(1) Eligibility

The Chillicothe Metropolitan Housing Authority verifies eligibility for admission to public housing when name is reached on waiting list.

- Local law enforcement agencies

(2) Selection and Assignment

Selection for admission to public housing shall be made from the PHA’s current waiting list in accordance with date and time of application and applicable preference(s) as follows.

6.0 903.7 (3) Rent Determination Policies

A. Public Housing

(1) Income Based Rent Policies

a. Use of discretionary policies

The PHA will employ discretionary rent-setting policies for income based rent in public housing.

b. Minimum Rent

The PHA's minimum rent is \$50.00.

The PHA has adopted the following discretionary minimum rent hardship exemption policies.

Excerpt from Admissions and Continued Occupancy Policy

1. The minimum rent requirement may be waived due to certain financial hardships. The request for minimum rent hardship must be made in writing to the PHA prior to the rent becoming delinquent. The PHA will verify whether the hardship claimed is temporary or long term. Payment of the minimum is suspended immediately for ninety days when a hardship is requested on one of the following conditions:

- a. The family has lost eligibility or is awaiting an eligibility determination to receive federal, state or local assistance, including a family having a non-citizen household member lawfully admitted for permanent residence and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996;
- b. The family income has decreased due to changed circumstances such as loss of employment, separation, divorce, and abandonment;
- c. The family would be evicted as a result of imposing the minimum rent requirement;
- d. There has been a death in the family; or
- e. There are other hardship situations determined by the PHA on a case-by-case basis, i.e. alimony, child support, etc.

Financial hardship exemption only applies to payment of minimum rent - not to rent based on the statutory formula for determining the Total Tenant Payment (TTP) or Flat Rent in the public housing program.

2. If tenant initiates a request for a hardship exemption that the PHA determines is temporary in nature:

- a. Rent may be suspended, during the ninety (90) day period

beginning on the day the request is made. At the end of the ninety (90) day period, the minimum rent is reinstated retroactively to the date of suspension.

- b. The PHA will allow the family a maximum of six (6) months to make payment of any delinquent minimum rent payments accrued during the suspension period. However, the family must execute a Repayment Agreement.
- c. The family may not be evicted for non-payment of rent during the ninety (90)-day suspension period.
- d. If the hardship is subsequently determined to be long-term, the PHA will retroactively exempt residents from the minimum rent requirement for the ninety (90)-day period.

3. If the circumstances supporting the request for a minimum rent hardship exemption are long term, tenant's rent will be based on the statutory income-based rent calculation formula during the minimum rent exemption period.

4. Hardship determinations are subject to the PHA's Informal Hearing Process and families are exempt from any escrow deposit that may be required under regulations governing the hearing process for other determinations.

- c. Rents set at less than 30% than adjusted income

The PHA does not plan to charge rents at a fixed amount or percentage less than 30% of adjusted income. (if yes, list the amounts or percentages charged and the circumstances)

- d. Discretionary deductions and/or exclusion policies

The PHA does not plan to employ any discretionary (optional) deductions and/or exclusions policies.

- e. Ceiling Rents

The PHA does not have ceiling rents.

- f. Rent Re-determinations

Between annual income reexaminations, the tenant is required to report changes in income or family composition to the PHA such that the changes result in an adjustment to rent as follows:

- Any time the family experiences an income increase

- g. Individual Savings accounts (ISAs)

The PHA does not plan to implement individual savings accounts for residents as an alternative to the required 12 month disallowance of earned income and phasing in of the rent increase in the next year.

(2) Flat Rents

The PHA used the following sources of information in setting the market-based flat rents to establish comparability.

- The section 8 rent reasonableness study of comparable housing
- Survey of rents listed in local newspaper
- Survey of similar unassisted units in the neighborhood
- Percentage of FMR

B. Section 8 Tenant-based Assistance(1) Payment Standards

The PHA's payment standard is:

- Above 100% but at or below 110% of FMR

The PHA chosen this level because the FMRs are not adequate to ensure success among assisted families in the PHA's segment of the FMR area.

The PHA reevaluates the payment standards for adequacy annually and considers the following factors in its assessment of the adequacy:

- Success rates of assisted families
- Rent burdens of assisted families

(2) Minimum Rent

The PHA's minimum rent is \$25.00.

The PHA has adopted discretionary minimum rent hardship exemption policies below.

Excerpt from Section 8 Administrative Plan.

1. The minimum rent requirement may be waived under certain circumstances. Financial hardship status is to be granted immediately for ninety (90) days in the event of the following:
 - a. The family has lost eligibility or is awaiting an eligibility determination to receive federal, state or local assistance, including a family having a non-citizen household member lawfully admitted for permanent residence and who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - b. The family income has decreased due to changed circumstances such as separation, divorce, and abandonment;
 - c. One or more family members have lost employment;
 - d. The family would be evicted as a result of imposing the minimum rent requirement;
 - e. There has been a death in the family; or
 - f. There are other hardship situations determined by the CMHA on a case-by-case basis, i.e. alimony, child support, etc.

Financial hardship exemption only applies to payment of minimum rent -

6.0

not to rent based on the statutory formula for determining the Total Tenant Payment (TTP).

2. If tenant initiates a request for a hardship exemption that the CMHA determines is temporary in nature:
 - a. If the hardship is determined to be temporary, minimum rent may be suspended; during the ninety (90) day period beginning on the day the request is made. At the end of the ninety (90) day period, the minimum rent is reinstated retroactively to the date of suspension and the HAP is again adjusted.
 - b. In the case of a temporary hardship, the CMHA will allow the family a maximum of six (6) months to make payment of any delinquent minimum rent payments accrued during the suspension period. However, the family must execute a Repayment Agreement.
 - c. If the hardship is subsequently determined to be long-term, the CMHA will retroactively exempt residents from the minimum rent requirement for the ninety (90)-day period.
 - d. Note that the CMHA can only suspend the minimum rent contribution. If the family is residing in a unit whose Gross Rent exceeds the Payment Standard, the family will be responsible for the excess rent.
3. Hardship determinations are subject to the CMHA’s Informal Hearing Process and families are exempt from any escrow deposit that may be required under regulations governing the hearing process for other determinations.

Description of the Community Service Policy

The Chillicothe Metropolitan Housing Authority Community Service Policy is simple and definitive of Section 512 of the Quality and Work Responsibility Act of 1998. The Chillicothe Metropolitan Housing Authority believes that the community service requirement should not be received by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents and opportunity to contribute to the communities that support them while gaining work experience. The requirement is easy and rewarding and the Housing Authority provides the residents with the name of agencies, the agencies point of contact and all required paper work necessary to accomplish the monthly service.

The Community Service Policy allows the PHA to identify those residents required to participate in the community service requirement. Participants will be required to contribute 8 hours of community service each month or to participate in a self-sufficiency program for 8 hours each month. Identified residents are responsible to determine the appropriateness of the voluntary service within guidelines provide in the policy. Allowed activities that may be included are listed in the policy. Voluntary political activities are prohibited from being considered to meet the Community Service requirement. Participation in self-sufficiency activities that may be included are listed in the policy. A list of exemptions that may be claimed from the requirement is provided in the policy. Family obligations and PHA obligations are addressed in detail. Lease requirements and documentation and non-compliance are all clearly addressed.

CMHA will comply with requirements of community service by identifying the number of tenants required to perform community service, the number of tenants granted exemptions, the number of tenants in non-compliance, and the number of tenants terminated/evicted due to non-compliance.

Community Service Implementation Report:

- Number of tenants performing community service: 47

Strategies

Need: Shortage of affordable housing for all eligible populations

PHA shall maximize the number of affordable units available to the PHA within its current resources by:

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

PHA shall increase the number of affordable housing units by:

- Apply for additional section 8 units should they become available

Need: Specific Family Types: Families at or below 30% of median

PHA shall target available assistance to families at or below 30 % of AMI:

- Adopt rent policies to support and encourage work

Need: Specific Family Types: Families at or below 50% of median

PHA shall target available assistance to families at or below 50% of AMI:

PHA shall target available assistance to Families with Disabilities:

- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities

9.1

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

PHA shall increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs

PHA shall conduct activities to affirmatively further fair housing: ☒

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations

Reason for Selecting Strategies

- Funding constraints
- Staffing constraints
- Extent to which particular housing needs are met by other organizations in the community
- Influence of the housing market on PHA programs
- Community priorities regarding housing assistance

Agreement (MOA)
Part A**

Office of Public and Indian Housing

OMB Approval No. 2577-0237
Expires 2/28/2011

Public reporting burden for the collection of information required for Parts A and B of the Memorandum of Agreement is estimated to average 13.74 hours depending on size of Public Housing Agency (PHA). This includes the time for collecting, reviewing, and reporting the data. The information will be used for monitoring PHA progress in bringing performance up to standard levels. Response to this request for information is required in order to receive the benefits to be derived, including eligibility to apply for funding. This agency may not collect this information, and you are not required to complete this form unless it displays a currently valid OMB control number.

MEMORANDUM OF AGREEMENT

This Agreement is made this the 1st day of May 2010, by and between the Chillicothe Metropolitan Housing, State of Ohio (PHA), and the Secretary of the United States Department of Housing and Urban Development (HUD) acting by and through the Director of the Cleveland Field Office pursuant to the requirements of Section 6 (j)(2)(C) of the United States Housing Act of 1937, 42 U.S.C. 1437 ("the Act"), as implemented in the Public Housing Assessment System (PHAS), 24 CFR Part 902, et seq.).

The PHA entered into a Low Rent Public Housing Annual Contribution Contract ("ACC") Number C-524 pursuant to the authority of the Act on August 31, 1965, as subsequently amended, with HUD. As a result, HUD provides funding to the PHA to operate and maintain affordable and decent, safe, and sanitary public housing to its low-income residents.

Under the authority of 6(j) of the Act, the PHA was evaluated in accordance with the provisions of PHAS and was designated as "troubled" as defined at 24 CFR Section 902.67(c).

Under the requirements of the Act and 24 CFR Section 902.75, those housing authorities which are designated as troubled must enter into a binding contractual agreement designated as a Memorandum of Agreement (MOA) with HUD. The primary purpose of this MOA is to "substantially improve" the Authority's PHAS score as that term is defined at 24 CFR Section 902.75 (g)(2). However, this MOA is not intended to reflect every performance defect that the PHA may have.

Accordingly the parties agree to the following:

1. The parties agree that this MOA is a binding contractual agreement between the PHA and HUD.
2. This MOA shall consist of:
 - a. This Part A, Terms and Conditions;
 - b. Part B, Performance Targets and Strategies, which sets out the:
 - 1) Baseline Data
 - 2) Strategies to be used by the PHA in achieving the performance targets within the time period of the MOA;

RECEIVED JUN 10 2010

- 3) Target dates for completion of strategies; and,
- 4) Technical assistance to the PHA provided or facilitated by HUD; The description of the involvement of local public and private entities, including PHA resident leaders in carrying out the agreement and rectifying the PHA's problem in accordance with the requirements of 24 CFR Section 902.75(b)(8).

3. The PHA agrees that the performance targets, strategies, and time frames specified in this MOA are reasonable and that it will take all actions within its control to complete them as set out in this Agreement.

4. HUD agrees to provide technical assistance as stated in Part B to the Authority and, based upon the compliance with the MOA, give the PHA appropriate consideration for discretionary or competitive funding resources, as those resources are available to HUD.

5. The Executive Director of the PHA shall provide to the HUD staff (as designated in Part B), a written progress report based upon that reporting period's scheduled targets and strategies as set out in Part B. This report shall be furnished no later than the 15th of the succeeding month following the end of a scheduled reporting period and shall identify the accomplishment and/or failure of each task/goal to be completed that period. The Executive Director shall also complete quarterly and annual reports as required by Part B.

6. Subsequently, the designated HUD staff shall provide a response, no later than the 1st of the succeeding month after receipt of the written progress report provided, to the Executive Director of the PHA that identifies the current accomplishments/shortfalls for the period. The HUD response will be based upon that period's PHA progress report and supporting documents. The Executive Director shall include the report on the agenda for discussion or action for the immediately upcoming monthly PHA Board Meeting.

7. A substantial default of this agreement will occur if HUD determines that the PHA has failed to meet any of the terms of, or to make reasonable progress to meet any requirements included in this MOA. Such failure specifically includes but is not limited to, the failure to provide the written progress reports required under paragraph 5.

8. Failure by the PHA to achieve any of the performance targets or any of the terms of this MOA may result in HUD's imposition of sanctions, such as the imposition of management budget controls by HUD, declaration of substantial default, and subsequent actions, including but not limited to the appointment of a receiver, or other actions deemed appropriate by HUD.

9. This MOA does not supersede, modify or amend the ACC or in any way excuse the PHA from complying fully with its obligations under the ACC or the Act and its implementing regulations. HUD does not waive its rights under the ACC, the Act, or its implementing regulations. The PHA continues to be obligated to comply with all applicable requirements contained in the ACC, the Act, and its implementing regulations. The PHA's satisfaction of, or failure to meet, the goals set forth in this MOA does not limit, modify or preclude HUD's right to take any remedial action allowed by the ACC or any provision of the Act or its implementing regulations. If HUD determines that the PHA is in substantial default of the ACC, the Act, or its implementing regulations, this MOA shall terminate without further notice.

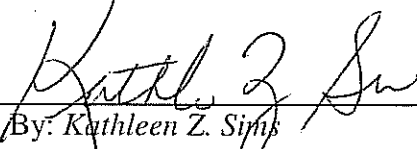

10. This MOA creates no third party benefits or right in any person or entity not a party to this Agreement.

11. The PHA affirmatively states that it has complied with all State and Local requirements precedent to entering into this MOA.

12. This agreement shall be in full force and effect, binding the parties from May 1, 2010 (*date of MOA*) to April 30, 2011 (*one year from date*). This document may be amended by a document signed by all parties to this original agreement.
