**Standard Plan**

### **Streamlined Plan:**

- High Performing PHA**  
 **Small Agency (<250 Public Housing Units)**  
 **Administering Section 8 Only**

**Troubled Agency Plan**

## **ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

### **EXECUTIVE SUMMARY**

The Housing Authority of Monroe County has prepared this Comprehensive Plan in accordance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

At the present time, the Authority administers 300 conventional public housing units and 330 certificates and vouchers.

Of the 300 conventional housing units under management, 139 (46%) are for elderly residents. In addition, 29 of the Section 8 tenants are elderly. None of our tenant families have incomes over 50% of median. Furthermore, relatively few report income from employment. The overwhelming majority of our tenants rely on a fixed source of income such as social security, welfare, pensions, etc. for subsistence. Therefore, we recognize that our tenant population consists of families that have significant needs and a review of our waiting lists indicates that this profile will likely remain the same in the immediate future.

With this constituency in mind, the Housing Authority of Monroe County has developed this plan and set its goals accordingly. The Authority has convened a resident advisory board to review current programs and practices and to provide recommendations on the general administration of the Authority's programs. The Authority met with the advisory board to review the requirements of the QHWA of 1998 and the components of the Five Year Comprehensive Plan. A summary of the meeting with the advisory board and a listing of the board's recommendations are included herein.

The Housing Authority of Monroe County is committed to its mission of providing affordable housing to the County's very low income families and to insuring the proper maintenance of such housing. The

Authority will also work to improve the quality of life of its tenant population by maintaining a close relationship with community agencies that provide support to the low income community.

The Housing Authority of Monroe County has also established a goal to assist in expanding the supply of affordable housing both directly and indirectly through cooperation with other nonprofit and/or profit motivated low income housing providers.

Another goal of the Authority is to increase homeownership among its existing and potential clientele by exploring available incentives offered through HUD and by working closely with other County agencies in the establishment and implementation of homeownership programs.
