict with the file data, and the fact(s) are independently verifiable, the PHA will initiate an investigation to determine if the allegation is true or false.**

## **E. OVERPAYMENT TO OWNERS**

**If the landlord has been overpaid as a result of fraud, misrepresentation or violation of the Contract, the PHA may terminate the Contract and arrange for restitution to the PHA and/or family as appropriate.**

**The PHA will make every effort to recover any overpayment made as a result of landlord fraud or abuse. Payment otherwise due to the owner may be debited in order to repay the PHA or the tenant, as applicable.**

## **F. HOW THE PHA WILL INVESTIGATE ALLEGATIONS OF ABUSE AND FRAUD**

If the PHA determines that an allegation or referral warrants follow-up, the PHA designated person(s) to monitor the program compliance will conduct the investigation. The steps taken will depend upon the nature of the allegation and may include, but are not limited to, the items listed below. The PHA will use signed authorizations by the program participant for the release of information.

**Credit Bureau Inquiries.** In cases involving previously unreported income sources, a CBI inquiry may be made to determine if there is financial activity that conflicts with the unreported income of the family.

**Verification of Credit.** In cases where the financial activity conflicts with file data, a *Verification of Credit* form may be mailed to the creditor in order to determine the unreported income source.

**Employers and Ex-Employers.** Employers or ex-employers may be contacted to verify wages which may have been previously undisclosed or misreported.

**Neighbors/Witnesses.** Neighbors and/or other witnesses may be interviewed who are believed to have direct or indirect knowledge of facts pertaining to the PHA's review.

**Other Agencies.** Investigators, case workers or representatives of other benefit agencies may be contacted.

**Public Records.** If relevant, the PHA will review public records kept in any jurisdictional courthouse. Examples of public records which may be checked are: real estate, marriage, divorce, uniform commercial code financing statements, voter registration, judgments, court or police records, state wage records, utility records, and postal records.

**Interviews with Head of Household or Family Members.** The PHA will discuss the allegation (or details thereof) with the Head of Household or family member by scheduling an appointment at the PHA office. A high standard of courtesy and professionalism will be maintained by the PHA staff person who conducts such interviews. Under no circumstances will inflammatory language, accusation, or any unprofessional conduct or language be tolerated by the management. If possible, an additional staff person will attend such interviews.

## **G. PLACEMENT OF DOCUMENTS, EVIDENCE AND STATEMENTS OBTAINED BY THE PHA**

Documents and other evidence obtained by the PHA during the course of an investigation will be considered "work product" and will be kept in the participant's file. Such cases under review will not be discussed among PHA staff unless they are involved in the process, or have information which may assist in the investigation.

## **H. CONCLUSION OF THE PHA'S INVESTIGATIVE REVIEW**

At the conclusion of the investigative review, it will then be determined whether a violation has occurred, a violation has not occurred, or if the facts are inconclusive.

## **I. EVALUATION OF THE FINDINGS**

If it is determined that a program violation has occurred, the PHA will review the facts to determine:

The type of violation (procedural, non-compliance, fraud)

Whether the violation was intentional or not

What amount of money, if any, is owed by the family

If the family is eligible for continued occupancy

## **J. ACTION PROCEDURES FOR VIOLATIONS WHICH HAVE BEEN DOCUMENTED**

Once a program violation has been documented, **the PHA will propose the most appropriate remedy based upon the type and severity of the violation.**

**1. Procedural Non-compliance.** This category applies when the family "fails to" observe a procedure or requirement of the PHA, but does not misrepresent a material fact, and there is no retroactive assistance payment owed by the family.

Examples of non-compliance violations are:

Failure to appear at a pre-scheduled appointment

Failure to return verification in time period specified

Warning Notice to the Family: **In such cases a notice will be sent to the family which contains the following:**

**A description of the non-compliance and the procedure, policy or obligation which was violated.**

**The date by which the violation must be corrected, or the procedure complied with.**

**The action which will be taken by the PHA if the procedure or obligation is not complied with by the date specified by the PHA.**

**The consequences of repeated (similar) violations.**

**2. Procedural Non-compliance - Overpaid Assistance.** When the family owes money to the PHA for failure to report changes in income or assets, the PHA will issue a Notification of Overpayment of Assistance. **This Notice will contain the following:**

**A description of the violation and the date(s)**

**Any amount owed to the PHA**

**A 10-day response period**

**The right to disagree and to request an informal hearing with instructions for the request of such hearing.**

(a) Participant Fails to Comply with PHA's Notice.

**If the Participant fails to comply with the PHA's notice, and a family obligation has been violated, the PHA will initiate termination of assistance.**

(b) Participant Complies with PHA's Notice.

When a family complies with the PHA's notice, the staff person responsible will meet with him/her to discuss and explain the Family Obligation or program rule which was violated. The staff person will note the discussion in the file.

**3. Intentional Misrepresentations.** When a participant falsifies, misstates, omits or otherwise misrepresents a material fact which results (or would have resulted) in an overpayment of housing assistance by the PHA, **the PHA will evaluate whether or not:**

**the participant had knowledge that his/her actions were wrong;**

**the participant willfully violated the family obligations or the law**

Knowledge that the action or inaction was wrong. This will be evaluated by determining if the participant was made aware of program requirements and prohibitions. The participant's signature on various certification and Personal Declaration are adequate to establish knowledge of wrong-doing.

The participant willfully violated the law. Any of the following circumstances will be considered adequate to demonstrate willful intent:

**An admission by the participant of the misrepresentation**

**The act was done repeatedly**

**A false name or Social Security Number was used**

**There were admissions to others of the illegal action or omission**

**The participant omitted material facts which were known to him/her (e.g., employment of self or other household member)**

**The participant falsified, forged or altered documents**

**The participant uttered and certified to statements an interim determination which were later independently verified to be false**

**4. Dispositions of Cases Involving Misrepresentations.** In all cases of misrepresentation involving efforts to recover monies owed, the PHA may pursue, depending upon its evaluation of the criteria stated above, one or more of the following actions:

(a) Criminal Prosecution: **If the PHA has established criminal intent, and the case meets the criteria for prosecution, the PHA may:**

**Refer the case to the PHA Legal Counsel, District Attorney, and/or HUD's RIGI, and terminate rental assistance**

(b) Administrative Remedies: **The PHA may:**

**Terminate assistance and demand payment of restitution in full;**

**Terminate assistance and execute an administrative repayment agreement in accordance with the PHA's Repayment Policy;**

**Terminate assistance and pursue restitution through civil litigation;**

**Permit continued assistance at the correct level and execute an administrative repayment agreement in accordance with the PHA's repayment policy**

**5. Determining Course of Action. Prior to the final determination of the proposed action, the PHA will consider:**

**The duration of the violation and number of false statements**

**The family's ability to understand the rules**

**The family's willingness to cooperate, and to accept responsibility for his/her actions**

**The amount of money involved**

**The family's past history**

**Whether or not criminal intent has been established**

**6. Notification to Participant of Proposed Action. The PHA will notify the family by mail of the final determination and offer an Informal Hearing opportunity.**

## Addendum I to Section 8 Administrative Plan

### Lorain Metropolitan Housing Authority Homeownership Assistance Program

The Lorain Metropolitan Housing Authority (LMHA) hereby establishes a Section 8 Tenant-based Homeownership Option in Lorain, Ohio, pursuant to the U.S. Department of Housing and Urban Development's (HUD) final rule dated October 12, 2000, revised November 18, 2002 and by Section 8 (y) Homeownership Option of the United States Housing Act of 1937, as amended by Section 555 of the Quality Housing and Work Responsibility Act of 1998. Section 8 (y) authorizes Section 8 tenant-based assistance for an eligible family that occupies a home purchased and owned by members of the family or to receive a single grant to be used towards the down-payment required in connection to the purchase of a home.

#### HOMEOWNERSHIP OPTION:

##### GENERAL [24 CFR 982.625]

(a) The homeownership option is used to assist a family residing in a home purchased and owned by one or more members of the family.

(b) A family assisted under the homeownership option may be a newly admitted or existing participant in the program.

#### (c) *Forms of homeownership assistance.*

1. A PHA may provide one of two forms of homeownership assistance for a family:
  - (i) Monthly homeownership assistance payments; or
  - (ii) **A single down payment assistance grant (this is not available yet pending notification from HUD regarding availability of funds).**
2. Prohibition against combining forms of homeownership assistance. A family may only receive one form of homeownership assistance. Accordingly, a family that includes a person who was an adult member of a family that previously received either of the two forms of homeownership assistance may not receive the other form of homeownership assistance from any PHA.

#### (d) *PHA choice to offer homeownership options.*

1. The PHA may choose to offer either or both forms of homeownership assistance under this subpart, or choose not to offer either form of assistance. However, the PHA must offer either form of homeownership assistance if necessary as a reasonable accommodation for a person with disabilities in accordance with '982.601(b) (3).
2. It is the sole responsibility of the PHA to determine whether it is reasonable to

implement a homeownership program as a reasonable accommodation. The PHA will determine what is reasonable based on the specific circumstances and individual needs of the person with a disability. The PHA may determine that it is not reasonable to offer homeownership assistance as a reasonable accommodation in cases where the PHA has otherwise opted not to implement a homeownership program.

(e) *Family choice.*

1. The family chooses whether to participate in the homeownership option if offered by the PHA.
2. If the PHA offers both forms of homeownership assistance, the family chooses which form of homeownership assistance to receive.

(f) The PHA must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and useable by persons with disabilities in accordance with part 8 of this title. (See § 982.316 concerning occupancy by a live-in aide.)

**It is the policy of this PHA to be eligible to request a reasonable accommodation; the requester must first certify (if apparent) or verify (if not apparent) that they are a person with a disability under the following ADA definition:**

- o **A physical or mental impairment that substantially limits one or more of the major life activities of an individual;**
- o **A record of such impairment; or**
- o **Being regarded as having such an impairment**

(g) The PHA must have the capacity to operate a successful Section 8 homeownership program. The PHA has the required capacity if it satisfies paragraph (d) 1, (d) 2, or (d) 3 of this section.

1. The PHA establishes a minimum homeowner down payment requirement of at least 3 percent of the purchase price for participation in the Section 8 homeownership program, and requires that at least one percent of the purchase price comes from the family's personal resources;
2. The PHA requires that financing for purchase of a home under its Section 8 homeownership program:
  - (i) Be provided, insured, or guaranteed by the State or Federal government;
  - (ii) Comply with secondary mortgage market underwriting requirements; or
  - (iii) Comply with generally accepted private sector underwriting standards; or
3. The PHA otherwise demonstrates in its Annual Plan that it has the capacity, or will acquire the capacity, to successfully operate a Section 8 homeownership program.

(h) *Recapture of homeownership assistance.* A PHA shall not impose or enforce any requirement for the recapture of voucher homeownership assistance on the sale or refinancing of a home purchased with assistance under the homeownership option.

(i) *Applicable requirements.* The following specify what regulatory provisions (under the heading "homeownership option") are applicable to either or both forms of homeownership assistance (except as otherwise specifically provided):

1. *Common provisions.* The following provisions apply to both forms of homeownership assistance:

- (i) Section 982.625 (General);
  - (ii) Section 982.626 (Initial requirements);
  - (iii) Section 982.627 (Eligibility requirements for families);
  - (iv) Section 982.628 (Eligible units);
    - (v) Section 982.629 (Additional PHA requirements for family search and purchase);
    - (vi) Section 982.630 (Homeownership counseling);
    - (vi) Section 982.631 (Home inspections, contract of sale, and PHA disapproval of seller);
    - (viii) Section 982.632 (Financing purchase of home; affordability of purchase);
    - (ix) Section 982.636 (Portability);
    - (x) Section 982.638 (Denial or termination of assistance for family); and
    - (xi) Section 982.641 (Applicability of other requirements).
2. *Monthly homeownership assistance payments.* The following provisions only apply to homeownership assistance in the form of monthly homeownership assistance payments:
- (i) Section 982.633 (Continued assistance requirements; family obligations);
  - (ii) Section 982.634 (Maximum term of homeownership assistance);
  - (iii) Section 982.635 (Amount and distribution of monthly homeownership assistance payment);
  - (iv) Section 982.637 (Move with continued tenant-based assistance); and
  - (v) Section 982.639 (Administrative fees).
3. *Down payment assistance grant.* The following provision only applies to homeownership assistance in the form of a down payment assistance grant: (Down payment assistance grants).

### **INITIAL REQUIREMENTS** [24 CFR 982.626]

(a) *List of initial requirements.* Before commencing homeownership assistance for a family, the PHA must determine that all of the following initial requirements have been satisfied:

1. The family is qualified to receive homeownership assistance (see ' 982.627);
2. The unit is eligible (see ' 982.628); and
3. The family has satisfactorily completed the PHA program of required pre-assistance homeownership counseling (see ' 982.630).

(b) *Additional PHA requirements.* Unless otherwise provided in this part, the PHA may limit homeownership assistance to families or purposes defined by the PHA, and may prescribe additional requirements for commencement of homeownership assistance for a family. Any such limits or additional requirements must be described in the PHA administrative plan.

**It is the policy of this PHA to offer the homeownership assistance option on a first come first served basis. This HA reserves the option to limit the number of participants on the homeownership assistance option as it sees fit.**

**Applicants for the homeownership program are not required to participate in this PHA=s Family Self-Sufficiency Program (FSS). However, in the event the HA exercises the option to limit the number of participants for the homeownership assistance option, FSS participants and graduates who successfully complete the program and continue to be eligible for Section**

**8 will be given preference.**

**In order to be eligible for assistance under the homeownership option, the family must have personal resources totaling \$2,500.00 in a checking, saving, or other bank account. Section 8 FSS escrow funds or gifts are acceptable as personal resources.**

**The participant will also be advised to set up a maintenance/major repair and replacement account into which the participant will make a monthly deposit. A flat amount of at least \$25.00 for maintenance and \$25.00 for major repair and replacement will be included in all participants' homeownership expenses.**

**The participant must have been on Section 8 rental assistance for no less than one year and have completed an initial lease term (the Family termination of the lease must be in accordance with the terms of the lease).**

**The participant must agree to participate in the required Homeownership Counseling. Participants in the Section 8 Housing Choice Voucher Program shall be ineligible for participation in the Section 8 homeownership program in the event any debt or portion of a debt remains owed to Lorain Metropolitan Housing Authority or any other Housing Authority. Nothing in this provision will preclude Section 8 participants that have fully repaid such debt(s) from participating in the Section 8 homeownership program.**

*(c) Environmental requirements.* The PHA is responsible for complying with the authorities listed in ' 58.6 of this title requiring the purchaser to obtain and maintain flood insurance for units in special flood hazard areas, prohibiting assistance for acquiring units in the coastal barriers resource system, and requiring notification to the purchaser of units in airport runway clear zones and airfield clear zones. In the case of units not yet under construction at the time the family enters into the contract for sale, the additional environmental review requirements referenced in §982.628(e) of this part also apply, and the PHA shall submit all relevant environmental information to the responsible entity or to HUD to assist in completion of those requirements.

### **ELIGIBILITY REQUIREMENTS FOR FAMILIES** [24 CFR 982.627]

*(a) Determination whether family is qualified.* The PHA may not provide homeownership assistance for a family unless the PHA determines that the family satisfies all the following initial requirements at commencement of homeownership assistance for the family:

1. The family has been admitted to the Section 8 Housing Choice Voucher program in accordance with subpart E of this part.
2. The family satisfies any first-time homeowner requirements (described in paragraph (b) of this section).
3. The family satisfies the minimum income requirement (described in paragraph (c) of this section).
4. The family satisfies the employment requirements (described in paragraph (d) of this section).
5. The family has not defaulted on a mortgage securing debt to purchase a home under the homeownership option (see paragraph (e) of this section).
6. Except for cooperative members who have acquired cooperative membership shares prior to commencement of homeownership assistance, no family member has a present ownership interest in a residence at the commencement of homeownership assistance for the purchase of any home.

7. Except for cooperative members who have acquired cooperative membership shares prior to the commencement of homeownership assistance, the family has entered a contract of sale in accordance with ' 982.631(c).
8. The family also satisfies any other initial requirements established by the PHA (see ' 982.626(b)). Any such additional requirements must be described in the PHA administrative plan.

(b) *First-time homeowner requirements.* At commencement of homeownership assistance for the family, the family must be any of the following:

1. A first-time homeowner (defined at ' 982.4);
2. A cooperative member (defined at ' 982.4); or
3. A family of which a family member is a person with disabilities, and use of the homeownership option is needed as a reasonable accommodation so that the program is readily accessible to and usable by such person, in accordance with part 8 of this title.

(c) *Minimum income requirements.*

1. At commencement of monthly homeownership assistance payments for the family, or at the time of a down payment assistance grant for the family, the family must demonstrate that the annual income, as determined by the PHA in accordance with ' 5.609 of this title, of the adult family members who will own the home at commencement of homeownership assistance is not less than:
  - (i) In case of a disabled family (as defined in ' 5.403(b) of this title), the monthly Federal Supplemental Security Income (SSI) benefit for an individual living along (or paying his or her share of food and housing costs);
  - or
  - (ii) In the case of other families, the Federal minimum wage multiplied by 2,000 hours.
2. The PHA shall not count any welfare assistance received by the family in determining annual income under this section.

**H.U.D. 24 CFR 5.603 Definitions: *Welfare assistance.* Welfare or other payments to families or individuals, based on need, that are made under programs funded, separately or jointly, by Federal, State or local governments.**

**It is the understanding of this PHA that the above HUD definition describes assistance as cash assistance from sources such as Temporary Assistance for Needy Families (TANF) as defined in the regulations issued by the Department of Health and Human Services [45 CFR 260.31].**

- (i) Except in the case of an elderly family or a disabled family (see the definitions of these terms at ' 5.403(b) of this title).
- (ii) The disregard of welfare assistance income under paragraph (c)(2)(i) of this section only affects the determination of minimum annual income used to determine if a family initially qualifies for commencement of homeownership assistance in accordance with this section, but does not

affect:

- A. The determination of income-eligibility for admission to the voucher program;
- B. Calculation of the amount of the family=s total tenant payment (gross family contribution); or
- C. Calculation of the amount of homeownership assistance payments on behalf of the family.

(iii) In the case of an elderly or disabled family, the PHA shall include welfare assistance for the adult family members who will own the home in determining if the family meets the minimum income requirement.

3. A PHA may establish a minimum income standard that is higher than those described in paragraph (c) (1) of this section for either or both types of families. However, a family that meets the applicable HUD minimum income requirement described in paragraph (c)(1) of this section, but not the higher standard established by the PHA shall be considered to satisfy the minimum income requirement if:

(i) The family demonstrates that it has been pre-qualified or pre-approved for financing;

(ii) The pre-qualified or pre-approved financing meets any PHA established

requirements under ' 982.632 for financing the purchase of the home (including qualifications of lenders and terms of financing); and

(iii) The pre-qualified or pre-approved financing amount is sufficient to purchase housing that meets HQS in the PHA=s jurisdiction.

(d) *Employment requirements.*

1. Except as provided in paragraph (d) (2) of this section, the family must demonstrate that one or more adult members of the family who will own the home at commencement of home ownership assistance:

(i) Is currently employed on a full-time basis (the term "full-time employment"

means not less than an average of 30 hours per week); and

(ii) Has been continuously so employed during the year before commencement of home ownership assistance for the family.

2. The PHA shall have discretion to determine whether and to what extent interruption are considered to break continuity of employment during the year. The PHA may count successive employment during the year. The PHA may count self-employment in a business.

**It is the policy of this PHA in order to be eligible for assistance under the homeownership assistance option, the family must be employed on a full-time basis (not less than an average of 30 hours per week) earning no less than the Federal minimum hourly wage multiplied by 2,000 hours for 12 consecutive months prior to commencement of homeownership assistance for the family. The only exceptions are as follows:**

- o Interruption in employment as a result of a company lay-off from which the family member was or will be recalled to work; or
- o Employment terminated due to a work force reduction or company closing and the family member had to locate another job; or
- o Temporary medical leave for the head of household or employed family member

**for self or dependent child (not to exceed 12 weeks duration). Any exception to this must be approved prior to commencement of homeownership assistance.**

- o **Interruptions in employment for any other reason must not exceed 12 weeks UNLESS the participant is returning to school on a full-time basis working towards a college degree. This will be reviewed on a case by case basis.**

3. The employment requirement does not apply to an elderly family or a disabled family (see the definitions of these terms at ' 5.403(b) of this title). Furthermore, if a family, other than an elderly family or a disabled family, includes a person with disabilities, the PHA shall grant an exemption from the employment requirement if the PHA determines that an exemption is needed as a reasonable accommodation so that the program is readily accessible to and usable by the persons with disabilities in accordance with part 8 of this title.
4. A PHA may not establish an employment requirement in addition to the employment standard established by this paragraph.

(e) *Prohibition against assistance to family that has defaulted.* The PHA shall not commence homeownership assistance for a family that includes an individual who was an adult member of a family at the time when such family received homeownership assistance and defaulted on a mortgage securing debt incurred to purchase the home

**ELIGIBLE UNITS.** [24 CFR 982.628]

(a) *Initial requirements applicable to the unit.* The PHA must determine that the unit satisfies all of the following requirements:

1. The unit is eligible. (See ' 982.352. Paragraphs (a) (6), (a) (7) and (b) of ' 982.352 do not apply)
2. The unit is either a one-unit property (including a manufactured home) or a single dwelling unit in a cooperative or condominium.
3. The unit has been inspected by a PHA inspector and by an independent inspector designated by the family (see ' 982.631).
4. The unit satisfies the HQS (see ' 982.401 and ' 982.631).

(b) *Purchase of home where family will not own fee title to the real property.* Homeownership assistance may be provided for the purchase of a home where the family will not own fee title to the real property on which the home is located, but only if:

1. The home is located on a permanent foundation; and
2. The family has the right to occupy the home site for at least forty years.

(c) *PHA-owned units.*

Homeownership assistance may be provided for the purchase of a unit that is owned by the PHA that administers the assistance under the consolidated ACC (including a unit owned by an entity substantially controlled by the PHA), only if all of the following conditions are satisfied:

1. The PHA must inform the family, both orally and in writing that the family has the right to purchase any eligible unit and a PHA-owned unit is freely selected by the family without PHA pressure or steering.
2. The unit is not ineligible housing;
3. The PHA must obtain the services of an independent agency, in accordance with §982.352(b)(1)(iv)(B) and (C), to perform the following PHA

functions:

- (i) Inspection of the unit for compliance with the HQS, in accordance with §982.631(a);
  - (ii) Review of the independent inspection report, in accordance with §982.631(b)(4);
  - (iii) Review of the contract of sale, in accordance with §982.631(c);
- and
- (iv) Determination of the reasonableness of the sales price and any PHA provided financing, in accordance with §982.632 and other supplementary guidance established by HUD.

(d) *PHA disapproval of seller.* The PHA may not commence homeownership assistance for occupancy of a home if the PHA has been informed (by HUD or otherwise) that the seller of the home is debarred, suspended, or subject to a limited denial of participation under part 24 of this title.

(e) *Units not yet under construction.* Families may enter into contracts of sale for units not yet under construction at the time the family enters into the contract for sale. However, the PHA shall not commence homeownership assistance for the family for that unit unless and until:

- (1) Either:
  - (i) The responsible entity completed the environmental review procedures required by 24 CFR part 58 and HUD approved the environmental certification and request for release of funds prior to commencement of construction; or
  - (ii) HUD performed an environmental review under 24CFR part 50 and notified the PHA in writing of environmental approval of the site prior to commencement of construction;
- (2) Construction of the unit has been completed; and
- (3) The unit has passed the required Housing Quality Standards (HQS) inspection (see §982.631(a) and independent inspection (see §982.631(b))).

**ADDITIONAL PHA REQUIREMENTS FOR FAMILY SEARCH AND PURCHASE.** [24 CFR 982.629]

(a) The PHA may establish the maximum time for a family to locate a home, and to purchase the home.

**It is the policy of this PHA to give an initial 180 days for a family to locate a home. With documentation of their search, two additional extensions in 30 day increments can be granted totaling a maximum of 240 days on the homeownership voucher. Any additional extensions would be at the sole discretion of this PHA. After the family has submitted a purchase agreement, this PHA will allow 90 days for closing on a home mortgage. With documentation, an additional 30 day extension will be granted for extenuating circumstances totaling a maximum of 120 days to close on a home mortgage. During a Section 8 participant=s search for a home to purchase, their Section 8 rental assistance shall continue pursuant to this Administrative Plan. If a Section 8 participant family is unable to locate a home within the time approved by this PHA, their Section 8 rental assistance through the Section 8 Housing Choice Voucher Program shall continue.**

**^If a family is unable to locate a unit on the Homeownership Program their Voucher reverts back to the Section 8 Housing Choice Voucher Rental Assistance Program. They will be given a second and final opportunity to be a participant on the Homeownership Program, but they can not re-apply until after they have completed another initial lease term (12 months) on the rental assistance program. The Family termination of the lease must be in accordance with**

**the terms of the lease.**

(b) The PHA may require periodic family reports on the family=s progress in finding and purchasing a home.

**It is the policy of this PHA to require documentation of the family’s search for a home when the family is requesting an extension on their homeownership voucher after the initial 120 days have elapsed. Documentation will be required for each extension requested by the family.**

(c) If the family is unable to purchase a home within the maximum time established by the PHA, the PHA may issue the family a voucher to lease a unit or place the family=s name on the waiting list for a voucher.

**It is the policy of this PHA to continue the family’s Section 8 rental assistance during their search for a suitable unit to purchase. If the family is unable to find a suitable unit in the maximum time established by this PHA, this PHA will allow the family to continue to receive assistance at its current residence or this PHA will issue the family a Housing Choice Voucher to locate another unit.**

**The family may not re-apply for the Section 8 homeownership program until they have completed at least one (1) additional year (twelve (12) months) of participation in the Section 8 Housing Choice Voucher Program and have completed an initial lease term. Termination of the lease must be in accordance with the terms of the lease.**

**HOMEOWNERSHIP COUNSELING.** [24 CFR 982.630]

(a) Before commencement of homeownership assistance for a family, the family must attend and satisfactorily complete the pre-assistance homeownership and housing counseling program required by the PHA (pre-assistance counseling).

(b) Suggested topics for the PHA-required pre-assistance counseling program include:

1. Home maintenance (including care of the grounds);
2. Budgeting and money management;
3. Credit counseling;
4. How to negotiate the purchase price of a home;
5. How to obtain home ownership financing and loan pre-approvals, including a description of types of financing that may be available, and the pros and cons of different types of financing;
6. How to find a home, including information about home ownership opportunities, schools, and transportation in the PHA jurisdiction;
7. Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;
8. Information on fair housing, including fair housing lending and local fair housing enforcement agencies; and
9. Information about the Real Estate Settlement Procedures Act (12 U.S.C. 2601 *et seq.*) (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.

(c) The PHA may adapt the subjects covered in pre-assistance counseling (as listed in paragraph (b) of this section) to local circumstances and the needs of individual families.

It is the policy of this PHA in order to be eligible for assistance under the homeownership option, the family must enroll in and successfully complete the pre and post-purchase homeownership counseling program and be deemed to be mortgage ready before a homeownership voucher will be issued. At a minimum, the counseling will cover the following:

- o Home maintenance (including care of the grounds).
- o Budget and money management
- o Credit counseling
- o How to negotiate the purchase price of a home
- o Mortgage financing options and types
- o How to find a home
- o De-concentration issues
- o Information on fair housing issues
- o Information on Real Estate Settlement Procedures Act, truth-in-lending laws, and, how to identify and avoid loans with oppressive terms and conditions

(d) The PHA may also offer additional counseling after commencement of homeownership assistance (ongoing counseling). If the PHA offers a program of ongoing counseling for participants in the homeownership option, the PHA shall have discretion to determine whether the family is required to participate in the ongoing counseling.

**It is the policy of this PHA to, at the discretion of this PHA, requires the family to participate in ongoing home ownership counseling.**

(e) If the PHA is not using a HUD-approved housing counseling agency to provide the counseling for families participating in the homeownership option, the PHA should ensure that its counseling program is consistent with the homeownership counseling provided under HUD=s Housing Counseling program.

**HOMEOWNERSHIP OPTION: HOME INSPECTIONS, CONTRACT OF SALE AND PHA DISAPPROVAL OF SELLER.** [24 CFR 982.631]

(a) *HQS inspection by PHA.* The PHA may not commence monthly homeownership assistance payments or provide a down payment assistance grant for the family until the PHA has inspected the unit and has determined that the unit passed HQS.

(b) *Independent inspection.*

1. The unit must also be inspected by an independent professional inspector selected by and paid by the family.
2. The independent inspection must cover major building systems and components, including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components.
3. The PHA may not require the family to use an independent inspector selected by the PHA. The independent inspector may not be a PHA employee or contractor, or other person under control of the PHA. However, the PHA may establish standards for qualification of inspectors selected by families under the homeownership option.

**It is the policy of this PHA to require a copy of the independent inspector's license or**

**certification showing his/her qualifications. The LMHA reserves the right to deny the use of any independent inspector who is not licensed or certified or who refuses to provide documentation of such. Inspections are approved on a case by case basis.**

4. The independent inspector must provide a copy of the inspection report both to the family and to the PHA. The PHA may not commence monthly homeownership assistance payments, or provide a down payment assistance grant for the family, until the PHA has reviewed the inspection report of the independent inspector. Even if the unit otherwise complies with the HQS (and may qualify for assistance under the PHA's tenant-based rental voucher program), the PHA shall have discretion to disapprove the unit for assistance under the homeownership option because of information in the inspection report.

(c) *Contract of sale.*

1. Before commencement of monthly homeownership assistance payments or receipt of a down payment assistance grant, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give the PHA a copy of the contract of sale (see also '982.627 (a) (7)).
2. The Contract of sale must:
  - (i) Specify the price and other terms of sale by the seller to the purchaser.
  - (ii) Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser.
  - (iii) Provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser.
  - (iv) Provide that the purchaser is not obligated to pay for any necessary repairs.
  - (v) Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation under part 24 of this title.
3. In addition to the requirements contained in paragraph (c)(2) of this section, a contract for the sale of the units not yet under construction at the time the family is to enter into the contract for sale must also provide that:
  - (i) The purchaser is not obligated to purchase the unit unless an environmental review has been performed and the site has received environmental approval prior to commencement of construction in accordance with 24 CFR 982.628.
  - (ii) The construction will not commence until the environmental review has been completed and the seller has received written notice from the PHA that environmental approval has been obtained. Conduct of the environmental review may not necessarily result in environmental approval, and environmental approval may be conditioned on the contracting parties' agreement to modifications to the unit design or to mitigation actions.
  - (iii) Commencement of construction in violation of paragraph (c)(3)(ii) of this section voids the purchase contract and renders homeownership assistance under 24 CFR part 982 unavailable for purchase of the unit.

(d) *PHA disapproval of seller.* In its administrative discretion, the PHA may deny approval of a seller for any reason provided for disapproval of an owner in '982.306(c).

**FINANCING PURCHASE OF HOME: AFFORDABILITY OF PURCHASE.** [24 CFR 982.632]

(a) The PHA may establish requirements for financing the purchase of a home to be assisted under the homeownership option. Such PHA requirements may include requirements concerning qualification of lenders (for example, prohibition of seller financing or case-by-case approval of seller financing), or concerning terms of financing (for example, a prohibition of balloon payment mortgages, or establishment of a minimum homeowner equity requirement from personal resources).

**It is the policy of this PHA to:**

- o **approve balloon payment mortgages on a case by case basis;**
- o **review Seller financing on a case by case basis prior to approval;**
- o **require that the minimum down payment is three percent of the purchase price and that at least one percent of the purchase price come from the family's personal resources;**
- o **approve the proposed mortgage (which must comply with generally accepted mortgage underwriting requirements); and**
- o **require the family to enter into a written agreement with the Lorain MHA to comply with all of its obligations under the Section 8 program.**

**There is no prohibition against using local or State Community Development Block Grant (home ownership CDBG) or other subsidized financing in conjunction with the homeownership program.**

(b) If the purchase of the home is financed with FHA mortgage insurance, such financing is subject to FHA mortgage insurance requirements.

(c) The PHA may establish requirements or other restrictions concerning debt secured by the home.

**It is the policy of this HA that no other debt, secured by the home, is allowed without prior approval of Lorain MHA.**

(d) The PHA may review lender qualifications and the loan terms before authorizing homeownership assistance. The PHA may disapprove proposed financing, refinancing or other debt if the PHA determines that the debt is unaffordable, or if the PHA determines that the lender or the loan terms do not meet PHA qualifications. In making this determination, the PHA may take into account other family expenses, such as child care, un-reimbursed medical expenses, home ownership expenses, and other family expenses as determined by the PHA.

(e) All PHA financing or affordability requirements must be described in the PHA administrative plan.

**It is the policy of this HA to adopt the affordability criteria of approved mortgage lending institutions with respect to debt to income ratios allowing for any special programs that may be available through said lending institutions for which the participant might qualify.**

**Any participant that has excessive debt ratios or derogatory credit will be provided an opportunity to correct those deficiencies. Once the deficiencies have been corrected, they will become eligible to participate in the homeownership program subject to all initial requirements set forth herein.**

**CONTINUED ASSISTANCE REQUIREMENTS: FAMILY OBLIGATIONS.** [24 CFR 982.633]

(a) *Occupancy of home.* Homeownership assistance may only be paid while the family is residing in the home. If the family moves out of the home, the PHA may not continue homeownership assistance after the month when the family moves out. The family or lender is not required to refund to the PHA the homeownership assistance for the month when the family moves out.

(b) *Family obligations.* The family must comply with the following obligations.

1. *Ongoing counseling.* To the extent required by the PHA, the family must attend and complete ongoing home ownership and housing counseling.

**It is the policy of this PHA to, at the discretion of this PHA, require the family to participate in ongoing counseling.**

2. *Compliance with mortgage.* The family must comply with the terms of any mortgage securing debt incurred to purchase the home (or any refinancing of such debt).
3. *Prohibition against conveyance or transfer of home.*
  - (i) So long as the family is receiving homeownership assistance, use and occupancy of the home is subject to '982.551(h) and (i).
  - (ii) The family may grant a mortgage on the home for debt incurred to finance purchase of the home or any refinancing of such debt.
  - (iii) Upon death of a family member who holds, in whole or in part, title to the home or ownership of cooperative membership shares for the home, homeownership assistance may continue pending settlement of the decedent's estate, notwithstanding transfer of title by operation of law to the decedent's executor or legal representative, so long as the home is solely occupied by remaining family members in accordance with '982.551(h).
4. *Supplying required information.*
  - (i) The family must supply required information to the PHA in accordance with '982.551(b).

**It is the policy of this HA that families will be required to report all increases in income/asset of all household members to the HA in writing within 7 business days.**

**The HA will review and certify the reported information. The interim review criteria required for the HCVHO Program is the same as the HCV Rental Program. An interim will be done if all criteria are met.**

**It is the policy of this HA to include the following regulations on repayment of any monies owed due to failure of family obligations in reporting changes in income resulting in an overpayment of Homeownership Program assistance:**

**Federal Regulations '982.552; '982.552(b)(6-8); '982.163; and corresponding LMHA Administrative Policy (Chapter 18 A, C, D, E).**

- (ii) In addition to other required information, the family must supply any

information as required by the PHA or HUD concerning:

Any mortgage or other debt incurred to purchase the home, and any refinancing of such debt (including information needed to determine whether the family has defaulted on the debt, and the nature of any such default), and information on any satisfaction or payment of the mortgage debt:

Any sale or other transfer of any interest in the home; or

The family=s home ownership expenses.

5. *Notice of move-out.* The family must notify the PHA before the family moves out of the home.
6. *Notice of mortgage default.* The family must notify the PHA if the family defaults on a mortgage securing any debt incurred to purchase the home.
7. *Prohibition on ownership interest on second residence.* During the time the family receives homeownership assistance under this subpart, no family member may have any ownership interest in any other residential property.
8. *Additional PHA requirements.* The PHA may establish additional requirements for continuation of homeownership assistance for the family (for example, a requirement for post-purchase home ownership counseling or for periodic unit inspections while the family is receiving homeownership assistance). The family must comply with any such requirements.

**It is the policy of this PHA to require Homeownership Option Participants to establish a home maintenance bank account into which a set amount (amount to be determined for each participant not to exceed 10% of monthly net income) must be deposited on a monthly basis.**

**At annual recertification, the participant is required to provide documentation of such account and the balance in said account.**

**LMHA will also conduct annual walk thru inspections on the unit. These inspections will coincide with the required annual recertification process.**

**LMHA also reserves the right to do drive by inspections. These inspections will not interrupt the participant in any way. LMHA will simply drive by the unit on occasion and view the unit from the outside. LMHA will not attempt to enter the unit on these occasions. If LMHA sees a reason for further investigation of the premises, a notice of inspection will be sent directly to the participant with a specific appointment date and time.**

**If, at any of these inspections, the unit obviously requires repairs, the PHA can require the family to do such repairs in a timely manner and can exercise the PHA's discretion in requiring the family to attend and complete ongoing home ownership counseling.**

9. *Other family obligations.* The family must comply with the obligations of a participant family described in '982.511. However, the following provisions do not apply to assistance under the homeownership option: '982.551(c), (d), (e), (f), (g) and (j).

(c) *Statement of homeowner obligations.* Before commencement of homeownership assistance, the family must execute a statement of family obligations in the form prescribed by HUD. In the statement, the family agrees to comply with all family obligations under the homeownership option.

**MAXIMUM TERM OF HOMEOWNERSHIP ASSISTANCE.** [24 CFR 982.634]

(a) *Maximum term of assistance.* Except in the case of a family that qualifies as an elderly or disabled family (see paragraph (c) of this section), the family members described in paragraph (b) of this section shall not receive homeownership assistance for more than:

1. Fifteen years, if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or
2. Ten years, in all other cases.

(b) *Applicability of maximum term.* The maximum term described in paragraph (a) of this section applies to any member of the family who:

1. Has an ownership interest in the unit during the time that homeownership payments are made; or
2. Is the spouse of any member of the household who has an ownership interest in the unit during the time homeownership payments are made.

(c) *Exception for elderly and disabled families.*

1. As noted in paragraph (a) of this section, the maximum term of assistance does not apply to elderly and disabled families.
2. In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family.
3. If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance in accordance with this part).

(d) *Assistance for different homes or PHAs.* If the family has received such assistance for different homes, or from different PHAs, the total of such assistance terms is subject to the maximum term described in paragraph (a) of this section.

**AMOUNT AND DISTRIBUTION OF MONTHLY HOMEOWNERSHIP ASSISTANCE PAYMENT.** [24 CFR 982.635]

(a) *Amount of monthly homeownership assistance payment.* While the family is residing in the home, the PHA shall pay a monthly homeownership assistance payment on behalf of the family that is equal to the *lower of*:

1. The payment standard minus the total tenant payment; or
2. The family's monthly home ownership expenses minus the total tenant payment.

(b) *Payment standard for family.*

1. The payment standard for a family is the lower of:
  - (i) The payment standard for the family unit size; or
  - (ii) The payment standard for the size of the home.
2. If the home is located in an exception payment standard area, the PHA must use

the appropriate payment standard for the exception payment standard area.

3. The payment standard for a family is the greater of:
  - (i) The payment standard (as determined in accordance with paragraphs (b)(1) and (b)(2) of this section) at the commencement of homeownership assistance for occupancy of the home; or
  - (ii) The payment standard (as determined in accordance with paragraphs (b)(1) and (b)(2) of this section) at the most recent regular reexamination of family income and composition since the commencement of homeownership assistance for occupancy of the home.
4. The PHA must use the same payment standard schedule, payment standard amounts, and subsidy standards pursuant to '982.402 and '982.503 for the homeownership option as for the rental voucher program.

(c) *Determination of home ownership expenses.*

1. The PHA shall adopt policies for determining the amount of homeownership expenses to be allowed by the PHA in accordance with HUD requirements.

**It is the policy of this HA to adopt the affordability criteria of approved mortgage lending institutions with respect to debt to income ratios allowing for any special programs that may be available through said lending institutions for which the participant might qualify.**

**Any participant that has excessive debt ratios or derogatory credit will be provided an opportunity to correct those deficiencies. They will then become eligible to participate in the homeownership program subject to all initial requirements set forth herein.**

2. Home ownership expenses for a homeowner (other than a cooperative member) may only include amounts allowed by the PHA to cover:
  - (i) Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
  - (ii) Real estate taxes and public assessments on the home;
  - (iii) Home insurance;
  - (iv) The PHA allowance for maintenance expenses;
  - (v) The PHA allowance for costs of major repairs and replacements;
  - (vi) The PHA utility allowance for the home;
  - (vii) Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the PHA determines that allowance of such costs as home ownership expenses is needed as a reasonable accommodation so that the home ownership option is readily accessible to and usable by such person, in accordance with part 8 of this title; and; (viii) Land lease payments (where a family does not own fee title to the real property on which the home is located; see '982.628(b)).
3. Home ownership expenses for a cooperative member may only include amounts

allowed by the PHA to cover:

- (i) The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;
- (ii) Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;
- (iii) Home insurance;
- (iv) The PHA allowance for maintenance expenses;
- (v) The PHA allowance for costs of major repairs and replacements;
- (vi) The PHA utility allowance for the home; and
- (vii) Principal and interest on debt incurred to finance major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the PHA determines that allowance of such costs as home ownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person, in accordance with part 8 of this title.

4. If the home is a cooperative or condominium unit, home ownership expenses may also include cooperative or condominium operating charges or maintenance fees assessed by the condominium or cooperative homeowner association.

(d) *Payment to lender or family.* The PHA must pay homeownership assistance payments either:

- 1. Directly to the family or;
- 2. At the discretion of the PHA, to a lender on behalf of the family. If the assistance payment exceeds the amount due to the lender, the PHA must pay the excess directly to the family.

**It is the policy of this HA to provide the lender with a notice of the amount of the housing assistance payment prior to the close of the loan. LMHA's contribution towards the family's homeowner expense will be paid directly to a debit account set up for the purpose of the payment of the mortgage. Other terms required by the lender will be considered.**

(e) *Automatic termination of home ownership assistance.* Homeownership assistance for a family terminates automatically 180 calendar days after the last homeownership assistance payment on behalf of the family. However, a PHA has the discretion to grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

#### **PORTABILITY.** [24 CFR 982.636]

(a) *General.* A family may qualify to move outside the initial PHA jurisdiction with continued homeownership assistance under the voucher program in accordance with this section.

(b) *Portability of homeownership assistance.* Subject to '982.353(b) and (c), '982.552 and '982.553, a family determined eligible for homeownership assistance by the initial PHA may purchase a unit outside of the initial PHA's jurisdiction, if the receiving PHA is administering a voucher homeownership program and is accepting new home ownership families.

(c) *Applicability of Housing Choice Voucher program portability procedures.* In general, the portability procedures described in '982.353 and procedures described in '982.355 apply to the homeownership option and the administrative responsibilities of the initial and receiving PHA are not altered except that some administrative functions (e.g. issuance of a voucher or execution of a tenancy addendum) do not apply to the homeownership option.

(d) *Family and PHA responsibilities.* The family must attend the briefing and counseling sessions required by the receiving PHA. The receiving PHA will determine whether the financing for, and the physical condition of the unit, are acceptable. The receiving PHA must promptly notify the initial PHA if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by the PHA.

(e) *Continued assistance under '982.637.* Such continued assistance under portability procedures is subject to '982.637.

**MOVE WITH CONTINUED TENANT-BASED ASSISTANCE.** [24 CFR 982.637]

(a) *Move to a new unit.*

1. A family receiving homeownership assistance may move to a new unit with continued tenant-based assistance in accordance with this section. The family may move either with voucher rental assistance (in accordance with rental assistance program requirements) or with voucher homeownership assistance (in accordance with homeownership option program requirements).
2. The PHA may not commence continued tenant-based assistance for occupancy of the new unit so long as any family member owns any title or other interest in the prior home.
3. The PHA may establish policies that prohibit more than one move by the family during any one year period.

**It is the policy of this PHA to prohibit the participant from moving within the first year (12 months) after closing on a mortgage.**

(b) *Requirements for continuation of homeownership assistance.* The PHA must determine that all initial requirements listed in '982.626 (including the environmental requirements with respect to a unit not yet under construction) have been satisfied if a family that has received homeownership assistance wants to move to such a unit with continued homeownership assistance. However, the following requirements do not apply:

1. The requirement for pre-assistance counseling ('982.630) is not applicable. However, the PHA may require that the family complete additional counseling (before or after moving to a new unit with continued assistance under the homeownership option).
2. The requirement that a family must be a first-time homeowner ('982.627) is not applicable.

(c) *When PHA may deny permission to move with continued assistance.* The PHA may deny permission to move to a new unit with continued voucher assistance as follows:

1. *Lack of funding to provide continued assistance.* The PHA may deny permission

to move with continued rental or home ownership assistance if the PHA determines that it does not have sufficient funding to provide continued assistance.

2. *Termination or denial of assistance under ' 982.638.* At any time, the PHA may deny permission to move with continued rental or homeownership assistance in accordance with ' 982.638.

**DENIAL OR TERMINATION OF ASSISTANCE FOR FAMILY.** [24 CFR 982.638]

(a) *General.* The PHA shall terminate homeownership assistance for the family, and shall deny voucher rental assistance for the family, in accordance with this section.

(b) *Denial or termination of assistance under basic voucher program.* At any time, the PHA may deny or terminate homeownership assistance in accordance with ' 982.552 (Grounds for denial or termination of assistance) or ' 982.553 (Crime by family members).

(c) *Failure to comply with family obligations.* The PHA may deny or terminate assistance for violation of participant obligations described in ' 982.551 or ' 982.633.

(d) *Mortgage default.* The PHA must terminate voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of foreclosure on any mortgage (whether FHA-insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt. The PHA, in its discretion, may permit the family to move to a new unit with continued voucher rental assistance. However, the PHA must deny such permission, if:

1. The family defaulted on an FHA-insured mortgage; and
2. The family fails to demonstrate that:
  - (i) The family has conveyed title to the home, as required by HUD, to HUD or HUD's designee; and
  - (ii) The family has moved from the home within the period established or approved by HUD.

**ADMINISTRATIVE FEES.** [24 CFR 982.639]

The ongoing administrative fee described in ' 982.152(b) is paid to the PHA for each month that homeownership assistance is paid by the PHA on behalf of the family.

**RECAPTURE OF HOMEOWNERSHIP ASSISTANCE.** [24 CFR 982.640][REMOVED]

**HOMEOWNERSHIP OPTION: PILOT PROGRAM FOR HOMEOWNERSHIP ASSISTANCE FOR DISABLED FAMILIES.** [24 CFR 982.642]

(a) *General.* This section implements the pilot program authorized by section 302 of the American Homeownership and Economic Opportunity Act of 2000. Under the pilot program, a PHA may provide homeownership assistance to a disabled family residing in a home purchased and owned by one or more members of the family. A PHA that administers tenant-based assistance has the choice whether to offer homeownership assistance under the pilot program (whether or not the PHA has also decided to offer the homeownership option).

(b) *Applicability of homeownership option requirements.* Except as provided in this section, all of the regulations applicable to the homeownership option (as described in ' 982.625 through 982.641) are also applicable to the pilot program.

(c) *Initial eligibility requirements.* Before commencing homeownership assistance under the pilot program for a family, the PHA must determine that all of the following initial requirements have been satisfied:

1. The family is a disabled family (as defined in ' 5.403 of this title);
2. The family annual income does not exceed 99 percent of the median income for the area;
3. The family is not a current homeowner;
4. The family must close on the purchase of the home during the period starting on July 23, 2001 and ending on July 28, 2004; and
5. The family meets the initial requirements described in ' 982.626; however, the following initial requirements do not apply to a family seeking to participate in the pilot program:
  - (i) The income eligibility requirements of ' 982.201(b)(1);
  - (ii) The first-time homeowner requirements of ' 982.627(b); and
  - (iii) The mortgage default requirements of ' 982.627(e), if the PHA determines that the default is due to catastrophic medical reasons or due to the impact of a federally declared major disaster or emergency.

(d) *Amount and distribution of homeownership assistance payments.*

1. While the family is residing in the home, the PHA shall calculate a monthly homeownership assistance payment on behalf of the family in accordance with ' 982.635 and this section.
2. A family that is a low income family (as defined at 24CFR5.603(b)) as determined

- by HUD shall receive the full amount of the monthly homeownership assistance payment calculated under ' 982.635.
3. A family whose annual income is greater than the low income family ceiling but does not exceed 89 percent of the median income for the area as determined by HUD shall receive a monthly homeownership assistance payment equal to 66 percent of the amount calculated under ' 982.635.
  4. A family whose annual income is greater than the 89 percent ceiling but does not exceed 99 percent of the median income for the area as determined by HUD shall receive a monthly homeownership assistance payment equal to 33 percent of the amount calculated under ' 982.635.
  5. A family whose annual income is greater than 99 percent of the median income for the area shall not receive homeownership assistance under the pilot program.

(e) *Assistance payments to lender.* The PHA must make homeownership assistance payments to a lender on behalf of the disabled family. If the assistance payment exceeds the amount due to the lender, the PHA must pay the excess directly to the family. The provisions of ' 982.635(d), which permit the PHA to make monthly homeownership assistance payments directly to the family, do not apply to the pilot program.

(f) *Mortgage defaults.* The requirements of ' 982.638(d) regarding mortgage defaults are applicable to the pilot program. However, notwithstanding ' 982.638(d), the PHA may, in its discretion, permit a family that has defaulted on its mortgage to move to a new unit with continued voucher homeownership assistance if the PHA determines that the default is due to catastrophic medical reasons or due to the impact of a federally declared major disaster or emergency. The requirements of ' ' 982.627(a)(5) and 982.627(e) do not apply to such a family.

**HOMEOWNERSHIP OPTION: DOWN PAYMENT ASSISTANCE GRANTS.** [24 CFR982.643]

(a) *General.*

1. A PHA may provide a single down payment assistance grant for a participant that has received tenant-based or project-based rental assistance in the Housing Choice Voucher Program.
2. The down payment assistance grant must be applied toward the down payment required in connection with the purchase of the home and/or reasonable and customary closing costs in connection with the purchase of the home.
3. If the PHA permits the down payment grant to be applied to closing costs, the PHA must define what fees and charges constitute reasonable and customary closing costs. However, if the purchase of a home is financed with FHA mortgage insurance, such financing is subject to FHA mortgage insurance requirements, including any requirements concerning closing costs (see ' 982.632(b) of this part regarding the applicability of FHA requirements to voucher homeownership assistance and ' 203.27 of this title regarding allowable fees, charges and discounts for FHA-insured mortgages).

(b) *Maximum down payment grant.* A down payment assistance grant may not exceed twelve times the difference between the payment standard and the total tenant payment.

(c) *Payment of down payment grant.* The down payment assistance grant shall be paid at the closing of the family=s purchase of the home.

(d) *Administrative fee.* For each down payment assistance grant made by the PHA, HUD will pay the PHA a one-time administrative fee in accordance with ' 982.152(a)(1)(iii).

(e) *Return to tenant-based assistance.* A family that has received a down payment assistance grant may apply for and receive tenant-based rental assistance, in accordance with program requirements and PHA policies. However, the PHA may not commence tenant-based rental assistance for occupancy of the new unit so long as any member of the family owns any title or other interest in the home purchased with homeownership assistance. Further, eighteen months must have passed since the family=s receipt of the down payment assistance grant.

(f) *Implementation of down payment assistance grants.* A PHA may not offer down payment assistance under this paragraph until HUD publishes a notice in the **Federal Register**.

Revision effective 10/22/2007

**Addendum II to**

**Lorain Metropolitan Housing Authority**  
**Housing Choice Voucher Administrative Plan**

**Steps for Affirmatively Furthering Fair Housing Practices in the**  
**Housing Choice Voucher Family Self Sufficiency Program**

The Lorain Metropolitan Housing Authority (LMHA) will affirmatively further Fair Housing practices in its Housing Choice Voucher Family Self Sufficiency (HCV FSS) program by taking the following steps:

1. Advertising widely in the community for the HCV FSS Coordinator position whenever it becomes vacant by utilizing local newspapers, the internet, local hiring agencies and other hiring resources.

Records of all advertising for hiring are maintained at the LMHA Main Office. All applications, test results, interviews and new hires are logged and maintained on a spreadsheet for EEO reporting.

2. LMHA markets the HCV FSS program to all eligible persons, including persons with disabilities and persons with limited English proficiency, via semi-annual mass mailings to all HCV program participants. Information regarding the FSS program is also presented in all HCV orientations.

The HCV FSS Coordinator maintains a spreadsheet to document dates of mass mailings. A copy of each different mailing is filed with the spreadsheet. The Coordinator can run reports from PIC to download information on all applicants, including, but not limited to, race, ethnicity, familial status, and disability status. The Coordinator maintains a spreadsheet of applicants by name and date of application. Reviewing the number of applications received after a mass mailing will enable LMHA to assess the impact of the mailings.

Since the FSS program is marketed in the HCV orientations for new applicants and for participants who are moving, a spreadsheet of the dates of these orientations is maintained to enable LMHA to assess the impact of the FSS information presented in those sessions.

3. The LMHA administrative office where applications are processed and where services are delivered is fully ADA accessible. When a person with a disability requests an accommodation to facilitate communication about the program, LMHA utilizes the appropriate auxiliary aids based upon the person's request. These aids may include, but are not limited to, sign language translators, interpreters, readers, and a TTY/TTD system. On a case-by-case basis, LMHA makes communications and service delivery accessible to persons with disabilities in accordance with 24 CFR 8.6.

In accordance with LMHA's Reasonable Accommodation Policy, the Authority maintains a file of all requests for reasonable accommodations and LMHA's response to those requests.

4. LMHA refers applicants, participants and the general public to collaborating entities who provide fair housing assistance. An extensive list of the names and phone numbers (and for some agencies, the addresses and hours of service) of several social service agencies throughout Lorain County is maintained. This list is available at the LMHA front desk for applicants, participants and the general public. Authority personnel distribute several copies every week to those who express any need.
5. LMHA informs participants and applicants how to file a fair housing complaint by providing the toll-free number for the Midwest Fair Housing Office Enforcement Center (800-765-9372 & TTY 312-353-7143); the Ohio Civil Rights Commission (216-787-3150); and the Housing Discrimination Hotline (800-669-9777). All applicants and participants also receive the Fair Housing Booklet (HUD 1686 FHEO) along with the form HUD 903 Housing Discrimination Complaint. LMHA also gives direction to the Fair Housing website at [www.hud.gov/fairhousing](http://www.hud.gov/fairhousing). The general public is also provided this information upon request.

A file is maintained of all Fair Housing complaints that LMHA must address, including the Authority's response and the results of any investigations.

6. LMHA's HCV FSS program has the goals of homeownership and housing mobility. The Authority recruits landlords and service providers in areas that expand housing choice to program participants through the LMHA Landlord Outreach program described in the HCV Administrative Plan.

Records of landlords and their rental units are maintained on the LMHA computer system. An HCV Administrative Assistant, who is responsible for sending out landlord information packets to potential new landlords, tracks the packets being sent out or distributed to walk-ins, and tracks when new landlords are added to the system. Results of the Landlord Outreach are recorded to assess the effectiveness of the recruitment and the locations of any new units available for program participants.

LMHA encourages landlords to register their information and list their available rental properties on [www.goSection8.com](http://www.goSection8.com). This website is utilized by anyone seeking rental property, not just HCV participants. However, it is a progressive method for sharing landlord and rental property information for applicants and participants.

## APPENDIX I – SECTION 8 ADMINISTRATIVE PLAN

### **CONFLICT OF INTEREST PROVISIONS; CONDUCTING BUSINESS WITH ETHICAL STANDARDS**

#### **CONFLICT OF INTEREST:**

(A) Neither LMHA nor any of its contractors or subcontractors may enter into any contract or arrangement in connection with the tenant-based programs in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one (1) year thereafter:

1. Any present or former member or officer of the PHA (except a participant commissioner);
2. Any employee of the PHA, or any contractor, subcontractor or agent of the PHA who formulates policy or who influences decisions with respect to the programs;
3. Any public official, member of a governing body, or State or local legislator who exercises functions or responsibilities with respect to the programs; or
4. Any member of the Congress of the United States

(B) Any member of the classes described in paragraph (A) of this section must disclose their interest or prospective interest to LMHA and HUD.

(C) The conflict of interest prohibition under paragraph (A) of this section may be waived by the HUD field office for good cause.

#### **CONDUCTING BUSINESS WITH ETHICAL STANDARDS:**

The Lorain Metropolitan Housing Authority (LMHA) shall prohibit the solicitation or acceptance of gifts or gratuities, in excess of a nominal value, by any officer or employee of the PHA, or any contractor, subcontractor, or agent of the PHA.

Employees violating the LMHA “Ethical Standards Code” shall be subject to disciplinary action up to and including termination. The disciplinary action shall be commensurate with the violation.

## APPENDIX 2 - SECTION 8 ADMINISTRATIVE PLAN

### LORAIN METROPOLITAN HOUSING AUTHORITY UIV / EIV (income verification) POLICY

**LMHA will use** the Up-Front Income Verification (UIV) provided by HUD to determine if residents/participants are disclosing all household income. EIV = Enterprise Income Verification

**LMHA will advise** applicants, Section 8 participants, and Public Housing residents of the Housing Authority's ability to compare the income they are disclosing to the income reported through State Wage Income Collection Agencies, Social Security benefits and Unemployment benefits.

**LMHA will review** the UIV system 90 days after admission to determine if the applicant disclosed all income at the time of admission to subsidized housing.

**When the income information supplied** by UIV reveals an employer or other income source that the resident/participant did not disclose, LMHA will request the undisclosed employer or other income source to furnish any information necessary to establish the correct level of assistance in a covered program.

**Residents/participants who fail** to disclose all income will be required to repay the Housing Authority the overpayment amount resulting from the non-disclosure. In addition to the resident/participant being required to repay money owed from failure to disclose all income, it is also possible LMHA will initiate an eviction action for residents or terminate the Section 8 participant from the program.

**LMHA will not suspend** or terminate any resident/participant until the resident/participant has received a notice advising of the findings and informing the resident/participant they have 30 days to contest the findings.

**Factors used to determine** the appropriate action to be taken will be the length of time the income has been unreported, the amount of money the resident/participant must repay, the number of times the resident/participant completed the Personal Declaration form and failed to disclose the income, and the number of times the resident/participant met with an LMHA employee and failed to disclose the income.

If **LMHA determines** it is in the best interest to offer the resident/participant a repayment agreement and permit the resident/participant to remain in a subsidized housing program, the following time frames shall apply:

\$1.00	to	\$300.00	up to 4 months
\$301.00	to	\$500.00	up to 6 months
\$501.00	to	\$800.00	up to 9 months
\$801.00	to	\$1000.00	up to 12 months
\$1001.00	to	\$1500.00	up to 15 months
\$1501.00	to	\$2000.00	up to 18 months
\$2001.00	to	\$2500.00	up to 24 months

**Any deviation from the above** schedule must be approved by the Section 8 Manager or the Public Housing Manager, along with securing the approval of either the Director, Operations Manager, or Assistant Director. The above referenced payment schedule will be used for all overpayments resulting from non-disclosed income, whether it is disclosed to LMHA under the UIV system or LMHA is able to detect unreported income.

**For amounts in excess of \$2500.00** the Director and Operations Manager will review the circumstances surrounding the overpayment with the Section 8 Manager/Public Housing Manager to determine a course of action.

**In instances where the non-disclosure** of income results in overpayments that exceed \$5000.00, the resident/participant's case will be referred to LMHA Legal Counsel for appropriate action. Any amounts exceeding \$2500.00 will also be reported to the Credit Bureau.

**HUD defines a substantial difference** as one that is \$200.00 or more per month. LMHA's interim policy does not require an interim rent change be processed unless the gross monthly income increases by more than \$200.00 per month unless it is an additional source of income, i.e. a resident/participant reporting zero income begins to receive income. The \$200.00 threshold for interim rent changes is applicable to LMHA's Housing, Section 8 New Construction, and the Housing Choice Voucher Rental Assistance Program (Section 8).

**All LMHA Staff working with** the UIV will attend training to heighten their awareness of the safeguards which must be undertaken when using the UIV information. At least annually, employees will be reminded of the security and required safeguards required for UIV. LMHA employees will be advised of the penalties associated with the provisions of the Privacy Act of 1974.

**Employees will not** file a copy of the report in one person's file with another person's information. If more than one person's information is on a page, the employee shall either:

- a. Cut out the section applicable to the household
- b. Black out the other household's information OR
- c. Not file the report in a tenant file folder and document the tenant file that staff reviewed HUD UIV Wage Report and record what was reviewed.

**LMHA staff shall properly dispose** of the UIV data as soon as it has met the audit requirements of the Housing Authority and the U. S. Department of Housing and Urban Development. All information contained in a resident/participant's file will be in a secure area.

**The proper disposal of UIV originals and any documents created** is shredding. The LMHA employee shall maintain a register of any UIV documents shredded.

**Non-Denial of Assistance.** LMHA will not deny admission to public housing or to the Section 8 rental assistance program to any person because that person has been a victim of domestic violence, dating violence, or stalking provided that such person is otherwise qualified for such admission.

## VI. Termination of Tenancy or Assistance

A. **VAWA Protections.** Under VAWA, public housing residents and persons assisted under the Section 8 rental assistance program have the following specific protections, which will be observed by LMHA:

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be considered to be a “serious or repeated” violation of the lease by the victim or threatened victim of that violence and will not be good cause for terminating the tenancy or occupancy rights of assistance to the victim of that violence.

2. In addition to the foregoing, tenancy or assistance will not be terminated by LMHA as a result of criminal activity, if that criminal activity is directly related to domestic violence, dating violence or stalking engaged in by a member of the assisted household, a guest or another person under the tenant’s control, and the tenant or an immediate family member is the victim or threatened victim of this criminal activity. However, the protection against termination of tenancy or assistance described in this paragraph is subject to the following limitations:

(a) Nothing contained in this paragraph shall limit any otherwise available authority of LMHA or a Section 8 owner or manager to terminate tenancy, evict, or to terminate assistance, as the case may be, for any violation of a lease or program requirement not premised on the act of domestic violence, dating violence, or stalking in question or a member of the tenant’s household. However, in taking any such action, neither LMHA nor a Section 8 Manager or owner may apply a more demanding standard to the victim of domestic violence, dating violence, or stalking than applied to other tenants. acts of against the tenant

(b) Nothing contained in this paragraph shall be construed to limit the authority of LMHA or a Section 8 owner or manager to evict or terminate from assistance any tenant or lawful applicant in the owner, manager, or LMHA, as the case may be, can demonstrate an actual an imminent threat to other tenant or to those employed at or providing service to the property, if the tenant is not evicted or terminated from assistance.

B. **Removal of Perpetrator.** Further, notwithstanding anything in paragraph {VI.A.2} or Federal, State or local law to the contrary, LMHA or a Section 8 owner or manager, as the case may be, may bifurcate a lease, or remove a household member from a lease, without regard to whether a household member is a signatory to a lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in acts of physical violence against family members or others. Such action against the perpetrator of such physical violence may

be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is also the tenant or a lawful occupant. Such eviction removal, termination of occupancy rights or termination of assistance shall be effected in accordance with the procedures prescribed by law applicable to terminations of tenancy and evictions by LMHA. Leases used for all public housing operated by LMHA and, at the option of Section 8 owners or managers, leases for dwelling units occupied by families assisted with Section 8 rental assistance administered by LMHA, shall contain provisions setting forth the substance of this paragraph.

## VII. Verification of Domestic Violence, Dating Violence or Stalking

A. **Requirement for Verification.** The law allows LMHA or a Section 8 owner or manager to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. Subject only to a waiver as provided in paragraph VII.C., LMHA shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by LMHA. Section 8 owners or managers receiving rental assistance administered by LMHA may or may not elect to require verification as permitted under applicable law.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence, or stalking may be accomplished in one of the following ways:

1. **HUD-approved form** – by providing LMHA or the requesting Section 8 owner or manager HUD form #50066 which is available at LMHA, 1600 Kansas Ave., Lorain and all Development Offices of LMHA. The incident or incidents in question must be described in reasonable detail on the prescribed HUD 50066 and the certification must include the name of the perpetrator.
2. **Other documentation** – by providing LMHA or the requesting Section 8 owner or manager documentation signed by an employee, agent, or volunteer of a victim service provider an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident must also sign and attest to the documentation under penalty of perjury.
3. **Police or court record** – by providing to LMHA or to the requesting Section 8 owner or manager a Federal, State, tribal, territorial, or local police report describing the incident or incidents in question.

B. **Time allowed to provide verification/failure to provide.** An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence, or stalking and who is requested by LMHA, or a Section 8 owner or manager to provide verification, must provide such verification within 14 business days (excludes Saturdays, Sundays, and federal holidays) after receipt of the request for

verification. Failure to provide verification in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.

C. **Waiver of verification requirement.** The Executive Director of LMHA, or his designee, or a Section 8 owner or manager, may with respect to any specific case, waive the above stated requirements for verification and provide the benefits of this policy based on the victim's statement or other corroborating evidence. Such waive must be in writing. A waive in a particular instance or instances shall not operate as precedent for, or create any right to, waiver in any other case or cases, regardless of similarity in circumstances.

## VII. Confidentiality

A. **Right of confidentiality.** All information (including the fact that an individual is a victim of domestic violence, dating violence, or stalking) provided to LMHA or a Section 8 owner or manager in connection with a verification required under section VII of this policy shall be retained by the receiving party in confidence and shall neither be entered in any shared database nor provided to any related entity, except where disclosure is:

1. requested or consented to by the individual in writing, or
2. required for use in public housing eviction proceeding or in connection with termination of Section 8 assistance as permitted by VAWA, or
3. otherwise required by applicable law.

B. **Notification of rights.** All tenants of public housing and tenants participating in the Section 8 rental assistance program administered by LMHA shall be notified in writing concerning their right to confidentiality and the limits on such rights to confidentiality.

## IX. Transfer to New Residence

**Application for transfer.** In situations that involve significant risk of violent harm to an individual as a result of previous incidents or threats of domestic violence, dating violence, or stalking, LMHA may, if an approved unit size is available at a location that may reduce the risk of harm, approve a transfer by a public housing resident to a different unit in order to reduce the level of risk to the individual. The request to transfer must be accompanied by documentation of the incident as set forth in this policy.

A Section 8 assisted tenant will not be denied portability to a unit located in another jurisdiction (notwithstanding the term of the tenant's existing lease has not expired, or the family has not occupied the unit for 12 months) so long as the tenant has complied with all other requirements of the Section 8 program and has moved from the unit in order to protect the health and safety of an individual member of the household who is or has been the victim of domestic violence, dating violence, or stalking and who reasonably believes that the tenant or other household member will be imminently threatened or harmed if the individual remains in the present dwelling unit.

## X. Relationships with Service Providers

It is the policy of LMHA to cooperate with organizations and entities, both private and governmental that provide shelter and/or services to victims of domestic violence. At their discretions, if LMHA staff become aware that an individual assisted by LMHA is a victim of domestic violence, dating violence,

or stalking, LMHA may make the victim aware of such providers of shelter or services as appropriate. This policy does not create a legal obligation requiring LMHA either to maintain a relationship with any particular provider of shelter or services to victims of domestic violence or to make a referral in any particular case. LMHA's annual public housing agency plan shall describe providers of shelter or services to victims of domestic violence with which LMHA has referral or other cooperative relationships and/or agreements.

## **XI. Notification**

LMHA provides written notification to applicants, tenants, and Section 8 owners and managers concerning the rights and obligations created under VAWA relating to confidentiality, denial of assistance, and termination of tenancy or assistance.

## APPENDIX 5 – SECTION 8 ADMINISTRATIVE PLAN

### LMHA POLICY FOR USE, RETENTION AND DISPOSAL OF CRIMINAL HISTORY INFORMATION

Under 24 CFR Part 5.903, 960 and 982, PHAs are authorized to obtain and use the criminal records to screen applicants for admission to Public Housing and the Section 8 Housing Choice Voucher (HCV) Programs, and for lease enforcement or eviction of families residing in Public Housing or receiving HCV assistance. Under these rules for both the Public Housing and HCV Programs, there are certain policies that PHAs much adopt to screen out applicants that have been engaged in specific criminal conduct. PHAs are required to adopt the following admissions standards that prohibit admission to applicants or lease provision that authorize a PHA to propose to evict a household for the following offenses:

- \* Persons currently engaged in illegal drug activity;
- \* Fugitive felons, parole violators and persons fleeing to avoid prosecution, or custody or confinement after conviction, for a crime or attempt to commit a crime that is a felony under the laws of the place from which the individual flees;
- \* Persons convicted for producing Methamphetamine on federal assisted housing property;
- \* Sex offenders who are required by law to register with a law enforcement agency;
- \* Persons whom a PHA determines it has reasonable cause to believe the household member's illegal drug or alcohol abuse which would threaten the health, safety or interfere with the peaceful enjoyment of the premises by other residents; and
- \* Persons evicted from federally assisted housing for drug-related criminal activity less than 3 years ago, unless the tenant successfully completes a rehabilitation program approved by the PHA or the circumstances for the eviction no longer exist.

The PHA shall obtain written permission of the applicant to check for criminal history records through State or Local Law Enforcement Agencies.

**Opportunity to Dispute.** If the PHA obtains criminal record information from a State or Local Agency that shows that a household member has been convicted of a crime relevant to applicant screening, lease enforcement or eviction, the PHA must notify the household of the proposed action to be based on the information obtained and must provide the subject of the record and applicant or tenant a copy of such information and the opportunity to dispute the accuracy and relevance of the information. This opportunity must be provided before a final decision of denial of admission, eviction or lease enforcement action on the basis of such information.

**Records Management.** LMHA shall ensure that any criminal record received from a law enforcement agency is:

- \* Maintained confidentially;
- \* Not misused or improperly disseminated; and
- \* Destroyed, once the purpose (for which the record was requested) has been accomplished, including expiration of the period for filing a challenge to the LMHA action without institution of a challenge or the final disposition of any such challenge or legal litigation. Once LMHA has determined the records are of no further use, LMHA shall note on the "Criminal Record Disposition Form" the date of disposal (shredding), the LMHA employee disposing of the record and the name of the State or Local Agency from which the records were obtained.

Criminal records are to be managed in accordance with the requirements in 24 CFR 5.903 (g). Consent forms obtained from applicants expire automatically, immediately following the PHA's final decision to either approve or deny admission. If a person is denied admission, the record must be destroyed in a timely manner following the expiration period of the statute of limitations for civil action challenging a denial.

In addition, PHAs must handle any information obtained from other records in accordance with applicable State and Federal privacy laws and with the provision of the consent forms signed by the applicant/tenant. Any criminal history record information obtained through the submission of fingerprints to the FBI may be provided to the subject of the record upon his/her request. It is recommended that a receipt be signed by the subject upon issuance of the record for the protection of the PHA.
