The Allegheny County Housing Authority may project-base up to 300 Section 8 Housing Choice Vouchers (less than 20% of its housing choice voucher inventory). The properties will be located somewhere within the jurisdiction of the Allegheny County Housing Authority. If any of the locations about to be selected by the Allegheny County Housing Authority are found to be in a census tract with poverty rates of more than 20 percent, the Housing Authority will seek an exception from HUD.

This action is consistent with the Agency Plan in the following ways:

- It is consistent with the Mission Statement of the Allegheny County Housing Authority.
- It expands the supply of assisted housing
- It increases assisted housing choices
- It conducts outreach efforts to potential voucher landlord participants
- It helps ensure Equal Opportunity in Housing for all Americans
- Project-basing will help the Allegheny County Housing Authority meet the statutory goals of deconcentrating poverty and expanding housing and economic opportunities.

The Allegheny County Housing Authority is utilizing project-based vouchers for a portion of its housing choice vouchers because of the same reasons that the decision is consistent with the Agency Plan, it expands the supply, increase choice, assists with fair housing goals, and will assist in deconcentrating Section 8 participants.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the Allegheny County Housing Authority's policies for the operation of the Public Housing Program, incorporating Federal, State and local law. Separate ACOPs may exist for properties that are not directly owned and/or managed by Allegheny County Housing Authority. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Allegheny County Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Allegheny County Housing Authority shall affirmatively further fair housing in the administration of its public housing program. Both of these actions shall be taken in conformity with the procedural guidelines adopted by the Allegheny County Board of Commissioners on June 18, 2008 and incorporated herein by reference.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, sexual orientation or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Allegheny County Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Allegheny County Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Allegheny County Housing Authority office. In addition, all appropriate written information and advertisements will contain the proper Equal Opportunity language and logo.

The Allegheny County Housing Authority will assist any family in or seeking public housing that believes they have suffered illegal discrimination by providing the family with copies of the appropriate housing discrimination forms. The Allegheny County Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Allegheny County Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Allegheny County Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Allegheny County Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations. Even when a reasonable accommodation is approved by the Allegheny County Housing Authority, the applicant must still meet the Allegheny County Housing Authority eligibility and screening criteria.

2.1 COMMUNICATION

Notifications of reexamination, inspection, an appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Allegheny County Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Allegheny County Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Allegheny County Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Allegheny County Housing Authority's business is housing. If the request would alter the fundamental business that the Allegheny County Housing Authority conducts, that would not be reasonable. For instance, the Allegheny County Housing Authority would deny a request to have the Allegheny County Housing Authority do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue hardship? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Allegheny County Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is he or she needs; however, the Allegheny County Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Allegheny County Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Allegheny County Housing Authority's programs and services, the Allegheny County Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Allegheny County Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Allegheny County Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Allegheny County Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR LIMITED ENGLISH PROFICIENCY APPLICANTS AND RESIDENTS

The Allegheny County Housing Authority shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons; Notice published in the Federal Register. The Allegheny County Housing Authority shall balance these factors in deciding what to do:

1. The number or proportion of LEP persons served or encountered in the eligible service area;
2. The Frequency with which LEP individuals come in contact with the program;
3. The nature and importance of the program, activity, or service provided by the program; and
4. The resources available to the Housing Authority and costs.

Depending upon what this analysis reveals, the Allegheny County Housing Authority may or may not prepare a Language Access Plan (LAP). If a LAP is needed, the guidance outlined in the above reference Notice shall be utilized.

In addition, the Allegheny County Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English. Finally, the Allegheny County Housing Authority shall utilize multilingual "I speak" cards to the maximum degree possible.

4.0 FAMILY OUTREACH

The Allegheny County Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Allegheny County Housing Authority will distribute fact sheets to the broadcasting media and initiate

personal contacts with members of the news media and community service personnel. The Allegheny County Housing Authority will also try to utilize public service announcements.

The Allegheny County Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to annually sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Allegheny County Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours
- D. Income Limits for Admission
- E. Excess Utility Charges

- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease
- I. Grievance Procedure
- J. Fair Housing Poster
- K. Equal Opportunity in Employment Poster
- L. Any current Allegheny County Housing Authority Notices

7.0 TAKING APPLICATIONS

Families wishing to apply for the site-based public housing waiting list(s) will be required to complete an application for housing assistance. Families can sign up for as many site-based waiting lists as they feel appropriate. Applications will be accepted during the hours of 8:30 a.m. - 3:30 p.m. at all Allegheny County Housing Authority housing sites. In addition, application forms can be obtained at various supportive service organizations and returned to an Allegheny County Housing Authority site of the applicant's choice.

Applications are taken to compile a waiting list based on bedroom size, preference(s), and date and time. Due to the demand for housing in the Allegheny County Housing Authority jurisdiction, the Allegheny County Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Allegheny County Housing Authority will verify the information. Applicants will be provided the opportunity to complete the information on form HUD-92006, Supplement to Application for Federally Assisted Housing. The form gives applicants the option to identify an individual or organization that the Housing Authority may contact and the reason(s) the individual or organization may be contacted. The applicants, if they choose to provide the additional contact information, must sign and date the form.

If the applicant chooses to have more than one contact person or organization, the applicant must make clear to the Housing Authority the reason each person or organization may be contacted. The Housing Authority will allow the applicant to complete a form HUD-92006 for each contact and indicating the reason the Housing Authority may contact the individual or organization. For example, the applicant may

choose to have a relative as a contact for emergency purposes and an advocacy organization for assistance for tenancy purposes.

Those applicants who choose not to provide the contact information should check the box indicating that they “choose not to provide the contact information” and sign and date the form. Applications shall be made in person at the Allegheny County Housing Authority site of the applicant’s choice. Applications will be available to be picked up at the Allegheny County Housing Authority’s main administrative office. Applications will be mailed to interested families upon request.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Allegheny County Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is 412-402-2671.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information (i.e., family composition, income, etc.) establishing any preferences to which they may be entitled. This first phase results in an apparently eligible family’s placement on the waiting list.

Upon receipt of the family's pre-application, the Allegheny County Housing Authority will make a preliminary determination of eligibility. With the pre-application, the family will submit Social Security cards and birth certificates or proof of age of each household member. The Allegheny County Housing Authority will notify the family in writing of the date and time of placement on the waiting list(s) of the site(s) selected. If the Allegheny County Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant shall within ten (10) calendar days report changes in their applicant status including changes in family composition, income, or preference factors. The applicant must report all changes in writing. The Allegheny County Housing Authority will annotate the applicant’s file and will update their place on the waiting list if appropriate.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Allegheny County Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current (less than 90 calendar days) in order to determine the family’s final eligibility for admission into the Public Housing Program. If eligible, a family will be offered the next available unit that they are qualified for. If a family rejects the offer or Allegheny County Housing Authority cannot contact them, they will be removed from all Allegheny County Housing Authority waiting lists. They will not be eligible to re-apply for three (3) months from the date of their removal for readmission to the Allegheny County Housing

Authority waiting list(s). If the family disagrees with this action, it can request an informal hearing.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they so desire.

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the Allegheny County Housing Authority screening criteria in order to be admitted to public housing.

8.2 ELIGIBILITY CRITERIA

- A. Family Status - All families must have a Head of Household or Co-Heads of Household
 - 1. A **family with or without children**. Such a family is defined as a group of people related by blood, marriage, adoption or affinity that live together in a stable family relationship.
 - a. Children temporarily absent from the home due to placement in foster care are considered family members. If the family does not regain custody within one (1) year, they shall be relocated to an appropriate size unit if the then current family size dictates the move.
 - b. Unborn children and children in the process of being adopted are considered family members for the purpose of determining bedroom size but are not considered family members for determining income limit.
 - 2. An **elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;
 - b. Two or more persons who are at least 62 years of age living together; or

- c. One or more persons who are at least 62 years of age living with one or more live-in aides.
3. A **near-elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 50 years of age but below the age of 62;
 - b. Two or more persons, who are at least 50 years of age but below the age of 62, living together; or
 - c. One or more persons, who are at least 50 years of age but below the age of 62, living with one or more live-in aides.
 4. A **disabled family**, which is:
 - a. A family whose head, spouse, or sole member is a person with a disability;
 - b. Two or more persons with disabilities living together; or
 - c. One or more persons with disabilities living with one or more live-in aides.
 - d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence.
 5. A **displaced family**, which is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
 6. A **remaining member of a tenant family**.
 7. A **single person** who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

B. Income Eligibility

1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD.

This means the family income cannot exceed 80 percent of the median income for the area. If the property has Low Income Housing Tax Credits on it, a lower income cap will apply.

2. Income limits apply only at admission and are not applicable for continued occupancy in any Allegheny County Housing Authority community.
3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Allegheny County Housing Authority.
4. If the Allegheny County Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing residents.
5. Income limit restrictions may apply to families transferring within our Public Housing Program if the unit they move to is assisted by the Federal Low-Income Housing Tax Credit Program.
6. The Allegheny County Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least equal the cost of operating the public housing unit.

C. Citizenship/Eligibility Status

1. To be eligible for public housing each member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.
2. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.

- b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.6 for calculating rents under the noncitizen rule).
- c. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

Prior to admission, every family member regardless of age must provide the Allegheny County Housing Authority with a complete and accurate Social Security Number unless they do not contend eligible immigration status. New family members must provide this verification prior to being added to the lease. If the new family member is under the age of six and has not been assigned a Social Security Number, the family shall have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The Housing Authority may grant one ninety (90) day extension if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person.

If a person is already a program participant and has not disclosed his or her Social Security Number, it must be disclosed at the next re-examination or re-certification.

Participants aged 62 or older as of January 31, 2010 whose initial eligibility determination was begun before January 31, 2010 are exempt from the required disclosure of their Social Security Number.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Housing Authority will accept an original document issued by a federal or state government agency, which contains the name of the individual and the Social Security Number of the individual, along with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If an individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated. The Housing Authority may grant one ninety (90) day extension from termination if in

its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and there is a reasonable likelihood that the person will be able to disclose a Social Security Number by the deadline.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the Allegheny County Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
 - b. A provision authorizing HUD or the Allegheny County Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
 - d. A statement allowing the Allegheny County Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies, and
 - e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

F. Notwithstanding any of the above requirements, the Allegheny County Housing Authority expressly reserves the right to place up to five (5) undercover investigators in its public housing communities at any one time to assist it in maintaining safety and superior operations in its public housing communities.

G. The applicant family cannot be receiving continuing governmental housing assistance from another jurisdiction unless they voluntarily terminate the other governmental housing assistance.

8.3 *SUITABILITY*

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Allegheny County Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Allegheny County Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

- B. The Allegheny County Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent and any utility payment;
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
 - 4. History of disturbing neighbors or destruction of property;
 - 5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
 - 6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

- C. The Allegheny County Housing Authority will ask applicants (including transfers) to provide information demonstrating their ability to comply with the essential elements of the lease. The Allegheny County Housing Authority will

verify the information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse, co-head, and any other adult family members;
2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State law enforcement or court records in those cases where the household member has lived in Pennsylvania. Where the individual has lived outside Pennsylvania, the Allegheny County Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Allegheny County Housing Authority. The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Allegheny County Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Allegheny County Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;
4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Allegheny County Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list.

The Allegheny County Housing Authority will utilize the US Department of Justice's Dru Sjodin National Sex Offender website as an additional

resource. The Dru Sjodin National Sex Offender Database is an online, searchable database, hosted by the Department of Justice, which combines the data from individual state sex offender registries.

If an applicant is about to be denied housing based on either of the above record checks, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

8.4 GROUND S FOR DENIAL

The Allegheny County Housing Authority is not required or obligated to assist families where applicants or members of the applicant's household:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process, however, once supplied, the family may reapply for assistance;
- C. Have failed to respond to a written request for information or a request to declare their continued interest in the program, however, once supplied, the family may reapply for assistance;
- D. Have a history of not meeting financial obligations, especially rent, however, once the family completes the process, they may reapply for assistance;
- E. Do not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants;
- F. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

For the purpose of this Policy, if any adult member of the applicant family is currently charged with or has been convicted in the last five (5) years of the date of projected admission of any of the following listed offenses, they will be determined to have engaged in criminal activity, drug-related criminal activity or violent criminal activity.

This section will also be amended to bar admission of any applicant that is currently charged with or convicted of attempt, conspiracy or solicitation to commit any of the offenses listed in Section 8.4 F.

Being a victim of domestic violence, dating violence, or stalking is not an appropriate basis for denial of program assistance or for denial of admission, if the applicant otherwise qualifies for assistance or admission. The Authority will require verification in all cases where an applicant claims protection against an action proposed to be taken by the Authority involving such individual. Types of acceptable verifications are outlined in Section 20.2B of the ACOP, and must be submitted within 14 business days after receipt of the Housing Authority's written request for verification.

- G. Have a history of disturbing neighbors or destruction of property;
- H. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs. Denial will be upheld until debt is repaid, once paid the family may reapply for admission. If an applicant was a former Allegheny County Housing Authority resident and was evicted for non-payment of rent, the applicant will be ineligible for a period of twelve months. The twelve months time period will be based on the eviction date of the former resident. After the twelve months have expired and the debt has been paid in full the applicant will be eligible for housing again;
- I. Have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from (family will be denied for three years before they are eligible to reapply for admission);
- J. Were evicted from federally assisted housing or terminated from a Housing Choice Voucher Program within the past 5 years for any reason other than the non-payment of rent. The 5-year limit is based on the date of such eviction.

If the eviction was for drug related criminal activity, the Allegheny County Housing Authority may admit the household if the PHA determines:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Allegheny County Housing Authority; or
2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).

- K. Are currently engaging in the illegal use of a controlled substance. For purposes of this section, a member is “currently engaged in” the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that it behavior is current.
- L. The Allegheny County Housing Authority determines that it has reasonable cause to believe that a household member’s illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents (family will be denied for three years);
- M. The Allegheny County Housing Authority determines that it has reasonable cause to believe that a household member’s abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents (family will be denied for three years);

With respect to criminal activity described in paragraphs J, K, L, and M of this Section, Allegheny County Housing Authority may require an applicant to exclude a household member in order to be admitted to public housing where that household member has participated in or been culpable for actions described in paragraphs J, K, L, and M that warrants denial.

- N. Have engaged in or threatened abusive or violent behavior towards any Allegheny County Housing Authority staff member or resident (denial will be for five years);
- O. **Denied for Life:** If any family member has been convicted of manufacturing or producing methamphetamine ;
- P. Fugitive felons, parole violators, and persons fleeing to avoid prosecution or custody or confinement after conviction for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees (family will be denied for three years);
- Q. **Denied for Life:** Has a lifetime registration under a State sex offender registration program.
- R. **Denied for Life:** Have a conviction or is currently charged with murder, rape and/or other sex-related crimes (excluding Statutory Sexual Assault and Indecent Assault), kidnapping or arson. Have a conviction or is currently charged with Criminal Attempt, Solicitation, or Conspiracy with regard to the crimes of Murder, Rape and/or other sex-related crimes, Kidnapping or Arson.

- S. **Denial for Firearms:** A family member is currently charged with or has been convicted in the last five (5) years of violating the Pennsylvania Uniform Firearms Act of 1995.

In determining whether to deny admission for illegal use of a drug by a household member who is no longer engaging in such use, or for a current charge or conviction in the last five (5) years for Possession of a Controlled Substance, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, the Allegheny County Housing Authority may consider whether such household member:

1. Is participating in a supervised drug or alcohol rehabilitation program;
2. Has successfully completed a supervised drug or alcohol rehabilitation program; or\
3. Has otherwise been successfully rehabilitated.

For this purpose, Allegheny County Housing Authority will require the applicant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

Before the Allegheny County Housing Authority denies admission to the Allegheny County Housing Authority's public housing program on the basis of a criminal record, the Allegheny County Housing Authority must notify the household of the proposed action and must provide the person with the criminal record (i.e. the child) and the applicant (head of household) with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have 10 business days to dispute the accuracy and relevance of the record in writing. If the Allegheny County Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

If an applicant is denied admission due to a current criminal charge that is later dismissed, withdrawn, or where the applicant is found not-guilty; the applicant shall be reinstated to the waiting list as of the date they originally attempted to apply if requested within 90 days of the dismissal, withdrawal, or finding of not guilty.

8.5 INFORMAL REVIEW

- A. If the Allegheny County Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the Allegheny County Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request **in writing** an informal review of the decision within 10 business days of the denial. The Allegheny County Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Allegheny County Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. Typically this will be the Residential Property Manager. The applicant must be given the opportunity to present written or oral objections to the Allegheny County Housing Authority's decision. The Allegheny County Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The applicant family may request that the Allegheny County Housing Authority provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

For the applicants, the Informal Hearing Process above will be utilized with the exception that the applicant will have up to 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 MANAGING THE WAITING LIST

9.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

Waiting lists are maintained by site and may be opened or closed by site according to the situation at the individual sites.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of preference and then in order of date and time of application; and
- C. Substantive contacts between the Allegheny County Housing Authority and the applicant will be documented in the applicant file.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be nearing the top of a public housing waiting list, the family will be mailed a letter and checklist and invited to an interview at the site which will include the witnessed signing of the forms. The verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Allegheny County Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they desire.

9.4 PURGING THE WAITING LIST

The Allegheny County Housing Authority will update and purge its waiting lists as necessary to ensure that the pool of applicants reasonably represents the interested families for whom the Allegheny County Housing Authority has current information, i.e. applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Allegheny County Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program;
- D. The applicant refuses a unit offer in a particular development; or
- E. The applicant has been housed in a public housing unit.

Applicants will be offered the right to an informal review before being removed from the waiting list.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Allegheny County Housing Authority will be sent a notice of termination of the process for eligibility.

The Allegheny County Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Allegheny County Housing Authority will work closely with the family to find a more suitable time.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from a waiting list will be notified by the Allegheny County Housing Authority, in writing, that they have ten (10) business days from the date of the written correspondence to present mitigating circumstances or request **in writing** an informal review. The letter will also indicate that their name will be removed from the waiting list(s) if they fail to respond within the timeframe specified. The Allegheny County Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Allegheny County Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The Allegheny County Housing Authority, according to our local needs and preferences, will select families based on the following preferences: Applicants for whom a law enforcement agency is seeking housing as an accommodation for its witness protection or confidential informant programs, who are victims of domestic violence and for those families affected by a federally declared disaster. Second, someone who is a war veteran with an honorable discharge or who is not currently housed in an Allegheny County Housing Authority project-based assisted unit. Third, “Working Family” preference is for families (Head or Co-Head) who have been employed for at least six consecutive months at a minimum of 20 hours a week and currently not housed in an Allegheny County Housing Authority project-based assisted unit. The employment must be verified via third party and gross income will not be criteria for granting the preference.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences or if there is no preference.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons in buildings designated for the Elderly and Disabled.

A preference does not guarantee admission. The applicant must still meet the Allegheny County Housing Authority's eligibility and screening criteria.

Buildings Designated for the Elderly and Disabled (Mixed Population Developments): Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Buildings Designated as Elderly Only Housing: In filling vacancies in housing developments that have been approved by HUD as being designated for elderly only, first priority will be given to elderly families. If there are no elderly families on the list, next priority will be given to the near-elderly. If Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features who reside in the development that has the vacancy. If there are no families residing in that development needing the accessible unit, it shall then be offered to families residing in other developments who may benefit from the accessible unit. If there are no families residing in the other developments needing the accessible unit, it shall then be offered to applicants on the waiting list who may benefit from the accessible

features. Applicants for these units will be selected utilizing the same preference system as outlined above.

If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, will be requested to sign a lease rider stating they will accept a transfer (at the Housing Authority's expense) if, at a future time, a family requiring an accessible feature applies or a family requires a transfer from a non-accessible unit. Any family required to transfer will be given a 30-day notice.

The Allegheny County Housing Authority will provide reasonable accommodations to all people with disabilities requiring them.

Applicants must provide proper medical documentation to qualify for these designated units. Once applicants are determined eligible, they will be offered these units based on date and time of application before any non-disabled applicant on the waiting list.

If applicant declines an offer, the Allegheny County Housing Authority has fulfilled its obligation. The applicant shall be removed from that waiting list, but may remain on other waiting list that the applicant has signed up for.

10.1.1 FEDERAL DISASTERS

In the case of a federally declared disaster, the Allegheny County Housing Authority reserves the right for its Executive Director to suspend its preference system what whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director so long as the provision suspended does not violate a law. If regulatory waivers are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing.”

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family's unit size without overcrowding or over-housing:

| Number of Bedrooms | Number of Persons | |
|--------------------|-------------------|---------|
| | Minimum | Maximum |
| 0 | 1 | 2 |
| 1 | 1 | 2 |

| | | |
|---|---|----|
| 2 | 2 | 4 |
| 3 | 3 | 6 |
| 4 | 4 | 8 |
| 5 | 5 | 10 |

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons.

In determining bedroom size, the Allegheny County Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school, or children who are temporarily in foster-care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex may share a bedroom, unless there is a six (6) years age difference.
- B. Children of the opposite sex, both under the age of (6) may share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster-adults and/or foster-children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines – A family may request a smaller unit size than the guidelines allow. The Allegheny County Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for 3 years or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines – A family may request a larger unit size than the guidelines allow. The Allegheny County Housing Authority will allow the larger size unit if the family provides a verified medical or disability-related need that the family be housed in a larger unit.

- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30 calendar day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.

10.3 SELECTION FROM THE WAITING LIST

The Allegheny County Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting lists to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting lists we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

It is the Allegheny County Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Allegheny County Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 DECONCENTRATION INCENTIVES

The Allegheny County Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

10.6 OFFER OF A UNIT

When the Allegheny County Housing Authority completes its eligibility verification, the applicant is offered a unit depending on what is available at the time. The Allegheny County Housing Authority will then assign the applicant to the particular unit.

If the family rejects the offer of the unit, the Allegheny County Housing Authority will send the family a letter documenting the offer and rejection.

The family will be contacted by the appropriate site manager and asked if they intend to occupy the assigned unit.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have three (3) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file.

Once a unit has been selected, the family will make a \$20 non-refundable deposit to secure the unit. The \$20 shall be applied to the first month's rent.

If the family rejects the offer of the unit(s), the Allegheny County Housing Authority will send the family a letter documenting the offer and the rejection. The family name will be removed from the waiting list at that site and the family will be ineligible to apply for 90 days. If the family has a good cause, they will remain on the waiting list at the same position.

10.7 REJECTION OF UNIT

If the family rejects the unit, the family will be removed from that site's waiting list.

The family will be offered the right to an informal review of the decision to alter their application status.

10.8 ACCEPTANCE OF UNIT

The family will be required to sign a lease for twelve (12) months that will become effective no later than three (3) business days after the date of acceptance or the business

day after the day the unit becomes available, whichever is later. This is waivable by the Director of Operations or the Director's designee with good cause being demonstrated by the applicant.

Within thirty (30) calendar days of signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. The orientation shall include the resident's rights and responsibilities under the Violence Against Women Act.

Once the applicant signs a lease, their name is removed from every other LIPH site-based waiting list.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Allegheny County Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The family will pay a security deposit at the time of lease signing. The security deposit shall be \$200 or the first month's rent, whichever is higher.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

Leases without a substantive change in its term will be accomplished via an addendum.

11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME

To determine annual income, the Allegheny County Housing Authority adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Allegheny County Housing

Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Allegheny County Housing Authority believes that past income is the best available indicator of expected future income, the actual past annual income from the previous year listed on HUD computer reports will be utilized and rent will be calculated from this.

Annual income includes, but is not limited to, the amounts specified in the federal regulations found in 24 CFR 5.609:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the

family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1000 that were disposed of for less than fair market value within the past two years will be counted as income.

- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance
 - 1. Welfare assistance payments
 - a. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
 - i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
 - ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.
 - b. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the

family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. Imputed welfare income

- a. A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the Allegheny County Housing Authority by the welfare agency) plus the total amount of other annual income.
- b. At the request of the Allegheny County Housing Authority, the welfare agency will inform the Allegheny County Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Allegheny County Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Allegheny County Housing Authority will use this information to determine the amount of imputed welfare income for a family.
- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Allegheny County Housing Authority by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e. The Allegheny County Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the Allegheny County Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Allegheny County

Housing Authority denies the family's request to modify such amount, then the Allegheny County Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Allegheny County Housing Authority's determination of the amount of imputed welfare income. The Allegheny County Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

g. Relations with welfare agencies

- 1). The Allegheny County Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Allegheny County Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- 2). The Allegheny County Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the housing authority. However, the Allegheny County Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- 3). Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Allegheny County Housing

Authority shall rely on the welfare agency notice to the Allegheny County Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.

- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 ANNUAL INCOME

Annual income does not include the following amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone) or payments made under Kin-GAP or similar guardianship care programs for children leaving the juvenile court system;
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution unless it is an athletic scholarship that includes assistance available for housing costs and that portion is included in income;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;

2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the Allegheny County Housing Authority governing board. No resident may receive more than one such stipend during the same period of time;
5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
9. Adoption assistance payments in excess of \$480 per adopted child;
10. The incremental earnings due to employment during a cumulative 12-month period following date of the initial hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is

eligible for exclusion #10. Additionally, this exclusion is only available to the following families:

- a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
- b. The disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It applies for 12 months of the 100% exclusion and for 12 months an exclusion of 50% of any increase in income of a family member as a result of employment over income of that family member prior to the beginning of such employment

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

- D. Reasonable childcare expenses for children 12 and younger necessary to enable a member of the family to be employed or to further his or her education. This deduction shall not exceed 50% of gross income. A larger deduction can be approved as a reasonable accommodation.

In addition, if the resident had not previously reported the proper income, the Allegheny County Housing Authority shall do one of the following:
 - 1. Immediately collect the back rent due to the agency;
 - 2. Establish a repayment plan for the resident to pay the sum due to the agency;
 - 3. Terminate the lease and evict for failure to report income; or
 - 4. Terminate the lease, evict for failure to report income, and collect the back rent due to the agency.

11.5 COOPERATING WITH WELFARE AGENCIES

The Allegheny County Housing Authority will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and

- B. To provide written verification to the Allegheny County Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

11.6 COOPERATING WITH LAW ENFORCEMENT AGENCIES

The Allegheny County Housing Authority will comply, on a case-by-case basis, with information requests from Federal, State or local law enforcement officers regarding possible fugitive felons and/or a parole or probation violators. The Allegheny County Housing Authority will supply upon legitimate request (1) the current address, (2) Social Security number and (3) photograph (if available) of any recipient of assistance.

The Federal, State or local enforcement officer must submit a request that is (1) written, (2) on law enforcement agency letterhead, and (3) is signed by the requesting officer and his or her immediate supervisor. The request for information must provide the name of the fugitive felon and/or parole or probation violator being sought, and may include other personal information used for identification. The request should also comply with the following requirements:

- A. The law enforcement agency shall notify Allegheny County Housing Authority that the fugitive felon and/or parole or probation violator (i) is fleeing to avoid prosecution, custody or confinement after conviction, under the laws of the place from which the individual flees, for a crime, or attempt to commit a crime, which is a felony under the laws of the place from which the individual flees, or which, in the case of the State of New Jersey, is a high misdemeanor; or (ii) is violating a condition of probation or parole imposed under Federal or State law; or (iii) has information that is necessary for the officer to conduct his/her official duties;
- B. The location or apprehension of the recipient is within the Allegheny County Housing Authority's official duties; and,
- C. The request is made in the proper exercise of the law enforcement agency's official duties.

12.0 VERIFICATION

The Allegheny County Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible noncitizen status. Age and relationship will only be verified in those

instances where needed to make a determination of level of assistance. All family members 18 years of age or older must sign a consent form to authorize the release of information.

12.1 ACCEPTABLE METHODS OF VERIFICATION

UIV will be used to the maximum extent possible when conducting mandatory examinations and interim examinations of family income and composition.

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. Enterprise Income Verification (EIV) – HUD's online wage and benefit system that allows PHAs to verify tenant-reported income from an independent source in computerized form.**
- b. State Wage Information Collection Agencies (SWICAs)**
- c. State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. Credit Bureau Information (CBA) credit reports**
- e. Internal Revenue Service (IRS) Letter 1722**
- f. Private sector databases (e.g. The Work Number)**

It is important to note that UIV data will only be used to verify a resident's eligibility for participation in a rental assistance program and to determine

the level of assistance the resident is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a resident until the Allegheny County Housing Authority has independently verified the UIV information and the resident has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the Allegheny County Housing Authority requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the Allegheny County Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data. All wage, unemployment, employment, and new hire information shall be destroyed no later than two years from the date it is received.

The Allegheny County Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

2. Third –Party Written Verifications

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by another government agency, i.e., Department of Welfare, Veterans Administration, and/or acceptable methods of UIV verification, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Third party verification of SS and SSI benefits shall be obtained by getting a copy of an official Social Security Administration letter of benefits from the person receiving the benefits and verification from HUD's on-line

systems dated within the last sixty (60) days. If either of these forms of verification are not obtainable, then the file shall be documented as to why third party verification was not used.

The Allegheny County Housing Authority will allow 14 calendar days for the return of third party written verifications prior to continuing on to the next type of verification.

3. Third-Party Oral Verifications

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The Allegheny County Housing Authority will allow 7 calendar days for the return of third party oral verifications prior to continuing on to the next type of verification.

4. Review of Documents

When UIV, written and oral third party verifications are not available within the 21 calendar day period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

If oral statements and written documents conflict, the written document will prevail,

5. Self-Certification and Self-Declaration

When UIV, written and oral third party verifications are not available within the 21 calendar days period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the Allegheny County Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident's file.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the Allegheny County Housing Authority will send a request form to the source along with a release form signed by the applicant/tenant via first class mail.

12.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury.

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Allegheny County Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Allegheny County Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Allegheny County Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible noncitizens must be listed on a statement of noneligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of noneligible members.

If no family member is determined to be eligible under this section, the family's

eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Allegheny County Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, every family member regardless of age must provide the Allegheny County Housing Authority with a complete and accurate Social Security Number unless they do not contend eligible immigration status. New family members must provide this verification prior to being added to the lease. If the new family member is under the age of six and has not been assigned a Social Security Number, the family shall have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The Allegheny County Housing Authority may grant one ninety (90) day extension if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person.

If a person is already a program participant and has not disclosed his or her Social Security Number, it must be disclosed at the next re-examination or re-certification. Participants aged 62 or older as of January 31, 2010 whose initial eligibility determination was begun before January 31, 2010 are exempt from the required disclosure of their Social Security Number.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Allegheny County Housing Authority will accept an original document issued by a federal or state government agency, which contains the name of the individual and the Social Security Number of the individual, along with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If an individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated. The Allegheny County Housing Authority may grant one ninety (90) day extension from termination if in its sole

discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and there is a reasonable likelihood that the person will be able to disclose a Social Security Number by the deadline.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.6 FREQUENCY OF OBTAINING VERIFICATION

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible noncitizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible noncitizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the Allegheny County will provide them with the following information whenever they have to make rent decisions:
 - 1. The Allegheny County Housing Authority's policies on switching types of rent in case of a financial hardship; and
 - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Allegheny County Housing Authority will provide the amount of income-based rent for the subsequent year only the year the Allegheny County Housing Authority conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by

applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or

- D. The minimum rent of \$50.

13.3 MINIMUM RENT

The Allegheny County Housing Authority has set the minimum rent at \$50. If the family requests a hardship exemption, however, the Allegheny County Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - 2. When the family would be evicted because it is unable to pay the minimum rent;
 - 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - 4. When a death has occurred in the family.
- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will be not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Allegheny County Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The Allegheny County Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual income lease (for more information on flat rents, see Section 15.3).

The Allegheny County Housing Authority will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent because the Allegheny County Housing Authority has already factored who pays for the utilities into the flat rent calculation.

13.5 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for

the Allegheny County Housing Authority. The 95th percentile is called the maximum rent.

- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.6 UTILITY ALLOWANCE

The Allegheny County Housing Authority shall establish a utility allowance for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Allegheny County Housing Authority will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually.

The utility allowance will be subtracted from the family's income-based rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Allegheny County Housing Authority. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. A higher utility allowance will be offered if the tenant's disability requires higher utility consumption. This also may apply in waiving excess utility charges, air conditioning or other "special use" fees. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant.

Requests for relief from surcharges for excess consumption of Allegheny County Housing Authority purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the Allegheny County Housing Authority on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

The methodology used by the Allegheny County Housing Authority shall be the same for both the public housing program and the Housing Choice Voucher Program.

13.7 PAYING RENT

Rent and other charges are due and payable on the first day of the month. Reasonable accommodations for this requirement will be made for persons with disabilities upon request of the family. As a safety measure, no cash shall be accepted as a rent payment.

If the rent is not paid by the fifth of the month, on or about the sixth day of the month a Lease Termination Notice will be issued to the tenant. In addition, a \$20 late fee will be assessed to the tenant if the rent is not paid by the tenth day of the month. The late fee will be charged on or after the eleventh of the month. This will occur for each month that rent and/or other charges are not paid in a timely manner. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late fee plus an additional charge of \$40 for processing costs. After two checks have been returned, only money orders or certified checks will be accepted for payment for the following twelve months. Residents utilizing the Pennsylvania Volunteer Vendor Payment System and the Direct Debit Program will be exempt from the possibility of these additional charges.

14.0 COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement. The eight hours of activity must be performed each month. An individual may not skip a month and then double up the following month unless special circumstances warrant it.

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.

- C. Family members who are the primary care giver for someone who is blind or disabled as set forth in Paragraph B above.
- D. Family members engaged in work activity as defined in section 407(d) of the Social Security Act, specified below.
 - 1. Unsubsidized employment;

 - 4. Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available;

 - 10. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
 - 11. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and

- F. Family members receiving assistance, benefits or services under a State program

funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program.

14.3 NOTIFICATION OF THE REQUIREMENT

The Allegheny County Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The Allegheny County Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status in writing. The Allegheny County Housing Authority shall verify such claims. If a resident does not agree with the Allegheny County Housing Authority's determination, he or she can appeal by following the Grievance Policy. Changes in exempt or non-exempt status of a resident shall be reported by the resident to the Allegheny County Housing Authority within ten (10) calendar days of the change.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 10/1/00 so long as the final regulation by HUD has been implemented. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Allegheny County Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Allegheny County Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

Upon admission or at the first annual reexamination on or after October 1, 2000 so long as the HUD final regulation has been implemented, and each annual reexamination thereafter, the Allegheny County Housing Authority will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will contact the family member as needed to best encourage compliance.
- E. At least thirty (30) calendar days before the family's next lease anniversary date, the volunteer coordinator will advise the Allegheny County Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Allegheny County Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure, a right to be represented by counsel, and the opportunity to any available judicial remedy; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

14.7 OPPORTUNITY FOR CURE

The Allegheny County Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

Six months into the Cure Period, the Property Manager or designee shall meet with the family and warn the family of the consequences of non-compliance.

If any applicable family member does not accept the terms of the agreement or does not fulfill their obligation to participate in an economic self-sufficiency program, the Allegheny County Housing Authority shall take action to terminate the lease unless the noncompliant family member no longer lives in the unit.

14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the Allegheny County Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

15.0 RECERTIFICATIONS

At least once every twelve months, the Allegheny County Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The Allegheny County Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and scheduling an appointment if they are

currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Allegheny County Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

Also, during the recertification, each household shall be asked whether any member is subject to the lifetime registration requirement under a state registration program. The Housing Authority will verify this information using the Dru Sjodin National Sex Offender Database and document this information in the same method used at admission. For any admissions after June 25, 2001 (the effective date of the Screening and Eviction for Drug Abuse and Other Criminal Activity final rule), if the recertification screening reveals that the tenant or a member of the tenant's household is subject to a lifetime sex offender registration requirement, or that the tenant has falsified information or otherwise failed to disclose his or her criminal history on their application and/or recertification forms, the Housing Authority will pursue eviction of the household

If a family is about to be evicted from housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the eviction occurs.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview without good cause will result in the Allegheny County Housing Authority taking eviction actions against the family and charging the family the amount of subsidy lost by the Allegheny County Housing Authority due to the family's failure to attend the recertification interview.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
- B. The amount of the flat rent.
- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

Once a family returns to the income based method during their “lease year” they cannot go back to a flat rent until their next regular annual reexamination.

- F. The dates upon which the Allegheny County Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Allegheny County Housing Authority will send a reexamination letter to the family offering the choice between a flat rent and income rent. At the appointment, the Allegheny County Housing Authority may assist the family

in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Allegheny County Housing Authority representative, they may make the selection on the form and return the form to the Allegheny County Housing Authority. In such case, the Allegheny County Housing Authority will cancel the appointment and solely verify the family size and whether it is an appropriate size unit.

15.4 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Allegheny County Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income;
- C. The welfare rent; or
- D. The minimum rent.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will be effective upon the anniversary date with thirty (30) calendar days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date or Universal Effective Date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will not be required to report any increase in income or decrease in allowable expenses between annual reexaminations unless their income increases by at least \$200 a month or their rent was reduced due to a decrease in income. In that situation, families will be required to report immediately any increases in income. In this situation where the income has increased, the rent will also be increased

When the rent increases as a result of the interim reexamination, the increase shall be effective on the first day of the second month following the reexamination. When the rent decreases, it shall be effective on the first day of the next month.

Families are required to report the following changes to the Allegheny County Housing Authority between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Allegheny County Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide medical verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual

(live-in-aide) must complete the application process. The individual will be ineligible if money is owed to another PHA, Fraud, Bribery, or Corruption in regards to PHA, violent criminal drug history or registered as a lifetime sex offender. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. If approved, Allegheny County Housing Authority will permit the live-in-aide even if we are unable to immediately meet the family's need for a larger unit. Allegheny County Housing Authority has a right to hold tenants responsible for the conduct and behavior of the live-in-aide. Income earned by a live-in-aide is not counted toward household income. The live-in-aide is not required to provide or document a specified number of hours of service to a resident or a need for 24 hour care. Family members may serve as a live-in-aide, but they must meet the requirements for a live-in-aide. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant's family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, requested enrollment in the Family Self-Sufficiency program, or other changes in family circumstances. Upon such request, the Allegheny County Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have little to no income (0 to \$50 renters) or have a temporary decrease in income, the Allegheny County Housing Authority may schedule special reexaminations every thirty (30) calendar days until the income stabilizes and an annual income can be determined. Once an annual income is determined, rent will be increased the first of the month after the month in which the family receives a 30-day notice of that amount.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change

in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.9 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT

If the Allegheny County Housing Authority makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of twelve months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

16.0 UNIT TRANSFERS

Unit transfers initiated by the resident will be for sites chosen by the resident. In all cases, residents will be permitted to transfer only once per year. For example, if a resident transfers in July, they will not be eligible for another transfer until the following July. The lease for the new unit that the resident is transferring into shall be for the period of time remaining on the old lease so HUD re-certification requirements can be met.

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To eliminate vacancy loss and other expenses due to unnecessary transfers.

An approved transfer between units or properties does not constitute a lease violation.

16.2 CATEGORIES OF TRANSFERS

Category 1: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such

situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a domestic abuse situation, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category 2: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed. When an accessible unit becomes available, it shall first be offered to families needing it who reside on the site that has the vacancy, then to other public housing residents needing the special accessibility features, and finally to appropriate people on the waiting list. The Allegheny County Housing Authority will pay moving expenses to transfer a resident with a disability to an accessible unit as an accommodation for the resident's disability.

Category 3: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Allegheny County Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Allegheny County Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category 1 and 2 will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category 1 will be housed ahead of transfers in category 2.

Transfers in category 3 will be housed along with applicants for admission at a ratio of one transfer for every twelve admissions by site.

Upon offer and acceptance of a unit, the family will execute all lease up documents (including a lease for the time remaining on the original lease) and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed five (5) business days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list although Allegheny County Housing Authority will offer the unit to the next one on the waiting list.
- B. If the transfer is being made at the request of the Allegheny County Housing Authority and the family rejects the offer without good cause, the Allegheny County Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Allegheny County Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room and the family agrees not to seek another transfer for two (2) years.
- C. If the transfer is being made at the family's request, the family may, without good cause, turn down the offer. However, if the offer is rejected the family will be removed from that transfer list.
- D. A Transfer request will be considered when the entire family (adult members) demonstrates agreement. The entire family must transfer to the new unit.
- E. A Transfer Fee based on Allegheny County Housing Authority costs will be assessed to residents who request to transfer for any reasons other than to a 504 unit, over-housed, or under-housed unit.

16.5 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit);
or

- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Allegheny County Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out rehabilitation, modernization, disposition or demolition activities;
- B. When a move is necessary for tenants to receive accessible features of the unit; or
- C. When action or inaction by the Allegheny County Housing Authority has caused the unit to be unsafe or inhabitable.

The responsibility for moving costs in other circumstances will be determined on a case-by-case basis.

16.6 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, they cannot join the transfer list nor will it be approved unless the family is in compliance with their lease, current in all payments to the Housing Authority, all adult family members in agreement with the transfer and must pass a housekeeping inspection.

16.7 TRANSFER REQUESTS

A tenant may not request a regular administrative transfer for one year after initially occupied the public housing unit. In considering the request, the Allegheny County Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Allegheny County Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Allegheny County Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later. If the transfer request is approved, the family's name will be added to the transfer waiting list and the transfer will occur as described in this policy.

If the transfer request is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.8 RIGHT OF THE ALLEGHENY COUNTY HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the Allegheny County Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Allegheny County Housing Authority file and a copy given to the family member. An authorized Allegheny County Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Allegheny County Housing Authority damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Allegheny County Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Allegheny County Housing Authority will inspect each public housing unit at least annually to ensure that each unit meets the Allegheny County Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Allegheny County Housing Authority.

17.5 HOUSEKEEPING INSPECTIONS

The Allegheny County Housing Authority will conduct at least one housekeeping inspection annually to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the Allegheny County Housing Authority will give the tenant at least two (2) calendar days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Allegheny County Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the Allegheny County Housing Authority will offer to schedule a pre-move-out inspection with the family. The inspection allows the Allegheny County Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Allegheny County Housing Authority to ready units more quickly for the future occupants.

17.9 MOVE-OUT INSPECTIONS

The Allegheny County Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

17.7 FAILED HOUSEKEEPING INSPECTIONS

When residents fail housekeeping inspections, they will be told immediately after the inspection is completed. Also, they will be given a copy of the housekeeping inspection form showing the problems. Another housekeeping inspection will be conducted within (30) calendar days of the failure. If resident fails second housekeeping inspection, they will be required to take a mandatory housekeeping class sponsored by Allegheny County Housing Authority within 30 calendar days of the failure.

The resident will be given a third opportunity to pass housekeeping inspection. Failure to either pass this inspection or attend the mandatory housekeeping class will result in eviction proceedings.

18.0 PET POLICY

18.1 EXCLUSIONS

This policy does not apply to service animals, support animals, assistance animals, or therapy animals that are used to assist persons with disabilities. These animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors. The person requesting this exclusion to the Pet Policy of this housing authority must have a disability and the accommodation must be necessary to afford the person with a disability an equal opportunity to use and enjoy a dwelling.

To show that a requested accommodation may be necessary, there must be an identifiable relationship, or nexus, between the requested accommodation and the person's disability. The Allegheny County Housing Authority will verify the existence of the disability, and the need for the accommodation— if either is not readily apparent. Accordingly, persons who are seeking a reasonable accommodation for an emotional support animal will be required to provide documentation from a physician, psychiatrist, social worker, or other mental health professional that the animal provides support that alleviates at least one of the identified symptoms or effects of the existing disability.

In addition, the Allegheny County Housing Authority is not required to provide any reasonable accommodation that would pose a direct threat to the health or safety of others. Thus, if the particular animal requested by the individual with a disability has a history of dangerous behavior, we will not accept the animal into our housing. Moreover, we are not required to make a reasonable accommodation if the presence of the assistance animal would (1) result in substantial physical damage to the property of others unless the threat can be eliminated or significantly reduced by a reasonable accommodation; (2)

pose an undue financial and administrative burden; or (3) fundamentally alter the nature of the provider's operations.

18.2 PETS IN PUBLIC HOUSING

The Allegheny County Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the Allegheny County Housing Authority harmless from any claims caused by an action or inaction of the pet.

18.3 APPROVAL

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

18.4 TYPES AND NUMBER OF PETS

The Allegheny County Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, rodent (including a rabbit), fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Only **XXXX** pets per unit will be allowed according to this schedule.

| Unit Size | Pets |
|-----------------------|-------------|
| Zero Bedroom | XXX |
| One Bedroom | XXX |
| Two Bedrooms | XXX |
| Three Bedrooms | XXX |
| Four or More Bedrooms | XXX |

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed **XXXXXX (XXX)** pounds in weight projected to full adult size.

18.5 INOCULATIONS

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the Allegheny County Housing Authority to attest to the inoculations.

18.6 PET DEPOSIT

A pet deposit of **\$XX** is required at the time of registering a pet. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear. A separate deposit is required for each pet.

18.7 FINANCIAL OBLIGATION OF RESIDENTS

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Allegheny County Housing Authority reserves the right to exterminate and charge the resident.

18.8 NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or Allegheny County Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

18.9 DESIGNATION OF PET AREAS

Pets must be kept in the owner's apartment or on a leash at all times when outside the unit (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the property if the Allegheny County Housing Authority designates a pet

area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/building(s). This shall be implemented based on demand for this service.

18.10 MISCELLANEOUS RULES

Pets may not be left unattended in a dwelling unit for over **XXX** hours. If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violates any other conditions of this policy may be required to remove his/her pet from the development within 10 calendar days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

18.11 VISITING PETS

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks without Allegheny County Housing Authority approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to remove the visiting pet.

18.12 REMOVAL OF PETS

The Allegheny County Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the Allegheny County Housing Authority has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be by the responsibility of the pet owner.

19.0 REPAYMENT AGREEMENTS

When a resident owes the Allegheny County Housing Authority back charges and is unable to pay the balance by the due date, the resident may request that the Allegheny County Housing Authority allow them to enter into a Repayment Agreement. The Allegheny County Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the Resident to eviction procedures.

If a resident is paying the minimum rent and has it abated for a temporary period, the resident has a right to enter into a repayment agreement and repay the rent over a four (4) month period.

In cases where it is deemed a resident has committed fraud against the Allegheny County Housing Authority, the Authority may agree to enter into a repayment agreement if the resident will:

- a. Immediately repay the entire amount of overpaid assistance in excess of \$3000; and
- b. Immediate 25% of the remaining balance; and
- c. Pay the remainder over a twelve (12) month period.

20.0 TERMINATION

20.1 *TERMINATION BY TENANT*

The tenant may terminate the lease at any time by submitting a 30-day written notice. In this case, the tenant will still be responsible for the full month's rent for any portion of a month that a tenant has control of the unit. Upon vacating a unit, the tenant is required to deliver all key to the unit to the property manager in order to get a security deposit refund assuming one is due to the tenant.

20.2 *TERMINATION BY THE HOUSING AUTHORITY*

The Allegheny County Housing Authority after October 1, 2001 will not renew the lease of any family that is not in compliance with the community service requirement or an approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin. This will become enforceable after HUD's final regulation is implemented.

The Allegheny County Housing Authority will terminate the lease for serious or repeated violations of material lease terms or for falsifying a response to the housing application. Such violations include but are not limited to the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments;
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;
- D. Failure to allow inspection of the unit;
- E. Failure to maintain the unit in a safe and sanitary manner;
- F. Assignment or subletting of the premises;

- G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);
- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;
- J. Any violent or drug-related criminal activity on or off the premises, not just on or near the premises. This includes any tenant, member of the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control. This includes but is not limited to the manufacture of methamphetamine on the premises of the Allegheny County Housing Authority or on the premises of any other federally assisted housing;
- K. Non-compliance with Non-Citizen Rule requirements;
- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) calendar days each year without the prior written approval of the Housing Authority;
- M. Any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other Residents or employees of the Authority by the Resident, household members, or guests of the Resident or threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy;
- N. Alcohol abuse that the Allegheny County Housing Authority determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;

- R. Criminal activity as shown by a criminal record. In such cases the Allegheny County Housing Authority will notify the household of the proposed action to be based on the information and will provide the subject of the record and the tenant with a copy of the criminal record before the Allegheny County Housing Authority grievance hearing or court trial concerning the termination of tenancy or eviction. The tenant will be given an opportunity to dispute the accuracy and relevance of that record in the grievance hearing or court trial;
- S. Disconnecting a smoke detector in any manner, removing any batteries from a smoke detector or failing to notify the Housing Authority if the smoke detector is inoperable for any reason; and
- T Other good cause.

If an individual or family's lease is terminated for criminal activity, the Allegheny County Housing Authority will notify the local post office serving the development that the individual or family no longer lives there.

In deciding to terminate a tenancy for criminal activity or alcohol abuse, the Allegheny County Housing Authority will consider circumstances relevant to the particular case such as the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, the effects that the eviction would have on family members not involved in the offending activity, and the extent to which the leaseholder has shown personal responsibility and has taken all reasonable steps to prevent or mitigate the offending action.

20.2A VAWA PROTECTIONS

Under the Violence Against Women Act (VAWA), public housing residents have the following specific protections, which will be observed by the Allegheny County Housing Authority:

An incident or incidents or actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not in itself be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence.

The Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants. This is also true even if the household member is not a signatory to the lease.

Under VAWA, the Allegheny County Housing Authority is granted the authority to bifurcate the lease.

The Housing Authority will honor court orders regarding the rights of access or control of the property.

There is no limitation on the ability of the Housing Authority to evict for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a “more demanding standard” than non-victims.

There is no prohibition on the Housing Authority evicting if it “can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant’s (victim’s) tenancy is not terminated.”

Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

The Allegheny County Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority. Types of acceptable verifications are outlined below, and must be submitted within 14 business days after receipt of the Housing Authority’s written request for verification.

20.2B VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING

The Allegheny County Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

- A. *Requirement for Verification.*** The law allows, but does not require, the Allegheny County Housing Authority to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. The Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. **HUD-approved form (HUD-50066)** - By providing to the Housing Authority a written certification, on the form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.
2. **Other documentation** - by providing to the Housing Authority documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
3. **Police or court record** – by providing to the Housing Authority a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.

B. Time allowed to provide verification/ failure to provide. An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by the Housing Authority to provide verification, must provide such verification within 14 business days after receipt of the written request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.

20.2C CONFIDENTIALITY

All information provided under VAWA including the fact that an individual is a victim of domestic violence, dating violence, or stalking, shall be retained in confidence and shall not be entered into any shared database or provided to any related entity except to the extent that the disclosure is:

- A. Requested or consented to by the individual in writing;

- B. Required for used in an eviction proceeding; or
- C. Otherwise required by applicable law.

The Allegheny County Housing Authority shall provide its tenants notice of their rights under VAWA including their right to confidentiality and the limits thereof.

20.3 TERMINATIONS FOR CRIMINAL ACTIVITY

- A. The term “due process determination” means a determination by HUD that law covering the Allegheny County Housing Authority’s jurisdiction requires that residents must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit.
- B. HUD has issued a due process determination that the law of this State requires that residents be given the opportunity for a hearing in a court that provides the basic elements of due process before eviction from a dwelling unit. The Allegheny County Housing Authority has therefore determined that this Grievance Procedure shall not be applicable to any termination of tenancy or eviction for:
 - 1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the Allegheny County Housing Authority’s public housing premises by other residents or employees of the Housing Authority;
 - 2. Any violent or drug-related criminal activity on or off such premises; or
 - 3. Any activity resulting in a felony conviction.

20.4 ABANDONMENT

The Allegheny County Housing Authority will consider a unit to be abandoned when a resident has both fallen behind in rent and has clearly indicated by words or actions an intention not to continue living in the unit. If such a situation occurs, a letter shall be sent to the resident at the last known address of the resident. If no response is received within five (5) days, the Authority will deem any property left on the site to be abandoned. If a response is received, the Resident shall be given an additional five (5) days to remove the property.

When a unit has been abandoned, an Allegheny County Housing Authority representative may enter the unit and remove any abandoned property. It shall be set out of the unit so the unit can be prepared for a new occupant.

20.5 RETURN OF SECURITY DEPOSIT

After a family moves out, the Allegheny County Housing Authority will return the security deposit within thirty (30) calendar days to give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

The Allegheny County Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage paid within thirty (30) calendar days.

20.6 DEATH OF A RESIDENT

The Allegheny County Housing Authority will allow up to 14 days for the resident's family to remove all belonging of the deceased resident. If after 14 days, the deceased resident's belongings have not been removed, Allegheny County Housing Authority will disposed of all belonging. A fee will be charged to the resident's estate.

21.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Allegheny County Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Allegheny County Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Allegheny County Housing Authority will

expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.

- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

22.0 ANTI-FRAUD POLICY

The Allegheny County Housing Authority is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Allegheny County Housing Authority. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Allegheny County Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Allegheny County Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Allegheny County Housing Authority deems appropriate.

23.0 PROPERTIES

Public housing residents will not be permitted to have personal pools, grocery carts, fuel, or hazardous material on Allegheny County Housing Authority premises (common grounds, apartments, or town homes). Violators (residents) may be charged a fee for maintenance removing the following items listed above and if this practice continues the Allegheny County Housing Authority may start eviction proceeding.

SECTION 8 ADMINISTRATIVE PLAN

1.0 EQUAL OPPORTUNITY

1.1 FAIR HOUSING

It is the policy of the Allegheny County Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, sexual orientation or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Allegheny County Housing Authority housing programs. Both of these actions shall be taken in conformity with the procedural guidelines adopted by the Allegheny County Board of Commissioners on June 18, 2008 and incorporated herein by reference.

To further its commitment to full compliance with applicable Civil Rights laws, the Allegheny County Housing Authority will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Choice Voucher Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Allegheny County Housing Authority office. In addition, all appropriate written information and advertisements will contain the proper Equal Opportunity language and logo.

The Allegheny County Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The Allegheny County Housing Authority will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

1.2 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Allegheny County Housing Authority housing programs and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the

guidelines the Allegheny County Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Allegheny County Housing Authority will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

1.3 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation Form.

Notifications of reexamination, inspection, appointment, or termination of assistance will include information about requesting a reasonable accommodation. Any notification requesting action by the participant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests will be in writing.

1.4 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment. (The disability may not be apparent to others).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Allegheny County Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Allegheny County Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Allegheny County Housing Authority will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The Allegheny County Housing Authority's business is housing. If the request would alter the fundamental business that the Allegheny County Housing Authority conducts, that would not be reasonable. For instance, the Allegheny County Housing Authority would deny a request to have the Allegheny County Housing Authority do grocery shopping for the person with disabilities.
 2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Allegheny County Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what they need; however, the Allegheny County Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Allegheny County Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Allegheny County Housing Authority's programs and services, the Allegheny County Housing Authority retains the right to select the most efficient or economic choice.

If the participant requests, as a reasonable accommodation, that he or she be permitted to make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Authority does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible. The Housing Authority may, however, grant a higher payment standard for units where property owners make physical modifications for persons with disabilities so long as the payment standard does not exceed 110% of FMRs.

Any request for an accommodation that would enable a participant to materially violate family obligations will not be approved.

1.5 SERVICES FOR LIMITED ENGLISH PROFICIENCY PERSONS AND PARTICIPANTS

The Allegheny County Housing Authority shall do its best, within reason, to assist people with Limited English Proficiency (LEP). This shall be accomplished by assessing the need of LEP persons using the four factors described in the January 22, 2007 Final

Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons; Notice published in the Federal Register. The Allegheny County Housing Authority shall balance these factors in deciding what to do:

1. The number or proportion of LEP persons served or encountered in the eligible service area;
2. The Frequency with which LEP individuals come in contact with the program;
3. The nature and importance of the program, activity, or service provided by the program; and
4. The resources available to the Housing Authority and costs.

Depending upon what this analysis reveals, the Allegheny County Housing Authority may or may not prepare a Language Access Plan (LAP). If a LAP is needed, the guidance outlined in the above reference Notice shall be utilized.

In addition, the Allegheny County Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English. Finally, the Allegheny County Housing Authority shall utilize multilingual “I speak” cards to the maximum degree possible.

1.6 FAMILY/OWNER OUTREACH

The Allegheny County Housing Authority will publicize the availability and nature of the Section 8 Program for extremely low-income and very low income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach persons who cannot or do not read newspapers the Allegheny County Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Allegheny County Housing Authority will also try to utilize public service announcements.

The Allegheny County Housing Authority will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for the Housing Choice Voucher Program.

The Allegheny County Housing Authority will hold briefings for owners who participate in or who are seeking information about the Section 8 Program. The briefings are intended to:

- A. Explain how the program works;
- B. Explain how the program benefits owners;
- C. Explain owners' responsibilities (including lead-based paint) under the program. Emphasis is placed on quality screening and ways the Allegheny County Housing Authority helps owners do better screening; and
- D. Provide an opportunity for owners to ask questions, obtain written materials, and meet Allegheny County Housing Authority staff.

The Allegheny County Housing Authority will particularly encourage owners of suitable units located outside of low-income or minority concentration and owners of accessible units to attend. Targeted mailing lists will be developed and announcements mailed.

1.7 RIGHT TO PRIVACY

All adult members of both applicant and participant households are required to annually sign HUD Form 9886, *Authorization for Release of Information and Privacy Act Notice*. The *Authorization for Release of Information and Privacy Act Notice* states how family information will be released and includes the *Federal Privacy Act Statement*.

Any request for applicant or participant information will not be released unless there is a signed release of information request from the applicant or participant.

1.8 REQUIRED POSTINGS

The Allegheny County Housing Authority will post, in each of its offices in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. The Section 8 Administrative Plan
- B. Notice of the status of the waiting list (opened or closed)
- C. Address of all Allegheny County Housing Authority offices, office hours, telephone numbers, TDD numbers, and hours of operation
- D. Income Limits for Admission

 6. Income limit restrictions do not apply to families transferring units within the Allegheny County Housing Authority Section 8 Program.

C. Citizenship/Eligible Immigrant status

To be eligible for a housing choice voucher at least one member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)) or a citizen of the Republic of Marshall Islands, the Federated States of Micronesia, or the Republic of Palau. However, people in the last category are not entitled to housing assistance in preference to any United States citizen or national resident within Guam.

Family eligibility for assistance.

1. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
2. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 11.5(F) for calculating rents under the noncitizen rule).
3. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

Prior to admission, every family member regardless of age must provide the ALLEGHENY COUNTY Housing Authority with a complete and accurate Social Security Number unless they do not contend eligible immigration status.. New family members must provide this verification prior to being added to the lease. If the new family member is under the age of six and has not been assigned a Social Security Number, the family shall have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The Housing Authority may grant one ninety (90) day extension if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person.

If a person is already a program participant and has not disclosed his or her Social Security Number, it must be disclosed at the next re-examination or re-certification.

Participants aged 62 or older as of January 31, 2010 whose initial eligibility determination was begun before January 31, 2010 are exempt from the required disclosure of their Social Security Number.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Housing Authority will accept an original document issued by a federal or state government agency, which contains the name of the individual and the Social Security Number of the individual, along with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If an individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated. The Housing Authority may grant one ninety (90) day extension from termination if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and there is a reasonable likelihood that the person will be able to disclose a Social Security Number by the deadline.

E. Signing Consent Forms

1. In order to be eligible each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD and the Allegheny County Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
 - b. A provision authorizing HUD or the Allegheny County Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
 - d. A statement allowing the Allegheny County Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies; and
 - e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

F. Suitability for tenancy

The Allegheny County Housing Authority determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live-in aides. The Allegheny County Housing Authority will deny assistance to a family because of criminal activity, drug-related criminal activity or violent criminal activity by family members. This check will be made through state law enforcement or court records in those cases where the household member has lived in Pennsylvania. If the individual has lived outside Pennsylvania, the Allegheny County Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Allegheny County Housing Authority. The information received as a result of the criminal background check shall be used solely for screening purposes. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Allegheny County Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred.

The Allegheny County Housing Authority will check with the State sex offender registration program and will ban for life any individual who is registered as a lifetime sex offender. The Allegheny County Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list. The ALLEGHENY COUNTY Housing Authority will utilize the US Department of Justice's Dru Sjodin National Sex Offender website as an additional resource. The Dru Sjodin National Sex Offender Database is an online, searchable database, hosted by the Department of Justice, which combines the data from individual state sex offender registries.

If an applicant is about to be denied housing based on either of the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

Additional screening is the responsibility of the owner. Upon the written request of a prospective owner, the Allegheny County Housing Authority will provide to the owner the name, address, and phone number of the applicant's current landlord and any previous landlords that are known to the housing authority.

In addition, if an owner submits a request to the Allegheny County Housing Authority for criminal records concerning an adult member of an applicant or resident household, signed consent forms, and the owner's standards for prohibiting admission, the Allegheny County Housing Authority must request the

criminal conviction records from the appropriate law enforcement agency or agencies, as determined by the Housing Authority. If the Allegheny County Housing Authority receives criminal conviction records requested by an owner, the Allegheny County Housing Authority must determine whether criminal action by a household member, as shown by such criminal conviction records, may be a basis for applicant screening, lease enforcement or eviction, as applicable in accordance with HUD regulations and the owner's criteria. The Allegheny County Housing Authority must notify the owner whether the Housing Authority has received criminal conviction records concerning the household member, and of its determination whether such criminal conviction records may be a basis for applicant screening, lease enforcement or eviction. However, the PHA must not disclose the household member's criminal conviction record or the content of that record to the owner, but merely the fact of whether or not they comply with HUD regulations and the owner's criteria. The Allegheny County Housing Authority will charge owners a fee of **\$50.00** for this service.

The same service shall be available to owners of federally assisted housing in their attempt to determine if an applicant is on the state sex offender list upon the request of the owner. Once again, the information itself will not be disclosed to the owner; the Allegheny County Housing Authority will merely apply the criteria the owner establishes. The fee for this service shall be **\$50.00**.

- G. No assistance shall be provided under section 8 of the 1937 Act to any individual who:
1. Is enrolled as a student at an institution of higher education, as defined under section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002);
 2. Is under 24 years of age;
 3. Is not a veteran of the United States military;
 4. Is unmarried;
 5. Does not have a dependent child; and
 6. Is not otherwise individually eligible, or has parents who, individually or jointly, are not eligible on the basis of income to receive assistance under section 8 of the 1937 Act.

The above restriction does not apply to a person with disabilities as such term is defined in section 3(b)(3)(E) of the 1937 ACT and who was receiving Section 8 assistance on November 20, 2005.

4.0 MANAGING THE WAITING LIST

4.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced via public notice that applications for Section 8 will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation, and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program, and that such applicants will not lose their place on other waiting lists when they apply for Section 8. The notice will include the Fair Housing logo and slogan and otherwise be in compliance with Fair Housing requirements.

Closing of the waiting list will be announced via public notice. The public notice will state the date the waiting list will be closed. The public notice will be published in a local newspaper of general circulation, and also by any available minority media.

4.2 TAKING APPLICATIONS

Families wishing to apply for the Section 8 Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at: 625 Stanwix, Pittsburgh, PA 15222.

Applications are taken to compile a waiting list. Due to the demand for Section 8 assistance in the Allegheny County Housing Authority jurisdiction, the Allegheny County Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

When the waiting list is open, completed applications will be accepted from all applicants 18 years of age and older. The Allegheny County Housing Authority will later verify the information in the applications relevant to the applicant's eligibility, admission, and level of benefit.

Applicants will be provided the opportunity to complete the information on form HUD-92006, Supplement to Application for Federally Assisted Housing. The form gives applicants the option to identify an individual or organization that the Housing Authority may contact and the reason(s) the individual or organization may be contacted. The applicants, if they choose to provide the additional contact information, must sign and date the form.

If the applicant chooses to have more than one contact person or organization, the applicant must make clear to the Housing Authority the reason each person or organization may be contacted. The Housing Authority will allow the applicant to complete a form HUD-92006 for each contact and indicating the reason the Housing Authority may contact the individual or organization. For example, the applicant may choose to have a relative as a contact for emergency purposes and an advocacy organization for assistance for tenancy purposes.

Those applicants who choose not to provide the contact information should check the box indicating that they “choose not to provide the contact information” and sign and date the form.

Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Allegheny County Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Allegheny County Housing Authority to make special arrangements to complete their application. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is 412-402-2671.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information including name, address, phone number, family composition and family unit size, racial or ethnic designation of the head of household, income category, and information establishing any preferences to which they may be entitled. This first phase results in the family’s placement on the waiting list if deemed apparently eligible. With the pre-application, the family shall supply the Housing Authority with a Social Security Card and proof of the age of each family member.

Upon receipt of the family's pre-application, the Allegheny County Housing Authority will make a preliminary determination of eligibility. The Allegheny County Housing Authority will notify the family in writing of the date and time of placement on the waiting list and the approximate amount of time before housing assistance may be offered. If the Allegheny County Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and offer the family the opportunity of an informal review of this determination.

An applicant is encouraged to report changes in their applicant status including changes in family composition, income, or preference factors. The Allegheny County Housing Authority will annotate the applicant’s file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The Allegheny County Housing Authority will ensure that verification of all preferences, eligibility, suitability selection factors are current in order to determine the family's final eligibility for admission into the Section 8 Program.

Applicants will also be given the opportunity to update their HUD Form 92006 if applicable and if they so desire.

4.3 ORGANIZATION OF THE WAITING LIST

The waiting list for the Section 8 Tenant Based Assistant Program will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file.
- B. All applications will be maintained in order of preference and then in order of date and time of application.
- C. Substantive contact between the Allegheny County Housing Authority and the applicant will be documented in the applicant file.

All files (applicant or participant) shall be retained for three years from the date the file is closed, whether this is due to the surrender of a housing choice voucher or the removal of a person from the waiting list, whichever is later.

Note: The waiting list for the Section 8 Tenant Based Assistance Program cannot be maintained by bedroom size under current HUD regulations.

The waiting list for the Project-Based Section 8 Assistance Program will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file.
- B. All applications will be maintained by bedroom size, preference and then in order of date and time of application.
- C. Substantive contacts between the Allegheny County Housing Authority and the applicant will be documented in the applicant file.

4.4 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be nearing the top of the waiting list, the family will be mailed a letter and checklist describing what the family needs to bring to a verification

appointment. The verification process will begin. It is at this point in time that the family's waiting list preference will be verified. Annual income must be verified within 60 calendar days of the issuance of a housing choice voucher. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Allegheny County Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

4.5 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment in accordance with the paragraph below will be sent a notice of denial.

The Allegheny County Housing Authority will allow the family to reschedule appointments for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities for good cause. When a good cause exists, the Allegheny County Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being placed on inactive status.

4.6 PURGING THE WAITING LIST

The Allegheny County Housing Authority will update and purge its waiting list as necessary to ensure that the pool of applicants reasonably represents interested families. Purging also enables the Housing Authority to update the information regarding address, family composition, income category and preferences.

The purge shall consist of the Allegheny County Housing Authority mailing via first class mail a form to be completed by the person on the waiting list and returned to the housing authority within a specified number of calendar days. If the envelope is returned as undeliverable or if no response is received from the applicant within the specified time frame, the applicant shall be stricken from the waiting list. If the envelope is returned with a forwarding address on it, the housing authority shall mail the form to the new address, with a new deadline for response.

4.7 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Allegheny County Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses scheduled appointments;

- C. The applicant does not meet either the eligibility or screening criteria for the program; or
- D. The applicant has been issued a Housing Choice Voucher.

The reason for all removals from the waiting list shall be carefully documented in the applicant's file and retained for three years from the date the file is closed.

4.8 GROUND FOR DENIAL

The Allegheny County Housing Authority will deny assistance to applicants who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process, however, once supplied, the family may reapply for assistance;
- C. Fail to respond to a written request for information or a request to declare their continued interest in the program however, once supplied, the family may reapply for assistance;
- D. Fail to complete any aspect of the application or lease-up process however, once the family completes the process, they may reapply for assistance;
- E. Have a family member who was evicted from federally assisted housing within the past five years for any reason other than the non-payment of rent. The five year limit is based on the date of such eviction, not the date the crime was committed.

However, the Allegheny County Housing Authority may admit the household if the PHA determines:

- 1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Allegheny County Housing Authority; or
 - 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- F. Have a household member who is currently engaging in illegal use of a drug;

- G. Have a household member whose illegal drug use or a pattern of illegal drug use may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents (family will be denied for three years);
- H. Have a household member who has ever been convicted of drug-related criminal activity for the manufacture or production of methamphetamine (this will result in lifetime denial of assistance);
- I. Have a household member who is subject to a lifetime registration requirement under a State sex offender registration program (this will result in lifetime denial of assistance);
- J. Have a household member whose abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents (family will be denied for three years);
- K. Have a household member who is a fugitive felon, parole violator or person fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees (family will be denied for three years);
- L. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety or well being of other tenants or staff or cause damage to the property.

For the purpose of this Policy, if any adult member of the applicant family is currently charged with or has been convicted in the last five (5) years of the projected date of admission of any of the following listed offenses, they will be determined to have engaged in criminal activity, drug-related criminal activity or violent criminal activity.

This section will also be amended to bar admission of any applicant that is currently charged with or convicted of attempt, conspiracy or solicitation to commit any of the offenses listed in Section 4.8 L.

M. Denial for Firearms – A household member is currently charged with or has been convicted in the last five (5) years of violating the Pennsylvania Uniform Firearms Act of 1995.

Denial will be upheld until debt is paid, once paid the family may re-apply for assistance if the waiting list is open;
- R. Have not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease. Denial will be upheld until debt is paid, once paid the family may re-apply for assistance if the waiting list is open;

- U. If a welfare-to-work (WTW) family fails, willfully and persistently, to fulfill its obligations under the welfare-to-work voucher program.

If the Allegheny County Housing Authority denies admission to the Allegheny County Housing Authority's Housing Choice Voucher program on the basis of a criminal record, the Allegheny County Housing Authority will provide the person with the criminal record (i.e., the family member) and the applicant head of household with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record, in the procedures for the Informal Review Process for Applicants. The applicant will have ten (10) calendar days to dispute the accuracy and relevance of the record in writing. If the

Allegheny County Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

The Allegheny County Housing Authority will deny the eligibility of an assistance applicant if s/he (including each member of the household required to disclose his/her SSN) does not disclose a SSN and/or provide documentation of such SSN. However, if the family is otherwise eligible to participate in the program, the family may maintain his/her position on the waiting list for a period of 30 days pending disclosure of requested information.

If an applicant is denied admission due to a current criminal charge that is later dismissed, withdrawn, or where the applicant is found not-guilty; the applicant shall be reinstated to the waiting list as of the date they originally attempted to apply if requested within 90 days of the dismissal, withdrawal, or finding of not guilty.

4.9 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Allegheny County Housing Authority, in writing, that they have ten (10) business days, from the date of the written correspondence, to present mitigating circumstances or request an informal review in writing. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Allegheny County Housing Authority's system of removing applicants' names from the waiting list will not violate the rights of persons with disabilities. If an applicant's failure to respond to a request for information or updates was caused by the applicant's disability, the Allegheny County Housing Authority will provide a reasonable accommodation. If the applicant indicates that they did not respond due to a disability, the Allegheny County Housing Authority will verify that there is in fact a disability and that the accommodation they are requesting is necessary based on the disability. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

4.10 INFORMAL REVIEW

If the Allegheny County Housing Authority determines that an applicant does not meet the criteria for receiving Section 8 assistance, the Allegheny County Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Allegheny County Housing Authority will describe how to obtain the informal review. The informal review process is described in Section 15.2 of this Plan.

5.0 SELECTING FAMILIES FROM THE WAITING LIST

5.1 WAITING LIST ADMISSIONS AND SPECIAL ADMISSIONS

The Housing Authority may admit an applicant for participation in the program either as a special admission or as a waiting list admission.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the Allegheny County Housing Authority will use the assistance for those families. If this occurs, the Allegheny County Housing Authority will maintain records demonstrating that these targeted housing choice vouchers were used appropriately. When one of these targeted vouchers turns over, the voucher shall be issued to applicants with the same specific characteristic as the targeted program describes.

5.2 PREFERENCES

Consistent with the Allegheny County Housing Authority Agency Plan, the Allegheny County Housing Authority will select families based on local housing needs and priorities that have the following preferences. They are consistent with the Allegheny County Housing Authority's Agency Plan and the Consolidated Plan that covers our jurisdiction.

- A. Applicants who are victims of domestic violence;
- B. Applicants for whom a law enforcement agency is seeking housing as an accommodation for its witness protection program regardless of whether the waiting list is open or closed;
- C. Successful graduates of the Allegheny County Housing Authority public housing Family Self-Sufficiency Program.
- D. Veterans – people who have served the United States military and received an honorable discharge.
- E. Applicants who are transitioning from a licensed nursing home to independent living will be granted a preference. There will be a limit of twenty five (25) preferences accepted within a calendar year regardless of whether the waiting list is open or closed. No further applications will be accepted for the calendar year once twenty five preferences have been filled. After the end of the calendar year, any remaining preference holders not granted a voucher will be first in line towards the 25 slots for the upcoming calendar year. All applicants must be currently residing in a licensed nursing home in Allegheny County to receive this preference and must have a letter from the nursing home to verify the preference.

All applications will be date and time stamped and will be granted the preference in order of date and time up to the 25 preferences. Any applications that are received after the 25 preferences are accepted will be returned to the applicant. All applications must be mailed in a separate envelope, faxed or hand delivered to 625 Stanwix Street. Multiple applications hand delivered or mailed in a single envelope together will be returned to the sender.

- F. Residents of the Allegheny County Housing Authority public housing program asked to move due to the modernization of his or her unit or community regardless of whether the waiting list is open or closed.

The Allegheny County Housing Authority will not penalize a family in admission to the program, solely because the family resides in public housing.

5.2.1 FEDERAL DISASTERS

In the case of a federally declared disaster, the Allegheny County Housing Authority reserves the right for its Executive Director to suspend its preference system for whatever duration the Executive Director feels is appropriate and to admit victims of the disaster to the program instead of those who would be normally admitted. Any other provisions of this policy can also be suspended during the emergency at the discretion of the Executive Director so long as the provision suspended does not violate a law. If regulatory waivers are necessary, they shall be promptly requested of the HUD Assistant Secretary for Public and Indian Housing.”

5.3 SELECTION FROM THE WAITING LIST

Applicants with a preference shall be housed before applicants without one of the preferences for both the Section 8 Tenant Based Assistance Program and the Section 8 Project-Based Assistance Program. There shall be no priority between the preferences. The date and time of application will be noted and utilized to determine the sequence within applicants with or without one of the preferences.

For purposes of the Project-Based Section 8 Assistance Program, if an applicant is removed from the Project-Based Assistance Program waiting list, because of the rejection of an offer of a unit, the rejection will not alter the applicants' position on the Section 8 Tenant Based Assistance Program waiting list. Likewise, if the owner rejects the available applicant, the rejection will not be counted against the one unit offer and the family will maintain their position on the Project-Based Section 8 Assistance Program. The owner must promptly notify the Allegheny County Housing Authority in writing any rejected applicant of the grounds for any rejection.

Under this plan, the first qualified applicant in sequence on the Section 8 Project-Based Assistance Program waiting list will be made an offer of project-based assistance based

on the available unit size available. If the available unit being offered is specifically designed for persons with mobility, sight and/or hearing impairments (referred to as accessible units), the Allegheny County Housing Authority will skip over families not requiring the accessible unit to reach a family who does require such accommodation. Non-mobility impaired families will be offered these units if no family on the waiting list requires these features. The applicant family will only have one chance to accept a unit offer. If the applicant family rejects the offer, his or her name will be removed from the waiting list and he or she would have to re-apply. The applicant family will be notified in writing of the reason they are being removed from the waiting list and their right to an informal review as described in Section 4.10.

If more than one unit of the appropriate type and size is available, the first unit to be offered will be the first unit that is ready for occupancy.

The Allegheny Housing Authority will maintain a record of units offered, including location, date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

All Section 8 Tenant Based Assistance waiting list families who want project-based units will be permitted to place their names on the Section 8 Project-Based Assistance Program waiting list.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income (unless a different target is agreed to by HUD), the Allegheny County Housing Authority retains the right to skip higher income families on the waiting list to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list, we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

6.0 ASSIGNMENT OF BEDROOM SIZES (SUBSIDY STANDARDS)

The Allegheny County Housing Authority will issue a housing choice voucher for a particular bedroom size – the bedroom size is a factor in determining the family’s level of assistance. The following guidelines will determine each family’s unit size without overcrowding or over-housing:

| Number of Bedrooms | Number of Persons | |
|--------------------|-------------------|---------|
| | Minimum | Maximum |
| 0 | 1 | 2 |
| 1 | 1 | 2 |
| 2 | 2 | 4 |
| 3 | 3 | 6 |
| 4 | 4 | 8 |
| 5 | 5 | 10 |

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Allegheny County Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school or temporarily in foster-care.

Bedroom size will also be determined using the following guidelines:

- A. Children of the opposite sex, both under the age of six (6), will share a bedroom.
- B. Children of the same sex will share a bedroom unless there is more than a seven year difference in age.
- C. Persons of different generations will not be required to share a bedroom.
- D. Live-in aides will get a separate bedroom.

The Allegheny County Housing Authority will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a disability or a medical reason why the larger size is necessary.

The family unit size will be determined by the Allegheny County Housing Authority in accordance with the above guidelines and will determine the maximum rent subsidy for the family; however, the family may select a unit that may be larger or smaller than the family unit size. If the family selects a smaller unit, the payment standard for the smaller

size will be used to calculate the subsidy. If the family selects a larger size, the payment standard for the family unit size will determine the maximum subsidy.

6.1 BRIEFING

A. Tenant Based Assistance

When the Allegheny County Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing explaining how the program works. In order to receive a housing choice voucher the head of household is required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. If the family fails to attend two briefings without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

1. A description of how the program works;
2. Family and owner responsibilities;
3. Where the family may rent a unit, including inside and outside the Housing Authority's jurisdiction;
4. Types of eligible housing, housing including Special Housing types that may be used to accommodate a family with a disability and as defined in 24 CFR 982.601;
5. For families qualified to lease a unit outside the Housing Authority's jurisdiction under portability, an explanation of how portability works;
6. An explanation of the advantages of living in an area that does not have a high concentration of poor families including maps that show locations of housing opportunities outside areas of poverty or minority concentration, both within and outside its jurisdiction and neighboring its jurisdiction;

has assembled information about job opportunities, schools, transportation, and other services in these areas;

7. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard when the family initially rents a unit and the fact that the family may have to pay a security deposit from its own funds;
8. An explanation of both the homeownership and Family Self-Sufficiency Programs;
9. An explanation of the preference given by the public housing program for people in good standing who voluntarily surrender their voucher;
10. An explanation of opportunities outside areas of poverty or minority concentration both within its jurisdiction and neighboring its jurisdiction; and
11. An explanation of information contained in the Housing Choice Voucher packet.

B. Project-Based Assistance

When the Allegheny County Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing explaining how the project-based program works. In order to be eligible for a vacant unit, the family is required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. If the family fails to attend two briefings without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Allegheny County Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Allegheny County Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

1. A description of how the program works;
2. Family and owner responsibilities;

3. The fact that the subsidy is tied to the unit. After the initial 12-month period, that the family has the right to move and be issued a tenant based voucher.

6.2 PACKET

A. Tenant Based Assistance

During the briefing, the Housing Authority will give the family a packet covering at least the following subjects:

2. How the Housing Authority determines the housing assistance payment and total tenant payment for the family;
3. Information on the payment standard, exception payment standard rent areas, and the utility allowance schedule;
4. How the Housing Authority determines the maximum rent for an assisted unit;

This policy requires applicants to sign disclosure statements allowing the Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses.

9. The Housing Authority's subsidy standards, including when the Housing Authority will consider granting exceptions to the standards such as a reasonable accommodation to a person with a disability;

23. Information on prohibition against leasing from a relative, unless needed as a reasonable accommodation; and
24. Information on how to request a utility allowance exception if needed as a reasonable accommodation.

B. Project-Based Assistance

During the briefing, the Housing Authority will give the family a packet covering at least the following subjects:

1. How the Housing Authority determines the housing assistance payment and total tenant payment for the family (including a copy of the utility allowances);
2. A statement of the Housing Authority's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses. Upon request, the Housing Authority will also supply any factual information or third party verification relating to the applicant's history as a tenant or their ability to comply with material standard lease terms or any history of drug trafficking, drug-related criminal activity or any violent criminal activity;

8. A Notice to participants of the availability of mobility counseling.
9. Information on reasonable accommodation allowances such as modification of the utility allowance and leasing from relatives.

6.3 ISSUANCE OF VOUCHER; REQUEST FOR APPROVAL OF TENANCY

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefing, the Allegheny County Housing Authority will issue the housing choice voucher. At this point the family begins their search for a unit.

When the family finds a unit that the owner is willing to lease under the program, the family and/or the owner will complete the Request for Tenancy Approval form and provide a proposed lease agreement with the HUD required tenancy addendum attached. The terms of the HUD tenancy addendum shall prevail over any other provisions of the lease. The proposed lease, verifications of paid property taxes, proof of ownership with a copy of an executed management agreement (if necessary), a copy of a Borough passed occupancy permit (if required by the Borough) and the Request for Tenancy Approval form will be submitted by the owner prior to tenancy approval and contract preparation. The family may submit the proposed lease and the request form to the Housing Authority during the term of the housing choice voucher.

The Housing Authority will review the request, the lease, and the HUD required tenancy addendum and make an initial determination of approval of tenancy. The Housing Authority may assist the family in negotiating changes that may be required for the tenancy to be approvable. Once it appears the tenancy may be approvable, the Housing Authority will schedule an appointment to inspect the unit within 15 calendar days after the receipt of inspection request from the family and owner. The 15 day period is suspended during any period the unit is unavailable for inspection. The Housing Authority will promptly notify the owner and the family whether the unit and tenancy are approvable.

Upon request during the initial stage of qualifying the unit, the Housing Authority will provide the prospective owner with information regarding the program. Information will include Housing Authority and owner responsibilities for screening and other essential program elements. The Housing Authority will provide the owner with the family's current and prior address as shown in the Housing Authority records along with the name and address (if known) of the landlords for those addresses.

Additional screening is the responsibility of the owner.

6.4 TERM OF THE HOUSING CHOICE VOUCHER

The initial term of the voucher will be 60 calendar days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions may not exceed 120 calendar days from the initial date of issuance without an extraordinary reason. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 60 calendar days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 days search time.

At the Allegheny County Housing Authority's discretion, extensions to reissuances of vouchers may be considered beyond 120 days on a case by case basis.

If a family's voucher expires, the family is no longer eligible for housing assistance. They are free to re-apply to the Housing Choice Voucher program and start over again at the bottom of the waiting list. If the waiting list is closed, they must wait until the Allegheny County Housing Authority is once again accepting applicants for the Section 8 program. They will be treated exactly like all other new applicants for the program.

6.5 APPROVAL TO LEASE A UNIT

The Allegheny County Housing Authority will approve a lease if all of the following conditions are met:

- A. The unit is eligible;
- B. The unit is inspected by the Housing Authority and passes HQS;
- C. The lease is approvable and includes the following:
 - 1. The names of the owner and the resident;
 - 2. The address of the unit rented;
 - 3. The term of the lease (initial term and any provisions for renewal);

4. The amount of the monthly rent to owner;
 5. A specification of what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family; and
 6. The required HUD tenancy addendum.
- D. The rent to owner is reasonable;
- E. The family's share of rent does not exceed 40% of their monthly adjusted income if the gross rent exceeds the applicable payment standard;
- F. The owner certifies that he or she is not in a conflict of interest situation with the resident;
- G. The owner has not been found to be debarred, suspended, or subject to a limited denial of participation by HUD or the Housing Authority; and
- H. The family continues to meet all eligibility and screening criteria.
- I. The owner has provided verification that all property taxes (county, local and school) have been paid.

If tenancy approval is denied, the Housing Authority will advise the owner and the family in writing and advise them also of any actions they could take that would enable the Housing Authority to approve the tenancy.

The lease term may begin only after all of the following conditions are met:

- A. The unit passes the Housing Authority HQS inspection;
- B. The family's share of rent does not exceed 40% of their monthly adjusted income if the gross rent exceeds the applicable payment standard;
- C. The landlord and resident sign the lease to include the HUD required addendum; and
- D. The Housing Authority approves the leasing of the unit.

The Housing Authority will prepare the contract when the unit is approved for tenancy. Generally, the landlord, simultaneously with the signing of the lease and the HUD required tenancy addendum, will execute the contract. Upon receipt of the executed lease and the signed contract by the landlord, the Housing Authority will execute the contract. The Housing Authority will not pay any housing assistance to the owner until the contract is executed.

In no case will the contract be executed later than 60 calendar days after the beginning of the lease term.

Any contract executed after the 60-day period will be void and the Housing Authority will not pay housing assistance to the owner.

6.6 ALLEGHENY COUNTY HOUSING AUTHORITY DISAPPROVAL OF OWNER

The Housing Authority will deny participation by an owner at the direction of HUD (one who has been debarred, suspended or is subject to a limited denial of participation). The Housing Authority will also deny the owner's participation for any of the following reasons:

- A. The owner has violated any obligations under a Section 8 Housing Assistance Payments Contract;
- B. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- C. The owner has engaged in drug-related criminal activity or any violent criminal activity;
- D. The owner has a history or practice of non-compliance with HQS for units leased under Section 8 or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program;
- E. The owner has a history or practice of renting units that fail to meet State or local codes;
- F. The owner has not paid State or local real estate taxes, fines, or assessments;
- G. The owner refuses (or has a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the:
 - 1. premises by residents, Allegheny County Housing Authority employees or owner employees; or
 - 2. residences by neighbors;
- H. If the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family of an applicant seeking the initial use of a housing choice voucher (currently shopping) unless the Allegheny County Housing Authority

determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities;

- I. The Housing Authority has been informed by HUD that the federal government has instituted an administrative or judicial action against the owner for a violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending or a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements; or
- J. Other conflicts of interest under Federal, State, or local law.

6.7 INELIGIBLE/ELIGIBLE HOUSING

The following types of housing cannot be assisted under the Section 8 Tenant-Based Program:

- A. A public housing or Indian housing unit;
- B. A unit receiving project-based assistance under a Section 8 Program;
- C. Nursing homes, board and care homes, or facilities providing continual psychiatric, medical or nursing services;
- D. College or other school dormitories;
- E. Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- F. A unit occupied by its owner. This restriction does not apply to cooperatives or to assistance on behalf of a manufactured home owner leasing a manufactured home space or units being purchased under a Section 8 Homeownership Program; and
- G. A unit receiving any duplicative Federal, State, or local housing subsidy. This does not prohibit renting a unit that has a reduced rent because of a tax credit.

The Allegheny County Housing Authority will not approve a lease for any of the following special housing types, except as a reasonable accommodation for a family with disabilities:

- A. Congregate housing
- B. Group homes

- C. Shared housing
- D. Cooperative housing
- E. Single room occupancy housing

The Allegheny County Housing Authority will approve leases for the following housing types:

- A. Single family dwellings
- B. Apartments, townhouses or row houses
- C. Manufactured housing
- D. Manufactured home space rentals

If a property has both HUD issued project-based assisted units and market rate units, housing choice vouchers can be utilized in the market rate units, but not the project-based units. In this situation, rent reasonableness will dictate that the rent for the housing choice voucher unit will equal the HUD-approved rent (the basic rent) for the project-based units as long as it is within the Allegheny County Housing Authority's payment standard. Also, the Allegheny County Housing Authority's utility schedule will be utilized in setting the rent, not the property's utility schedule. Finally, the Allegheny County Housing Authority will re-certify everyone living in a property utilizing tenant-based housing choice vouchers and the landlord will be responsible for the re-certification of those residing in the property using project-based vouchers.

6.8 SECURITY DEPOSIT

The owner may collect a security deposit from the participant in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted residents in the same complex.

When the resident moves out of the dwelling unit, the owner, subject to State or local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the participant, damages to the unit or for other amounts the family owes under the lease.

The owner must give the participant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the resident in compliance with State law.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

7.0 MOVES WITH CONTINUED ASSISTANCE

The following rules apply to participant families wanting to move to a new unit. During the initial one year lease term, the move must be necessitated by a reason other than family choice. The family must also obtain mutual rescission from the landlord and approval from the Allegheny County Housing Authority to move during the initial one year lease term.

During any subsequent lease term, the family must obtain mutual rescission from the landlord. A family may move at the end of a subsequent lease term if the family has provided the landlord and the Allegheny County Housing Authority with 60 days prior written notice of their intent to move (unless the lease specifies a different notice period). If a subsequent lease term has ended and is not renewed by either mutual agreement of the family and the landlord or by the terms of the lease, the family may move if they have provided 60 days prior written notice to the landlord and the Allegheny County Housing Authority of their intent to move.

Families are not permitted to move more than once during a 12 month period unless the move is necessitated by a reason other than family choice. If a family wishes to move more than once during a 12 month period, the Allegheny County Housing Authority must approve the move and the family must obtain mutual rescission from the landlord.

If a participant family is in otherwise good standing and is not in violation of a participant obligation, the family may be permitted to move if the owner has given the resident a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the tenant.

Participant families are also allowed to move if the Allegheny County Housing Authority terminates the HAP Contract or if there is insufficient funding for continued assistance.

Participant families may be denied permission to move under any of the above circumstances if the family owes money to the Allegheny County Housing Authority or another Housing Authority, is in violation of a participant obligation or pursuant to 24 CFR §982.552. In the event that a new voucher has been issued prior to the Allegheny County Housing Authority becoming aware of a program violation, the family may not utilize the new voucher until the problem with the current or previous landlord is resolved. The Allegheny County Housing Authority expressly reserves the right to revoke the Housing Choice Voucher and its benefits if it is issued before the ACHA becomes aware of the program violation.

Participant families that are assisted with project-based assistance may move from the assisted building, and retain federal housing assistance if the assisted family has occupied the dwelling unit with the project-based voucher assistance for 12 months and has given the owner proper notice to vacate. The Allegheny County Housing Authority must provide the family with a Housing Choice Voucher. If no such assistance is available at the time the family moves, the Allegheny County Housing Authority will give the family priority to receive the next available tenant based voucher. Vouchers under funding allocations targeted by HUD for special purposes (e.g., Family Unification, Mainstream, Welfare-to-Work) are not available for this purpose, since they are required to be used only for the targeted purpose.

7.1 RESERVED

7.2 PROCEDURES REGARDING FAMILY MOVES

Families considering transferring to a new unit will be scheduled to attend a mover's briefing. All families who are moving, including any families moving into or out of the Allegheny County Housing Authority's jurisdiction, will be required to attend a mover's briefing prior to the Allegheny County Housing Authority entering a new HAP contract on their behalf.

This briefing is intended to provide the following:

- A. A refresher on program requirements and the family's responsibilities. Emphasis will be on giving proper notice and meeting all lease requirements such as leaving the unit in good condition;
- B. Information about finding suitable housing and the advantages of moving to an area that does not have a high concentration of poor families;
- C. Payment standards, exception payment standard rent areas, and the utility allowance schedule;
- D. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard when initially renting a unit;
- E. Portability requirements and opportunities;
- F. The need to have a reexamination conducted within 120 calendar days prior to the move;

- G. An explanation and copies of the forms required to initiate and complete the move; and
- H. All forms and brochures will be offered to applicants at the initial briefing and again at the moving briefing.

Families are required to give proper written notice of their intent to terminate the lease. In accordance with HUD regulations, no notice requirement may exceed 60 calendar days. During the initial term, families may not end the lease unless they and the owner mutually agree to end the lease. If the family moves from the unit before the initial term of the lease ends without the owner's and the Allegheny County Housing Authority's approval, it will be considered a serious lease violation and subject the family to termination from the program.

The family is required to give the Allegheny County Housing Authority a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the lease termination notice to the Allegheny County Housing Authority will be considered a violation of Family Obligations and may cause the family to be terminated from the program.

A family who gives notice to terminate the lease must mail the notice by certified mail or have the landlord or his agent sign a statement stating the date and time received. The family will be required to provide the certified mail receipt and a copy of the lease termination notice to the Allegheny County Housing Authority, or a copy of the lease termination notice and the signed statement stating the date and time the notice was received. If the landlord or his/her agent does not accept the certified mail receipt, the family will be required to provide the receipt and envelope showing that the attempt was made.

Failure to follow the above procedures may subject the family to termination from the program.

8.0 PORTABILITY

8.1 *GENERAL POLICIES OF THE ALLEGHENY COUNTY HOUSING AUTHORITY*

A family whose head or spouse has a domicile (legal residence) in the jurisdiction of the Allegheny County Housing Authority at the time the family first submits its application for participation in the program to the Allegheny County Housing Authority may lease a unit anywhere in the jurisdiction of the Allegheny County Housing Authority or outside the Allegheny County Housing Authority jurisdiction as long as there is another entity operating a tenant-based Housing Choice Voucher program covering the location of the proposed unit.

If the head or spouse of the assisted family does not have a legal residence in the jurisdiction of the Allegheny County Housing Authority at the time of its application, the family will not have any right to lease a unit outside of the Allegheny County Housing Authority jurisdiction for a 12-month period beginning when the family is first admitted to the program. During this period, the family may only lease a unit located in the jurisdiction of the Allegheny County Housing Authority.

Families participating in the Housing Choice Voucher Program will not be allowed to move more than once in any 12-month period and under no circumstances will the Allegheny County Housing Authority allow a participant to improperly break a lease. Under extraordinary circumstances the Allegheny County Housing Authority may consider allowing more than one move in a 12-month period.

Families may only move to a jurisdiction where a Housing Choice Voucher Program is being administered.

For income targeting purposes, the family will count towards the initial housing authority's goals unless the receiving housing authority absorbs the family. If absorbed, the admission will count towards the receiving housing authority's goals.

If a family has moved out of their assisted unit in violation of the lease, the Allegheny County Housing Authority will not issue a voucher and will terminate assistance in compliance with Section 17.0, Termination of the Lease and Contract. This will not apply if the family has complied with all program requirements and the family has moved out of the assisted dwelling unit in order to protect the health or safety of an individual who is or has been the victim of domestic violence, dating violence, or stalking and who reasonably believed he or she was imminently threatened by harm from further violence if he or she remained in the assisted dwelling unit.

Any of the above general policies will be waived by the Allegheny County Housing Authority in order to help participants who are compliant with their existing leases but who reasonably believe they need to move to protect the health and/or safety of a victim of domestic violence, dating violence or stalking. In order to exercise this waiver, the participant shall provide the Allegheny County Housing Authority with appropriate verification. Types of acceptable verifications are outlined in Section 17.2 of this Section 8 Administrative Plan, and must be submitted within 14 business days after receipt of the Housing Authority's written request for verification.

8.2 INCOME ELIGIBILITY

- A. A family must be income-eligible in the area where the family first leases a unit with assistance in the Housing Choice Voucher Program.

- B. If a portable family is already a participant in the Initial Housing Authority's Housing Choice Voucher Program, income eligibility is not re-determined.

8.3 PORTABILITY: ADMINISTRATION BY RECEIVING HOUSING AUTHORITY

- A. When a family utilizes portability to move to an area outside the Initial Housing Authority jurisdiction, another Housing Authority (the Receiving Housing Authority) must administer assistance for the family if that Housing Authority has a tenant-based program covering the area where the unit is located.
- B. A Housing Authority with jurisdiction in the area where the family wants to lease a unit must issue the family a housing choice voucher. If there is more than one such housing authority, the Initial Housing Authority may choose which housing authority shall become the Receiving Housing Authority.

8.4 PORTABILITY PROCEDURES

- A. When the Allegheny County Housing Authority is the Initial Housing Authority:
 - 1. The Allegheny County Housing Authority will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.
 - 2. The Allegheny County Housing Authority will determine whether the family is income-eligible in the area where the family wants to lease a unit if the family is not already a program participant.
 - 3. The Allegheny County Housing Authority will promptly notify the receiving PHA to expect the incoming family; typically by telephone, fax, or email.
 - 4. The Allegheny County Housing Authority will, within 48 hours, notify the Receiving Housing Authority to expect the family via telephone, fax or email.
 - 5. The Allegheny County Housing Authority will complete Part I of the Form HUD-52665 and mail, fax or scan and email to the receiving PHA, along with a copy of the family's voucher issued by the initial PHA, a current copy of Form HUD-50058, and copies of the income verification backing up the form. In the case of an applicant, the Allegheny County Housing Authority will provide the family information and income information to the receiving PHA in a format similar to the Form HUD-50058.

6. The Allegheny County Housing Authority must receive the initial billing submission no later than 60 days following the expiration date of the family voucher issued by the Allegheny County Housing Authority. If the Allegheny County Housing Authority has not received a billing notice by the deadline, the Allegheny County Housing Authority will contact the receiving PHA to determine the status of the family if the Allegheny County Housing Authority intends not to honor a late billing submission.

If the receiving PHA reports that the family is not yet under HAP contract, the Allegheny County Housing Authority may inform the receiving PHA they will not accept any subsequent billing on behalf of the family. Once the Allegheny County Housing Authority has so notified the receiving PHA, the Allegheny County Housing Authority is not required to honor any billing notice after the billing deadline. If the Allegheny County Housing Authority still subsequently receives a late billing notice on behalf of the family, it will return the late Form HUD-52665 to the receiving PHA, and the receiving PHA must absorb the family.

7. The Allegheny County Housing Authority is generally not obligated to honor initial billings that are postmarked, e-mailed or faxed more than 10 working days after the date the HAP contract is executed. The Allegheny County Housing Authority will immediately inform the receiving PHA in writing of its decision not to accept the late billing submission. The Allegheny County Housing Authority has the discretion to accept late billing submissions, if they so choose.

B. When the Allegheny County Housing Authority is the Receiving Housing Authority:

1. When the portable family requests assistance from the Allegheny County Housing Authority, the Allegheny County Housing Authority will within ten (10) business days of HAP contract execution (not its effective date) inform the Initial Housing Authority that it will absorb the family into its program or notify the Initial Housing Authority within the time limit set forth in Part I of the 52665 that it will bill the Initial Housing Authority for assistance on behalf of the portable family. Completing Part II of HUD Form 52665 in a timely manner (10 business days or less of the date the HAP contract is executed) will accomplish this. If the family is absorbed, the Allegheny County Housing Authority will also send the Initial Housing Authority a new HUD Form 50058.
2. The Allegheny County Housing Authority will issue a voucher to the family within fourteen (14) calendar days as long as the initial voucher has not expired (if it has expired, the family shall be referred back to the Initial

Housing Authority). The term of the Allegheny County Housing Authority's voucher will not expire before the expiration date of any Initial Housing Authority's housing choice voucher. The Allegheny County Housing Authority will determine whether to extend the housing choice voucher term. The decision to extend will take into account the Allegheny County Housing Authority's existing absorption policy and the billing deadline date provided by the Initial Housing Authority in the 52665. If an extension is granted, the Initial Housing Authority will be informed of this decision. The family must submit a request for tenancy approval to the Allegheny County Housing Authority during the term of the Allegheny County Housing Authority's housing choice voucher. If the Allegheny County Housing Authority has decided to bill the Initial Housing Authority, the request for tenancy approval must be processed in enough time for the Initial Housing Authority to process a Request for Lease Approval and execute a HAP contract before the billing deadline date.

The Allegheny County Housing Authority will conduct its own background check and/or conduct a new income re-examination on a family that has already received housing assistance payments under the initial PHA. However, the Allegheny County Housing Authority will not delay issuing the family a voucher or otherwise delay approval of a unit until those processes are completed. However, the Allegheny County Housing Authority may take subsequent action (e.g., recalculating the HAP payment based on updated income information; terminating the family's participation in the program due to criminal background or failing to disclose necessary information) against the family based on the results. In the case of an applicant family, the Allegheny County Housing Authority may delay issuing or otherwise delay approval of a unit only if the re-examination is necessary to determine income eligibility.

3. The Allegheny County Housing Authority will determine the family unit size for the portable family. The family unit size is determined in accordance with the Allegheny County Housing Authority's subsidy standards.
4. The Allegheny County Housing Authority will notify the Initial Housing Authority if the family has leased an eligible unit under the program, or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the housing choice voucher. In any event the Allegheny County Housing Authority will notify the Initial Housing Authority of what is occurring before the expiration of the deadline established in the HUD Form 52665. If the family has leased a unit, the Allegheny County Housing Authority will notify the Initial Housing Authority of this fact in enough time for the Initial Housing Authority to process a Request for Lease Approval and execute a HAP contract if the

Allegheny County Housing Authority intends to bill the Initial Housing Authority.

5. In order to provide tenant-based assistance for portable families, the Allegheny County Housing Authority will perform all Housing Authority program functions, such as reexaminations of family income and composition. At any time, either the Initial Housing Authority or the Allegheny County Housing Authority may make a determination to deny or terminate assistance to the family. If assistance is denied or terminated, the family shall have a right to an informal hearing.
6. The Allegheny County Housing Authority may deny or terminate assistance for family action or inaction in accordance with 24 CFR 982.552 and 24 CFR 982.553.

C. Absorption by the Allegheny County Housing Authority

If funding is available under the consolidated ACC for the Allegheny County Housing Authority's Housing Choice Voucher Program when the portable family is received, the Allegheny County Housing Authority may absorb the family into its Housing Choice Voucher Program. The decision to absorb or not will be made on a case-by-case basis and will solely be the decision of the Allegheny County Housing Authority. If absorbed, the family is assisted with funds available under the consolidated ACC for the Allegheny County Housing Authority's Tenant-Based Program.

D. Portability Billing

To cover assistance for a portable family, the Receiving Housing Authority may bill the Initial Housing Authority for housing assistance payments and administrative fees as long as all HUD required deadlines have been compiled with. The billing procedure will be as follows:

The Allegheny County Housing Authority will promptly inform the initial PHA if it intends to absorb or bill. The Allegheny County Housing Authority will send Part II of Form HUD 52665 to the initial PHA. If the Allegheny County Housing Authority decides to bill the initial PHA, the Allegheny County Housing Authority will not only complete Part II of the Form HUD 52665, but will attach a copy of the new Form HUD 50058 before returning to the initial PHA. The Allegheny County Housing Authority must complete and mail (which may include electronic mail or fax) Part II of the form within 10 working days from the date a HAP contract is executed on behalf of a family.

1. As the Initial Housing Authority, the Allegheny County Housing Authority will within thirty (30) calendar days of receipt of the completed Part II of the HUD Form 52665 reimburse the Receiving Housing Authority for the full amount of the housing assistance payments made by the Receiving Housing Authority for the portable family in a form and manner the Receiving Housing Authority is able and willing to accept. Payments made after the first payment shall be sent in time for the Receiving Housing Authority to receive the payment no later than the fifth working day of the month. The amount of the housing assistance payment for a portable family in the Receiving Housing Authority's program is determined in the same manner as for other families in the Receiving Housing Authority's program.
2. The Initial Housing Authority will promptly reimburse the Receiving Housing Authority for 80% of the Initial Housing Authority's on-going administrative fee for each unit month that the family receives assistance under the tenant-based programs and is assisted by the Receiving Housing Authority.

E. When a Portable Family Moves

When a portable family moves out of the tenant-based program of a Receiving Housing Authority that has not absorbed the family, the Housing Authority in the new jurisdiction to which the family moves becomes the Receiving Housing Authority, and the first Receiving Housing Authority is no longer required to provide assistance for the family.

F. On-going Responsibilities as a Receiving Housing Authority

When the Allegheny County Housing Authority is a receiving agency it will:

1. Send the Initial Housing Authority an updated HUD Form 50058 at each annual recertification so the Initial Housing Authority can reconcile it with its records.
2. Send the Initial Housing Authority a copy of any new HUD Forms 52665s and 50058s to report any change in the billing amount with ten (10) working days of the effective date of any change in the billing amount.
3. If the Allegheny County Housing Authority decides to absorb a family it had previously been billing for, it shall notify the Initial Housing Authority within ten (10) working days following the effective date of the termination of the billing arrangement.

4. If the family decides it wants to move to yet another jurisdiction, the Initial Housing Authority shall be promptly notified and requested to send a new HUD Form 52665 and supporting documentation to the new Receiving Housing Authority.

9.0 DETERMINATION OF FAMILY INCOME

9.1 INCOME, EXCLUSIONS AND DEDUCTIONS FROM INCOME

To determine annual income, the Allegheny County Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Allegheny County Housing Authority subtracts all allowable deductions (allowances) as the next step in determining the Total Tenant Payment.

9.2 INCOME

- A. Annual income means all amounts, monetary or not, that:
 1. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member, or
 2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
 3. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Allegheny County Housing Authority believes that past income is the best available indicator of expected future income, the actual past annual income from the previous year listed on HUD computer reports will be utilized and rent will be calculated from this.

- B. Annual income includes, but is not limited to the amounts specified in the federal regulations currently found in 24 CFR 5.609:
 1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
 2. The net income from the operation of a business or profession.

Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1000 that were disposed of for less than fair market value within the past two years will be counted as income.
4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
6. Welfare assistance.
 - a. Welfare assistance payments
 - i. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are

included in annual income only to the extent such payments:

- (1). Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
 - (2). Are not otherwise excluded under paragraph Section 9.3 of this Plan.
- ii. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
- (1). The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - (2). The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

b. Imputed welfare income.

- 1). A family's annual income includes the amount of imputed welfare income (because of welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the Allegheny County Housing Authority by the welfare agency), plus the total amount of other annual income.
- 2). At the request of the Allegheny County Housing Authority, the welfare agency will inform the Allegheny County Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Allegheny County Housing Authority of any

subsequent changes in the term or amount of such specified welfare benefit reduction. The Allegheny County Housing Authority will use this information to determine the amount of imputed welfare income for a family.

- 3). A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Allegheny County Housing Authority by the welfare agency).
- 4). The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- 5). The Allegheny County Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- 6). If a participant is not satisfied that the Allegheny County Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Allegheny County Housing Authority denies the family's request to modify such amount, then the Allegheny County Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Allegheny County Housing Authority's determination of the amount of imputed welfare income. The Allegheny County Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may contest the decision in accordance with our informal review policy.
- 7). Relations with welfare agencies
 - a). The Allegheny County Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction,

and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Allegheny County Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

- b). The Allegheny County Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the agency. However, the Allegheny County Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
 - c), Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Allegheny County Housing Authority shall rely on the welfare agency notice to the Allegheny County Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.
7. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.

8. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

9.3 EXCLUSIONS FROM INCOME

- A. Income from employment of children (including foster children) under the age of 18 years;

For purposes of this paragraph, "financial assistance" does not include loan proceeds for the purpose of determining income.
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 1. Amounts received under training programs funded by HUD;

4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiative coordination, and serving as a member of the Allegheny County Housing Authority's governing board. No resident may receive more than one such stipend during the same period of time;
5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
6. Temporary, nonrecurring, or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

11. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

- D. Reasonable childcare expenses for children 12 and younger necessary to enable a member of the family to be employed or to further his or her education. This deduction shall not exceed 50% of gross family income. A larger deduction can be approved as a reasonable accommodation.

If the childcare provider is an unlicensed individual, the individual must provide their Social Security Number and a notarized statement of the amount that is being charged.

- B. To provide written verification to the Allegheny County Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

9.7 COOPERATING WITH LAW ENFORCEMENT AGENCIES

The Allegheny County Housing Authority will supply upon legitimate request (1) the current address, (2) Social Security number and (3) photograph (if available) of any recipient of assistance.

The Federal, State or local enforcement officer must submit a request that is (1) written, (2) on law enforcement agency letterhead, and (3) is signed by the requesting officer and his or her immediate supervisor. The request for

information must provide the name of the fugitive felon and/or parole or probation violator being sought, and may include other personal information used for identification. The request should also comply with the following requirements:

- A. The law enforcement agency shall notify Allegheny County Housing Authority that the fugitive felon and/or parole or probation violator (i) is fleeing to avoid prosecution, custody or confinement after conviction, under the laws of the place from which the individual flees, for a crime, or attempt to commit a crime, which is a felony under the laws of the place from which the individual flees, or which, in the case of the State of New Jersey, is a high misdemeanor; or (ii) is violating a condition of probation or parole imposed under Federal or State law; or (iii) has information that is necessary for the officer to conduct his/her official duties;

10.0 VERIFICATION

The Allegheny County Housing Authority will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full-time student status of family members 18 years of age and older, Social Security Numbers, citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

10.1 ACCEPTABLE METHODS OF VERIFICATION

UIV will be used to the maximum extent possible when conducting mandatory examinations and interim examinations of family income and composition.

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. Enterprise Income Verification (EIV) – HUD’s online wage and benefit system that allows PHAs to verify tenant-reported income from an independent source in computerized form.**
- b. State Wage Information Collection Agencies (SWICAs)**
- c. State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. Credit Bureau Information (CBA) credit reports**
- e. Internal Revenue Service (IRS) Letter 1722**
- f. Private sector databases (e.g. The Work Number)**

It is important to note that UIV data will only be used to verify a participant’s eligibility for participation in a rental assistance program and to determine the level of assistance the participant is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a participant until the Allegheny County Housing Authority has independently verified the UIV information and the participant has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the Allegheny County Housing Authority requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the Allegheny County Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data. All wage, unemployment, employment, and new hire information shall be destroyed no later than two years from the date it is received.

The Allegheny County Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

2. Third –Party Written Verifications

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by another government agency, i.e., Department of Welfare, Veterans Administration, and/or acceptable methods of UIV verification, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Third party verification of SS and SSI benefits shall be obtained by getting a copy of an official Social Security Administration letter of benefits from the person receiving the benefits and verification from HUD's on-line systems dated within the last sixty (60) days. If either of these forms of verification are not obtainable, then the file shall be documented as to why third party verification was not used.

The Allegheny County Housing Authority will allow fourteen (14) calendar days for the return of third party written verifications prior to continuing on to the next type of verification.

3. Third-Party Oral Verifications

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The Allegheny County Housing Authority will allow seven calendar days for the return of third party oral verifications prior to continuing on to the next type of verification.

4. Review of Documents

When UIV, written and oral third party verifications are not available within the twenty-one (21) calendar days period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

5. Self-Certification and Self-Declaration

When UIV, written and oral third party verifications are not available within the twenty-one (21) calendar day period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the Allegheny County Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident’s file.

10.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the Allegheny County Housing Authority will send a request form to the source along with a release form signed by the applicant/participant via first class mail.

| Item to Be Verified | 3 rd party verification | Hand-carried verification |

10.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury.

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS

documentation. The Allegheny County Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Allegheny County Housing Authority also will verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Allegheny County Housing Authority will mail information to the INS so a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals or eligible noncitizens, or whose status cannot be confirmed, must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to the Section 8 Program. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this Section, the family's admission will be denied.

The family's assistance will not be denied, delayed, reduced or terminated because of a delay in the process of determining eligible status under this Section, except to the extent that the delay is caused by the family.

If the Allegheny County Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.

10.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, every family member regardless of age must provide the Allegheny County Housing Authority with a complete and accurate Social Security Number unless they do not contend eligible immigration status. New family members must provide this verification prior to being added to the lease. If the new family member is under the age of six and has not been assigned a Social Security Number, the family shall have ninety (90) calendar days after starting to receive the assistance to provide a complete and accurate Social Security Number. The Allegheny County Housing Authority may grant one ninety (90) day extension if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and was outside the control of the person.

If a person is already a program participant and has not disclosed his or her Social Security Number, it must be disclosed at the next re-examination or re-certification. Participants aged 62 or older as of January 31, 2010 whose initial eligibility determination was begun before January 31, 2010 are exempt from the required disclosure of their Social Security Number.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Allegheny County Housing Authority will accept an original document issued by a federal or state government agency, which contains the name of the individual and the Social Security Number of the individual, along with other identifying information of the individual or such other evidence of the Social Security Number as HUD may prescribe in administrative instructions.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided. If an individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated. The Allegheny County Housing Authority may grant one ninety (90) day extension from termination if in its sole discretion it determines that the person's failure to comply was due to circumstances that could not have reasonably been foreseen and there is a reasonable likelihood that the person will be able to disclose a Social Security Number by the deadline.

10.5 TIMING OF VERIFICATION

Verification must be dated within sixty (60) days of voucher issuance or one hundred and twenty days of re-examination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

10.6 FREQUENCY OF OBTAINING VERIFICATION

Household income and composition will be verified at least annually.

For each family member, citizenship/eligible noncitizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their status will be verified.

For each family member, verification of Social Security Number will be obtained only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be accomplished prior to admission. When a

family member who did not have a Social Security Number at admission receives a Social Security Number, that number will be verified at the next regular reexamination.

11.0 RENT AND HOUSING ASSISTANCE PAYMENT

11.1 GENERAL

RESERVED

11.2 RENT REASONABLENESS

A. Tenant Based Assistance

The Housing Authority will not approve an initial rent or a rent increase in any of the tenant-based programs without determining that the rent amount is reasonable. Reasonableness is determined prior to the initial lease and at the following times:

1. Before any increase in rent to owner is approved. In no case however, will a rent increase be approved for more than 10% of the current rent without Management review and approval;
2. If 60 calendar days before the contract anniversary date there is a 5% decrease in the published FMR as compared to the previous FMR; and
3. If the Housing Authority or HUD directs that reasonableness be re-determined.

B. Project-Based Assistance

The Allegheny County Housing Authority will not enter an agreement to enter into a housing assistance payments contract until the Housing Authority determines that the initial rent to owner under the HAP contract is a reasonable rent.

11.3 COMPARABILITY

A. Tenant Based Assistance

In making a rent reasonableness determination, the Housing Authority will compare the real rent for the unit to the rent of comparable units in the same or comparable neighborhoods that are not assisted under any federal, state or local program. At least three comparable units will be utilized. The Housing Authority will consider the location, quality, size, number of bedrooms, age, amenities,

housing services, maintenance and utilities of the unit and the comparable units. The result of this determination shall be documented in the participant's file.

The Allegheny County Housing Authority uses an automated Rent Reasonableness system to determine reasonable rents and comparability. The system uses a point comparison method and averages rent and utility allowances of unassisted units to certify that the rent offered by the Housing Authority is a reasonable rent. Survey information of unassisted units in the rent reasonableness system is updated on an on-going basis using market surveys, newspaper and rental guides, information collected from owners, realtors, professional organizations, and other available sources.

The Housing Authority will establish minimum base rent amounts for each unit type and bedroom size. To the base the Housing Authority will be able to add or subtract the dollar value for each characteristic and amenity of a proposed unit.

Owners are invited to submit information to the survey at any time. Owners may review the determination made on their unit and may submit additional information or make improvements to the unit that will enable the Housing Authority to establish a higher value.

The owner must certify the rents charged for other units. By accepting the housing assistance payment each month the owner is certifying that the rent to owner is not more than the rent charged by the owner for comparable unassisted units in the premises.

B. Project-Based Assistance

In making a rent reasonableness determination, the Allegheny County Housing Authority must determine whether the rent to owner is a reasonable rent in comparison to rent for other comparable unassisted units. To make this determination, the Housing Authority must consider:

1. The location, quality, size, unit type, and age of the contract unit; and
2. Any amenities, housing services, maintenance and utilities to be provided by the owner in accordance with the lease.
 - a. Initial Rent

To determine that the initial rent to the owner is reasonable, the Housing Authority must use a qualified State-certified appraiser who has no direct or indirect interest in the property or otherwise.

For each unit type, the appraiser must submit a completed comparability analysis on Form HUD-92273 (Estimates of Market Rent by Comparison) for the Allegheny County Housing Authority review and approval. The appraisal must use at least three comparable units in the private unassisted market.

For units that are not HUD-insured or Housing Authority owned the Allegheny County Housing Authority approves the initial rent to owner.

For units that are insured or Housing Authority owned HUD must approve the initial rents.

b. Annual Adjustment of Rent to Owner

The Allegheny County Housing Authority at each annual anniversary date of the HAP contract must adjust the rent to owner in accordance with the following requirements:

- i. The owner must request a rent increase (including a comparability study to determine the amount of such increase) by written notice to the Housing Authority at least 120 days before the HAP contract anniversary.

The Allegheny County Housing Authority will not increase the rent at the annual anniversary unless:

- i. The owner requested the increase by the 120 day deadline; and
- ii. During the year before the contract anniversary, the owner complied with all requirements of the HAP contract, including compliance with the HQS for all contract units.

c. Amount of Annual Adjustment

The adjusted rent to owner (for AHAP's in existence prior to January 16, 2001) equals the lesser of:

- i. The pre-adjustment rent to owner multiplied by the applicable Section 8 annual adjustment factor published by HUD in the Federal Register;
- ii. The reasonable rent as determined by the Allegheny Housing Authority in accordance with 24 CFR 983.256 as follows:

1. In determining the annual adjustment of rent to owner, the adjusted rent to owner must not exceed a reasonable rent as determined by the Allegheny County Housing Authority "comparability study."
2. The comparability study is an analysis of rents charged for comparable units. The Housing Authority comparability study must determine the reasonable rent for the contract units as compared with rents for comparable unassisted units. The adjusted rent for a contract unit may not exceed the reasonable rent as shown by the comparability study.
3. The comparability will include a completed comparability analysis for each unit type on Form HUD-92273 (Estimates of Market Rent by Comparison). The comparability study may be prepared by Housing Authority staff or by another qualified appraiser. The appraiser may not have any direct or indirect interest in the property or otherwise.
4. The comparability study must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units.
5. If the owner requests a rent increase by the 120-day deadline, the Housing Authority must submit a comparability study to the owner at least 60 days before the HAP contract anniversary.

iii. The rent requested by the owner.

For a HAP contract under an Agreement executed on or after June 1, 1998, the applicable factor is the published annual adjustment factor in effect 60 days before the HAP contract anniversary. For a HAP contract under an Agreement executed before June 1, 1998, the applicable factor is the published annual adjustment factor in effect on the contract anniversary date.

In making the annual adjustment, the pre-adjustment rent to owner does not include any previously approved special adjustment.

The rent to owner may be adjusted up or down but will not be less than the initial rent to owner except as necessary to correct errors in establishing the initial rent in accordance with HUD requirements.

For Allegheny County Housing Authority units, the Housing Authority must request HUD approval of the annual adjustment. The Housing Authority will not increase the rent at the annual anniversary until and unless HUD has reviewed the Housing Authority comparability study, and has approved the adjustment.

The adjusted rent to owner (for AHAP's as of January 16, 2001) is equal to:

- i. The reasonable rent as determined by the Allegheny Housing Authority in accordance with 24 CFR 983.256 as follows:
 1. In determining the annual adjustment of rent to owner, the adjusted rent to owner must not exceed a reasonable rent as determined by the Allegheny County Housing Authority "comparability study."
 2. The comparability study is an analysis of rents charged for comparable units. The Housing Authority comparability study must determine the reasonable rent for the contract units as compared with rents for comparable unassisted units. The adjusted rent for a contract unit may not exceed the reasonable rent as shown by the comparability study.
 3. The comparability will include a completed comparability analysis for each unit type on Form HUD-92273 (Estimates of Market Rent by Comparison). The comparability study may be prepared by Housing Authority staff or by another qualified appraiser. The appraiser may not have any direct or indirect interest in the property or otherwise.
 4. The comparability study must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units.
 5. If the owner requests a rent increase by the 120-day deadline, the Housing Authority must submit a comparability study to the owner at least 60 days before the HAP contract anniversary.

- d. Special Adjustment of Rent to Owner (for AHAP's in existence prior to January 16, 2001)

At HUD's sole discretion, HUD may approve a special adjustment of the rent to owner. The Allegheny County Housing Authority may only make a special adjustment of the rent to owner if HUD has approved the adjustment. The owner does not have any right to receive a special adjustment.

A special adjustment may only be approved to reflect increases in the actual and necessary costs of owning and maintaining the contract units because of substantial and general increases in:

- i. Real property taxes;
- ii. Special governmental assessments;
- iii. Utility rates; or
- iv. Cost of utilities not covered by regulated rates.

A special adjustment may only be approved if and to the extent the owner demonstrates that cost increases are not adequately compensated by application of the published annual adjustment factor at the contract anniversary. The owner must demonstrate that the rent to owner is not sufficient for proper operation of the housing.

The adjusted rent may not exceed the reasonable rent as determined by a comparability study.

The Housing Authority may withdraw or limit the term of any special adjustment. If a special adjustment is approved to cover temporary or one-time costs, the special adjustment is only a temporary or one-time increase of the rent to owner.

11.4 MAXIMUM SUBSIDY

One hundred and ten percent of the Fair Market Rent (FMR) published by HUD or the exception payment standard rent (requested by the Allegheny County Housing Authority and approved by HUD) determines the maximum subsidy for a family.

For the Housing Choice Voucher Program, the minimum payment standard will be 90% of the FMR and the maximum payment standard will be 110% of the FMR without prior approval from HUD, or the exception payment standard approved by HUD.

For a voucher tenancy in an insured or noninsured 236 project, a 515 project of the Rural Development Administration, or a Section 221(d)(3) below market interest rate project

the maximum subsidy may not exceed the basic rent charged including the cost of tenant-paid utilities.

For manufactured home space rental, the maximum subsidy under any form of assistance is the Fair Market Rent for the space as outlined in 24 CFR 982.623 and 24 CFR 888.111(e).

For the project-based housing program, the maximum Total Tenant Payment shall not exceed 30% of the family's adjusted monthly income.

11.4.1 Setting the Payment Standard

The Statute requires that the payment standard be set by the Housing Authority at between 90 and 110% of the FMR without HUD's prior approval. The Allegheny County Housing Authority will review its determination of the payment standard annually after publication of the FMRs. The Allegheny County Housing Authority will consider vacancy rates and rents in the market area, size and quality of units leased under the program, rents for units leased under the program, success rates of housing choice voucher holders in finding units, and the percentage of annual income families are paying for rent under the Voucher Program. If it is determined that success rates will suffer or that families are having to rent low quality units located only in poverty-impacted neighborhoods or pay over 40% of income for rent, the payment standard may be raised to the level judged necessary to alleviate these hardships. The objective is to allow families a reasonable selection of modest, decent, and safe housing in a range of neighborhoods.

The Allegheny County Housing Authority may establish a higher payment standard (although still within 110% of the published fair market rent) as a reasonable accommodation for a family that includes people with disabilities. With approval of the HUD Field Office, the payment standard can go to 120%.

If a higher payment standard is needed as a reasonable accommodation, the Allegheny County Housing Authority shall submit the following to HUD:

- A. A statement from a health care provider regarding the nature of the disabled person's disability/ies and the features of the unit (which may include its location) which meet that person's needs.
- B. The contract rent and utility allowance for the unit.
- C. A statement from the agency that it has determined the rent for the unit is reasonable, and that the unit has the feature/s required to meet the needs of the person with disabilities as noted in the statement from the health care provider.

- D. The household's monthly adjusted income.
- E. The FMR for the unit size for which the family is eligible.
- F. Proposed effective date of the new lease or actual effective date of the lease renewal.

If a higher payment standard is needed as a reasonable accommodation, the Allegheny County Housing Authority shall submit the following to HUD:

- A. A statement from a health care provider regarding the nature of the disabled person's disability/ies and the features of the unit (which may include its location) which meet that person's needs.
- B. The contract rent and utility allowance for the unit.
- C. A statement from the agency that it has determined the rent for the unit is reasonable, and that the unit has the feature/s required to meet the needs of the person with disabilities as noted in the statement from the health care provider.
- D. The household's monthly adjusted income.
- E. The FMR for the unit size for which the family is eligible.
- F. Proposed effective date of the new lease or actual effective date of the lease renewal.

Payment standards will not be raised solely to allow the renting of luxury quality units.

If success levels are projected to be extremely high and rents are projected to be at or below 30% of income, the Housing Authority will reduce the payment standard. Payment standards for each bedroom size are evaluated separately so that the payment standard for one bedroom size may increase or decrease while another remains unchanged. The Allegheny County Housing Authority may consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Authority will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

For the project-based assistance program the HAP contract shall establish gross rents (rent to owner plus the allowance for tenant-paid utilities) that do not exceed 110 percent of the established Fair Market Rent (FMR), or any HUD-approved "exception payment

standard" (i.e., a payment standard amount that exceeds 110 percent of the published FMR) for the area where the housing is located.

If a unit has been allocated a low-income housing tax credit under the Internal Revenue Code of 1986 at 26 U.S.C. 42, but is not located in a "qualified census tract" as defined in the law, the rent to owner may be established at any level that does not exceed the rent charged for comparable units in the same building that receive the tax credit but do not have additional rental assistance.

Within the limitations mentioned above, the initial rent to the owner may differ from payment standard amounts in the payment standard schedule adopted for the Allegheny County Housing Authority 's tenant based voucher program. However, just as in the regular tenant based program, the initial and adjusted rent to owner must be reasonable in relation to rents charged in the private market for comparable unassisted units.

11.4.2 Selecting the Correct Payment Standard for a Family

- A. For the housing choice voucher tenancy, the payment standard for a family is the lower of:
 - 1. The payment standard for the family unit size; or
 - 2. The payment standard for the unit size rented by the family.
- B. If the unit rented by a family is located in an exception rent area, the Housing Authority will use the appropriate payment standard for the exception rent area.
- C. During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:
 - 1. The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner; or
 - 2. The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- D. At the next annual reexamination following a change in family size or composition during the HAP contract term and for any reexamination thereafter, paragraph C above does not apply.

- E. If there is a change in family unit size resulting from a change in family size or composition, the new family unit size will be considered when determining the payment standard at the next annual reexamination.

11.4.3 Area Exception Rents

In order to help families find housing outside areas of high poverty or when housing choice voucher holders are having trouble finding housing for lease under the program, the Housing Authority may request that HUD approve an exception payment standard rent for certain areas within its jurisdiction. The areas may be of any size, though generally not smaller than a census tract. The Housing Authority may request one such exception payment standard area or many. Exception payment standard rent authority may be requested for all or some unit sizes, or for all or some unit types. The exception payment standard area(s) may not contain more than 50% of the population of the FMR area.

When an exception payment standard rent has been approved and the FMR increases, the exception rent remains unchanged until such time as the Housing Authority requests and HUD approves a higher exception payment standard rent. If the FMR decreases, the exception payment standard rent authority automatically expires.

11.5 ASSISTANCE AND RENT FORMULAS

A. Total Tenant Payment

The total tenant payment is equal to the highest of:

1. 10% of the family's monthly income
2. 30% of the family's adjusted monthly income
3. The minimum rent
5. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage.

Plus any rent above the payment standard. Initial rent burden must not exceed 40 percent of the family's monthly adjusted income when the family initially moves into a unit or signs the lease for a new unit.

B. Minimum Rent.

The Allegheny County Housing Authority has set the minimum rent as \$50. However, if the family requests a hardship exemption, the Allegheny County Housing Authority will suspend the minimum rent for the family beginning the month following the family's hardship request. The suspension will continue until the Housing Authority can determine whether hardship exists and whether the hardship is of a temporary or long-term nature. During suspension, the family will not be required to pay a minimum rent and the Housing Assistance Payment will be increased accordingly.

1. A hardship exists in the following circumstances:
 - a. When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State or local assistance program including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - b. When the family would be evicted because it is unable to pay the minimum rent;
 - c. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - d. When a death has occurred in the family.
2. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent to the Housing Authority for the time of suspension.
3. Temporary hardship. If the Housing Authority determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 calendar days from the month following the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a reasonable repayment agreement for

any minimum rent back payment paid by the Housing Authority on the family's behalf during the period of suspension.

4. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
5. Appeals. The family may use the informal hearing procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the informal hearing procedures.

3.

C. Section 8 Preservation Vouchers

1. Payment Standard

- a. The payment standard is the lower of:
 - i. The payment standard amount for the appropriate family unit size; or
 - ii. The payment standard amount for the size of the dwelling unit actually rented by the family.
- b. If the dwelling unit is located in an exception area, the Allegheny County Housing Authority will use the appropriate payment standard for the exception area.
- c. During the HAP contract term, the payment standard for the family is the higher of :
 - i. The initial payment standard (at the beginning of the HAP contract term), as determined in accordance with paragraph (1)(a) or (1)(b) of this section, minus any amount by which the initial rent to the owner exceeds the current rent to the owner; or
 - ii. The payment standard as determined in accordance with paragraph (1)(a) or (1)(b) of this section, as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.

- d. At the next regular reexamination following a change in family composition that causes a change in family unit size during the HAP contract term, and for any examination thereafter during the term:
 - i. Paragraph (c)(i) of this section does not apply; and
 - ii. The new family unit size must be used to determine the payment standard.

- 2. The Allegheny County Housing Authority will pay a monthly housing assistance payment on behalf of the family that equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The gross rent minus the total tenant payment.

D. Manufactured Home Space Rental: Section 8 Vouchers

- 1. The payment standard for a participant renting a manufactured home space is the published FMR for rental of a manufactured home space.
- 2. The space rent is the sum of the following as determined by the Housing Authority:
 - a. Rent to the owner for the manufactured home space;
 - b. Owner maintenance and management charges for the space; and
 - c. Utility allowance for participant paid utilities.
- 3. The participant pays the rent to owner less the HAP.
- 4. HAP equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The rent paid for rental of the real property on which the manufactured home owned by the family is located.

E. Project-Based Assistance

The housing assistance payment is calculated in accordance with 24 CFR 983.260 as the gross rent minus the total tenant payment. The family share is calculated in

accordance with 24 CFR 983.261 by subtracting the amount of the HAP from the gross rent.

F. Rent for Families under the Noncitizen Rule

A mixed family will receive full continuation of assistance if all of the following conditions are met:

1. The family was receiving assistance on June 19, 1995;
2. The family was granted continuation of assistance before November 29, 1996;
3. The family's head or spouse has eligible immigration status; and
4. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

1. Find the prorated housing assistance payment (HAP) by dividing the HAP by the total number of family members, and then multiplying the result by the number of eligible family members.
2. Obtain the prorated family share by subtracting the prorated HAP from the gross rent (contract rent plus utility allowance).
3. The prorated resident rent equals the prorated family share minus the full utility allowance.

11.6 UTILITY ALLOWANCE

The Housing Authority maintains a utility allowance schedule for all tenant-paid utilities (except telephone and cable television), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

All tenant-paid utilities are required to be separately metered. Only the Housing Choice Voucher Program Director or designee may deviate from this policy on a case-by-case basis.

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as a whole and current utility rates.

The Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule. Participants may review this information at any time by making an appointment with the Section 8 Department.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards).

At each reexamination, the Housing Authority applies the utility allowance from the most current utility allowance schedule.

The Housing Authority will approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the participant. Any savings resulting from utility costs below the amount of the allowance belong to the participant.

11.7 DISTRIBUTION OF HOUSING ASSISTANCE PAYMENT

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made within ten (10) calendar days of when due after the first two months of the HAP contract term, the owner may charge the Allegheny County Housing Authority a late payment, agreed to in the Contract and in accordance with generally accepted practices in the Allegheny County jurisdiction if the following conditions apply:

- A. It is the owner's practice to charge such penalties for assisted and unassisted residents; and

- B. The owner also charges such penalties against the resident for late payment of family rent to the owner.

Late charges will not be paid when the reason for the lateness is attributable to factors beyond the control of the Allegheny County Housing Authority.

A housing assistance payment is considered made upon being mailed by the Allegheny County Housing Authority.

Unless otherwise terminated, the housing assistance payment contract shall end 180 calendar days after the last housing assistance payment is made.

11.8 CHANGE OF OWNERSHIP

The Allegheny County Housing Authority requires a written request by the owner who executed the HAP contract in order to make changes regarding who is to receive the Allegheny County Housing Authority's rent payment or the address as to where the rent payment should be sent.

In addition, the Allegheny County Housing Authority requires a written request from the new owner to process a change of ownership. The new owner should indicate their willingness to assume the terms and responsibilities of the existing contract with ACHA and existing lease with the tenant for the property under the rules and regulations of the HUD Housing Choice Voucher Program or request a the execution of a new HAP contract in writing. The following documents must accompany the written request:

- A. Deed of Trust showing the transfer of title; and
- B. Tax Identification Number or Social Security Number.

New owners will be required to execute IRS form W-9. The Allegheny County Housing Authority may withhold the rent payment until the taxpayer identification number is received.

12.0 INSPECTION POLICIES, HOUSING QUALITY STANDARDS, AND DAMAGE CLAIMS

The Allegheny County Housing Authority will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 Existing Program unless the HQS is met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS.

The Allegheny County Housing Authority must be allowed to inspect the dwelling unit at reasonable times with reasonable notice. The family and owner will be notified of the inspection appointment by first class mail. If the family cannot be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements for another responsible adult over the age of 18 years to enable the Housing Authority to enter the unit and complete the inspection.

If the family misses the scheduled inspection and fails to reschedule the inspection without good cause, the Allegheny County Housing Authority will only schedule one more inspection. If the family misses two inspections without good cause, the Allegheny County Housing Authority will consider the family to have violated a Family Obligation and their assistance will be terminated. Allegheny County Housing Authority Management staff will make good cause determinations on a case-by-case basis. Families will be offered the right to an informal review before assistance is terminated.

12.1 TYPES OF INSPECTIONS

There are six types of inspections the Allegheny County Housing Authority will perform:

- A. Initial Inspection - An inspection that must take place to ensure that the unit passes HQS before assistance can begin.
- B. Annual Inspection - An inspection to determine that the unit continues to meet HQS.
- C. Complaint Inspection - An inspection caused by the Authority receiving a complaint on the unit by anyone. Emergency complaints shall take precedence over all other inspections.
- D. Special Inspection - An inspection caused by a third party, i.e., HUD, needing to view the unit.
- E. Move Out Inspection (if applicable) - An inspection required for units in service before October 2, 1995, and optional after that date. These inspections document the condition of the unit at the time of the move-out.
- F. Quality Control Inspection - Supervisory inspections based on at least the minimum number required by the Section 8 Management Assessment Program (SEMAP).

12.2 OWNER AND FAMILY RESPONSIBILITY

- A. Owner Responsibility for HQS

1. The owner must maintain the unit in accordance with HQS.
2. If the owner fails to maintain the dwelling unit in accordance with HQS, the Allegheny County Housing Authority will take prompt and vigorous action to enforce the owner obligations. The Allegheny County Housing Authority's remedies for such breach of the HQS include termination, suspension or reduction of housing assistance payments and termination of the HAP contract.
3. The Allegheny County Housing Authority will not make any housing assistance payments for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the Allegheny County Housing Authority and the Allegheny County Housing Authority verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects the owner must correct the defect within no more than 30 calendar days (or any Allegheny County Housing Authority approved extension). If the required repair is not made in a timely manner, the rent shall be abated beginning with the next rent check. If two consecutive checks are abated, the assistance shall be cancelled.
4. The owner is not responsible for a breach of the HQS that is not caused by the owner, and for which the family is responsible. The owner must take legal action against the family for any damages prior to receiving HAP. Furthermore, the Allegheny County Housing Authority may terminate assistance to a family because of the HQS breach caused by the family.
5. The owner is responsible for obtaining a passed occupancy permit in municipalities that require them before the unit passed the initial HQS inspection.

B. Family Responsibility for HQS

1. The family is responsible for a breach of the HQS that is caused by any of the following:
 - a. The family fails to pay for any utilities that the owner is not required to pay for, but which are to be paid by the resident;
 - b. The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the participant; or

- c. Any member of the household or a guest damages the dwelling unit or premises (damage beyond ordinary wear and tear).
2. If an HQS breach caused by the family is life threatening, the family must correct the defect within no more than 24 hours. For other family-caused defects, the family must correct the defect within no more than 30 calendar days (or any Allegheny County Housing Authority approved extension).
3. If the family has caused a breach of the HQS, the Allegheny County Housing Authority will take prompt and vigorous action to enforce the family obligations. The Allegheny County Housing Authority may terminate assistance for the family in accordance with 24 CFR 982.552.

H. Water Supply

1. Performance Requirement

The water supply must be free from contamination.

2. Acceptability Criteria

The dwelling unit must be served by an approvable public or private water supply that is sanitary and free from contamination.

I. Lead-based Paint

1. Performance Requirement

The Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and implementing regulations at part 35, subparts A, B, M, and R of this title apply to units assisted under this part.

2. Acceptability Criteria

The requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero bedroom dwellings.

During initial and annual inspections of pre-1978 units that are occupied or will be occupied by families with children under 6 years of age, the inspector must conduct a visual assessment for deteriorated paint surfaces and the owner must stabilize deteriorated surfaces. Applicable areas include painted surfaces within the dwelling unit, exterior painted surfaces associated with the dwelling unit, and common areas of the building through which residents must pass to gain access to the unit and areas frequented by resident children under six years of age, including play areas and child care facilities.

For units occupied by environmental intervention blood lead level (lead poisoned) children under six years of age, a risk assessment must be conducted (paid for by the PHA), and the owner must complete hazard reduction activities if lead hazards are identified during the risk assessment.

J. Access

1. Performance Requirement

The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

K. Site and Neighborhood

1. Performance Requirement

The site and neighborhood must be reasonably free from disturbing noises and reverberations and other dangers to the health, safety, and general welfare of the occupants.

2. Acceptability Criteria

The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade, such as dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust;

L. Sanitary Condition

1. Performance Requirement

The dwelling unit and its equipment must be in sanitary condition.

2. Acceptability Criteria

The dwelling unit and its equipment must be free of vermin and rodent infestation.

M. Smoke Detectors

1. Performance Requirements

a. Except as provided in paragraph b below of this Section, each dwelling unit must have at least one battery-operated or hard-wired smoke detector, in proper operating condition, on each level of the dwelling unit, including basements but excepting crawl spaces and unfinished attics. Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any hearing-impaired person, smoke detectors must have an alarm system, designed for hearing-impaired persons as specified in NFPA 74 (or successor standards).

b. For units assisted prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors prior to April 24, 1993, in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992 (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e., the owner would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit).

12.4 LEAD-BASED PAINT REQUIREMENTS AND RESPONSIBILITIES

A. Exempt Units

The following units are exempt from this policy as it relates to lead-based paint requirements:

1. Units built after December 31, 1977;
2. Zero (0) bedroom and Single Room Occupancy (SRO) units;
3. Housing built for the elderly or persons with disabilities, unless a child of under age six (6) resides or is expected to reside in such housing;
4. Properties for which a paint inspection was completed in accordance with the new regulations that became effective on September 15, 2000, and are certified to have no lead-based paint;
5. Properties in which all lead-based paint was identified, was removed, and that received clearance in accordance with the new regulations which became effective on September 15, 2000.

B. Non-Exempt or Covered Units

For dwellings built before January 1, 1978, and occupied or to be occupied by assisted families with one or more children under age six (6), lead-based paint requirements apply to:

1. The unit interior and exterior paint surfaces associated with the assisted unit: and
2. The common areas servicing the unit, including those areas through which residents must pass to gain access to the unit, and other areas frequented by resident children less than six (6) such as play areas, and child care facilities. Common areas also include garages and fences on the assisted property.

C. Responsibilities of the Allegheny County Housing Authority and the Owner

The Allegheny County Housing Authority is responsible for the following activities:

1. The visual assessment for deteriorated paint (i.e., peeling, chipping, flaking) surfaces at initial and annual inspections;
2. Assuring that clearance examinations are conducted when required;
3. Carrying out special requirements for children under age six who have environmental intervention blood lead levels as verified by a medical health care provider;

4. Collecting data from the local health department on program participants under age six who have identified environmental intervention blood lead levels; and
5. Record keeping.

Owners of units to be or that are assisted have the responsibility to:

1. Disclose known lead-based paint hazards to all potential residents prior to execution of a lease;
2. Provide all prospective families with a copy of Protect Your Family From Lead in Your Home or other EPA approved document;
3. When necessary, perform paint stabilization to correct deteriorated paint;
4. Each time paint stabilization is performed, notify the resident about the conduct of lead hazard reduction activities and clearance (if required);
5. Conduct lead hazard reduction activities when required by the Allegheny County Housing Authority;
6. Perform all work in accordance with HUD prescribed safe work practices and conduct clearance activities when required; and
7. Perform ongoing maintenance. As part of ongoing maintenance, the owner must provide written notice to each assisted family asking the occupants to report deteriorated paint. The notice must include the name, address, and phone number of the person responsible for accepting the occupant's complaint.

Before the execution of the lease the owner is required to disclose any knowledge of lead-based paint or lead-based paint hazards in housing built prior to 1978 to all prospective residents. The Allegheny County Housing Authority will keep a copy of the disclosure notice executed by the owner and resident in the participant's file. The owner will keep the original disclosure notice and forward a copy of the notice to the Allegheny County Housing Authority.

D. Qualified Inspector

An HQS inspector may conduct the inspection or other party designated by the Allegheny County Housing Authority. All inspectors must have been trained in visual assessment in accordance with procedures established by HUD.

E. Visual Assessment for Deteriorated Paint

The Allegheny County Housing Authority during the conduct of initial, annual and any special inspections of pre-1978 units that are occupied or will be occupied by families with children under 6 years of age. The Allegheny County Housing Authority will conduct a visual inspection for deteriorated paint surfaces at these locations:

1. All unit interior and exterior painted surfaces associated with the assisted unit; and
2. Common areas such as common hallways, access and egress areas, playgrounds, child-care facilities, or other areas including fences and garages frequented by children under age six.

F. Stabilization of Deteriorated Paint Surfaces

When the HQS Inspector or other designated party identifies deteriorated paint surfaces (defined as interior or exterior paint or other coating that is peeling, chipping, flaking, cracking, is otherwise damaged or has separated from the substrate of the surface or fixture), the Allegheny County Housing Authority will notify and require the owner to perform stabilization of the surfaces within thirty (30) calendar days of the notification by the Allegheny County Housing Authority's inspection for occupied units and before commencement of any assisted tenancy.

Owner requirements for compliance with the Allegheny County Housing Authority's paint stabilization differ, depending upon the amount of deteriorated paint surface to be corrected. The use of lead-safe work practices during paint stabilization activities are differentiated characterized as above or below de minimis levels.

De minimis deteriorated paint surfaces are exceeded when one of the following occurs:

1. 20 square feet on exterior surfaces;
2. 2 square feet on an interior surface in a single room or interior space; or
3. 10 percent of individual small components (e.g., windowsills) on the interior or exterior.

Owners must perform paint stabilization on all deteriorated paint surfaces. Paint stabilization is defined as:

1. Repair of any physical defect in the substrate of the painted surface or building component. Examples of defective substrate conditions include dry-rot, rust, moisture-related defects, crumbling plaster, missing siding, or other components not securely fastened;

2. Removal of all loose paint and other loose material from the surface being treated; and
3. Application of a new protective coat of paint to the stabilized surface.

In no instance may an owner employ any paint stabilization methods that are strictly prohibited by federal, state, or local law such as:

1. Open flame burning and torching;
2. Machine-sanding or grinding without a high-efficiency particulate air (HEPA) local exhaust control;
3. Heat guns operating above 1,100 degrees Fahrenheit;
4. Abrasive blasting or sandblasting with HEPA exhaust control;
5. Dry sanding and scraping except limited conditions stated above for limited areas; and
6. Paint stripping in poorly ventilated space using a volatile stripper or a hazardous chemical as defined by Occupational Safety and Health Administration (OSHA).

Failure to comply with paint stabilization requirements, regardless of the amount of deteriorated surface, will result in the disapproval of the tenancy, abatement of payment to the owner, and/or termination of the HAP contract.

In addition, in order to be in compliance with HUD lead-based paint requirements if the deteriorated paint surface exceeds the de minimis level, the owner must:

1. Conduct all stabilization activities with trained staff;
2. Employ acceptable methods for preparing the surface to be treated, including wet scraping, wet sanding, and power sanding performed in conjunction with a HEPA filtered local exhaust attachment operated according to manufacturer's instruction;
3. Not dry sand or dry scrape within one (1) square foot of electrical outlets;
4. Protect the occupants and their belongings from contamination;
5. Notify the occupants within fifteen (15) calendar days of stabilization activity and provide the results of the clearance examination.

Clearance Activities:

The owner will be responsible for clearance activities. All clearance activities will be performed by persons who have EPA or state-approved training and are licensed or certified to perform clearance examinations.

The owner must provide the Allegheny County Housing Authority with an executed copy of the Lead-Based Paint Owner's Certification for the HQS violation for paint stabilization to be considered closed.

Below de minimis deteriorated paint surfaces:

If the amount of deteriorated paint is below the de minimis level, owners will not be required to perform lead-safe work practices and clearance, but owners must perform paint stabilization as follows:

1. Repair of any physical defect in the substrate of the painted surface or building component. Examples of defective substrate conditions include dry-rot, rust, moisture-related defects, crumbling plaster, missing siding, or other components not securely fastened;
2. Removal of all loose paint and other loose material from the surface being treated; and
3. Application of a new protective coat of paint to the stabilized surface.

In no instance may an owner employ any paint stabilization methods that are strictly prohibited by federal, state, or local law such as:

1. Open flame burning and torching;
2. Machine-sanding or grinding without a high-efficiency particulate air (HEPA) local exhaust control;
3. Heat guns operating above 1,100 degrees Fahrenheit;
4. Abrasive blasting or sandblasting with HEPA exhaust control;
5. Dry sanding and scraping except limited conditions stated above for limited areas; and
6. Paint stripping in poorly ventilated space using a volatile stripper or a hazardous chemical as defined by Occupational Safety and Health Administration (OSHA).

Failure to comply with paint stabilization requirements, regardless of the amount of deteriorated surface, results in disapproval of the tenancy, abatement of payment to the owner, and/or termination of the HAP contract.

Clearance Activities:

The owner must provide the Allegheny County Housing Authority with an executed copy of the Lead-Based Paint Owner's Certification for the HQS violation for paint stabilization to be considered closed.

G. Requirements for Children with Environmental Intervention Blood Lead Level

Should the Allegheny County Housing Authority receive information regarding an environmental intervention blood lead level child under age six from the family, owner, or other sources not associated with the medical health community, the Allegheny County Housing Authority will immediately verify the information with a public health department or other medical health care provider.

If either the public health department or private medical health agency provides verification that the child has an environmental intervention blood lead level, the Allegheny County Housing Authority will proceed to complete a risk assessment of the unit, common areas and exterior surfaces as outlined in Subsection H below. This requirement does not apply if the public health department has already conducted an evaluation between the date the child's blood was last sampled and the receipt of notification of the child's condition.

If the Allegheny County Housing Authority receives a report of an environmental intervention blood lead level child from any source other than the public health department, the Allegheny County Housing Authority will notify the public health department with five (5) working days.

HUD has defined environmental intervention blood lead level as a confirmed concentration of lead in whole blood equal or greater than 20 ug/dL (micrograms of lead per deciliter) for a single test or 15-19 ug/dL in two tests taken at least three (3) months apart in children under age six.

H. Risk Assessment

Within fifteen (15) calendar days of the notification to the Allegheny County Housing Authority by a public health department or medical health care provider, the Allegheny County Housing Authority will complete a risk assessment of the dwelling unit, including common areas servicing the dwelling unit, if the child lived in the unit at the time the child's blood was sampled. If the public health department has already conducted an evaluation between the date the child's blood was last sample and the receipt of

notification of the child's condition, the risk assessment by the Allegheny County Housing Authority is not required.

The owner will only utilize persons trained and certified by an EPA or state-approved agency to perform risk assessments. The risk assessment will identify the appropriate method of correction if correction is required.

The risk assessment will involve an on-site investigation to determine the existence, nature, severity, and location of lead-based paint hazards. The investigation will include dust and soil sampling, visual evaluation, and may include paint inspections (tests for lead in paint). The assessor will issue a report to the housing authority explaining the results of the investigation, as well as option and requirements for reducing lead-based paint hazards. Upon receipt of the risk assessment, the Allegheny County Housing Authority shall immediately notify the owner of its results.

The owner must notify the building residents of the results of the risk assessment within fifteen (15) calendar days of receipt of the risk assessment results.

I. Hazard Reduction

The owner must complete reduction of identified lead-based paint hazards as identified in the risk assessment as outlined in Subsection H of this Section within thirty (30) calendar days (or date specified by the Allegheny County Housing Authority if an extension is granted for exterior surfaces).

Hazard reduction activities may include paint stabilization, abatement, interim controls, or dust and soil contamination control. The appropriate method of correction will be identified in the risk assessment.

Hazard reduction will be considered complete by the Allegheny County Housing Authority when a clearance examination has been completed and the report indicates that all identified hazards have been treated and clearance has been achieved, or when the public health department certifies that the hazard reduction is complete.

The owner must notify all building residents of any hazard reduction activities within fifteen (15) calendar days of completion of activities.

Like paint stabilization compliance, when the Allegheny County Housing Authority receives the owner's certification, this will signal compliance with lead hazard reduction activities.

Failure by the owner to complete hazard reduction activities (including clearance) within thirty (30) calendar days (or later if the Allegheny County Housing Authority grants an extension for exterior surfaces) of notification constitutes a violation of HQS, and

appropriate action against the owner will be taken if a program family occupies the unit. If the unit is vacant when the Allegheny County Housing Authority notifies the owner, the unit may not be reoccupied by another assisted family, regardless of the ages of children in the family, until compliance with the lead-based paint requirement is completed.

J. Allegheny County Housing Authority Data Collection and Record Keeping

Quarterly, the Allegheny County Housing Authority will attempt to obtain from the public health department having jurisdiction in the same area as the Allegheny County Housing Authority, the names and addresses of children under age six with an identified environmental intervention blood lead level.

The Allegheny County Housing Authority will match information received from the health department with information about program families. If a match occurs, the Allegheny County Housing Authority will follow all procedures for notifying owners and conducting risk assessments as stated above.

Quarterly, the Allegheny County Housing Authority will report a list of addresses of units occupied by children under age six, receiving assistance to the public health department, unless the health department indicates in writing that such a report is not necessary.

The Allegheny County Housing Authority will inform owners of lead-based paint regulations especially those related to prohibited and safe work practices, resident protection during lead-based paint activities, and notification requirements. This will be accomplished through written material provided by the Allegheny County Housing Authority.

The Allegheny County Housing Authority is responsible for issuing and maintaining in the file the notification to the owner of any needed corrections and appropriate methods to correct lead hazards, and of the deadline for completing the corrections.

12.5 EXCEPTIONS TO THE HQS ACCEPTABILITY CRITERIA

The Allegheny County Housing Authority will utilize the acceptability criteria as outlined above with applicable State and local codes, including fire codes. Additionally, the Allegheny County Housing Authority has received HUD approval to require the following additional criteria:

- A. In units where the resident must pay for utilities, each unit must have separate metering device(s) for measuring utility consumption.
- B. A ¾" overflow pipe must be present on hot water heater and boiler safety valves and installed down to within 6 inches of the floor.

- C. All windows must lock, operate properly and be maintained as originally designed.
- D. Plexiglas is not permissible on basement or first floor levels. However, it may be used on levels above the first floor if the Plexiglas is weather tight and durable, at the discretion of the housing inspector.
- E. Gutters and downspouts are required and must be properly maintained.
- F. Smoke detectors are required on all levels including basements and accessible attics. The standard for multi unit buildings include all levels of the common areas such as hallways, staircases and basements.
- G. Two-key deadbolt locks are not permissible. The interior side of the dead bolt must have a toggle type mechanism.
- H. Exterior doors and doors that open to common areas must have an operable lockset or passage set if another proper security lock is present. A slide bolt lock or a chain lock may not be the primary security lock. Exterior door jams and door jams to common areas require striker plates for all locks.
- I. Basement doors may not require locksets as long as there is a proper security lock and a means to open and close the door.
- J. Any drops off of thirty (30) inches or more (porches, stairs, walls, etc.) is considered a potential hazard and may require a guardrail at the discretion of the housing inspector.
- K. Any deteriorated paint whether interior or exterior where a household member is under the age of six (6) will cause the unit to fail the HQS inspection. Any multi unit structure (apartment building or town/row) with deteriorated paint occupying at least one Section 8 participant, the landlord must abate all deteriorated paint for the entire structure, providing the landlord owns the entire structure.
- L. To ensure an adequate source of safe heat for each room of the dwelling unit that will be used as the living area, the Allegheny County Health Department heating standards shall apply (ACHD Title VI=629) and are incorporated by reference into this Policy and Procedures Manual. The heating system must be capable of supplying heat at a temperature of 70 degrees F three feet off the floor when the outside temperature is 10 degrees F.
- M. All living rooms, bedrooms and bathrooms must be supplied with a permanent direct heat source.

- N. Dining rooms shall have two duplex electrical outlets or one duplex outlet and one permanently installed light fixture.
- O. Single family and townhouse row type structures must have a 100 amp electrical service.
- P. The Allegheny County Health Department Regulation 1405.11 and 1405.11.1 shall be followed for the protection against back flow and back siphon age (ex. Code Faucet). A portable water system shall be protected by an air gap between the portable water outlet and the flood level rim at the fixture it supplies or between the outlet and any other source of contamination.
- Q. A door with properly operating passage set is required at all bathrooms/toilet rooms to allow for privacy.
- R. Dirt floored basements are not permissible.
- S. Unsafe conditions on the property associated with the dwelling unit must be made safe and free of hazards.
- T. All electrical wiring and fixtures must be in safe condition and properly installed. When questions or disputes arise the National Electrical Code standards will prevail.
- U. The adequacy and safety of vented gas space heaters will be determined by the housing inspector. Under no circumstances will fuel fire heaters be permitted in units with children.
- V. Un-vented fuel fire space heaters are not permitted.
- W. All toilets must be supplied with a permanently installed light fixture and a ventilation source.
- X. The Allegheny County Health Department rules and regulations will prevail in a situation not explicitly addressed by HQS or this plan.
- Y. All units are required to have sufficient weather striping and insulation to insure the unit is free from drafts.
- Z. Failure to obtain a passed occupancy permit (when required by municipality) will cause unit to fail HQS for initial lease ups.

- AA. Every bedroom must be equipped with a means of storing and hanging clothes, such as a closet with a clothes rod or an armoire type cabinet.

12.6 TIME FRAMES AND CORRECTIONS OF HQS FAIL ITEMS

A. Correcting Initial HQS Fail Items

If a new unit fails the HQS inspection, the owner and participant will be notified by the Allegheny County Housing Authority in writing, via first class mail, of the results of the failed inspection. It is the responsibility of the property owner to contact the Housing Inspector when the work is complete to schedule a re-inspection. Should the owner not complete the required work within 30 calendar days, the Allegheny County Housing Authority Housing Inspector will contact the owner to determine their intentions. The repairs must be completed before the expiration date of the voucher. However, if the Allegheny County Housing Authority receives a Request for Tenancy Approval and the voucher is expiring in less than 30 days, no more than 30 days will be granted to complete the repairs, if the repairs are not completed within the 30 days the voucher expires and a new voucher will not be issued.

An initial HQS inspection that receives a pass rating will only be used for the family who had originally submitted a Request for Tenancy Approval for that unit.

B. HQS Fail Items for Units under Contract

The owner or participant will be given time to correct the failed items cited on the inspection report for a unit already under contract. If the failed items endanger the family's health or safety (using the emergency item in Section 12.6), the owner or participant will be given 24 hours to correct the violations. For less serious failures, the owner or participant will be given up to 30 days to correct the failed item(s).

If the owner fails to correct the HQS failed items after proper notification has been given, the Allegheny County Housing Authority will abate payment and terminate the contract in accordance with Sections 12.8 and 17.0.

If the participant fails to correct the HQS failed items that are family-caused after proper notification has been given, the Allegheny County Housing Authority will terminate assistance for the family in accordance with Sections 12.2(B) and 16.0.

C. Time Frames for Corrections

1. Emergency repair items must be abated within 24 hours.

2. Repair of refrigerators, range and oven, or a major plumbing fixture supplied by the owner must be abated within 72 hours.
3. Non-emergency items must be completed within 30 calendar days of the initial inspection.

D. Extensions

At the sole discretion of the Allegheny County Housing Authority, extensions of up to 30 calendar days may be granted to permit an owner to complete repairs if the owner has made a good faith effort to initiate repairs. If repairs are not completed within the approved extension date, the Allegheny County Housing Authority will abate the rent and cancel the HAP contract for owner noncompliance. Appropriate extensions will be granted if a severe weather condition exists for such items as exterior painting and outside concrete work for porches, steps, and sidewalks.

12.7 EMERGENCY FAIL ITEMS

The following items are to be considered examples of emergency items that need to be abated within 24 hours:

- A. No hot or cold water
- B. No electricity, natural gas, propane, oil, etc.
- C. Inability to maintain adequate heat
- D. Major plumbing leak
- E. Natural gas, propane, or LP gas leak
- F. Broken lock(s) on first floor doors or windows
- G. Broken windows that unduly allow weather elements into the unit
- H. Electrical outlet smoking or sparking
- I. Exposed electrical wires which could result in shock or fire
- J. Unusable toilet when only one toilet is present in the unit
- K. Security risks such as broken doors or windows that would allow intrusion

- L. Other conditions which pose an immediate threat to health or safety

12.8 ABATEMENT

When a unit fails to meet HQS and the owner has been given an opportunity to correct the deficiencies, but has failed to do so within the required timeframe, the rent for the dwelling unit will be immediately abated.

When the deficiencies are corrected, the Allegheny County Housing Authority will end the abatement the day the work has been called in to the Housing Inspector as being complete. This day will be the “passed date” subject to a subsequent re-inspection and verification of work completion. Rent will be paid the first week of the next month.

HAP contracts will be terminated after giving the owner thirty (30) calendar days notice.

13.0 RECERTIFICATION

13.0.1 CHANGES IN LEASE OR RENT

If the participant and owner agree to any changes in the lease, all changes must be in writing, and the owner must immediately give the Allegheny County Housing Authority a copy of the changes. The lease, including any changes, must be in accordance with this Administrative Plan.

Owners must notify the Allegheny County Housing Authority of any changes in the amount of the rent at least sixty (60) calendar days prior to the annual re-certification and before the changes go into effect. Any such changes are subject to the Allegheny County Housing Authority determining them to be reasonable.

Assistance shall not be continued unless the Allegheny County Housing Authority has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner if any of the following changes are made:

- A. Requirements governing participant or owner responsibilities for utilities or appliances;
- B. In the lease terms reducing the length of the lease;
- C. If the participant moves to a new unit, even if the unit is in the same building or complex.

The approval of the Allegheny County Housing Authority is not required for changes other than those specified in A, B, or C above.

However, owners wishing to change ownership must receive the written permission of the Housing Authority prior to assigning a HAP contract. The owner shall inform the Allegheny County Housing Authority of the impending change and give the Authority fifteen calendar days to review the prospective owner to make sure they are appropriate. The new owner shall meet the same criteria as the existing owner. Approval shall not be unreasonably withheld.

13.1 ANNUAL REEXAMINATION

At least annually (within 365 calendar days of the anniversary date of the HAP contract) the Allegheny County Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family subsidy is correct based on the family unit size.

The Allegheny County Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination. The letter includes forms for the family to complete in preparation for recertification.

The family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Allegheny County Housing Authority will determine the family's annual income and will calculate their family share.

Also, during the recertification, each household shall be asked whether any member is subject to the lifetime registration requirement under a state registration program. The Housing Authority will verify this information using the Dru Sjodin National Sex Offender Database and document this information in the same method used at admission. For any admissions after June 25, 2001 (the effective date of the Screening and Eviction for Drug Abuse and Other Criminal Activity final rule), if the recertification screening reveals that the tenant or a member of the tenant's household is subject to a lifetime sex offender registration requirement, or that the tenant has falsified information or otherwise failed to disclose his or her criminal history on their application and/or recertification forms, the Housing Authority will pursue eviction of the household

If a family is about to be evicted from housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the eviction occurs.

13.1.1 Effective Date of Rent Changes for Annual Reexaminations

The new family share will generally be effective upon the anniversary date with 30 days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

13.2 INTERIM REEXAMINATIONS

During an interim reexamination, only changes in income, assets, or family composition being reported by the household will be reviewed and verified. Interims will be completed if increase in income is over \$200 per month.

Families or family members who have no income must report any source of income within 10 calendar days of the start of the income. Other families will not be required to report any increase in income between annual reexaminations unless the increase exceeds \$200 per month in gross income. If the increase does exceed \$200 per month in gross income, an interim reexamination will be done.

Families are required to report the following changes in writing to the Allegheny County Housing Authority within ten business days between regular reexaminations. These changes will trigger an interim reexamination.

- A. A member has been added to the family through birth or adoption or court-awarded custody. All members of the family residing in the unit must be approved by the Allegheny County Housing Authority. The family must obtain approval of any additional family member before the new member occupies the unit except for additions birth, adoption or court-awarded custody, in which case the family must inform the Allegheny County Housing Authority within 10 business days. The Allegheny County Housing Authority will not adjust a family's voucher size between recertification exams and may deny household additions that will result in the family being overcrowded.
- B. A household member is leaving or has left the family unit. Verification must be provided before a reexamination will be completed. Acceptable verification includes, but is not limited to, a signed lease, a copy of a utility bill or a copy of a piece of mail going to the leaving household member at the new address, state

issued identification with the new address and a copy of a court order showing a change of custody. If none of these items can be secured, a notarized statement by the head of household may be accepted.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in household income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Allegheny County Housing Authority will take timely action to process the interim reexamination and recalculate the family share. However, if upon verification of a change in income, it is determined that the change will be in effect for less than 30 days, Allegheny County Housing Authority will not recalculate the family share.

C. Temporary Additions to Household – Voucher holders may have a temporary addition to household for a period of 2 weeks in any calendar year. Any addition to household over the 2 week period must be approved by the Allegheny County Housing Authority.

D. Family break-up

In circumstances of a family break-up, the Allegheny County Housing Authority will make a determination of which family member will retain the housing choice voucher, taking into consideration the following factors:

1. To whom the housing choice voucher was issued.
2. The interest of minor children or of ill, elderly, or disabled family members.
3. Whether the assistance should remain with the family members remaining in the unit.
4. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the Allegheny County Housing Authority will be bound by the court's determination of which family members continue to receive assistance in the program.

Because of the number of possible different circumstances in which a determination will have to be made, the Allegheny County Housing Authority will make determinations on a case-by-case basis.

The Allegheny County Housing Authority will issue a determination within 10 business days of the request for a determination. The family member requesting the determination may request an informal hearing in compliance with the informal hearings in Section 16.2.

In order to add a household member other than through birth, adoption or court-awarded custody (including a live-in aide) the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, relationship and all other information required of an applicant. The individual must provide their Social Security Number if they have one, and must verify their citizenship/eligible immigrant status (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family). The new family member will go through the screening process similar to the process for applicants. The Allegheny County Housing Authority will determine the eligibility of the individual before allowing them to be added to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, the Allegheny County Housing Authority will grant approval to add their name to the lease. At the same time, the family's annual income will be recalculated taking into account the income and circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 14.2.2.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Allegheny County Housing Authority will take timely action to process the interim reexamination and recalculate the family share.

13.2.1 Special Reexaminations

If a family's income is too unstable to project for 12 months, including families that temporarily have no income or have a temporary decrease in income, the Allegheny County Housing Authority may schedule special reexaminations every 90 calendar days until the income stabilizes and an annual income can be determined. Any tenant who has no income at reevaluation will be required to undergo reexaminations every 90 days until income is verified.

13.2.2 Effective Date of Rent Changes Due to Interim or Special Reexaminations

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent

increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

13.3 Failure to comply with recertification requirements

If a participating family does not supply the required re-certification information to the Allegheny County Housing Authority at least 30 days before their re-certification effective date or cooperate otherwise in the re-certification period, the Housing Authority will terminate the assistance as of the re-certification date. Tenants will be offered the right to an informal review before being terminated from the program.

13.4 Missed Appointments

All Assisted households who fail to keep a scheduled first and second appointment will be sent a notice of termination from the program. A third appointment may be scheduled upon a management review of good cause.

13.5 Housing Authority mistakes in calculating rent

If the Allegheny County Housing Authority makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of twelve months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

13.6 Criminal Checks upon recertification

Criminal background checks will be performed on all adult household members that are 18 years of age or older at the time of all annual recertifications. If the criminal background check reveals information that may violate the lease executed between the household and the landlord, may violate any of the participant obligations listed in Section 2.3, or may violate any applicable federal regulations, the ACHA may take action to terminate the household and/or any household member from the program.

14.0 TERMINATION OF ASSISTANCE TO THE FAMILY BY THE ALLEGHENY COUNTY HOUSING AUTHORITY

The Allegheny County Housing Authority may at any time terminate program assistance for a participant because of any of the following actions or inactions by the household:

- A. If the family violates any family obligations under the program;
- B. If the family was evicted from housing assisted under the Section 8 program for serious violations of the lease;
- C. If a family member fails to sign and submit consent forms;
- D. If a family fails to establish citizenship or eligible immigrant status and is not eligible for or does not elect continuation of assistance, pro-ration of assistance, or temporary deferral of assistance. If the Allegheny County Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination;
- E. Have a household member who is currently engaging in illegal use of a drug;
- F. Have a household member whose pattern of illegal drug use interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- G. Have a household member who has ever been convicted of drug-related criminal activity for the manufacture or production of methamphetamine;
- H. Have a household member who is subject to a lifetime registration requirement under a State sex offender registration program;
- I. If any member of the family commits drug-related or violent criminal activity in violation of Section 2.3 of this Administrative Plan and 24 CFR 982.551;
- J. Have a household member whose abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
- K. Have a household member who is a fugitive felon, parole violator or person fleeing to avoid prosecution, or custody or confinement after conviction, for a

crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;

- L. Have a family member who violates any family obligations under the program;
- M. Have a family member who has been evicted from federally assisted housing in the last five years;
- N. Have a family member that Allegheny County Housing Authority has ever terminated assistance for under the program;
- O. Have a family member that has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- P. Currently owes rent or other amounts to the Allegheny County Housing Authority or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act;
- Q. Have not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease;
- R. Have breached an agreement with Allegheny County Housing Authority to pay amounts owed to a Housing Authority, or amounts paid to an owner by a Housing Authority;
- S. If a family participating in the Family Self-Sufficiency Program fails to comply, without good cause, with the family's FSS Contract of Participation;
- T. Have engaged in or threatened abusive or violent behavior towards any Allegheny County Housing Authority staff member or resident;
- U. If a welfare-to-work (WTW) family fails, willfully and persistently, to fulfill its obligations under the welfare-to-work voucher program;
- V. Any family who has been without a Housing Assistance Payment (HAP) for six consecutive months will be terminated.
- W. Heads of Household are responsible for the actions of their guests. This is particularly true for criminal activities and disturbing one's neighbors.

For purposes of this section, the Allegheny County Housing Authority may terminate assistance for criminal activity by a household member as authorized in this section if the Allegheny County Housing Authority determines, based on a preponderance of the

evidence, that the household member has engaged in the activity, regardless of whether the household member has been arrested or convicted of such activity.

If the Allegheny County Housing Authority proposes to terminate assistance for criminal activity as shown by a criminal record, the Allegheny County Housing Authority will notify the household of the proposed action to be based on the information and must provide the person with the criminal record (i.e., the family member) and the head of household with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record, in accordance with the procedures established for the Informal Hearing for Participants. The household will have ten (10) calendar days to dispute the accuracy and relevance of the record in writing.

Any family absent from the assisted unit for more than 90 consecutive calendar days must be terminated from the program.

In circumstances of a family break-up, the Allegheny County Housing Authority will make a determination of which family member will retain the housing choice voucher, taking into consideration the following factors:

- A. To whom the housing choice voucher was issued.
- B. The interest of minor children or of ill, elderly, or disabled family members.
- C. Whether the assistance should remain with the family members remaining in the unit.
- D. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the Allegheny County Housing Authority will be bound by the court's determination of which family members continue to receive assistance in the program.

The Allegheny County Housing Authority will make every effort to recover monies that have been overpaid for families and to owners. Allegheny County Housing Authority will attempt to communicate program rules in order to avoid these debts. Before a debt is assessed against a family or owner, the file must contain documentation to support Housing Authority's claim that the debt is owed. The file must contain further written documentation of the method of calculation.

14.1 PAYMENT AGREEMENTS FOR FAMILIES

A Payment Agreement is a document entered into between the Allegheny County Housing Authority and the head of household of a family who owes a debt to the Housing Authority. It contains details as to the nature of the debt, the terms of payment, any special provisions of the agreement and the remedies available to the Allegheny County Housing Authority upon default of the agreement.

The Allegheny County Housing Authority will review circumstances resulting in the debt and decide in its sole discretion whether the family will be offered a Payment Agreement as well as prescribe the terms of the Agreement. The Director of the Housing Choice Voucher Program or the Director's designee will execute Payment Agreements. Payments may only be made by money order or certified check.

Payment Agreements will not be made for less than \$100. Those debts will be required to be repaid within 30 days of notification of the debt. There will be a minimum monthly payment amount of \$25. A sliding scale system will be used to determine the length of Payment Agreements. The scale will be as follows:

| <u>Amount Owed</u> | <u>Maximum Terms of Agreement</u> |
|--------------------|-----------------------------------|
| \$101- \$500 | 3-6 Months |
| \$501- \$1000 | 6-12 Months |
| \$1001- \$2500 | 12-18 Months |

A down payment of at least 15% of the total amount owed will be required upon signing all Payment Agreements. The balance will be divided over the remainder of months of the Payment Agreement, keeping the minimum payment of \$25 per month. Terms of Payment Agreements over \$1999 will be reviewed on a case-by-case basis and approved by the Director of the Housing Choice Voucher Program.

Allegheny County Housing Authority will not enter into a payment agreement,

- A. If the family already has a Payment Agreement in place.
- B. If Allegheny County Housing Authority determines that the debt amount is larger than can be paid back by the family in a reasonable amount of time.

If the Payment Agreement is \$2000 or more and involves alleged fraudulent activity, the situation shall be referred to the Public Safety Department for investigation and potential action.

Families with Payment Agreements may request a hardship adjustment to the payment amount of the agreement for a maximum of 90 days. A family must submit a written request for a hardship arrangement and provide documentation of the hardship. The

Director of the Housing Choice Voucher Program or the Director's designee must approve hardship arrangements.

14.2 DEBTS DUE TO MINIMUM RENT TEMPORARY HARDSHIP

If the family owes the Allegheny County Housing Authority money for rent arrears incurred during the minimum rent period, the debt will be calculate the total amount owed and divide it by 6 to arrive at a reasonable payback amount that the family will be required to pay to the Housing Authority monthly in addition to the family's regular monthly rent payment to the owner. The family will be required to pay the amount until the arrears are paid in full to Allegheny County Housing Authority.

Minimum rent arrears that are less than \$100 will be required to be paid in full the first month following the end of the minimum rent period. The minimum monthly payment agreement incurred for minimum rent arrears is \$25. The Allegheny County Housing Authority will not enter into a Payment Agreement that will take more than 6 months to pay in full.

14.3 DEFAULT OF PAYMENT AGREEMENTS

The Payment Agreement will be considered to be in default after three payments have not been made. If the Payment Agreement is in default, and the family has not contacted or made arrangements with the Allegheny County Housing Authority, the Housing Authority will:

- A. Require the family to pay the balance in full, or
- B. Terminated the housing assistance to the family.

Allegheny County Housing Authority reserves the right to pursue civil collection of the balance due.

14.4 FAMILIES MOVING WITH DEBTS OWED TO ACHA

If a family requests a move to another unit and has a payment agreement in place, and the payment is not in arrears, the family will be required to pay the balance in full prior to the issuance of a new voucher. If the family requests to move and is in arrears on a Payment Agreement, the family will be required to pay balance in full or will be terminated from the program.

Cases where the family must move due to circumstances beyond their control will be reviewed on a case-by-case basis by the Director of Housing Choice Vouchers or her designee.

14.5 FAMILIES MOVING WITH DEBTS OWED TO LANDLORDS

If a magistrate or court has rendered a decision that is not subject to appeal in the Court of Common Pleas, in favor of an owner for damages, unpaid rent, or unpaid utilities for current tenancy, the family shall be responsible for the full amount of the judgment. The decision must be paid in full to avoid eviction and removal from the unit and documentation of the payment must be provided before they will be issued another voucher to relocate. In cases where the family has been issued a voucher and begun the tenancy process when a decision is received by the Allegheny County Housing Authority, the process will cease until verification of payment of the balance has been provided to avoid eviction and removal from the unit. Eviction from the unit will result in termination from the Housing Choice Voucher Program.

In the case a judgment is received after a new unit has passed inspection with a new owner on behalf of the family, the contract will not be terminated at that time. However, the family's participation will not continue nor will the contract be renewed beyond the next re-certification date unless documentation has been provided that the balance of the judgment has been paid in full.

14.6 DEBTS OWED BY LANDLORDS

If the Allegheny County Housing Authority determines that the owner has retained housing assistance payments the owner is not entitled to, the Allegheny County Housing Authority may reclaim amounts from future housing assistance payments owed to the owner for any units under contract.

If future housing assistance payments are insufficient to reclaim the amounts owed, the Allegheny County Housing Authority will require the owner to pay the amount in full within thirty days. The Allegheny County Housing Authority reserves the right to restrict the owner from future participation in the program until the debt is paid or pursue collections through the local court system.

15.0 COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, INFORMAL HEARINGS FOR PARTICIPANTS

15.1 COMPLAINTS

The Allegheny County Housing Authority will investigate and respond to complaints by participant families, owners, and the general public. The Allegheny County Housing

Authority may require that complaints other than HQS violations be put in writing. Anonymous complaints are investigated whenever possible.

15.2 INFORMAL REVIEW FOR THE APPLICANT

A. Informal Review for the Applicant

The Allegheny County Housing Authority will give an applicant for participation in the Section 8 Existing Program prompt notice of a decision denying assistance to the applicant. The notice will contain a brief statement of the reasons for the Allegheny County Housing Authority decision. The notice will state that the applicant may request an informal review within 10 business days of the denial and will describe how to obtain the informal review.

B. When an Informal Review is not Required

The Allegheny County Housing Authority will not provide the applicant an opportunity for an informal review for any of the following reasons:

1. A determination of the family unit size under the Allegheny County Housing Authority subsidy standards.
2. An Allegheny County Housing Authority determination not to approve an extension or suspension of a housing choice voucher term.
3. An Allegheny County Housing Authority determination not to grant approval to lease a unit under the program or to approve a proposed lease.
4. An Allegheny County Housing Authority determination that a unit selected by the applicant is not in compliance with HQS.
5. An Allegheny County Housing Authority determination that the unit is not in accordance with HQS because of family size or composition.
6. General policy issues or class grievances.
7. Discretionary administrative determinations by the Allegheny County Housing Authority.

C. Informal Review Process

The Allegheny County Housing Authority will give an applicant an opportunity for an informal review of the Allegheny County Housing Authority decision denying assistance to the applicant. The procedure is as follows:

1. The review will be conducted by any person or persons designated by the Allegheny County Housing Authority other than the person who made or approved the decision under review or a subordinate of this person.
2. The applicant will be given an opportunity to present written or oral objections to the Allegheny County Housing Authority decision.
3. The Allegheny County Housing Authority will notify the applicant of the Allegheny County Housing Authority decision after the informal review within 14 calendar days. The notification will include a brief statement of the reasons for the final decision.
4. The applicant will be permitted to reschedule one informal hearing with good cause. The second missed hearing will result in allowing the hearing to go forth without the presence of the tenant.

D. Considering Circumstances

In deciding whether to deny assistance to an applicant because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to receive assistance.

If the Housing Authority seeks to deny assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny assistance. In determining whether to deny assistance for these reasons the Allegheny County Housing Authority will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;

2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

The above-referenced three circumstances will also be considered by the Housing Authority when it seeks to deny assistance because of a current charge or conviction in the last five (5) years for Possession of a Controlled Substance.

E. Informal Review Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The applicant family may request that the Allegheny County Housing Authority provide for an informal review after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. The applicant family must make this request within 30 calendar days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 calendar days of receipt of the INS appeal decision.

For applicant families, the Informal Review Process above will be utilized with the exception that the applicant family will have up to 30 calendar days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision to request the review.

15.3 INFORMAL HEARINGS FOR PARTICIPANTS

A. When a Hearing is Required

1. The Allegheny County Housing Authority will give a participant family an opportunity for an informal hearing to consider whether the following Allegheny County Housing Authority decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations, and Allegheny County Housing Authority policies:
 - a. A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.
 - b. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the Allegheny County Housing Authority utility allowance schedule.

- c. A determination of the family unit size under the Allegheny County Housing Authority subsidy standards.
 - d. A determination to terminate assistance for a participant family because of the family's action or failure to act.
 - e. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under the Allegheny County Housing Authority policy and HUD rules.
 - f. Denial of a hardship exemption to the minimum rent requirement.
2. In cases described in paragraphs 16.3(A)(1)(d), (e), and (f) of this Section, the Allegheny County Housing Authority will give the opportunity for an informal hearing before the Allegheny County Housing Authority terminates housing assistance payments for the family under an outstanding HAP contract.

B. When a Hearing is not Required

The Allegheny County Housing Authority will not provide a participant family an opportunity for an informal hearing for any of the following reasons:

- 1. Discretionary administrative determinations by the Allegheny County Housing Authority.
- 2. General policy issues or class grievances.
- 3. Establishment of the Allegheny County Housing Authority schedule of utility allowances for families in the program.
- 4. A Allegheny County Housing Authority determination not to approve an extension or suspension of a housing choice voucher term.
- 5. A Allegheny County Housing Authority determination not to approve a unit or lease.
- 6. A Allegheny County Housing Authority determination that an assisted unit is not in compliance with HQS. (However, the Allegheny County Housing Authority will provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family.)

7. A Allegheny County Housing Authority determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the Allegheny County Housing Authority to exercise or not exercise any right or remedy against the owner under a HAP contract.

C. Notice to the Family

1. In the cases described in paragraphs 16.3(A)(1)(a), (b), and (c) of this Section, the Allegheny County Housing Authority will notify the family that the family may ask for an explanation of the basis of the Allegheny County Housing Authority's determination, and that if the family does not agree with the determination, the family may request an informal hearing on the decision.
2. In the cases described in paragraphs 16.3(A)(1)(d), (e), and (f) of this Section, the Allegheny County Housing Authority will give the family prompt written notice that the family may request a hearing within 10 business days of the notification. The notice will:
 - a. Contain a brief statement of the reasons for the decision; and
 - b. State if the family does not agree with the decision, the family may request an informal hearing on the decision within 10 business days of the notification.

D. Hearing Procedures

The Allegheny County Housing Authority and participants will adhere to the following procedures:

1. Discovery
 - a. The family will be given the opportunity to examine before the hearing any Allegheny County Housing Authority documents that are directly relevant to the hearing. The family will be allowed to copy any such document at the family's expense. If the Allegheny County Housing Authority does not make the document(s) available for examination on request of the family, the Allegheny County Housing Authority may not rely on the document at the hearing.

- b. The Allegheny County Housing Authority will be given the opportunity to examine, at the Allegheny County Housing Authority's offices before the hearing, any family documents that are directly relevant to the hearing. The Allegheny County Housing Authority will be allowed to copy any such document at the Allegheny County Housing Authority's expense. If the family does not make the document(s) available for examination on request of the Allegheny County Housing Authority, the family may not rely on the document(s) at the hearing.

Note: The term **document** includes records and regulations.

2. Representation of the Family

At its own expense, a lawyer or other representative may represent the family.

3. Hearing Officer

- a. The hearing will be conducted by any person or persons designated by the Allegheny County Housing Authority, other than a person who made or approved the decision under review or a subordinate of this person.
- b. The person who conducts the hearing will regulate the conduct of the hearing in accordance with the Allegheny County Housing Authority hearing procedures.

4. Evidence

The Allegheny County Housing Authority and the family must have the opportunity to present evidence and may question any witnesses. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

5. Issuance of Decision

The person who conducts the hearing must issue a written decision within 14 calendar days from the date of the hearing, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing.

6. Effect of the Decision

The Allegheny County Housing Authority is not bound by a hearing decision:

- a. Concerning a matter for which the Allegheny County Housing Authority is not required to provide an opportunity for an informal hearing under this Section, or that otherwise exceeds the authority of the person conducting the hearing under the Allegheny County Housing Authority hearing procedures.
- b. Contrary to HUD regulations or requirements, or otherwise contrary to Federal, State, or local law.
- c. If the Allegheny County Housing Authority determines that it is not bound by a hearing decision, the Allegheny County Housing Authority will notify the family within 14 calendar days of the determination, and of the reasons for the determination.
- d. Once the final appeal process has been exhausted the family size will be re-evaluated. Should the family now qualify for a smaller voucher size, the family will be given a voucher with the appropriate payment standard to reflect the voucher size 60 days after the decision is rendered.

E. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In

determining whether to terminate assistance for these reasons the Allegheny County Housing Authority will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

The above-referenced three circumstances will also be considered by the Housing Authority when it seeks to deny assistance because of a current charge or conviction in the last five (5) years for Possession of a Controlled Substance.

F. Informal Hearing Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The participant family may request that the Allegheny County Housing Authority provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 calendar days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 calendar days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 calendar days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision.

16.0 TERMINATION OF THE LEASE AND CONTRACT

The term of the lease and the term of the HAP contract are the same. They begin on the same date and they end on the same date. The lease may be terminated by the owner, by the participant, or by the mutual agreement of both. The owner may only terminate the contract by terminating the lease. The HAP contract may be terminated by the Allegheny County Housing Authority. Under some circumstances the contract automatically terminates.

A. Termination of the Lease

1. By the family

The family may terminate the lease without cause upon proper notice to the owner and to the Allegheny County Housing Authority after the initial lease term. The length of the notice that is required is stated in the lease (generally 30 calendar days).

2. By the owner

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person in accordance with this section if the owner determines that the covered person has engaged in a criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction.

If the law and regulation permit the owner to take an action but do not require action to be taken, the owner may take or not take the action in accordance with the owner's standards for eviction. The owner may consider all of the circumstances relevant to a particular eviction case, such as:

- a. The seriousness of the offending action;
- b. The effect on the community of denial or termination or the failure of the owner to take such action;
- c. The extent of participation by the leaseholder in the offending action;
- d. The effect of denial of admission or termination of tenancy on household members not involved in the offending activity;
- e. The demand for assisted housing by families who will adhere to lease responsibilities;
- f. The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- g. The effect of the owner's action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully. For this purpose, the owner may require the participant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of assistance actions must be consistent with the fair housing and equal opportunity provision of 24 CFR 5.105.

- a. The owner may terminate the lease during its term on the following grounds:
 - i. Serious or repeated violations of the terms or conditions of the lease;
 - ii. Violation of Federal, State, or local law that imposes obligations on the participant in connection with the occupancy or use of the unit and its premises;
 - iii. Criminal activity by the household, a guest, or another person under the control of the household that threatens the health, safety, or right to peaceful enjoyment of the premises by other persons (including property management staff) residing on the premises or in the immediate vicinity of the premises;
 - iv. Any drug-related or violent criminal activity engaged in on or near the premises by any resident, household member, or guest, or such activity engaged in on the premises by any other person under the tenant's control, is grounds for the owner to terminate tenancy;

- v. When the owner determines that a household member is illegally using a drug or when the owner determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- vi. If a participant is fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or violating a condition of probation or parole imposed under Federal or State law.
- vii. If the tenant is violating a condition of probation or parole imposed under Federal or State law.
- viii. Other good cause. Other good cause may include, but is not limited to:
 - (1) Failure by the family to accept the offer of a new lease;
 - (2) Family history of disturbances of neighbors or destruction of property, or living or housekeeping habits resulting in damage to the property or unit;
 - (3) The owner's desire to utilize the unit for personal or family use or for a purpose other than use as a residential rental unit;
 - (4) A business or economic reason such as sale of the property, renovation of the unit, desire to rent at a higher rental amount.

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person in accordance with this section if the owner determines that the covered person has engaged in the criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction.

- b. During the first year the owner may not terminate tenancy for other good cause unless the reason is because of something the household did or failed to do.
- c. The owner may only evict the participant by instituting court action after or simultaneously providing written notice to the participant specifying the grounds for termination. The owner must give the Allegheny County Housing Authority a copy of any owner eviction notice to the participant at the same time that the owner gives the notice to the participant.
- d. The owner may terminate the contract at the end of the initial lease term or any extension of the lease term without cause by providing notice to the family that the lease term will not be renewed.

3. By mutual agreement

The family and the owner may at any time mutually agree to terminate the lease.

B. Termination of the Contract

1. Automatic termination of the contract

- a. If the Allegheny County Housing Authority terminates assistance to the family, the contract terminates automatically.
- b. If the family moves out of the unit, the contract terminates automatically.
- c. 180 calendar days after the last housing assistance payment to the owner.

2. Termination of the contract by the owner

The owner may only terminate tenancy in accordance with lease and State and local law.

3. Termination of the HAP contract by the Allegheny County Housing Authority

The Housing Authority may terminate the HAP contract because:

- a. The Housing Authority has terminated assistance to the family.

- b. The unit does not meet HQS space standards because of an increase in family size or change in family composition.
- c. When the family breaks up and the Allegheny County Housing Authority determines that the family members who move from the unit will continue to receive the assistance.
- d. The Allegheny County Housing Authority determines that there is insufficient funding in their contract with HUD to support continued assistance for families in the program.
- e. The owner has breached the contract in any of the following ways:
 - i. If the owner has violated any obligation under the HAP contract for the dwelling unit, including the owner's obligation to maintain the unit in accordance with the HQS.
 - ii. If the owner has violated any obligation under any other housing assistance payments contract under Section 8 of the 1937 Act.
 - iii. If the owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program.
 - iv. For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable mortgage insurance or loan program, with the mortgage or mortgage note, or with the regulatory agreement.
 - v. If the owner has engaged in drug-related criminal activity or any violent criminal activity.
 - vi. The owner has failed to provide documentation that the property taxes on the subsidized unit have been kept current.
- f. If a welfare-to-work family fails to fulfill its obligations under the welfare-to-work voucher program.

4. Final HAP payment to owner

The HAP payment stops when the lease terminates. The owner may keep the payment for the month in which the family moves out. If the owner has begun eviction proceedings and the family continues to occupy the unit, the Housing Authority will continue to make payments until the owner obtains a judgment or the family moves out.

17.0 CHARGES AGAINST THE SECTION 8 ADMINISTRATIVE FEE RESERVE

Occasionally, it is necessary for the Allegheny County Housing Authority to spend money from its Section 8 Administrative Fee Reserve to meet unseen or extraordinary expenditures or for its other housing related purposes consistent with federal and State law.

The Allegheny County Housing Authority Board of Directors authorizes the Executive Director to expend without prior Board approval up to \$10,000 for authorized expenditures.

Any item(s) exceeding \$10,000 will require prior Board of Director approval before any charge is made against the Section 8 Administrative Fee Reserve.

17.1 VAWA PROTECTIONS

Under the Violence Against Women Act (VAWA), Housing Choice Voucher participants have the following specific protections, which will be observed by the Allegheny County Housing Authority:

- A. An incident or incidents or actual or threatened domestic violence, dating violence, or stalking will not be construed as a serious or repeated violation of the lease by the victim or threatened victim of that violence, and shall not in itself be good cause for terminating the assistance, tenancy, or occupancy rights of the victim of such violence by either the Allegheny County Housing Authority or the owner or property manager.
- B. The Housing Authority may terminate the assistance to remove a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without terminating the assistance or evicting victimized lawful occupants. Also, the owner or property manager may evict a lawful occupant or tenant who engages in criminal acts or threatened acts of violence or stalking to family members or others without evicting other victimized lawful occupants. This is also true even if the household member is not a signatory to the lease. Under VAWA, both the Allegheny County Housing

Authority and the owner or property manager are granted the authority to bifurcate the lease.

- C. The Housing Authority and owner or property manager may honor court orders regarding the rights of access or control of the property.
- D. There is no limitation on the ability of the Housing Authority to terminate assistance for other good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking, other than the victim may not be subject to a “more demanding standard” than non-victims. Likewise, an owner or property manager can evict for good cause unrelated to the incident or incidents of domestic violence, dating violence or stalking.
- E. There is no prohibition on the owner evicting if it “can demonstrate an actual and imminent threat to other tenants or those employed at or providing goods or services to the property if that tenant’s (victim’s) tenancy is not terminated.”
- F. Any protections provided by law which give greater protection to the victim are not superseded by these provisions.

17.2 VERIFICATION OF DOMESTIC VIOLENCE, DATING VIOLENCE OR STALKING

The Allegheny County Housing Authority shall require and the owner or property manager may require verification in all cases where an individual claims protection under VAWA against an action involving such individual proposed to be taken by the Housing Authority.

- A. ***Requirement for Verification.*** The law allows, but does not require, the Allegheny County Housing Authority or a Section 8 owner or property manager to verify that an incident or incidents of actual or threatened domestic violence, dating violence, or stalking claimed by a tenant or other lawful occupant is bona fide and meets the requirements of the applicable definitions set forth in this policy. The Housing Authority shall require verification in all cases where an individual claims protection against an action involving such individual proposed to be taken by the Housing Authority. Section 8 owners or managers receiving rental assistance administered by the Housing Authority may elect to require verification, or not to require it as permitted under applicable law.

Verification of a claimed incident or incidents of actual or threatened domestic violence, dating violence or stalking may be accomplished in one of the following three ways:

1. **HUD-approved form (HUD-50066)** - By providing to the Housing Authority or to the requesting Section 8 owner or property manager a written certification, on the form approved by the U.S. Department of Housing and Urban Development (HUD), that the individual is a victim of domestic violence, dating violence or stalking that the incident or incidents in question are bona fide incidents of actual or threatened abuse meeting the requirements of the applicable definition(s) set forth in this policy. The incident or incidents in question must be described in reasonable detail as required in the HUD-approved form, and the completed certification must include the name of the perpetrator.
2. **Other documentation** - by providing to the Housing Authority or to the requesting Section 8 owner or property manager documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing the domestic violence, dating violence or stalking, or the effects of the abuse, described in such documentation. The professional providing the documentation must sign and attest under penalty of perjury (28 U.S.C. 1746) to the professional's belief that the incident or incidents in question are bona fide incidents of abuse meeting the requirements of the applicable definition(s) set forth in this policy. The victim of the incident or incidents of domestic violence, dating violence or stalking described in the documentation must also sign and attest to the documentation under penalty of perjury.
3. **Police or court record** – by providing to the Housing Authority or to the requesting Section 8 owner or property manager a Federal, State, tribal, territorial, or local police or court record describing the incident or incidents in question.

B. Time allowed to provide verification/ failure to provide. An individual who claims protection against adverse action based on an incident or incidents of actual or threatened domestic violence, dating violence or stalking, and who is requested by the Housing Authority, or a Section 8 owner or property manager to provide verification, must provide such verification within 14 business days after receipt of the written request for verification. Failure to provide verification, in proper form within such time will result in loss of protection under VAWA and this policy against a proposed adverse action.

17.3 CONFIDENTIALITY

All information provided under VAWA including the fact that an individual is a victim of domestic violence, dating violence, or stalking, shall be retained in confidence and shall

not be entered into any shared database or provided to any related entity except to the extent that the disclosure is:

- A. Requested or consented to by the individual in writing;
- B. Required for used in an eviction proceeding; or
- C. Otherwise required by applicable law.

The Allegheny County Housing Authority shall provide its tenants notice of their rights under VAWA including their right to confidentiality and the limits thereof.

18.0 INTELLECTUAL PROPERTY RIGHTS

No program receipts may be used to indemnify contractors or subcontractors of the Allegheny County Housing Authority against costs associated with any judgment of infringement of intellectual property rights.

19.0 ALLEGHENY COUNTY HOUSING AUTHORITY OWNED HOUSING

Units owned by the Allegheny County Housing Authority and not receiving subsidy under any other program are eligible housing units for Housing Choice Voucher holders. In order to comply with Federal regulation, the Allegheny County Housing Authority will do the following:

- A. The Allegheny County Housing Authority will make available through the briefing process both orally and in writing the availability of Allegheny County Housing Authority owned units (notification will also include other properties owned/managed by the private sector available to Housing Choice Voucher holders).
- B. The Allegheny County Housing Authority will obtain the services of an independent entity to perform the following Allegheny County Housing Authority functions:
 - 1. Determine rent reasonableness for the unit. The independent entity will communicate the rent reasonableness determination to the family and the Allegheny County Housing Authority.
 - 2. To assist the family in negotiating the rent.

3. To inspect the unit for compliance with HQS.
- C. The Allegheny County Housing Authority will gain HUD approval for the independent agency/agencies utilized to perform the above functions.
- D. The Allegheny County Housing Authority will compensate the independent agency/agencies from our ongoing administrative fee income.
- E. The Allegheny County Housing Authority, or the independent agency/agencies, will not charge the family any fee or charge for the services provided by the independent agency.

20.0 QUALITY CONTROL OF SECTION 8 PROGRAM

In order to maintain the appropriate quality standards for the Section 8 program, the Allegheny County Housing Authority will regularly (at least annually) review files and records to determine if the work documented in the files or records conforms to program requirements. This shall be accomplished by a supervisor or another qualified person other than the one originally responsible for the work or someone subordinate to that person. The number of files and/or records checked shall be at least equal to the number specified in the Section 8 Management Assessment Program (SEMAP) for our size housing authority.

Among the areas that shall have quality control reviews are the following:

- A. The proper people were selected from the waiting list and their selection criteria were actually met by the applicants.
- B. The determination of rent reasonableness.
- C. Participants are paying the appropriate rent and their income and expenses were properly verified both upon admission and re-certification.
- D. HQS inspections were properly made.
- E. HQS deficiencies were properly followed up on and appropriate repairs were made in a timely manner.

If significant errors are found during a quality control review, then appropriate training shall be immediately conducted for the person or persons who made the errors and that person shall correct all of his or her errors.

21.0 SECTION 8 HOMEOWNERSHIP

21.1 PURPOSE

The Allegheny County Housing Authority's homeownership option is designed to promote and support homeownership by a "first-time" homeowner -- a family that meets the definition in this Plan. It allows one or more members of the family to purchase a home. Section 8 payments supplement the family's own income to facilitate the transition from rental to homeownership. The initial availability of these assistance payments helps the family pay the costs of homeownership, and may provide additional assurance for a lender, so that the family can finance purchase of the home.

Section 8 homeownership assistance for a cooperative homeowner is specifically authorized for both families that are first time cooperative homeowners and families that owned its cooperative unit prior to receiving Section 8 assistance.

21.2 FAMILY PARTICIPATION REQUIREMENTS

- A. In order to assure a successful transition from rental to homeownership, this program shall be open only to those who have been assisted by the Section 8 Rental Assistance Program or participants that have just received a voucher.
- B. Only 100 of the Allegheny County Housing Authority's housing choice vouchers shall be utilized at any one time.
- C. The family is qualified to participate as set forth in Section 23.3 of this policy.
- D. The unit to be purchased is eligible as set forth in Section 23.4 of this policy.
- E. The family has satisfactorily completed the required pre-assistance homeownership counseling.
- F. If located in a special flood hazard area, the purchaser has obtained flood insurance on the home and agrees to maintain this insurance.

21.3 FAMILY ELIGIBILITY REQUIREMENTS

- A. The family has been admitted to the Section 8 Housing Choice Voucher program and desires to participate in the homeownership program.
- B. At the commencement of homeownership assistance the family must be one of the following:

1. A first-time homeowner;
2. A cooperative member; or
3. A family of which a family member is a person with disabilities, and the use of the homeownership option is needed as a reasonable accommodation so that the program is readily accessible to and usable by such person.

C. At commencement of homeownership assistance for the family, the family must demonstrate that its total annual income (gross income), as determined by the Allegheny County Housing Authority, of all the adult family members who will own the home at commencement of homeownership assistance is not less than the Federal minimum hourly wage multiplied by 2,000 hours. However, in the case of disabled families, the minimum income shall be equal to the monthly Federal Supplemental Security Income (SSI) for an individual living alone (or paying his or her share of food and housing costs) multiplied by twelve.

Except in the case of an elderly family or a disabled family, the Allegheny County Housing Authority shall not count any welfare assistance received by the family in determining annual income under this section.

The disregard of welfare assistance income under the preceding paragraph only affects the determination of minimum annual income used to determine if a family initially qualifies for commencement of homeownership assistance in accordance with this section, but does not affect:

1. The determination of income-eligibility for admission to the housing choice voucher program;
2. Calculation of the amount of the family's total tenant payment (gross family contribution); or
3. Calculation of the amount of homeownership assistance payments on behalf of the family.

In the case of an elderly family or a disabled family, welfare assistance shall be counted in determining annual income.

D. The family must demonstrate that one or more adult members of the family who will own the home at commencement of homeownership assistance:

1. Is currently employed on a full-time basis (the term ``full-time

employment" means not less than an average of 30 hours per week); and

2. Has been continuously so employed during the year before commencement of homeownership assistance for the family.

This requirement shall be considered fulfilled if:

1. The family member is self-employed and earning a net income (income after business expenses have been deducted) that equals the federal minimum hourly wage multiplied by 2000 hours; or
2. Any employment interruptions either were not the fault of the family member or were for less than 30 calendar days and caused by an effort to improve the family's situation.

The employment requirement does not apply to an elderly family or a disabled family. Furthermore, if a family other than an elderly family or a disabled family, includes a person with disabilities, an exemption from the employment requirement shall be granted if the Allegheny County Housing Authority determines that an exemption is needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

- G. The Allegheny County Housing Authority shall not commence homeownership assistance for a family if any family member has previously received assistance under the homeownership option while an adult, and has defaulted on a mortgage securing debt incurred to purchase the home.
- F. Except for cooperative members who have acquired cooperative membership shares prior to commencement of homeownership assistance, no family member has a present ownership interest in a residence at the commencement of homeownership assistance for the purchase of any home.
- G. Except for cooperative members who have acquired cooperative membership shares prior to the commencement of homeownership assistance, the family has entered a contract of sale.

21.4 ELIGIBLE UNITS

- A. Any unit that is eligible under the Section 8 rental assistance program is eligible for this program. The types of units eligible are:
 1. Single family dwellings;
 2. Condominiums;

3. Cooperatives; and
 4. Manufactured Housing and their pads (must have at least a permanent foundation and at least a 40-year lease).
- B. The unit must be either existing or under construction (the footers have been poured) at the time the family enters into the contract of sale.
 - C. The unit must be either a one unit property or a single dwelling unit in a cooperative or condominium.
 - D. The unit must satisfy the housing quality standards (HQS) and have been inspected by an independent inspector designated and paid for by the family.
 - E. The seller cannot be someone who has been debarred, suspended, or is subject to a limited denial of participation by HUD.
 - F. If the unit is owned by the Allegheny County Housing Authority or by an entity substantially controlled by the Housing Authority, the following additional conditions must be met:
 1. The purchasing family must verify in writing that it is purchasing the units without any housing authority steering or pressure; and
 2. An independent agency, approved by HUD must perform the following functions for this type of sale:
 - a. Inspect the units for HQS compliance;
 - b. Review the independent inspection report;
 - c. Review the sales contract; and
 - d. Determine the reasonableness of the sale price and any housing authority provided financing.
 - G. The unit may not yet be under construction. If a unit is not under construction when the contract for sale is entered into then the following must be completed before assistance can begin:
 1. HUD must approve the environmental review;
 2. The construction must be complete; and

3. The unit must pass an HQS inspection.

21.5 *SEARCHING FOR A NEW HOME*

Because the financial health of the Allegheny County Housing Authority's Section 8 program depends upon having units either under lease or being purchased, it is necessary for the Allegheny County Housing Authority to limit the amount of time a family can take between the time a Housing Choice Voucher is issued to the family and the time a home is identified that the family wishes to purchase. Normally, families will have up to sixty (60) calendar days to locate an appropriate property and notify the housing authority. If extraordinary difficulties are encountered, the family can request up to two (2) thirty (30) day extensions that may be granted at the sole discretion of the Allegheny County Housing Authority. If an extension is requested and granted, the family will orally report to the housing authority every two weeks to update the Allegheny County Housing Authority on the progress of its search.

Once a suitable property has been identified and an agreement to purchase contract entered into, the Allegheny County Housing Authority will determine a maximum time in which the closing must occur and the family to take occupancy of the property. This time frame will vary depending on market conditions.

If the family is unable to locate a suitable home to purchase, it can request that the Housing Choice Voucher be converted into a rental assistance voucher. This request must be made before the housing choice voucher expires. Approval of the request will be at the sole discretion of the Allegheny County Housing Authority with the decision being based on the effort exerted by the family and the condition of the marketplace.

Additional time will be granted to a disabled family as a reasonable accommodation if justified by the family's actions and/or marketplace conditions.

21.6 *HOMEOWNERSHIP COUNSELING*

Before the commencement of homeownership assistance for a family, the family must attend and satisfactorily complete a pre-assistance homeownership and housing counseling program required by the Allegheny County Housing Authority (pre-assistance counseling). If possible, the counseling will be conducted by a HUD-approved counseling agency. If this is not available, the housing authority shall make other arrangements for the pre-assistance counseling.

Among the topics to be covered in the PHA-required pre-assistance counseling program are:

A. Home maintenance (including care of the grounds);

- B. Budgeting and money management;
- C. Credit counseling;
- D. How to negotiate the purchase price of a home;
- E. How to obtain homeownership financing and loan preapprovals, including a description of types of financing that may be available, and the pros and cons of different types of financing;
- F. How to find a home, including information about homeownership opportunities, schools, and transportation in the PHA jurisdiction;
- G. Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;
- H. Information on fair housing, including fair housing lending and local fair housing enforcement agencies; and
- I. Information about the Real Estate Settlement Procedures Act (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.

The Allegheny County Housing Authority will also offer additional counseling after commencement of homeownership assistance (ongoing counseling). This counseling will be voluntary for all homeownership assistance recipients except those requesting their second, fourteenth and fifteenth years of assistance. The reason for this mandatory counseling is to make sure the families are either off to a good start or preparing for the termination of their assistance.

21.7 HOME INSPECTIONS

The Allegheny County Housing Authority will not commence homeownership assistance for a family until it has inspected the unit and has determined that the unit passes HQS.

The unit must also be inspected by an independent professional inspector selected by and paid by the family. The independent inspection must cover major building systems and components, including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components. The Allegheny County Housing Authority may not require the family to use an independent inspector selected by the housing authority. The independent inspector may not be a housing authority employee or contractor, or other person under control of

the housing authority. The independent inspector shall be certified by the American Society of Home Inspectors or one whose inspections are accepted by three local lenders. It shall be the responsibility of the inspector to verify that the inspector meets this certification qualification.

The independent inspector must provide a copy of the inspection report both to the family and to the Allegheny County Housing Authority. The housing authority will not commence homeownership assistance for the family until it has reviewed the inspection report of the independent inspector. Even if the unit otherwise complies with the HQS (and may qualify for assistance under the Allegheny County Housing Authority's tenant-based rental voucher program), the housing authority shall have discretion to disapprove the unit for assistance under the homeownership option because of information in the inspection report.

21.8 CONTRACT OF SALE

Before commencement of homeownership assistance, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give the Allegheny County Housing Authority a copy of the contract of sale.

The contract of sale must:

- A. Specify the price and other terms of sale by the seller to the purchaser.
- B. Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser.
- C. Provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser.
- D. Provide that the purchaser is not obligated to pay for any necessary repairs.
- E. Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation.

If the unit to be acquired is not yet under construction, the contract of sale must also include:

- A. The purchaser is not obligated to purchase the unit unless an environmental review has been performed and the site has received environmental approval prior to commencement of construction in accordance with 24 CFR 982.628.

- B. The construction will not commence until the environmental review has been completed and the seller has received written notice from the Allegheny County Housing Authority that environmental approval has been obtained. The Seller must realize that conducting the environmental review may not necessarily result in environmental approval, and environmental approval may be conditioned on the contracting parties' agreement to modifications to the unit design or to mitigation actions.
- C. Commencement of construction in violation of paragraph the above requirement voids the purchase contract and renders the Section 8 homeownership assistance unavailable for the purchase of this unit.

21.9 FINANCING THE PURCHASE OF THE HOME

- A. A purchasing family must invest at least three percent of the purchase price of the home they are buying in the property. This can take the form of either a down payment, closing costs, or a combination of the two. Of this sum, at least one percent of the purchase price must come from the family's personal resources.
- B. The family must qualify for the mortgage loan under a lender's normal lending criteria taking into account the fact that this is by definition a low-income family.
- C. If the home is purchased using FHA mortgage insurance, it is subject to FHA mortgage insurance requirements.
- D. If the loan is financed either by the seller or a non-traditional mortgage lending institution or individual, the loan shall be subject to the review of the Allegheny County Housing Authority. The housing authority may verify that there are no unusual or onerous requirements in the loan documents and that the mortgage is affordable to the purchasing family. Also, the lender must require that an appraisal of the property is conducted and the appraiser must determine that the property is worth at least as much as the purchaser is paying.
- E. Unless the purchaser can convince the Allegheny County Housing Authority of unusual circumstances, no balloon payment mortgages or variable rate mortgages shall be allowed in the program.
- F. All mortgage loans must close within the period of time established by the Allegheny County Housing Authority at the time the purchaser and seller enter into their sale contract.
- G. The Allegheny County Housing Authority may assist homeownership participants with closing costs. Participants must:

1. Be employed for a minimum of 1 year; and
2. Have 1% of their own money for closing costs.

or

1. Be a household headed by an elderly person or a person with a disability;
and
2. Have 1% of their own money for closing costs.

21.10 REQUIREMENTS FOR CONTINUING ASSISTANCE

Homeownership assistance will only be paid while the family is residing in the home. If the family moves out of the home, the Allegheny County Housing Authority will not continue homeownership assistance after the month when the family moves out. The family or lender is not required to refund to the PHA the homeownership assistance for the month when the family moves out.

The family must comply with the following obligations:

- A. The family must attend and complete ongoing homeownership and housing counseling before the end of the first, thirteenth and fourteenth years of assistance in order for assistance to continue.
- B. The family must comply with the terms of any mortgage securing debt incurred to purchase the home (or any refinancing of such debt).
- C. As long As the family is receiving homeownership assistance, use and occupancy of the home is subject to the following requirements:
 1. The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
 2. The composition of the assisted family residing in the unit must be approved by the Allegheny County Housing Authority. The family must promptly inform the housing authority of the birth, adoption or court-awarded custody of a child. The family must request housing authority approval to add any other family member as an occupant of the unit. No other person (i.e., nobody but members of the assisted family) may reside in the unit (except for a foster child or live-in aide).
 3. The family must promptly notify the Allegheny County Housing Authority if any family member no longer resides in the unit.
 4. If the Allegheny County Housing Authority has given approval, a foster child or a live-in-aide may reside in the unit.

5. Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit for residence by members of the family.
 6. The family must not sublease or let the unit.
 7. The family must not assign the mortgage or transfer the unit.
 8. The family must supply any information or certification requested by the housing authority to verify that the family is living in the unit, or relating to family absence from the unit, including any housing authority requested information or certification on the purposes of family absences. The family must cooperate with the housing authority for these purposes. The family must promptly notify the housing authority of their absence from the unit.
 9. The family must maintain at least the same income as initially being received by the family at the time of mortgage approval with gaps of no greater than 120 calendar days.
- D. The family may grant a mortgage on the home for debt incurred to finance purchase of the home or any refinancing of such debt.
- E. Upon death of a family member who holds, in whole or in part, title to the home or ownership of cooperative membership shares for the home, homeownership assistance may continue pending settlement of the decedent's estate, notwithstanding transfer of title by operation of law to the decedent's executor or legal representative, so long as the home is solely occupied by remaining family members in accordance with Paragraph C above. In the case of a divorce or family separation, the assistance shall follow what a court decrees.
- F. The family shall supply the Allegheny County Housing Authority with any required information requested by the housing authority. In particular this shall include information relating to the following:
1. Citizenship or related immigration matters;
 2. Family income and composition;
 3. Social security numbers;
 4. Any mortgage or other debt placed on the property;

5. Any sale or other transfer of any interest in the home; and
 6. The family's homeownership expenses.
- G. The family must notify the housing authority before the family moves out of the home.
 - H. The family must notify the Allegheny County Housing Authority if the family defaults on a mortgage securing any debt incurred to purchase the home.
 - I. During the time the family receives homeownership assistance under this program, no family member may have any ownership interest in any other residential property.
 - J. Before commencement of homeownership assistance, the family must execute a statement of family obligations in the form prescribed by HUD. In the statement, the family agrees to comply with all family obligations under the homeownership option.
 - K. The family must secure the written permission of the Allegheny County Housing Authority before it refinances any debt secured by the home or places any additional secured debt on the property.
 - L. The family must assure the Allegheny County Housing Authority that all real estate taxes were paid on a timely basis. If they are not paid, assistance shall be terminated.

21.11 MAXIMUM TERM OF HOMEOWNERSHIP ASSISTANCE

- A. Except in the case of a family that qualifies as an elderly or disabled family, family members shall not receive homeownership assistance for more than fifteen years if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or ten years, in all other cases.
- B. The maximum term described in the preceding paragraph applies to any member of the family who has an ownership interest in the unit during the time the homeownership payments are made or is the spouse of any member of the household who has an ownership interest during the time the homeownership payments are made.
- C. As noted in Paragraph A of this Section, the maximum homeownership assistance term does not apply to elderly and disabled families. In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the

exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family. If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance in accordance with this program).

- D. If the family has received such assistance for different homes, or from different housing authorities, the total of such assistance terms is subject to the maximum term described in Paragraph A of this section.

21.12 AMOUNT AND DISTRIBUTION OF HOMEOWNERSHIP ASSISTANCE

- A. While the family is residing in the home, the Allegheny County Housing Authority shall pay a monthly homeownership assistance payment on behalf of the family that is equal to the lower of:

- 1. The payment standard minus the total tenant payment; or
- 2. The family's monthly homeownership expenses minus the total tenant payment.

- B. The payment standard for a family is the lower of:

- 1. The payment standard for the family unit size; or
- 2. The payment standard for the size of the home.

If the home is located in an exception payment standard area, the Allegheny County Housing Authority will use the appropriate payment standard for the exception payment standard area.

The payment standard for a family is the greater of:

- 1. The payment standard (as determined in accordance with Paragraph A of this section) at the commencement of homeownership assistance for occupancy of the home; or
- 2. The payment standard (as determined in accordance with Paragraph A of this section) at the most recent regular reexamination of family income and composition since the commencement of homeownership assistance for occupancy of the home.

The Allegheny County Housing Authority will use the same payment standard schedule, payment standard amounts, and subsidy standards for the homeownership option as for the rental housing choice voucher program.

- C. A family's homeownership expenses shall include the following items:
1. Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
 2. Real estate taxes and public assessments on the home;
 3. Home insurance;
 4. Maintenance expenses of \$25 per month;
 5. An allowance of \$25 a month for costs of major repairs and replacements;
 6. The Allegheny County Housing Authority's utility allowance for the home; and
 7. Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the housing authority determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.
- D. Homeownership expenses for a cooperative member may only include amounts to cover:
1. The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;
 2. Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;
 3. Home insurance;
 4. The PHA allowance for maintenance expenses;

5. The PHA allowance for costs of major repairs and replacements;
 6. The PHA utility allowance for the home; and
 7. Principal and interest on debt incurred to finance major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the housing authority determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.
- E. If the home is a cooperative or condominium unit, homeownership expenses may also include cooperative or condominium operating charges or maintenance fees assessed by the condominium or cooperative homeowner association.
- F. The Allegheny County Housing Authority will pay homeownership assistance payments directly to the lender on behalf of the family unless the lender does not want the payment to be made directly to them. If there is any excess assistance, it will be paid to the family.
- G. Homeownership assistance for a family terminates automatically 180 calendar days after the last housing assistance payment on behalf of the family. However, the Allegheny County Housing Authority retains the discretion to grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

21.13 HOMEOWNERSHIP PORTABILITY

- A. A family may qualify to move outside the initial Allegheny County Housing Authority's jurisdiction with continued homeownership assistance under the housing choice voucher program. Families determined eligible for homeownership assistance by the Allegheny County Housing Authority may purchase a unit outside our jurisdiction, if:
1. They meet our normal requirements for portability under the rental program;
 2. The receiving housing authority is administering a housing choice voucher homeownership program and the family meets the receiving housing authority's eligibility requirements; and

3. The receiving housing authority is accepting new homeownership families.
- B. Conversely, if the Allegheny County Housing Authority has slots open in our homeownership program we will accept homeowners exercising portability from another program and absorb such families if possible.
 - C. In general, the portability procedures described previously in this Administrative Plan apply to the homeownership option. The administrative responsibilities of the initial and receiving housing authorities are not altered except that some administrative functions (e.g., issuance of a housing choice voucher or execution of a tenancy addendum) do not apply to the homeownership option.
 - D. The family must attend the briefing and counseling sessions required by the receiving housing authority. The receiving housing authority will determine whether the financing for, and the physical condition of the unit, are acceptable. The receiving housing authority must promptly notify the initial housing authority if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by the housing authority.
 - E. Continued assistance under portability procedures is the next Section of this Administrative Plan.

21.14 MOVING WITH CONTINUED TENANT-BASED ASSISTANCE

- A. A family receiving homeownership assistance may move to a new unit with continued tenant-based assistance. The family may move either with voucher rental assistance (in accordance with rental assistance program requirements) or with voucher homeownership assistance (in accordance with homeownership option program requirements). The Allegheny County Housing Authority will not commence continued tenant-based assistance for occupancy of the new unit so long as any family member owns any title or other interest in the prior home. No more than one move per year may occur in the program.
- B. The Allegheny County Housing Authority must be able to determine that all initial requirements have been satisfied if a family that has received homeownership assistance wants to move to a new unit with continued homeownership assistance. However, the following requirements do not apply:
 1. The requirement for pre-assistance counseling is not applicable.
 2. The requirement that a family must be a first-time homeowner is not applicable.

- C. The Allegheny County Housing Authority may deny permission to move with continued assistance in the following circumstances:
 - 1. The Allegheny County Housing Authority may deny permission to move with continued rental or homeownership assistance if the housing authority determines that it does not have sufficient funding to provide continued assistance.
 - 2. At any time, the Allegheny County Housing Authority may deny permission to move with continued rental or homeownership assistance in accordance with the next Section.

21.15 DENIAL OR TERMINATION OF ASSISTANCE FOR FAMILIES

- A. At any time, the Allegheny County Housing Authority may deny or terminate homeownership assistance in accordance with the same rules as it utilizes for the rental program.
- B. The same restrictions on admission or continued assistance in regards to criminal activities shall apply to the homeownership program as the rental program.
- C. The Allegheny County Housing Authority may deny or terminate assistance for violation of participant obligations as previously described for the rental program.
- D. The PHA shall terminate housing choice voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of foreclosure on any mortgage (whether FHA-insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt. The Allegheny County Housing Authority, in its discretion, may permit the family to move to a new unit with continued housing choice voucher rental assistance if the family can show that the default was for reasons beyond its control. However, the housing authority will deny such permission, if:
 - 1. The family defaulted on an FHA-insured mortgage; and
 - 2. The family fails to demonstrate that:
 - a. The family has conveyed title to the home, as required by HUD, to HUD or HUD's designee; and
 - b. The family has moved from the home within the period established or approved by HUD.

22.0 CONDUCTING BUSINESS IN ACCORDANCE WITH CORE VALUES AND ETHICAL STANDARDS

22.1 PURPOSE

This Code of Conduct establishes standards for employee and Board of Director conduct that will assure the highest level of public service. Recognizing that compliance with any ethical standards rests primarily on personal integrity and specifically in this situation with the integrity of the employees and Board of Directors of the Allegheny County Housing Authority, this Section sets forth those acts or omissions of acts that could be deemed injurious to the general mission of the Authority.

This Code of Conduct is not intended, nor should it be construed, as an attempt to unreasonably intrude upon the individual employee or Board of Director member's right to privacy and the right to participate freely in a democratic society and economy.

22.2 CONFLICT OF INTEREST

In accordance with 24 CFR 982.161, neither the Allegheny County Housing Authority nor any of its contractors or subcontractors may enter into any contract or arrangement in connection with the tenant-based programs in which any of the following classes of persons has any interest, direct or indirect, during his or her tenure with the Allegheny County Housing Authority or for one year thereafter:

- A. Any present or former member or officer of the Housing Authority (except a participant member of the Board of Directors);
- B. Any employee of the Housing Authority or any contractor, subcontractor or agent of the Housing Authority who formulates policy or who influences decisions with respect to the programs;
- C. Any public official, member of a governing body, or State or local legislator who exercises functions or responsibilities with respect to the Allegheny County Housing Authority's programs; or
- D. Any member of the Congress of the United States.

Any member of the classes described in A, B, C, or D, must disclose their interest or prospective interest to the Housing Authority and HUD.

The Conflict of Interest prohibition under this section (24.2) may be waived by the HUD Field Office upon the request of the Allegheny County Housing Authority for good cause.

22.3 PROHIBITION OF SOLICITATION OR ACCEPTANCE OF GIFTS

No member of the Board of Directors or Authority employee shall solicit any gift or consideration of any kind, nor shall any Authority employee accept or receive a gift having value in excess of \$25.00 regardless of the form of the gift, from any person who has an interest in any matter proposed or pending before the Authority.

22.4 HOUSING AUTHORITY ADMINISTRATIVE AND DISCIPLINARY REMEDIES FOR VIOLATION OF THE HOUSING AUTHORITY CODE OF CONDUCT

Violations of this Code of Conduct Policy will result in disciplinary action as outlined in the Allegheny County Housing Authority's Personnel Policy or as determined by action of the Board of Directors.

23.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Allegheny County Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Allegheny County Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income. The presence of the temporary guardian will need to be approved by the landlord.
- B. Although typically a criminal background check is required before anyone can participate in the housing choice voucher program, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves into the assisted unit. If the results of the check dictate that the person is ineligible for the program, the family shall be given a reasonable time to find a replacement temporary guardian.

- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Allegheny County Housing Authority will expeditiously re-evaluate a resident's portion of the rent if requested to do so.
- D. A unit cannot be held by a family that is not residing in it as their primary residence for more than 180 consecutive calendar days because of a specific federal regulation. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service. If the service extends beyond 180 calendar days, the Allegheny County Housing Authority will seek a waiver of the 180 calendar day limit from HUD.

24.0 ANTI-FRAUD POLICY

The Allegheny County Housing Authority is fully committed to combating fraud in its Section 8 housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Allegheny County Housing Authority. It results in the inappropriate expenditure of public funds and/or a violation of Section 8 requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Allegheny County Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Allegheny County Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement;
- C. Terminate the resident's rental assistance;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Allegheny County Housing Authority deems appropriate.

25.0 PROJECT-BASING HOUSING VOUCHERS

The Allegheny County Housing Authority has determined that project-basing some of its housing vouchers (not to exceed 20% of the inventory) is in the community's interest. This effort is an appropriate option because it will deconcentrate poverty and expand housing and economic opportunity. The specifics of what the Housing Authority is seeking will be contained in an advertisement published in the manner prescribed by HUD that varies depending upon whether the units to be brought into the program are new construction, rehabilitated, or existing units. The actual selection of the units to be project-based shall also be in full accordance with HUD requirements.

25.1 SELECTION OF PROPERTIES TO PROJECT-BASE

A. Selection Policy

The policies as set forth herein are adopted by the Allegheny County Housing Authority for the purpose of administering the Section 8 Project-Based Voucher program.

The Allegheny County Housing Authority will select Project-Based Voucher proposals by either of the following two methods:

1. Allegheny County Housing Authority will request Project-Based Voucher Proposals. The Allegheny County Housing will not limit proposals to a single site or impose restrictions that explicitly or practically preclude other submissions of proposals for Project-Based Voucher housing on different sites.
2. The selection of a proposal for housing assisted under a federal, state, or local government housing assistance, community development, or supportive services program that requires competitive selection of proposals (e.g., HOME, and units for which competitively awarded LIHTCs have been provided) where the proposal has been selected in accordance with such program's competitive selection requirements within three years of the Project-Based Voucher proposal selection date. Also, the earlier competitive selection proposal must not have involved any consideration that the project would receive Project-Based Voucher assistance. In this case, the vouchers can be project-based merely on a vote of the Board of Commissioners.

If the Allegheny County Housing Authority will be selecting proposals under A(1) of this section, the Allegheny County Housing Authority will issue a

Request for Proposals (RFP) inviting interested owners to participate in the Project-Based Voucher Program. In the Project-Based Voucher Program, assistance is attached to the structure and may be in the form of existing housing, newly constructed housing or rehabilitated housing. The RFP may include all forms of housing or individual forms (e.g., newly constructed housing only).

The Allegheny County Housing Authority will advertise the RFP in the Pittsburgh Post-Gazette, which is the newspaper of general circulation for the jurisdiction, and another appropriate newspaper. Applicants shall have twenty (20) calendar days from the last date of publication to respond by submitting their applications. Only applications submitted in response to the advertisement will be considered.

The Allegheny County Housing Authority will prepare a detailed RFP package outlining;

- Program Requirements to include:
 - (1) ineligible housing types and prohibition of assistance for units in subsidized housing; and
 - (2) program accessibility requirements of section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8; and
 - (3) housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR 100.205, as applicable;
- Application Requirements;
- Rating and Ranking of Applications; and
- Selection Process.

This information will be provided at the request of interested parties. The submission deadline date will also be a part of the RFP package. This will allow the Allegheny County Housing Authority adequate time to examine the proposed site before the selection date. For existing housing, the Allegheny County Housing Authority will inspect all of the units to determine whether the units substantially comply with the HQS.

After the closing date of the Request for Proposals, the Allegheny County Housing Authority will review each proposal for completeness, determine if the proposed site meets the site selection standards, determine that the cap on number of Project-Based Voucher units in each building has not been exceeded, and score the proposal.

After the Allegheny County Housing Authority staff has made its decision, the Executive Director will present the rating and ranking of proposals, along with the recommended selection based on the scores received to the Allegheny County Housing Authority Board of Commissioners for approval.

If the selection of proposals includes Allegheny County Housing Authority owned property(s), the Allegheny County Housing Authority will notify the HUD field office before finalizing the selection for its review of the selection.

A Housing Authority owned unit is defined as a dwelling unit owned by the Housing Authority that administers the voucher program. Housing Authority-owned means that the agency or its officers, employees, or agents hold a direct or indirect interest in the building in which the unit is located, including an interest as titleholder or lessee, or as a stockholder, member or general or limited partner, or member of a limited liability corporation, or an entity that holds any such direct or indirect interest.

The Allegheny County Housing Authority will give written notification to the successful proposer(s) within five (5) business days of Board approval. The Allegheny County Housing Authority will also notify those proposers that weren't selected within five (5) business days from Board approval. The denial letter will contain the procedures for appealing the selection.

The Allegheny County Housing Authority will make documentation available for public inspection regarding the basis for the Allegheny County Housing Authority selection of a Project-Based Voucher proposal.

If proposers wish to appeal the selection process, they may do so by presenting their complaint in writing to the Executive Director within ten (10) calendar days from the date contained on the denial letter from the Allegheny County Housing Authority.

The Allegheny County Housing Authority will seek to resolve all appeals in as informal a manner as possible. The appeal must contain, at a minimum, the following information:

- Name, address, and telephone number of the proposer appealing;
- Identification of the RFP being appealed;
- A statement of the reason for appealing;
- Supporting exhibits, evidence, or documents to substantiate any arguments; and
- The form of relief requested.

The Allegheny County Housing Authority shall issue a decision on the appeal as expeditiously as possible after receiving all relevant information requested. The Allegheny County Housing Authority may decide to suspend the award of project-based vouchers if the facts presented in the appeal warrant such action. This action will only be taken if the evidence is clear and convincing as to the existence of an impropriety and there are no other means of resolving the matter. If the Allegheny County Housing Authority Executive Director believes that an impropriety exists, then the proposed award of project-based vouchers will be canceled or revised to comply with the decision of the Executive Director.

If the appeal is not granted, the Executive Director will provide a written decision with justification for the denial of the appeal.

B. Requirements for Selection of Project-Base Housing

1. Housing Type

The Allegheny County Housing Authority may attach Project-Based Voucher assistance for units in existing housing, newly constructed housing or rehabilitated housing. A housing unit is considered an existing unit if at the time of notice of the Allegheny County Housing Authority selection, the units substantially comply with HQS.

2. Prohibition of Assistance for Ineligible Units

(a) Ineligible Units

The Allegheny County Housing Authority will not attach or pay Project-Based Voucher assistance for units in the following types of housing:

- (i) Shared housing;
- (ii) Units on the grounds of a penal, reformatory, medical, mental, or similar public or private institution;
- (iii) Nursing homes or facilities providing continuous psychiatric, medical, nursing services, board and care, or intermediate care. Units in an assisted living facility are eligible if they provide home health care services such as nursing and therapy for residents of the housing;

- (iv) Units that are owned or controlled by an educational institution or its affiliate and are designated for occupancy by students of the institution;
- (v) Manufactured homes;
- (vi) Cooperative housing; and

The Allegheny County Housing Authority will not attach or pay Project-Based Voucher assistance to a high-rise elevator project that may be occupied by families with children unless the Allegheny County Housing Authority determines there is no practical alternative and HUD approves such finding.

(c) Prohibition Against Assistance for Owner-Occupied Unit

The Allegheny County Housing Authority will not attach or pay Project-Based Voucher assistance for a unit occupied by an owner of the housing.

(d) Prohibition Against Selecting a Unit Occupied by an Ineligible Family

The Allegheny County Housing Authority will not select or enter into an Agreement or HAP contract for a unit occupied by a family ineligible for participation in the Project-Based Voucher Program.

3. Prohibition of Assistance for Units in Subsidized Housing

The Allegheny County Housing Authority will not attach or pay Project-based Voucher assistance to units in any of the following types of subsidized housing:

- (a) A public housing dwelling unit;

- (d) A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;

However, the Allegheny County Housing Authority may attach assistance for a unit subsidized with Section 515 interest reduction payments (42 U.S.C. 1485);
- (g) A Section 202 project for non-elderly persons with disabilities (assistance under Section 162 of the Housing and Community Development Act of 1987, 12 U.S.C. 1701q note);
- (h) Section 811 project-based supportive housing for persons with disabilities (42 U.S.C. 8013).
- (i) Section 202 supportive housing for the elderly (12 U.S.C. 1701q);
- (j) A Section 101 rent supplement project (12 U.S.C. 1701s);
- (k) A unit subsidized with any form of tenant-based rental assistance (as defined at 24 CFR 982.1(b)(2)) (e.g., a unit subsidized with tenant-based rental assistance under the HOME program, 42 U.S.C. 12701 et seq.);
- (l) A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or by the Allegheny County Housing Authority in accordance with HUD requirements. For this purpose, “housing subsidy” does not include the housing component of a welfare payment; a social security payment; or a federal, state, or local tax concession (such as relief from local real property taxes).

4. Prohibition of Excess Public Assistance

The Allegheny County Housing Authority will only provide Project-Based Voucher assistance in accordance with HUD subsidy layering regulations and other requirements. The subsidy layering review is intended to

prevent excessive public assistance for the housing by combining (layering) housing assistance payment subsidy under the Project-Based Voucher Program with other governmental housing assistance from federal, state, or local agencies, including assistance such as tax concessions or tax credits.

The Allegheny County Housing Authority will only enter into an Agreement or HAP contract after HUD or an independent entity approved by HUD has conducted any required subsidy layering review and determined that the Project-Based Voucher assistance is in accordance with HUD subsidy layering requirements.

The Allegheny County Housing Authority will require the owner to certify that the project has not received and will not receive (before or during the term of the HAP contract) any public assistance for acquisition, development, or operation of the housing other than the assistance disclosed in the subsidy layering review in accordance with HUD requirements.

5. Cap on Number of Project-Based Voucher Units in Each Building

(a) 25 Percent Per Building Cap

The Allegheny County Housing Authority will not select a proposal to provide Project-Based Voucher assistance for units in a building or enter into an Agreement or HAP contract to provide Project-Based Voucher assistance for units in a building if the total number of dwelling units in the building that will receive Project-Based Voucher Assistance during the term of the Project-Based Voucher HAP is more than 25 percent of the number of the dwelling units in the building.

(b) Exception to 25 Percent Per Building Cap

In the following instances, Project-Based Voucher units are not counted against the 25 percent per building cap:

- (i) Units in a single-family building (4 units or less)
- (ii) Excepted units in a multi family building.

Note: "Excepted units" means units in a multifamily building that are specifically made available for qualifying families;

“Qualifying families” means: Elderly or disabled families; or families receiving supportive services.

Supportive services mean those appropriate services made available to a family trying to achieve economic independence and self-sufficiency and may include:

- (1) Child care - child care of a type that provides sufficient hours of operation and serves an appropriate range of ages;*
- (2) Transportation - transportation necessary to enable a participating family to receive available services, or to commute to their places of employment;*
- (3) Education - remedial education; education for completion of secondary or post secondary schooling;*
- (4) Employment - job training, preparation, and counseling; job development and placement; and follow-up assistance after job placement and completion of the contract of participation;*
- (5) Personal welfare - substance/alcohol abuse treatment and counseling;*
- (6) Household skills and management - training in homemaking and parenting skills; household management; and money management;*
- (7) Other services - any other services and resources, including case management, reasonable accommodations for individuals with disabilities, that the Allegheny County Housing Authority determines to be appropriate in assisting families to achieve economic independence and self-sufficiency.*

6. Site Selection Standards

(a) General Requirements

The Allegheny County Housing Authority will not select a proposal for existing housing, newly constructed, or rehabilitated Project-Based Voucher housing on a site or enter into an Agreement or HAP contract for units on the site until the Allegheny County Housing Authority has determined that:

- (i) Project-based assistance for housing at the selected site is consistent with the goal of deconcentrating poverty and expanding housing and economic opportunities as outlined in the Allegheny County Housing Authority Annual and Five-Year Plan and this Administrative Policy. In making this determination, the Allegheny County Housing Authority will utilize the following factors:
 - (1) Whether the census tract in which the proposed Project-Based Voucher development will be located is in a HUD-designated Enterprise Zone, Economic Community, or Renewal Community;
 - (2) Whether a Project-Based Voucher development will be located in a census tract where the concentration of assisted units will be or has decreased as a result of public housing demolition;
 - (3) Whether the census tract in which the proposed Project-Based Voucher development will be located is undergoing significant revitalization;
 - (4) Whether state, local, or federal dollars have been invested in the area that has assisted in the achievement of the statutory requirement;
 - (5) Whether new market rate units are being developed in the same census tract where the proposed Project-Based Voucher development will be located and the likelihood that such market rate units will positively impact the poverty rate in the area;
 - (6) If the poverty rate in the area where the proposed Project-Based Voucher development will be located is greater than 20 percent, the PHA should consider whether in the past five years there has been an overall decline in the poverty rate;

- (7) Whether there are meaningful opportunities for educational and economic advancement in the census tract where the proposed Project-Based Voucher development will be located.
- (ii) The site is suitable from the standpoint of facilitating and furthering full compliance with applicable Civil Rights statutes and regulations, including the requirement that the site meet the Section 504 site selection requirements described in 24 FR 8.4(b)(5).
- (iii) The site meets the HQS site requirements at 24 CFR 982.401(1).

(b) Existing and Rehabilitated Housing Site and Neighborhood Standards

The Allegheny County Housing Authority will determine if a site for existing or rehabilitated housing meets the following site and neighborhood standards. The site must:

- (i) Be adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities and streets must be available to service the site. (The existence of a private disposal system and private sanitary water supply for the site, approved in accordance with law, may be considered adequate utilities.)
- (ii) Promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons.
- (iii) Be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services that are at least equivalent to those typically found in neighborhoods consisting largely of unassisted standard housing of similar market rents.
- (iv) Be so located that travel time and cost via public transportation or private automobile from the neighborhood to places of employment providing a range of jobs for lower-income workers is not excessive. While it is important that housing for the elderly not be totally isolated

from employment opportunities, this requirement need not be adhered to rigidly for such projects.

(c) New Construction Site and Neighborhood Standards

A site for newly constructed housing must meet the following site and neighborhood standards:

- (i) The site must be adequate in size, exposure, and contour to accommodate the number and type of units proposed, and adequate utilities (water, sewer, gas, and electricity) and streets must be available to service the site.
- (ii) The site must not be located in an area of minority concentration, except as permitted under paragraph (iii) below, and must not be located in a racially mixed area if the project will cause a significant increase in the proportion of minority to non-minority residents in the area.
- (iii) A project may be located in an area of minority concentration only if:
 - (1) Sufficient comparable opportunities exist for housing for minority families in the income range to be served by the proposed project outside area of minority concentration; or
 - (2) The project is necessary to meet overriding housing needs that cannot be met in that housing market area.

Note: "Sufficient" does not require that in every locality there be an equal number of assisted units within and outside of areas of minority concentration. Rather, application of this standard should produce a reasonable distribution of assisted units each year so that, over a period of several years, it will approach an appropriate balance of housing choices within and outside areas of minority concentration. An appropriate balance will be determined in light of local conditions affecting the range of housing choices available for low-income

minority families and in relation to the racial mix of the locality's population.

Units will be considered "comparable opportunities" if they have the same household type (elderly, disabled, family, large family) and tenure type (owner/renter); require approximately the same tenant contribution towards rent, serve the same income group, are located in the same housing market, and are in standard condition.

Application of the "comparable opportunities" standard involves assessing the overall impact of HUD-assisted housing on the availability of housing choices for low-income minority families in and outside areas of minority concentration, and must take into account the extent to which the following factors are present, along with other factors relevant to housing choice:

- (A) A significant number of assisted housing units are available outside areas of minority concentration.*
- (B) There is significant integration of assisted housing projects constructed or rehabilitated in the past 10 years, relative to the racial mix of the eligible population.*
- (C) There are racially integrated neighborhoods in the locality.*
- (D) Programs are operated by the locality to assist minority families that wish to find housing outside areas of minority concentration*
- (E) Minority families have benefited from local activities (e.g., acquisition and write-down of sites, tax relief programs for homeowners, acquisitions of units for use as assisted housing units) undertaken to expand choice for minority families outside of areas of minority concentration.*

(F) *A significant proportion of minority households have been successful in finding units in non-minority areas under the tenant-based assistance programs.*

(G) *Comparable housing opportunities have been made available outside areas of minority concentration through other programs.*

Application of the “overriding housing needs” criterion, for example, permits approval of sites that are an integral part of an overall local strategy for the preservation or restoration of the immediate neighborhood and of sites in a neighborhood experiencing significant private investment that is demonstrably improving the economic character of the area (a “revitalizing area”). An “overriding housing need,” however, may not serve as the basis for determining that a site is acceptable, if the only reason the need cannot otherwise be feasibly met is that discrimination on the basis of race, color, religion, sex, national origin, age, familial status, or disability renders sites outside areas of minority concentration unavailable or if the use of this standard in recent years has had the effect of circumventing the obligation to provide housing choice.

- (iv) The site must promote greater choice of housing opportunities and avoid undue concentration of assisted persons in areas containing a high proportion of low-income persons.
- (v) The neighborhood must not be one that is seriously detrimental to family life or in which substandard dwellings or other undesirable conditions predominate, unless there is a concerted program actively in progress to remedy the undesirable conditions.
- (vi) The housing must be accessible to social, recreational, educational, commercial, and health facilities and services and other municipal facilities and services that are at least

equivalent to those typically found in neighborhoods consisting largely of unassisted standard housing of similar market rents.

- (vii) Except for new construction, housing designed for elderly persons, travel time, and cost via public transportation or private automobile from the neighborhood to places of employment providing a range of jobs for lower-income workers must not be excessive.

7. Environmental Review

The Allegheny County Housing Authority will not enter into an Agreement or HAP contract with an owner nor will the Allegheny County Housing Authority, the owner or its contractors acquire, dispose of, demolish, or construct real property or commit or expend program or local funds for Project-Based Voucher activities until one of the following occurs:

- (a) The responsible entity (a unit of general local government, a county or a state) has completed the environmental review procedures required by 24 CFR part 58, and HUD has approved the environmental certification and request for release of funds;
- (b) The responsible entity has determined that the project to be assisted is exempt under 24 CFR 58.34 or is categorically excluded and not subject to compliance with environmental laws under 24 CFR 58.35(b); or
- (c) HUD has performed an environmental review under 24 CFR part 50 and has notified the Allegheny County Housing Authority in writing of environmental approval of the site.

The Allegheny County Housing Authority will require the owner to carry out mitigating measures required by the responsible entity (or HUD, if applicable) as a result of the environmental review.

8. Allegheny County Housing Authority Owned Units

- (a) Selection of Allegheny County Housing Authority Owned Units

If the Allegheny County Housing Authority selects its own proposal, the HUD field office or a HUD approved independent entity will review the selection process to determine that the

Allegheny County Housing Authority units were appropriately selected based on the selection procedures as outlined in this Section 8 Administrative Plan.

(b) Inspection and Determination of Reasonable Rent

The Allegheny County Housing Authority will have an independent entity approved by HUD perform the following program services:

- (i) Determination of rent to owner as outlined in 25.5(A) and (B). The independent entity approved by HUD must establish the initial contract rents based on an appraisal by a licensed state-certified appraiser; and
- (ii) Inspections as outlined in Section 25.2(F) of this Administrative Plan.

(c) Nature of Independent Entity

The independent entity that performs these program services may be the unit of general local government for the Allegheny County Housing Authority's jurisdiction (unless the Allegheny County Housing Authority is itself the unit of general local government or an agency of such government) or another HUD-approved public or private independent entity.

(d) Payment to Independent Entity and Appraiser

The Allegheny County Housing Authority will compensate the independent entity and appraiser from the Allegheny County Housing Authority's ongoing administrative fee income (including the amounts credited to the administrative fee reserve). The Allegheny County Housing Authority will not use other program receipts to compensate the independent entity and appraiser for their services.

The Allegheny County Housing Authority, independent entity, and appraiser will not charge the family any fee for the appraisal or the services provided by the independent entity.

25.2 HOUSING QUALITY STANDARDS

The Allegheny County Housing Authority will follow the policies as outlined in Section 12.0 Inspection Policies and Housing Quality Standards of this Section 8 Administrative for the Project-Based Voucher Program except when the physical condition standards at 24 CFR 5.703 do not apply to the Project-Based Voucher Program and the lead-based paint requirements at 24 CFR 982.401(j) do not apply to the Project-Based Voucher Program.

A. Inspecting Units

1. Pre-Selection Inspection

(a) Inspection of Site

The Allegheny County Housing Authority will examine the proposed site to confirm its appropriateness before the proposal selection date.

2. Inspection of Existing Units

The Allegheny County Housing Authority will inspect all the units before the proposal selection date and will determine whether the units substantially comply with the HQS. To qualify as existing housing, units must substantially comply with the HQS on the proposal selection date. The Allegheny County Housing Authority will not execute the HAP contract until the units fully comply with the HQS.

B. Pre-HAP Contract Inspections

The Allegheny County Housing Authority will inspect each contract unit before execution of the HAP contract. The Allegheny County Housing Authority will not enter into a HAP contract covering a unit until the unit fully complies with the HQS.

C. Turnover Inspections

The Allegheny County Housing Authority will inspect the unit before providing assistance to a new family in a contract unit. The Allegheny County Housing Authority will not provide assistance on behalf of the family until the unit fully complies with the HQS.

D. Annual Inspections

1. At least annually during the term of the HAP contract, the Allegheny County Housing Authority will inspect a random sample, consisting of at

least 20 percent of the contract units in each building, to determine if the contract units and the premises are maintained in accordance with the HQS.

Note: Turnover inspections pursuant to paragraph C. of this section will not count toward meeting this annual inspection requirement.

2. If more than 20 percent of the annual sample of inspected contract units in a building fail the initial inspection, the Allegheny County Housing Authority will re-inspect 100 percent of the contract units in the building.

E. Other Inspections

1. The Allegheny County Housing Authority will inspect contract units whenever needed to determine that the contract units comply with the HQS, that the owner is complying with the HQS, and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The Allegheny County Housing Authority will take into account complaints and any other information coming to its attention in scheduling inspections.
2. The Allegheny County Housing Authority will conduct follow-up inspections needed to determine if the owner (or the family if responsible) has corrected an HQS violation. Additionally, the Allegheny County Housing Authority will conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of the HQS.
3. The Allegheny County Housing Authority will include a representative sample of both tenant-based and project-based units in conducting its supervisory quality control HQS inspections.

F. Inspecting Allegheny County Housing Authority Owned Units

1. For Allegheny County Housing Authority owned units, the inspections required under this section will be performed by an independent entity approved by HUD. The independent entity that performs these inspections may be the unit of general local government for the Allegheny County Housing Authority jurisdiction (unless the Allegheny County Housing Authority is itself the unit of general local government or an agency of such government) or another HUD-approved public or private independent entity.

2. The independent entity shall provide a copy of each inspection report to the Allegheny County Housing Authority and to the HUD field office where the project is located.
3. The Allegheny County Housing Authority will take all necessary actions in response to inspection reports from the independent entity, including exercise of contractual remedies for violation of the HAP contract by the owner (Allegheny County Housing Authority).

25.3 REQUIREMENTS FOR REHABILITATED AND NEWLY CONSTRUCTED UNITS

This section only applies to newly constructed or rehabilitated housing and does not apply to existing housing. Newly constructed or rehabilitated housing cannot be selected as existing housing at a later date.

A. Purpose and Content of the Agreement to Enter into HAP Contract

1. Requirement

The Allegheny County Housing Authority will enter into an Agreement with the owner. The Agreement will be in the form required by HUD.

2. Purpose of the Agreement

In the Agreement, the owner agrees to develop the contract units to comply with the HQS and the Allegheny County Housing Authority agrees that, upon timely completion of such development in accordance with the terms of the Agreement, the Allegheny County Housing Authority will enter into a HAP contract with the owner for the contract units.

3. Description of Housing

- (a) At a minimum, the Agreement will describe the following features of the housing to be developed (newly constructed or rehabilitated) and assisted under the Project-Based Voucher Program:
 - (i) Site;
 - (ii) Location of contract units on site;
 - (iii) Number of contract units by area (size) and number of bedrooms and bathrooms;

- (iv) Services, maintenance, or equipment to be supplied by the owner without charges in addition to the rent to owner;

- (vi) Indication of whether or not the design and construction requirements of the Fair Housing Act and implementing regulations at 24 CFR 100.205 and the accessibility requirements of section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR 8.22 and 8.23 apply to units under the Agreement. If these requirements are applicable, any required work item resulting from these requirements will be included in the description of work to be performed under the Agreement;
- (vii) Estimated initial rents to owner for the contract units;
- (viii) Description of the work to be performed under the Agreement. If the Agreement is for rehabilitation of units, the work description will include the rehabilitation work write up and, where determined necessary by the Allegheny County Housing Authority, specifications and plans. If the Agreement is for new construction, the work description will include the working drawings and specifications.

(b) At a minimum, the housing must comply with the HQS.

The Housing Authority may elect to establish additional requirements for quality, architecture, or design of Project-Based Voucher housing over and above the HQS, and any such additional requirement must be specified in the Agreement.

B. Execution of the Agreement

1. Prohibition of Excess Subsidy

The Allegheny County Housing Authority will not enter the Agreement with the owner until the subsidy layering review is completed.

2. Environmental Approval

The Allegheny County Housing Authority will not enter the Agreement with the owner until the environmental review is completed and the Allegheny County Housing Authority has received the environmental approval.

3. Prompt Execution of Agreement

The Agreement will be executed promptly after the Allegheny County Housing Authority notice of proposal selection to the selected owner.

C. Conduct of Development Work

1. Development Requirements

The owner must carry out development work in accordance with the Agreement and the requirements of this section.

2. Labor Standards

(a) In the case of an Agreement of nine or more contract units (whether or not completed in stages), the owner and the owner's contractors and subcontractors must pay Davis-Bacon wages to laborers and mechanics employed in development of the housing.

(b) The HUD prescribed form of Agreement shall include the labor standards clauses required by HUD, such as those involving Davis-Bacon wage rates.

(c) The owner and the owner's contractors and subcontractors must comply with the Contract Work Hours and Safety Standards Act, Department of Labor regulations in 29 CFR part 5, and other applicable federal labor relations laws and regulations. The Allegheny County Housing Authority will monitor compliance with labor standards.

3. Equal Opportunity

(a) The owner must comply with Section 3 of the Housing and Urban Development Act of 1968 and the implementing regulations at 24 CFR part 135.

(b) The owner must comply with federal equal employment opportunity requirements of Executive Orders 11246 as amended, 11625, 12432 and 12138.

4. Eligibility to Participate in Federal Programs and Activities

The Agreement and HAP contract will include a certification by the owner that the owner and other project principals (including officers and principal members, shareholders, investors, and other parties having a substantial interest in the project) are not on the U.S. General Services Administration list of parties excluded from federal procurement and non-procurement programs.

5. Disclosure of Conflict of Interest

The owner must disclose any possible conflict of interest that would be a violation of the Agreement, the HAP contract, or HUD regulations.

D. Completion of Housing

1. Completion Deadline

The owner must develop and complete the housing in accordance with the Agreement. The Agreement will specify the deadlines for completion of the housing and for submission by the owner of the required evidence of completion.

2. Required Evidence of Completion

(a) Minimum Submission

At a minimum, the owner must submit the following evidence of completion to the Allegheny County Housing Authority in the form and manner required by the Allegheny County Housing Authority:

- (i) Owner certification that the work has been completed in accordance with the HQS and all requirements of the Agreement; and
- (ii) Owner certification that the owner has complied with labor standards and equal opportunity requirements in development of the housing.

(b) Additional Documentation

At the discretion of the Allegheny County Housing Authority, the Agreement may specify additional documentation that must be submitted by the owner as evidence of housing completion. For example, such documentation may include:

- (i) A certificate of occupancy or other evidence that the units comply with local requirements (such as code and zoning requirements); and
- (ii) An architect's certification that the housing complies with:
 - (A) HUD housing quality standards;
 - (B) State, local, or other building codes;
 - (C) Zoning;
 - (D) The rehabilitation work write-up (for rehabilitated housing) or the work description (for newly constructed housing); or
 - (E) Any additional design or quality requirements pursuant to the Agreement.

E. Allegheny County Housing Authority Acceptance of Completed Units

1. Allegheny County Housing Authority Determination of Completion

When the Allegheny County Housing Authority has received owner notice the housing is completed:

- (a) The Allegheny County Housing Authority will inspect to determine if the housing has been completed in accordance with the Agreement, including compliance with the HQS and any additional requirement(s) imposed by the Allegheny County Housing Authority under the Agreement.
- (b) The Allegheny County Housing Authority will determine if the owner has submitted all required evidence of completion.
- (c) If the work has not been completed in accordance with the Agreement, the Allegheny County Housing Authority will not enter into the HAP contract.

2. Execution of HAP Contract

If the Allegheny County Housing Authority determines that the housing has been completed in accordance with the Agreement and that the owner has submitted all required evidence of completion, the Allegheny County Housing Authority will submit the HAP contract for execution by the owner and will then execute the HAP contract.

25.4 HOUSING ASSISTANCE PAYMENT CONTRACT

This section applies to all Project-Based Voucher assistance including assistance for existing, newly constructed, or rehabilitated housing.

A. Purpose of the HAP Contract

1. Requirement

The Allegheny County Housing Authority will enter into a HAP contract with the owner. The HAP contract must be in the form required by HUD.

2. Purpose of HAP Contract

(a) The purpose of the HAP contract is to provide housing assistance payments for eligible families.

(b) The Allegheny County Housing Authority makes housing assistance payments to the owner in accordance with the HAP contract. Housing assistance is paid for contract units leased and occupied by eligible families during the HAP contract term.

B. HAP Contract Information

The HAP contract must specify:

1. The total number of contract units by number of bedrooms;
2. Information needed to identify the site and the building or buildings where the contract units are located. The information must include the project's name, street address, city or county, state and zip code, block and lot number (if known), and any other information necessary to clearly identify the site and the building;
3. Information needed to identify the specific contract units in each building. The information must include the number of contract units in the building,

the location of each contract unit, the area of each contract unit, and the number of bedrooms and bathrooms in each contract unit;

4. Services, maintenance, and equipment to be supplied by the owner without charges in addition to the rent to owner;
5. Utilities available to the contract units, including a specification of utility services to be paid by the owner (without charges in addition to rent) and utility services to be paid by the tenant;
6. Features provided to comply with program accessibility requirements of Section 504 of the Rehabilitation Act of 1973 and implementing regulations at 24 CFR part 8;
7. The HAP contract term;
8. The number of units in any building that will exceed the 25 percent per building cap, which will be set-aside for occupancy by qualifying families (elderly or disabled families and families receiving supportive services); and
9. The initial rent to owner (for the first 12 months of the HAP contract term).

C. When HAP Contract is Executed

1. PHA Inspection of Housing

- (a) Before execution of the HAP contract, the Allegheny County Housing Authority will inspect each contract unit in accordance with Section 25.2 B.
- (b) The Allegheny County Housing Authority will not enter into a HAP contract for any contract unit until the Allegheny County Housing Authority has determined that the unit complies with the HQS.

2. Existing Housing

The Allegheny County Housing Authority will promptly execute the HAP contract after the Allegheny County Housing Authority selection of the owner proposal and Allegheny County Housing Authority inspection of the housing.

3. Newly Constructed or Rehabilitated Housing

The Allegheny County Housing Authority will execute the HAP contract after the Allegheny County Housing Authority has inspected the completed units and has determined that the units have been completed in accordance with the Agreement and the owner has furnished all required evidence of completion.

When executing the HAP contract, the owner must certify that the units have been completed in accordance with the Agreement.

D. Term of the HAP Contract

1. Initial Term and Any Extensions

The Allegheny County Housing Authority may enter into a HAP contract with an owner for an initial term of up to ten years for each contract unit. The length of the term of the HAP contract for any contract unit may not be less than one year, nor more than ten years.

Within one year before expiration, the Allegheny County Housing Authority may agree to extend the term of the HAP contract for an additional term of up to five years if the Allegheny County Housing Authority determines an extension is appropriate to continue providing affordable housing for low-income families. Subsequent extensions are subject to the same limitations. Any extension of the term must be on the form and subject to the conditions prescribed by HUD at the time of the extension.

The term and potential extensions the Allegheny County Housing Authority is willing to enter into will be discussed in the project selection process.

2. Termination by the Allegheny County Housing Authority – Insufficient Funding

The HAP contract will provide that the term of the Allegheny County Housing Authority's contractual commitment is subject to the availability of sufficient appropriated funding (budget authority) as determined by HUD or by the Allegheny County Housing Authority in accordance with HUD instructions.

Note: "Sufficient funding" means the availability of appropriations, and of funding under the ACC from such appropriations, to make full

payment of housing assistance payments payable to the owner for any contract year in accordance with the terms of the HAP.

If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the Allegheny County Housing Authority may terminate the HAP contract by notice to the owner for all or any of the contract units. Such action by the Allegheny County Housing Authority will be implemented in accordance with HUD instructions.

3. Termination by Owner – Reduction Below Initial Rent

The owner may terminate the HAP contract, upon notice to the Allegheny County Housing Authority, if the amount of rent to the owner is reduced below the initial approved rent. In this case, the assisted families residing in the contract units will be offered tenant-based voucher assistance.

F. HAP Contract Amendments (to add or substitute contract units)

1. Amendment to Substitute Contract Units

At the discretion of the Allegheny County Housing Authority, and subject to all Project-Based Voucher requirements, the HAP contract may be amended to substitute a different unit with the same number of bedrooms in the same building for a previously covered contract unit. Prior to such substitution, the Allegheny County Housing Authority will inspect the proposed substitute unit and will determine the reasonable rent for such unit and the fact that it passes HQS.

2. Amendment to Add Contract Units

At the discretion of the Allegheny County Housing Authority, and provided that the total number of units in a building that will receive Project-Based Voucher assistance or other project-based assistance will not exceed 25 percent of the number of dwelling units (assisted or unassisted) in the building or the 20 percent of authorized budget authority of the Allegheny County Housing Authority, a HAP contract may be amended during the three-year period immediately following the execution date of the HAP contract to add additional Project-Based Voucher contract units in the same building. An Amendment to the HAP contract is subject to all Project-Based Voucher requirements (e.g., rents are reasonable), except that a new Project-Based Voucher request for proposals is not required. The anniversary and expiration dates of the HAP contract for the additional units must be the same as for the

anniversary and expiration dates of the HAP contract term for the Project-Based Voucher units originally placed under HAP contract.

3. Staged Completion of Contract Units

Even if contract units are placed under the HAP contract in stages commencing on different dates, there is a single annual anniversary for all contract units under the HAP contract. The annual anniversary for all contract units is the annual anniversary date for the first contract units placed under the HAP contract. The expiration of the HAP contract for all the contract units completed in stages must be concurrent with the end of the HAP contract term for the units originally placed under HAP contract.

4. Condition of Contract Units

(a) Owner Maintenance and Operation

The owner must maintain and operate the contract units and premises in accordance with the HQS, including performance of ordinary and extraordinary maintenance.

The owner must provide all the services, maintenance, equipment, and utilities specified in the HAP contract with the Allegheny County Housing Authority and in the lease with each assisted family.

At the discretion of the Allegheny County Housing Authority, the HAP contract may also require continuing owner compliance during the HAP term with additional housing quality requirements specified by the Allegheny County Housing Authority (in addition to, but not in place of, compliance with the HUD-prescribed HQS). Such additional requirements will be designed to assure continued compliance with any design, architecture, or quality requirement specified in the Agreement.

5. Remedies for HQS Violation

The Allegheny County Housing Authority will vigorously enforce the owner's obligation to maintain contract units in accordance with the HQS. The Allegheny County Housing Authority will not make any HAP payment to the owner for a contract unit covering any period during which the contract unit does not comply with the HQS.

If the Allegheny County Housing Authority determines that a contract unit is not in accordance with the housing quality standards (or other HAP contract requirement), the Allegheny County Housing Authority may exercise any of its remedies under the HAP contract for all or any contract units. Such remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.

6. Maintenance and Replacement – Owner’s Standard Practice

Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the owner.

7. Owner Responsibility

The owner is responsible for performing all of the owner responsibilities under the Agreement and the HAP contract. 24 CFR part 982.452 applies as follows:

- (a) Performing all management and rental functions for the assisted unit, including selecting a voucher-holder to lease the unit, and deciding if the family is suitable for tenancy of the unit.
- (b) Maintaining the unit in accordance with HQS, including performance of ordinary and extraordinary maintenance.
- (c) Complying with equal opportunity requirements.
- (d) Preparing and furnishing to the Allegheny County Housing Authority information required under the HAP contract.
- (e) Collecting from the family:
 - (i) Any security deposit.
 - (ii) The tenant contribution (the part of rent owner not covered by the housing payment).
 - (iii) Any charges for unit damage by the family.
 - (iv) Enforcing tenant obligations under the lease.

- (v) Paying for utilities and services (unless paid by the family under the lease).
- (vi) Provisions on modifications to a dwelling unit occupied or to be occupied by a disabled person see the following note:

Note: Reasonable Modification of Existing Premises

(A) *It shall be unlawful for any person to refuse to permit, at the expense of a handicapped person, reasonable modifications of existing premises, occupied or to be occupied by a handicapped person, if the proposed modifications may be necessary to afford the handicapped person full enjoyment of the premises of a dwelling. In the case of a rental, the landlord may, where it is reasonable to do so, condition permission for a modification on the renter agreeing to restore the interior of the premises to the condition that existed before the modification, reasonable wear and tear expected. The landlord may not increase for handicapped persons any customarily required security deposit.*

However, where it is necessary in order to ensure with reasonable certainty that funds will be available to pay for the restorations at the end of the tenancy, the landlord may negotiate as part of such a restoration agreement a provision requiring that the tenant pay into an interest bearing escrow account, over a reasonable period, a reasonable amount of money not to exceed the cost of the restorations. The interest in any such account shall accrue to the benefit of the tenant.

(B) *However, where it is necessary in order to ensure with reasonable certainty that funds will be available to pay for the restorations at the end of the tenancy, the landlord may negotiate as part of such a restoration agreement a provision requiring that the tenant pay into an interest bearing escrow account, over a reasonable period, a reasonable amount of money not to exceed the cost of the restorations. The interest in any such account shall accrue to the benefit of the tenant.*

A landlord may condition permission for a modification on the renter providing a reasonable description of the proposed modifications as well as reasonable assurances that the work will be done in a workmanlike manner and that any required building permits will be obtained.

8. Owner Certification

By execution of the HAP contract, the owner certifies that at such execution and at all times during the term of the HAP contract:

- (a) All contract units are in good and tenantable condition. The owner is maintaining the premises and all contract units in accordance with the HQS.
- (b) The owner is providing all the services, maintenance, equipment, and utilities as agreed to under the HAP contract and the leases with assisted families.
- (c) Each contract unit for which the owner is receiving housing assistance payments is leased to an eligible family referred by the Allegheny County Housing Authority, and the lease is in accordance with the HAP contract and HUD requirements.
- (c) To the best of the owner's knowledge, the members of the family reside in each contract unit for which the owner is receiving housing assistance payments, and the unit is the family's only residence.
- (d) The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit.
- (e) The amount of the housing assistance payment is the correct amount due under the HAP contract.
- (f) The rent to owner for each contract unit does not exceed rents charged by the owner for other comparable unassisted units.
- (g) Except for the housing assistance payment and the tenant rent as provided under the HAP contract, the owner has not received and will not receive any payment or other consideration (from the

family, the Allegheny County Housing Authority, HUD, or any other public or private source) for rental of the contract unit.

- (h) The participating family does not own or have any interest in the contract unit.

25.5 OPERATION OF PROJECT-BASED PROPERTIES

A. Project-Based Waiting List

The Allegheny County Housing Authority shall use a separate waiting list for admission to each Project-Based Section 8 Assistance Program brought on line after October 1, 2006. All applicants will be maintained by bedroom size, then preference and date and time of application. If an applicant rejects an offer of assistance of the Project-Based Assistance Program, the rejection will not alter the applicant's position on the Section 8 Voucher Tenant Based Assistance Program.

The waiting list for the Project-Based Section 8 Assistance Program will be maintained in accordance with the following guidelines:

1. The application will be a permanent file.
2. All applications will be maintained by bedroom size, preference and then in order of date and time of application.
3. Substantive contacts between the Allegheny County Housing Authority and the applicant will be documented in the applicant file.

B. Admission Preferences

The preferences utilized shall be the same as is used for the Tenant Based Housing Choice Voucher Program unless the project provides specialize services and in that case the project may utilize different preference pre-approved by the Allegheny County Housing Authority.

C. Selection from the Waiting List

If an applicant is removed from the Project-Based Assistance Program waiting list because of the rejection of an offer of a unit, the rejection will not alter the applicants' position on the Section 8 Tenant Based Assistance Program waiting list. Likewise, if the owner rejects the available applicant, the rejection will not be counted against the one unit offer and the family will maintain their position on the Project-Based Section 8 Assistance Program. The owner must promptly notify

the Allegheny County Housing Authority in writing if an applicant is rejected and the grounds for the rejection.

Under this plan, the first qualified applicant in sequence on the Section 8 Project-Based Assistance Program waiting list will be made an offer of project-based assistance based on the unit size available. If the available unit being offered is a unit with special accessibility features for persons with disabilities, the Allegheny County Housing Authority will skip over families not requiring the accessible unit to reach a family who does require such accommodation.

Non-mobility impaired families will be offered these units if no family on the waiting list requires these features. The applicant family will only have one chance to accept a unit offer. If the applicant family rejects the offer, his or her name will be removed from the waiting list and he or she will have to re-apply. The applicant family will be notified in writing of the reason they are being removed from the waiting list and their right to an informal review as described in Section 4.10.

If more than one unit of the appropriate type and size is available, the first unit to be offered will be the first unit that is ready for occupancy.

The Allegheny County Housing Authority will maintain a record of units offered, including location, date and circumstances of each offer and each acceptance or rejection, including the reason for the rejection.

All Section 8 Tenant Based Assistance waiting list families who want project-based units will be permitted to place their names on the Section 8 Project-Based Assistance Program waiting list.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income (unless a different target is agreed to by HUD), the Allegheny County Housing Authority retains the right to skip higher income families on the waiting list to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

D. Project-Based Briefing

When the Allegheny County Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing explaining how the project-based program works. In order to be eligible for a vacant unit, all adult family members are required to attend the briefing. If they cannot attend the originally

scheduled briefing, they may attend a later session. If the family fails to attend two briefings without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Allegheny County Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Allegheny County Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

1. A description of how the program works;
2. Family and owner responsibilities;
4. The fact that the subsidy is tied to the unit. After the initial 12-month period, the family has the right to move with continued tenant-based rental assistance, in the form of either assistance under the voucher program or other comparable tenant-based rental assistance; and
5. A description of the Allegheny County Housing Authority's policy on providing information to owners.

E. Project-Based Briefing Packet

During the briefing, the Housing Authority will give the family a packet covering at least the following subjects:

1. How the Housing Authority determines the housing assistance payment and total tenant payment for the family (including a copy of the utility allowances);
2. A statement of the Housing Authority's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses;
3. The HUD-required lead-based paint brochure;

4. Information on Federal, State, and local equal opportunity laws; the brochure "Fair Housing: It's Your Right;" and a copy of the housing discrimination complaint form;
5. The family and owner responsibilities under the lease and HAP contract;
6. The grounds upon which the Housing Authority may terminate assistance because of the family's action or inaction; and
7. Allegheny County Housing Authority informal hearing procedures, including when the Housing Authority is required to provide the opportunity for an informal hearing, and information on how to request a hearing.

F. Leasing of Contract Units

1. Owner Selection of Tenants

During the term of the HAP contract, the owner must lease contract units only to eligible families selected and referred by the Allegheny County Housing Authority from the Allegheny County Housing Authority waiting list.

The owner is responsible for adopting written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very-low income families and reasonably related to program eligibility and an applicant's ability to perform the lease obligations.

An owner must promptly notify in writing any rejected applicant of the grounds for any rejection.

2. Size of Unit

The contract unit leased to each family must be appropriate for the size of the family under the Allegheny County Housing Authority's subsidy standards.

3. Allegheny County Housing Authority Requirements for the Leasing of an Excepted Unit for Supportive Services

At the time of initial lease execution between the family and the owner, the Allegheny County Housing Authority will require the family to sign a statement of family responsibility. The statement of family responsibility

will contain all the family obligations, including the family's participation in a service program.

The Allegheny County Housing Authority will monitor on an annual basis that "excepted families" are receiving supportive services. Additionally, the Allegheny County Housing Authority will be monitoring the family to insure that the family is fulfilling their service obligation. This monitoring will consist of a meeting with the family and third party verification from the party responsible for delivery of the supportive services.

The Allegheny County Housing Authority will terminate assistance to any family that fails to fulfill its service obligation without good cause.

G. Vacancies

1. Filling Vacant Units

The owner must promptly notify the Allegheny County Housing Authority of any vacancy (or expected vacancy) in a contract unit. After receiving the owner notice, the Allegheny County Housing Authority will make every reasonable effort to promptly refer a sufficient number of families to the owner to fill such vacancies.

The owner must lease vacant contract units only to eligible families on the Allegheny County Housing Authority waiting list referred by the Allegheny County Housing Authority.

It is expected that the Allegheny County Housing Authority and the owner will make reasonable good faith efforts to minimize the likelihood and length of any vacancy.

2. Reducing Number of Contract Units

If any contract units have been vacant for a period of 120 days or more since the owner notice of vacancy (and notwithstanding the reasonable good faith efforts of the Allegheny County Housing Authority to fill such vacancies), the Allegheny County Housing Authority may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (by number of bedrooms) that have been vacant for such period.

H. Tenant Screening

The Allegheny County Housing Authority has no responsibility or liability to the owner or any other person for the family's behavior or suitability for tenancy. However, it will screen applicant's criminal background and those owing money to local housing authorities.

In addition to the eligibility criteria, families must also meet the Allegheny County Housing Authority screening criteria in order to be admitted to project-based voucher program as follows:

1. Do not have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
2. Not be listed on a state sex offender registration program; or
3. Owe money to the Allegheny County Housing Authority, the Pittsburgh Housing Authority, or the McKeesport Housing Authority.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

Owner Responsibility

1. The owner is responsible for screening and selection of families to occupy the owner's unit. The owner is responsible for screening of families on the basis of their tenancy histories. An owner may consider a family's background with respect to such factors as:
 - (a) Payment of rent and utility bills:
 - (b) Caring for a unit and premises:
 - (c) Respecting the rights of other residents to the peaceful enjoyment of their housing;
 - (d) Drug-related criminal activity or other criminal activity that is a threat to the health, safety, or property of others; and
 - (e) Compliance with other essential conditions of tenancy.

2. Providing Tenant Information to Owner

- (a) The Allegheny County Housing Authority will give the owner:
- (b) The family's current and prior address (as shown in the Allegheny County Housing Authority records); and
- (c) The name and address (if known) of the landlord at the family's current and any prior address.

Note: The Allegheny County Housing Authority is required to give the family a description of the Allegheny County Housing Authority's policy on providing information to owners. The policy must provide that the Allegheny County Housing Authority will give the same types of information to all owners.

I. Lease

a. Tenant's Legal Capacity

The tenant must have legal capacity to enter a lease under state and local law. Legal capacity means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.

2. Form of Lease

The tenant and the owner must enter a written lease for the unit. Both the owner and the tenant must execute the lease.

If the owner uses a standard lease form for rental to unassisted tenants in the locality or for the premises, the lease must be in an acceptable form. If the owner does not use a standard lease form for rental to unassisted tenants, the owner may use another form of lease, such as a Allegheny County Housing Authority model lease.

In all cases, the lease must include a HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

3. Required Information

The lease must specify all of the following:

- (a) The names of the owner and the tenant;

- (b) The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
- (c) The term of the lease (initial term and any provision for renewal);
- (d) The amount of tenant rent to owner. The tenant rent to owner is subject to change during the term of the lease in accordance with HUD requirements;
- (e) A specification of what services, maintenance, equipment, and utilities are to be provided by the owner; and
- (f) The amount of any charges for food, furniture, or supportive services.

4. Initial Term of the Lease

The initial lease term must be for at least one year.

5. Tenancy Addendum

The tenancy addendum in the lease shall state:

- (a) The program tenancy requirements; and
- (b) The composition of the household as approved by the Allegheny County Housing Authority (names of family members and any Allegheny County Housing Authority live-in aide).

All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of the tenancy addendum shall prevail over other provisions of the lease.

6. Changes in Lease

If the tenant and the owner agree to any change in the lease, such change must be in writing and the owner must immediately give the Allegheny County Housing Authority a copy of all such changes.

The owner must notify the Allegheny County Housing Authority in advance of any proposed change in lease requirements governing the allocation of tenant and owner responsibilities for utilities. Such changes may be made only if approved by the Allegheny County Housing

Authority and in accordance with the terms of the lease relating to its amendment. The Allegheny County Housing Authority will re-determine reasonable rent in accordance with Section 25.5 (C), based on any change in allocation of responsibility for utilities between the owner and the tenant, and the re-determined reasonable rent shall be used in calculation of rent to owner from the effective date of the change.

7. Lease Provisions Governing Tenant Absence From the Unit

The owner's lease may specify a maximum period of tenant absence from the unit that may be shorter than the maximum period permitted by the Allegheny County Housing Authority in Section 2.3(H) of this Administrative Plan.

J. Security Deposit

The owner may collect a security deposit from the tenant. The Allegheny County Housing Authority prohibits security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.

When the tenant moves out of the contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts which the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant. The Allegheny County Housing Authority has no liability or responsibility for payment of any amount owed by the family to the owner.

K. Owner Termination of Tenancy and Eviction

1. In general, Section 17.0, Termination of the Lease and Contract, of this Administrative Plan applies with the exception that 17(a)(viii) (3) & (4) do not apply to the Project-based Voucher Program. In the Project-based Voucher Program "good cause" does not include a business or economic reason or desire to use the unit for an individual, family, or non-residential rental purpose. Eviction for drug and alcohol abuse applies to the Project-based Voucher Program.

2. Upon lease expiration, an owner may:
 - (a) Renew the lease;
 - (b) Refuse to renew the lease for good cause;
 - (c) Refuse to renew the lease without good cause, which case the Allegheny County Housing Authority will provide the family with a tenant based voucher and the unit will be removed from the Project-based Voucher HAP contract.
3. If a family resides in a project-based unit excepted from the 25 percent per building cap on project-basing because of participation in an FSS or other supportive services program, and the family fails without good cause to complete its FSS contract of participation or supportive services requirement, such failure is grounds for lease termination by the owner.

L. Overcrowded, Under-Occupied, and Accessible Units

1. Family Occupancy of Wrong-size or Accessible Unit

The Allegheny County Housing Authority's subsidy standards determine the appropriate unit size for the family size and composition. If the Allegheny County Housing Authority determines that a family is occupying a:

- (a) Wrong-size unit, or
- (b) Unit with accessibility features that the family does not require, and the unit is needed by a family that requires the accessibility features, the Allegheny County Housing Authority must promptly notify the family and the owner of this determination, and of the Allegheny County Housing Authority's offer of continued assistance in another unit pursuant to paragraph (2) of this section.

2. Allegheny County Housing Authority Offer of Continue Assistance

If a family is occupying a wrong size unit, or a unit with accessibility features that the family does not require, and the unit is needed by a family that requires the accessibility features, the Allegheny County Housing Authority will offer the family the opportunity to receive continued housing assistance in another unit.

The Allegheny County Housing Authority will offer the following housing options as continued assistance.

- (a) Project-based voucher assistance in an appropriate-size unit (in the same building or in another building);
- (b) Other project-based housing assistance (e.g., by occupancy of a public housing unit);
- (c) Tenant-based rental assistance under the voucher program; or
- (d) Other comparable public or private tenant-based assistance (e.g., under the HOME program).

3. Allegheny County Housing Authority Termination of Housing Assistance Payments

If the Allegheny County Housing Authority offers the family the opportunity to receive tenant-based rental assistance under the voucher program, the Allegheny County Housing Authority will terminate the housing assistance payments for a wrong-sized or accessible unit at expiration of the term of the family's voucher (including any extension granted by the Allegheny County Housing Authority).

If the Allegheny County Housing Authority offers the family the opportunity for another form of continued housing assistance in accordance with (2) above, and the family does not accept the offer, does not move out of the project-based voucher unit within a reasonable time as determined by the Allegheny County Housing Authority, or both, the Allegheny County Housing Authority will terminate the housing assistance payments for the wrong-sized or accessible unit, at the expiration of a reasonable period as determined by the Allegheny County Housing Authority.

M. When Occupancy May Exceed 25 Percent Cap on the Number of Project-Based Voucher Units in Each Building

- 1. Except as provided in Section 25.1 (B)(5), the Allegheny County Housing Authority will not pay housing assistance under the HAP contract for contract units in excess of the 25 percent cap.
- 2. If referring families to the owner for admission to excepted units, the Allegheny County Housing Authority will give preference to elderly or disabled families, or to families receiving supportive services.

3. If a family at the time of initial move-in is receiving supportive services and residing in an “excepted unit” and subsequently fulfills their commitments and continues to reside in the unit, the unit remains an “excepted unit” for as long as the family resides in the unit.
4. A family (or the remaining members of the family) residing in an excepted unit that no longer meets the criteria for a “qualifying family” in connection with the 25 percent per building cap exception (e.g., a family that does not successfully complete its FSS contract of participation or the supportive services requirement as defined in this Administrative Plan or the remaining members of a family that no longer qualifies for elderly or disabled family status) will be required to vacate the unit within a reasonable period of time established by the Allegheny County Housing Authority, and the Allegheny County Housing Authority will cease paying housing assistance payments on behalf of the non-qualifying family. If the family fails to vacate the unit within the established time, the unit will be removed from the HAP contract unless the project is partially assisted and it is possible for the HAP contract to be amended to substitute a different unit in the building in accordance with Section 25.4 (F) or the owner terminates the lease and evicts the family. The housing assistance payments for a family residing in an excepted unit that is not in compliance with its family obligations (e.g., a family fails, without good cause, to successfully complete its FSS contract of participation or supportive services requirement) will be terminated by the Allegheny County Housing Authority.

N. Family Right to Move

A family may terminate the assisted lease at any time after the first year of occupancy. The family must give the owner advance written notice of the intent to vacate, with a copy to the Allegheny County Housing Authority in accordance with the lease.

If the family has elected to terminate the lease after the first year in compliance with the lease, the Allegheny County Housing Authority will offer the family the opportunity for continued tenant-based rental assistance in the form of either assistance under the voucher program or other comparable tenant-based rental assistance.

Note: Before providing notice to terminate the lease, the family must contact the Allegheny County Housing Authority to request comparable tenant-based rental assistance if the family wishes to move with continued assistance. If voucher or other comparable tenant-based rental assistance is not immediately

available upon termination of the family's lease of a project-based voucher unit, the Allegheny County Housing Authority will give the family priority to receive the next available opportunity for continued tenant-based rental assistance.

If the family terminates the assisted lease before the end of one year, the family relinquishes the opportunity for continued tenant-based assistance.

25.6 RENT TO OWNER

A. Determining the Rent to Owner

1. Initial and Redetermined Rents

- (a) The amount of the initial rent to owner is established at the beginning of the HAP contract term. For rehabilitated or newly constructed housing, the Agreement states the estimated amount of the initial rent to owner, but the actual amount of the initial rent to owner is established at the beginning of the HAP contract term.
- (b) The rent to owner is redetermined at the owner's request for a rent increase in accordance with this Section 25.5 (A) and Section 26.5 (B) . The rent to owner is also redetermined at such time when there is a five percent or greater decrease in the published FMR.

2. Amount of Rent to Owner

Except for certain tax credit units as provided in Section 25.5 (C), the rent to owner must not exceed the lowest of:

- (a) An amount determined by the Allegheny County Housing Authority, not to exceed 110 percent of the applicable fair market rent (or any exception payment standard approved by HUD) for the unit bedroom size minus any utility allowance;
- (b) The reasonable rent; or
- (c) The rent requested by the owner.

3. Rent to Owner for Certain Tax Credit Units

- (a) This section applies if:

(i) A contract unit receives a low-income housing tax credit under the Internal Revenue Code of 1986 (see 26 U.S.C. 42);

(ii) The contract unit is not located in a qualified census tract;

A “qualified census tract” is any census tract (or equivalent geographic area defined by the Bureau of the Census) in which at least 50 percent of households have an income of less than 60 percent of Area Median Gross Income (AMGI) or where the poverty rate is at least 25 percent and where the census tract is designated as a qualified census tract by HUD.

(iii) In the same building, there are comparable tax credit units of the same unit bedroom size as the contract unit and the comparable tax credit units do not have any form of rental assistance other than the tax credit; and

(iv) The tax credit rent exceeds the applicable fair market rental (or any exception payment standard) as determined in accordance with Section 25.5 (B).

(b) The rent to owner must not exceed the lowest of:

(i) The tax credit rent minus any utility allowance;

(ii) The reasonable rent; or

(iii) The rent requested by the owner.

(c) The “tax credit rent” is the rent charged for comparable units of the same bedroom size in the building that also receive the low-income housing tax credit but do not have any additional rental assistance (e.g., additional assistance such as tenant-based voucher assistance).

4. Rent to Owner for Other Tax Credit Units

Except in the case of a tax credit unit described in the Section immediately above, the rent to owner for all other tax credit units is determined pursuant to Section 2 above.

5. Reasonable Rent

The Allegheny County Housing Authority will determine reasonable rent in accordance with Section 25.5 (C). The rent to owner for each contract unit may at no time exceed the reasonable rent.

6. Use of FMRs and Utility Allowance Schedule in Determining the Amount of Rent to Owner

(a) Amounts used:

(i) Determination of Initial Rent (at the beginning of the HAP contract term)

When determining the initial rent to owner, the Allegheny County Housing Authority will use the most recently published FMR in effect and the utility allowance schedule in effect at execution of the HAP contract. At its discretion, the Allegheny County Housing Authority may use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract.

(ii) Redetermination of Rent to Owner

When redetermining the rent to owner, the Allegheny County Housing Authority will use the most recently published FMR and the Allegheny County Housing Authority utility allowance schedule in effect at the time of redetermination. At its discretion, the Allegheny County Housing Authority may use the amounts in effect at any time during the 30-day period immediately before the beginning date of the HAP contract.

(b) Exception Payment Standard and Allegheny County Housing Authority Utility Allowance Schedule

(i) Any HUD approved exception standard amount applies to both the tenant-based and project-based voucher programs. HUD will not approve a different exception payment standard amount for use in the project-based voucher program.

(ii) The Allegheny County Housing Authority may not establish or apply different utility allowance amounts for

the project-based voucher program. The same Allegheny County Housing Authority utility allowance schedule applies to both the tenant-based and project-based voucher programs.

7. Allegheny County Housing Authority Owned Units

For Allegheny County Housing Authority owned units, the initial rent to owner and the annual re-determination of rent at the annual anniversary of the HAP contract are determined by the independent entity approved by HUD in accordance with Section 25.5 (C)(6). The Allegheny County Housing Authority must use the rent to owner established by the independent entity.

B. Re-determination of Rent to Owner

1. The Allegheny County Housing Authority will re-determine the rent to owner:

- (a) Upon the owner's request; or
- (b) When there is a five percent or greater decrease in the published FMR.

2. Rent Increase

- (a) The Allegheny County Housing Authority will not make any rent increase other than an increase in the rent to owner as outlined in 25.5(A) above.
- (b) The owner must request an increase in the rent to owner at the annual anniversary of the HAP contract by written notice to the Allegheny County Housing Authority. The Allegheny County Housing Authority must receive the written notice sixty (60) calendar days before the annual anniversary date. The request must be submitted in the form and manner required by the Allegheny County Housing Authority.
- (c) The Allegheny County Housing Authority will not approve and the owner will not receive any increase of rent to owner until and unless the owner has complied with all requirements of the HAP contract, including compliance with the HQS. The Allegheny County Housing Authority will not grant any retroactive increase of rent for any period of noncompliance.

3. Rent Decrease

If there is a decrease in the rent to owner, the rent to owner must be decreased, regardless of whether the owner requested a rent adjustment.

4. Notice of Rent Determination

The Allegheny County Housing Authority will give written notice of any redetermined rent. The Allegheny County Housing Authority notice of the rent adjustment constitutes an amendment of the rent to owner specified in the HAP contract.

5. Contract Year and Annual Anniversary of the HAP Contract

(a) The contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.

(b) The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year. The adjusted rent to owner amount applies for the period of 12 calendar months from the annual anniversary of the HAP contract.

(c) If contract units are placed under the HAP contract in stages commencing on different dates, there is a single annual anniversary for all contract units under the HAP contract. The annual anniversary for all contract units is the annual anniversary date for the first contract units placed under the HAP contract. The expiration of the HAP contract for all the contract units completed in stages must be concurrent with the end of the HAP contract term for the units originally placed under HAP contract.

C. Reasonable Rent

1. Comparability Requirement

At all times during the term of the HAP contract, the rent to owner may not exceed the reasonable rent as determined by the Allegheny County Housing Authority.

2. Redetermination

The Allegheny County Housing Authority will redetermine the reasonable rent under the following circumstances:

- (a) Whenever there is a five percent or greater decrease in the published FMR in effect sixty (60) days before the contract anniversary (for the unit sizes specified in the HAP contract) as compared with the FMR in effect one year before the contract anniversary;
- (b) Whenever the Allegheny County Housing Authority approves a change in the allocation of responsibility for utilities between the owner and the tenant;
- (c) Whenever the HAP contract is amended to substitute a different contract unit in the same building; and
- (d) Whenever there is any other change that may substantially affect the reasonable rent.

3. How to Determine Reasonable Rent

The reasonable rent of a contract unit must be determined by comparison to rent for other comparable unassisted units. In determining the reasonable rent, the Allegheny County Housing Authority will consider factors that affect market rent, such as:

- (a) The location, quality, size, unit type, and age of the contract unit; and
- (b) Amenities, housing services, maintenance, and utilities to be provided by the owner.

4. Comparability Analysis

- (a) For each unit, the Allegheny County Housing Authority comparability analysis will use at least three comparable units in the private unassisted market, which may include comparable unassisted units in the premises or project.
- (b) The Allegheny County Housing Authority will retain a comparability analysis that shows how the reasonable rent was determined, including major differences between the unassisted units.

- (c) The comparability analysis may be performed by the Allegheny County Housing Authority staff or by another qualified person or entity. A person or entity that conducts the comparability analysis and any Allegheny County Housing Authority staff or contractor engaged in determining the housing assistance payment based on the comparability analysis may not have any direct or indirect interest in the property.

5. Owner Certification of Comparability

By accepting each monthly housing assistance payment from the Allegheny County Housing Authority, the owner certifies that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises. The owner must give the Allegheny County Housing Authority information requested by the Allegheny County Housing Authority on rents charged by the owner for other units in the premises or elsewhere.

6. Determining Reasonable Rent for Allegheny County Housing Authority Units

For Allegheny County Housing Authority units, the amount of the reasonable rent must be determined by an independent agency approved by HUD in accordance with Section 25.1(J), rather than by Allegheny County Housing Authority staff. Reasonable rent must be determined in accordance with this Section.

The independent entity must furnish a copy of the independent entity determination of reasonable rent for Allegheny County Housing Authority owned units to the Allegheny County Housing Authority and to the HUD field office where the project is located.

7. Other Subsidy; Effect on Rent to Owner

In addition to the rent limits established in accordance with 25.5(A)&(B), the following restrictions apply to certain units:

- (a) HOME – for units assisted under the HOME program, rents may not exceed rent limits as required by the HOME program.
- (b) Subsidized Projects

This paragraph applies to any contract units in any of the following types of federally subsidized project:

- (i) An insured or non-insured Section 236 project;
- (ii) A formerly insured or non-insured Section 236 project that continues to receive Interest Reduction Payment following a decoupling action;
- (iii) A Section 221(d)(3) below market interest rate (BMIR) project;
- (iv) A Section 515 project of the Rural Housing Service;
- (v) A project receiving low-income housing tax credits;
- (vi) Any other type of federally subsidized project specified by HUD.

The rent to owner may not exceed the subsidized rent (basic rent) or tax credit rent as determined in accordance with requirements for the applicable federal program.

(a) Combining Subsidy

Rent to owner may not exceed any limitation required to comply with HUD subsidy layering requirements.

(b) Other Subsidy: Allegheny County Housing Authority Discretion to Reduce Rent

The Allegheny County Housing Authority, at its discretion, may reduce the initial rent to owner because of other governmental subsidies, including tax credit or tax exemption, grants, or other subsidized financing.

(c) Prohibition of Other Subsidy

The Allegheny County Housing Authority will not attach or pay Project-based Voucher assistance to units in any of the following types of subsidized housing:

- (i) A public housing dwelling unit;
- (ii) A unit subsidized with any other form of Section 8 assistance (tenant-based or project-based);

- (iii) A unit subsidized with any governmental rent subsidy (a subsidy that pays all or any part of the rent);
- (iv) A unit subsidized with any governmental subsidy that covers all or any part of the operating costs of the housing;
- (v) A unit subsidized with Section 236 rental assistance payments (12 U.S.C. 1715z-1). However, the Allegheny County Housing Authority may attach assistance to a unit subsidized with Section 236 interest reduction payments;
- (vi) A unit subsidized with rental assistance payments under Section 521 of the Housing Act of 1949, 42 U.S.C. 1490a (a Rural Housing Service Program). However, the Allegheny County Housing Authority may attach assistance for a unit subsidized with Section 515 interest reduction payments (42 U.S.C. 1485);
- (vii) A Section 202 project for non-elderly persons with disabilities (assistance under Section 162 of the Housing and Community Development Act of 1987, 12 U.S.C. 1701q note);
- (viii) Section 811 project based supportive housing for persons with disabilities (42 U.S.C. 8013);
- (ix) Section 202 supportive housing for the elderly (12 U.S.C. 1701q);
- (x) A Section 101 rent supplement project (12 U.S.C. 1701s);
- (xi) A unit subsidized with any form of tenant-based rental assistance (as defined at 24 CFR 982.1(b)(2)) (e.g., a unit subsidized with tenant-based rental assistance under the HOME program, 42 U.S.C. 12701 et seq.);
- (xii) A unit with any other duplicative federal, state, or local housing subsidy, as determined by HUD or by the Allegheny County Housing Authority in accordance with HUD requirements. For this purpose, “housing subsidy” does not include the housing component of a welfare payment; a social security payment; or a federal, state, or

local tax concession (such as relief from local real property taxes).

8. Rent to Owner: Effect of Rent Control and Other Rent Limits

In addition to all the above limitations on the rent paid to the owner, if a state or local rent control requirement exists, it will apply to the property.

25.7 PAYMENT TO OWNER

A. Allegheny County Housing Authority Payment to Owner for Occupied Unit

1. When Payments Are Made

The Allegheny County Housing Authority will make housing assistance payments to the owner in accordance with the terms of the HAP contract.

Except for discretionary vacancy payments in accordance with 25.6(B) below, the Allegheny County Housing Authority will not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).

2. Monthly Payment

Monthly, the Allegheny County Housing Authority will make a housing assistance payment to the owner for each contract unit that is in compliance with HQS and is leased to and occupied by an eligible family in accordance with the HAP contract.

3. Calculating Amount of Payment

The monthly housing assistance payment by the Allegheny County Housing Authority to the owner for a contract unit leased to a family is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).

4. Prompt Payment

The Allegheny County Housing Authority will make the housing assistance payment to the owner under the HAP contract on or about the first day of the month for which payment is due, unless the owner and the Allegheny County Housing Authority agree on a later date. If such an agreement has been made, it must be in writing.

5. Owner Compliance with Contract

In order to receive housing assistance payments in accordance with the HAP contract, the owner must be in compliance with all the provisions of the HAP contract. Unless the owner complies with all the provision of the HAP contract, the owner does not have a right to receive housing assistance payments.

B. Vacancy Payment

1. Payment for Move-Out Month

If an assisted family moves out of the unit, the owner may keep the housing assistance payment payable for the calendar month when the family moves out (“move-out month”). If the Allegheny County Housing Authority determines that the vacancy is the owner’s fault, the owner may not keep the payment.

2. Tenant Payment to Owner

The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The tenant rent is determined by the Allegheny County Housing Authority and is the maximum amount the owner can charge the family for rent of a contract unit.

The tenant rent is payment for all housing services, maintenance, equipment, and utilities to be provided by the owner without additional charge to the tenant, in accordance with the HAP contract and lease.

The owner cannot demand or accept any rent payment from the tenant in excess of the tenant rent. The owner is required to immediately return any excess payment to the tenant.

3. Limit of Allegheny County Housing Authority Responsibility

The Allegheny County Housing Authority is responsible only for making housing assistance payments to the owner on behalf of a family in accordance with the HAP contract. The Allegheny County Housing Authority is not responsible for paying the tenant rent, or for paying any other claim by the owner.

4. Utility Reimbursement

If the amount of the utility allowance exceeds the total tenant payment, the Allegheny County Housing Authority will pay the amount of such excess as a reimbursement for tenant-paid utilities and the tenant rent to the owner shall be zero.

D. Other Fees and Charges

1. Meals and Supportive Services

In assisted living developments receiving project-based assistance, owners may charge tenants, family members, or both for meals or supportive services. These charges will not be included in the rent to owner, nor will the value of meals and supportive services be included in the calculation of reasonable rent. Non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

For any other type of project-based assistance (other than assisted living) the owner may not require the tenant or family members to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.

2. Other Charges by Owner

The owner may not charge the tenant or family members extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.

26.0 HOUSING CONVERSION ACTIONS (ENHANCED AND REGULAR HOUSING CHOICE VOUCHERS)

Housing conversion actions are:

- A. Owner decisions to opt-out of or not renew Section 8 project-based contracts (opt-outs);
- B. Owner prepayments of the mortgage or the voluntary termination of the mortgage insurance of a preservation eligible property (preservation prepayments);
- C. HUD enforcement actions against owners (including the termination or non-renewal of a Section 8 project-based housing assistance payments (HAP) contract); and

D. HUD property disposition activities.

Depending on the type of Housing Conversion Action, eligible families receive either regular voucher assistance or enhanced voucher assistance. Enhanced voucher assistance under Section 8(t) of the United States Housing Act of 1937 differs from regular housing choice voucher assistance in two major respects if the participant remains in the effected property. First, it will establish a new "minimum rent" equal to the rent the family was paying at the time of the eligibility event, and second it may establish an enhanced payment standard that exceeds the Allegheny County Housing Authority's normal payment standard.

Specifically, the following actions constitute "housing conversion actions":

A. Preservation Prepayments

When the owner prepays the mortgage or voluntarily terminates the mortgage insurance of preservation eligible properties (generally Section 236 and Section 221(d)(3) properties) certain residents are eligible for enhanced voucher assistance.

B. Project-based Opt-outs

When an owner chooses to end participation in certain programs by either opting-out of or not renewing certain expiring Section 8 contracts, eligible low-income residents assisted under the expiring Section 8 project-based contract are eligible for enhanced voucher assistance. The opt-out category includes cases where Section 8 contracts in restructured properties are converted to tenant-based assistance in accordance with section 515(c) of the Multifamily Assisted Housing Reform and Affordability Act of 1997. In the case of a 515(c) opt-out only, all families assisted under the expiring contract are income-eligible for enhanced voucher assistance.

Eligible low-income residents assisted under a rent supplement contract under Section 101 of the Housing and Urban Development Act of 1965 that ends at the expiration of a Section 8 HAP contract for units in the property are also eligible for enhanced voucher assistance. In a case where a rent supplement contract ends and there is not an expiring Section 8 project-based contract at the property, regular vouchers are provided to the eligible low-income families covered by the rent supplement contract, subject to availability of appropriations.

C. HUD Enforcement Actions

When there is a HUD-originated termination action, HUD is either terminating the Section 8 project-based HAP contract or not offering the owner the option to

renew an expiring Section 8 project-based HAP contract due to an owner's failure to comply with the terms of the HAP contract. It includes suspensions and debarments.

HUD enforcement actions may also result from material adverse financial or managerial actions or omissions that lead to either owner default under a FHA-insured mortgage (monetary or technical) or a documented material violation of one or more of the obligations under the property's Regulatory Agreement.

Eligible families are usually assisted with regular vouchers in these circumstances because families must move to receive housing choice voucher assistance.

D. HUD Property Disposition

A property disposition occurs when HUD is selling the property at a foreclosure sale, or is the mortgagee-in-possession or owner of the multifamily property due to an owner default on an FHA-insured mortgage and is closing down the property or selling the property to a new owner. Regular vouchers are provided to assist eligible low-income families in these cases.

26.1 TENANT-BASED ISSUES FOR HOUSING CONVERSION ACTIONS

In general, housing choice voucher program rules, regulations, and requirements apply to special admission vouchers made available for families as the result of "housing conversion actions". Some actions will lead to the issuance of enhanced vouchers, which will be discussed in detail in this Section.

The following program guidance is applicable to all housing conversion actions, both regular and enhanced voucher assistance.

A. Tenant-based Nature of the Assistance

Housing choice vouchers (including enhanced vouchers) provided by HUD as the result of a housing conversion action are always tenant-based assistance. Families issued vouchers may elect to use the assistance in the same property and in all cases may choose to move from the property. Families may choose to exercise portability and move outside of the jurisdiction of the Allegheny County Housing Authority. There is no guarantee to the owner that any housing choice voucher assistance will be utilized at the property for any period of time. The Allegheny County Housing Authority will emphasize the tenant-based aspect of the assistance when briefing families, who may be unfamiliar with the concept of tenant-based assistance and the freedom of choice associated with a tenant-based subsidy.

B. Allegheny County Housing Authority Screening of Families

The Allegheny County Housing Authority will utilize its normal screening procedures as part of the eligibility requirements.

The Allegheny County Housing Authority will provide any family denied assistance with an opportunity for an informal review. The decision to deny assistance rests with the Allegheny County Housing Authority,

C. Use of Owner Certifications for Determining Tenant Income

In order to reduce processing time, the Allegheny County Housing Authority may exercise its right to use the owner's most recent family income examination if:

1. the owner's current certification for the family is no more than six (6) months old; and
2. the Allegheny County Housing Authority determines that the owner certifications are acceptable after reviewing a small sample for accuracy.

If the Allegheny County Housing Authority chooses to use the owner's income certification, the Allegheny County Housing Authority will complete the subsequent family reexamination within one year of the date of the owner certification, not the date the Allegheny County Housing Authority accepted the owner certification in lieu of conducting its own determination.

D. Allegheny County Housing Authority Subsidy Standards

The Allegheny County Housing Authority will issue the housing choice voucher in accordance with its normal subsidy standards, not the actual size of the unit the family is currently occupying. There is a special rule for enhanced vouchers concerning families who reside in over-sized units and wish to remain at the property. This exception only applies to enhanced voucher assistance.

The Allegheny County Housing Authority will utilize the subsidy standard to calculate the maximum rent subsidy for the family. The payment standard for the family shall be the lower of:

1. the payment standard for the family unit size as determined by the Allegheny County Housing Authority subsidy standards; or
2. the payment standard for the actual size of the unit rented by the family.

E. Search Time

Since these vouchers are targeted to specific families adversely affected by HUD or owner actions in HUD multifamily properties, the Allegheny County Housing Authority will provide families with maximum search time that is reasonably required to locate housing.

F. Rent Reasonableness and Approval of Tenancy

All regular program requirements regarding the reasonableness of rent apply, regardless of whether the vouchers are enhanced vouchers or regular vouchers.

Reasonable rent is defined as a rent to owner that is not more than rent charged:

1. for comparable units in the private unassisted market; and
2. for comparable unassisted units in the premises.

The Allegheny County Housing Authority will not approve a lease until the Allegheny County Housing Authority determines that the initial rent to owner is a reasonable rent, regardless of whether the family chooses to remain in the family's current unit or move to a different unit.

If the Allegheny County Housing Authority determines the proposed rent is not reasonable, the owner must lower the rent or the family will have to find another unit in order to benefit from the voucher subsidy.

The initial lease term must be for at least one year unless the Allegheny County Housing Authority determines that a shorter term would improve housing opportunities for the participant and such shorter term is the prevailing local market practice.

G. Housing Quality Standards Inspections

The Allegheny County Housing Authority will inspect the unit to ensure that the unit meets the normal housing quality standards even if the family is residing in a unit that was previously assisted under a Section 8 project-based contract. Under no circumstances will the Allegheny County Housing Authority make housing assistance payments for any period of time prior to the date that the Allegheny County Housing Authority physically inspects the unit and determines that the unit meets the housing quality standards.

H. Timing Issues Involving HAP Contract Execution and Effective Dates

The funding process for vouchers that the Allegheny County Housing Authority receives from HUD is intended to result in issuance of the voucher to the family at least 60 calendar days prior to the target date of the housing conversion action. The target date is the date that the family would be impacted by a rent increase or possible displacement as a result of the housing conversion action.

For opt-out or HUD enforcement actions, the target date is the date that the project-based HAP contract expires or is terminated. For a preservation property, the target date is the earliest date the owner may increase the rent (no earlier than 60 calendar days following the effective date of the prepayment).

Before the Allegheny County Housing Authority approves a family to lease a dwelling unit with voucher assistance, the Allegheny County Housing Authority shall determine that the following conditions are met:

1. the unit is eligible;
2. The unit has been inspected and passes the housing quality standards;
3. the lease includes the tenancy addendum;
4. the rent to owner is reasonable; and
5. at the time a family initially receives tenant-based regular voucher assistance for occupancy of a dwelling unit and where the gross rent of the unit exceeds the applicable payment standard for the family, the family share (gross rent minus subsidy) must not exceed 40 percent of the family's adjusted monthly income. (The 40 percent restriction is not applicable in the case of a family assisted with enhanced voucher assistance.)

Once these conditions are met, the Allegheny County Housing Authority will approve the unit for leasing.

In establishing the effective date of tenant-based HAP contracts, it is very important to make a distinction between families who choose to stay in the property and families who choose to move. The Allegheny County Housing Authority will not approve a tenancy (and execute a housing choice voucher HAP contract) on behalf of a stayer (family that stays in the property) for a lease term that is effective prior to the target date of the housing conversion action. For a family that is moving, the Allegheny County Housing Authority may approve a tenancy that begins before the target date, since in strong rental markets potential landlords will not hold a unit vacant.

I. Initial and Subsequent Use of Vouchers

All housing choice vouchers (enhanced or non-enhanced) provided in connection with housing conversion actions are special admission vouchers. Special admission vouchers differ from regular vouchers in that HUD provides the assistance with a specific family in mind. The Allegheny County Housing Authority will first use the allocation to assist the families targeted for assistance. The Allegheny County Housing Authority will not consider whether the family is on the housing choice voucher waiting list or the family's position on the housing choice voucher waiting list.

If a voucher issued to a family as the result of a housing conversion action turns over for any reason, the Allegheny County Housing Authority will retain the voucher for use as part of its regular housing choice voucher program. In cases where an enhanced voucher turns over following initial issuance, the voucher loses its special enhanced characteristics and is subject to all normal housing choice voucher program rules.

J. Inapplicability of the Allegheny County Housing Authority Targeting Requirement

Families admitted to the Allegheny County Housing Authority's tenant-based voucher program as a result of a housing conversion action are not subject to the income targeting requirements of the tenant-based program, and their admission will not be counted in determining whether the Allegheny County Housing Authority complied with the income targeting requirement.

26.2 PRESERVATION PREPAYMENTS

When the owner prepays the mortgage or voluntarily terminates the mortgage insurance of preservation eligible properties (generally Section 236 and Section 221(d)(3) properties) certain residents are eligible for enhanced voucher assistance.

A. Owner Prepays the Mortgage or Voluntarily Terminates the Mortgage Insurance (Preservation Prepayments)

Tenant-based assistance is offered to eligible residents of properties covered by the Emergency Low-Income Housing Preservation Act of 1987 (ELIHPA) and the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (LIHPRHA). (HUD's Office of Housing is responsible for identifying property eligibility under these provisions)

1. Covered Prepayments

To be considered an eligible property, the property must have reached its 20th year from final endorsement and meet one of the following criteria:

- a. Section 221(d)(3)-market rate, limited distribution properties receiving Section 8 payments converted from Rent Supplement whose project number series is 35001-36599;
- b. All Section 221(d)(3) below market interest rate properties whose project number series are 55001-55999 and 57501-57999, unless a Rent Supplement Contract remains in effect between HUD and the mortgagor;
- c. All Section 236 properties whose project number series are 44001-44799; 44801-44899; 45001-45999; and 58501-58999, unless a Rent Supplement Contract remains in effect between HUD and the mortgagor;
- d. A purchase money mortgage formerly insured under Section 221(d)(3) or 236;
- e. A mortgage held by a state agency as a result of a sale by HUD without insurance, which immediately before the sale would have been eligible low-income housing under LIHPRHA; which mortgage (1) for LIHPRHA properties is, or is within 2 years of being, eligible for prepayment by contract or regulation in effect before February 5, 1988 without HUD's prior approval; or (2) for ELIHPA properties is, or is within 1 year of being, eligible for prepayment under regulation or contract in effect before February 5, 1988; or
- f. All State-assisted properties that are eligible for preservation assistance under LIHPRHA or ELIHPA.

2. Flexible Subsidy Properties

Section 536 of the Preserving Affordable Housing for Senior Citizens and Families into the 21st Century Act provides that any property that receives or has received assistance under Section 201 of the Housing and Community Development Amendments of 1978 (the flexible subsidy program, 12 U.S.C. 1715z-1a) which is the subject of a transaction under which the property is preserved as affordable housing (as determined by HUD) shall be considered eligible low-income housing under Section 229 of LIHPRHA for purposes of eligibility of residents for enhanced tenant-based assistance. (The Office of Housing is responsible for determining on

a case-by-case basis if a flexible subsidy property meets the requirements of Section 536 concerning the applicability of enhanced vouchers)

B. Families Eligible for Enhanced Voucher Assistance in Preservation Eligible Properties

The resident family must be residing in the preservation eligible property on the effective date of prepayment or voluntary termination of mortgage insurance (or the effective date of the transaction in the case of covered flexible subsidy properties), and must be income-eligible on that effective date.

1. Income Eligibility

In order to be eligible for enhanced voucher assistance, the resident must be:

- a. a low-income family (including a very low-income or extremely low income family);
- b. a moderate-income elderly or disabled family; or
- c. a moderate-income family residing in a low vacancy area (3 percent or less vacancy rate). (The HUD field office economist is responsible for determining whether the property where the owner is prepaying or voluntarily terminating the mortgage insurance is located in a low vacancy area).

A resident family who does not fall into one of those categories on the effective date of the prepayment or voluntary termination is not eligible for a voucher, regardless of whether the family's situation subsequently changes after the effective date of the prepayment.

A low-income family is a family whose annual income does not exceed 80 percent of the median income for the area as determined by HUD.

A moderate-income family is a family whose annual income is above 80 percent but does not exceed 95 percent of the area median income as determined by HUD.

2. Unassisted and Assisted Families

Both previously unassisted and currently assisted residents may be eligible for enhanced voucher assistance as the result of a preservation prepayment.

A voucher participant who is residing in the property at the time of the eligibility event shall receive enhanced voucher assistance if the family meets all of the following conditions:

- a. the family must meet the income requirements on the date of the eligibility event;
- b. any rent increase under the voucher program must be in accordance with the lease agreement and program regulations;
- c. the new gross rent must be reasonable; and
- d. the family must decide to stay in the unit instead of moving.

Under the voucher program, an owner may increase the rent as permitted by the terms of the existing lease and local and state law, so long as the new rent is reasonable. The owner is not required by the program regulations to terminate the existing lease and HAP contract for current voucher participants to receive the special enhanced subsidy.

If the above conditions are met, the payment standard utilized by the Allegheny County Housing Authority to calculate the housing assistance payment is the new gross rent of the family's unit. The enhanced voucher minimum rent requirement now applies to the family (See Enhanced Voucher Minimum Rent Requirement for Stayers below).

Any family receiving Section 8 project-based assistance on the effective date of the prepayment will continue to receive the project-based assistance until the project-based contract expires or terminates. Such families will receive enhanced voucher assistance at the time of the expiration and non-renewal of the Section 8 project-based contract.

3. Eligibility Event and Existing Leases

Note that the eligibility event (e.g., the prepayment of the mortgage or the voluntary termination of a mortgage insurance contract for a preservation eligible property and the approval of the flexible subsidy transaction for flexible subsidy properties) does not in itself necessarily terminate or modify the existing leases between the owner and the current residents of the property. An owner may only legally increase the rent or terminate the lease as provided under the terms of the lease in accordance with state and local law. In addition, an owner may not increase the rent for at least 60

calendar days from the eligibility event in the case of a preservation prepayment or voluntary termination of the mortgage.

If an eligible family chooses to stay at the property, the Allegheny County Housing Authority will not enter into a HAP contract that commences prior to the effective date of the rent increase.

In addition, a family that receives an enhanced voucher has the right to remain in the property as long as the units are used for rental housing and are otherwise eligible for housing choice voucher assistance. The owner may not terminate the tenancy of a family that exercises its right to remain except for a serious or repeated lease violation or other good cause. If an owner refuses to honor the family's right to remain, the family may exercise any judicial remedy that is available under state and/or local law.

4. Family Eligibility for Enhanced Voucher Assistance in Cases Where There Would be no Initial Housing Assistance Payment and the Family Wishes to Stay in the Property

If the Allegheny County Housing Authority determines that the family is income-eligible for an enhanced voucher but that there is no HAP payment because the family's total tenant payment equals or is greater than the gross rent, the Allegheny County Housing Authority will maintain a record of eligibility determination for that family. The Allegheny County Housing Authority shall inform the family that should the family's income decrease or the family's rent increase within three years of the eligibility event, the family may contact the Allegheny County Housing Authority. Should the Allegheny County Housing Authority then determine that the change in income would result in a housing assistance payment, the Allegheny County Housing Authority will execute a housing assistance payment contract on behalf of the family at such time (assuming the unit is approved for leasing in accordance with the housing choice voucher program requirements). It is the family's responsibility to contact the Allegheny County Housing Authority when there is a decrease in family income or an increase in the family rent.

C. Voluntary Termination of Mortgage Insurance or Prepayment of Mortgage on Section 236 Property's Where Section 236 Rent Rules Remain Applicable (decoupling actions)

Where an owner voluntarily terminates the mortgage insurance or prepays the Section 236 mortgage in a preservation eligible Section 236 property and the rent setting requirements of the Section 236 program are still applicable to the property, the enhanced voucher rent would be no greater than the Basic Rent

established in accordance with HUD Notice H 2000-8. Since families must pay at least 30 percent of their monthly adjusted income under the voucher subsidy formula, only those low-income families required to pay the basic rent will receive any voucher subsidy in such instance, unless the family chooses to move.

Regardless of the rents established under the rent formula for these properties, the rent reasonableness requirements of the housing choice voucher program must be met for the family to receive tenant-based assistance at the property. (The HUD Field Office is responsible for informing the Allegheny County Housing Authority in cases where the rent setting requirements of the Section 236 program remain in effect).

D. Enhanced Voucher Family Right to Remain

The FY 2001 Military Construction and FY 2000 Emergency Supplemental Appropriations laws amended Section 8(t) of the United States Housing Act. A family that receives an enhanced voucher has the right to remain in the property as long as the units are used for rental housing and are otherwise eligible for housing choice voucher assistance (e.g., the rent is reasonable, unit meets HQS, etc.) The owner may not terminate the tenancy of a family that exercises its right to remain except for a serious or repeated lease violation or other good cause. If an owner refuses to honor the family's right to remain, the family may exercise any judicial remedy that is available under State and/or local law.

E. Characteristics of Enhanced Voucher Assistance

1. Payment Standard Where the Family Chooses to Stay in the Same Property

For a family that stays in the property, the payment standard used to calculate the voucher housing assistance payment is the gross rent (rent to owner, plus the applicable Allegheny County Housing Authority utility allowance for any tenant-supplied utilities) of the family's unit (provided the proposed gross rent is reasonable), regardless of whether the gross rent exceeds the Allegheny County Housing Authority payment standard.

2. Rent Reasonableness Documentation and Lease Requirements

All regular housing choice voucher program requirements concerning the reasonableness of the rent and the provisions of the HUD prescribed lease addendum apply to enhanced vouchers. The Allegheny County Housing Authority will determine whether the proposed rent for the family's unit is reasonable.

The Allegheny County Housing Authority makes this determination by comparing the unit to other comparable unassisted units based on the current condition of the unit. If the Allegheny County Housing Authority determines the owner's proposed new rent is not reasonable, the owner must either lower the rent, or the family will have to find another unit in order to benefit from the voucher.

The special payment standard for enhanced tenant-based assistance for a family that stays in the unit sometimes results in the Allegheny County Housing Authority approving a tenancy for a unit that otherwise would be ineligible or unaffordable to a family with regular tenant-based assistance. If the rent is reasonable in comparison to the rents of comparable unassisted units, there is nothing improper or incorrect in approving the owner's new rent even if the rent would not normally be affordable for a family with a regular housing choice voucher. The Allegheny County Housing Authority will document the rent reasonableness of the owner's rent in the family's file by including the rents and addresses of the comparable units used to make the determination.

3. Effect of Family Unit Size Limitation - Initial Issuance

The Allegheny County Housing Authority will issue the family an enhanced voucher based on its Subsidy Standards, not on the actual size of the unit the family is currently occupying. However, if the family wishes to stay in the property, but is living in an oversized unit, the enhanced voucher family must move to an appropriate size unit in the property if one is available. To the extent there are more over-housed families than appropriate size units available at any time, the Allegheny County Housing Authority will determine based on family circumstances (age, frailty, etc.) which families will be required to move.

If there is no appropriate size unit currently available for the family in the project, the Allegheny County Housing Authority will execute a voucher HAP contract on behalf of the family for the oversized unit, provided the rent is reasonable and the unit complies with all other voucher program requirements such as the housing quality standards. The enhanced voucher housing subsidy calculation will be based on the gross rent for the oversized unit. The subsidy calculation will continue to be based on the gross rent (including subsequent rent increases) for the oversized unit²

² This is assuming the unit remains under the voucher HAP contract and all program requirements (such as rent reasonableness) continue to be met.

until an appropriate size unit in the project becomes available for occupancy by the family.

The owner must immediately inform the PHA and the family when an appropriate size unit will become available in the project. When an appropriate size unit becomes available, the enhanced voucher family residing in the oversized unit must move to the appropriate size unit in a reasonable time (as determined by the Allegheny County Housing Authority) to continue to receive enhanced voucher assistance. The family and owner will enter into a new lease and the housing authority will execute a new voucher HAP contract with the owner for the appropriate size unit. The enhanced voucher subsidy calculation is based on the gross rent for the appropriate size unit.

If an over-housed enhanced voucher family refuses to move to the appropriate size unit, the Allegheny County Housing Authority will recalculate the family's housing assistance payment for the oversized unit based on the normally applicable voucher subsidy formula using the applicable payment standard established by the Allegheny County Housing Authority for its voucher program. The family will be responsible for any amount of the gross rent not covered by the housing assistance payment.

The effective date of the housing assistance payment contract for the oversized unit will not be earlier than the expiration date of the term of the family voucher. The family will be responsible for the full rent of the unit prior to the effective date of the housing assistance payment contract.

The payment standard is the gross rent of the oversized unit.

If the Allegheny County Housing Authority determines that the unit of an enhanced voucher family is no longer decent, safe, and sanitary under the HQS requirements because an increase or decrease in family size causes the unit to be overcrowded or over-housed, the family must move to an appropriate size unit in the property when it is or becomes available. The Allegheny County Housing Authority is required to assist the family in locating other standard housing in the Allegheny County Housing Authority jurisdiction. The family and the Allegheny County Housing Authority will try to find an acceptable unit as soon as possible. If the family rejects, without good cause, the offer of a unit that the Allegheny County Housing Authority judges to be acceptable, the Allegheny County Housing Authority will terminate the HAP contract.

If the family moves to an appropriate size unit in the property, the enhanced voucher subsidy rules would continue to apply to the family's voucher assistance. In the case of a family move from the property, the regular housing choice voucher program rules apply.

4. Family Move: Normal Payment Standard is Applicable

The Allegheny County Housing Authority's normal payment standard is utilized to determine the family's maximum voucher subsidy when the family moves from the property. This includes cases where the proposed new rent for the family's current unit if it is not reasonable or the unit fails HQS, requiring the family to move in order to continue receiving tenant-based assistance.

5. Enhanced Voucher Minimum Rent Requirement for Stayers

Families assisted with enhanced housing choice voucher assistance have a special statutory minimum rent requirement. The law requires that a family receiving enhanced voucher assistance must pay for rent no less than the rent the family was paying on the date of the eligibility event (the effective date of the prepayment of the mortgage or voluntary termination of the mortgage insurance) regardless of what happens to the family's income.

The enhanced voucher minimum rent only applies if the family remains in the property. The enhanced voucher minimum rent does not apply if the family moves from the property.

The method for calculating the minimum rent changes if the family's income subsequently decreases to a significant extent (15% or more) from the family's gross income on the effective date of the prepayment. Guidance on recalculating the minimum rent in cases when a family's income significantly decreases is discussed in detail in number 6. below.

a. Previously Unassisted Residents Rent Requirement

Previously unassisted residents must pay at least the dollar amount of the gross rent (enhanced voucher minimum rent) the family was paying on the date of prepayment or voluntary termination. The Allegheny County Housing Authority's utility allowance will be used to calculate the gross rent at prepayment if all utilities were not included in the rent the family paid to the owner.

A family who stays in the unit and receives enhanced voucher assistance must pay the enhanced voucher minimum rent. If the enhanced voucher minimum rent exceeds 40 percent of the family's monthly-adjusted income, a family must still pay at least the enhanced voucher minimum rent, and the restriction on the normal initial family contribution is not applicable.

b. Previously assisted Section 8 Tenant-based Families Rent Requirement

Residents assisted with Section 8 tenant-based vouchers at the time of a prepayment or voluntary termination by the owner will pay at least the family share (enhanced voucher minimum rent) that they were paying on eligibility event. The enhanced minimum rent provision only applies if the family chooses to remain in its present unit and receive the "enhanced" subsidy.

A family who stays in the unit and receives enhanced voucher assistance must pay the enhanced voucher minimum rent. If the enhanced voucher minimum rent exceeds 40 percent of the family's monthly-adjusted income, a family must still pay at least the enhanced voucher minimum rent, and the restriction on the normal initial family contribution is not applicable.

6. Significant Decline in Family Income - Effect on Enhance Voucher Minimum Rent

If an enhanced voucher family suffers a significant decline in family income, the minimum family share required of the family shall be reduced below the enhanced minimum rent provision so that the percentage of income for rent does not exceed the greater of 30 percent or the percentage of monthly adjusted income actually paid by the family for rent (the rent to owner, plus tenant-paid utilities) on the effective date of the prepayment. A significant decline is defined as gross family income that is at least 15 percent less than the gross family income on the date of the eligibility event.

If the family suffers a significant decline in family income, the Allegheny County Housing Authority will change the enhanced voucher minimum rent from an actual dollar amount to a specific percentage of income.

a. Previously Unassisted Families

For eligible families who were previously unassisted on the eligibility event, the family's new enhanced voucher minimum rent is the greater of:

- i. the percentage of the monthly adjusted income the family paid for gross rent on the effective date of the eligibility event; or
- ii. 30 percent of the family's current adjusted monthly income.

b. Previously assisted Section 8 Tenant-based Families

For families who were previously assisted under a project-based or tenant-based contract on day the eligibility event, the family's new enhanced voucher minimum rent is the greater of:

- i. the percentage of the monthly adjusted income the family paid for gross rent;
- ii. the Total Tenant Payment;
- iii. the family share represented on the effective date of the eligibility event; or
- iv. 30 percent of the family's current adjusted monthly income.

The new enhanced voucher minimum rent for these families is a percentage of income as opposed to a specific dollar amount. Once this change in the enhanced voucher minimum rent becomes effective for a family, the enhanced voucher minimum rent for the family remains that specific percentage of income and will not revert to a specific dollar amount, even if the family income subsequently increases or decreases.

When a family reports a significant decrease in family income, the Allegheny County Housing Authority will conduct an interim reexamination and verify the changes in income.

The minimum rent represents the lowest amount the family may pay as their family share for as long as the family remains in the property. A family may pay no less than the enhanced voucher minimum rent. Depending on the circumstances, the family may have to pay more than the enhanced voucher minimum rent at the time of eligibility event.

7. Calculating the HAP for Enhanced Voucher Assistance

Regardless of whether the owner's new gross rent after the eligibility event exceeds or is less than the Allegheny County Housing Authority's payment standard, the housing assistance payment for a family that stays in their present unit (or moves from an oversized unit to an appropriate size unit within the property) is the following:

The gross rent for the unit minus the greatest of:

- a. 30 percent of the adjusted family income;
- ii. 10 percent of the family monthly income (gross monthly income);
- iii. the welfare rent in as-paid states;
- iv. the enhanced voucher minimum rent; or
- v. the Allegheny County Housing Authority's minimum rent.

8. Movers from the Property

If a resident decides to move from the property with the voucher assistance, the payment standard is not enhanced and the special voucher minimum rent does not apply. This applies both to families who decide to move when the eligibility event takes place and to families who have resided at the property after the eligibility event and want to move with continued assistance. In either circumstance, the housing assistance payment and the family share at the new unit are calculated in accordance with the regular rules of the housing choice voucher program.

G. Administering Enhanced Voucher Assistance

The special conditions of enhanced voucher assistance (enhanced voucher minimum rent and the special payment standard rules) are applicable for as long as the family receives voucher assistance in the property.

If an owner subsequently raises the rent for an enhanced voucher family in accordance with the lease, State and local law, and voucher program regulations (including rent reasonableness), the Allegheny County Housing Authority will utilize the new gross rent to calculate the voucher HAP payment for the family.

The Allegheny County Housing Authority shall identify an eligible family as an enhanced voucher family even if the gross rent of the family's unit does not currently exceed the normally applicable Allegheny County Housing Authority payment standard. Since the enhanced payment standard rule also covers any subsequent rent increases, it is possible that the special payment standard may come into play later in the family's tenancy. An enhanced voucher family is also required by law to pay no less than the enhanced voucher minimum rent, regardless of whether the gross rent exceeds the normally applicable Allegheny County Housing Authority payment standards.

1. Enhanced Voucher Minimum Rent

The enhanced voucher minimum rent requirement remains in effect for all families who receive enhanced voucher assistance for as long as they remain in the property.

2. The payment standard used to calculate the family subsidy will continue to be enhanced to match the gross rent for the unit if the gross rent exceeds the normally applicable payment standard and the Allegheny County Housing Authority determines the rent is reasonable for as long as the enhanced voucher family continues to reside in the same property.

If the owner raises the rent for a family assisted with an enhanced voucher in accordance with the lease, State and local law, and voucher program regulations, the Allegheny County Housing Authority will increase the enhanced payment standard to equal the new gross rent (rent to owner and the applicable Allegheny County Housing Authority utility allowance for any tenant-supplied utilities) for the unit provided the Allegheny County Housing Authority determines the rent is reasonable. The additional cost of the subsidy will be covered through the regular renewal process for the Allegheny County Housing Authority's voucher program.

If a change in the Allegheny County Housing Authority's utility allowance (either an increase or decrease) affects the gross rent for a family assisted with an enhanced voucher, the Allegheny County Housing Authority will adjust the enhanced payment standard accordingly. The enhanced payment standard may never exceed the gross rent for the assisted family's unit.

26.3 OWNER OPT-OUTS

If an owner opts-out or elects not to renew an expiring contract for project-based assistance, HUD will make enhanced voucher authority available to the Allegheny County Housing Authority for eligible families covered by the expiring contract.

A. Covered Opt-outs

The property must be covered in whole or in part by a contract for project-based assistance, and consist of more than four dwelling units under one of the following programs:

1. The new construction or substantial rehabilitation program under Section 8(b)(2) of the United States Housing Act of 1937 (as in effect before October 1, 1983);
2. The property disposition program under Section 8(b) of the United States Housing Act of 1937;
3. The loan management assistance program under Section 8(b) of the United States Housing Act of 1937;
4. The rent supplement program under Section 101 of the Housing and Urban Development Act of 1965, provided that at the same time there is also a Section 8 project-based contract at the same property that is expiring or terminating and will not be renewed;
5. Section 8 of the United States Housing Act of 1937, following conversion from assistance under Section 101 of the Housing and Urban Development Act of 1965; or
6. The moderate rehabilitation program under Section 8(e)(2) of the United States Housing Act of 1937 (as in effect before October 1, 1991).

Note that an owner may not choose to opt-out of a rent supplement contract. Instead, the rent supplement assistance ends either at the end of the term of the contract (generally 40 years after the first rent supplement payment was made) or when the mortgage terminates, depending on which event occurs first.

In addition, although families affected by Section 8 moderate rehabilitation opt-outs are eligible for enhanced vouchers that are subject to enhanced vouchers rules, these opt-outs are not considered a housing conversion action because the expiring contract is between the owner and the Allegheny County Housing Authority. The Housing Authority is not eligible to receive the special fee for extraordinary administrative costs and the specific funding process instructions do not apply to an owner's decision to not renew an expiring Section 8 moderate rehabilitation contract.

B. Family Eligibility for Enhanced Vouchers as a Result of an Owner Opt-out

In order to be eligible for enhanced voucher assistance, the resident must be:

1. A low-income family (including a very low or extremely low income family); and
2. Residing in a unit covered by the expiring Section 8 project-based contract on the date of expiration.

In the case of the expiration of a covered Section 8 contract under 515(c) of MAHRA only (mark-to-market restructuring where the Section 8 project-based assistance contract is converted to tenant-based assistance), all families assisted under the expiring contract are considered income-eligible for enhanced voucher assistance.

C. Special Income Eligibility Rules for Opt-out Families in Properties Where a Preservation Prepayment Preceded the Owner Opt-out

If the owner opt-out of the Section 8 project-based contract occurs after the owner has prepaid the mortgage or voluntarily terminated the mortgage insurance of a preservation eligible property, families who do not meet the definition of a low-income family may still be eligible to receive an enhanced voucher. In order to be eligible, the family must:

1. Reside in a unit covered by the expiring contract on the date of expiration;
2. Have also resided in the property on the effective date of the prepayment; and
3. Meet the income requirements for enhanced voucher eligibility for residents affected by a preservation prepayment described below.

To determine family eligibility in this circumstance, the Allegheny County Housing Authority will first determine income eligibility of the family based on the normal eligibility rules for opt-outs. For a family that is found not to be low-income, the Allegheny County Housing Authority will then make a determination of whether the family lived in the property on the date of the prepayment. If the family resided in the property on the date of prepayment, the Allegheny County Housing Authority will then determine if the family is income-eligible under the preservation prepayment rules.

1. Income Requirements for Enhanced Voucher Eligibility for Residents Affected by a Preservation Prepayment

In order to be eligible for enhanced voucher assistance, the resident must be either:

- i. A low-income family (including a very low or extremely low income family);
- ii. A moderate-income elderly or disabled family; or
- iii. A moderate-income family residing in a low vacancy area (3 percent or less vacancy rate). (The HUD field office economist is responsible for determining whether the property where the owner is prepaying or voluntarily terminating the mortgage insurance is located in a low vacancy area).

A low-income family is a family whose annual income does not exceed 80 percent of the median income for the area as determined by HUD.

A moderate-income family is a family whose annual income is above 80 percent but does not exceed 95 percent of the area median income as determined by HUD.

If the family meets the preservation income requirement, the Allegheny County Housing Authority will issue the family an enhanced voucher by virtue of the preservation prepayment out of the opt-out voucher allocation received from HUD.

A resident family who does not fall into one of those categories on the effective date of the prepayment or voluntary termination is not eligible for an enhanced voucher, regardless of whether the family's situation subsequently changes after the effective date of the prepayment.

D. Family Eligibility for Enhanced Voucher Assistance in Cases Where There Would be no Initial Housing Assistance Payment and the Family Wishes to Stay in the Property

If the Allegheny County Housing Authority determines that the family is income-eligible for an enhanced voucher but that there is no HAP payment because the family's total tenant payment equals or is greater than the gross rent, the Allegheny County Housing Authority will maintain a record of eligibility determination for that family. The Allegheny County Housing Authority will inform the family that should the family's income decrease or the family's rent increase within three years of the eligibility event, the family may contact the Allegheny County Housing Authority. Should the Allegheny County Housing Authority then determine that the change in income would result in a housing

assistance payment, the Allegheny County Housing Authority will execute a housing assistance payment contract on behalf of the family at such time (assuming the unit is approved for leasing in accordance with the housing choice voucher program requirements). It is the family's responsibility to contact the Allegheny County Housing Authority when there is a decrease in family income or an increase in the family rent.

E. Enhanced Voucher Family Right to Remain

The FY 2001 Military Construction and FY 2000 Emergency Supplemental Appropriations laws amended Section 8(t) of the United States Housing Act. A family that receives an enhanced voucher has the right to remain in the property as long as the units are used for rental housing and are otherwise eligible for housing choice voucher assistance (e.g., the rent is reasonable, unit meet HQS, etc.) The owner may not terminate the tenancy of a family that exercises its right to remain except for a serious or repeated lease violation or other good cause. If an owner refuses to honor the family's right to remain, the family may exercise any judicial remedy that is available under State and/or local law.

F. Characteristics of Enhanced Voucher Assistance

1. Payment Standard Where the Family Chooses to Stay in the Same Property

For a family that stays in the property, the payment standard used to calculate the voucher housing assistance payment is the gross rent (rent to owner, plus the applicable Allegheny County Housing Authority utility allowance for any tenant-supplied utilities) of the family's unit (provided the proposed gross rent is reasonable), regardless of whether the gross rent exceeds the Allegheny County Housing Authority normal payment standard.

2. Rent Reasonableness Documentation and Lease Requirements

All regular housing choice voucher program requirements concerning the reasonableness of the rent and the provisions of the HUD prescribed lease addendum apply to enhanced vouchers. The Allegheny County Housing Authority will determine whether the proposed rent for the family's unit is reasonable.

The Allegheny County Housing Authority makes this determination by comparing the unit to other comparable unassisted units based on the current condition of the unit. If the Allegheny County Housing Authority determines the owner's proposed new rent is not reasonable, the owner

must either lower the rent, or the family will have to find another unit in order to benefit from the voucher.

The special payment standard for enhanced tenant-based assistance for a family that stays in the unit sometimes results in the Allegheny County Housing Authority approving a tenancy for a unit that otherwise would be ineligible or unaffordable to a family with regular tenant-based assistance. If the rent is reasonable in comparison to the rents of comparable unassisted units, there is nothing improper or incorrect in approving the owner's new rent even if the rent would not normally be affordable for a family with a regular housing choice voucher. The Allegheny County Housing Authority will document the rent reasonableness of the owner's rent in the family's file by including the rents and addresses of the comparable units used to make the determination.

3. Effect of Family Unit Size Limitation - Initial Issuance

The Allegheny County Housing Authority will issue the family an enhanced voucher based on its Subsidy Standards, not on the actual size of the unit the family is currently occupying. However, if the family wishes to stay in the property, but is living in an oversized unit, the enhanced voucher family must move to an appropriate size unit in the property if one is available. To the extent there are more over-housed families than appropriate size units available at any time, the Allegheny County Housing Authority will determine based on family circumstances (age, frailty, etc.) which families will be required to move.

If there is no appropriate size unit currently available in the property, a family must make a good faith attempt to find a unit outside the property. In order to determine if the family has made a good faith effort, the Allegheny County Housing Authority will require the family to submit a list of potential units by address, the landlords name and telephone number.

If the family has not located an eligible unit at the end of the term of the voucher (including any extension granted by the Allegheny County Housing Authority) despite making a good faith effort, the Allegheny County Housing Authority will execute a housing assistance payment contract for the family's current unit, provided the unit complies with housing quality standards and the proposed rent is determined to be reasonable.

The effective date of the housing assistance payment contract for the oversized unit will not be earlier than the expiration date of the term of the

family voucher. The family will be responsible for the full rent of the unit prior to the effective date of the housing assistance payment contract.

The payment standard is the gross rent of the oversized unit. The Allegheny County Housing Authority will advise the family in writing that the enhanced subsidy based on the oversized unit's rent will only be paid for one year. During that year, the family may move to an appropriate size unit in the property if one becomes available and the owner agrees to mutually terminate the lease agreement for the oversized unit. The family would receive the special payment standard for the appropriate size unit if the family moves to the appropriate size unit under this circumstance.

After the initial year of assistance in the oversized unit, the Allegheny County Housing Authority will apply the normal payment standard in determining the family's housing assistance payment. If the family wishes to remain in the unit and do so under regular housing choice voucher program rules, the family will have to pay the additional cost for the oversized unit out-of-pocket.

If the Allegheny County Housing Authority determines that the unit of an enhanced voucher family is no longer decent, safe, and sanitary under the HQS requirements because of an increase in family size that causes the unit to be overcrowded, the family must move to an appropriate size unit in the property or move to another unit not located at the property to continue to receive housing choice voucher assistance. The Allegheny County Housing Authority is required to assist the family in locating other standard housing in the Allegheny County Housing Authority jurisdiction. The family and the Allegheny County Housing Authority will try to find an acceptable unit as soon as possible. If the family rejects, without good cause, the offer of a unit that the Allegheny County Housing Authority judges to be acceptable, the Allegheny County Housing Authority will terminate the HAP contract.

If the family moves to an appropriate size unit in the property, the enhanced voucher subsidy rules would continue to apply to the family's voucher assistance. In the case of a family move from the property, the regular housing choice voucher program rules apply.

4. Family Move: Normal Payment Standard is Applicable

The Allegheny County Housing Authority's normal payment standard is utilized to determine the family's maximum voucher subsidy when the family moves from the property. This includes cases where the proposed new rent for the family's current unit is not reasonable or the unit fails

HQS, requiring the family to move in order to continue receiving tenant-based assistance.

5. Enhanced Voucher Minimum Rent Requirement for Stayers

Families assisted with enhanced housing choice voucher assistance have a special statutory minimum rent requirement. The law requires that a family receiving enhanced voucher assistance must pay for rent no less than the rent the family was paying on the date of the eligibility event (the effective date of the prepayment of the mortgage or voluntary termination of the mortgage insurance).

The enhanced voucher minimum rent only applies if the family remains in the property. The enhanced voucher minimum rent does not apply if the family moves from the property.

A family who stays in the unit and receives enhanced voucher assistance must pay the enhanced voucher minimum rent. If the enhanced voucher minimum rent exceeds 40 percent of the family's monthly-adjusted income, a family must still pay at least the enhanced voucher minimum rent, and the restriction on the initial family contribution is not applicable.

a. Previously Unassisted Residents Rent Requirement

Previously unassisted residents must pay at least the dollar amount of the gross rent (enhanced voucher minimum rent) the family was paying on the date of prepayment or voluntary termination. The Allegheny County Housing Authority's utility allowance is used to calculate the gross rent at prepayment if all utilities were not included in the rent the family paid to the owner.

A family who stays in the unit and receives enhanced voucher assistance must pay the enhanced voucher minimum rent. If the enhanced voucher minimum rent exceeds 40 percent of the family's monthly-adjusted income, a family must still pay at least the enhanced voucher minimum rent, and the restriction on the initial family contribution is not applicable.

b. Previously assisted Section 8 Tenant-based Families Rent Requirement

Residents assisted with Section 8 tenant-based vouchers at the time of the prepayment or voluntary termination the family will pay at least the family share (enhanced voucher minimum rent) that they

were paying on eligibility event. The enhanced minimum rent provision only applies if the family chooses to remain in its present unit and receive the "enhanced" subsidy.

A family who stays in the unit and receives enhanced voucher assistance must pay the enhanced voucher minimum rent. If the enhanced voucher minimum rent exceeds 40 percent of the family's monthly-adjusted income, a family must still pay at least the enhanced voucher minimum rent, and the restriction on the initial family contribution is not applicable.

6. Significant Decline in Family Income - Effect on Enhance Voucher Minimum Rent

If an enhanced voucher family suffers a significant decline in family income, the minimum family share required of the family shall be reduced so that the percentage of income for rent does not exceed the greater of 30 percent or the percentage of monthly adjusted income actually paid by the family for rent (the rent to owner, plus tenant-paid utilities) on the effective date of the prepayment. A significant decline is defined as gross family income decline of at least 15 percent from the gross family income on the date of the eligibility event.

If the family suffers a significant decline in family income, the Allegheny County Housing Authority will change the enhanced voucher minimum rent from an actual dollar amount to a specific percentage of income.

a. Previously Unassisted Families

For families who were previously unassisted on the eligibility event, the family's new enhanced voucher minimum rent is the greater of:

- i. The percentage of the monthly adjusted income the family paid for gross rent on the effective date of the eligibility event; or
- ii. 30 percent of the family's current adjusted monthly income.

b. Previously assisted Section 8 Tenant-based Families

For families who were previously assisted under the Section 8 tenant-based voucher program on the eligibility event, the family's new enhanced voucher minimum rent is the greater of:

- i. The percentage of the monthly adjusted income the family paid for gross rent;
- ii. The Total Tenant Payment;
- iii. The family share represented on the effective date of the eligibility event; or
- iv. 30 percent of the family's current adjusted monthly income.

The new enhanced voucher minimum rent for these families is a percentage of income as opposed to a specific dollar amount. Once this change in the enhanced voucher minimum rent becomes effective for a family, the enhanced voucher minimum rent for the family remains that specific percentage of income and will not revert to a specific dollar amount, even if the family income subsequently increases or decreases.

When a family reports a significant decrease in family income, the Allegheny County Housing Authority will conduct an interim reexamination and verify the changes in income.

The minimum rent represents the lowest amount the family may pay as their family share for as long as the family remains in the property. A family may pay no less than the enhanced voucher minimum rent. Depending on the circumstances, the family may have to pay more than the enhanced voucher minimum rent at the time of eligibility event.

7. Calculating HAP for Enhanced Voucher Assistance

Regardless of whether the owner's new gross rent after the eligibility event exceeds or is less than the Allegheny County Housing Authority's payment standard, the housing assistance payment for a family that stays in their present unit (or moves from an oversized unit to an appropriate size unit within the property) is the following:

The gross rent for the unit minus the greatest of:

- a. 30 percent of the adjusted family income;
- b. 10 percent of the family monthly income (gross monthly income);

- c. The welfare rent in as-paid states;
- d. The enhanced voucher minimum rent; or
- e. The Allegheny County Housing Authority's minimum rent.

8. Movers from the Property

If a resident decides to move from the property with voucher assistance, the payment standard is not enhanced and the voucher minimum rent does not apply. This pertains to families who decide to move when the eligibility event takes place, and to families who have resided at the property after the eligibility event and want to move with continued assistance. In either circumstance, the housing assistance payment and the family share at the new unit are calculated in accordance with the regular rules of the housing choice voucher program.

G. Administering Enhanced Voucher Assistance

The special conditions of enhanced voucher assistance (enhanced voucher minimum rent and the special payment standard rules) are applicable for as long as the family receives voucher assistance in the property.

If an owner subsequently raises the rent for an enhanced voucher family in accordance with the lease, State and local law, and voucher program regulations (including rent reasonableness), the Allegheny County Housing Authority will utilize the new gross rent to calculate the voucher HAP payment for the family.

The Allegheny County Housing Authority will identify an eligible family as an enhanced voucher family even if the gross rent of the family's unit does not currently exceed the normally applicable Allegheny County Housing Authority payment standard. Since the enhanced payment standard rule also covers any subsequent rent increases, it is possible that the special payment standard may come into play later in the family's tenancy. An enhanced voucher family is also required by law to pay no less than the enhanced voucher minimum rent, regardless of whether the gross rent exceeds the normally applicable Allegheny County Housing Authority payment standards.

1. Enhanced Voucher Minimum Rent

The enhanced voucher minimum rent requirement remains in effect for all families who receive enhanced voucher assistance and remain at the property.

2. The payment standard used to calculate the family subsidy will continue to be enhanced to match the gross rent for the unit if the gross rent exceeds the normally applicable payment standard and the Allegheny County Housing Authority determines the rent is reasonable for as long as the enhanced voucher family continues to reside in the same property.

If the owner raises the rent for a family assisted with an enhanced voucher in accordance with the lease, State and local law, and voucher program regulations, the Allegheny County Housing Authority will increase the enhanced payment standard to equal the new gross rent (rent to owner and the applicable Allegheny County Housing Authority utility allowance for any tenant-supplied utilities) for the unit provided the Allegheny County Housing Authority determines the rent is reasonable. The additional cost of the subsidy will be covered through the regular renewal process for the Allegheny County Housing Authority's voucher program.

If a change in the Allegheny County Housing Authority's utility allowance (either an increase or decrease) affects the gross rent for a family assisted with an enhanced voucher, the Allegheny County Housing Authority will adjust the enhanced payment standard accordingly. The enhanced payment standard may never exceed the gross rent for the assisted family's unit.

26.4 HUD ENFORCEMENT ACTIONS

HUD enforcement actions can take the form of either terminating a Section 8 project-based HAP contract or not offering the owner the option to renew an expiring Section 8 project-based HAP contract due to an owner's failure to comply with the terms of the HAP contract. It includes suspensions and debarments.

Additionally, HUD enforcement actions may also result from material adverse financial or managerial actions or omissions that lead to either an owner default under a FHA-insured mortgage (monetary or technical) or a documented material violation of one or more of the obligations under the property's Regulatory Agreement.

Eligible families are usually assisted with regular vouchers that HUD issues to the Allegheny County Housing Authority in the above circumstances because families must move to receive housing choice voucher assistance.

The Allegheny County Housing Authority will not approve an assisted tenancy at a property if HUD has informed the Allegheny County Housing Authority that the owner is debarred, suspended, or subject to a limited denial of participation.

Furthermore, the Allegheny County Housing Authority may disapprove owner participation in the housing choice voucher program for a number of other grounds

described in the housing choice voucher program regulations and previously set forth in this Administrative Plan. HUD encourages the Allegheny County Housing Authority to disapprove a tenancy for any of these grounds in a case where vouchers are provided because HUD is taking an enforcement action against an owner.

In a few situations, families assisted under a Section 8 project-based HAP contract that is being terminated may be able to remain at the property. For instance, if the property is in good physical condition and the owner decides to turn the property over to new ownership, it may be possible for the eligible families assisted under the terminating contract to receive housing choice voucher assistance at the property. In such a case, the project-based families would qualify for enhanced vouchers. (HUD will make the determination whether enhanced or regular voucher assistance is appropriate.)

26.5 HUD PROPERTY DISPOSITION

When HUD is selling the property at a foreclosure sale, or is the mortgagee-in-possession or owner of the multifamily property due to an owner default of an FHA-insured mortgage and closing down the property or selling property to a new owner, it will supply regular housing choice vouchers to assist eligible low-income families.

27.0 COST SAVING POSSIBILITIES

Unfortunately, in recent years the management of the Housing Choice Voucher Program has become more difficult for the Allegheny County Housing Authority and all other housing authorities managing the program. As Congress and HUD change the way they fund the program, more and more challenges face the Allegheny County Housing Authority.

There are no simple solutions to the challenges the Allegheny County Housing Authority faces and the actions we must take will vary depending on circumstances that are often beyond our control. Therefore, the Allegheny County Housing Authority hereby establishes in its Administrative Plan the following options that will be considered by the Board of Commissioners depending on the particular circumstances of the time. They are not listed in any particular order.

None of these options will be implemented without Board of Commissioner approval and the opportunity for affected participants to address the Board of Commissioners. Any actions taken under this section of the Administrative Plan will sunset if and when the procuring reason for the action is no longer in effect. Rescissions will also require Board of Commissioner approval.

There shall be one basic principle that will guide the Allegheny County Housing Authority in implementing any or all of these options – what must the Allegheny County

Housing Authority do to assist the maximum number of eligible people in a quality Housing Choice Voucher Program while maintaining the fiscal integrity of the program. The Allegheny County Housing Authority shall endeavor to protect elderly and disabled families from significant impact (defined as loss of one's Housing Choice Voucher) but recognizes that what is feasible is dependant on the amount of funding provided to the program.

The options are as follows:

- A. The Housing Choice Voucher Payment Standards may be reviewed in light of the funding situation. If payment standards are reduced, the lower payment standard shall go into effect immediately for new admissions, participants moving from one unit to another, and people staying in place who require a new HAP contract because they are signing a new lease. In extraordinary circumstances, the Allegheny County Housing Authority may be forced to ask HUD for a waiver so that even those participants staying in place without a new lease shall have their payment standard decreased immediately instead of the normal second regular reexamination after the lowering of the payment standard.
- B. Since Housing Authorities do not have to wait until the HAP contract anniversary date to review owner rents and reduce them if warranted, the Housing Authority will ensure that owner rents do not exceed amounts charged for unassisted units in the same building or complex. The initial rent and all rent increases must comply with any State or local rent control limits. Further, any owner leasing promotions for unassisted tenants (e.g., the initial two months of occupancy are "rent free") must be taken into consideration in determining rent reasonableness.

In accordance with the HAP contract, the Housing Authority will provide written notice to owners before reducing unreasonable rents. Rents may be reduced as early as the first of the following month. If the rent to owner is not reasonable as most recently determined by the Housing Authority, the owner must reduce the rent to the reasonable amount or the HAP contract must be terminated. In such cases, the family will be issued a HCV to find a new unit. (Movers, like new participants, are subject to the Housing Authority's current payment and occupancy standards.)

- C. Housing Choice Voucher Payment Standards must be established according to HUD regulation so that no more than 40% of the participants are paying more than 30% of their monthly adjusted income for rent. If circumstances dictate it, the Allegheny County Housing Authority may be forced to ask for a waiver of this prohibition in order to sufficiently lower its payment standard.
- D. The utility allowance schedule may be reviewed to determine if the utility allowances are too high. If they are too high that means that the participants are

being subsidized in an excess manner. The new utility allowance schedule may be placed into effect after a thirty day notice or at a participant's next reexamination depending on the financial circumstances the Allegheny County Housing Authority finds itself in.

As stated in Section 11.6, utility allowances are supposed to be adjusted annually or sooner if there is a utility rate increase of 10% or more. If circumstances warrant, the Allegheny County Housing Authority reserves the right to seek a HUD waiver of this regulatory requirement.

- E. An initial PHA may request that a receiving PHA absorb portable families for which the initial PHA is being billed. This may include the receiving PHA retroactively absorbing families for which the initial PHA was already billed and made payments. In these cases, the receiving PHA reimburses the initial PHA for payments made back to the effective date of the absorption. Both the receiving PHA and initial PHAs must agree to this arrangement. This provision provides an exception to section 10 of Notice PIH 2008-43 on HCV Portability and Corrective Actions. (Section 10 provides that the receiving PHA may not retroactively absorb families for which the receiving PHA was previously billing for any time period that commences before 10 working days from the time the receiving PHA notifies the initial PHA of the absorption.) The Housing Authority will attempt to get receiving PHAs to absorb whenever possible.
- F. If financial circumstances dictate, the Allegheny County Housing Authority may deny portability moves to a higher cost area for its Housing Choice Voucher participants and/or shoppers if the Allegheny County Housing Authority has insufficient funds to pay the higher subsidy amounts and the receiving housing authority declines to absorb the family. While the Board of Commissioners must establish this policy after an examination of the fiscal affairs of the organization, individual denials of portability shall only occur after the Allegheny County Housing Authority has determined that the receiving housing authority will not absorb the family. The denial of absorption shall be documented in that person's file.

This can only occur if the portability action would cause the Allegheny County Housing Authority to be unable to avoid terminating the vouchers of current voucher participants during the affected calendar year. If a family is denied its portability request, no subsequent families will be admitted to the program until the Allegheny County Housing Authority has determined that sufficient funding exists to approve the move and has notified the family that the family may now exercise its move to the higher cost area.

- G. If financial circumstances dictate, the Allegheny County Housing Authority may deny the right of a participant to move within the jurisdiction of the Allegheny

County Housing Authority to a portion of the jurisdiction that has a higher payment standard than the portion of the jurisdiction the participant currently lives in if the Allegheny County Housing Authority has insufficient funds to pay the higher subsidy amounts.

- H. Housing Choice Vouchers issued to families on the waiting list that have not resulted in HAP contracts may be cancelled.
- I. The Allegheny County Housing Authority may be forced to not reissue vouchers surrendered by current participants immediately upon their return to the Housing Authority. Instead, the vouchers may be held in the Authority's inventory in order to avoid dire financial consequences. The amount of time they will be held shall be determined based upon the financial situation of the Housing Authority.
- J. The subsidy standards set forth in Section 6.0 may be reexamined. The size of the unit the Housing Choice Voucher is issued for may need to be reduced. For example, the current age differential of seven years now would apply only when the older child is ten years or older or you may use the zero bedroom payment standard for households with only one person.
- K. A program wide study may be conducted to ensure that families are utilizing the proper size Housing Choice Voucher for their current family size.
- L. If the minimum rent is increased under Section 11.5 (B), it can be made the first of the month following the month families are notified of the increase (provided there has been at least a 30-day notice) instead of at the next reexamination.
- M. The requirement of when families have to report changes of their income as set forth in Section 14.2 may be modified due to the financial pressure facing the Allegheny County Housing Authority. Also, the new rent payment may become effective at the start of the next month provided there has been a thirty day notice.
- N. Owners participating in the Housing Choice Voucher Program may be asked to voluntarily reduce the rents they are charging participants in order to assist in the financial solvency of the program. This must be a truly voluntary program.
- O. The absolutely last step the Allegheny County Housing Authority will take to resolve its Housing Choice Voucher financial problems will be to terminate the vouchers of families already receiving assistance. If this becomes necessary, a public lottery will be held with all Housing Choice Voucher participants being placed in the lottery
- P. If it becomes necessary for the Allegheny County Housing Authority to terminate Housing Choice Vouchers, the families terminated shall be reinstated onto the

program as soon as fiscally and practically feasible. They will be reinstated in the same sequence they were selected for removal.

- b. 10% of the family's monthly income;
 - c. Minimum rent; or
 - d. if the family is receiving payments for welfare assistance from a public agency and a part of such payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of such payments which is so designated.
- (2) If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under Section 3(a)(1) shall be the amount resulting from one application of the percentage.

Utility allowance: If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a housing authority or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Utility hook-up charge: In a manufactured home space rental, costs payable by a family for connecting the manufactured home to utilities such as water, gas, electrical and sewer lines.

Utility reimbursement: The portion of the housing assistance payment that exceeds the amount of the rent to owner. It is only paid when the housing assistance payment exceeds the rent to owner. If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a PHA of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Verification:

- b. The three types of verification are:
 - (1) Third-party verification, either written or oral, obtained from employers, public assistance agencies, schools, etc.
 - (2) Documentation such as a copy of a birth certificate or bank statement

- (3) Family certification or declaration (only used when third-party or documentation verification is not available)

Very low-income families: Families whose incomes do not exceed 50% of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50% of the median for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Victims of Domestic Violence: Individuals or families who have been or are being subjected to or victimized by violence by a member of the family or household. The Allegheny County Housing Authority will require evidence that the family has been displaced as result of fleeing violence in the home. Individuals and families are also eligible for this preference if there is proof that the individual or family is currently living in a situation where they are being subjected to or victimized by violence in the home. Evidence or proof may include a Protection from Abuse Order, police report, or written verification that the individual or family is living in an emergency shelter because the individual or family has been subjected to or victimized by violence by a member of the family or household. The following criteria are used to establish an individual's or a family's eligibility for this preference:

- A. Verified actual or threatened physical violence directed against the applicant or the applicant's family by a spouse or other household member who lives in the unit with the family or where the family has fled its housing to escape from an abuser.
- B. The actual or threatened violence must have occurred within the past 30 calendar days or be of a continuing nature.

An applicant who lives in a violent neighborhood or is fearful of other violence outside the household is not considered involuntarily displaced as a result of domestic violence.

The applicant must certify that the abuser will not reside with the applicant unless the Housing Authority gives prior written approval.

The Housing Authority will approve the return of the abuser to the household under the following conditions:

- A. The Housing Authority verifies that the abuser has received therapy or counseling that appears to minimize the likelihood of the recurrence of violent behavior.
- B. A counselor, therapist or other appropriate professional recommends in writing that the individual be allowed to reside with the family.

If the abuser returns to the family without approval of the Housing Authority, the Housing Authority will deny or terminate assistance for breach of the certification.

If the family requests it, the Allegheny County Housing Authority will try to ensure that the new location of the family is concealed.

- A. Nonrecurrent, short-term benefits that:

1. Are designed to deal with a specific crisis situation or episode of need;
 2. Are not intended to meet recurrent or ongoing needs; and
 3. Will not extend beyond four months.
